MAIL ORDERS
We solicit out of town orders which
receive our personal attention. The
length of time taken to fill orders is
governed very largely by how busy we
are in the department of our factory
in which the particular goods are
made. While we have exceptional
facilities for promptly turning out
goods, it is important to place orders
as far ahead as possible. Orders are
filled by us in the rotation in which
they are received, and customers can
always depend on our doing everything
in reason to give prompt despatch.

Second List of Contributors
Shows Nearly \$3000 Collected.
—Still Room for More

This week we publish the second
list of contributors to the Patriotic
Fund, showing the sum collected near-
ly \$3000. This is a very good show-
ing but we should strive to make the
sum up to \$5000 for the town, which
would be a good record for Campbell-
ton. Our contributions so far have
just been what we can spare in many
cases, and we must go further than
that. We put this matter before all
our readers and if any feel constrained
to subscribe, they may forward
their subscriptions to this office, and
the names will be acknowledged in
our columns and the money handed to
the proper authorities.

Petrograd, October 21.—Ac-
cording to a statement issued by
the Russian Official News Agency
today, the Austro-German
forces west of the Vistula river
have been driven back forty-five
miles from the river, and the
Russian advance posts have
reached the vicinity of Skiernie-
wice a railroad centre southwest
of Warsaw.

"Attempts of the Germans to
reconstruct the railroads east of
Lwow and Skierniewice have
failed," it is stated. "Cossacks
operating in force in this terri-
tory have destroyed the tracks
as fast as they have been re-
laid."

"That the German plan of
campaign in Poland is similar to
that followed in France is in-
dicated by reports that, all along
their main line west of the Vis-
tula, the Austro-German forces
are throwing up strong en-
trenchments."

"These trenches extend across
the Vistula into Galicia. They
are of elaborate construction,
apparently being designed for
the protection of the troops dur-
ing a long campaign."

"There has been no news given
out for several days on the
situation about Milawa, where,
at last reports, the Germans
were attempting to advance
troops against the northern
flank of the Russian army."

COUNCIL MEETING ON TUESDAY EVENING

Short Session of Council Held
When Business of Routine
Nature Done

A meeting of the Town Council was
held on Tuesday evening in the Coun-
cil Chambers, His Worship Mayor
Andrew presiding. At the opening of
session there were present Councillors
Ellsworth, Goss, Quinn, Evans and
Alexander. The minutes of the pre-
vious meeting were read and confirmed.

Communication read from W. J. Le-
Bouff, asking relief from taxes and
was referred to Assessment and Ap-
peals Committee.

Communication read from A. C.
Bellisle, giving notice of removal
from the store occupied by him in the
Town Buildings. Letter ordered filed.

Communication read from D. C.
Firth, sec'y, of St. Andrew's Church
Trustees, giving notice that no taxes
would be paid by the church for this
year, and asking refund of taxes al-
ready paid. Referred to Assessment
and Appeals Committee.

Petition received from Arthur Ver-
mette praying for license for two
pool tables in the old Lacasse Build-
ing on Water Street. This was re-
ferred to the Police and License Com-
mittee, who at a later stage recom-
mended that license be granted under
the provisions of the By-Laws, on the
condition that license be revoked and
the building removed when so ordered
by council.

The following reports of standing
committees recommending payment of
accounts were then received and
adopted.

Public Property and Streets \$165.75
Fire Protection 9.72
Public Charities 64.00
Police and License 43.70
Water and Sewerage 539.45
Finance 4.50
Councillor McLean then entered the
meeting.

Councillor Alexander submitted re-
port recommending the payment of
\$85.64 to Joe. Carr for sewer work
done by him, and after discussion the
report was received and adopted.

Councillor Alexander also presented
a report recommending that the ac-
count of G. A. Mersereau for \$24.50
be paid.

This account was for photographs
of the town taken for the recent Town
Planning Convention at Toronto.

Report was received and adopted.

Councillor Ellsworth from Assess-
ment and Appeals Committee sub-
mitted report recommending that the
application of W. A. Trueman for a re-
fund of poll tax for years 1912 and
1913 be granted, and refunding the
amount of \$7.00. The report was re-
ceived and adopted.

The matter of a ventilating system
in the police cells was then taken up,
and after discussion, the committee
were authorized to have a ventilating
system installed.

Councillor Goss asked the Water
and Sewerage department for infor-
mation regarding the dam at Smith's
mill, and Councillor Alexander re-
plied that this work had been done by
contract by Mr. Underhill, under the
authority of the Council, but if Coun-
cillor Goss would give his questions in
writing all the information would be
available to him.

This matter brought up discussion
on the matter of all payments being
passed by the Council, after which the
Council adjourned.

**UNITED STATES MAY
BE NOW CONCERNED**
(St. John Globe)

Washington, D. C., Oct. 16.—Im-
portant developments in the Far East
affecting the United States, were
hinted at today in official circles. The
development involving the State and
Navy Departments was discussed in a
conference between President Wilson,
the acting Secretary of State, and the
acting Secretary of the Navy, Mr.
Roosevelt, one of those attending the
White House conferences, would only
go so far as to say that a question af-
fecting United States relations was
under discussion.

Later, it was announced that orders
had been issued to close the Marconi
station at Honolulu within twenty-
four hours, unless a satisfactory ex-
planation is given concerning the de-
spatch of a German gunboat's mes-
sage. The United States administra-
tion held the message was a clear vi-
olation of neutrality.

It appears the British ambassador
to-day complained to the State de-
partment that the ships of neutral na-
tions are using the port of Manila as a base
for supplying German cruisers. The
State department promised an inves-
tigation.

CALEDONIAN MEETING

Caledonian Society will be held on
Friday afternoon, in the office of Mr.
H. A. Carr at 8 p.m., and the annual
meeting will be held on Friday, 30th
of October at 8 p.m. Full particulars

Petrograd, Oct. 22-14.—Official
news bureau reviewing fight-
ing around Warsaw, says Rus-
sian troops displayed exceptional
energy in coming to defence of
Warsaw and saving city from
German bombardment. Russian
concentration was effected with
greater swiftness than was cal-
led for by strategical reasons.

Documents taken from prison-
ers who were captured during
fighting near Warsaw, show that
Germans were confident of en-
tering that city between fifteen-
th and seventeenth of October.
Siberian regiments arriving at
Warsaw were immediately sent
to front, but not before they
were warmly hailed by popula-
tion, which was greatly im-
pressed by martial appearance
of these young soldiers. During
their bayonet charges at night
in forest of Motihidlovsk, Siber-
ian soldiers took many prisoners
belonging to 21st German corps.

17th German corps, with some
of their reserve troops, attempt-
ed to push forward in region be-
tween Blonie and Prouschkoff,
suffered severely. It was there
that the Siberian troops, to-
gether with the Russian forces
inflicted terrible losses on enemy.
Many villages in vicinity were
taken and retaken in hand to
hand fighting. Direction of
great battle going on to south of
Przemysl, which has been under
way for six days is in hands of
General Broussiloff. Austrian
losses have been enormous.

The First Contributors Are Now
Acknowledged.—Ladies Are
Working Hard

The ladies committee, who are work-
ing for the benefit of the distressed
Belgians, are meeting with a good
deal of encouragement in their work.
At the outset Messrs. Rosenhek
Brothers approached the committee
with the offer to supply all the pack-
ing cases for these goods, and look
after the packing of the articles, which
offer was gladly accepted by the com-
mittee. Mr. Joseph Pichette and Mrs.
H. B. Anslow have given the use of
their sewing machines and any ladies
who can spare the time, are asked to
call at the offices of the committee
and assist in the making of articles
for the Belgian needy. The offices
are open from 2 to 5 p.m. every after-
noon, and donations of clothing, blan-
kets, bedding, etc., and money will be
gratefully received and acknowledged
in this paper.

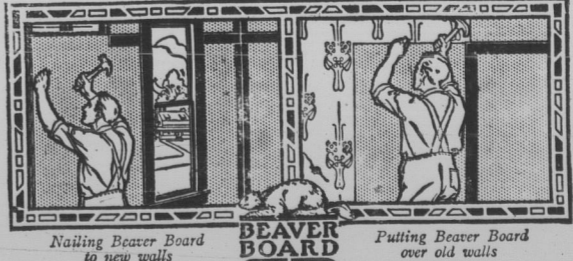

The following list was received up
to and including Tuesday evening.

Mrs. Cool, clothing; Mrs. Archd.

Many prisoners have been taken,
including both Austrians and
Germans.

Paris, Oct. 2-14.—That allies
are maintaining their advantage
in fighting in northern France
was the claim made in official
communication issued at Borde-
aux at three o'clock this after-
noon. It was announced that
fighting of most violent charac-
ter continues in the vicinity of
Dixmude, Warneto, Armitero,
Radign and Labrase, but that
every attempt of German to
gain ground previously lost, has
been repulsed.

HIS HEALTH IN A TERRIBLE STATE

"Fruit-a-lives" Healed His Kidneys and Cured Him

HAGERSVILLE, Ont., Aug. 26th 1913.
"About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. I felt the need of some good remedy, and having seen 'Fruit-a-lives' advertised, I decided to try them. Their effect, I found more than satisfactory. Their action was mild and the result all that could be expected. My kidneys resumed their normal action after I had taken upwards of a dozen boxes, and I regained my old-time vitality. Today, I am enjoying the best health I have ever had."

B. A. KELLY
"Fruit-a-lives" is the greatest kidney remedy in the world. It acts on the bowels and skin as well as on the kidneys, and thereby soothes and cures any kidney troubles.
"Fruit-a-lives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size 25c. or will be sent on receipt of price by Fruit-a-lives Limited, Ottawa.

LAUNCHING NEW INDUSTRIES

Every good Canadian in the present time of national peril will encourage the idea of buying goods made in Canada. The first duty of every man is to his own people, those among whom he lives and labors and has his home. No hostility to the workers of other nations is involved in giving preference to Canadian goods when they can be had, and to those of the motherland when Canadian goods are not upon the market.

The Canada First movement in industry should have an even wider application. Millions of dollars' worth of manufactured articles and of supplies used in the processes of manufacturing that have been imported in the past from Germany and Austria are now cut off. The effect of this cessation of importation is very marked, and many industries are partially crippled as a result. It may be seen, for example, in copies of Canadian papers. One sheet may be a soft blue-white shade and the next a rather harsh yellow-white. The paper-makers depended on German dyes and they are becoming scarce. From a hundred industries similar illustrations may be drawn.

Canadians bought these articles and supplies not because they loved the Germans, but because they needed German products in their business. Now that they have been cut off enterprising men of business will assuredly begin to provide substitutes. Wherever possible the substitutes should be made in Canada. If skill and science are brought to bear in their production the home product should permanently displace the formerly imported. The Canadian buyer's duty—a duty which he owes to his country as a patriotic citizen—is not to seek means of evading the law against trading with the enemy by trying to secure German goods in some indirect way, but to pledge support to the men who are seeking to develop Canadian industry by producing at home articles heretofore imported from countries with which Canada is now at war. The obligation of the manufacturer actuated by a patriotic desire to advance Canadian national interests is equally plain—his goods must be right and the price reasonable.

One thing to be thankful for is the fact that the buckwheat cake and maple syrup districts are not in the war zone.

CANADIAN TROOPS

HAVE ROUSING TIME

Enthusiastic Welcome Accorded the Canadians on Their Arrival at Plymouth

Plymouth, October 14.—The Canadian Contingent arrived in England to-day. Britain's mighty power on the sea was shown in its full reality when the great fleet sailed in.

The passage could not have been more pleasant or the troops, the most exciting incidents were the arrest of a supposed German spy and the burial, that of a man who fell overboard at sea from one ship, and that of another who died from exposure after attempting his rescue. The latter's name is unascertainable as yet.

The supposed spy was a private in a regiment from Montreal. He is said to be of Dutch nationality and speaks several languages. Colonel Herring's suspicions were aroused by his alleged persistent questions about the disposition of the various Canadian troops. His arrest followed. A State letter and code were found in the man's clothes. A secret officer's inquiry resulted in an order that the man be kept in custody till further orders.

CAME AS SURPRISE.
Plymouth has seen a few sights in its time but there has never been anything like this declared one venerable inhabitant out on the waters where the slate-grey liners, having reached their anchorage, were awaiting further orders. The arrival of these transports came as a surprise to the great majority of the people of Plymouth. The first ships steamed slowly in in the early morning, the folk on shore watching them more or less idly. This was not a surprising matter, considering that they have been able to watch the movements of many vessels, heretofore strangers to Plymouth, during the last few fatal months.

It was the men on board who themselves made known their arrival. As the great vessels drew inshore, the soldiers of the Maple Leaf, heartened mightily to find the first incident in their momentous mission accomplished, broke into wild cheers. With eager enthusiasm to look out on the rich land of Devon, they swarmed on top of the decks and into the rigging, while their cheering passed from ship to ship. "No ordinary crowd of soldiers is aboard these boats," was the thought passing among the still-puzzled on-lookers. Then in flash, the real character of these voyagers dawned upon the watchers.

WAVE FLAGS AND HATS.
"Why, they're the Canadians!" the exclamation passed from one little group of beholders to another. Straight away the cheers of those on the transports received a response from the good folk of the port. As the news spread further, each company of watchers added to its numbers every minute. Hats and flags were waved, both aloft and ashore and from the decks of some of the transports there came the sound of the bagpipes.

Relief at reaching port was intense among the Canadians, and disappointment was correspondingly intense among the townspeople, because there had been no means of bestowing a hearty welcome other than by an abnormal display of lung power. British as it may, the Canadians will not forget their reception at this port, the demonstration being all the more noteworthy because it was so completely spontaneous.

IN GOOD CONDITION.
A feature which appears to have struck competent observers of the Canadian contingent most favorably is the general maturity about the men. "These fellows won't take much licking into shape," declared one grizzled non-commissioned officer, who doubtless has been enduring some trying moments recently in training new home recruits into shape.

The Western Morning News, editorially voices Eng.'s first welcome. "To Canada," he says, "belongs the immortal distinction and honor of sending the first contingent of Dominion troops to the war. Canada has always been foremost in great Imperial movements, and in the defence of the Empire's honor. Her troops will be first in the field. We in the west had yesterday the gratification of seeing these stately ships steam into the harbor, whence Gilbert set forth to discover Newfoundland, and we will greet them with greater warmth than a brother if and when Plymouth is officially allowed to receive them.

YEOONELL-GOULD
A quiet and pretty wedding was solemnized at the Manse, Dalhousie, on Tuesday evening, the 19th inst., when Miss Florence, eldest daughter of Mr. and Mrs. Wm. Gould, was united in marriage to Mr. Henry Yeooneil. The bride was tastefully gowned in white silk. The ceremony was performed by Rev. Dr. Polley, of St. John's Presbyterian church.

SHOOT MOOSE

Chatham Gazette: One of the fair hunters of the province is Miss Elizabeth Turnbull of Petitcodiac, formerly of Chatham. On Friday last Miss Turnbull shot a very good sized moose and what speaks still more for the young lady's skill, she was alone at the time the moose came in sight and fell a victim to her good aim.

SUPPER AND CONCERT

The hall at Tabusintac on Wednesday evening of last week was well filled with an appreciable audience who listened to an excellent programme by the boys and girls of the church. A supper was also given by the ladies of the congregation earlier in the evening and the fine sum of \$103 was raised and forwarded to the Belgian relief committee.

VARIETY SHOW

On Oct. 5th, at the home of Mrs. George Haddow, Dalhousie, a very enjoyable variety show was held in honor of Miss Florence Gould, who for a long time had been a faithful teacher at the St. John Presbyterian Sunday school. In view of her approaching marriage. A very appropriate programme was rendered and a dainty luncheon served to the numerous guests. Miss Gould was the recipient of many pretty and useful presents.

MATTHEWS-McKAY

One of the prettiest weddings that has taken place this season was held at the home of Mr. and Mrs. W. E. Forsythe, Alberta Ave., Eburne, B. C., on Tuesday evening, Sept. 18th, when the Rev. J. H. White, in the presence of the immediate relatives of the contracting parties, united in marriage Charlotte Emily Matthews and W. B. R. McKay, son of the late Rev. Dr. R. McKay of Chatham, N. B. The ceremony was performed under an immense ivy arch in the drawing room which had been tastefully decorated for the occasion. The bride, charmingly gowned in white silk crepe, with veil and orange blossoms, and carrying a shower bouquet of white roses and carnations, entered the drawing room on the arm of her brother, Mr. T. A. Matthews, to the strains of Mendelssohn's wedding march, which was played by Miss Beniah R. Champion. Mrs. T. A. Matthews, matron of honor, was becomingly attired in brown silk. A buffet supper was served in the prettily decorated dining room, after which the happy couple left for Harrison, later to take up their home in New Westminster, B. C.

Help in the Relief Work of the Canadian Patriotic Organization and Support Canadian Industry

BY BUYING REXALL TOILET GOODS, REXALL REMEDIES AND REXALL PRODUCTS

From October 15th to December 31st, we, along with over 400 other Rexall Stores—The Best Drug Stores in Canada—are contributing to the Canadian Patriotic Fund FIVE PER CENT. of our total purchases of REXALL PRODUCTS. On the basis of last year's purchases this contribution will amount to several thousand dollars, but it can be doubled and trebled if the people of this town and the people of Canada will lend a helping hand.

REXALL GOODS ARE MADE IN CANADA

In the big new factory of the United Drug Co., Limited, in Toronto. Every time you buy a REXALL article you help in relieving the suffering caused by this calamitous war, and you also help Canada and the Empire by keeping Canadian Industry employed. Moreover REXALL goods are better than most foreign-made goods of similar character—millions of users endorse them in Great Britain, Canada and the United States. Behind them is the personal reputation and guarantee of over 7,000 of the Leading Drug Stores throughout these countries. Besides, in buying REXALL goods you take no risks. REXALL Stores everywhere prefer to refund, and will refund your money if any REXALL product is not satisfactory. What's more REXALL products will not cost you a cent more than they have been costing, the increased cost of manufacturing incurred since the war will be borne by the United Drug Co., and the Rexall Stores, as well as this extra five per cent. voluntarily assumed for the Relief Work of the Canadian Patriotic Organization.

Will you lend a hand and pass the word along to your friends? All the funds that can be collected is required for Relief Work and Canadian workmen need to be kept employed.

PUBLIC MEETINGS HELD IN COUNTY

Series of Meetings Being Held for Furthering Objects of the Patriotic Fund

The executive of the Patriotic Fund are now visiting various points in the county with the object of stirring up enthusiasm and getting the people at work locally in all the different parishes of the county. Already meetings have been held in some of the Northern parts of the county and public meetings under the auspices of the Committee organized for the County of Restigouche to carry on the objects and purposes of the Canadian Patriotic Fund, will be held as follows:

At the Court House, Dalhousie, Monday, Oct. 26.
Jacques River Hall, Tuesday, Oct. 27.
Nash's Creek Hall, Wednesday, Oct. 28.
Dalhousie Junction School or church, Friday, Oct. 30.
Ed River Hall, Saturday, Oct. 31.

These meetings will be addressed by prominent men of the County and a large attendance is desired.

The support of all citizens in this worthy object of caring for the wives and other dependent relatives of those who have gone to the front, is most urgently requested.

MANUFACTURERS AND WAR TIME TRADE

Will Take Every Possible Advantage of Their Opportunities

Here is a fine sample of industrial logic:

When England went to war; Canada went to war.

When Canada went to war American manufacturers began to plan for the capture of both British and Canadian markets.

Therefore—Canada should buy American-made goods. This war wasn't three weeks old before American writers were proving that American manufacturers should now go out and grab all the European markets in the world.

For instance in Brazil alone they would annex as follows:

From Germany \$46,000,000 a year; France, \$22,000,000 a year; England, \$74,000,000 a year.

After you my dear Alphonse: There are eight million consumers in Canada. The only reason they don't ask the American manufacturer to come right in and book the order is, that we have something like \$1,500,000,000, mostly of good Canadian money invested in Canadian factories, employing Canadian labor making goods for Canadian consumers to buy. When England went to war those millions of annual output and \$300,000,000 yearly wages went to war also. Anybody who figures that 31,000 men in khaki represent all the war this country is putting up for the Empire is leaving out his "dot and carry 1."

When England is at war, Canada is at war.

When Canada is at war, she fights with her citizen army, her farms and her factories.

Nobody doubts, even without the testimony of Col. Hughes, that our men in khaki will put up as handsome a scrap for the old flag as any other fighting outfit in Europe.

Nobody imagines that the Canadian farmer will be so blind to his own interest that he won't work every acre he can turn into crop to help along

DESTRUCTIVE FIRE AT CARLETON P. Q.
Bernard Woodworking Factory Destroyed on Saturday Evening—Loss \$15,000

Dalhousie, N. B., Oct. 21st.—The destruction on Saturday evening by fire of the Bernard Woodworking factory, at Carleton, P. Q., dealt a hard blow to the two enterprising young men, Henry and Alphonse Bernard, who after making some money in the west, returned to their native parish, built themselves fine homes, and established a wooden industry, which gave employment to several hands, and was of great assistance to the farmers in that vicinity, who having some timber on their lots could get same sawn on shares. In addition to that, those interested in any building operations, could always depend on the Bernards being prompt in shipment. Many small lots of prepared lumber were shipped this year by them to people in Restigouche, Co. Their loss is about \$15,000 and no insurance. It is reported that they will rebuild, and if they do, they will put up a steam plant on Carleton beach. The old location, which was about a mile above the station and wharf, known as the "Aime Cyr" site, will not be used in future. The new location will be near the wharf and closer to the railway station. Outside of the large tannery and boat factory, owned by John Cullen, Esq., the ruined wooden mill and factory was the only other industry in the parish of Carleton. The public at large will be glad to learn that the two enterprising young men have decided to rebuild on a much larger scale, as they can count on the encouragement of the progressive people in the whole Bay Chaleur. Our cry should be in every hand, "Let us patronize our own industries." Let us spend our money in our own stores." It is wonderful what can be achieved if we assist each other. Our industries and our stores pay heavy taxes for country, town and schools, and their owners are always ready to subscribe generously for any noble cause. War is now arousing our patriotism. We are giving with open hearts to assist the afflicted. Let us be guided by the great lesson that is furnished by the call "That Canada must manufacture many articles that were purchased in Germany." On a smaller scale, we can buy goods as cheaply in our towns and parishes, if we present ourselves with the money, as can be bought in the large cities, besides the fact, that we are helping every day to build up our own communities.

the food supply of the nation, the army and the navy.

Does anybody dream that the manufacturers of Canada expect to bring up the rear when it comes to preserving this part of the Empire in a state of efficiency in a time of war?

If so it must be the man who in war time runs up a manufacturing distress signal and calls out to Uncle Sam—"Come and help us."

CANADIAN CROPS ARE BELOW THE AVERAGE

Bulletin Issued by Statistics Office Gives Total Yields up to September 30th.

Ottawa, October 16.—A bulletin issued to-day by the Census and Statistics Office gives provisional estimates of the yield and quality of the principal Canadian grain crops, and also the condition of root and fodder crops, as compiled from reports of correspondents made on September 30.

In general the reports confirm the statement issued last month, the average yields per acre being about the same as then estimated for wheat, but being somewhat less for oats, barley and flax.

The total yields for Canada of the principal grain crops in bushels are as follows: Wheat 158,223,000, oats 311,426,000, barley 34,491,000, rye 2,258,000, peas 3,537,100, beans 823,400, buckwheat 9,159,000, flaxseed 7,533,000, mixed grains 16,458,000 and corn for husking 14,722,000.

The average quality of the grain crops at harvest time, measured upon a percentage basis,—100 representing grain well headed, well filled, well saved and unaffected to any appreciable extent by frost, rust, smut, etc.—is for the whole of Canada as follows: Wheat 78, oats 79, barley 76, rye 82, peas 75, beans 82, buckwheat 81, mixed grains 90, flax 64 and corn for husking 80.

For wheat, barley and oats the figures are considerably below the excellent record of last year, the averages this year being reduced by the prolonged drought in the Northwest provinces. In those provinces the points for the quality of wheat, oats and barley range from 48 for barley in Saskatchewan to 78 for spring wheat in Alberta.

In the Maritime provinces both the yield and quality of the grain crops are excellent.

The condition of root crops at September 30 is for all Canada about equal to last year, being 75 p.c. of a standard or full crop for potatoes, 78 p.c. for turnips, 80 p.c. for mangolds, carrots, etc., 89 p.c. for sugar beets, 90 p.c. for fodder corn and 76 p.c. for alfalfa. In Manitoba and Saskatchewan the condition of the root crops is low owing to the drought. In Northern Alberta, where the season was of more normal character, these crops make a fair showing.

During September conditions have been generally favourable for harvest-

There is a difference between hair promises and hair results.

Promises won't overcome hair trouble. The manufacturers of Newbro's Herpicide promise nothing which is not justified by an intelligent use of this preparation. The desired end ultimately becomes an accomplished fact. This is the reason that Herpicide has thousands of satisfied friends all over the world.

By keeping the scalp clean and healthy and destroying the dandruff, Newbro's Herpicide makes beautiful hair. Herpicide prevents the hair from falling and allows it to grow unhindered and naturally except in cases of chronic baldness which is incurable.

DALHOUSIE

Dalhousie, Oct. 21st.—A public meeting will be held on Monday evening in the Court House, Dalhousie, to adopt ways and means towards collecting money and articles for the Canadian Patriotic fund and for the Belgians. It is expected that this meeting will be largely attended.

The second regular meeting held by the Women's Institute took place in St. Mary's Hall on Tuesday evening. There was a large attendance. Miss Haddow the President, occupied the chair and Miss Polley was at her post as Secretary-Treasurer. In view of the prominence of the war, the meeting settled down to the appointment of committees to carry out the work of preparing articles for the wounded soldiers, etc. Two good hours were spent in sewing and a splendid start was made towards the good work that the ladies of our county have taken in hand to do. If they are not going to the front, they are at least showing their good will, and their many charitable acts must help to bring the blessings of a good providence on our Canadian soldiers, who will soon be ordered to fight for the honor and glory of our great empire.

The committee appointed at a recent meeting of the Institute, to arrange about the patriotic concert, consists of four ladies, Miss Haddow, Miss Polley, Miss Emma Harquail and Miss Doherty. They are busy at work, and it is expected that the concert will be held before the end of October. Mr.

For Loss of Hair

We will pay for what you use if Rexall "93" Hair Tonic does not promote the growth of your hair.

In all our experience with hair tonics the one that has done most to gain our confidence is Rexall "93" Hair Tonic. We have such well-founded faith in it that we want you to try it at our risk. If it does not satisfy you in every particular, we will pay for what you use to the extent of a 30 day treatment.

If Rexall "93" Hair Tonic does not remove dandruff, relieve scalp irritation, stop the hair from falling and promote a new growth of hair, come back to us and ask us to return the money you paid for it, and we will promptly hand it back to you. You don't sign anything, promise anything, bring anything back, or in any way obligate yourself. Isn't that fair?

Doesn't it stand to reason that we would not make such a liberal offer if we did not truly believe that Rexall "93" Hair Tonic will do all we claim for it—that it will do all and more than any other remedy?

We have everything there is a demand for and are able to judge the merits of the things we sell. Customers tell us of their success. There are more satisfied users of Rexall "93" Hair Tonic than any similar preparation we sell.

TWO NERVOUS WOMEN

Made Well By Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I had a severe case of nervous prostration, with palpitation of the heart, constipation, headache, dizziness, noise in my ears, tired, nervous, restless feelings and sleeplessness. I read in the paper where a young woman had been cured of the same troubles by taking Lydia E. Pinkham's Vegetable Compound so I threw away the medicine the doctor left me and began taking the Compound. Before I had taken half a bottle I was able to sit up and in a short time I was able to do all my work. Your medicine has proved itself able to do all you say it will and I have recommended it to every household I have visited."—Mrs. Mary Johnson, 210 Siegel Street, Philadelphia, Pa.

Another Bad Case. Ephrata, Pa.—"About a year ago I was down with nervous prostration. I was pale and weak and would have hysterical spells, sick headaches and a bad pain under my shoulder-blade. I was under the care of different doctors but did not improve. I was so weak I could hardly stand long enough to do my duties. Lydia E. Pinkham's Vegetable Compound has made me well and happy and I have begun to gain in weight and my face looks healthy now."—Mrs. J. W. Hornberger, R. No. 3, Ephrata, Pa.

BONAVENTURE

Mrs. John Hall Kelly, of New Carlisle, paid Bonaventure a visit last week in the interests of the Red Cross Society Fund being raised to carry on work on the European battlefields. The inhabitants donated generously to this fund, giving large supplies of wool, cotton and money. The employees of the firm of Edwards & McLeans contributed forty dollars.

Mayor Peter Bourdages should feel very proud of the road repairs done this spring. Usually at this time of the year and after heavy rainstorms, our roads were lakes of mud, however, the recent two days of rain had no effect upon their condition. Now that the roads are in good repair it seems proper that the attention of the village should be directed to the condition of the sidewalks. One can scarcely walk fifty feet without stepping into a hole or on to a loose board. A few minutes time on the part of each property owner would soon make the walks less dangerous.

Wednesday of last week we had no train or mail service from Matapedia and Thursday we were alike without any service to Matapedia. We understand this was on account of some defect in the railroad near Matapedia.

The mill of Edwards & McLeans expected to run until all their spruce logs are sawn, which will probably be sometime the forepart of next month. Mr. Alexandre Bernard has recently bought an automobile. At times the automobile had the appearance of being extraordinarily wild, while at other times it seemed altogether too bulky to be real, however, we understand that these defects were in no way attributable to the machine itself. We must say, however, that of late it behaves like a regular car should.

Mr. Preston Taylor and guide, Baptiste Jerome, have just returned from a short hunting trip. We understand they had some luck and a very good time in general.

Alexis Bourque is looking forward to an early Federal election. We understand the village needs some water-front improvements.

YOUR HAIR NEEDS PARISIAN SAGE

It Quickly Removes Dandruff.
Just because your hair is full of dandruff, thin, streaky, dull and never will do up to look pretty, do not despair. Beautiful hair, thick, fluffy, lustrous and absolutely free from dandruff is only a matter of care.

Parisian Sage frequently applied will work wonders. Just one application stops itching head, removes dandruff and all excessive oil. It goes right to the hair roots and furnishes the nourishment needed—the hair becomes soft, fluffy, abundant and radiant with life.

Parisian Sage not only saves the hair but stimulates it to grow long and heavy. Get a 50-cent bottle from Thos. Wran at once. There is no other "Just-as-good."

Commercial travellers in town this week, were Messrs. Flete, Chedore, Crepeau, Beliveau, Scott, Prevost, Gagne, Sutton.

Mr. Knight, representing the Chinie Hardware Co., was in town last week. We are glad to hear that Mr. Sydney LeMarquand is recovering from his recent illness.

Mrs. James Jessop and little son Ernie, spent the week-end in Grand River.

Messrs. J. Jessop and Lindyn LeMarquand of Chandler spent Sunday in Newport.

Miss Marguerite Jessop motored up to Newport to spend Sunday with her mother, Mrs. J. Jessop, Sr.

Quite a few of our people attended the concert given in Port Daniel last week for the Patriotic Fund, in which some of our young people took part. A still greater number attended this concert when it was repeated in Chandler on the 16th.

Thomas Jones, Jr., died here on Saturday, Sept. 26th, after an illness of three weeks. He was named Chief of Police of this town last May, where he has been residing ever since. He returned seven years ago from the fields of Alaska, when he was called by his mother's death. He is survived by five brothers, all of whom live out West, and also five sisters, which were present at his dying bed side.

The remains were taken to the Church of St. Adelaide de Pabos, where Solemn High Mass was celebrated by Rev. Father Cote, assisted by Canon Ouellette of Grand River, and his Vicar.

NEW CARLISLE

Guy Kempton of New Richmond spent Thanksgiving with his parents. Miss Murison is at present visiting in Quebec city.

Inspectors Sutherland and Kerr held a teachers conference on Thursday in the Academy.

Mrs. McWhirter and daughter of New Richmond were here visiting friends a few days last week.

Rev. W. B. McCallum of New Richmond preached in the Presbyterian church on Sunday evening.

Quite a number of the young men attended the concert in Port Daniel last week.

At present a concert is being prepared by Mrs. J. H. Kelly, to be held in the early part of November. Proceeds to go to the Red Cross Society. The friends of Mrs. T. J. Caldwell, will be sorry to know she is very ill at her home here.

Miss Bertha Smith of Montreal is at present here.

Rev. Mr. Buckland, the new rector for the Church of England has arrived, also Mrs. Buckland. The services in that church were conducted by him during the last two Sundays.

GOOD SUGGESTION TO CAMPBELLTON PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Campbellton agents for Adler-ika. A. McG. McDonald, druggist.

SUNNY SIDE

We have been having very agreeable weather these few weeks, and the farmers have profited greatly by it in storing their harvest safely.

Mrs. John Gallant is away visiting her daughter, Mrs. Dolan of Montreal. A very enjoyable time was spent at the home of Mr. and Mrs. Joseph McNeill on Thursday last, a number of young people being present.

Miss Lulu Brimache was the guest of Lizzie Gallant on Friday last. Mr. William Bernard drove through here Sunday en route to points down the coast.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. Is that not better, than to pay a five dollar doctor's bill? For sale by all dealers.

SUPERB GUNNING OF THE BRITISH TARS

How the Carmania Sunk a German Cruiser Makes a Thrilling Tale

(Montreal Herald.)
Fresh from coaling three British warships somewhere at a secret coaling station off the coast of South America, the big collier Brierton arrived in port here early this morning. The steamer brought, too, the first complete story of the gallant battle that the Carmania, an auxiliary British cruiser, fought with the German cruiser Cap Trafalgar three weeks ago, when the German ship was sent to the bottom with most of her crew. The superb gunning of the British and the heroism of the bluejackets in the fight was worthy of the best traditions of the Mistress of the Seas. "I lost one hand to sink that ship," cried a wounded British gunner, who had been carried below decks when the Cap Trafalgar rolled over and began to go down. "Get me on deck," he shouted. "I won't stay here. Get me above. I lost that hand to send her under and I am going to see the thing over." So he was taken above. As the German disappeared under the water he shook his good hand and cried: "And I will lose that one gladly to do the same thing to another tomorrow."

The collier had crept into her secret coaling station early in the morning—hidden away behind a reef on an isolated point on the coast of South America. Two or three days later H. M. S. Cornwall appeared there for coal. Her bunkers were empty after her long cruises on patrol duty. She had hardly begun coaling when the wireless above caught a message from the Carmania miles away. "I am chasing the Cap Trafalgar." Not long after the Britisher said that the German was making a run for freedom and had summoned assistance from a German cruiser and that the latter had replied that she was racing to the scene. "It will come too," was the reply of Cornwall. "Fight them off until we come."

The warship's commander summoned his crew and told them that the Carmania was after the Cap Trafalgar and asked them to beat all records in coaling some coal into the bunkers. They did it too, for no warship ever loaded fuel at such a rate. The men were wild with excitement, crazy for every bit of news that the wireless could pick up. The captain soon appeared again to tell them that the Carmania had the German cornered and was making him fight—a thing he did not relish. Then the bluejackets worked faster than ever and cheered louder.

In a couple of hours they were ready to clear for the fight. Just then, however, the Carmania wirelessed that she had sunk her enemy and was coming near the coaling station.

When she arrived she bore the evidences of the fray through which she had passed. There were holes in her hull and one of her guns was out of commission. She had dead and wounded on board too. The greatest damage was done by one shell which struck a steam winch on the deck and wrecked the gun. It was this one which took the hand off the British gunner who would not stay below when the enemy was sinking. If British shells had pierced a hull like that the vessel would have gone down like a stone, the sailors declared. They had little respect for the destructive qualities of the German ammunition. The Carmania was received by the warship and the collier without a cheer out of respect for the losses she had sustained in the engagement.

THE HOPE OF GERMANY

PORT DANIEL

The P. O. Viall Lumber Co's mill has been shut down for the season. The new physician, Dr. R. Brault, has established his office in Mr. LeGrand's house.

We are surprised that none of the local horse-fanciers have as yet deprived Mr. Edgar Lawrence of his driving horse.

Mr. W. G. Elliott left for Montreal this morning.

A consignment of coal for the power plant at the Port Daniel West Lobster Hatchery, arrived a few days ago, and gave employment to quite a few teams, hauling it from Marcell station to the Hatchery.

We are pleased to be able to record that Mrs. Claude Sweetman and Mrs. Herbert Sweetman, who were ill, have recovered.

Miss Agnes Horie and Miss Margaret Blundie, who were visiting here, have returned to New York and Boston respectively.

The concert given by the Port Daniel Dramatic Club in aid of the Canadian Patriotic Fund, was a great success.

The Anglican Parish Hall was taxed to its full capacity, many having driven from New Port, Gascons, Shigawake and Paspebiac.

The feature of the evening was the play, "The Gadabout Girls" which was put on by the following cast—Misses Lydia Enright, Julia Enright, Olive Skene, Mrs. R. G. Love, and Messrs. G. L. Acteson, A. L. Kennedy, W. C. Dow, E. L. Sweetman and R. McKenzie.

The programme was as follows:—
1. Chorus, "Soldiers of the King."
2. Solo, "Joan of Arc" Miss Jessup
3. Act I. "Gadabout Girls."
4. Solo by Miss McAnulty.
5. Chorus by Newport Glee Club.
6. Act II. "Gadabout Girls."
7. Instrumental by Miss Julia Chedore.
8. Chorus, "It's a long way to Tipperary."
9. Solo by Mr. LeSalleur.
10. Act III. "Gadabout Girls."
11. Chorus, "The British Territorials."
12. Solo by the Chairman.
13. National Anthem.

Rev. A. T. Love, who is president of the Dramatic Club, acted as chairman, a capacity for which he is eminently fitted.

The performance was repeated in the Chandelier Opera House on Friday evening, and the troupe on their return, spoke very highly of the cordial reception given them by the people of Chandler, and the assistance and courtesy extended to them by all. The receipts at Port Daniel were \$97.65, and at Chandler, \$116.00, making a grand total of \$213.65.

The German Emperor announced at the beginning of the war that he was prepared to sacrifice a million soldiers in the effort to take Paris. His official lists of losses so far, in the Prussian poem of his army alone is 211,000. If to those are added the losses since the date to which these lists were brought down, and the losses in the Bavarian, Saxon, and Wurtembergian regiments of his army, it is quite possible the total losses are already half a million, and a Petrograd estimate is seven hundred thousand. If to the German losses is added those of Austria, estimated as high as three to four thousand and also those of the Russians, French and British, on which little light is thrown by the official reports it is conceivable that the total casualties to date approximate a million and a half or more. Happily the vast majority of the casualties are in wounded and prisoners, but the toll of death is almost too horrible for contemplation. And all for what? To satisfy the ambition of the diseased and war-mad Emperor of Germany.

There may be other remedies for weakness, but Vir Vin takes first place. Sole agents, Whites Drug Store.

KEENAN-VERMETTE

A wedding of more than ordinary interest was solemnized this morning at the Church of Our Lady of Snows, when James B. Keenan of St. John, N. B., was united in marriage to Miss Marie Eva Vermette, daughter of Mr. and Mrs. George Vermette of this town. The bride was gown in an imported chiffon velvet dress and carried a shower bouquet of roses. Miss Grace Vermette, dressed in Navy Blue Broadcloth and black hat, acted as bridesmaid, and Mr. Thos. L. Keenan, a brother of the groom, was groomsmen. Rev. Fr. Wallace performed the ceremony, and gave the nuptial blessing. Miss Nan Synott presiding at the organ. The church was well filled with friends of the young people, who have a host of friends here.

Mr. and Mrs. Keenan received many beautiful and costly gifts, among them being, set of Black Fox Fur from the bride's family, and a set of gold, a full dinner and tea set of porcelain from the groom's mother and sisters. The groom's employees, Messrs. Wells Richardson Co., also presented them with a solid silver tea service.

The groom's gifts were to the bride, an emerald and diamond ring, and to the groomsmen and bridesmaid signet rings.

RED CROSS WORK IS NOW UNDER WAY HERE

Committee Appointed Under the Auspices of the Women's Institute Has Work on Hand

The Women's Institute, at a recent meeting, took up the idea of the Red Cross Society, and it was felt that, rather than organize another society, the work of this nature would be equally as well done by appointing a strong committee to further this noble object.

Mrs. J. W. Morton was appointed chairman of this committee, and she has now got the work well in hand, and is making a strong bid to carry on this to a successful issue.

This committee appeals for articles used in the hospital work, sheets, bedding, etc., as well as woolen goods such as caps, belts, wristlets, socks, etc. In another part of this issue we have given knitting instructions for these woolen goods, and the committee are asking for forty knitted caps at once.

Until rooms are secured for headquarters, these caps or other knitted goods may be sent to Mrs. J. W. Morton, chairman of this committee, and they will be acknowledged in due course in these columns.

There are many in the town who cannot give as much money as they would like to, and this is a great opportunity for all to assist by giving their time in knitting. All ladies in the town are asked to generously assist in this great work and anything they can do to help will be gratefully received by Mrs. Morton and the committee.

PROSPECTING FOR COPPER AND COAL

Leads Discovered on Miramichi Are Being Opened up.—Capital Interested

For some years it has been known that coal existed on the Dugarvon river, one of the smaller streams emptying into the Southwest Miramichi. One seam was taken up by Mr. and the mining rig.

John Vanderbeck of Millerton, has a showing of sixteen inches on the surface. The coal is of a good quality. Reports have been received of another outcropping a few miles distance from the first find, and Mr. Vanderbeck has gone to investigate this. He expects to do considerable work in opening up the seam before the snow covers the ground.

A number of outside capitalists have made enquiries in reference to the outlook.

From time to time reports that gold and copper abounded in the district, watered by the Little South West, have been heard. Years ago there was a reception was held at the home of the bride, Water Street. Mrs. Keenan received her guests in a gown of yellow crepe de chene over yellow satin, trimmed with seed pearls.

Mrs. Pinaut, Mrs. A. T. LeBlanc, Mrs. Giguere, of Dalhousie, and Mrs. Dumas assisted, while Miss Margaret Gallagher, Miss McIntyre and Miss Cantin assisted in serving.

Mr. and Mrs. Keenan leave on the Ocean Limited tonight on a trip to Montreal, Toronto, New York and other cities, and on their return will reside in St. John. They are followed by the good wishes of a host of friends, with whom the Graphic joins in wishing Good Luck.

LADIES OUTFITTERS

SUBWAY

was found in the end of a log, cut on this stream, a gold nugget of considerable size, but of course, nothing was known as to where it was picked up.

Smith, the hunter, a character known all along the Miramichi, twenty years ago, had a valuable bag of copper and gold bearing ore which he gave to Mr. Vanderbeck. Some of the copper specimens were exceedingly rich.

A fresh impetus has been given to prospecting on Divels Brook, a branch of the Little Southwest Miramichi, by the discovery by Mr. Wm. Simpson of Millerton of copper ore, with traces of gold. Samples of this ore, sent to the assay office, showed that the find was exceedingly valuable, the specimens showing metal to the value of \$7.00 per ton. The lead is good and indications point to a large body of ore. Mr. Simpson has interested several outside parties in the property, and some development work will be done shortly.

Here is a woman who speaks from personal knowledge and long experience, viz., Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that excels it." For sale by all dealers.

It is intimated that Premier Borden will follow Colonel Sam Hughes to England. Are they afraid to trust the doughty War Lord alone in the Old Country?

CREDIT WHERE CREDIT IS DUE

Government Railways' Sleeping, Parlor and Dining Car Service Appreciated.

Portions of the line are equally well served. You have the best class of sleeping and parlor car conductors it has been my good fortune to meet, and your dining car employees' food and service leave nothing to be desired.

An officer of the Canadian Government Railways received the above from a much travelled official of one of the most important railways across the border.
