## REPORT OF THE SESSION.

---

The Session, in submitting its report for the past year (1894), does so with feelings of thanksgiving, not unmixed with sadness and sorrow. Of thanksgiving because of the many encouraging circumstances connected with the congregation, these being—a desire on the part of many for a higher and holier life, and a riper Christian experience; the spirit of unity and brotherly love that prevails; Christian activity and usefulness, and a display of zeal in the service of the Master. Of *sadness*, because of the number of those with whom we have held sweet fellowship having been translated from the church militant to the church triumphant. The Session tenders its warmest sympathy to the bereaved families. Besides the adult members who have been taken away we have to record the removal of some of the lambs of the fold—children of tender years—who, having heard the gentle voice of the Good Shepherd, are now eternally folded in His arms and resting in His bosom.

In a special degree, as a congregation, we sorrow over the loss of our beloved pastor, Rev. James Allister Murray, who, for nineteen years, went in and out among us, breaking the Bread of Life, sympathizing with those in distress and trouble, consoling the sorrowful, and by his public ministration of the Word of Life, leading the church into green pastures and by still waters. For ourselves, and on behalf of the congregation, we blend our grief with that of the stricken

family, and bow with reverent submission to the dispensation of Divine Providence. As the reports of the various organizations of the congregation will be found elsewhere, we content ourselves here with wishing them all God-speed in their efforts to bless humanity and advance the Redeemer's kingdom.

The additions to the Communion Roll during the year were: By profession of faith in Jesus Christ, 25; by certificate, 28; the withdrawals, by change of residence, 30; by death, 14; leaving a net gain of 9; making the present membership 773. The Baptisms were 14 infants and 4 adults.

We would acknowledge the useful service rendered by Mr. Wm. Patterson, B. A., of the Presbyterian College, Montreal, who, for four months during the summer, filled our pulpit with acceptance and profit to the congregation. Our prayers and good wishes go with him, and our strongest hopes for his future success, as an ambassador of our Lord Jesus Christ. We would also record our indebtedness to the various ministers who have occupied our pulpit; no doubt at considerable inconvenience to themselves, certainly to our advantage and profit. At the request of the Session the Rev. E. H. Sawers, of Westminster, was appointed Moderator during the vacancy.

On Sabbath morning, the 9th of December, our pulpit was declared vacant by Rev. Mr. Sawers; since which time, the Session, amidst many difficulties, has put forth its best efforts to secure suitable candidates for the pastorate, and we trust when the church shall be called upon to announce its choice we may find that the decision is one approved of God, and thus for the highest interests of the congregation.

Though there are encouraging features in our church work we feel that our labors have not been as profitable and successful as they might, yea, ought to have been. We, therefore, devoutly urge upon all our members, adherents and office bearers, renewed consecration to the service of our Lord, knowing their efforts cannot fail or be in vain in the Lord.

**IN MEMORIAM**

---

*A tribute to the late Rev. James Allister Murray, for nineteen years pastor of St. Andrew's Church, London, Ont. ; born July 8th, 1834 ; died Oct. 21st, 1894.*

Know ye not in Israel to-day,  
 A prince and great man has passed away ;  
 That one who taught the Truth of God,  
 As marble lies, or earthly clod ?  
 His subtle mind, endowed with might,  
 With logic keen and reason bright,  
 Link'd with his soul together soar  
 To realms where death is known no more.  
 His silvery tongue, like magic wand,  
 Could hold an audience at command ;  
 Now still in death no more can preach,  
 By eloquence of thought or speech.  
 Yet, being dead, as Scriptures tell,  
 He speaks most powerful and well ;  
 For never can deed, word or thought  
 Be counted as a thing of nought.  
 The voice that spoke in accents mild  
 To saint or sinner, man or child,  
 That sought to comfort those in grief,  
 To speak a word to give relief,  
 To cheer the sorrowing and distressed,  
 By sin or shame or want oppressed.  
 Who went about like One of old,  
 Urging the wanderers to the fold ;  
 His voice we may no longer hear,  
 For mute he lies and dumb to cheer ;  
 Yet while our memory holds her sway  
 Its tones can never pass away.  
 A life-long servant of the Lord,  
 A life-long student of His Word,  
 A life-long leader in His cause,  
 A life-long teacher of His laws.  
 Summoned, he left his loved employ,  
 The Master's call he heard with joy ;  
 His nobler self thus passed away  
 Leaving its tenement of clay  
 But still he lives in mind and heart ;  
 Absent, we feel an inward smart,  
 Yet bow with reverence to the rod,  
 Knowing the absent is with God.

## BOARD OF MANAGERS

BEING FOR THE YEAR 1894.

The Board of Managers, in submitting their Forty-fourth Annual Report, deplore the loss which the congregation and city sustained by the death of their late pastor, the Rev. J. Allister Murray, whose ministry in St. Andrew's Church was productive of much good, and whose life and character were an example to all. His eloquence in the pulpit and his untiring exertions in attending to all the work of the congregation endeared him to everyone. His death occurred on the 21st day of October.

To Mrs. Murray the Managers extend their strongest sympathy, and submit that in view of the long and earnest services of Mr. Murray and in keeping with his generous disposition, it is the duty of the congregation to do whatever they deem reasonable for Mrs. Murray, and thereby lessen the effect of her great loss.

The congregation have shown their unity and loyalty to St. Andrew's during the year by maintaining their regular attendance and increasing their subscriptions, the total sum collected for all purposes being \$9,701.31. This is the more praiseworthy when we consider the unusual depression everywhere pre-

vailing, and that the pulpit has been for the most part filled by strangers.

We will report under the different headings: Finance, Pew and Music, and Improvement and Cemetery.

### FINANCE.

The total receipts for the year ending 31st December—including weekly contributions, \$5,341.20; collections, \$467.75; sundries, \$32.34—have been \$5,841.29, and the expenditure has been \$5,960.66, leaving a deficit of \$119.37. This deficit has been covered by a loan of \$125.00, leaving a balance on hand of \$5.63.

In comparing the revenue from weekly contributions and collections with that of the previous year from the same sources, it shows an increase of \$252.42 in the envelopes and a decrease of \$88.30 in the open collections. The revenue for the year amounts to \$6.77 per sitting.

The canvass of the congregation undertaken by the Managers in the early part of the year with the object of increasing the revenue, though not wholly meeting our anticipations, still had an undoubted beneficial effect.

### PEW AND MUSIC.

Throughout the year there has been great demand for pews downstairs, and consequently there are few sittings unoccupied in the body of the church, though there are still some good pews vacant in the gallery.

The congregation is reminded that it is from the Pew Committee, and not from previous holders, that sittings are obtained, and that it is to the Committee that sittings revert when no longer occupied.

Attention is also called to the necessity of immediate notice being given whenever any person has occasion to vacate sittings. It is not unusual that the only intimation of the removal of such parties is through the secretary reporting that no envelope contributions are being received. It would be of great advantage to the congregation if a definite, limited time of not less than three months were fixed, at the end of which sittings that have not been occupied, and whose holders have ceased to contribute, should be at the disposal of the Pew Committee.

On the retirement of Messrs. Jas. Gillean and Donald McDonald, who for so many years, and with such great and universal satisfaction, acted as ushers, the following were appointed in their stead: Messrs. Walter Laidlaw, Jas. Davis, Ralph Gillespie, Fred. Nelles, Alex. Calder, B. Glover, O. Leslie, John Harvey, R. McDermid, A. McPherson, Jas. Waters, C. Campbell and H. McDougall.

Our organist, Mr. C. E. Wheeler, asked and obtained leave of absence for one year from August 15th, in order to pursue his studies in Germany. In his absence the services as organist are being very acceptably performed by Mr. Wm. Ellis.

#### IMPROVEMENT AND CEMETERY.

The Improvement and Cemetery Committee has kept your property in the best possible state of repair with the strictest regard to economy. The chief items of expense were: Drain from manse which had become blocked up with roots of trees; relaying the walks on the west side of the church; levelling of the

boulevard and erection of a fence to the sheds. The cost of the work will be found in the financial statement.

The cemetery has been duly cared for. Your Committee would recommend that, while the Board exercises a general supervision over the cemetery, in future, owners attend to the repair of monuments and proper care of plots.

Under the head of the Improvement and Debt Fund, your Committee has completed the changes commenced during the year 1893, and have refitted the Sabbath School Class Rooms at a cost of \$1,055.45. During the year 1895 it is the intention of the Board to proceed with improvements in the body of the church, or apply the funds in hand as the congregation shall direct. Your Committee gratefully acknowledges its gratitude to the congregation for its liberal contributions, and to the Ladies' of the congregation and the Christian Endeavor Society, through whose generous efforts the sum of \$214.00 was raised to aid us in the work.

The amount contributed to this fund up to the present time, Jan. 26th, is \$2,197.16. The amount on hand to the credit of the fund is \$1,064.87.

The Board respectfully recommends that the expenditure in connection with our Central Sabbath School be sent in monthly to the Managers, and that all expenditures be sent to the Board through the Chairman of a Sabbath School Committee, to be appointed by the Board.

You will be called upon to elect six Managers in the place of G. A. Somerville, M. H. Rowland, R. A. Gray, J. B. Laidlaw, Jas. Houston and R. A. Little,

The Treasurer's detailed statement has been checked with his books and vouchers, certified to by your Auditors, and submitted herewith for your consideration.

The best thanks of the congregation for their efficient services are due and are hereby tendered to the ladies of the congregation, the choir, the ushers, the Christian Endeavor Society, and the auditors, for their valuable services during the year.

Out of a total number of 14 meetings the number attended by each member of the Board was as follows: R. A. Little, 13; Dr. Gardiner, 11; Alex. Gillean, 11; R. A. Gray, 12; Jas. Houston, 9; J. B. ## THE MINUTES OF THE ANNUAL MEETING

The Annual Meeting of St. Andrew's congregation was held in the Lecture Room on the evening of Tuesday, January 22, 1895.

Mr. Alex. Fraser opened the meeting with devotional exercises.

On motion of Mr. Mills, Mr. R. A. Little, chairman of the Board of Managers, was appointed chairman.

The Managers' Report and Treasurer's Statement were submitted for the consideration of the meeting.

On motion of Mr. Mills, seconded by Mr. Rowland, the report was taken as read, and considered clause by clause.

Clauses 1, 2, 3, 4, 5, 6, 7, 8 and 9, as printed in the Managers' Report, were, after considerable general discussion, adopted.

Clause 10. On motion of Mr. McGregor, seconded by Mr. Gillean, this clause was adopted with the following addition, "That the Pew Committee be empowered to select ushers for the present year, and endeavor, as far as possible, to retain the services of those who acted last year."

Clauses 11 and 12 were read and agreed to.

Clause 13, in reference to the cemetery, was then read. After considerable discussion as to the advisability of closing this cemetery entirely and making

Jas. Cowan, John Ferguson and C. McCallum, be appointed to take into consideration the cemetery in all its bearings, and report at next Annual Meeting."

Clause 14 was read. On motion of Dr. Macarthur, seconded by C. McCallum, it was adopted with the following addition, "That \$800.00 of the amount on hand be used to pay off a liability note of \$800.00, which has been carried for some years by the Managing Board."

Clause 15 was, on motion, changed to read as follows: "The Board respectfully recommends that the expenditure in connection with the Central Sabbath School be sent in monthly to the Managers, and that all expenditures be sent to the Board through the Chairman of a Sabbath School Committee, to be appointed by the Board."

Clause 16, referring to election of six Managers in place of those retiring, was read. Moved by James Mills, and seconded by Wm. Stevely, "That the Nominating Committee be not now appointed, but that this Representative Meeting of St. Andrew's Church proceed, without delay, to nominate and elect Managers to take the place of those retiring, and that the former way of nominating candidates for Managers by a Nominating Committee be hereby cancelled."

Motion lost.

The Chairman then appointed Messrs. Jas. Mc-

Sween and Alex. Gillean on the Nominating Committee from the Managing Board, and the meeting, on motion, appointed Messrs. Alex. Fraser, O. B. Leslie and Frank Love.

## St. Andrew's Sabbath School Report for 1894.

A review of our Sabbath School work for the year just closed presents many features for thanksgiving to the Great Head of the Church. A goodly number of the scholars, during the year, made a public profession of their faith in Jesus as their Saviour. This, we believe, is only an earnest of the good work which is being quietly but honestly done for the Master.

In common with the rest of the congregation we mourn the loss of our pastor, Rev. J. Allister Murray. His cheerful and encouraging words and wise counsels are greatly missed by us.

Early in the spring the Board of Managers undertook and completed the long needed improvements necessary to make the school room habitable. The light and class accommodation are now as good as it is possible to make them in a basement.

The number of pupils on the roll is not as large as it was last year, and there is a corresponding decrease in the average attendance. The falling off is in the junior classes; the attendance in the senior classes being even better than it was in 1893.

The pupils in the Chinese Class have been more uniformly regular in their attendance, and apparently they are taking a deeper interest in religious instructions.

The library has been thoroughly overhauled, and

two hundred and fourteen new books have been added to it. The cast-off books were divided equally between the Mimico Industrial School and the Fort Pelly Indian Mission School.

The collections for missionary purposes amounted to \$247.37, which is \$24.42 less than was raised in 1893. Besides the foregoing three classes of girls gave special collections which amounted to \$16.30, which makes the total raised for missions \$263.67.

The senior class of boys contributed an average of 90 cents per Sabbath. We commend their example to the rest of the School.

The following distribution has been made of the money: Foreign Missions, \$50.00; Home Missions, \$85.00, allocated as follows: Provincial S. S. Association, \$10.00; Rocky Mountain Valley Mission, \$25.00; General Fund, \$35.00; London West, \$15.00; Augmentation Fund, \$25.00; Pointe Aux Trembles, \$50.00; Pointe Aux Trembles, special, \$25.00; French Evangelization, \$10.00; Welland Canal Mission, \$5.00; Welland Canal Mission, special, \$10.00.

We desire to gratefully acknowledge the kindness and hearty co-operation of every teacher and officer of the school.

## THE BIBLE CLASS.

In submitting our report the Bible Class desires to acknowledge the goodness of God in bestowment of temporal and spiritual blessings:

The average attendance at the class has been about thirty.

During the past few months the class has been taught by most of the ministers who have supplied our pulpit, thus giving us various modes of teaching, which we trust may be of practical use to us in days to come, besides being considerable relief to our teacher. All the lessons were instructive and edifying.

We have made an effort to resuscitate the Library, but on examining the books there were 144 missing, and there are still 120 volumes of which we have no record.

The class acknowledges with many thanks the valuable services of our Officers: Miss Laidlaw, Organist; Miss Gilmour, Precentor; Miss Carson, Librarian; Miss Smith, Secretary, and Mr. Skinner, Treasurer.

THE SEVENTH ANNUAL REPORT  
OF THE  
**North Presbyterian Sabbath School**

IN CONNECTION WITH  
ST. ANDREW'S CHURCH, LONDON,  
**FOR THE YEAR 1894.**

*To the Session of St. Andrew's Church :*

BRETHREN,—In submitting this, the Seventh Annual Report of our North Sabbath School, we acknowledge the goodness of God in many blessings bestowed upon us in connection with our work. We have had a year of uninterrupted systematic work along the line of the International Bible Lessons and the Shorter Catechism. A spirit of hearty co-operation has prevailed among us, and evidences of increasing interest in, and faithful study of, God's Word have been manifest.

Our school is now fairly well equipped, and we have tried to use all the means and opportunities our Heavenly Father has given us for the extension of His kingdom in the hearts of His children, and for the honor of His name.

We have also had some discouragements. All parents do not co-operate as they ought. This always results in a loss of efficiency in Sabbath School work. The removal of quite a number of our scholars has reduced our membership, and the resignation of several of our teachers has somewhat disorganized our classes. No department of our congregational work presents

just now a better field for the earnest and energetic work of our Christian Endeavor Society than the work in connection with our North School.

We have greatly missed the wise counsel and ripe experience of the Rev. Mr. Gordon, who has been laid aside from active work. We trust that he may realize the blessing of the promise, "that at evening time it shall be light." We also feel the loss of our brother, Mr. Nelles and family, with their earnest, active interest in the work of the school, and we trust the Master may soon constrain others to take their places.

Our membership has decreased a little since last report, being now: Fourteen teachers, officers, and 120 scholars—with three classes vacant. The Wednesday evening Prayer Meeting has been regularly held, with a varying attendance, the smallest being 12, and the largest 42, with an average of about 18. We trust that when a new pastor takes his place among us this meeting may be made more efficient and be better sustained.

The usual Anniversary Services of the school were held in January, and were successful and greatly enjoyed.

We cannot close our report without joining with you and the whole congregation in expressing the deep sorrow we feel that our late beloved pastor is no longer present with us, but has been called home to his reward by Him who doeth all things well. Deeply interested in the Christian training of the children as he was, he always had a special interest in the work of our North School, which he was the means of organizing. agement were ever ready, and his presence in the Sabbath School was our inspiration. Remembering his earnest words and faithful service, "we sorrow not as others who have no hope," believing that his word will still live in many hearts and lives of those who were associated with him.

We desire to thank our friends in the congregation who have assisted us in the work of the school, and to Miss Gordon, Miss Walker, Miss Glover, Miss Ross and Miss May Essex, for their efficient work in training the children for our Anniversary Services.

Praying that our Heavenly Father may accept and bless our work.

## St. Andrew's W.F.M.A. Report FOR 1894.

---

In presenting our Annual Report we do so with feelings of gratitude to God for all His goodness to us during the year now closing. We trust our efforts have been a means of grace to ourselves in leading us to a higher spiritual life, as well as a blessing to our perishing sisters in heathen lands, to whom we have been enabled to send the Gospel of Christ. Meetings have been held regularly every month. It has been the aim of the Society to make them as pleasant and instructive as possible. Besides devotional exercises, missionary intelligence is received fresh from the field, the work is discussed, and extracts on subjects of interest are frequently read. Through the missionary letters in the "Leaflet" we are kept in touch with the work in India and China, in the North-West and the Islands of the Pacific, we become acquainted with the workers individually, and in some means share in the joys and sorrows of our far-away sisters. We sincerely regret that so many of the women of our church should, by their absence, have failed to enjoy or benefit by the information given, or the words spoken at these meetings. Our membership is forty-five, average attendance twenty—a small number out of so large a congregation. In response to an appeal for help for the North-West, clothing and furnishings, valued at \$113.60, were sent to the school at Regina. We are pleased to note that this particular branch of

our work—the sending aid to the heathen of our own country—is nowise abating.

Our Thank-offering Service was held in November. To those present it was enjoyable and profitable; the offering amounting to \$31.37. We feel we cannot close this report without referring to the great sorrow that has come to our President, Mrs. Murray, in the removal by death of our dear pastor. We extend to her our sincere sympathy, and pray that the God of all consolation may comfort her in this time of trial. May we, all of us, solemnly realize our responsibility, and “Work while it is called to-day, for the night cometh when no one can work.”

G. McINTOSH,

1894.

In submitting this our eighth Annual Report, we are pleased to state that the year now so nearly closed has been one of comparative progress and profit. Our membership numbers 35, and our average attendance is 23.

We have held our meetings regularly, and at almost all of them essays were read by members of the Band, and showed much painstaking effort and research on the part of the writers.

At our March meeting Mrs. Talling gave a Bible reading on "Giving," which was greatly appreciated by all who were privileged to hear it. Then in July we held an open meeting, when Mr. Patterson spoke on "The Reflex Action of Missions," and pointed out the Apostle Paul as an ideal missionary.

In August we also had an open meeting, and Mr. Cooper, who was then supplying the pulpit of Park Avenue Church, gave an excellent address to an audience of over 100 members and friends. This meeting is also memorable because it was our privilege to have the Rev. Mr. Murray, our late pastor and always warm friend and supporter, in the chair. At the close of Mr. Cooper's address, Mr. Murray spoke more particularly to the members of the Band, exhorting them to further effort and deeper consecration. We venture to say that none who were present could fail to profit by the earnest and heartfelt words

We would record our sympathy with Mrs. Murray, our Honorary President, and commend her to Him who alone can heal the sorrow of her heart.

At our Thank-Offering Meeting in October, Mrs. Evans, an earnest church worker in this city, gave a very instructive address on "Thank Offerings." Our offering was \$13.60.

Our box to the North-west was valued at \$32.00. It contained very prettily dressed dolls, and games of an instructive nature.

The total amount raised during the year was \$50.

We hold our meetings the first Tuesday evening of each month, and will be pleased to meet any young women of our congregation who desire to help us in the work.

## Report of the Prayer-Meeting Committee.

The Prayer-Meeting Committee appointed by the Session are pleased to be able to report that during the past year the week-evening meeting has been fairly well attended, especially by the women of the congregation. It would be well for the spiritual well-fare of the church, and also for their own, if the men-folk would come out in larger numbers and receive the blessing promised to those who assemble themselves together in the Master's name. We would thank those members of Session and others who have so ably and willingly responded to the request of the Committee, and conducted the prayer-meetings since the death of our late lamented pastor. Especially at this time, while we are without an under-shepherd, would we urge all to be loyal to the Wednesday evening meeting, and enjoy the privilege of attending this means of grace. The attendance and interest shown is an indication of the spiritual state of the people.

Owing to lack of interest we are sorry to report that the prayer-meeting formerly held at 10 o'clock Sabbath morning has been discontinued, but we hope when a new pastor has been settled that it will be resumed with increased interest.

## Report of the Y. P. S. C. E. FOR 1894.

---

In submitting our fifth Annual Report, we desire to express our thanksgiving to God for the way in which He has led us during the past year. Truly we have been led by the loving hand of an Eternal Father, and His all sufficient eye hath guided us.

We cannot report an increase of membership, but our members are true earnest workers. We have at present 69 active, 75 associate, 20 absent (still united with our Society), and 11 honorary members. We are proud to report of our absent members, five of whom have entered college in preparation for God's own work. We feel that our Society has been a training school out of which has passed great powers for good in the world, and while we are suffering the loss of a great many valuable members, who have gone to work in other parts of Christ's vineyard, yet we can thank God for these members, and realize that though we are not now privileged to work with them, they are working for the same cause, and our hearts will always be united in Christ.

In reference to our Committee work, we would like to make special mention of the Good Literature, Missionary, and Visiting Committees. The Good Literature Committee has done good and faithful work in the past year—distributing good reading matter to the Barracks, hotels, railway depots, and barber shops. The result of the work of this Com-

mittee is exemplified in the diploma received for faithful work from the Cleveland Convention of 1894. Several missionary meetings were held during the year, and the Missionary Committee provided interesting papers on mission topics, and succeeded in making each meeting instructive as well as enjoyable to all who attended. The members of the Visiting Committee have been very active in visiting sick members during the year, providing (when possible) each one with flowers, and giving a cheering and comforting word wherever they went.

A deputation from the Managers of our Church met with us in one of our meetings in 1894, for the purpose of laying before us a scheme, viz.: That we raise the sum of \$100 for furnishing the Bible Class room. We heartily acquiesced in the proposal, and at once made arrangements for raising same. We are sorry that this report will not show a receipt of the amount in full; but at present we have on hand \$25, and hope in the near future to have the balance.

One of the many motions passed by the Society during the year 1894 was to organize a "Bureau of Information." A Committee was formed for said purpose, but as yet completions towards this scheme have not been made. Our idea of this department was to have an office in the vestibule of the church, at which place names of strangers and sick members might be recorded, the same to be handed to the Elders.

We would like to make special mention of an interesting meeting held on the evening of Dec. 31st, 1894. As it was our last meeting together, we arranged to have all the members present who were in the city,

and from each of the absent members a letter of greeting. We had eight letters in all—received from Edinburgh, Scotland, California, British Columbia, Detroit, etc. Everyone present enjoyed these breezy New Year messages. We had the pleasure of having with us that evening Rev. Mr. McWilliams, Peterboro'; Rev. Mr. Freeman, St. Paul, Minn.; and Mr. Solman, each of whom addressed us briefly with words of encouragement. Two of our members favored us with solos, after which we were entertained by the Social Committee with light refreshments. After God's blessing had been invoked, we parted to meet in another year.

In concluding our report we make an urgent appeal to all the young people of our congregation to join us in the great work for "Christ and the Church;" but if not prepared to unite with us, we will gladly welcome any such, who may visit us, and with the hearty co-operation of all, we look forward to the ingathering of a bountiful harvest for our Lord and Master, Jesus.

## Women's Visiting and Aid Society.

---

Although our membership remains about the same, still we are glad to be able to report an increased average attendance at our meetings, which proves that the interest of the women of the congregation in our work is growing.

It will be seen by referring to the Treasurer's Report that the sum collected by the District Visitors is slightly less than last year, but not so much as to render it necessary for us to reduce the amounts given to those for whom we specially ask help.

We have had in contemplation for years past the refurnishing of the vestry, but hitherto the want of funds has hampered us. However, in the early part of the year we decided to go on with the work (making it a special and separate object, and not appropriating any of the regular contributions for it), which has been completed at a cost of \$109.84. Of this \$55.80 has been paid from the proceeds of the lecture given by Dr. Carson, of Detroit, on Dec. 4th, 1894. Our plans for the payment of the balance will be announced later on, and we bespeak the help and sympathy of the congregation in this connection.

Although our beloved pastor was not long spared to us after this improvement was effected, still we have the satisfaction of knowing that he approved of and was very much pleased with the change. We

The total amount received from all sources for the year is \$256.60, which is quite a serious decrease from last year, but this is partly accounted for by the fact that this year there was no Thanksgiving Service held, (at which meeting in former years we received the collection taken up), and our special donations also are fewer in number and less in amount.

Taken altogether we are grateful to God for what He has enabled us to do in His service, and look forward to future work with hopefulness.

The officers were all re-elected by acclamation.

## Report of the Choir.

In presenting our Report for the year 1894, we are pleased to say its efficiency has been maintained, each member taking a lively interest in our work and endeavoring to make this part of the Church work as acceptable to the congregation as possible.

We sincerely thank the congregation for the liberal sum granted us for the past year, and trust that a similar amount will be voted this year for the same purpose.
