The copy filmed here has been reproduced thanks to the generosity of:

Nova Scotia Public Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Nova Scotia Public Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Halifax, 1st June, 1882.

DEAR SIR,—

At a large and influential convention of the Liberal Party of the County of Halifax, held on May 25th, the undersigned were nominated as Candidates—the two first named for the House of Commons of Canada, and the three last named for the House of Assembly of Nova Scotia—and the nominations were ratified by an enthusiastic general meeting of the Party held the same evening.

We have accepted the nominations, and now respectfully ask the favor of your vote and influence at the approaching elections. We shall endeavor to meet as many of the Electors as possible; but in this large and populous County, we shall be unable—in the very short time at our disposal—to do nearly as much in this way as we would wish. Should we not have the pleasure of meeting you personally, we trust that you will understand that it will be due to no want of desire on our part, but to the very short notice of the elections given by the Governments. Should we have the pleasure of meeting you, we shall be most happy to give any explanation that may be required as to our views on the questions now before the Electors. Meanwhile, we ask your attention to the reasons set forth on the next page (a few of many which might be given) why you should oppose the Government candidates.

We have the honor to be

Your obedient servants,

A. G. JONES,

H. H. FULLER,

Candidates for the House of Commons.

M. J. POWER,

W. S. FIELDING,

J. G. FOSTER,

Candidates for the House of Assembly.

Reasons why Electors should vote against the Candidates of the Dominion Government.

1. The Government have violated almost all the promises through which they obtained power in 1878.

2. They have put heavy duties on flour, meal and other articles of food.

3. They have put heavy duties on clothing, and particularly on the classes of cotton and woollen goods (including blankets) chiefly used by those who are not rich.

4. They have greatly increased the public debt, the yearly expenditure and the amount of taxation, all of which they declared to be too large in 1878.

5. While guilty of gross extravagance in almost every other department of the public service, they have, by a false economy, allowed the Intercolonial Railway—the chief public work in the Lower Provinces—to run down to such an extent as to endanger life and property.

6. They have favored the wealthy few at the expense of the many who are not rich, as is shown by their dealings with the Canadian Pacific Railway Syndicate and other bodies of capitalists, as well as by their tariff.

7. They have been guilty of gross corruption, which, in many cases, has been clearly proved.

8. They have attacked the constitutional independence of the Provinces by disallowing Bills passed by Local Legislatures upon matters within the local jurisdiction.

9. Filled with dread of the effect of their many misdeeds becoming known to the electors, they have not waited for the end of the proper parliamentary term of five years; and, actuated by the same fear, they have attempted to stifle the popular voice in the great Province of Ontario by the unprecedented and most outrageous mutilation of the constituencies, commonly known as the "Gerrymandering Act."

Reasons why Electors should vote against the Candidates of the Local Government.

1. The Government have failed to fulfil the promises made before the Election of 1878.

2. When in power they did things for which they had loudly condemned the former Government, and failed to do what they had declared should be done; for example, in the matter of Eastern Railway Extension, of the coal duty, and of appointments to the Legislative Council.

3. Having promised in 1878 to improve the road and bridge service and secure increased grants for it, they have cut down the grants to about one-half what they had been under those who went before them, and by so doing have seriously injured the agricultural, fishing and mining interests which they had promised to foster. The mining

interest has suffered perhaps, even more than the others, because new roads which have become absolutely necessary in consequence of the opening of new mines have not been made at all, although the large sums derived from the Royalties would have justified their construction.

4. They have pledged the credit of the Province to the extent of two hundred and twenty five thousand dollars a year to a railway syndicate, which, as far as can be shown, possesses no capital of its own, and will probably exact the full amount of the guarantee without conferring any corresponding advantage on the people.

5. They came into power with the present Dominion Government, sustained them in all their iniquitous acts to the detriment of the Province, and should share in their punishment.
