### RIAGE. BY T. S. ARTHUI

but getting more formal and less affectionate ed his face in them and sat motion-indicating changes made by the wearing hand of time.

-the scrupulous attire—the deference to his crushing out.

insurance and opinions—the guard upon her "Who is it?" This question marked a and a sprig of flowers. A plain linen collar temper—the womanly elevation of character change in the current of Mrs. Howland's pinned with a cameo round her neck:—that made her seem as one who ruled in the thoughts. Rapidly she passed in review kingdom of her own soul. This was the bene ing he had loved—the woman he had taken an incident to fix suspicion. Then times to walk with him through life. Alas, for and seasons in which her husband was abthe fading idea!! He had found instead sent from home, were dwell upon. Once a said Mr. Howland, glancing at one of the passed on the read of one who made scarcely an effort at self-gor week regularly he went out in the evening children who sat crument—whose feelings and impulses were occasi nly twice. The regular absence for his old smiles.

for them to grow together as one. For nearly half an hour after her children were asleep the mother sat in her wretched sitting at his secretary, with his face buried mood, apart from her husband, and feeling in his hands. At length, rising with a slow no inclination to join him. "All love has weary motion, as of one exhausted by bodily or mental exertion, he drew out his imagine how her heart was stirred, nor how contrary the case."

"And me too, exclaimed Mr. Howland, my, on Pamunkey River, is used for Federal Hospital.

They marched steadily on, and hailed a passing round the table, on resuming his seat, that her eyes were dim with tears. He weary motion, as of one exhausted by bodily or mental exertion, he drew out his as she said this, her heart shivered with an watch, instructive realization of what her words in-

These thoughts startled the awarening wife. Then old memories were revived bringing back eld states. Pictures, warm with the hues of love came out of the dim ponse of any kind. She lay with her face nearly hidden under the bedclothes Hencarly hidden under the propert manner.

Hollie.

before her lover. Taking down her hair, she either husband was not innerrupted. She applied comb and rapidly for some minutes, at up in bed—he still slept on; she glided and the covering, and groping in the form hereaft the covering, and groping in the darkness found her hubband as vext, from the darkness found hubba

ther and seemed wholly absorbed for more her rival.

TEN YEARS AFFER MAR- than a minute he remained in this fixed at titude, his wife as himself. Then a long looked up into her's with a tender and swee sigh trembled on the air; and then, lifting expression. Away from the pure forehead the object upon which his gaze was direct. the hair of golden auburn fell smoothly back, and lay in curls upon her neck, that was Howland was alone. She had left her husband in the little room where they usually A wild threb leaped along Mrs. Howland's were full, soft, and arching for a flight of Scott &Co, of New York, we have received nooga state that the enemy opened their band and arching for a flight of Scott &Co, of New York, we have received nooga state that the enemy opened their bands the state of the state of solden auburn fell smoothly back, and arching for a flight of Scott &Co, of New York, we have received nooga state that the enemy opened their bands are stated as the state of solden auburn fell smoothly back, two pieces of artillery from Shields on Moaday.

The REVIEWS.

The REVIEWS.

The rebel accounts of the affair at Chattanooga state that the enemy opened their bands are stated as the state of solden auburn fell smoothly back, and arching for a flight of Scott &Co, of New York, we have received nooga state that the enemy opened their bands are stated as the state of solden auburn fell smoothly back, and solden auburn fell smoothly back, the bair of golden auburn fell smoothly back, and lay in curls upon her neck, that was whiter and purer than alabaster. The lips were full, soft, and arching for a flight of Scott &Co, of New York, we have received nooga state that the enemy opened their bands are stated as the state of solden auburn fell smoothly back, and solden auburn fell smoothly back, and lay in curls are stated as the stated are stated as the sat together through the evenings, while she veins. Then her heart grew still, as in the arrows.

put the children to bed.

Mrs. flowland did not feel inclined to return to the family sitting-room where she had left her husband; but remained in the strongly held her back. As she stood, pale her husband's kieses laid. Was she jealous the Edinburgh Review for April, and the terms with her family sitting-room where she had left her husband; but remained in the strongly held her back. As she stood, pale her husband's kieses laid. Was she jealous the Edinburgh Review for April, and the terms with shot-ments of the slightest notice, creatished which, scarcely en hour before, she had seen that face on which, scarcely en hour before, she had seen that face on the Edinburgh Review for April, and the Edinburgh chamber with her eleeping little ones, in a and in a tremer, the object was kissed again of that rival? No! Her heart was too glad musing, brooding, unhappy tone of mind, and then returned to a drawer in the secresomething of coldness and alienation had tary from which it had been taken. In this been growing up between her and husband act, for an instant, the miniature, of a lady the rival of to-day; and the heart for a long time past. The old tenderness of met the gaze of Mrs. Howland! Locking husband was true to his marriage yows. It manness of manner, which had been so sweet, the drawer, her husband placed the key in was no fault of his that he could not love was all gone. He was kind, thoughtful in his pocket, and he then resting both arms what had become unlovely. Not unlovely regard to her comfort, honorable and true; on the writing leaf of the secretary buri-in the poorer signification of that word, as

uste response, to his, had, in the fact and chamber in wild affright and sat down pant- band fondly passionately, kissing that image fever of a disciplinary existence, suffered hering and in bewilderment. As soon as dwelling in her imagination. Mrs. Howland self to walk amid disturbing and unbeauti- thought began to move in a determinate way, went back to her bed. She had suddenly the first result was a flood of indignation, a wakened as from a dream—avlong, weary, renelly by his side. And so inharmonious burning sense of wrong; and it was only by troubled exhausting dream, and the language things had been permitted to jar, where all might have been peace.

At the west at breakfast next, marning for the state of the s

"Half past nine!" was ejaculated in sur the moment was crowded.

"Are you asseep." No motion nor response of love came out of the dim ponse of any kind. She lay with her face nearly hidden under the bedclothes He looked at her in a strange, earnest manner, she asked of herself. "God forbid!" came from her lips, in audible utterance. She has ween the chamber where her child slept, and left the chamber where her child slept, and with sitent feet went slowly towards the apartment in which she had left her busshand alone. On the way she pansed atood in the land of dreams. His deep breathing from her face, and rais, left the control of the road in order to avoid an unstill for a moment, then returned. The gas was burning low. She threw up the hight, and caught a reflection of hetself in the lace of the feet." The heavy breathing the monator of any kind. She lay with her face nearly hidden under the bedclothes He looked at her in a strange, earnest manner, for some moments, and then moving about the came road is fire from the rips, in audible utterance. She asked of herself. "God forbid!" came from moments, and then moving about the road are reflected in the feet went slowly towards the apartment in which she had left her busshand alone. On the way she pansed atood in the land of dreams. His deep breathing and the correct of the fire of the road in order to avoid an unstance of the fire. At the control of the road in order to avoid an unstance of the fire of the road in order to avoid an unstance of the fire of the road in order to avoid an unstance of the fire of the road in order to avoid an unstance of the fire of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road in order to avoid an unstance of the road i

Pinnpies, Pistetales, Mettebes, Mollis, Blailes, and all bists hitzerseaves."

Ordinare, Ind., Std June, 1859.

J. C. Ayen & Co. Genra: & Sed in my duty so acknowledge what your Saraquille has been for method from it in various mays for years. Sometimes it burst out in Users on my hands and arms; sometimes it burst out in Users on my hands and arms; sometimes it turned linward and distressed me at the stometh. Two years ago it brake on to any keal and covered my sealp and cars with one way, shifth was painful and loatheems beyond description. I thed many modifiers and assurably in the stometh of the stometh. Two fact, the discoila give worse. At linglif was rejoined to read in the dispost Messenger that you had propared to read in the dispost Messenger that you had propared to that any thing you make must be good. I sent to Conciount and get it, asin used it lift is used ms. I took lyes you advise, in small done of a temporal over a month, and used should tree bottles. New and healthy akin sour tegan to be in under the seab, which after a month, and used should tree bottles. New and healthy akin sour tegan to be in under the seab, which after a month, and and should tree bottles. New and healthy akin sour tegan to be in under the scab, which after a work the stand I know by my feetings that the disease is now cheer, and I know by my feetings that the disease to one of the apparles of the age, and remain ever gratefully.
