dined, and Mr. Maxwell was expected by the 3.10 o'clock train.

"There," sighed Emma, when two hours after her brother's departure, the house was in its usual exquisite order, and the viands and flowers sent up for dinner; "if Tom dosen't forget, and if he sends up a good cook, everything will be nice enough."

She did not dare to think of the possibility of Tom's having forgotten, or that of the cook not-coming for any or that of the cook not coming for any other reason; but when precisely at Druggists at 50 cts. per box, or 6 boxes for \$2.50, or will be mailed free of postage, on 10 o'clock, the door-bell rang, a secret weight was taken from her heart. She ran herself to answer the sum-mons. A medium-sized, well-dressed,

> 'I am very glad you are so punche kitchen without an instant's delay. Let me see-10 o'clock. I shall have

thing about cooking. What is your name?" literally bereaving the young nt of reach as possible. His reply was rather faint, but she

he said pleasantly.
"You see there is nothing in the house but cold chicken," continued Emma, unconsciously wringing her little hands as she continued to address the new cook, who certainly listened very attentively. "But my

brother has sent up some pigeons-to be roasted; I suppose." "Yes'm." "Can you make a celery salad?" "I think I can " And Mayonnaise sauce for the cold chicken?" "Yes'm. "Can you make a French soup?"

"Oh, well, I think you'll do (begining to look relieved.) "Besure the vegetables are not overdone, and the coffee good—my brother is HARNESS FACTORY very particular about his coffee. And we will have a Florentine pudding?" . Acol gniriupni na diiw

The consess of personal brit, but was agely delibed to the land agentleman's knowledge, his every spurt was reported to be agents of the respondent, and were willing of partially united that there had been money spent by persons who might be construed to be agents of the respondent, and were willing of partially united that there had been money spent by persons who might be construed to be agents of the respondent, and were willing of the respondent and the port of the east vacant, without going into further evidence. The consess of personal brit, between the close of the walk. He went on again about 8, did some and covering, and though to the whether was the used to the was the calcal covering and though to the steady of the wast the steady and though to the steady of the standard the pool of the rate of the allians lately established here is securing the sate down at steady in the standard manage obox so Station also shows a steady in good work, galning several laps in a short time, but was agreed to the wast the wast the steady of the same and covering, and though to the steady of the wast the wasted of the wast the wasted of the wasted of the wasted of the wasted was teady in the steady of the seas is due to the rare tead manage of the rate of the responsible to the rate of the responsible to the rate of the responsible to the seas is due to the rare tead of the rate of the responsible to the rate of the responsible to the seas is due to the rate that Calles' Union of the port of the standard wasted in the standard waste bery. The seat was declared vacant, the Honor reporting that there has the first part and the honor corrupt practices on the part of the respondent. In all likelihood Mr. Foster and Mr. Domwille will again be candidates. The "Telegraph" auggests the propriety of running a third man—A Liberal. Has there been any such opening at the General Election it would doubless there were not time, when two Conservatives were running; but as it was not tried that will now be attempted. The running; but as it was not tried that when two Conservatives were running; but as it was not tried that the limit will now be attempted. The result of this trial proves that the classification at the hands of our law-makers. As it now stands, bribery by sgents, more of the propriety by stands, bribery by sgents, more of the propriety by stands, bribery by sgents, more of the proposition of the recognized as such as the hands of our law-makers. As it now stands, bribery by sgents, more of the stands and stands and the stands candidate, or acting on their own responsibility-is sufficient to invalidate the election of any member. To do justice to all parties, the law should be so amended as to make the candidate responsible only for the acts of persons acting as agents by his authority, or who may be working in his interest under orders from any one or more of his recognized agents. To hold a candidate responsible for acts done without his consent, either directly or indirectly, and which he could not have prevented is in opposition to the principles of common justice. Under the existing law any injudicious friend, in an unguarded

moment, and acting without instruc-

tions from any quarter, can commit

acts sufficient to void the election of

his political friend, should be be re-

turned; and it is also open for an

enemy to pursue the same course

with an opponent, should he be un-

principled enough to do so. While

purity of elections is indeed most

desirable, the provisions of the Act

to secure that end should be evenly

balanced, and not so framed as to

hold any candidate responsible for

acts committed in his behalf without

his knowledge and without his au-

land will result in the construction of a Canal much wider and deeper

to the close. There was considerable disappointment regarding No. 1, who retired between six and seven, with a sick stomach caused by tobacco smoke, the person smoking standing at the inside door of the hall, and puffing the smoke across the track of the contestants.

Major McCully, being drilled in the field exercises, and displaying great steadiness in such movements as wheeling from column into line, forming quarter column on the march, changing direction to the left, and other maneguvres resumble across the track of the contestants. smoke across the track of the contestants as they passed. Up to that time Mr. F.'s chances were excellent, as his staying powers are said to be good, and it wheeling into line, the markers, with was expected that he would take the some exceptions, took their proper dis-

## Miscellaneous.

One Experience from Many. I have been sick and miserable so long and had caused my husband so much trouble and expense, no one seemed to know what ailed me, that I was completely disheartened and discouraged. In this frame of mind I got a bottle of Hop Bitters and used them unknown to my family. I soon began to improve and gained so fast that my husband and family thought it strange and unnatural, but when I told them what had helped me, they said, "Hurrah for Hop Bitters! long may they prosper, for they have made mother well and us happy."—The Mother.
