Trinity University.

Trinity University was constituted by a Royal Charter, bearing date 15th July, 1852, and was thereby endowed with all such powers of conferring Degrees in the various Faculties as are enjoyed by the Universities of Great Britain.

The fundamental object of the University is to supply to the people of the Province an Academic education of the highest kind, in which secular instruction should not be dissociated from religious teaching. The University is under the control of the Church of England, but open to all who desire to avail themselves of its advantages.

GOVERNMENT OF THE UNIVERSITY.

By the provisions of the Royal Charter, the Government of the University is vested in the Corporation, which body by an Act of the Legislature of the Province of Canada (15 Vic. ch. 32) is composed of 1. The Bishops of the four Dioceses into which the original Diocese of Toronto has been divided, 2. The Trustees (three in number), 3. The Council.

The Council is made up of the following classes of members:

EX-OFFICIO MEMBERS.

The Chancellor and Ex-Chancellors of the University, the Provost and Professors in Arts and Divinity in Trinity College.

MEMBERS NOMINATED.

By the Bishops of Toronto, Huron, Ontario, and Niagara, four members each, representing their respective Dioceses.

By each Medical School or College affiliated to the University, one member.

MEMBERS ELECTED.

By the Graduate Members of Convocation (see below), eight members, who hold office in each case for four years, two retiring annually.

By the Associate-Members of Convocation (see below), two members, who hold office in each case for two years, one retiring annually.

By the whole Corporation, seven members, elected in each case for life.

PRIVILEGES OF CONVOCATION.

By the provisions of the Royal Charter, and in accordance with the practice of the English Universities, the Convocation of the University consists of (in addition to the Chancellor the Provost, and Professors of Trinity College,) all Graduates in Divinity, Law, or Medicine, and of all Graduates in Arts of the standing of M.A., who from the time of their admission to these Degrees have paid annually the sum of five dollars towards the funds of the University.

All Degrees must be passed by Convocation before they can be granted by the University, and the Supplicats for each Degree must have been previously approved by a Committee of Convocation called the Caput.

Convocation has also been placed by the Corporation in the position of a Standing Committee of that body, so that its members are in this way enabled, through their representatives, to formally lay their resolutions before the Governing Body of the University. Convocation is represented by eight members on the Corporation (see above).

An annual meeting for the transaction of business is held every year in the October Term. The annual meetings for granting Degrees, are held for Degrees in Medicine, in April, and in the other Faculties of Arts, Divinity, Law, and Music, in June.

ASSOCIATE MEMBERS OF CONVOCATION.

Graduates not qualified as above to become members of Convocation, and other friends of the University, may become Associate Members of Convocation by the same annual payment of five dollars. All candidates for Associate Membership must be approved by the Executive Committee of Convocation.

Associates have the right of speaking, but not of voting, at meetings of Convocation. They also elect annually a member of the Corporation. (See above.)

Local Associations of Convocation have been formed in the chief centres of Ontario. Members and Associates have equal privileges in the government of the Local Associations. Each Local Association elects one member to represent it upon the Executive Committee of Convocation.

There are at present about 500 members and associates of Convocation.

The Chancellor of the University is elected for a period of five years by the members of Convocation in good standing.

The Vice-Chancellor of the University is the Provost of Trinity College.

The Caput consists of the Vice-Chancellor and four members of Convocation, to be elected by Convocation at the annual June meeting for conferring Degrees.

The Degrees of the University are open to all persons without any religious test, except in the case of Degrees in Divinity, Candidates for which Degree are required to subscribe to a declaration of membership in the Church of England, and to the three Articles of the XXXVIth Canon.

Subjects of Her Majesty are required to make a declaration of allegiance before proceeding to their Degrees.

Boards of Study in the different Faculties, consisting of *ex-officio* and elected members, advise the Corporation, through the Executive Committee, as to the nomination of Examiners, changes in the Curriculum, &c., in their respective Departments.

Benefactions.

The original Endowment of this University was collected by the indefatigable exertions of its founder, the Right Rev. John Strachan, D.D., first Bishop of Toronto, and those whom his Lordship associated with himself in this good work. Amongst these the Venerable A. N. Bethune, D.D., Archdeacon of York, afterwards Bishop of Toronto; the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, and afterwards Archdeacon of Niagara; the Rev. T. B. Fuller, D.D., afterwards Bishop of Niagara; and the Rev. Saltern Givins, are worthy of special and grateful mention.

In addition to the offerings of Canadian Churchmen, amounting to over \$100,000, most liberal assistance, exceeding \$50,000, was obtained from England, including the following donations:

The Society for the Propagation of the Gospel in Foreign Parts, £2,000 and $7\frac{1}{2}$ acres of land in the City of Toronto.

The Society for Promoting Christian Knowledge, £3,000.

The University of Oxford, £500.

From members of the Sister Church in the United States, \$10,000.

The following Benefactions have been subsequently given:

1853.—Dr. Burnside, \$24,000.

1864.—Collected by Archdeacon McMurray and Rev. W. S. Darling, in England, \$22,500.

1865.—Rev. James Gordon, \$2,000.

1866.—Enoch Turner, Esq., Toronto, \$8,000.

1871.—Thomas Clark Street, Esq., \$4,000.

1876.—Family of the late James Henderson, Esq., \$5,000.

These last two amounts were appropriated towards the erection of the Convocation Hall, opened in 1877.

1882.—Supplemental Endowment Fund, raised by the Provost and Rev. R. H. Starr, partly in England, amounting to \$110,000.

In this sum is included a donation of \$10,000 from the Henderson family, specially appropriated to the erection of the College Chapel; a sum of £5,000, promised by an anonymous donor, a member of the University of Oxford, towards the Endowment of a Chair in Divinity and a Chair in Science; and a grant of £3,000 from the Society for Promoting Christian Knowledge, which required a further sum of £6,000 to be raised to meet it, as follows:

£1,500 towards the Endowment of three Fellowships, to meet £3,000 to be otherwise raised for the same purpose.

£1,000 for an additional building to accommodate 20 Students, on condition that £1,500 more was raised.

£500 to endow a Lectureship in History, on condition that £1,500 more was raised.

Of these grants £500 has already been paid for the foundation of a Fellowship, which is at present appropriated to the Natural Sciences. The Corporation hope shortly to be able to claim the grant of £1,000 towards the new building now in course of erection. The remaining grants, amounting to \$1,500, towards the foundation of two Fellowships and the Lectureship in History, expire on June 1st, 1891. It is of the utmost consequence that the sum of £3,500 required to meet them should be raised as speedily as possible, so as to secure to the University these great advantages, and prevent the loss of these grants.

The following Benefactions have been made specially appropriated to Scholarships or Exhibitions:

- 1852.—Two Scholarships of \$160 each, founded by the first Duke of Wellington.
- 1853.—Two Scholarships of \$160 each, founded in memory of the late Dr. Burnside.
- 1860.—Two Scholarships of \$140 and \$100 respectively, founded by the late William Dickson, Esq., of Galt.
- 1862.—The Pettit Scholarship in Theology, of \$90 per annum, left by W. T. Pettit, Esq.
- 1866.—The Cooper Exhibitions, being the interest on \$4,000 left by C. W. Cooper, Esq., of Mount Pleasant.
- 1889.—The Talbot Exhibitions in Divinity, being the interest on \$4,000 left by J. Talbot, Esq., of Cartwright.

Subscribers of \$1,000 and upwards to the Supplemental Endowment Fund are entitled to nominate, during their lifetime, one Student, in Arts or Divinity, to an Exhibition of \$50 per annum for three years.

Subscribers of \$750, \$500, \$250, are entitled to nominate three Students, two Students, one Student, respectively, to a three years' Exhibition of \$50 per annum, tenable in Arts or Divinity.

By means of the annual payments of Members and Associates of Convocation, a Fellowship in Classics has been founded. Grants have also been made towards augmenting the Lectureship in Modern Languages and the Fellowship in Theology.

Argent Wants.

The sum of \$100,000 is urgently required to provide for the additional building, and improvements needed in the present building; also to meet the outstanding grants of the Society for Promoting Christian Knowledge, and to provide Professorial Chairs, instead of Lectureships, in the Departments of Physical Science, Natural Science, and Modern Languages. About \$20,000 has already been obtained towards this amount.

Chairs in English and English Literature and History are also much needed.

FORM OF DEVISE OF LAND TO TRINITY UNIVERSITY.

I give and devise unto Trinity College, Toronto, their successors and assigns: All and singular, that certain parcel or tract of land and premises situate and being in the (*describe the land*). *If for any particular purpose, add to the uses and upon the trusts following, that is to say (e. g., the endowment of any particular Professorship or Lectureship, or the founding of any Scholarship or Exhibition).*

FORM OF BEQUEST OF PERSONAL ESTATE.

I give and bequeath unto Trinity College, Toronto, their successors and assigns, the sum of . . . (*Add, as above, if any particular purpose is desired.*)

Fees for Tuition and Board.

Although residence within the College buildings, for Students in Arts and Divinity, is not in all cases compulsory, it is strongly recommended. The common Collegiate life, after the pattern of the English Universities, is in itself a training of great importance. A new Residence, containing 58 rooms, is in process of erection, the accommodation previously existing being found altogether inadequate.

Students in Arts and Divinity are ordinarily required to reside in College, but those whose parents live in Toronto are exempted from such residence, and the same privilege is granted by the Executive Committee in other cases on sufficient cause being shewn.

The Tuition Fees for Resident Students are \$55 per annum, and for Non-resident Students \$65 per annum.

The charge for rent of rooms and board of Resident Students is \$165 per annum.

These fees are payable in three instalments, terminally, in advance, and on payment being made during the first fortnight of term, a discount of 10 per cent. is allowed, thus reducing the annual charges to \$198 and \$58.50 for Resident and Non-resident Students respectively.

The Steward's account for fuel and extras averages \$15 per annum. Students have to provide their own bedding, carpets, &c., the heavy furniture being supplied by the College.

Matriculation.

I. ARTS.

The Examination for Pass will be held in July, at Trinity College, Toronto; Trinity College School, Port Hope; and the various Collegiate Institutes and High Schools of the Province. The Honour papers will be set at Trinity College, and at certain of the more important Collegiate Institutes selected by the Education Department. A second Examination, for Pass only, will begin at Trinity College on October 1st. Notice for these Examinations must be sent by June 1st and September 10th, respectively, on forms which will be supplied by the Registrar. This notice must be accompanied by a certificate of good character, and the Matriculation Examination Fee of \$5. A Candidate who has failed or been conditioned in the July Examination will not be required to pay this fee on presenting himself again in the October following. The Candidate must have entered on his sixteenth year.

The following Scholarships are offered for Competition at Matriculation:

The Bishop Strachan Scholarship of \$200.

The First Dickson Scholarship of \$140.

The Second Dickson Scholarship of \$100.

The Corporation has also provided that four Bursaries shall be open every year, tenable from year to year, for a period not exceeding three years, of the value of \$62 per annum. Any Student who shall have passed the Matriculation Examination, and shall have satisfied the Corporation that he cannot, without the aid thus afforded, avail himself of the advantage of a University Education, shall be eligible for a Bursary, provided that he is not the holder of a Scholarship or Exhibition. *Ceteris paribus* the sons of Clergymen will be preferred.

For the subjects of Examination and other information, see page 38.

II. LAW.

The Candidate for Matriculation in this Faculty must have passed the Arts Matriculation Examination of Trinity University, or of some other recognized University, or the Primary Examination of the Law Society of Upper Canada, and have paid the Matriculation Fee of \$5.

FACULTY OF ARTS.

Proceedings in Arts.

BACHELOR OF ARTS.

All Candidates for this Degree must be Matriculated Students of Trinity University, and have kept nine terms. They will be required by the University to pass the Primary, Previous, and Final Examinations.

In order that a Student may keep a term he must attend seventy-five per cent. of the lectures delivered in the term by each Professor or Lecturer whose lectures he is required to take, and if resident in College, attend sixty per cent., and if living in lodgings, fifty per cent., of the Chapels of the term.

The keeping of terms may, however, be dispensed with in individual cases, in which application to that effect shall have been made to the Corporation, and the grounds assigned by the applicant unanimously approved by the Corporation. In such cases the applicant must not be less than twenty-five years of age, and will be required to pass the Matriculation Examination, the Primary, the Previous, and the Final Examinations, at intervals of not less than those which are prescribed in the case of Resident Students, and to pay for each Examination which he undergoes, in addition to the fees for Matriculation and Degree, the sum of \$5. The permission to proceed to a Degree in this manner by Examinations only, must be given by the Corporation before the Candidate presents himself for the Matriculation Examination.

Students attending lectures in Trinity College will not be allowed to present themselves at the Primary, Previous, or Final Examination, unless they have passed the Christmas College Examination, held at the end of the Michaelmas Term, or the Supplemental Examination, held at the end of the Lent Term, of the First, Second, or Third Year respectively. The marks obtained in this Examination by Candidates in the First and Second Years, are also reckoned in the awarding of Scholarships in June.

Students attending any Divinity School in connection with the Church of England, will be admitted to the Degree of B.A., on condition of passing the usual Examinations, viz., the Matriculation, the Primary, the Previous, and Final Examinations, at the accustomed times, the Candidate producing on each occasion the necessary certificate from the authorities of his Divinity School, viz., at the Matriculation Examination, that he has been admitted as a Student of the School, and at the Primary, Previous, and Final Examinations, that he has kept at least the requisite number of terms, and that he is in good standing. Students who do not reside for so long a period as three years may be admitted to the Degree of B.A., on condition of keeping at Trinity College the rest of the terms required, and of passing the necessary Examinations. Or they may make, severally, application to the Corporation to be allowed to avail themselves of the Statute under which Candidates are admitted to the Degree of B.A., by Examination only.

Students-at-law of Osgoode Hall, or Students of any Medical College, may be admitted to the Degree of B.A., if, during their Course in Law or Medicine respectively, they have kept three terms in Trinity College, and have passed the Matriculation, the Primary, Previous, and Final Examinations for the Degree of B.A.

Undergraduates of other Universities may, at the discretion of the Provost, be admitted *ad eundem statum*, up to the end of the Second Year, provided they have kept their terms by attending Lectures and passing Examinations.

In order that a Candidate may pass in the Matriculation, or in any other of the Pass Examinations for the Degree of B.A., he must obtain 25 per cent. of the marks assigned to each paper, and 33 per cent. of the marks assigned to each department.
