NEWCASTLE HOLDS ELECTION FOR MAYOR AND ALDERMEN

Weather Not the Best—Good Order Prevailed—Big Time at Opera House—Both Bands Furnish Music.

L. B. McMURDO ELECTED MAYOR

Election passed off quietly to-day, a very slim vote being polled. The assembled voters were distinguished for their sobriety and orderliness, and good humour prevailed throughout. Mayor Miller who has held the chief magistrate's chair for the last three years was beaten by Ald. McMURDO, who had but three votes more than his rival. The returns for the last three years show many changes, proving that, in time, the electorate sways from side to side, and may elect or re-elect to-day the candidate who was rejected yesterday.

Less than one-third of the registered vote was polled. This continuous reduction of the number of votes is serious. While a number of men are away on the drives, and a number do not take the trouble to cast their ballot, the greater number of those who abstain from voting are doubtless compelled to do so because their taxes are unpaid.

As compared with last year's returns, Aldermen-elect Allison and Falconer overcame their defeat of last year and Alderman-elect Clark his defeat in 1908.

H. H. Stuart, who ran in the interests of the working class, is the only candidate whose vote compared with that of 1908 and 1909 shows a steady and continuous growth both as regards actual numbers and percentage of the total vote cast in each year. In 1908 he received twenty per cent. of the total; in 1909 thirty-two per cent., and to-day forty-eight per cent.

Hon. D. Morrison and Thomas Russell, who have notably distinguished themselves in their departments, appear at the head of the poll with Charles Sargeant a close third, J. G. Layton who will doubtless make a good alderman received a good vote. While last, but by no means least, among the successful candidates is T. W. Butler, who will bring his great abilities to the council for the good of his fellowmen. Allan Russell the popular and efficient manager of the Opera House, polled a good vote and should not be discouraged. His star may yet be in the ascendant.

Early in the morning, a few minutes after poll opened, W. H. Belyea published a declaration announcing his withdrawal from the contest, as he had been nominated without his knowledge and against his consent. But already 45 votes had been cast for him, and had he stayed in the field his chances for re-election were very bright.

To-night the bands serenaded the successful candidates from the bandstand, Mayor Elect McMURDO and Ex-Mayor Miller responded, but as the rain was falling, the meeting was adjourned to the Opera House, where about 800 people listened to the post election speeches of some of the candidates. Dr. F. L. Pedolin occupied the chair.

MAYOR McMURDO

Mayor McMURDO was the first speaker. He thanked the electors and would endeavor to worthily preside over the destiny of the town, he had sat at the Aldermanic Board for four terms, had served as chairman of Public Works for two years also chairman of Police com., for one year. Besides serving on several other committees. He was proud of the position he held tonight for several reasons 1st, because it was the highest honor that could be bestowed on a citizen of a town, 2nd, because he had worked his own way up to it having left home when but a boy 15 years old, he had gradually worked his way up to the chief magistrate's chair. Mayor McMURDO went on to explain that he had been asked by friends to run for Mayor last year. He had talked the matter over with Mayor Miller, who said some of the electors wanted him to run again as he also did the Drummonds and that he "McMURDO," told Mr. Miller if he felt he could do the town more service by being Mayor for another term he would not offer. This year Mr. Miller had again insisted on being a candidate for Mayor. Mr. McMURDO said he felt it was his privilege to run and a duty he owed to the friends who had supported him for four years. He felt and he thought the people felt four years was long enough for one man to hold the office. He said Mr. Miller had been a good Mayor and he would be satisfied if he could fill the office with the same efficiency, and he felt the electors would be satisfied. Mr. McMURDO promised to do all in his power to bring industries to the town without burdening the people, he did not favor bonusing companies, but would feel like assisting them by lightening their taxes, etc. He had every reason to believe that the newly elected Council would cooperate with him in keeping down the expenses of the different departments. After again thanking the people for their hearty support the Mayor took his seat amid cheers from the large audience.

ALD. MORRISON

Hon. Donald Morrison followed. He had been placed at head of the poll, a pleasure seldom accorded him. The speaker went minutely with the question of the civic finances, showing where a saving had been effected the past year. Over the \$8,000 or \$9,000 of the taxes required by the schools the Council had no power. The assessors had a hard time of it. The town must have a ferry service.

ALD. LAYTON

Ald. Layton took exception to Ald. Morrison in matter of taxes. It was not fair to withhold from a property holder the right to vote if his taxes were unpaid. The town had security for the amount. This reform should be sought in the legislature.

Mayor Leslie B. McMURDO.

ALD. CLARK

Ald. Clark took his victory as an endorsement of his work in Council the two years he sat there before. The only platform he had was economy. The first year he had served his dept. had had a surplus of some \$300. As an assessor last year he had found it hard to get information.

ALD. FALCONER

Ald. Falconer said that the chairmanship of the Police Committee had put him out last year, although he had shown a surplus. But he was back in the Council. He wanted new industries in the town but would like to see only such as could pay their own way.

ALD. BUTLER

Ald. Butler said that after sixteen years of life here, during which he had been well patronized by the town he had determined to give his services, both as an alderman and as a lawyer, to the town free for a year. He would do all he can to make the town better.

EX-MAYOR MILLER

Ex-Mayor Miller had no regrets in retiring. He had done his duty as he thought the town would wait a long time before it got another mayor to do. He had not been absent one meeting of Council in four years. He had not asked Mr. McMURDO to retire last year. He had neglected his business to serve town and would continue to serve it. He urged citizens to co-operate with new Council.

H. H. STUART.

H. H. Stuart thanked the people for his increased vote over last year and over 1908. The principles laid down on his platform were certainly winning their way towards public acceptance. He denounced the deterring from eligibility for Alderman and Mayor all except those who were assessed on so much real or personal property. Under this system it was mere money not manhood that was required to render candidates eligible. The system of assessment should be thoroughly revised, so that some citizens should not escape the greater part of their taxation while others had to pay far more than their share. Instead of one-fifth of the total taxes being raised from poll taxes the proportion should be cut down to one-tenth. He regretted to see the total vote fall so rapidly each year. In 1908 those who voted were 421; last year 380; while this year only 279 went to the polls. Hundreds must be behind in their taxes. Better civic government was needed. The speaker also thanked those who had opposed him, as, doubtless, they had done what they thought to be their duty. It was encouraging to note that whereas there were 230 who voted against him last year there were but 145 this time.

Ald. Russell, Sargeant and Allison were not present.

Mayor McMURDO explained that he intended, as Mr. Miller said to go to the West, but only on a trip in June next, he would make his home here at

Ex-Mayor Miller.

MANY BUILDINGS FALL PREY OF THE FLAMES

The Town Hall, Congregational Church, Court House, County Jail, and Thirteen Dwellings Destroyed at Hyde Park, Vermont.

TWENTY FAMILIES HOMELESS

Hyde Park, Vt., April 17—Driven by a strong wind, a fire that started until the Jail, Court House, Town Hall, Congregational Church, one store and 13 residences or tenements had been laid in ashes. Twenty families are homeless.

The fire started shortly before noon presumably from a defective stove pipe between the first and second story the building were soon seen to be engulfed, and attention was directed to the two persons, both minor offenders, whom the jail held, were released and turned to with a will to help fight the flames which did damage estimated at \$100,000.

The local fire department quickly realized its inadequateness in view of the gale which prevailed, and help was summoned from Morris-town, Johnson and Stowe, all of which towns sent their entire fire-fighting forces to the aid of Hyde Park, which is the county seat of Lamoille County. Their combined efforts, however, headway so rapidly that efforts to save the buildings were soon seen to be hopeless, and attention was directed to the two persons, both minor offenders, whom the jail held, were released and turned to with a will to help fight the flames which did damage estimated at \$100,000.

least another year, and would attend to his civic duties.

The chairman received a hearty vote of thanks.

MAYORS OF NEWCASTLE

His Worship Mayor-Elect McMURDO is Newcastle's sixth Chief Magistrate. Coming here from Alberton, P. E. I., twelve years ago, he engaged in business and by his honest and straightforward methods of dealing won a large trade and became well and favorably known in the community. His five years as Alderman was a sufficient training for the high position to which the voice of a majority of his fellow citizens now elevated him. Mayor Miller vacates the chair after four years of most active work in which he has spent much time and money in the interests of the town. It will be greatly to Mr. Miller's interest financially to be relieved of the responsibilities he has so long and willingly borne for the public.

The men who have been the people's choice as mayors since incorporation are the polling:

Hon. Allan Ritchie	1880-1900
Hon. Donald Morrison	1900-1904
George Brown	1904-1905
S. W. Miller	1905-1906
P. Hennessy	1906-1907
S. W. Miller	1907-1910
L. B. McMURDO	1910

The pictures of each of the above will be found in today's issue with the exception of that of the Hon. Mr. Ritchie, which, we very much regret, we were unable to obtain. Mr. Ritchie, the popular head of the firm of D. & J. Ritchie and Co., has done much to further the interests of the Miramichi. For the last year he has been an able and efficient Alderman, and retired from the board of his own accord.

SHERIFF O'BRIEN'S STEAMER

The Miramichi Foundry has Sheriff O'Brien's new steamer planked, and Mr. Tweedie expects to launch her about May 15th. She is 56 ft long and 13 wide, and will draw about 4 1/2 ft. The frame, including deck frame, is of hackmatack, the garboard strakes are yellow birch, and the planking, spruce, 1 5/8 inch. She is strongly built and well fastened. She has an easy entrance and run, with a flat floor under engine and boiler. The engine is of 75 h. p. It is nearly ready, having been built at the Miramichi Foundry, and is a handsome piece of machinery. A similar engine has been built there for one of the two steamers Mr. Lamont is building at Douglastown.

PUBLIC UTILITIES BOARD

The provincial Government has appointed as the Public Utilities Commission Col. D. McLeod Vince, of Woodstock, chairman; O. M. Melanson, of Shediac, and G. O. C. Otty, of Hampton, E. P. Robinson, of York county, is secretary. This commission is a court authorized to hear complaints against companies of firms administering public utilities under the jurisdiction of the province, to investigate the grievances and determine the remedy.

THE FOOL

To those who enjoy a hearty laugh at real legitimate comedy the performance of "The Fool" at the Opera House will especially appeal. Comedy alone is not a feature of this production for an intensely dramatic plot runs through it, provoking an unusual interest in the mind of the audience. Not until the final curtain can the interest waver and those who witness the performance are sure to leave the theatre only with the conviction of an evening well spent. The present tour of the company is continuing the success of the piece at the time of its London and New York productions. "The Fool" can well be called one of the prominent plays of modern times. Secure seats in advance at Dickson's & Troy's Drug Store.

TEMPRANCE VICTORIES

The Local option campaign in Campbellton which ended today, resulted as follows—

Ward	For	Against
Ward 1	101	18
2	178	92
3	67	81
	346	191

This abolishes licences in Wards 1 and 2, but not in Ward 3. In Dalhousie, Chas. A. Stewart and 7 of his Temperance tickets of 8 were elected, and the local option was carried 167 to 81.

DISASTROUS FIRE IN QUEBEC.

Montreal, April 17—The Protestant Church of St. Eustache and sixteen houses were destroyed by fire today in that town. The conflagration started in a timber yard, and it soon got beyond the control of the local fire brigade.

When firemen of a Montreal detachment reached the town by special train they saved the town from utter destruction, as there was an ample water supply. The Anglican Church was a stone building, and although the burned houses were of wood, the loss reaches \$40,000. The insurance is small.

St. Eustache is an historic village, being a hot bed of insurrection in 1837. Dr. Chenier, the local leader, being shot in the belfry of the Church by British troops.

THE MIGHTY POWER OF MIONA

Mio-na' that extraordinary and perfect stomach tonic, will relieve dyspepsia in twenty-four hours.

It will cure and be guaranteed by T. J. Durick to the readers of THE UNION ADVOCATE to cure the most pitiful cases of dyspepsia, if taken according to directions.

Mio-na tablets not only cure dyspepsia, but all stomach disturbances, such as vomiting of pregnancy, sea or car sickness and the stomach sickness after excessive indulgence.

Mio-na cures by strengthening and invigorating the flabby stomach walls and after a course of Mio-na treatment, constipation, if there is any will entirely disappear.

Mrs. S. Keast, of Clarksburg, Ont., says: "A bad stomach trouble that had bothered me for years, baffled and puzzled skilled physicians, was nicely relieved by my using Mio-na. My trouble was on account of food not digesting but fermenting in my stomach, forming a gas that gave me untold suffering and pain and also made me weak, nervous, irritable and unable to rest. Since using Mio-na I can go to bed at night and sleep and wake up in the morning refreshed. I cannot speak too highly of Mio-na."

Mio-na is a most economical treatment, a large box of tablets only costs 5 cents at T. J. Durick and the dyspeptic, nervous or otherwise who does not give them a trial is losing an opportunity to regain health."

ALLEGED ATTACK ON THE MASON'S WESTERN JUDGE

Edmonton, April 7—A weekly paper devoted several columns to an alleged attack on the Masonic Society by Judge Beck of the Supreme Court of Alberta. It declares that Beck, who used to be a Mason but has recently become a Catholic, declared in a public statement that he would not believe a Mason on oath where another Mason was concerned. The case was referred to Minister of Justice Aylesworth, but he declined to take action as the alleged statement was not made from the bench. A member of Parliament from the west has declared his intentions of calling the attention of the Premier to the affair on the floor of the House of Commons.

The story has created an immense sensation. One of Beck's colleagues on the Alberta Bench is a prominent Mason.

"MY STOMACH GAVE OUT ENTIRELY and I suffered untold agonies." This was the experience of Mr. D. G. Whidden, Postmaster East Wentworth, N. S., after three attacks of La Grippe. Doctors and doses gave him no permanent relief, but Dr. Von Stan's Pileapple Tablets had the permanent virtue that won him back to perfect health—pleasant and harmless but powerful and quick. 35 cents. P. E. ISLAND WILL GET MORE REVENUE

Charlottetown, P. E. I., April 9.—The provincial legislature prorogued yesterday after unusually long session of fifty-four days. Over forty bills were passed including a bill readjusting the valuation of farm lands, by appointing two adjusters in each county. Under the old act, farmers valued their own lands with the result that many inequalities developed. The levelling up of values under the new bill is expected to yield \$20,000 additional revenues. The rate of taxation, one fifty of one per cent., remains the same.

Other measures to be the new controverted election act and a bill guaranteeing the bonds of the Island Cold Storage Co. to the extent of \$25,000.

CATARRH FOR TWENTY YEARS AND CURED IN A FEW DAYS.
Hon. George James, of Sdranton, Pa., says:—"I have been a martyr to catarrh for twenty years, constant hawking, dropping in the throat and pain in the head, very offensive breath. I tried Dr. Agnew's Catarrhal Powder. The first application gave instant relief. After using a few bottles I was cured. 50 cents. Sold by A. E. SHAW'S Pharmacy.—1

INQUIRING INTO COST OF LIVING IN CANADA

Ottawa, April 7—Robert Luce, and Edward F. McSweeney, members of the Massachusetts commission, which is investigating the high cost of living with particular relation to the tariff problem, were in Ottawa today gathering facts and figures from the labor department and other sources at the Canadian capital bearing on the subject of their enquiry.

They have spent the last two days in Windsor and Toronto investigating Canadian prices for various commodities, entering into the cost of living, as compared with prices charged for the same commodities across the line. This afternoon they left for Montreal, where they make a similar investigation.

Another member of the commission has gone to St. John (N. N.), on the same mission. The Canadian tariff on food stuffs and on most of the household commodities, in general, is considerably lower than the American tariff, and on the whole the average prices for food stuffs are claimed to be lower on this side of the boundary line.

The facts bearing on the whole problem from the Canadian end of the investigation will be incorporated in the report of the commission which will be made shortly.

\$1.00 REWARD, \$1.00

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SOCIALISTS WIN IN MILWAUKEE

Milwaukee, Wis., April 6—"The first step of the Socialist Democratic party will be to reassure the people and relieve their minds of apparent fear that our victory means the entire overturning of business in this city," said Emil Seidel, Milwaukee's newly-elected Socialist mayor-to-day.

"There will be no Utopia, no millennium, none of the wild antics that our opponents have charged to us. There will be no party bosses, no one-man policy. When we decide upon a course to pursue there will be conferences with the other Socialists elected and the best line will be followed.

"As to corporations, we shall make them pay their share of the taxes, and improve the lot of the workman, nothing that would turn the tide of sentiment against us.

"If any question arise which the administration cannot handle, we will refer it to the electorate as a whole.

"We have not promised the working men or the city at large an immediate panacea for ills. We have promised the best government that we can give and we are going to live up to that promise."

Victor L. Berger, whose reputation as a Socialist leader extends throughout the country, had this to say about the election:

"This victory marks a new epoch in American history and a man or woman who has helped to bring it about will naturally feel proud.

"This is nobody's personal victory. It is not Seidel's; it is not Berger's victory. It is a victory for a principle, a victory for progress—a little step toward a higher phase of civilization. It is the result of many years of hard work for the education and enlightenment of the working class of Milwaukee." Milwaukee's population is over 300,000.

A SPEEDY CURE

Kentville, N. S., Jan. 1st, 1910
Messrs. C. Gates, Son & Co.,

This is to inform you that I have been a sufferer for the last fourteen years from Kidney and Stomach trouble, brought on by severe colds, having been laid up every winter during that time. Last year I was laid up seven months so that I could not get out of the house. Dropsy set in and my stomach swelled so that I was six inches larger than my usual size, had two doctors in attendance but I grew worse and they were going to tap me. My friends despaired of my life. At this time I was recommended to use GATES' LIFE OF MAN BITTERS and INVIGORATING SYRUP and in one week after commencing their use my size was reduced two inches, and in four weeks was reduced to usual size so that I went to work in my mills, and have been able to continue it ever since. By continuing the use of your BITTERS and SYRUP I hope to get a cure of the kidney and stomach trouble so far as it is possible as it always helps me when I take it. You may make these truths known for the benefit of sufferers.

Yours very gratefully,

UNION BLEND TEA

the Tea that satisfies

YOU know the kind of tea you like—will you let Union Blend prove its own case? That's all I ask. Simply go to your grocer, order a pound packet—or a half pound if you prefer—and see for yourself if it doesn't make half as many cups again as the kind you are using. Just count the cups. A tea at 40c. that goes half as far again as a 30c. tea is economy, isn't it? Your own teacup can be the judge—I'll stand by the decision it makes. Try it.

40c

Henry W. Frost

Union Blend one pound packets—the pound packets only—contain coupons that are worth money to you. But this is merely an advertisement—the tea itself is worth the price. July

Does Your Flour, Madam, Whiten Through Kneading

We well remember our little chat with Mrs. B., an A1 breadmaker. Said she: "After kneading my dough awhile, I often wonder how it whiten so noticeably under the hands. The more I knead and work it, the whiter it gets, more wholesome-looking, you know. That's a very encouraging thing in FIVE ROSES flour which I've sadly missed elsewhere."

Maybe, Mistress Housewife, you've noticed it, too.

But all flours, alas! are not FIVE ROSES.

With flour from poor quality wheat, poorly milled, there's no material improvement in the color of the bread due to kneading.

It's the gray that's developed, Madam, not the white.

It's whiter dough you want, rather the longer you knead it, and you want it so without having your elbows tinged and lubricated like John L. Sullivan's.

And FIVE ROSES, Madam, responds beautifully to the least exertion and in the morning your dough is up as light as a cork. The strong, live dough crackles and snaps heavily

as you knead it down. Then the snowy whiteness in the pans to be proved and baked!

From the oven your crusted golden loaves yield the aroma of freshly-baked hickory nuts that portends a tooth-teasing flavor irresistible.

And the kiddies need no other call to breakfast, Madam: just follow their noses.

Don't let your neighbour beat YOU at breadmaking. You can so easily do better, Mistress Housewife. By getting FIVE ROSES. So roll up your sleeves, Madam, and—DO IT NOW.

MADMAN TOOK A PREACHER AT HIS WORD AND SHOT HIM

Pittsburg Missionary Worker Declared His Willingness to Lay Down His Life for the Christian Cause, and on His Way Home was Shot.

Pittsburg, Pa., April 10—A sermon on Martyrdom in which Frank Skala, an editor and prominent mission worker, had declared himself willing to lay down his life for the Christian cause, was followed today by his assassination in a highly sensational manner and the shooting down also of a fellow church leader, John Guy. Arm in arm the two men were leaving the little congregational church in a suburb, at the head of more than a hundred foreigners. A ragged and collarless man worked his way through the crowd as it reached the corner of Echart street and McClue Ave., and when he was but a step behind the leaders, pressed the muzzle of a revolver against Skala's head and fired twice. The bullets took effect in the jaw and temple and in the midst of his followers, Skala fell dead. Guy who threw up his hand as if to ward off the weapon was struck by a bullet on the thumb and then a second bullet buried itself in his head. He fell unconscious across

the lifeless body of his colleague. For several moments the assassin stood over his prey in a crazed contemplation of his deed, flourishing his revolver while the panic-stricken crowd fled to shelter behind posts and doorways. The mad man was Jan Radevitch, a character known to most of the people for his radical opinions. Shortly before the shooting he meekly read from juvenile leaflets in the Sunday School led by Skala. Previously he had sat in a back pew of the church during the regular sermons, and at the commencement of the services Skala had shaken his hand in greeting. During all this time Radevitch had given no warning of his homicidal intent. The church people were too frightened to grab the assassin and after wildly flourishing his weapon, stamping his feet on the bodies he made off down the avenue and was soon lost to view. Up to a late hour tonight the police had no trace of him. The murderer is supposed to be insane.

ANOTHER MIRACLE IN NOVA SCOTIA

Thought the Disease was Cancer of the Stomach

"FRUIT-A-TIVES" Cured Him

SYDNEY MINES, N. S., JANUARY 25TH 1910

"For many years I suffered torture from indigestion and dyspepsia. Two years ago, I was so bad that I vomited my food constantly. The agony I endured all these years, I cannot describe and I lost over 25 pounds in weight. I also suffered with constipation which made the stomach trouble worse. I consulted physicians, as I was afraid the disease was cancer but medicine gave only temporary relief and then the disease was as bad as ever.

I read in the "Maritime Baptist" about "Fruit-a-tives" and the cures this medicine was making and I decided to try it. After taking three boxes, I found a great change for the better and now I can say "Fruit-a-tives" has entirely cured me when every other treatment failed, and I reverently say "Thank God for Fruit-a-tives!"

EDWIN ORAM, Sr.

"Fruit-a-tives" sweetens the stomach, increases the flow of gastric juice, strengthens the stomach muscles, and insures sound digestion. The wonderful powers of this famous fruit medicine are never more clearly shown than in curing the apparently hopeless cases of Dyspepsia and Constipation. 50c a box, 6 for \$2.50, or trial size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

CAPE BRETONERS IN SHOOTING AT RAINY RIVER

J. Byrne Alleged to Have Shot His Wife in a Neighbor's House.

Winnipeg, April 10—J. Byrne, engineer of the steamer Five Roses, is in jail at Rainy River to answer a possible charge of murder and his wife lies in a very serious condition as a result of revolver wounds in the head, received, it is alleged, at the hands of her husband. Mrs. Byrne was visiting at the home of Mark Barrett, a C.P.R. fireman today and about two in the afternoon her husband appeared at the house. Mr. Barrett had gone out and Mrs. Byrne was alone with a number of small children. Some words passed between Byrne and his wife and it is alleged the former drew a revolver and fired two shots at short range, both taking effect in the left side of his wife's head. He appears also to have struck her in the face as it was badly bruised. One bullet was deflected by the skull and came out over the left ear, but the other entered the back of the skull and has not been removed, the patient being in too critical a condition for operation. Byrne and his wife

came to Rainy River from Sydney, C. B., last fall and have been living with his father-in-law, Wm. Goodwin, an engineer on the C. N. B.

A HINT TO YOUNG MOTHERS.

Don't walk up and down the floor with a cross, restless child. Nothing can be more demoralizing to the little one and it is a serious tax upon the mother's strength and nerves. When a child is peevish and cross there is probably some little derangement of the stomach or bowels, and a dose of Baby's Own Tablets will remove the cause of the trouble and enable the little one to sleep soundly. Mrs. W. Bouffard, Piopolis, Que., says: "I have found Baby's Own Tablets superior to all other remedies for curing constipation and making teething easy. They also promote healthful sleep, and I recommend them to other mothers." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

IMMIGRANT RUSH OVER I. C. R.

Record Number of Trains in the Past Month.

Halifax, April 9—The rush of immigrants has kept the Intercolonial officials busy providing means of transportation, and although the demand for trains is large there has been no delay in this respect. So far this season there have been despatched from Halifax thirty-five more trains than for the same period last year. Last week there were several trains daily through to the west.

That this season will be a record one for the number of immigrants landed at Halifax from Europe and despatched over the I. C. R., en route west, is quite evident by the way the new settlers are being rushed in during the last few weeks. For the past two months all the passenger steamers have been bringing large numbers of passengers and every boat is bringing a few more than the one that preceded her. Last year was the busiest yet, about 5,000 passengers having been landed at Halifax, and sent forward to their destinations. The Immigration and Railway officials have been kept busy and the immigrants have received quick despatch.

The Italian steamer Campania is now on her way to Halifax with about 2,000 and will be due this week. A large number of her passengers will be landed at Halifax, and the remainder taken on to New York.

WHY IS LIVING DEARER?

Take our own little town and we cannot go to a barber's shop and know whether we are next or a half dozen ahead. The loafer is there. Go to a store and you find almost always a half dozen standing around or occupying the seats if any, for no other purpose than to kill time or see what their neighbors are buying, or pick up a morsel of gossip for the receiving days.

Time was when women worked, knit, sewed and wove for their families; now a large percentage of them call and receive! Who pays? The farmers wife who is thrifty enough to make butter, and bring it to market is an object of their scorn and is told by the merchant that he can get butter from Quebec (3rd rate culls which will not stand export) for 17 or 18 cents.

There are at least three in every store for the business that could be done by one if they worked as the producer works—but they must have the three to entertain the loafer, (male or female), who has nothing to do but gossip, take down, finger, and price goods and watch for a morsel of gossip.

Then the streets have their quota, not so bad, but as expensive. The man who can stand on the street corner, or sit in the barber shop from a quarter to half his time, is not fulfilling the command; some one is feeding him.

Put the loafer to work, male and female, and the price of living will find its level. The merchant must charge the paying customer for the bad debts of the loafer, he must also charge the paying and buying customer for the time wasted on the gossip monger, goods pricer and spectator. Who pays? The twin of the loafer is the loafer's teacher, the strike organizer. The fellow who organized and now directs the Philadelphia strike makes a business of such work. He boasts that he organ-

ized 4 strikes in as many cities in six weeks and on his return was met at his door by his wife with a telegram to go to another city to tie up business—she wasn't hungry nor her family. Philadelphia strike is still on even though the Co.'s conceded all that was asked and more. Thousands of dollars in life and property have been sacrificed to the strike organizer and the loafer, neither of whom earn their bread by the sweat of their brow, but cause suffering to thousands and increase the cost of living in proportion to the time they carry on their business of idleness and destruction.

Three strikes in N. S. have cost hundreds of thousands, raised the price of living, in proportion to the bread winner idle, all of which were organized and are kept alive by an institution imported from the United States having none too savory a reputation; and none of its managers go hungry or thirsty nor are their families lacking a meal.

Why should hired help hold a gun to the head of its employer and say: Hire me? or don't dismiss Jones? If the job don't suit get out. There's lots of land to grow a living and if he wants to save property, what will it increase his earnings or benefit his chance, employment to strike?

Get rid of the loafer, the idler, whether aristocratic, or street corner, Patrician and Plebeian alike, and the problem of high cost of living is solved; and unless our governments take this subject up and legislate the loafer out of existence and also his twin, the teacher of riot, destruction of property, idleness and poverty, while himself living in luxury, the sooner will the price of living find its level.

TOURIST FOLDER

The folder issued recently by the New Brunswick Tourist Association is a very interesting one. Among north shore views contained therein are good ones of Fossil Rock, Dalhousie; Charlo Falls, rough waters on the Restigouche; view of Campbellton, Sugar Loaf Mountain; landing three pound salmon on Portage River, Kent Co.; a Miramichi bear, and other Miramichi views.

Scott's Emulsion

It will put strength in the bones of the weak and old. It will give vigor to the young and old. It will give strength to the weak and old. It will give vigor to the young and old.

Put the loafer to work, male and female, and the price of living will find its level. The merchant must charge the paying customer for the bad debts of the loafer, he must also charge the paying and buying customer for the time wasted on the gossip monger, goods pricer and spectator. Who pays? The twin of the loafer is the loafer's teacher, the strike organizer.

USING PURGATIVES INJURES HEALTH

What You Need in Spring is a Blood Building Tonic

A spring medicine is an actual necessity to most people. Nature demands it as an aid in carrying off the impurities that have accumulated in the blood during the indoor life of winter.

This is a serious mistake. Ask any doctor and he will tell you that the use of purgative medicine weakens the system but does not cure disease. In the spring the system needs building up—purgatives cannot do this—they weaken you still more.

The blood should be made rich, red and pure, and only a tonic medicine can do this. The best blood building, nerve restoring tonic medical science has yet discovered is Dr. Williams' Pink Pills. Every dose of this medicine actually makes new, rich blood.

Sold by all medicine dealers or by mail at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

HAPPY BILL Mr. Wm. F. Reardon is ahead of 'The Fool' this season. Mr. Reardon, better known as 'Bill' needs no introduction to the theatre goers of Newcastle, as he will be well remembered in bringing the best of shows to this town. 'Bill' assures all his friends that 'The Fool' is the best he has ever represented. Lester A. Davis, in the title role of 'The Fool' is one actor that cannot be equalled. Under the management of Mr. C. H. Knapp, Mr. Davis will positively appear in this town himself.

THURSDAY, APRIL 21st. For plays are really worth while but when one is presented for the approval of the public it must needs be an instant success. Such has been the case with 'The Fool' which will be seen at the Opera House on Thursday, April 21st inst. A competent company is as essential as a worthy play and one cannot do without the other. Strong dramatic situations must be relieved by bright, clean comedy and the whole must be enacted by clever players. To their good fortune in selecting both play and players Mr. Knapp and Davis attribute their present success. 'The Fool' serves a double purpose in teaching a great moral lesson as well as furnishing abundant laughs at the eccentricities of the title character. Secure seats in advance at Dickson and Troy's store.

EMERSON KENT COUNTY Emerson, April 28—Mr. James J. Beers and his daughter Eva, visited Moncton and Sunny Brae on the 14th and 15th of last week. Mr. Hartford and David Beers have gone to Maine for brook driving. Mr. Isaac Beers also Melburn Beers of Harley road, have gone to Jaquet River to work. Miss Margaret Beers is visiting friends in Eustouan. Mr. Ernest Miller who spent the winter in the lumber woods in Maine has returned to his home in Silver Town. Mr. T. O'Leary who has been employed in the Millerton extract company has returned home. Mrs. M. Allanach was the guest of Mr. and Mrs. George McCane on the 17th.

THE BROWN-TAIL MOTH William McIntosh, who is searching for the nests of the brown tail moth, under the direction of the government, has finished his work so far in St. John. He has left for St. Stephen and St. Andrews to conduct the search. So far, Mr. McIntosh says, he has discovered no trace of the pest. In all the schools which he will visit, he will leave an illustrated plate showing the moth, both male and female, the pupae and caterpillars, and winter nests. These will furnish valuable means of identification so that wherever the pest appears the authorities may be notified at once and energetic measures taken to exterminate it.

DROWNED ON DRIVE The first fatal accident on the lumber drives in this section of the province since this spring, occurred at Wickham, Queens county, on Thursday afternoon about 1 o'clock, when John Beatty, of Gagetown, was thrown into the river by a bro of logs and pinned down in about four feet of water, where he was drowned. The deceased and his nephew, Mahford Beatty, were getting the logs out into the river and had been working on them all morning. They had hardly begun work after dinner again before the logs started rolling, and almost before he realized it, John Beatty was struck by the rolling timber and thrown into the river, several of the logs falling on him, preventing his escape. The injured man struggled hard to free himself, but the weight of the logs was too much, and before aid reached him, life was extinct. The deceased was about sixty-seven years of age and was unmarried. He has been engaged in the lumbering business all his life.

There's more strength in a bowl of Quaker Oats than in the same quantity or the same value of any other food you can eat. Most nourishing, least expensive.

FIRST ARRIVAL The Iron Barque "Skein" arrived in port this forenoon from St. Thomas, West Indies, and will be loaded with lumber by the firm of D. & J. Ritchie & Co. The Skein is the first ship to enter this port, on the opening of navigation since 1833. When the barque is loaded she will sail for Ireland.

RIFLE ASSOCIATION A meeting of the Rifle Association was held in the office of the town clerk on Wednesday evening, April 13th. The following were elected as officers for the ensuing year: T. H. Whalen, captain; E. P. Steeves, secretary; R. H. Armstrong, treasurer; W. H. Belyea and R. Corey Clark additional members of the executive. The annual fee was fixed at two dollars and the last Tuesday in April was chosen as the date of the annual meeting. The association meet again on April 20th to consider the executive's report on bye-laws, and to determine the four dates on which they will compete for the Dominion silver salver. Persons interested in rifle-shooting and who would endeavor to be present at the matches may join the association and attend the meeting on the above date.

BRIDGETOWN NOTES Miss Mary Barry, the popular dressmaker is convalescent after a severe attack of La Grippe. Mrs. Clementine Kitchen accompanied by her four children and her aged father, went to Houlton, Maine, to join her husband who preceded her three weeks ago. Mr. Will Astles came home from Holms Lake to visit his mother who is very ill. It is rumored here that the property known as Curtis Corner has been secured by the Two Barkers who intend running a White Store establishment for the summer. Mr. and Mrs. Curtis will move to their farm on the North West in the course of a few weeks. Mr. Thomas Abraham and family are moving to their property on McLean's corner. Mr. Wm. McLean of Maine, is renewing acquaintances here and is the guest of his brother, Hector McLean. The roads which have been almost impassable are getting very good and trade is improving.

UPPER NELSON Upper Nelson, N. B., April 15th. Mr. Alex McKinley is busily engaged rafting his lumber as are also the other lumbermen. Mr. James Grattan passed through here on Thursday. Mr. John Walsh, who has been suffering from an attack of rheumatism, returned from the hotel Dieu, Chatham, very much improved. Mrs. Tobin spent Thursday afternoon with her niece Mrs. F. G. Clark. Misses Fannie Shaddick and Ruby Clark spent Sunday evening with friends in Upper Derby. Mr. Benjamin Jardine called on friends in this vicinity on Sunday evening, bidding them goodbye before taking his departure for Campbellton. Mr. Richard Walsh left on Monday for Campbellton, where he will spend the summer. Mr. Andrew Walls, of Chatham, was the guest of Mr. and Mrs. D. McKinley Saturday and Sunday last. The correspondent who stated in last week's issue of the inhabitants having to go along shore, on account of wild animals, was somewhat misinformed, as the bridge across Doyle's Brook is almost impassable thereby causing the inhabitants going along shore. Mrs. George Clark and Mrs. Geo. Gallon spent Tuesday with friends on the McKinley Hill. The Steamer Irene owned by Mr. James Robinson, is busily engaged with a large crew of men, hanging and putting the boom in place for the season.

CHATHAM ELECTIONS R. A. Snowball was re-elected mayor of Chatham Friday, there being no other candidate. The following candidates for the town council were nominated: R. A. Logie, S. D. Heckbert, F. M. Tweedie, L. H. Abbott, P. F. Barry, H. H. Carvell, A. P. Williams, M. F. Haley, James Vanstone and W. F. Cassidy. Eight are to be elected.

CHURCH NOTES Rev. Dr. H. T. Cousins, being yet too ill to fill more than his appointments in Newcastle, the Baptist pulpit in Lower Derby was filled on the 17th instant by H. H. Stuart. Rev. W. J. Deane returned from Port Elgin on Friday, and occupied the Methodist pulpit here at both services on Sunday.

EAT WHAT YOU LIKE.—Give the digestive organs some work to do. These functions need exercise as much as any part of the human anatomy, but if they're delicate give them the aid that Dr. Von Stan's Pineapple Tablets afford and you can eat anything that's wholesome and palatable.—30 in a box, 35 cents. Sold by A. E. SHAW'S Pharmacy.—8

ROBBERY IN CHATHAM The Miramichi Lumber Company suffered a considerable loss at the hands of sneak thieves during the past week. It has been discovered that the brasses of the engine at their plant had been stolen and carried away, as the engineer was about to put the engine together in preparation for the summer's work. The stolen goods consisted of two sets of pin brasses, two sets of eccentric pin brasses, two sets of cross-head brasses. The total value is \$25.00. AFTER THE AGE OF 50 people find that their strength is not what it used to be, and they frequently suffer from sudden exhaustion, and weak heart action. To all such we recommend the invigorating tonic FERRO-VIM, composed of fresh beef Citrate of Iron, and pure Old Spanish Sherry Wine. Nothing could be more beneficial in such cases. \$1.00 a bottle.

CAMP FOR GENTLE MEN John Connell has returned from superintending the building of a camp at the lake on Millstream, 21 miles north of Newcastle. The lake, which is owned by Messrs. W. A. Park R. H. Armstrong and John Connell, is three-quarters of a mile long and a half mile wide. It is one of the finest big game hunting grounds in the province. The camp that has been built is 18x24 feet. The walls are of sided logs and bolted through with spikes. It has a gable roof covered with three ply roofing paper, and is well finished both inside and out. There are sufficient bunkers for a party of twelve.—Connell.

KENT-NORTHUMBERLAND DISTRICT DIVISION.

The eighteenth quarterly session of the Kent-Northumberland District Division, Sons of Temperance, was held with Richibucto Division on the 15th instant.

The officers and delegates present were:

Harcourt—Rev. R. H. Stavert, D. W. P.; Councillor, D. W. Clark, L. J. Wathen.

Newcastle—H. H. Stuart, D. S. Rexton—Rev. A. D. Archibald, D. Chap; H. M. Ferguson, D. O. S.; Mrs. H. M. Ferguson, Robert Kennedy, George I. Orr, W. J. Brait.

Richibucto—R. H. Davis, Mr. and Mrs. L. R. Hetherington, and the Misses Florence A. Caio, Constance Beers, and Ethel White.

Douglastown—Sterling Wood. A large number of visiting members from Richibucto and Rexton Divisions were also present.

The D. W. P. in his report spoke of how the whole world was moving on in the cause of temperance. Reports of progress all along the line were coming in on every side.

But the victory is yet very far from being won. The call sounding loudly still comes from many quarters for men and women of strong and noble character to go out to do battle for the grand old cause—the cause of all mankind.

The report of the District Scribe stated that the temperance cause in the District had nearly everywhere held its own and in many places had made substantial gains.

The Northumberland County Council had acted with commendable promptitude in appointing a new Scott Act Inspector. More divisions had reported directly this quarter than formerly.

The Division at Beersville was in difficulty. The membership in district was as follows:—

NORTHUMBERLAND COUNTY		1909	1910
	Dec. 31	Mar. 31	
Bay du Vin,	75	75	
Doaktown	30	62	
Douglastown	64	54	
Newcastle	52	52	
Loggieville	37	37	
Burnt Church	26	26	
Millerton	20	20	
	304	326	
KENT COUNTY			
Richibucto	115	100	
Rexton	73	69	
Harcourt	65	64	
Bass River	50	57	
Grangeville	49	46	
Coal Branch	38	36	
South Branch	24	24	
Beersville	15	17	
	429	413	
Totals for District,	733	739	

The ten divisions reporting directly had on March 31st, \$146.79 on hand.

The treasurer being absent, the D. W. P. reported a balance of \$27.35 in the treasury.

On motion \$10 in addition to the \$10 already granted by Grand Division for propaganda purposes was voted to Harcourt Local Option Committee.

The method of awarding the prize banner was changed, so that for this year it will go to the Division showing the highest percentage of attendance from May 1st to the end of the year. Each division must keep an accurate register of each member's attendance.

Rev. R. H. Stavert and Mr. H. W. B. Smith were appointed a committee to visit the division at Beersville.

On motion of H. H. Stuart and Rev. A. D. Archibald, it was resolved, That this District Division, believing that the present system of furthering the interests of our order is inadequate, strongly recommends to the Grand Division the early appointment of a permanent organizer.

Next session will be held in Douglastown on the afternoon of the third Friday in July.

District Division pledged its assistance to Richibucto Division in its coming local option campaign.

A vote of thanks was given J. D. Phinney, K. C., for his generous assistance in Harcourt local option

campaign. Adjourned.

A very successful mass meeting in the evening was addressed by Rev. R. H. Stavert, A. D. Archibald, J. B. Young and F. M. W. Bacon, and Messrs. D. W. Clark, H. H. Stuart and L. J. Wathen. There was a very fine musical program. The hall was well filled.

BEST YEAR IN HISTORY OF I. C. R.

St. John, April 7—The inward freight business on the Intercolonial at this port during the winter season now closing has been the largest in the history of the road. F. B. Brady, general superintendent and member of the board of management of the government road, made this statement this morning. Mr. Brady said the past winter had been a particularly good one for the railway, as snowstorms had not caused more than perhaps a couple of hours delay to any of their trains, except on P. E. Island where the light engines found some difficulty in coping with the drifts. Travel had been good, and business generally was very satisfactory.

SCOTCH AND ENGLISH MINERS COMING

Over Four Hundred on the Way to Work in Cape Breton Collieries.

Glace Bay, April 6—It is learned that upwards of 400 skilled Scotch and English miners are now on their way to Glace Bay from their homes in the Old Country to work at the collieries of the Dominion Coal Company. They are at present on the sea, and will probably land at Halifax in the course of a few days. The Company has already imported a large number of skilled workmen and one party arrived by train last night and the places vacated by the miners on strike are being rapidly filled. It is confidently expected that by the latter part of this month the Company will have all the men they require to work at their collieries here.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Canifon, Ont.—"I had been a great sufferer for five years. One doctor told me it was ulcers of the uterus and another told me it was a fibroid tumor. No one knows what I suffered. I would always be worse at certain periods, and never was regular, and the bearing-down pains were terrible. I was very ill in bed, and the doctor told me I would have to have an operation, and that I might die during the operation. I wrote to my sister about it and she advised me to take Lydia E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for it has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through Change of Life."—Mrs. LETITIA BLAINE, Canifon, Ontario.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to suffering women.

Your money back if Purity Flour does not prove entirely satisfactory in the baking.

DON'T simply buy flour from the dollar and cent side of it. Buy high-quality flour. That means PURITY FLOUR. The first little extra cost is more than made up by the extra number of loaves of bread it makes—by the superiority of the bread and pastry in sweetness of flavor and nourishing qualities. Buying Purity Flour is a safe investment. You get large returns, not only on account of Purity's ability to produce more, but because Purity contains the greater nutriment and the vim of a strong hard wheat flour. Food made from Purity Flour gives the consumer health, snap and force, which cannot be gained from the use of the weaker soft wheat flour.

"MORE BREAD AND BETTER BREAD"

PURITY FLOUR

You can buy as little as a 7 pound cotton bag or in 14, 24, 49, and 98 pound sacks. Also in barrels and half-barrels

Purity may cost a little more than some flours but you'll find it more than worth the difference. To be genuine, must bear the Purity trade mark.

Amatite ROOFING

Saves Labor and Money

A roofing that has to be painted every year or two is a constant care. Suppose you should neglect to paint yours in time. The chances are that when you did remember, (which would probably be when you discovered it leaking) it would be too late to paint or patch. You would need a new roof.

Now you can avoid all this bother and expense by buying Amatite, which needs no painting or coating of any kind.

We will send you a sample free. Write for it to-day and settle the question for yourself. It will only cost you a postal card and will save you many dollars in the end.

Amatite comes in convenient rolls ready to be laid on the roof. Anyone can do the job. Liquid cement to seal the laps and large headed nails are supplied free in center of each roll.

We wish you knew as much about Amatite as we do; you'd buy it every time. It's the kind of ready roofing that makes satisfied customers.

Send to-day for a free sample to nearest office. That tells the story.

KENT COUNTY MAN LOST HIS LIFE

Harcourt, N. B., April 10.—Geo. Walton, aged eighteen, son of Edward Walton, of Bass River, died this morning from injuries received yesterday while stream driving on the Richibucto River, ten miles from Harcourt. Young Walton in company with Starrak and Jones, two other young men from Bass River, undertook to break a bow, when the logs started, throwing the men into the stream. Starrak and Jones received only slight injuries, but Walton was hurt internally and passed away after twelve hours' suffering. Doctors Fairbanks and Girvan were in attendance. Mr. Walton, father of deceased, is business manager for the C. S. Hickman Lumber Co. The funeral will take place on Tuesday from Mr. Walton's home, Bass River.

CAPTAIN WANTED

A tugboat captain. Apply to J. D. Sowerby & Co. Oak Bay Mills, April 12.

LOGGIEVILLE SIGHTINGS.

Loggieville, April 8.—Numbered among this week's visitors are Mrs. William Mowatt and her son of Chatham, guests of relatives here.

Mrs. Jane Dickson, of Napan, is visiting her sister, Mrs. John Loggie, at "Brookside" Farm.

Mr. F. W. Russel has, during the past week or more, been very ill, but his condition at present is slightly improved and his friends now entertain good hopes of his recovery.

A. & R. Loggie are having their boats made ready to be launched at first opportunity. Floating property in general will be in full swing in the course of a few days.

A number of the men have gone out for their season's work, among them being Wesley Loggie, Harry Neilson, John McKay, Hugh McDougall, Wilbur Shrades and Capt. Fred Fowler of Black River.

The "big" mill started its season's work on the 4th.

Mr. and Mrs. Thomas Williston have returned from their honeymoon trip, and were in Loggieville this week, enroute to their home in Bay Du Vin.

Those returning home recently after spending some time in town were: Miss Jennie Noble, of Hardwicke, and Miss Bertha Coltart, of Napan.

Mrs. Geo. Archer is visiting her parents at Black River.

Mr. Worreld of Tracadie is in town visiting relatives. Mr. Bedford Gilker, of Gaspe, is also spending a while in town.

Mrs. J. R. Johnson has returned from a visit to Newcastle.

The numerous friends of Mr. Peter Loggie are pleased to learn that he is enjoying good health again.

J. W. S. Bakkirk is having some carpenter work done in connection with the veranda around his house.

'HAWKING MACHINES'

Catarrh Sufferers are Nothing but Hawking, Spitting and Blowing Machines, Says an Authority.

Is it possible that in these days when cleanliness and sanitary reform is being preached in the churches, schools and at public gatherings, that thousands of people will continue to suffer from catarrh when there is an absolutely certain remedy always on hand.

Hymel (pronounced High-o-mee) is a pleasant, medicated and antiseptic air. Breathe it in and it will cure catarrh. It will stop foul breath, watery eyes and crusts in the nose in a few days.

Mrs. H. W. Wilson, of Johnson St. Wallaceburg, Ont., says: "Yes, we are great friends to Hymel for the reason that Mr. Wilson has had catarrh for several years and tried several remedies and doctors, but nothing has relieved the trouble like Hymel. His trouble is from pains across the eyes and a burning or huskiness in his throat. Sometime much difficulty in breathing, the glands in his eyes and nose swollen, and the disease made him literally sick all over. He cannot say enough in praise of Hymel, and there is nothing that can give better relief to catarrh than this remedy, which we heartily recommend."

A complete Hymel outfit, consisting of a strong, hard rubber pocket inhaler and a bottle of Hymel, costs only \$1.00, and extra bottles, if afterwards needed, cost only 50 cents each. T. J. Durick sells it and guarantees it to do exactly as advertised.

Hymel also cures Asthma, Bronchitis, Coughs, Colds and Infant's Croup.

One Barrel of Flour Instead of Two

YES, in the old way there was one kind of flour for bread and another for pastry.

Now, OGIIVIE'S ROYAL HOUSEHOLD FLOUR is an all around flour. It makes not only the very best bread but also the very best cakes, pies, biscuits, rolls, muffins, pop-overs, pancakes, dumplings, anything that you want to make or bake from flour.

"ROYAL HOUSEHOLD" saves money and trouble. Instead of having two barrels of flour in the house you can get along much better with one. And you can be certain that it is always uniform—will always come out right whether for Bread or Pastry.

ROYAL HOUSEHOLD is made from the finest grade of wheat in the world, Manitoba Red Fyfe wheat, and milled by the very finest machinery, in mills that are a model of cleanliness.

"ROYAL HOUSEHOLD" costs a trifle more by the barrel than ordinary flour but this trifle extra proves real economy when the loaves are counted. For "ROYAL HOUSEHOLD" goes farther than ordinary flour—farther in actual quantity of baked product.

Even if "ROYAL HOUSEHOLD" cost a great deal more than ordinary flour it would be well worth it for it is more nourishing.

You can't afford to buy impoverished flour at any price. You can't afford to skimp on health. And you do skimp on health when you buy flour just because it costs less than "ROYAL HOUSEHOLD".
