The copy filmed here has been reproduced thanks to the generosity of:

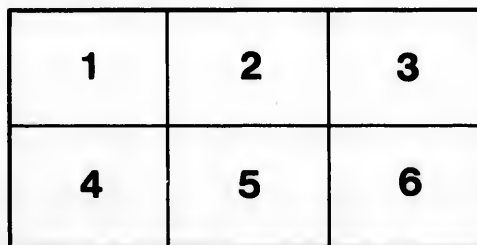

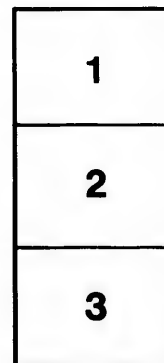

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

INVESTED FUNDS,

Upwards of ONE MILLION TWO HUNDRED THOUSAND Pounds Stg.

Assurers have the choice of two separate Classes of Assurance.

IN CLASS A. THE BONUSSES are paid in Money to the Policy-holder himself, commencing AT AN EARLY STAGE OF THE POLICY.

An allocation of Profit in Cash is made every year in this class to all Policies of not less than five years' standing at the preceding Annual Balance, and each Policy-holder's share is applied in payment of his next Annual Premium. The Outlay required for the policies has thus, for many years been only from 62½ cts. to 75 cts. per \$1 of the premiums according to standing, and commencing with those due at the end of the sixth year.

CASH PROFITS of more than £375,000 sterling have been distributed in this manner to the Policy-holders during their own lives.

IN CLASS B. THE BONUSSES are unusually LARGE ADDITIONS to the SUM ASSURED, and may be exchanged for a MOST IMPORTANT PROVISION IN OLD AGE to the Policy-holder himself.

AT THE DIVISION for 5th December, 1865, the LARGE BONUS ADDITION of £4 per cent. on the sum Assured, was declared for every premium paid on each participating policy, and payable along with the Sum Assured, provided the Life attain the average expectation of persons at his age of entry. It is evident that at this rate of BONUS the SUM ASSURED will be more than DOUBLED in a comparatively short period.

But the Policy-holder has the option of exchanging these large Bonus Additions, when he reaches the average period of life, for an Equivalent in a

VALUABLE PROVISION FOR HIS OWN AFTER LIFE-TIME by a CASH PAYMENT or ANNUITY.

For Example, a Policy-holder for £1000, at age of 25, on his attaining the average period of persons of that age will at the rate of Bonus, have had an addition to his Assurance of £1,500, making the sum Assured £2,500 instead of £1000.

Or he may then exchange this large Bonus Addition for ONE CASH PAYMENT of about £1000 to himself.

Or he may exchange the Bonus Addition for an ANNUITY of about £102 payable during his life.

Such Exchange will in no respect affect the Sum Assured, which, as well as the right to future BonusSES, will remain intact for the Heirs or other purposes of the Policy-holder.

UNDER NO OTHER SYSTEM can anything like the same amount of benefits be obtained, whether as regards Increase of Sum Assured, or an equivalent in Cash Payment or Life Annuity.

An ASSURER during the current year in Class B. will receive, at next division ONE-FIFTH MORE BONUS than later Entrants—the difference being—probably so much as £40 on a £1000 Policy.

Inspector of Agencies,—JAMES B. M. CHIPMAN.

MONTREAL

PROSPECTUS
OF THE
CANADIAN DOMINION DIRECTORY
FOR 1870-71:

To which will be added the Provinces of Newfoundland and Prince Edward Island ;
TO BE PUBLISHED IN SEPTEMBER, 1870,
Provided a sufficient number of Subscribers and Advertisers can be obtained to cover cost of publication.

NEARLY twelve years have now elapsed since the appearance of the CANADA DIRECTORY FOR 1857-58. This work was honored with the unanimous approval of the Press, and of business men throughout the British American Provinces, and was most favorably received in the United States, Great Britain and Ireland, France, &c. From all quarters the Publisher received the most flattering assurances of the merit and usefulness of the work. The lapse of time has rendered this Directory of little value for business purposes, and of late years the urgent need for a NEW DIRECTORY FOR THE DOMINION OF CANADA has been repeatedly pressed upon the attention of the Subscriber. The expense of the former work, however, was very considerable, and the result was a serious loss to the Publisher. With the pecuniary sacrifice involved in the publication of the CANADA DIRECTORY FOR 1857-58, fresh in his recollection, it is only at the urgent solicitation of friends for whose opinion he entertains the highest respect, that the Subscriber has consented to make a new effort in the same direction. He will not, however, feel warranted in proceeding with the scheme of a DIRECTORY FOR THE DOMINION OF CANADA unless a support commensurate with the magnitude of the undertaking be accorded to him ; and this Prospectus is issued as a preliminary step to an appeal to the public to subscribe to the work. He proposes to make this appeal not only to the Canadian public, but to business men in the United States, Great Britain and Ireland, France, Germany, &c., from many of whom he has received communications on the subject.

In the event of sufficient encouragement, the Subscriber's Agents will commence early next Fall to take the Names of the Professional and Business Men, and of the principal Inhabitants in the Cities, Towns and Villages throughout the six Provinces, and to collect such information as may be suited to the pages of the Directory ; this they will continue to do until the work is complete. The large cities will be reserved to the latest possible moment, so that any changes which may have occurred, up to the time of going to press, may be included. To secure, as far as possible, the correctness of the Directory, two or three gentlemen in each place will be solicited to revise the proof sheets containing information connected with the localities in which they reside. It may be stated that the matter for the Directory, will be put in type as fast as it is received from the Agents, and that *none of it will be printed off until the last place is taken*, so that corrections may be made up to within a few weeks of publication.

The Publisher believes it to be unnecessary, in this address to Business Men, to dwell at any length upon the necessity for the Directory which he proposes to publish ; but as one of the indications of the great difference that will arise between the present and the former Directory, it may be remarked that whereas the CANADA DIRECTORY FOR 1857-58 contained the names of only 1,339 places in Canada, the CANADIAN DOMINION DIRECTORY will contain the names of the principal Inhabitants of at least 3,500 places in the six Provinces ; and it need hardly be added, that the change even in those places described in the Canada Directory will be proportionately great.

The specimen pages which accompany this Prospectus will afford some idea of the plan and style of execution of the work. If enabled, by the liberal support of the public, to carry out the undertaking, it will be the aim of the Subscriber to render the Directory an indispensable companion to men of business throughout the Dominion of Canada,—and to houses in the United States, Great Britain and Ireland, France, Germany, &c., having transactions with this country. It will embrace much of value and interest to the immigrant and the traveller, and every effort will be used to make it a complete and reliable work.

THE IMPROVED TURKISH OR ROMAN BATH,

140 St. Monique, between Dorchester and Cathcart Streets, Montreal.

There are many kinds of Baths, but the above Bath is in its nature, peculiar and singular, and when rightly administered, produces results which cannot be obtained by any other:—

1st.—THE EFFECTS of this Bath are to cleanse and promote the healthful action of the skin, and the seven millions little perspiratory sewers or pores which open upon its surface, and carry off waste and effete matters from the system.

2nd.—TO PURIFY the blood by drawing off its impurities through the perspiration.

3rd.—TO EQUALIZE the circulation of the blood throughout the system, thus removing all local congestions of the head or internal organs.

4th.—TO SOOTHE and tranquilize the nervous system.

THE SPECIAL USES OF THIS BATH are to secure *perfect cleanliness, to preserve the health, to prevent disease, and for its treatment a most invaluable agent, especially for the cure of Coughs, Colds, Rheumatism, Neuralgia, Intermittent Fever, Bilious Derangements, Scrofula, Bronchitis, Sciatica, Malarial Fever, Local Congestions, Inflammations, and Skin diseases.*

This bath has justly been entitled the "Queen of Baths," and ours having been constructed with all the most modern improvements and with perfect regard to ventilation, and being under medical supervision, we trust it will meet with that patronage which it merits both as an invaluable remedial agent and also as a sanitary means.

TO SAW MILLOWNERS AND LUMBER MEN.
THE BEST SHINGLE MILLS IN THE WORLD!

PATENTED 1867.

PATENTED 1867.

THE DOUBLE CARRIAGE SELF FEEDING MILL,

Capable of sawing from thirty to forty thousand Shingles per day.

No Saw Mill should be without one.

Great saving in working up waste lumber, ends of logs, &c., &c., which can be cut into first quality shingles at very little expense.

Fifteen per cent of the lumber saved by the thinness of the saw.

Shingles are sawed with the grain, nearly as smooth as if planed.

The single carriage hand feeding mill is easily managed, does not get out of repair, and makes from fifteen to twenty-five thousand shingles per day.

Our mills are built to secure the perfection of their work, not only when new, but for years to come; several of them are now in use in Ontario and Quebec, and make smoother, better, and more shingles, and give greater satisfaction, than any other machine in the United States or the Dominion.

To satisfy the public of the excellence of our mills we take pleasure in referring to the following gentlemen who have them in use:

- P. W. Wright, Hull.
- J. Rochester, Ottawa.
- C. W. McCrea, Arnprior.
- A. Sperry, Peterboro.
- Fry Clark, Perry's Mill, N. Y.
- Geo. Prefontaine, Arthabaska.
- C. D. Meigs, Pierreville.
- Price Bros. & Co., Quebec.
- J. E. Hall & Co., Quebec.
- Louis Bousquet, St. Johns.
- M. Beauchemin, St. Genevieve.
- L. Renaud, Jr., Montreal.
- Wilson & Harris, Acton.
- W. McNaughton, Montreal.

Lath Mills, Butters, Double Edgers, and every other description of Mill Machinery, Steam Engines and Boilers, Water Wheels, Stamp Mills and every description of Mining Machinery.

THE Publisher feels confident that in the MONTREAL DIRECTORY for 1869-70, the Public will find that the expense and labour bestowed upon it have not been thrown away, and that in accuracy it is at least equal to any Directory yet published in this country. A work of this kind, to be really valuable, must be, in all respects, thoroughly reliable, and with a full appreciation of this fact, the Publisher has taken every possible precaution, in order to insure the correctness of the information contained in the Directory. In addition to the LIST OF NAMES and the STREET DIRECTORY, the work comprises a large amount of MISCELLANEOUS information which has been kindly furnished by Government Officials and by Public and Private Companies.

The number of additional names and occupied houses as compared with those contained in last year's Directory may be accepted as evidence of the increasing population and growing wealth of the City.

Agents in the Principal Towns of Canada.

Agencies throughout England, Scotland, and Ireland; also in Nova Scotia, New Brunswick, Newfoundland; in the East and West Indies, the Cape of Good Hope, in Australia, including Tasmania and New Zealand, and Vancouver's Island.

THIS COMPANY was established in 1825, and is one of the largest and most successful of the Life Assurance Institutions of Great Britain. Its income exceeds now **\$3,500,000** per annum; and its Accumulated and Invested Funds amount to upwards of **\$20,000,000**. Its profits have been very large, and Persons assured have derived very valuable benefits from their connection with the Company. The STANDARD has also acquired a marked character for liberal management, being the first institution which relieved Policies of Assurance from restrictive and unnecessary conditions, and gave such contracts increased value and stability in other ways.

THE RATES OF THE COMPANY.

which have been calculated on data derived from the most authentic sources, will be found moderate, and, looking to the facilities and advantages afforded, they are undoubtedly more advantageous and less expensive than those of any other office transacting the same class of business.

DIVISION OF PROFITS.

The Company's profits are divided every five years—the next Division will take place on 15 November 1870.

As an Example of the success of the STANDARD COMPANY, it may be stated that a Policy opened in November, 1825, for £1,000, was increased in value in 1865 to £2,727 Sterling.

Those who do not wish to add the amount of the Bonus to the Sum Assured, are permitted to take the value of the addition in a present sum, or apply its value to the reduction of the Annual Premium for five years.

FOR EXAMPLE:

1. A person, resident in Canada, aged thirty, assured his life in 1847 for £1,000, and the Bonus Additions to the Policy amounted in 1864 to £310. Those additions may be surrendered for a present cash payment of £126 16s. 10d.; or by surrendering £291 12s. 4d. of the amount, he will be relieved of payment of his Premium for five years, the Company being liable, should he die during that period, to pay to his Heirs the original Sum Assured, and the balance of the Bonus Additions not surrendered—viz., £187s. 8d. This Policy will be entitled to future additions at the end of each period of five years the party survives.

2. A person, resident in India, aged forty-five, effected an assurance on his life in 1850 for £1,000, and the Bonus Additions to the Policy amounted in 1864 to £250. Those additions may be surrendered for a present cash payment of £150 4s. 2d.; or they may be applied to reduce the Annual Premium for the next five years, making the Premium £28 instead of £61 15s., being an annual reduction of £33 15s. This Policy will be entitled to future additions at the end of each period of five years the party survives.

Assurances effected on the different systems suggested and approved by a lengthened experience, so as to suit the means of every person desirous of taking out a Policy. Every information on the subject of Life Assurance will be given at the Company's Office, No. 47 Great St. James Street, Montreal, or at any of the Agencies throughout Canada.

GENERAL REGULATIONS AND CONDITIONS.

These have been framed with much care, with the view of making the Company's Policies available securities of the most perfect kind, and of allowing as much freedom to the Policyholder as may safely be granted. The Directors invite particular attention to the following :—

Claims paid at home or abroad.

Policies with Profits purchased at any time after payment of one year's Premium, and Policies without Profits for the whole term of life, after three years' Premiums have been paid.

Age and Interest admitted on the Company's Policies in all cases where proof is given satisfactory to the Directors.

Thirty days of grace allowed for payment of Premiums ; and in the event of death taking place during the currency of those days, before payment of the Premium, the Policy will be as valid and effectual as if it had been paid.

Assurances forfeited may be revived within thirteen months from the date on which the Premium became due under certain conditions.

In the case of Policies of five years' duration, upon which no debt exists, payment of Premium, with a fine, may be made at any time within one year after the days of grace expire ; and should the assured die during that period, the claim is binding on the Company, under deduction of Premium unpaid and fine.

No Policy of five years' duration shall be liable to any ground of challenge whatever, connected with the original documents on which the Assurance was granted, but the sum assured shall, subject to the payment of Premiums, and extra Premiums, if any, be payable in terms of the Policy, after proof of death to the satisfaction of the Directors.

Medical Fees paid by the Company.

Volunteers.—Persons assured are permitted, without payment of Extra Premium, to join Militia, Yeomanry, or Volunteer Corps, and to perform any military duties required of them in peace or war, in defence of their country.

Loans advanced on Mortgage of Policies, to the extent of the office value.

Mercantile Marine.—Risks of this nature generally undertaken at moderate rates.

Unconditional Assurance.—No RESTRICTION AS TO RESIDENCE.—*The Directors of the STANDARD LIFE ASSURANCE COMPANY, being satisfied that it is unnecessary, in the case of Policies opened in the Dominion, to place a restriction on the residence of persons assured who are settled in life, and have no intention of proceeding to an unhealthy climate, are prepared to issue Policies without the usual Conditions as to residence in such cases.*

Claims settled in Montreal or at any of the Agencies in the Dominion—giving to this Company all the advantages of a local office, with the benefits of an extended business and connection otherwise.

TABLES

Can be had on application, shewing RATES for Assurances for LIMITED PERIODS, say for one, five seven or ten years.

ALSO,

RATES for Assurances on JOINT LIVES, payable to survivor on the death of the first.

W. M. RAMSAY,

47 Great St. James Street, Montreal,

Manager for Canada.

PERSONS TO WHOM LIFE ASSURANCE IS APPLICABLE.

1. To Husbands and Fathers, as a provision, after their death, for their Widows and Orphans.
2. To the Young, to make provision for themselves in after life.
3. In Marriage Contracts, to secure the terms of settlement.
4. To Creditors, to compensate the loss which the death of their debtors might occasion.
5. To Partners in Firms, who, by assuring their joint lives, can secure a sum, payable at the death of the first, which will enable the surviving partner to pay off the claims of the relatives of the deceased.
6. To Borrowers, to secure, in case of death, a fund to repay the loan.
7. To all who have a pecuniary interest in the existence of a life, to guard that interest from loss by the death of the party.

PROSPECTUS
OF THE
CANADIAN DOMINION DIRECTORY

FOR 1870-71:

To which will be added the Provinces of Newfoundland and Prince Edward Island;
TO BE PUBLISHED IN SEPTEMBER, 1870,

Provided a sufficient number of Subscribers and Advertisers can be obtained to cover cost of publication.

NEARLY twelve years have now elapsed since the appearance of the CANADA DIRECTORY FOR 1857-58. This work was honored with the unanimous approval of the Press, and of business men throughout the British American Provinces, and was most favorably received in the United States, Great Britain and Ireland, France, &c. From all quarters the Publisher received the most flattering assurances of the merit and usefulness of the work. The lapse of time has rendered this Directory of little value for business purposes, and of late years the urgent need for a NEW DIRECTORY FOR THE DOMINION OF CANADA has been repeatedly pressed upon the attention of the Subscriber. The expense of the former work, however, was very considerable, and the result was a serious loss to the Publisher. With the pecuniary sacrifice involved in the publication of the CANADA DIRECTORY FOR 1857-58, fresh in his recollection, it is only at the urgent solicitation of friends for whose opinion he entertains the highest respect, that the Subscriber has consented to make a new effort in the same direction. He will not, however, feel warranted in proceeding with the scheme of a DIRECTORY FOR THE DOMINION OF CANADA unless a support commensurate with the magnitude of the undertaking be accorded to him; and this Prospectus is issued as a preliminary step to an appeal to the public to subscribe to the work. He proposes to make this appeal not only to the Canadian public, but to business men in the United States, Great Britain and Ireland, France, Germany, &c., from many of whom he has received communications on the subject.

In the event of sufficient encouragement, the Subscriber's Agents will commence early next Fall to take the Names of the Professional and Business Men, and of the principal Inhabitants in the Cities, Towns and Villages throughout the six Provinces, and to collect such information as may be suited to the pages of the Directory; this they will continue to do until the work is complete. The large cities will be reserved to the latest possible moment, so that any changes which may have occurred, up to the time of going to press, may be included. To secure, as far as possible, the correctness of the Directory, two or three gentlemen in each place will be solicited to revise the proof sheets containing information connected with the localities in which they reside. It may be stated that the matter for the Directory, will be put in type as fast as it is received from the Agents, and that *none of it will be printed off until the last place is taken*, so that corrections may be made up to within a few weeks of publication.

The Publisher believes it to be unnecessary, in this address to Business Men, to dwell at any length upon the necessity for the Directory which he proposes to publish; but as one of the indications of the great difference that will arise between the present and the former Directory, it may be remarked that whereas the CANADA DIRECTORY FOR 1857-58 contained the names of only 1,339 places in Canada, the CANADIAN DOMINION DIRECTORY will contain the names of the principal Inhabitants of at least 3,500 places in the six Provinces; and it need hardly be added, that the change even in those places described in the Canada Directory will be proportionately great.

The specimen pages which accompany this Prospectus will afford some idea of the plan and style of execution of the work. If enabled, by the liberal support of the public, to carry out the undertaking, it will be the aim of the Subscriber to render the Directory an indispensable companion to men of business throughout the Dominion of Canada,—and to houses in the United States, Great Britain and Ireland, France, Germany, &c., having transactions with this country. It will embrace much of value and interest to the immigrant and the traveller, and every effort will be used to make it a complete and reliable work.

MERCANTILE AGENCY.

Established in New York twenty-eight years
ago (on June 21st, 1841) for the promotion and
protection of trade; Union buildings, St Fran-
cois Xavier st., Montreal, C. E.

Our object, and that of our twenty three
branch and associate offices in the large cities of
the United States of America, Canada, and in
London, England, is to give information to sub-
scribers of the standing of those who purchase
goods on time, or otherwise require credit.

We are supported by fully three-fourths of
the merchants, bankers and manufacturers of
every community where our advantages are
known.

"This institution, established in the city
of New York over twenty-six years ago,
for the promotion and protection of trade,
was the first organized effort ever made
to relieve the merchants and manufactur-
ers of the Union from the insecurity of
credit operations, and to substitute for the
tardy, expensive, and unsatisfactory re-
sults of individual investigation, a system
that should be alike prompt, economical,
and reliable—whose purpose it should be
to supply (to subscribers only) all neces-
sary information as to the standing and
responsibility of merchants, traders, manu-
facturers, public companies, &c., through-
out the United States, their Territories,
and British North America."

Collections of past due debts particularly
attended to for all, whether subscribers to the
Agency or otherwise.

Terms of subscription will be made known at
the office, where we shall be much pleased to
afford information as to the system pursued and
to give (free of expense) to those who contem-
plate joining the institution, a reasonable test
of the correctness of our reports.

Mails.—Mails are conveyed twice each way every day, except Sunday, over the principal lines of railway in Canada. Over the less important lines of railway they are carried only once each way every day, except Sunday.

Mails are also conveyed once each way every day, except Sunday, over the principal lines of common road; and once, twice, or three times per week over the less important lines of common road.

The postal communication between Ontario and Quebec and the Lower Provinces is six times per week each way *via* Quebec, and once per week each way by Steamers from Quebec to Pictou. Also three times per week each way in summer by steamers between Portland and St. John, N. B., and daily by way of Bangor, Maine and Calais to St. John, once per week by Steamer between Portland and Halifax.

The most speedy and direct postal route from Canada to almost every portion of the globe (with the exception of the Continent of North America, the Isthmus of Panama, and the West India Islands,) is by way of England, whence mails for the several British Colonies and Foreign Countries are regularly despatched.

The most speedy and direct postal route from Canada to all parts of the Continent of North America, the West Indies, Central and South America, is *via* New York.

Mails for England are despatched as follows: By Mail Steam Packets sailing from Quebec in summer and Portland in winter every Saturday; and from Halifax, Nova Scotia, every alternate Friday. By Cunard Steamer from New York every Wednesday.

The following post offices in the Dominion of Canada make up mails direct for certain post offices in the United Kingdom, viz.:

Hamilton,	Fredericton.
Toronto,	Sackville.
Kingston,	St. John.
Ottawa,	St. Stephens.
Montreal,	Chatham.
Quebec,	Dalhousie.
Halifax,	Newcastle.

Mails are exchanged daily with the United States post offices at all the principal frontier points, and closed mails are exchanged daily between the principal cities of the Dominion and New York and Boston.

Montreal exchanges Mails direct with the following American Offices:—Boston, Buffalo, Burlington, New York, Plattsburg, Portland, Rouse's Point, Rutland and Whitehall.

Mails for Bermuda and Newfoundland are made up at Halifax, Nova Scotia, when steamers sail once a month to Bermuda and St. Thomas, and once a fortnight to Newfoundland.

Rates of Postage on Letters.—The rate of postage on *pre-paid* Letters between any place in Canada and any other place in Canada, is regulated by weight, irrespective of distance, and is as follows:

On a letter not more than $\frac{1}{2}$ an oz.	3 cents
“ more than $\frac{1}{2}$ oz. but not ex. 1 oz.,	6 cts
“ “ 1 oz.	1 $\frac{1}{2}$ “ 9 cts
“ “ 1 $\frac{1}{2}$ oz.	2 “ 12 cts
“ “ 2 oz.	2 $\frac{1}{2}$ “ 15 cts

And so on, 3 cents being charged for every additional $\frac{1}{2}$ oz., or fraction of half ounce.

If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to an additional rate.

Letters posted in and addressed to any place within the Dominion of Canada, if sent unpaid are liable to a charge of 5 cents per $\frac{1}{2}$ oz.

In applying the 5 per cent unpaid rate to letters passing within the Province posted paid or not fully prepaid—it should be observed that a letter passes either as prepaid at 3 cents per $\frac{1}{2}$ oz., on condition that the whole postage due be fully prepaid—or at 5 cents per $\frac{1}{2}$ oz. posted unpaid, or only partly prepaid—in the latter case the full rate at 5 cents per $\frac{1}{2}$ oz. will be marked and a deduction made therefrom of the amount which may have been paid—thus on an ounce letter prepaid 3 cents only—the rate will be 10 cents and crediting the 3 cents paid—7 cents will remain to be charged, and collected on delivery.

The object of the 5 cent unpaid rate, is to induce pre-payment and thereby relieve the Post Office from costs and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or be partially prepaid—and therefore the 5 cent rate applies to the whole charge upon the letter in both cases.

anged daily with the United Kingdom at all the principal frontier mails are exchanged daily at the principal cities of the Dominion of New England and Boston.

in and addressed to any place in Canada, if sent unpaid, is charged at 5 cents per $\frac{1}{4}$ oz.

5 per cent unpaid rate, if the Province posted the letter prepaid—it should be observed either as prepaid at 3 cents, or that the whole postage be paid—or at 5 cents per $\frac{1}{4}$ oz. only partly prepaid—in which case the rate at 5 cents per $\frac{1}{4}$ oz. with a deduction made therefrom, which may have been paid—then prepaid 3 cents only—then the 3 cents and crediting the 3 cents remain to be charged, as in every case.

5 cent unpaid rate, if the Province posted the letter prepaid and thereby relieve the sender of all costs and trouble of account, this object is equally defeated if the letter be wholly unpaid, or if it be partly prepaid, and therefore the 5 cent rate charge upon the letter.

The charge on local or drop letters, viz., letters posted at an office in Canada for delivery from that office, is one cent for each letter, which *must be pre-paid*, or the letter will be sent to the Dead Letter Office for return to the writer.

The charge on letters delivered by letter-carrier in Canada, is two cents for each letter in addition to the ordinary postage.

The rate of postage on letters to Prince Edward Island is 3 cents per $\frac{1}{4}$ oz. if prepaid and 5 cents if not prepaid.

The rate of postage on letters to Newfoundland is 12 $\frac{1}{2}$ cents per $\frac{1}{4}$ oz. which must be prepaid.

The rate of postage on letters to British Columbia and Vancouver Island is 10 cents per $\frac{1}{4}$ oz., which must be pre-paid. This rate covers the letter to San Francisco only; there will be an additional charge on delivery.

The rate of postage on letters to Red River in the United States, is 6 cents per $\frac{1}{4}$ oz., which must be pre-paid, by postage stamp.

The rate of postage on letters between any place in Canada and any place in the United States, is 6 cents per $\frac{1}{4}$ oz. if prepaid, and 10 cts. per $\frac{1}{4}$ oz. if not prepaid.

Upon a letter or packet, of any weight, addressed to the United States, the whole postage or none at all should be pre-paid. If anything less than the whole is pre-paid, no account is taken of it, and it is entirely lost to the sender.

The scale of weight under which the above letters are charged is the same as the scale under which letters, passing between places in Canada, are rated.

The single rate of postage on letters between any place in Canada and any place in the United Kingdom, is as follows:

By Canadian Steamer, sailing every Saturday from Quebec in Summer, and from Portland in Winter, and from Halifax fortnightly, 12 $\frac{1}{2}$ cents per $\frac{1}{4}$ ounce.

By Cunard Steamer, sailing from New York every Wednesday, 15 cents.

Letters addressed to the United Kingdom, and forwarded by either the above routes, will be charged according to the following scale:

Letters not over $\frac{1}{4}$ an oz., 1 rate.
 " more than $\frac{1}{4}$ oz., and not ex. 1 oz. 2 rates
 " " 1 oz., " $\frac{1}{4}$ oz. 3 rates.

And so on, adding one rate for every additional half ounce or fraction of a half ounce.

The postage on all letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, should be prepaid.

If sent unpaid, 6d. sterling will be charged on each letter, on delivery, in addition to the ordinary postage rate.

Letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, unless specially addressed "By Canadian Steamer," or "By Cunard Steamer," are despatched in the first mail that is made up—whether for Canadian or Cunard line—after the letter is posted, so that letters intended for the Canadian Packets must either be posted on the proper days for the Canadian Packet Mails, or bear the words "By Canadian Mail Steamer" on the address.

Three cents will be charged on the delivery of letters which have been forwarded as above by Cunard Steamer, but on which 6d. sterling or 12 $\frac{1}{2}$ cents, only per $\frac{1}{4}$ oz. have been prepaid.

The charge on dead letters, returned to the writers, is five cents on each letter in addition to the postage.

Soldiers' and Seamen's Letters.—Non-commissioned officers, embodied pensioners, seamen and soldiers, and army schoolmasters of all but first class, while they are employed in Her Majesty's Service, can send and receive letters at the rate of 2 cents each, under the following regulations:

1. The two cents must be paid by postage stamp at the time the letter is posted.
2. The name of the soldier or sailor, his class or description, and the name of his ship, corps, or detachment to which he belongs, must be specified in the direction of the letter; and in the case of letters sent by soldiers or seamen, the officer in command must sign his name and specify his rank, and the name of the ship or regiment, corps or detachment, which he commands.
3. The letter must not exceed half an ounce in weight.
4. The letter must refer solely to the private affairs of the soldier or seaman.

All the foregoing descriptions must be fully written in the address in the following form, the initials of the name of any ships or regiments being insufficient:

SEAMAN.	SOLDIER.
From A. B.—Seaman of H.M.S. _____	From A. B.—Sergeant. _____ Regt. _____
(Insert direction of Letter.)	(Insert direction of Letter.)
C.D., Captain or other commanding officer. H.M.S. _____	C. D.—Colonel, or other commanding officer, _____ Regt. _____
To A. B.—Seaman, H.M.S. _____	To A. B.—Private, Sergt, or Corp'l. _____ Regt. _____
(Direction to be finished.)	(Direction to be finished.)

Letters for soldiers or seamen may be forwarded at the above rate to or through any country requiring the payment of any foreign or transit rate, but subject to the payment of such foreign or transit rate as may be chargeable thereon.

Soldiers' and seamen's letters are not liable to any additional rate on re-direction.

All soldiers' and seamen's letters are conveyed between Canada and the United Kingdom by the Canadian line of steamers.

Letters sent by commissioned or warrant officers, midshipmen or masters' mates, engineers, gunners, boatswains or carpenters in the navy, captains' clerks, or first class schoolmasters, or commissioned or warrant officers in the army, are not included in the privilege attached to letters of soldiers and seamen, but are chargeable with the same rates as ordinary letters.

Soldiers' and seamen's letters posted in Canada without a compliance with the above regulations are liable to full postage. If posted in accordance with the above regulations, but without prepayment of 2 cents, they are liable to a charge of 2d. sterling on delivery in the United Kingdom.

Soldiers' letters, and those of non-commissioned officers and privates of the Volunteer Militia of Canada when on *active* service posted and addressed to places in Canada, pass, under the above regulations, at the reduced rate of 2 cents.

Rates of Postage on Newspapers—The law declares that for post office purposes a newspaper shall be held to mean a periodical published not less frequently than once in each week, and containing notices of passing events, that is to say, general news.

Although provision is made for forwarding newspapers through the post, it is not compulsory on any one to employ that mode of transmission; everything except letters may be sent in any other way.

A newspaper to pass at the undermentioned rates is subject to the following restrictions:

1. It must have no cover, or a cover open at both ends.
2. It must not contain any enclosure.
3. It must have no writing or mark thereon but the name and address of the person to whom it is sent, nor anything on the cover except such name and address.

Newspapers which are not posted in accordance with these regulations, are not forwarded, but are sent to the Dead Letter office and destroyed.

An extra newspaper, or a supplement to a newspaper, is deemed a distinct newspaper, and charged accordingly.

Newspapers published in the Dominion may be sent by post from the office of publication any place in Canada at the following rates, paid quarterly in advance, either by the publisher at the post office where the papers are posted, or by the subscriber at the post office where the papers are delivered.

A paper pub. 6 times per week, 30 cts. per quarter

" 2	"	10	"	
" 1	"	5	"	

When the above rates are not paid in advance by either the publisher or subscriber the papers are charged 1 cent each on delivery.

It is not necessary that the commuted rate on newspapers should be paid absolutely on the first day of each quarter. The regulation is intended to be carried out with all due consideration for the convenience of the public and it will be sufficient if the person desiring to pay the commuted rate declares his intention and offers the payment when *first called at the office* within a reasonable time after the commencement of the quarter; but after having made his option to prepay the commuted charge, or to pay for his papers as received one cent each, as the case may be, postmasters are not expected to alter their newspaper accounts to allow of a change until the commencement of the next quarter.

The commuted rate of payment cannot be accepted from new subscribers during a quarter for any unexpired period of the quarter.

Newspapers published in Canada, which are not posted from the office of publication, may be pre-paid two cents each by postage stamp, otherwise they will not be forwarded, but sent to the Dead Letter office and destroyed. Papers of this class are termed "Transient Newspapers."

Publishers of newspapers in Canada are allowed to enclose in copies of their papers sent to subscribers, subscription accounts, and receipts for the same, without rendering them liable to any additional postage.

Packets of unbound newspapers published in Canada may be returned by a subscriber to the office of publication at the rate of 2 cents per oz. or fraction of 8 oz., which must be pre-paid.

Transient newspapers addressed to the United States must be pre-paid two cents each newspaper by postage stamp, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed.

American newspapers posted or re-posted in Canada except by news agents to regular subscribers must be pre-paid two cents each, by stamp, otherwise they will not be forwarded.

The option of paying the commuted rate on newspapers does not apply to papers published in the United States; papers addressed to regular subscribers must be paid for at the full rate of one cent each.

Canadian news agents and booksellers may collect American newspapers unpaid, when addressed to regular subscribers in the Province; but such newspapers are chargeable, on delivery, with one cent each.

Newspapers posted in Canada and addressed to the United Kingdom must be pre-paid by stamp, two cents each newspaper.

When two or more newspapers are enclosed under one cover, postage must be prepaid by stamp at the rate of two cents for each newspaper, or the package will be detained and sent to the Dead Letter office.

Newspapers forwarded by Canadian Steamer are delivered in the United Kingdom without additional charge.

Newspapers forwarded by Cunard Steamer are chargeable, on delivery, to one penny each, being the American transit rate.

Newspapers posted in the United Kingdom to Canada should be prepaid one penny each, by stamp.

If forwarded by Canadian Steamer they are chargeable, on delivery, to no additional charge.

If forwarded by Cunard Steamer they are chargeable, on delivery, to two cents each, being the American transit rate.

British newspapers re-posted in Canada must be pre-paid two cents each by stamp.

British newspapers distributed to regular subscribers by Canadian booksellers or agents, are sent free in the same way as if received by the Canadian Steamers.

Canadian newspapers addressed from the office of publication to subscribers in the United States, the United Kingdom, Lower Provinces, may be forwarded on pre-payment of the commuted rate applicable to subscribers within the Province; but they cannot be forwarded if not prepaid.

Exchange papers passing between publishers in Canada, and between publishers in Canada and publishers in the United States, are carried through the post.

A newspaper, properly so called (except religious tracts), whether devoted to education, science, agriculture, or to any branch of literature, is entitled to exemption from charge.

Newspapers addressed to Newfoundland must be prepaid two cents each, by stamp.

No United States newspapers of any kind or description (with the exception of exchange papers) are on any ground entitled to pass through the Canadian mails free of postage.

In cities and towns where newspapers are published, the printers and publishers should send them to the post office put up in a manner to admit of their being readily counted, and, if necessary, withdrawn from their covers for examination. The newspapers for each office also should be made up in strong paper in a separate parcel which should be plainly addressed.

When the numbers of a newspaper published in Canada, or in either of the other British North American Provinces, or in the United States, and issued daily, have remained in a post office in Canada uncalled for during two weeks; of a newspaper issued semi-weekly, or tri-weekly, during three weeks; of a newspaper issued weekly, during one month; and of a monthly periodical during two months, or when such newspapers and periodicals have been refused to be taken by the party to whom addressed, the postmaster is instructed to notify the respective publishers in the proper form, which is to pass free of postage. If the newspaper or periodical continues to arrive after the notice has been sent, the postmaster is instructed to notify the publisher in the same way a second time, specially calling his attention to the first notice.

To enclose a letter, or any writing, or to make any written marks to serve the purposes of a letter, or to enclose any other thing (except publishers' accounts and receipts, as before mentioned) in a newspaper posted to pass as a newspaper, is a misdemeanor. Postmasters are requested at once to transmit all newspapers containing such writing, marks and enclosures, to the Postmaster General.

Periodical Publications.—Periodical publications are publications issued at regular intervals, but less frequently than once per week. An Almanac or any work of a like character published at stated periods and containing matter of general interest is deemed to be a Periodical.

Periodical publications can be transmitted by post to any part of Canada and the United States at the following rates:

Periodicals passing by Mail in Canada.—The rate on all periodicals, other than newspapers, passing by mail in Canada, save such as may be addressed to or received from the United Kingdom, and such as are exempted from postage by statute, is one cent per 4 oz. weight of package containing periodical matter, whether the package contain one or more numbers.

Any fraction of 4 oz. to be charged as a full rate.

Transient periodical matter posted in Canada must in all cases be prepaid by postage stamp.

The above rate is payable on *delivery* on all periodical matter received from the United States, except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Canadian Periodicals posted for United Kingdom by Canadian Packet.—Periodicals, printed and published in Canada, may be posted addressed to any place in the United Kingdom by *Canadian Packet*, on pre-payment by postage stamp of two cents each number.

This rate is applicable to all classes of Canadian periodicals posted as above for the United Kingdom.

No United States periodical of any kind or description can, upon any ground, claim exemption from Canadian postage.

Periodicals to pass at the above rates must be put up in covers open at the ends or sides; and if these regulations are not complied with, or if such periodicals are found to contain any writing other than the address, they are liable to full letter rates of postage.

No packet of periodicals can be forwarded through the post if exceeding the weight of four pounds.

Bound volumes of any periodical published in Canada may be forwarded at the rate of one cent for every 4 oz. if prepaid by postage stamp.

Book Post.—British Provinces and United States.—Books bound or unbound posted in Canada, and addressed to any office in Canada, British North America and the United States, are chargeable with a rate of one cent per oz., which must be pre-paid by postage stamps.

Bound volumes of any periodical or news paper published in Canada, if bound in a form to come within mailable dimensions, that is to say, not exceeding two feet in length, breadth or thickness, nor exceeding 4 lbs. in weight, may be sent from the office of publication to any place in Canada at a charge of one cent per 4 oz. or fraction of 4 oz. if prepaid.

Letters, whether sealed or unsealed, or any enclosure found in a book parcel, are liable to rates as unpaid letters, and the packet in which it is enclosed to an additional rate of 12½ cents as a penalty for a breach of the regulations.

Book Post.—United Kingdom, France, &c.—Book packets are forwarded by post from Canada to the United Kingdom, and *vice versa*, at the following rates:—By Mail steamers sail-

3. It must not exceed two feet in length, breadth, or width.

Book and Newspaper Manuscripts and Printers' Proofs.—In Department Order No. 65, dated 24th Nov. 1863, permission was given for Book-Manuscript, and Printers' Proofs, whether corrected or not, to pass at the printed matter rate of one cent per ounce, and it now appears to be necessary to explain that by Book-Manuscript, was meant the written sheets of any Book intended for publication, and the intention was to encourage literary productions, by affording facilities for Authors to send and receive such matter to and from their Publishers by Post. Printers' proofs are the printed impressions taken by a printer, for correction or examination, of any matter passing through his Press. By Newspaper Manuscript is meant written articles (not including advertisements) intended for insertion in a newspaper or periodical, and addressed to the editor or publisher thereof for insertion. Under former regulations the written marks correcting such proofs rendered them liable to letter postage when sent by Mail, and the intention of the Department Order referred to was, to relax the rule in favor of such proofs, and allow them when corrected, to retain their character as printed matter, and pass at printed matter rates of charge.

PRINTED PAPERS, CIRCULARS, PRICES CURRENT, AND BILLS, &c.—Printed circulars, prices current, hand bills, and other printed matter of a like character, posted in Canada, and addressed to any place in the Dominion, British North America, or the United States, are chargeable at a rate of one cent per oz. (one cent each when sent singly), which must be pre-paid by postage stamp.

The half-yearly School Returns made by School Trustees to the Local Superintendents of Schools, may, though the printed form be fully filled up in writing with the names of the pupils and days of attendance, be transmitted by post in Canada at the rate of one cent each, to be pre-paid by stamp.

When not filled up the above forms are printed matter, and liable as such to one cent per postage.

Military returns, states, and rolls, policies of insurance, containing written figures and signatures, may be forwarded as printed matter on payment of one cent per oz.

Printed circulars are transmitted by post to the United Kingdom under the regulations and charges of the Book Post. They must be forwarded, however, open at the ends or sides. Sent in envelopes, sealed or unsealed, they are liable to letter rates of postage.

Prices current, posted in Canada and addressed to any place in the United Kingdom, are liable to a rate of 2 cents each, which must be pre-paid by stamp, when sent singly; when, however, sent in packages to one address, they are at book rates.

Prices current enclosed in envelopes *sealed* or *unsealed* are by the regulations of the Imperial post office liable to letter postage.

Lithographed letters and circulars are allowed to pass through the Post at the same rate as printed circulars.

Printed Votes and proceedings of the Imperial Parliament and Colonial Legislatures pass to and from the United Kingdom at the ordinary book post charge.

Parcel Post.—Parcels closed at the ends and sides, and not exceeding 3 lbs in weight, may be posted at any post-office in the Dominion, addressed to any other post-office in Canada, at the following rates:

For each parcel weighing not more than 8 oz.	12½ cents.
Exceeding 8 oz. and not exceeding 1 lb.	25 "
Exceeding 1 lb. and not exceeding 1¼ lb.	37½ "
and so on up to the limit of 4 lbs.	

The following conditions must be carefully observed:

1. No letter or letters shall be enclosed.
2. The parcel shall not contain any explosive substance, glass, liquids, or other matter likely to injure the ordinary contents of the mail.
3. The weight of the parcel shall not exceed 3 lbs., nor the size exceed one foot in length or breadth, or six inches in thickness.
4. The postage must be pre-paid by stamps.
5. The parcel should have the words "By Parcel Post" plainly written on the address. It should be well and strongly put up, and be legibly addressed to the post office address of the intended receiver, the name of the County in which the said office is situated being added.

If the name and address of the sender be written on the parcel, it will, if delivery should fail from any cause, be returned from the Dead Letter office unopened to the sender, on payment of an additional rate for the return conveyance.

If the number of stamps affixed to a parcel be insufficient to pre-pay the proper rate, the amount deficient will be rated unpaid, with a fine of 12½ cents in addition.

Parcels may be registered on pre-payment, by stamp of five cents in addition to the postage. When registered, the postmaster should give a receipt to the party posting the parcel.

Parcels sent by post may contain books, daguerreotypes, photographs, printers' proofs and copy, military returns, statements and rolls, containing written figures and signatures; returns, deeds, legal papers, and all transmissions of a like character not being strictly letters.

To enclose a letter or letters, or any writing

intended to serve the purpose of a letter, in a parcel intended for the Parcel Post, is a misdemeanor.

Should it be ascertained that a packet posted for the Parcel Post contains a letter or letters, the stamps it may bear will be cancelled and the parcel rated as a letter with full unpaid rates.

Parcels cannot be transmitted by post at the above rates to any place beyond the limits of the Dominion of Canada.

The following is an example of the address recommended :

By Parcel Post.

Paisley,
County of Bruce.*

Franking and Free Letters.—The following matter is exempt from Canadian Postage :

All letters and other mailable matter addressed to or sent by the Governor-General of Canada.

All letters or other mailable matter addressed to or sent by any department of the Government at the seat of Government at Ottawa, under such regulations as may from time to time be made by the Governor-General in Council.

All letters and other mailable matter addressed to or sent by the Speaker or Chief Clerk of the Senate or of the House of Commons, or to or by any member of either House at the seat of Government, during any Session of the Parliament, or addressed to any of the members or officers in this section mentioned at the seat of Government as aforesaid, during the ten days next before the meeting of Parliament.

All public documents and printed papers sent by the Speaker or Chief Clerk of the Senate or of the House of Commons, to any member of either House, during the recess of Parliament.

All papers printed by order of either House, sent by members of either House, during the recess of Parliament.

Petitions and addresses to either of the Provincial Legislatures of Ontario, Quebec, New Brunswick and Nova Scotia, or to any branch thereof, and votes, proceedings and other papers printed by order of any such Legislature, or any branch thereof, during any session thereof, provided such petitions and addresses, votes, proceedings, and other papers are sent without covers or in covers open at the ends or sides, and contain no letter or written communication to serve the purpose of a letter.

Letters and other mailable matter (except that provided for as above) addressed to or sent by the Provincial Governments or Legislatures

of Ontario, Quebec, New Brunswick and Nova Scotia will be liable to the ordinary rates of postage.

Public documents and printed papers under the foregoing clauses, should bear, part of the address, the *bona fide* superscription of the Speaker, Chief Clerk, or officer specially deputed for this purpose, to act those functionaries, or of the member sending the same.

All letters and other mailable matter from the Postmaster General and the Deputy Postmaster General; and all official communications to and from the Post Office Department and to and from the Post Office Inspectors, to pass free of Canada postage.

Abating and Refunding Postage.—Postmaster in Canada are allowed to refund postage in following cases only :

Letters originating and for delivery in Canada, charged as weighing more than the actual weight.

Postage incorrectly charged on editor's notices addressed to publishers and editors, exchange papers, which should legally pass without charge.

All other claims for the return and abatement of postage must be specially referred to Postmaster General for his decision, with letter or packet on which the return is claimed.

Undelivered and Dead Letters.—All letters remaining undelivered in a post office on first of each month, excepting drop letters, such letters as are daily called for, are advertised in a list posted at the office door for information of the public.

If a newspaper is published in the neighborhood, the Postmaster is, at the discretion of Postmaster General, directed to insert this therein, provided the proprietor will give it insertion at the authorized rate.

Parties applying at an office for advertising letters should always ask for them as such.

Letters and papers after remaining undelivered in an office for two months are sent to Dead Letter office, as also are all letters returned by the person to whom they are addressed, letters addressed to persons deceased.

Letters are opened in the Dead Letter office in order that they may, when necessary, be returned to the writers.

Registration.—By the pre-payment of the following fee, in addition to the ordinary postage, letters and parcels can be registered at office at which posted :

On letters addressed to any place in Canada or the other British North American Provinces..... 2 cts
On letters addressed to any place in the United States..... 5

The registration fees on letters to British
 colonies and foreign countries will be found in
 tables.

Every letter or parcel containing value
 would be marked for registration and presented
 to the Postmaster or his clerk, and a receipt
 retained therefor. On no account should it be
 dropped into a letter box.

When letters are registered, both the postage
 and the registration fee must in all cases be
 pre-paid.

Books, periodicals, newspapers, circulars,
 and other printed matter cannot be registered
 except books addressed to the United King-
 dom unless pre-paid the full letter rates, in
 addition to the ordinary registration fee.

Registered letters and packets can only be
 delivered to the parties to whom they are
 addressed or to their order; and a receipt must
 be given on the delivery of each registered
 letter in a book kept by every Postmaster for
 that purpose.

It should be clearly understood that the post
 office is not responsible for the safe delivery of
 registered letter or parcel. The registration
 simply makes its transmission more secure, by
 rendering it practicable to trace it, when pass-
 ing from one place to another in Canada, from
 receipt to its delivery; and when addressed
 to any place in Canada to any place in the
 United States, the United Kingdom, or parts
 abroad, if not to its delivery, at least to the
 frontier or port of despatch.

Postage Stamps.—Every Postmaster is re-
 quired to have on hand a sufficient stock of
 postage stamps, and to sell them to the public
 at 1 cent, 1 cent, 3 cents, 6 cents, and 12
 cents, each.

The Department has discontinued the supply
 of stamped envelopes.

Under the authority of the Postmaster Gene-
 ral, postage stamps are sold to certain dealers
 in the principal cities to retail again to the
 public, but no person other than a Postmaster,
 or sell postage stamps unless duly licensed to
 do so by the Postmaster general under a penalty
 of \$40 for each offence.

The pre-payment of letters should, in all cases
 be practicable, be made by postage stamps.
 A mutilated stamp, or a stamp cut in half, is
 not recognized in pre-payment of postage.
 A medallion stamp cannot be accepted in
 pre-payment of postage separate from the en-
 velope of which it may have formed a part.
 No British stamps, or stamps of a foreign
 country, can be received in pre-payment of
 postage in Canada.
 In affixing the stamp to the letter, wet slightly
 the corner of the envelope and the gummed

side of the stamp, and gently press the stamp
 till it is firmly fixed. Stamps should be placed
 on the front or address side of the letter, and
 on the right hand upper corner.

Letters cannot be pre-paid partly in stamps
 and partly in money: the postage must be pre-
 paid either wholly in stamps or wholly in
 money.

If the stamps affixed to a letter addressed to
 any place in British North America be not ade-
 quate to the proper postage, the letter is rated
 with an amount equal to the deficiency; the
 whole postage being calculated at the *unpaid*
rate, e. g. a single letter pre-paid 1 cent would
 be rated 4 cents additional: a double letter
 pre-paid 5 cents only would be rated 5 cents
 additional.

Letters addressed to the United States, on
 which stamps are affixed representing less than
 the amount of postage to which the letters are
 liable, are rated with full unpaid postage.

Postage stamps are received at all post of-
 fices in payment of postage on unpaid letters
 delivered therefrom.

Postage Rates on certain Miscellaneous Matter
passing within the Province of Canada, or to
and from the United States.

1. Packages of seeds, cuttings, bulbs, roots,
 and scions, or grafts, may be posted in Canada
 for delivery within the Province or to an ad-
 dress within the United States, on pre-payment
 by postage stamps of a rate of one cent per
 ounce; and when received from the United
 States to any place in Canada, such packages
 may be delivered on payment by the person
 addressed, of a like rate.
2. The limit of weight for such packages will
 be one pound. No communication, whether
 written or printed, must be enclosed in them;
 and they must be so put up as to be easy of ex-
 amination, for the purpose of verifying the al-
 leged contents. If put up in bags, the bags must
 be simply tied at the neck, so as to admit of
 inspection; and in the case of such package,
 mailed in Canada, the nature of the contents,
 such as "*seeds*," "*roots*," &c., as the case may
 be, must be marked on the package by the
 sender, as a statement of the claim to pass
 at the reduced rate above mentioned.
3. Book manuscript, and printers' proof-
 sheets (whether corrected or not), maps, prints,
 drawings, engravings, photographs when not on
 glass, or in cases containing glass, and sheet
 music (whether printed or written), may pass
 in covers open at the end or sides, and provided
 that no letter or other communication intended
 to serve the purpose of a letter, be enclosed
 therein, on pre-payment, when posted in Ca-
 nada, by postage stamp of the ordinary printed-
 matter rate of one cent per ounce; or upon
 payment of that rate on delivery of such mat-
 ter when received in the mails from the United
 States.

Transmission of Patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries.

4. Patterns of merchandise and samples may be forwarded between Canada and the United Kingdom, and Denmark, France, Italy, Belgium, and the German States by the Canadian packet mails, at book-post rates, and subject to the following conditions :

A. The patterns or samples must not be of any intrinsic value ; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern ; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Departmental Order, appears as follows :

B. It has hitherto formed part of the Imperial post office regulations that "*samples or patterns must not be of intrinsic value.*" but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter nor enlarge in any way, the character of the transmissions permitted to pass by pattern post.

The special prohibition as to intrinsic value has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced ; inasmuch as every article whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C. The patterns &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck ; or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D. The rule which prohibited the transmission through the post, as patterns, of articles of cutlery, &c., has been rescinded ; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection

to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined ; and it is made a rule that any packet containing such articles which may be found to be insufficiently guarded, shall not be forwarded through the post.

The limits of weight are as follows :

If for Canada.....	24
" United Kingdom.....	24
" France.....	36
" Germany.....	8
" Kingdom of Italy.....	36
" Belgium.....	8
" Netherlands.....	16
" Portugal, Azores, and Madeira....	16
" Denmark.....	48
" Switzerland.....	48

A packet of patterns or samples sent France or Portugal must not exceed 18 inches in length, 12 inches in width or depth ; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

None of the articles named in the rule may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British colonies, and not to these places when addressed "*vid France.*"

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturers trade mark and number, and the price of article.

Any infringement of the above regulations will render the packet liable to be treated and charged as a letter.

The articles manufactured by us are under one general superintendance during the whole process of manufacture, beginning with the raw hide, and ending with the finished boot and shoe. By this arrangement we secure uniform quality throughout.

As evidence of the real merit of our manufactures a Medal was allotted us at the Dublin Exhibition or World's fair.

To occupy the extensive facilities which we have at our command for the manufacture of Boots and Shoes, it is necessary that we should send Goods to all sections of the Province, however remote; every inducement allowable in commerce will be granted to this end.

LIFE DEPARTMENT.

THE RATE OF PREMIUM will be found moderate, as compared with that adopted by the majority of Offices in Canada, and a comparison is invited.

THE DIVISION OF PROFITS have been attended with the most satisfactory results.

In illustration of the benefits which have accrued to participating Policies, the following examples may be given, taken from the Books of the Canadian Branch:—Pol. 5313, effected October, 1861, for £1000. Additions amount to £82 10s., total premiums paid by Assured, £112, the Bonus thus amounting to Seventy-five per cent. thereof. Policy 4236, effected 1859, for £500, Bonus additions, £61 17s. 6d., or nearly Seventy per cent. of £91 2s. 6d., the amount of premiums paid.

SURRENDER VALUE OF LIFE POLICIES:—Under Policies of not less than three years' duration effected for whole term of life, and at uniform rates, a large return of at least 40 per cent. of ordinary premiums paid, will be allowed in the event of the Assured relinquishing the same.
