Mr. Gladstone's Speech on the provision of the oath. Let that be clear ade on this question. (Cheers.) You y understood. They divide religion into are strengthening in their minds a false Sir, what I hope is this, that the Liberal party will not be deterred, by fear or of equity and justice. There is no greater tian Legislature, I am not willing that ber, and that with that you are entering Christianity should stand in any rank on a great religious war. I hold then the endeavour to give effect to the principle which they believe to be just. (Cheers.) Up to this time I have detained the House on what I take to be extraneous or collateral contentions, but which here all here leaves to give effect to the principle which they believe to be just. (Cheers.)—Let me illustrate what I mean. Supposing an army has to despatch a small body of persons for the purpose of extraneous or collateral contentions, but some difficult and important undertaking. some difficult and important undertaking.

They are to go without baggage and with—the test of theism, which the hon. which have all been largely introduced into the speeches we have heard on this debate. Let us get at the out appliances. Everything they take they must carry on their backs. They to adopt—it ought to be a theism ascerheart of the argument, which, after all, have to dispense with all luxuries and all comforts. You deprive them of all but stract idea in the air, and in the clouds, is not very complex, although I must say it is historically and from every point of the barest means of living, but you leave but a practical recognition of a divine view an extreme.y interesting matter. them that which is essential-precisely governing power, which will some day is to try to find out what is the main and ing contention of his adversary. and then requiring us to distinguish be- utter. (Cheers.) I have detained the Sir, I have labored to find that out, and I Sir, I have labored to find that out, and I then the different parts of theology, and House for a long time. After all that is injustice. (Cheers.) Then, sir, it the excrescences_(cheers)_that has no- poured out, I thought it right at any rate not what religion a man professes, some thing to do with the vital substance; but to make a very serious effort to show you must pronounce for the great and solemn rame of the Deity that is the thing that is indispensable. The adoption (Ministerial cheers.) We are not going religion, or none. I was in hopes of conrmatory testimony from the other side. (Laughter.) I might dispense with proofs; but I will give proofs, which will tion of such a proposition as that-and it to allow it to be said that the interests of e short. The right hon, gentleman who is at the very root of your contention- Christianity are put in peril, and that seems to me to be in the highest degree they are to find their defenders on the disparaging to the Christian faith. The opposite side of the House. There are not a question of differences of religions, it is a question between religion and irrewe were not to tolerate no belief. I mean by tolerating to admit, to recogmitting entrance into the House of Com nons. My hon, friend the member for Finsbury in an able speech still more very well, but they touched the exence, and not the vital substance. vital substance and what is the ex-

hon, member for Finsbury made a refer sincere and conscientious defenders on ence to Mr. O'Connell, whom he stated both sides of the House, and that all ROUGH AND SILVER HULL SEED BUCKWHEAT, that we were to tolerate any belief, but that he well knew, I won't say, sir, that I these gentlemen are sincere and cons had as much personal knowledge of Mr. entious in what they say on this occasion O'Connell as my hon. friend may have I do not question for one moment; but I had, though I did know something of him do not contend with my whole heart an nise, to legislate for the purpose of permitting entrance into the House of Com when I was a very young man, in the as the interests of civil liberty, are consecond year of my sitting in Parliament cerned in the passage of this measure—in the old house which was burned (Cheers.) Then, sir, my reasons for pass down half-a-century ago-I heard a speech ing the bill may be summed up in a few ferred to the ancient controversies as all that time I was bound by party allegiance put a construction on the oath as it to receive with misgiving and distrust, stands, I probably should give it a higher Now, sir, I want to examine what is the anything he said—(cheers from the Parnellite benches)-make a deep imprescrescence. He went further than this, and used the most apt, appropriate, and expressive, and still more significant not in *Hansard*, but in the record which, well aware that the doctrine of my hon.

se. He said, "Yes; it is true you at that particular time for a few years, admit religions some of which may go was more copious than *Hansard*, and was lieve, that other forms of positive attesnear the precipice. Now you ask us to edited by a remarkable man, who went tation, according to other systems of rego over it." Gentlemen opposite cheered oudly when that was said by the hon. when the name of the "Mirror of Parlia- ligion, might enable certain people to be ment." On the 18th February 1834, Mr. included by the removal of the words gentleman behind me, and now they o'Connell used these words in reference won't give me a single cheer—(laughter) to the Act for libel; and I echoe every of some other word or some symbolical ecause they may think I am stating word my hon. friend said with regard to act which might go to integrate the pro-

these things with some evil and malevo-lent purpose. The question is whether I am quoting them fairly. Some gentle- remarkable man. He used, sir, these bility to the Deity. But 1 think we men have not sufficiently and fairly conwords—"When I see in this country the ought to estimate the real character of Walsh.

law allowing men io dispute the doctrine this oath according to the intention of beautiful to the present bill. lidered their relation to the present bill, law allowing men io dispute the doctrine this oath according to the intention of the Trinity, and the divinity of the Legislature. The oath does not conver proceeds from the Government. Redeemer, I really think, if I had no sist of spoken words alone. The spoken

ever proceeds from the Government, redeemer, I really tunk, if I had no sist of speken words alone. The spoken but my hon, friend has considered very other reason, I should be justified in say words are accompanied by a corporal act, ing that there is nothing beyond that there is the remarkable similie which he used. I wish to see what the value of relling for, or which ought to be made the intention of the Legislature, I certain , between some belief which is true and the wise course is not to have been other forms in other course to be tolerated and no belief which can- deal out religious liberty by halves, by I believe in Scotland the form is still

not be tolerated, that is to say as to ad- quarters, and by fractions, but to deal it maintained of holding up the right hand nission into this House. The right hon, out entire, and to leave no distinction between man and man on the ground of In Spain the form was that of kissing the held exactly the same language. He adopted a phrase which had fallen from the hon. member for Portsmouth, and go a little further in endeavoring to Gospels. All these different forms meant said he thought there should be some test, and to probe this great religious according to the original intention, an acform of belief, and some recognition or contention of the precipice, which has belief—something which is called in been very well expressed, amidst fervent yourselves venture to say that the law

philosophical discussion the recognition cheers from hon. gentlemen opposite, by could be applied in that sense. When a of the supernatural. It is the recognition my hon. friend behind me (Mr. Torrens); law of this kind comes first forth, it is like of the existence, at any rate of the supernatural that is wanted. That is the ing? Is your religious distinction a real the mint, carrying upon it all its edges in nain contention of the party opposite, distinction at all? Where do you draw all their sharpness and freshness, but it nd what I want to know is, whether that your line? You draw your line at the wears down in passing from hand to hand, contention—that proposition—offers us a point where abstract denial of God, of good solid standing ground for legislation. Deity, is severed from abstract admission distinctive features disappear. Whatever

With any test—the test of the constitu-tion, the test of political, civil, and religious freedom; but, above all, the test on this side of your line that is just as of religion, and of reverence for religious objectionable in a theological sense as come, as my hon. friend says, a theistic Kelly said, "I am innocent; I thank you, ruths, I do not hesitate to say that, con- the atheism is on the other side. I say test. (Hear, hear.) It is taken as no fidently as I support this bill, there is not one ground upon which I support it with dence—if you call on us to draw these venture humbly to say that as a theistic o much confidence as because of what I distinctions, let them be rational distinctions test, and especially if, as I think, it does think is the utter hellowness and false tions. (Hear, hear.) I do not say let involve a reference to Christianity—that ness of the argument that is expressed them be Christian distinctions, but let the conscience of some gentlemen in the in the words that I have just cited, and them be rational distinctions. I could other House of Parliament and some in the idea that is at the bottom of those understand one rational distinction, and gentlemen in this House undoubtedly ords. What does this contention do? it is this, that you should frame your would not permit them to take the oatl In the first place, it evidently violates oath in such a way that its terms should in the sense I have described. It is not

civil privilege, to this extent, that while you hold and approve of the words of Lord Lyndhurst, which are as weighty as any on this side of the House can desire, the question of religious differences, and of civil privilege and power, are diverse; the educated world in this country you ising to do so. (Renewed cheers.) It is that there was to be no test whatever have to contend, and in respect to which all very well to say, "Oh, yes, but it is applied to a man with respect to the you ought to be on your guard, is not your responsibility." That is not, in my exercise of civil functions except the test of civil capacity and the fulfilment rare opinion: it is seldom met with. A seat in this House is to the ordinary of civil conditions. These were the words But what is frequently met with are Englishman in early life, or perhaps of Lord Lyndhurst. These are the words on which we stand. (Cheers.) It is proposed, in the first place, to depart from that, and to say that a certain class of know nothing of it, and it is a visionary, tion. But if we place between him

persons, though a very narrow class-I and a bootless undertaking to endeavor and that prize not only the necesdo not argue that now-but a certain to establish relations with it. (Hear, sity of conforming to certain civil class, because it is said to have no religion, is to be excepted, and alone excepted, of the age. But the mischief of ligious words, and if these words are not rom the operation of that great and the age you do not attempt to justly measured to the condition of his broad principle. (Cheers.) In my opin- touch. Nay, more, you glory in the conscience and of his conviction, you give on, it is in the highest degree irrational Deity; and should indicate the know him an inducement—nay, I do not go too to adopt a broad principle of that kind, ledge in the man's own mind that he far when I say offer him a bribe to tam and to stop short after having granted it must answer to the Deity for what he does, and to make an invidious exclusion for the purpose of shutting out the exceedingly limited number of persons who may possibly be number of persons who may possibly be there have been sects and schools that in the may not be stigmatised by being the case of Jim Herndon, one of the Little for the purpose of shutting out the exceedingly limited number of persons who may possibly be there have been sects and schools that into the purpose of shutting out the exceedingly limited number of persons who may possibly be there have been sects and schools that English citizenship—that of representing bers, who murdered Conductor John English citizenship—that of representing bers, who murdered Conductor John Cain, have returned a verdict of murder. number of persons who may possibly be there have been sects and schools that English citizenship—that of representing have admitted in the abstract, just as his fellow citizens in Parliament—(Minis-Cain, have returned a verdict of murder affected and concerned in its application. In the abstract, just as in fellow citizens in Farliament.—(Ministellow citizen

Legislature, we ought never to do—that state of law that now prevails. (Cheers.) ment of civil rights, it is most important that the House should consider the moral freseenden and the engineer, Samuel And having taken us upon theological there is a recognition of Deity you tell effect of these tests which it allows to be And having taken us upon theological there is a recognition of Deity you tell effect of these tests which it allows to be grounds, what is it that they tell us? They me it is a difference of opinion. All applied; and the hon member for Ports- the accident. tell us this, that you may go any length you difference of religion you wish to mouth (Sir H. Wolff) is neither more please in the denial of religion, provided only you do not reject the name of the body to enter your Chamber who purely a theistic test. I am justified in Deity. They tear religion—if I may so say—in shreds, and they set up one particular shred of it, with which nothing You seek to admit Voltaire. But Vol. individual, requesting him to go beyond say—in shreds, and they set up one particular shred of it, with which nothing will induce them to part. (Cheers.) They divide religion into the dispensable and the indispensable, and among that kind of religion which can be dispensed with Christian, and goes, I believe, to the heart of every christian, and goes, I believe, to the heart of every legal procedure required for him to take her clothes in a blaze. THE CENTENNIAL.

Tupper says will confer the greatest possible boon and benefit on Canada) is a pointment. There was a general desire boon and benefit on Canada) is a pointment. There was a general desire to have a celebration of the hundredth on the life of Juror Field. He was sentence grave augury to the country—this clause anniversary of the city of a marked, disiniquitous, and will, as it has altinctive, and, if possible, unique characready created, cause trouble in the future ter. Any number of citizens could be on the North West. Sir John Macdonald found willing to serve on committees, or has said "you cannot check Manitoba and the North West," in building what lines their Legislatures choose to sanction within their boundaries, but there is no mistaking the position of the "Knight of Springhill" on this point. "Are," he says, "the interests of Manitoba and the North West to be sacrificed to the railway policy of Canada? I say, if necessary, yes." Perhaps if Sir Charles retires from the Government and the country, an endeavor will be made to relax the strengency of this clause. A bargain is a bargain, but where the interests and the rights of such a display of this clause. A bargain is a bargain, but where the interests and the rights of such a display of this clause. A bargain is a bargain, but where the interests and the rights of such a display of this clause. A bargain is a bargain, but where the interests and the rights of such a display of the such as a sub-contract of the public display a policy of this clause. A bargain is a bargain, but where the interests and the rights of such a display in the position of the "Knight of Springhill" on this point. "Are," he says, "the interesting adjuncts. There is nothing of a kind to stimulate civic pride. To such a display a Polymorphian parade and the Firemen's march out would be of a kind to stimulate civic pride. To such a display a Polymorphian parade and the Firemen's march out would be of a kind to stimulate civic pride. To such a display a Polymorphian parade and the Firemen's march out would be of a kind to stimulate civic pride. To such a display a Polymorphian parade and was followed by the explosion and burning of seven more large storehouses. The dock, several tank boats and 100 feet of treation of the explanation.

Mr. Blake protested against rushing Mr. Weldon said if Mr. Ketchum had any claim it was against the Government. Mr. Ketchum was a sub-contractor and he questioned whether he could have any such claim as the display and the firemen's march out would be care field with therific force. The fire is now death of the work leading t has said "you cannot check Manitoba and to aid in any way in which thier services Peterson, the California champion, defeating where the interests and the rights of Firemen's Parade (followed by sports on north of the yard, assisted by firemen, are a bogus claim upon the New Brunswich growing provinces are concerned it will the Barrack Green), the civic gathering moving their household goods. B. LAURANCE'S SPECTACLES Gas Fitting, Plumbing and Well Boring

MR. LAURANCE can be consulted for a FEW DAYS GEORGE H. DAVIS'.

Cor. of Queen and Regent Streets, Fredericton. READ THE TESTIMONY:

From John March, Esq., Mr. B. Laurance, Optician, etc.—Dear Sir: It affords me pleasure to say that the Speciaeles I recently purchased from you are doing me excellent service. For about fifteen years I have suffered from a growing difference in the focal distance of my eyes, which I have sought in vain to regulate by glassesone eye having become far-sighted and the other near-sighted. The opportunity afforded by your visit ost. John, of my having each eye fitted with the Lenses best suited to its condition, has resulted in the restoration of clear and equable vision, and consequently freedom from strain and suffering. St. John. April 9th. 1883.

Yours, very truly,

From John Livingston, Esq.,

Dear Sir—I have been wearing for several weeks Spectacles purchased from you, and I have a property of the several weeks spectacles purchased from you, and I have a property week. They are equally as good for reading as for outdoor use. I appreciate the tinted bles, and would cordially recommend your goods to all who need aid to sight.

"Office, St. John, April.

Yours truly, From His Honor Judge Weldon.

I have obtained from Mr. Laurance a pair of Eye Glasses, and Spectacles, which are superior to an I have had for the last 30 years—having used glasses for that period.

St. John, N. B., March 14th, 1883

J. W. WELDON. From Rev. D. D Currie. I have tried the Eye Glasses and Spectacles recently purchased from you, and am pleased to say that they have given me complete satisfaction, being superior, I believe, to anything I have previous

St. John, March, 15th, 1883 D. D. CURRIE. From Rev. D. D. Macrae, D. D. The Spectacles fitted by you for my use fully answer to your description of their merits, and conting prove serviceable, to a degree, which, to the best of my judgement, could not be surpassed. St. John, March 17th, 1833.

D. MACRAK, D. D., Rector Stephen Church, St. John, N. B.

From Steamboat Inspector Smith. I am now wearing a pair of Mr. B. Laurance's Lenses, and having been a sufferer with my ey an appreciate comfort, and I conscientiously recommend my friends who require aid to vision to onize Mr. Laurance's Spectales, feeling convinced that they are the finest Lenses procurable anywh St. John, N. B., 29th, 1883.

Drag Sir,—I desire to express my feelings of profound gratitude to you who have helped me so much by the use and application of your wonderful Pad. I was sick about two years and spent a large sum of money, but received very little benefit unit I tried your absorptive treatment. When I commenced using it this sammer I couldscarcely walk across the floor, I had such a weekness across me, and now I can walk a mile at a time and attend to household duties, and feel only too glad to recommend this truly great treatment to any person or porsons who may be afflicted as I was. You are at liberty to make any disposition of this note you may deem proper. MRS. R. HIBBARD.

in your own home in all sincerity, with an absolute certainty of with an absolute certainty of curing you.

ZOPESA (from Brazil) cures Dyspepsia and Biliousness. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.

It acts directly upon the Stomach, Liver, and Kidneys. Cleansing, Correcting, Regulating, Zopesa gives energy and vium to the Brain, Nerve, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.

Cut this out, take it to any dealer in medicines, and get at least one 75 cent bottle of Zopesa, and tell your neighbor how it acts. It is warranted to cure Dyspepsia and Bilivaness.
