The people, generally, and by which are procured at the expense of flesh" in point of size between the two the licensed premises. sible. The people, generally, and by a 'large majority' are awakening to the fact that it isn't possible. They are bound to endorse the Company that is anxious to build the road, as against the enemies of the enterprise.

The Advocate's editorial writer, whose article the editors disayow responsibility for, would have us all believe it was proper construction. It was insisted upon the many according to the fact that large appropriations are yearly made for this object. But the grown and the expense of divisions, it is not necessary to leave New Brunswick to conjecture. The people of these states, having abolished slavery, are now making exertions to enlighten the ignorance of the section so long blighted by that accursed institution, as is evidenced by the fact that large appropriations are yearly made for this object. But the British Crown, out of regard for which, for, would have us all believe it was Mr. Call who induced Mr. Mitchell to assist him in obtaining the Dominion assist him in obtaining the Dominion to the first term of the fi

Carthy Act, and anyone can readily for- Western Company your moral support. see how "the printers or somebody" may You will show obstructionists that they

corchestra and a good time may be expected.

Returning.—We are glad to learn that Mr. Chartes H. Hannington, C. E., of British Columbia, has purchased the steam mill and lands belonging to the estate of the late W. J. M. Hannington, Shediac, also the logs and lumber about the coming year.

(Light-Keeper); Robert Noble, jr.; Robt. Noble, (John's son); Alex. Wilson, (Pilot); Star and World, because they realized how utterly weak and uninfluential the poor thing was.

Some Mayoralty.—Messrs. J. Mc-Gregor Grant, J. S. Bo is Develor and Harris Alian are mentioned as probable estate of the late W. J. M. Hannington, Shediac, also the logs and lumber about the mill. Mr. Hannington now returns others. Several of the above-named gently developed in the several gently developed in the second with the several gently developed in the second with the second with

popular. The audience was the largest, asked, that no mistake might be made, head, who did more in obtaining the subyet, this winter. The following was the that all those who were in favor thereof sidy than Mr. "President," is now a coshould stand up. Instantly every rate- director with Messrs. Gibson and Snowpayer in the room was on his feet, and ball, ought to be a sufficient answer to the three cheers were given for the Valley Advocate's query. Railway and its deep-water terminus at Chatham.

gretted that he thought it necessary, but, from doing what he considered to be his when at Ottawa he simply did as he was duty. "I move it," said Mr. Williston, directed by Mr. Mitchell and Senator

And be it resolved, that the action Councillor Sullivan, in abent ing himself from the meeting to day, shows cowardice on his part, and the ratepayers of Hardwicke deem it a duty that they owe to themselves to put it on record that Councillor Sullivan has betrayed the trust reposed in him and that we will do all in our power to defeat him the same of the trust reposed in him and that THE VALLEY RAILWAY !!! we will do all in our power to defeat him at the next Municipal electron if he again offers as a candidate, for the vote given by him on the Miramichi Valley railway combined in an urgent request to King esolutions. And further resolved that copies of this resolution be forwarded to the Miramichi Newspapers and also that a copy be sent to Councillor Jeremiah

This resolution was seconded by Mr. tive on the Soudan border. WICKE WHO OPPOSES THE COUNTY'S IN- William A. Williaton and Alex. Wilson. The Chairman again asked all those who were in favor of this resolution to stand up and again the ratepayers were on their feet. The Chairman declared this resolu-

The Two Mrs. Tuckers.

WRITTEN FOR THE CONNECTICUT FARM ERS' CONVENIMON AT WATERBURY.

"I don't blame her none, anyway she sobbed out to the boy, now a stout as a milked the cows for her, and lifted fellow of twenty-two, raging at his sister's folly. "I don't feel to blame her; I know 'tis more'n a girl can bear to I know 'tis more'n a girl can bear to live this way. I've hed to, but it's a patent pump into the old well, and as been dreadful hard! I've wished more'n once I could be laid down along with the little babies out there on the hill, so's to rest a spell; but there was | corrying of water. you and Lury wanted me, and so my time hadn't come. Amssy, you're a joyed themselves in the new pen, be man grown now. If ever you should took care of houself. "It isn't work for get married, and I s'pose you will. Men folks seem to think it's needful, whether or no, do kinder make it easy for her, poor creetur! Don't grind her down to skin and bone, like me, dear;

make no more of a woman than if she as if he were taking his oath.

But Wealthy was nearer to her rest than she knew : the enemy that lucks drudgery, and the want of every wholeless than in the crowded city slums, the scourge of New England-typhoid fever -broke out in the Tucker homestead. | Try it and see.

Wealthy turned away from her baking one Saturday morning, just as the he had seen his mother suffer and learnlast pie was set on the broad pantry ed a lesson. Mary never pined for shelf, and fainted on the kitchen floor. kindly appreciation of her work or help where Amasa the younger found her an in it. When she had a door cut through VINE GROWERS hour after, mutering, delirious and into the parlor, the stiff chairs and sofa cold. What he could do then, or the banished, the flowery curtains hung at village doctor, or an old woman who either window, the gay carpet put down called herself a nurse, was all useless. and the new furniture set in place, But the best skill of any kind would with her wedding present—an easy stuff-have been equally futile. She was never conscious again for a week. which lay two weekly papers and Then her eyes seemed to see what was | magazine, she had still sense enough about her once more ; she locked up at left to make this hitherto sacred aparther boy, laid her wan cheek on his ment into a real sitting room, where hand, smiled-and died.

Hardly had her wasted shape been put away under the mullins and hard- and when the first, fat, rosy baby came, hack, when her husband came in from and Mary was about again, it added the hay-field smitten with some plague. another pleasure to have the old cradle NOTEof alternate burning, sinking, raving sleeping treasure.

It is not to be supposed that in all year, the two best cows died another; these years Amasa the younger had if a weasel once invaded the new and heen blind to the charm sex; he had not "been with" every girl the best dozen of Plymouth Rocks; if who went to school with him, or whom sweeping storms wet the great crop of he had met at singing schools or spell- hay on the big-meadow, or an ox broke ing matches or who smiled at him from its leg in a post-house, still there was her Sunday bonnet as he manfully home to come back to, and a sensible, "held up his end" in the village choir. | cheerful woman to look on the bright He had been faithful always to the side of things when a man was discourshy, delicate, dark-eyed little girl who | aged. was his girl sweetheart, and now it was But on the whole things prospered; Mary Peet that he hastened to ask to and as Amasa heard the sweet laughter

tended to take a farm on shares the calm smile of his wife, he could not but next summer, and work his way upward to a place of his own. Now he sad experience, and give a heartfelt WM. HAY FAIRMAN & CO., had this hundred acre farm and to his great surprise he found \$3,000 laid up

Mrs. Tuckers, unaware how much it in the bank at Peet's Mill, the slow was due to his own sense of justice and in the bank at Peet's Mill, the slow affection. began at once to get his house in order; he longed to build a new one, but Mary's advice restrained him, so he did his best with this. The cellar he clear, ed and white-washed with his own tesing and unsightly. Burdock Blood hands; cleaned its one begrimed win-Bitters will thoroughly cleanse the blood doward set two more so that it was and eradicate all foul humors from the 576 Cases, qts. and pts. sweet and light; the house was scrubbed system. from one end to the other, bonfire made of the old dirty comfortables and quilts, the old dirty conflorespies and quite, the kitchen repainted a soft yellow, and new windows with clear large glass set in place of the dingy old sashes. The woodhouse was filled with dry wood possibly exist or resist the power, and yet it is and a good store of pine cones and it is house and under the slatted floor kept up a cool draught of fresh air, a covered up a cool draught of fresh air, a covered. passage connected it with the kitchen, and a door into the old milk-room made of that a convenient pantry, while the removal of the old one from the kitchen corner gave to that apartment more room, air and light. A new stove with a set boiler filled up the hearth of with a set boiler filled up the hearth of indigestion, and in fact almost all diseases

a spring day as Wealthy came there. The kitchen shone clean and br ght, a bowl of pink arbutus blossoms made its atmosphere freshly sweet, and the fire was laid ready for her to light, the shining tea kettle filled, and the pantry and the pantry large knowledge of household wants could suggest-flour, butter, eggs, sugar, all were in abundance, and no feast of royalty ever gave more pleasure to its most honored guest than the hot biscuit Mary made and baked for their supper, the stewed dried apples the rich old cheese and the fragrant tea, gave Amasa on this happy evening. Next. Amasa on this happy evening. Next day they took their wedding trip to CHATHAM & NEWCASTLE. Bass & Co.'s PALE ALE, Peet's Mills in the new and sensible farm wagon Amasa had just bought

he had said the night before, "and see what is needful here. I expect almost everything is wanting, and we can't lay out for finery; but first of all get what will make your work easy. Your wedding present will come to-morrow; today we'll buy necessities."

empty-handed to the new home; a good mattress, two pair of blankets, tresh light comfortables, and some cheap, neat white spreads, a sett of neat white spreads, a sett of constant a clock and a roll of the matter of the sale for the sale f gay crockery, a clock and a roll of bright ingrain carpeting had all come to the farm house soon after the bride's Nelson, pec. 13, 1883.

Margaret Hays, Executor of said Estate Nelson, pec. 13, 1883. arrival. Her ample supply of sheets and pillow cases, strong towels and a few table cloths, had been sent the day before, so this sort of thing was not needed; but there was a new churn bought, and altogether new furnishing for the dairy, several modern inventions to make the work of a woman easier, a set of new chairs a table and an easy lounge for the parlor, some cre or covered with apple blossoms and white body Park Invaluable to all.

tinware that would have made Wealthy a happy woman, crowded the over-full wagon before they turned homewaid. The whole house began to smile and blossom under this new dispensation,

and the new mistress smiled too. Am-

The fat, round, placid pigs now e woman folks," he said. "You've got enough to do, Mary;

there's the garden you'll have an eye on and the chickens, if you're a mind to I'm going to build a hen-house and a 'taint just right, I'm sure on't, never to said to it right off, that'll be good enough for you as well as the chickens was a horned critter, and don't do it." and I want you to promise if any time "Mother, I never will?" answered you, you'll speak right out. I can the work gets a mite heavy and worrie the son, as energetically and solemnly afford to have everything worn ou rather than my wife."

Really it paid! It does pay, my masculme friends, to give any woman a in dirt, neglect, poor food, constant kindly word now and then ; if you had done it oftener-or your fathers had - But We Do Import Direct some and pleasurable excitement to in the past, the Rights of Woman bey mind and body, and when least expect- er would have angered or bored you as ed swoops down and does its fatal they do now; or unsexed and made errand in the isolated farm house, no strident and clamorous that half of creation which is and always was upreason able emough to have hungry hearts.

> Amasa was wise about his generation; every evening she and Amasa rested,

He was harder to conquer; three weeks beside them all the evening, with its and chills ended at last in the gray and | Can I tell in words what a sense of grim repose of death for him, and an- peace and cheer pervaded this houseother Amasa reigned alone in the old hold, in spite of some failures and troubles? If the rye did blast one 100 Cases Martell Brandy, the other | wonderful hen-house and slaughter
