Killed Her Child at Order of Brute

Pitiful Story of Mary Dolan, Sentenced to Hang—McNulty; Father of Child, Who Treated Her Brutally, To Hang Also.

Toronto, Saturday—Mary Dolan and Thomas McNulty were sentenced at the Barrie assizes Friday to be hanged on Wednesday Dec. 14th, for the murder of their illegitimate child.

Barrie, Friday—Probably never in the history of Canadian courts has a more pitiful story been unfolded than was brought out today during the trial of Mary Dolan,

charged with the murder of her infant child. Although the jury returned a verdict of murder against her, it was accompanied by a strong recommendation of mercy, which Justice Britton said would be respected.

Several times the prisoner broke down, and once she sobbed aloud: "My heart is broken." The painful impression in the court was intensified by the fainting of Constable Wright in the witness box.

Terrible Explosion In Los Angeles

More Than \$100,000 Reward Offered For Capture and Conviction of Those Who May Have Blown it up With Dynamite.

Los Angeles, Oct. 2.—A large force of workmen, after digging for thirty hours into debris of the Times building, wrecked by an explosion Saturday morning, have unearthed five of the nineteen bodies buried in the ruins. The men are still at work aided by a huge railway crane and derrick, which is lifting out the masses of heavy steel.

In the meantime the police are guarding the home of General Harrison Gray Otis, proprietor of the Times, and that of General Manager Harry G. Chandler. Guards are also watching over the plants of several concerns recently involved in strikes. Three arrests have been made since the explosion. One of the suspects is an alleged anarchist, Martin Egan. In the hope of obtaining information as to the perpetrator of the outrage Mayor Alexander increased the city's offer of reward yesterday to \$100,000. The County today voted \$45,000 for every man captured and convicted.

BIG REWARDS

This, together with the offers of local newspapers and labor organizations, whose leaders have announced a determination to assist in the search for the criminals, raises the total amount of rewards to over \$100,000.00.

The city's offer is intended to tempt any one having knowledge of a dynamite conspiracy to divulge the secret. There are no conditions.

Mrs. Churchill Harvey Elder wife of the night editor, who died of his butts and injuries Sunday, arrived here from San Francisco and shortly afterward collapsed from the strain under which she had labored since learning of the catastrophe. She is in a serious condition.

John Howard, jr., son of one of the linotype operators, whose body is believed to be in the ruins, also collapsed. Since the explosion he had been watching the ruins and waiting for the shovel men to work their way to the body.

The inquest will be held Tuesday. At that time the committee of dynamite experts and engineers appointed by Chief of Police Galloway to investigate the wreckage in an effort to learn the character of the explosive used will report their findings. Little in the way of evidence that might lead to the discovery of clues has been found. Detectives have spent hours investigating at the home of F. J. Zeehandelaar, secretary of the Merchants' and Manufacturers' Association, near whose home a bomb was found, but nothing tangible has been discovered.

Roosevelt Gets Cheap Trips

Tours of Roosevelt Charged to Advertising; Protest Made By One of the Stockholders Who Objects to Such Doings.

Philadelphia, Pa., Sept. 26.—In spite of the public agitation that has been going on for years, headed by the trust-busting Roosevelt "to curb the trusts" and eliminate "corrupt political practices," it now develops, in a letter from John H. Devine of Philadelphia to President James McCrea of the Pennsylvania railroad, that Theodore Roosevelt himself was the largest recipient of railroad passes from the Pennsylvania railroad.

The letter is from a stockholder to the president of the Pennsylvania railroad, requesting explicit information concerning certain semi-official rumors that the railroad has an unpaid account against Theodore Roosevelt amounting to \$100,000.

FOR PRIVATE USE

This unpaid account is for special trains which were furnished for President Roosevelt's hunts, for his social engagements, his home goings and comings, and for the transportation of his friends, his servants, his horses and goods.

OFFICIAL COURTESY

The officials of the Pennsylvania do not admit that Mr. Roosevelt owes the corporation anything. Transportation was furnished as a matter of course without any expectation of payment. The letter of Mr. Devine is as follows:

TEDDY OWES \$100,000

Philadelphia, Pa., Sept. 22, 1910.—Mr. James McCrea, president Pennsylvania Railroad company Philadelphia. Dear sir:

"As a stockholder of the Pennsylvania railroad I have been greatly surprised to learn there is an account, long overdue, for transportation furnished by it to Theodore Roosevelt. It is a matter of quite general knowledge so I learn, that this account to more than \$100,000.

"Whether the person owing such account be a president or a former president, or whoever he may be, the interests of the Pennsylvania railroad it seems to me, demand that there be a settlement. Will you advise me if I am correctly informed, and if so, is there any reason why this debt should not be paid?

"Will you also kindly inform me what steps have been taken, if any, in behalf of the company to collect the amount due and what prospect there is, if any, of its settlement?"

"Very truly yours—John H. DEVINE"

The Southern railroad's "advertising account" against Theodore Roosevelt is said to be \$60,000. The New York, New Haven & Hartford railroad and the Northern and Union Pacific also were generously patronized. These advertising accounts enter into the "increased cost of maintenance" upon which the railroads base their plea for a general increase in freight rates all over the country, before the Interstate Commerce Commission which is now hearing the evidence both in New York and Chicago, trying to determine the justice and reasonableness of these increases.

AFTER SUFFERING TEN YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

MARLTON, N.J.—I feel that Lydia E. Pinkham's Vegetable Compound has given me new life.

I suffered for ten years with serious female troubles, inflammation, ulceration, indigestion, nervousness, and could not sleep. Doctors gave me up, as they said my troubles were chronic. I was in despair, and did not care whether I lived or died, when I read about Lydia E. Pinkham's Vegetable Compound; so I began to take it, and am well again and relieved of all my suffering. —Mrs. George Jompy, Box 40, Marlton, N.J.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, period pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

WOMAN'S HEALTH WHEN FORTY-FIVE

A Critical Period When Dr. Williams' Pink Pills are a Real Blessing.

Dr. William's Pink Pills are absolutely the finest medicine that ever a woman took. At special periods a woman needs a medicine to regulate her blood supply or her life will be a round of pain and suffering. It is at such times that Dr. William's Pink Pills are worth their weight in gold, for they make new, rich blood, that banish the secret symptoms of distress that only women and growing girls know. They strengthen every vital organ for its special task, and bring rosy cheeks and shapely forms that tell of womanly health and happiness. Mrs. Richard Lobb, Red Deer, Alta., says: "At that critical period in my life known as the change I suffered so much that I hardly hoped to pull through I doctored for months, but did not get any relief, and I grew so weak that I could hardly walk about, and it was impossible for me to do my housework. Only women who have suffered similarly can tell how much I endured—the constant misery, the dragged out feeling and the terrible backaches that beset me. No woman could have been in a more wretched condition than I was at this time and it was then that my attention was directed to Dr. Williams' Pink Pills. I got a half dozen boxes and before they were all gone there was a good improvement in my condition. Then I got six more boxes and before I had used them all I felt like a new woman and was enjoying better health than I had done for years. Not only have Dr. Williams' Pink Pills proved a blessing to me, but they also worked a great change in the case of my daughter, who was in a very miserable condition after

childbirth. I know also of two young girls who I believe would have been in their graves now but for the use of Dr. Williams' Pink Pills. Considering what they have done for me and what I have seen them do for others, I am justified in my enthusiasm for this medicine and I never lose an opportunity to recommend it."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PRESENTATIONS

Last night the members of the W. C. T. U., the Methodist Women's Missionary Society, Sunday school and congregation, and other citizens, held a reception for Mr. and Mrs. Simon McLeod in the W. C. T. U. hall. A fine musical programme was rendered and supper was served. Addresses highly appreciative of Mr. and Mrs. McLeod's work in Newcastle the last eighteen years in behalf of religion and temperance, highly complimentary of their social and business record, and deploring their departure which is soon to the place, were tendered the guests of the evening by Mrs. John Walter Miller, on behalf of the W. C. T. U., by Mrs. A. B. Leard, for the W. M. S., by Supt. H. H. Stuart, on behalf of the Methodist Sunday school, Rev. W. J. Dean, for the Methodist church, and by Mayor McMurdo on behalf of the town. The Methodist societies and the W. C. T. U. jointly presented Mr. and Mrs. McLeod with a steamer rug for the lady and a fountain pen for Mr. McLeod.

Mrs. McLeod, who has conducted a ladies' store, left today for Columbus, Ohio, and Mr. McLeod who has run a merchant, tailoring establishment follows in about a fortnight. They will live with their daughter, Dr. Scott, of Columbus. They will be much missed in the best circles of our town. Their influence has always been for good, and their places will be

The generous firebox is built so that the water heats very rapidly as it passes through the water front, and gives a plentiful supply. H. T. JACKSON

Hugh T. Jackson, who for the past 27 years has made Port Arthur his home, died at Rossport yesterday evening. When the news of Mr. Jackson's death was learned in Port Arthur there was genuine regret expressed, as the deceased had hosts of friends in the city. In the early days he was a business man of Port Arthur, but he afterwards retired, and until the last few years he lived in a retired state. Always being an exponent of the preserving of the great fishing industry of the Upper Lakes he took a position from the Ontario Government when it was offered to him, as fishery inspector at Rossport. There he has been an active employee of the Government for the past two years and under his able attention the fishery laws have been administered in a manner that has been of great benefit to the fishery.

Ten days ago the deceased came to Port Arthur to spend a few days with his friends. He was in the very best of health. Yesterday morning and afternoon he complained of pains in the chest. However, his condition was not very alarming, and the family were not notified.

Last evening about six o'clock Mr. Jackson passed away. The news of his death was telegraphed to Port Arthur, where it was received by the family and friends as a shock, as no one had any knowledge but that the deceased was enjoying his accustomed excellent health.

The deceased leaves a widow, four sons, John J., of Victoria; Clarence, of Port William; Frank D. and Arthur W. of Port Arthur, and one daughter, Edna F. of Port Arthur.

The deceased was born in Dunbarton, Scotland, 67 years ago. The funeral will be held from the family residence, 385 Herbert street tomorrow, Wednesday afternoon, at 2.30 p. m., to the Riverside cemetery.

The funeral of the late H. T. Jackson was held from his residence, Herbert street this afternoon to Riverside cemetery. At the residence a short service was held prior to the cortege leaving for the cemetery. At the grave side a service was conducted by Rev. Dr. Murray. Many beautiful floral offerings were received and placed upon the casket.

The following acted as pall bearers: Arthur F. Jackson, Clarence W. Jackson, Frank D. Jackson, Col. Ray P. H. Penfold and A. E. Wideman.

Mr. Jackson was for years a resident of Campbellton and was a well known railway man. Many of the old I. C. R. employees will remember him and regret to learn of his death.

THE REBUILDING OF CAMPBELLTON

At the meeting of the Provincial Government last week the report of the Auditor General showed that of \$98,206.33 received to date, \$10,392.96 had been expended, leaving \$87,813.37.

Of this amount the sum of \$52,000 has been appropriated to the building committee in aid of the needy in building their homes and in the construction of some 30 small houses now in course of erection at a cost of \$300 each. For food and fuel during the coming winter the sum of \$25,000 more will be required.

The bonded debt of the town is \$300,000 and the annual interest is \$12,920. The auditor estimates the amount which will be needed for the immediate future, and which will probably be provided by an issue of debentures, to be \$113,119.

The auditor reported that the burned town is now being rebuilt at a rapid rate. The new buildings now in course of erection number 400 and there will be many more before Spring.

The following industrial establishments are being rebuilt: I. C. R. works, the Harquail woodworking establishment, the McLennan machine shops and the W. J. Duncan foundry.

There are also good prospects for the building of six saw mills in the town and vicinity in the near future.

An order-in-Council was passed expressing the opinion that proper steps had been taken to safeguard the interests of the public in the administration of the funds and approving of the work of the relief committee.

Why Don't You Use Amalite ROOFING?
It Needs No Painting!
 EVERYTHING about Amalite appeals to the man with common sense. He can see its superiority at once—the real mineral surface which never needs painting; the two layers of Pitch which is the only imperishable waterproofing known; the two layers of heavy Tarred Felt—all these contribute to the popularity of Amalite. We can make Amalite better and cheaper than anyone else on account of our greater facilities, and consequently we sell it at a surprisingly low figure. Simply the fact that it needs no painting is enough to make a man sit up and take notice—especially the man who has spent dollars and days in painting and repainting his smooth-surfaced roofings. DISAGREEABLE DAY

Sunday last was a most disheartening day for the homeless here. It was bitterly cold, and it rained all day.

MOVING IN

Twenty of the cottages erected to shelter the homeless, have been completed and families are now occupying them.

CALLING N TENTS

The relief committee have issued a call for the return of all the military blankets issued after the fire. A large number have already been collected.

PLASTERERS NEEDED

A large number of dwelling houses are completed up to the plastering, but it is impossible to get plasterers enough to do the work.

WATER FOWL

Geese, brant and ducks abound about Pointe a La Garde, and some are being shot, although the weather has been too fine to drive the birds in shore.

ASSAULT CASE

James Teed has laid information against Policeman Harris, accusing him of assaulting him. The case was up before Judge Matheson, Wednesday, and created much interest. It was adjourned until Saturday, Oct. 8.

MOOSE NEAR TRACK

Three splendid specimens of the lordly moose were seen by passengers of the Limited on Thursday between Dalhousie Junction and Eel River. Moose are reported very plentiful. A number of sportsmen with guides have left Dalhousie for the big game haunts.

ONE CONVICTION

The police have been quite active in regard to illegal selling of liquor. Four informations have been laid, and one conviction, with a fine of \$102.50 secured. As there are so many strange men in town, it is difficult to secure witnesses. When some are summoned, they usually get out of town before the case comes up.

MUCH DRUNKENNESS

There were many drunks about on Sunday. It is claimed that a large number of men went to Dalhousie, Saturday night and purchased the liquor there and brought it here for their friends. The inspector of the Shiretown should get busy and see that the bars are closed Saturday at the prescribed time.

PLEASE STOP IT

The GRAPHIC believes that the various contractors should be allowed every latitude to facilitate them in rushing their contracts, but it does not think it proper that they should use the pavement as a mixing board for cement, and oblige pedestrians to walk in the muddy street.

NOVEL WEDDING

A novel wedding took place in a tent here Sunday evening. Two young people wished to get married. The date was set for Monday, but, as the groom and the witnesses are working every day and did not feel like losing valuable time for such a trifling matter as getting married, persuaded Rev. Mr. Morris to perform the ceremony in a tent Sunday evening. At the appointed time the wedding party assembled and the service performed.

FUNERAL

All that was mortal of George D. Barbier, was laid to rest in the cemetery at Dalhousie, Sept. 30th. The impressive and fine-honored service of the Church of England, was held in St. Mary's, which was well filled with relations and friends. The choir, with Mrs. Store at the organ, rendered very effectively Craner's anthem, "Abide With Me." Mrs. Potts and Mrs. Spoon sang with much feeling, the two parts and Mrs. Store sang the solo part and Mrs. Store sang the solo part and Mrs. Store sang the solo part.

WET AND FOGGY

For the past three days the weather has been very wet and foggy, although not cold, and this has interfered with outside work.

RAN AROUND

IN NEW QUARTERS

Mr. Louis Cyr has resumed his barber business in his new building, opposite the Graphic office, where his friends will be able to have their wants attended to.

NEED DUMPING GROUND

A determined effort should be made to provide a dumping ground for refuse. It is needless to expect citizens to clean up their premises when there is no place provided where such refuse can be deposited. Of late some parties have been handling refuse on the Fabrique road and dumping it on the Duncan property, where it will contaminate the brook. This should not be tolerated.

MORE FEVER PATIENTS

A number of new cases of typhoid have developed this week. Two young men from St. John working with contractors here were obliged to go to their homes and there went to the hospital with severe cases of typhoid. Besides these there are several new patients.

NEW DUMPING GROUND

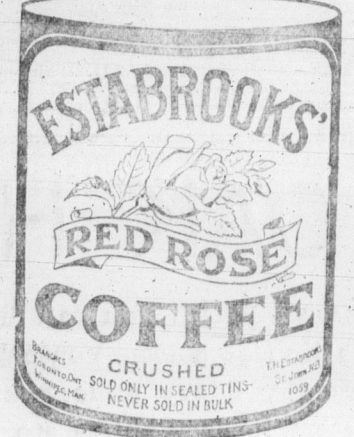

The Town Council, after a long, and for a time, almost hopeless search, has at last secured an excellent site for a dumping ground, a few yards from the former grounds, a short distance east of the mill creek bridge, and appointed Mr. Wm. Demeau, scavenger, for the town and granted him a license for the work. Town men are fixing the place up, which will be ready by Saturday. All persons requiring refuse material hauled away, (and that is pretty nearly everybody) should apply at once to Mr. Demeau without delay. The Board of Health should now get busy and see that the necessary cleaning up of premises is attended to at once.

PURITY FLOUR

More bread and better bread

One Barrel of Flour Instead of Two

YES, in the old way there was one kind of flour for bread and another for pastry.

Now, OGILVIE'S ROYAL HOUSEHOLD FLOUR, is an all-around flour. It makes not only the very best bread but also the very best cakes, pies, biscuits, rolls, muffins, pop-overs, pancakes, dumplings, anything that you want to make or bake from flour.

"ROYAL HOUSEHOLD" saves money and trouble. Instead of having two barrels of flour in the house you can get along much better with one. And you can be certain that it is always uniform--will always come out right whether for bread or Pastry.

ROYAL HOUSEHOLD is made from the finest grade of wheat in the world, Manitoba Red Fyfe wheat, and milled by the very finest machinery, in mills that are a model of cleanliness.

"ROYAL HOUSEHOLD" costs a trifle more by the barrel than ordinary flour but this trifle extra proves real economy when the loaves are counted. For "ROYAL HOUSEHOLD" goes farther than ordinary flour--farther in actual quantity of baked product.

Even if "ROYAL HOUSEHOLD" cost a great deal more than ordinary flour it would be well worth it for it is more nourishing.

You can't afford to buy impoverished flour at any price. You can't afford to skimp on health. And you do skimp on health when you buy flour just because it costs less than "ROYAL HOUSEHOLD".

"I FEEL IT MY DUTY

To Give You a Statement
In Regard To 'Fruit-a-tives'"

HARDWICK, MIRAMICHI, N.B., Jan. 17th. 1910.
"I feel it my duty to give to you and the world an unsolicited statement in respect to the wonderful cure I received by taking 'Fruit-a-tives.' Chronic Constipation was the complaint I suffered with for years. My general health was miserable as a result of this disease, and I became depressed and alarmed. I was treated by physicians without the slightest permanent benefit, and I tried all kinds of pills and tablets but nothing did me any good.

I saw the strong testimonial in favor of 'Fruit-a-tives' by New Brunswick's 'Grand Old Man', the Hon. John Costigan, and I knew that anything he stated was honest and true and given only to help his fellow-men. I tried 'Fruit-a-tives' and the effects were most marvellous, and now I am entirely well from all my Chronic Constipation that I suffered from for so many years. My general health is once more excellent and I cannot say too much to express my thanks for the great benefits derived from taking 'Fruit-a-tives.'"

A. G. WILLISTON.
"Fruit-a-tives" is not gotten up by druggists or expert chemists—who know nothing about disease and the needs of the human body—but is the scientific discovery of a well known physician, and is the only medicine in the world made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent, postpaid, on receipt of price by Fruit-a-tives Limited, Ottawa.
