### WARDEN A. CAMPBELL

The year 1921 in our Municipal affairs has been one of progress, and as we pass another milestone in our history we face the future with a strong optimistic outlook.

During no year in our County's history has such a strong sentiment been aroused in connection with the Public Health as in the past one, and as evidence of the very insistent manner it has taken hold of our Community and Home life, we find the various Women's Institutes accepting their share of the responsibility that the larger vision brings and insisting on greater things for the future.

As a result of the County of Kings the Christmas Health Nurse, sent by them—and Executive, and later on by letters—were received by the Town and the edifices, whereby they agreed to erect a wide grand one.

The reports published in the past year, from time to time, have been most interesting and enlightening.

The various reports of the three year health survey, and the various reports of the various committees of the County, have been most interesting and enlightening.

The various reports of the various committees of the County, have been most interesting and enlightening.

### MAYOR C. S. FITCH

To fellow Citizens of the Town of Wolfville:

Ladies and Gentlemen—Allow me this opportunity of wishing you all a very happy and prosperous New Year. During the past year we have had many things to be thankful for. We have had a good degree of prosperity. No serious calamity has overtaken us. Building operations have been carried on to a large extent giving employment to our labourers and mechanics. Unemployment has been practically nil, and no dread disease has afflicted us in a general way. For these mercies we should be grateful.

As we enter the New Year let us go forward with courage and confidence, and a desire to make our town a better place to live in rather than to find fault with everything that is done or not done. Nothing succeeds like success. Boost. With all good wishes for the town and its Citizens.

C. S. FITCH, Mayor.

### DR. GEORGE B. CUTTEN

May I through the medium of your paper and on behalf of the Governors and Faculty of Acadia University extend the Season's Greetings to your readers and wish them all a Happy New Year. While none of us know what the New Year has in store for us, we do know that whatever it is, a courageous heart, a cheerful mind, and a helpful spirit will prepare us to meet it, be it weal or woe.

We know, further, that a spirit of co-operation will help us both individually and as a community to solve our problems, and to make our home town of Wolfville a better place to live in, and an attractive spot for the strangers who tarry with us. It is my hope that the year 1922 may be a prosperous and happy one for all of us—and most prosperous and happy because we shall try to make it so for our friends and neighbours, and for all peoples everywhere.

GEORGE B. CUTTEN.

REV. J. H. MACDONALD, D. D., C. B. E.

A Happy New Year to THE ACADIAN and its readers! Happiness, I am sure, awaits us all on the pathway of 1922, yet it is the most elusive of all things. Make it your chief object in life, and it vanishes; pursue the nobler quest, and presently

it joins you on the road and walks with you to the setting of the sun.

Happiness has been defined as great love and much service. Love without service is mere sentiment and service without love the veriest drudgery. It is not the product of far countries, nor is it reserved for the favored few, the powerful and the rich. Happiness is to be found amid life's common things—in home, health, family, work and the voices of childhood. It is nearly always a rebound from honest toil and patient effort. If sometime during the year you look up from hard work you may catch a glimpse of her. But if you look too long, she will be sure to vanish from your sight. "Trust in the Lord and do good," said the Psalmist of Israel, "and ye shall be fed."—fed not merely with bread that perishes but with living bread that has in it the elements of moral strength, contentment and joy.

J. H. MACDONALD.

### REV. R. F. DIXON

"To all to whom these presents may come," I wish, not a Happy New Year, but a New Happy Year. For to be a happy year 1922 must first be in a very real sense a "New Year." And of the likelihood of this there seems to be at length some definite promise for humanity at large. The sky is still dark and lowering but there has come for the first time in these seven or eight horror haunted, snow laden years, a silver rift in the clouds, however indistinct, but deep enough to show the underlying blue. May it widen and to everyone of us, individually, may this be a "New Year," a year of new departures in the right direction, a straightening out of paths that have perchance begun to take a downward or errant course. And so I will welcome in the new, worthy sense of the term "A Happy Year."

R. F. DIXON.

### REV. G. W. MILLER

Dear Friends—The ancient Greeks represented opportunity by a statue standing on the sea to show that it would stay but for a moment, with wings on its feet to show how fast it moved, with long hair on its forehead that men might

to show that when once passed it could not be taken.

1922 A. D. is a new thing in the world and a new opportunity for us. It stands on tip toes and has wings on its feet and what we would do we must do quickly.

Life is a real privilege and often we are so busy making a living that we miss life.

Our friends passing away remind us that friendship is an opportunity that passes and we should take time to walk the "friendly road" and cultivate deeper friendships.

That good thing that we plan to do some time, let us do now and live a life more rich and full in the New Year.

G. W. MILLER.

### THE CIVIC CLUB

The Civic Club in 1922 ought to be a greater power for the advancement of Community interest than it has been heretofore.

There are numerous undertakings that demand the attention and support of its members and no department of civic activity is too unimportant to deserve its help. In the New Year the president would seek to engage the interest of citizens generally with the hope that much good work may be accomplished. Let our aim be thorough co-operation in an endeavour to make Wolfville the best Community possible in which to reside.

With very best wishes for the happiness and prosperity of the citizens of Wolfville and surrounding sections in the New Year.

B. O. DAVIDSON, President.

### WOLFVILLE A. A. A.

During the year 1921 the members of the Wolfville Amateur Athletic Association have taken greater interest in Athletics than ever before.

The Hockey Team won the Championship of the Annapolis Valley League and throughout the winter gave a splendid Exhibition of what a clean, well organized team can do. Altho some of the best players have gone away, we are looking forward to another fast team this coming season.

The Cricket players have had an exceptionally good year, young men and others more advanced in years taking part in the games and thus keeping in good health and vigor. Match games were played with Kentville, Windsor, Bridgetown and others and always the best of (Continued on page four)

## Town Council Meets

Decides to Adopt Housing Act.

At the regular monthly meeting of the Council which was held on Wednesday evening Mayor Fitch and all the Councilors were present.

The annual reports of the Streets, Sewers, Police and Fire Committees were read and Councillor Nowlan, as Chairman of the Water Committee, presented the report of that committee for the month, showing that during December the sum of \$1635.16 had been expended by that department. The annual reports will be presented in full, we presume, in the year book, which should appear shortly.

Dr. C. E. Avery, deputy Health Officer, presented the report of the Health Officer for the year, which will also be printed in the year book.

The following accounts were read and ordered paid:

L. W. Sleep	\$20.61
London Rubber Stamp Co.	.60
Aubrey Dakin	7.00
W. E. Allen	5.00
S. R. Jackson	7.00
Wolfville Fruit Co.	19.75
J. E. Hales	2.50
H. E. Eldeney	.40
F. E. Martin	22.25
R. E. Harris & Sons	84.25
Hugh Callan	.60
W. B. Murphy	11.00
R. G. Don & Co.	5.00
F. R. Leslie	72.65
T. McLeary & Sons	82.40
Petty Cash	63.19
James Robertson Co.	39.63

A petition signed by nineteen citizens who wish to take advantage of the provisions of the Dominion Housing Act of 1916 was read, asking that the Act be adopted. On motion the request of the petitioners was granted and a committee was appointed to recommend, at the next meeting of the Council, to be appointed on the part of the Commission to have charge of the operation of the Act.

A resolution from the Civic Club, composed of Rev. Dr. MacDonald and Mr. E. Percy Brown, addressed the Council with reference to the danger of the use of our streets and sidewalks for parking. Dr. MacDonald proposed that a public in and so time participating, fiscal from probable accidents, there was the all greater danger to the young people from the habit they are forming of lawbreaking, which in later years, likely, will cause the law upon the streets.

It was proposed that the by-law regarding coasting should be strictly enforced, and that during certain times each week, Highland Avenue should be reserved for coasting under proper supervision—the Civic Club undertaking to furnish necessary patrols to guard the safety of the children and pedestrians.

Mr. Brown referred to this matter being presented to the Council by himself last year and promised if the request of the Civic Club was granted to take full supervision and furnish all assistance necessary. A somewhat lengthy discussion followed the Mayor urging that the Council had no power to close the street. The outcome was that the Police Committee was instructed to secure the necessary advice and report at a special meeting to be held shortly.

Councillor Wheaton, Chairman of the Police Committee, reported that owing to Policeman Crowell having been relieved of janitor work at the public school and the consequent reduction in his salary, it would be necessary to take into consideration the matter of an increase in his salary as Policeman. Mr. Crowell was willing to devote his whole time to police duties at a salary of \$1400. After a lengthy discussion the Police Committee was instructed to inform Mr. Crowell that the Council did not feel authorized in paying this amount.

Councillor Nowlan reported the need of a street light being placed on Main Street opposite Earncliffe Avenue. This being an unusually dark place on the street, it was decided that this need be supplied at once.

The matter of the placing of the new fire alarm again came up, and Councillor Shaw again expressed his willingness to donate a steel tower for the purpose. This time the donation was accepted and the Water Committee in conjunction with the fire company, was instructed to have the new alarm placed in position as soon as possible.

Mr. H. E. Arnold was appointed to assist Mr. Tamplin in completing the work of auditing the town books for 1921.

Interest in the proposed Citizens' Club has apparently waned to a considerable degree. At the meeting on Tuesday, Dec. 27th, called to hear the report of the Committee appointed some weeks ago to look into the matter, only two citizens besides the members of the Committee were present. The Committee did no report and it was decided to let the whole affair drop unless a greater interest was displayed on the part of citizens.

## Boy Scout Council

A well attended meeting of the Council of the Boy Scout Association was held on Monday evening at the office of H. W. Phinney, with the president, Dr. W. L. Archibald, in the chair.

The object of the meeting was to take whatever steps might be necessary to promote the splendid work which has been in progress for a number of years under the efficient leadership of Scoutmaster E. Percy Brown.

It was pointed out that through the earnest and painstaking endeavours of Mr. Brown and those who have assisted him, Wolfville today occupies an enviable position in Canada so far as the Boy Scout movement is concerned. The organization owns its own building which is creditably equipped, the fine camp at Lake Sumpter, and is in a most prosperous condition.

Fitting reference was made by a number of those present, to the splendid service rendered to the boy life of the Community by Mr. and Mrs. Brown during their residence in Wolfville—a work which places the citizens under an obligation which can never be adequately acknowledged. The universal opinion of the meeting was expressed that the work of the Scout movement was of paramount importance and deserves the hearty support of every patriotic citizen.

One of the items of business transacted was the decision to hold a banquet for men in the near future in honor of Mr. Brown and the Boy Scout movement, and a strong committee composed of Messrs. H. W. Phinney, G. K. Prescott, Edson Graham, Morgan Tamplin and Capt. John Pratt was appointed to arrange details.

### SCHOOL BOARD MEETING

Owing to the holiday on Monday the regular monthly meeting of the School Board was held on Tuesday evening.

Commissioner Vaughan who has been prevented by illness from attendance at several meetings was not yet able to be present but all the other members were in their places.

The following bills were read by the Secretary:

L. W. Sleep	\$14.23
Byron Schofield	2.50
C. H. Wright	1.31
C. H. Wright	5.31

On motion these were ordered to be paid, the first and last subject to investigation and approval.

A resolution was passed to effect

should be given except on the approval of the Board, and the Secretary was asked to notify the Principal.

It was decided that the new School building be insured for \$22,000 on building and contents.

A number of other matters relative to the affairs of the school, including a better enforcement of the Compulsory Attendance Act, were discussed.

### CLINIC ITEMS

Child Welfare, Friday, Jan. 6, at Clinic Rooms, Kentville, commencing 2 p. m.

"Sufficient sleep draws a child onward and upward in school and home life. Insufficient sleep draws it backward and downward. Which way do you want your child to go?"

Mothers and Babies Clinic, Friday, Jan. 13.

"Nova Scotia's mortality rate has never been below 104 to 1000 births, losing to our province 1400 infants per year."

## Death's Harvest

LILLIAN PARKER REID

The death took place about five o'clock on Monday afternoon, at her home on Acadia street, of Lillian, wife of Mr. W. A. Reid. The deceased was before her marriage, Miss Lillian Parker Crowe, daughter of Mr. and Mrs. Wm. S. Crowe, of Truro, and was married to Mr. Reid on Sept. 11, 1896. She was a most estimable Christian lady who made many friends during her residence in Wolfville, where Mr. and Mrs. Reid came to reside in 1913. For several years back Mrs. Reid has been in failing health and has made a gallant fight against the ravages of disease. Lately her condition appeared to be somewhat improved and she was able to sit up and be carried down stairs. On Monday the nurse noted a change but did not anticipate that the end was so near. Mr. Reid has the sincere sympathy of a host of friends in his bereavement.

The funeral which was held from the late residence, yesterday afternoon, was very largely attended. The service was conducted by Rev. G. W. Miller, pastor of the Presbyterian Church of which the deceased was a faithful and valued member. "In Emmanuel's Land," "Lead Kindly Light" and "Pilgrims of the Night," favorite hymns of the deceased, were sung, and a comforting and appropriate address was given. Beautiful floral tributes testified the sympathy and regard of the donors. Interment was at Willow Bank cemetery, the pall bearers being Dr. A. J. McKenna, Messrs H. W. Phinney, N. H. Parsons and J. E. Hales, near neighbours of the bereaved home.

### REBECCA LOUISE TAYLOR

On Sunday last there passed away one of Wolfville's oldest and most highly esteemed residents in the person of Mrs. Rebecca Louise Taylor, relict of the late John W. Taylor, a former well known resident of Avonport. The deceased was a daughter of the late Garland Cox and was born at Lower Canaan eighty-seven years ago. She was a most intelligent and interesting lady. Her early married life was spent at Avonport but after the death of her husband she came to Wolfville and purchased the fine property on Main Street where she has since made her home. She leaves a family of two sons and seven daughters, one son, Edward having died a number of years ago. The surviving members of the family are Charles, Margaret, Eliza, Lily, at home, and Eliza and Lily at home.

The funeral took place on Wednesday afternoon, the service being conducted by Rev. J. H. MacDonald, D. D., assisted by Rev. G. O. Gates, D. D.

### THE TABERNACLE

The Sunday evening services at the Tabernacle have been of unusual interest of late and have been well attended. On Christmas evening a very helpful sermon was preached by Rev. E. S. Mason, and was much enjoyed. Last Sunday evening the speaker was Rev. F. E. Roop, who gave a most timely and interesting address from the text "So help us to number our days that we may apply our hearts unto wisdom." Excellent music was rendered by a volunteer choir of young ladies and there was also a delightful vocal duet with guitar accompaniment by the Misses Roop and a vocal solo by Mrs. Bartheaux given in her usual pleasing manner.

#### THE OLD WAY

I left my dad, his farm, his plow,  
Because my calf became his cow;  
I left my dad—'twas wrong, of course  
But my pet cod became his horse;  
I left my dad to sow and reap  
Because my lamb became his sheep.  
I dropped my hot, and hit New York,  
Because my pig became his pork;  
The garden truck I made to grow,  
Was his to sell, and mine to hoe.  
Believe me, too, I had to hoe—  
There was no riding down the row.

#### THE NEW WAY

With dad and me it's half and half,  
The cow I own was once his calf;  
I'm going to stick right where I am,  
Because my sheep was once his lamb.  
I'll stay with dad—he gets my vote  
Because my hog was his shote.  
No town for me—I'll stick right here,  
For he's made me tractor engineer.  
It's "even split" with dad and me,  
In a profit-sharing company.  
We work together from day to day,  
Believe me, boys, it's the only way.

Thelma Keddy, daughter of Mr. and Mrs. Michael Keddy, Central Avenue, met with a serious accident while coasting on Christmas afternoon. The sled attained such speed as to become unmanageable and she lost control. She coasted who came in violent contact with a tree or post and sustained severe injury to her knee. She is now under the doctor's care.

### NEW YEAR KNOCKS

The man or woman who stands in front of his or her post-office box and inspects each piece of mail matter while those who have adjacent boxes "watch and wait" is a nuisance, whether they realize it or not. Think it over the next time you go to the office for your mail.

Some of these days the town will have to pay damages again, when there is a broken arm or leg because of the slippery condition of the sidewalks. Sand is not very costly, and a little of it judiciously applied might save a lot of expense.

Something ought to be done to prevent the dumping of objectionable refuse around the wharves and docks. It doesn't make so much difference in Winter but when Summer comes it's a nuisance. The whole proceeding is one that ought to be stopped.

Racing on Main Street, either by horses or cars, is dangerous and ought not to be allowed to continue. There have been serious accidents attendant upon such joings in the past, and others may be expected if the practice is allowed to continue.

The telephone seems to be giving very poor service of late. Perhaps the festive Christmas season is the cause. Some times it is very difficult to get the party to whom one wishes to talk—and then it is often just as difficult to get away. Let us hope that with the coming of the new year there may be an improvement.

### HOCKEY SCHEDULE DRAWN UP

Representatives of the hockey teams of Wolfville, Windsor and Canning met here on Wednesday, Dec. 28, to make plans for the coming season. The following schedule of games was adopted, the first mentioned team in each case being the home team:

- Jan. 6—Wolfville vs. Windsor
- Jan. 9—Canning vs. Wolfville
- Jan. 13—Windsor vs. Canning
- Jan. 16—Windsor vs. Windsor
- Jan. 20—Wolfville vs. Canning
- Jan. 23—Windsor vs. Wolfville
- Jan. 27—Wolfville vs. Windsor
- Jan. 30—Canning vs. Wolfville
- Feb. 3—Windsor vs. Canning
- Feb. 6—Canning vs. Wolfville
- Feb. 10—Wolfville vs. Canning
- Feb. 13—Windsor vs. Wolfville

The Wolfville boys had their first practices last week. Although we have lost several of last year's team a number of new players are coming forward, and it is hoped that Wolfville will be represented this year, as usual, with a winning team. From the above schedule it will be noted that the first game will be played here to-night.

We are indebted to the following firms for calendars received: A. M. Jack & Son, Halifax; The Standard Photo Engraving Co., Ltd., Montreal; Wild & Stevens Inc., Boston.

### AVONPORT ITEMS.

Mr. and Mrs. F. J. Graham and son Donald, spent Christmas at Avonport with Mr. Graham's parents, Mr. Chas. Walsh, who has spent the better of years in Port Arthur, Ont., as guest of his father, Mr. Jas. Walsh.

We are sorry to report Mr. Chas. Holmes on the sick list. His many friends hope for a speedy recovery.

Mr. Gordon Hurlbert is spending weeks' vacation in Yarmouth, with his sister, Mrs. Barkam.

Mr. Ralph Holmes, of Windsor, spent Christmas day at his home.

On Friday morning, Dec. 23, the body of the late Mrs. M. Rathburn, widow of Capt. Rathburn, and for many years keeper of the Bluff Light, Mrs. Rathburn, who was aged seventy-six years, had been suffering for the past five years, having suffered a stroke of paralysis which rendered her almost helpless. She had been carefully cared for during these years.

She leaves to mourn her loss one son, March J., and one daughter, Cora, at home and two step-daughters, Mrs. Brown and Mrs. Webster, of Mass.

The funeral service was held on Christmas day.

mas day from the Light House, conducted by Mr. Neary of the Baptist Church, and Rev. Mr. Whitman, of the Methodist Church. The hymns sung were "Safe in the arms of Jesus", "Sometime we'll understand", "In the sweet by and bye and by special request, "Brightly beams Our Father's mercies". Burial was at Hantsport in the family lot, services at the grave conducted by Rev. Mr. DeWolfe, of the Hantsport Baptist Church.

The sympathy of the entire community goes out to the son and daughter in the loss they have sustained.

A joint congress of the three life insurance associations of the province, the Valley Life, Sydney Life and Halifax Life Underwriter's Associations, will be held at Halifax on Jan. 18 and 19 or 19 and 20. This will be an educational congress and experts in various lines of insurance will be present, including Mr. Stephenson, of Winnipeg, president of the Life Underwriters of Canada. It will be the biggest insurance gathering ever held in Nova Scotia.

The Mens Bible Class of the Gaspereau Baptist Church, composed of 21 members, on Christmas presented their teacher, Dr. R. W. Bennett, with a handsome Waltham watch. The case, which is guaranteed for 25 years, bears the following inscription: "Presented to Dr. R. W. Bennett by the Brotherhood Bible Class, Dec. 25, 1921."

## A Playground in Quebec

PAUGAN FALLS, IN THE GATINEAU DISTRICT

Canada bids fair to become in the near future the playground of the world! Ours is pre-eminently a country of natural resources—industrial ambitions, notwithstanding!—and not the least among these are our park areas, vast tracts of land that are not suitable for agricultural operations, not required for manufacturing purposes, nor needed for populous settlements.

Such a region is that one called "the Gattineau," 15,000 square miles of mountainous grandeur that rival the Catskills for scenery, Olympus for atmosphere, and than which there is no more alluring field for sportsmen this side of the happy hunting ground. The Gattineau district is a natural park, accessible and already half opened, with a railway and a motor road, which though far from perfect at the time of writing is used by an increasing number of tourists.

The country offers a life as strenuous as the pioneer demands, or as restful as the jaded urbanite dreams of, but despairs of obtaining. Canada is gradually awakening to the commercial value of her park areas, her playgrounds; to the fact that she has something that older countries—countries settled before the need for "national lungs" was recognized—lack.

She is beginning to realize that an amazing increase in motor traffic necessitates the providing of some objective for tourist travel, and that the more attractive the objective, the greater the number of tourists. Tourists represent revenue, and a very satisfactory type of revenue, for in enjoying and benefitting by a sojourn in one of our playgrounds, they leave the scenery undiminished in grandeur, and they take away nothing that impoverishes the country. So keenly are many cities competing for this tourist traffic, that they provide camps for motorists and vie with one another in offering attractions that may induce a brief sojourn, at least, within the municipality.

The Gattineau is like a hen waiting to lay golden eggs and needing only a little bit of corn in front of her to set the machinery in operation.

The corn in this case, stands for adequate accommodation.

The absence of hotels has been for the lovers of the Gattineau one of its principal charms. There has been no danger from invading hordes capable of desecrating its vast solitudes with jazz band and ukelele, and building picture houses to shut out the glory of the sky. Chelsea, Kingsmere, Farm Point, and Blue Sea Lake (where the Duke and Duchess of Devonshire elected to spend their summers), are almost as a closed Paradise to any save those who have cottages. Yet, although all of these places are undeniably beautiful and desirable by reason of their very exclusiveness, they do not comprise even half of the Gattineau.

The vicinity of Paugan Falls can scarcely be equalled as a hotel site. Paugan is an Indian word meaning "pipe" and is descriptive of the shape of the Falls. While these may not be mentioned in the same breath with Niagara or similar glories, yet they have their own peculiar charm; the approach, the setting, the colouring of the surrounding hills, the indescribable atmosphere of romance that pervades the district. Over the Paugan, a rainbow arch spans the two shores on sunny days and when clouds threaten Old Sol with death, the prismatic colours fade into a shimmering mist. Below the Paugan Falls the Gattineau river grows calm and forms not only a safe lake for boating, but an ideal swimming pool, ordered as it is for a half a mile with a stretch of amber sand.—M.M.

Larger Crops

are the aim of the good farmer at all times. This does not mean increasing the acreage by breaking up new ground or in buying a larger farm...

A recent bulletin issued by the New Jersey Experiment Station, said, "Hard work, plus experience, plus plenty of fertilizer in Maine produced 200 bushels of potatoes to the acre."

This is the story wherever fertilizer is used with what is called the "worn out soil of the East" producing double the crop of the virgin soil of the West.

Whether a good year or a bad year, the farmer with the largest crop to sell gets the largest returns. The "Made at Windsor, N. S." fertilizers meet the requirements of the farmers in supply, quality and price.

The Lake of the Hanging Glaciers

(By Frederick Niven). The name had always intrigued. It went into the same place as the names Llano Estacado, the Barren Lands, Land of Little Sticks. When, by the excellent goodness of God (as it seems to me), I found myself, on a late July evening, actually close enough to have Nixon, the long, lean local guide to that wonderland, indicate, if not the range of the hanging glaciers, the direction of our travel to it, I could scarcely believe my good fortune.

Reflections in the Lake of the Hanging Glaciers.

overhanging tree lopped away as soon as a wind casts it over the trail, so that the pilgrim need not even bow, riding along, Nixon's cry ahead of "Low bridge!" was part of the fun. The sleepy little half-purring, half-singing voice of a frog by some reedy-edged unmapped lakelet of the mountain recesses is also part of the pleasure of such a journey. Most of us are all tangled up in laws and bye-laws; and Houses of Parliament and Trade Union halls loom over us. That's why it is hard to believe we are there when we find ourselves in such places—where night is not lit by street lamps, but deepens and deepens in the valleys, as if exuding from amid the uncounted trees. Overhead day lingers on, upon the sheer precipices of peaks that we see between the topmost spires of the Douglas firs. How comfortable we can be there! In a few minutes, with a few clips of an axe, we have a mattress of fir-boughs; and then the trees from which they have been clipped make the tent poles over which to cast the canvas sheet.

### Editorial Notes

When the amalgamation of the three King's County Poor Farms really takes place and the new institution has been completed there should be in connection, provision made for the employment of those serving sentence for minor offences. At present, those who are serving out terms of imprisonment in the County jail, are kept in enforced idleness and are not required to contribute in any way to the cost of their living. As a consequence, there are undoubtedly many offenders who are allowed to go free rather than have the County put to the expense of their maintenance. This all tends to the increase of crime and brings the law into disrepute because of the lack of enforcement. With the necessary regulations in force, governing the employment of this class of labor on our roads and other public works, a sufficient revenue would be provided to make the enforcement of law profitable and the result would naturally be a decrease in crime and the betterment of of delinquents. The County Council should take up the matter at the approaching annual session.

One of the matters which will probably be settled at the meeting of the Municipal Council next week will be the site for the County Poor's farm. It is understood that the committee that has been investigating the ground, looks with favor on the Pineo farm at Waterville, on which an option has been secured. The Horton Poor's farm has also been considered. Plans for the construction of the new building will also be opened at the approaching meeting, and decided upon. Upon the whole, next week's meeting promises to be a very important one.

### CHRISTMAS AT THE MUNICIPAL FARM OF HORTON

The Poor Farm of Horton Township was one of the places where Christmas was celebrated in a happy, hearty way—the sixth celebration of the kind since Mr. and Mrs. Fenwick, the present Manager and Matron, took charge.

There were a few visitors to see the gifts taken from the tree, and one of them supplied Victrola Music, much to the delight of the inmates, some of whom wanted all the fifteen records played over again. One record of Harry Lauder's was repeated, as they chose him above all the rest.

The gifts were distributed by Miss Betty Fenwick, with some help from Arthur Parker, two and a half years old, the pet of the farm.

These sending gifts to all, or special remembrances to Mrs. Mary Reardon, Arthur Parker or Minnie Gray, were:—Mrs. W. H. Chase, The Philathea Class of the Wolfville Baptist Sunday School, Miss Hattie B. Rand, Mrs. Haliburton Moore, Mr. Roy Jodrey, Mrs. J. Elliot Smith, Mrs. Burpee L. Bishop, Miss Ada Ryncolds, Miss Mabel Dixon, Mrs. Chute, Mrs. Flick and daughter, Mrs. Fitch and Miss Annie Fitch, Mr. C. A. Patriquin of Wolfville, and Mrs. Cecil Hiltz of Kentville.

Mrs. Mary Reardon of the Farm, made holders from pieces of silk for Mrs. A. Fenwick, Mrs. E. Fraser, and Mrs. John Fenwick; and a little gift for Miss Betty Fenwick. She also fashioned from a shoe box a very ingenious "Moving Picture" machine, for little Arthur Parker. The pictures, attached to a roller at either end, worked backwards or forwards at will. Given a good collection of pictures Mrs. Reardon could make this a very attractive toy.

When all the presents had been given, Mrs. Fenwick served tea and cake to the visitors, and cake to all the inmates as well.

The Township of Horton is to be congratulated on having such people as Mr. and Mrs. Fenwick in charge of this important Municipal institution.

The Annual Meeting of the N. S. F. G. Association will be held at Bridgetown, January 17-19. A very attractive Programme is being arranged of the most important questions appertaining to Fruit Growing; Pre-Cooling of Apples; The intelligent uses of Chemical Fertilizers; Strawberry Culture; Etc.

No less than ten professional Speakers from the Dept. of Agriculture of the U. S. and Canada will be present to address the various Meetings. Everybody interested should attend and make the 58th Annual Meeting of the N. S. F. G. Association the "Banner Meeting" ever held. Everybody Welcome. Travel by Standard Certificate Plan.

Unfortunately Baseball did not have a very good year but this was due mostly to the fact that a suitable field was not available. During the coming year every effort will be made to make arrangements for a permanent field for athletics.

The W. A. A. A. is a young organization and has had many difficulties to overcome and yet we can look back with pride upon the splendid teams that have represented it and helped to uphold the name that Wolfville has made for herself a town that stands for clean healthy sport.

In asking for the continued loyal support from its friends the Association extends best wishes for a very Happy New Year to all.

The house to house canvass for the support of the V. O. Nurse, has been postponed, but there is immediate need of clean cotton sheets and cheese cloth sugar bags, and necessary articles for the sick room. Contributions will be greatly appreciated if left with Mrs. Prescott, Summer Street.

Do not overlook Dominion Atlantic Railway Photographic Competition—ONE HUNDRED DOLLARS in Prizes. Photographs to include scenic, hunting, fishing and summer vacation material. Competition closes January 15th 1922. Send for circular of details to, 117 Hollis Street, Halifax, N. S.

The staff of the Wolfville Telephone exchange have requested THE ACADIAN to convey their sincere thanks to those who remembered them generously at the Christmas season. The duties of the telephone operator are not always easy and they are naturally gratified that their efforts to give good service are duly appreciated.

The citizens of Wolfville had the privilege early Christmas morning of hearing Christmas Carols sung by two parties of young people. The Presbyterian girls, led by Miss Doris Chambers, appeared on the streets about seven o'clock, and their singing was much enjoyed. Another party of girls and boys were also singing about the street for a time.

Mrs. J. B. Tingley was on Tuesday afternoon at home to her friends, a large number of whom enjoyed a pleasant afternoon. Mrs. Tingley was assisted in serving by Mrs. G. K. Prescott and Mrs. Cowie, who poured tea; Misses Helen and Marjorie Fitch, Marguerite DeWitt, Helen Harris and Amy Prescott. During the afternoon Lieut. Harold Tingley had on display a collection of oriental curios that were found very interesting by those present.

The annual Christmas tree for the pupils of the Presbyterian Sunday School, was held on Wednesday, Dec. 28, and was as usual a most enjoyably affair. Dr. Allan the faithful and popular superintendent was in charge, and announced a good programme of music, etc., which was well rendered. Supper was served and the tree, provided bountiful gifts for all. Prizes for regular attendance were presented to Ronald Smith, Murray Smith, Reginald Northover, James Northover and Ina Baird. Mr. W. H. Chase also presented each member of his class with a book.

**Coming Events**

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

Reserve Thursday, 19 inst., for the Big Bridge at the Parish Hall.

Mr. and Mrs. Fred G. Curry will be "at home" to their friends on January 9th, from 3 to 6 p. m., at their home at Hortonville.

**A CLEVER MECHANIC**

A breakdown in our Monotype, an exceedingly complicated machine, last week held the work of the office up and made THE ACADIAN late in reaching its readers. After working practically night and day over it for four days, the machine was finally adjusted and in working order by Monday noon and is now turning out matter for the press in the usual satisfactory and speedy manner. Our operator was greatly aided by Mr. J. C. Calkin, who is certainly a clever and understanding mechanic. With no knowledge whatever of the machine, he rendered valuable assistance in working out a most puzzling problem and displayed mechanical ability of an unusual order. Wolfville is indeed fortunate in having such a useful man in time of need, and THE ACADIAN appreciates the fact.

G. W. V. A.

The local Branch held their usual Monthly Meeting in the Club Rooms Wed. evening, which was well attended. Various Committees were appointed and some important items of business discussed.

The Memorial Committee reported progress. About \$2000 has been raised leaving a balance yet to be subscribed of approximately \$200. A special effort is to be made to close this Campaign immediately.

With regard to the disposal of the Canteen Funds, a resolution was passed against the voting on this matter by those who did not actually proceed overseas.

Comrade President Davidson was accorded a hearty vote of thanks in appreciation of his splendid, untiring devotion to the duties of Secretary-Treasurer, while holding that office.

After some discussion of various matters pertaining to the Association the meeting adjourned.

**CANNING NOTES**

One of our oldest citizens passed away on Monday morning last, at the home of his son, George Spicer, in the person of Joseph Spicer, who was born ninety-five years ago in Cumberland County, and who spent most of his life at Canada Creek, where he married Amy Lank and reared a family of seven, Robert Spicer of Wolfville, being the oldest, followed by John, a physician of New York; Edward, Lee and George; of Canning; Mrs. Sidney Smith, of Hantsport, and Mrs. John Worden, of Kingsport; all of whom are living. After the decease of his first wife, he married Mrs. J. Gould, of Harbourville, who survives him. His grandchildren number thirty-six, his great-grand children forty, and his great-great-grand children two. Mr. Spicer was one of thirteen children, all of whom have gone on, excepting James, the youngest brother, who lives in Harbourville. A man vigorous in body and mind until near the end, his smiling face and pleasant word will be much missed.

**AN EXPLANATION**

To the Editor of THE ACADIAN:

Dear Sir:—I wish with your kind permission to say a few words.

Since there has been some criticism by one or two people in Wolfville regarding a Photoplay presented at the Opera House last week, I wish to make public my position in this matter if you will permit me space in your valuable paper.

We who are catering to the general public realize how utterly impossible it is to please all our patrons and friends, especially in the exhibiting of photoplay entertainment.

It is impossible for me to see every photoplay before presenting it to the public, however I make it my business to read criticisms by people who are paid to review the pictures as they are released; beside other material sent out by the producers. It has always been our aim to present photoplays that are clean, wholesome, uplifting and entertaining.

I have gone even further to present instructive pictures. Only a week or so ago I presented a photoplay I felt sure would be seen by many and be praised by all, because of its educational value, and I paid a big price for it. Yet after the two days' showing the receipts were not enough to cover the cost of the picture alone.

In the case of the picture shown last week, nine out of every ten people who saw it told me it was one of the best pictures they had seen for months, but it is difficult to please all. Some of our patrons like Western stories, others classic, spectacular pictures, others Society dramas, but one thing is certain, that we do our utmost to please and suit the majority and in this we feel we have been successful.

We welcome from every one criticism that will assist us in providing the necessary entertainment.

A. J. MASON.

CIVIC CLUB MEETING

There was not a large attendance of citizens at the special meeting of the Civic Club on Thursday evening of last week but the discussion was interesting and dealt with matters of vital importance to the town.

Mr. B. O. Davidson, the president, was in the chair and stated at the opening that the meeting was called at the request of the Educational Committee to consider some of the revelations made by the recent census taken by the department of Social Service of Acadia University, relative to the school attendance of the town.

In the absence of Dr. Wheelock, the Chairman of the Committee, who was in Toronto, Councillor Sutherland stated briefly the situation. The recent census had shown that in a few cases children of school age were not attending school at all, and in other cases the attendance was not regular. The matter had been brought to the attention of the School Board by representatives of the Childrens Aid Society, and a small committee of citizens and members of the School Board now sought the support of the Civic Club in the matter of the enforcement of the Compulsory Attendance Act and in securing a more general attendance at the public schools.

The question was discussed at some length and the following resolution passed:

WHEREAS it has come to the attention of the Civic Club that there are still a number of children of school age in the town of Wolfville who are not in regular attendance at the public schools,

Therefore RESOLVED, that the Club recommend to the School Board the strict enforcement of the Compulsory Education Act as the only effective agency to meet the needs of such cases;

And Further RESOLVED, that in the event of families to which those delinquent children belong being found unable to provide the necessary clothing and books for their children, the members of the Club hold themselves in readiness to stand behind the School Board, to the end that no child be debarred from the educational privileges provided by the town.

The Educational Committee of the Club was instructed to deal with the matter of assistance referred to in the foregoing resolution.

A resolution was also passed congratulating the School Board on the progress made in school work during the year and

recording the Club's appreciation of the faithful efforts made by the Board to advance the educational standards of our schools and to increase the attendance in all departments.

The matter of providing a suitable place for the children of the town to coast was also considered and the proposition of last year to allow the use of Highland Avenue, properly safeguarded, was again made. Rev. Dr. MacDonald and Mr. E. Percy Brown were appointed a committee to wait on the Council at the meeting this week and ascertain what arrangements, if any, can be made.

MELANSON MANUFACTURING CO. Holds Annual Meeting and Declares Satisfactory Dividends

The annual meeting of the Melanson Manufacturing Co. was held on Thursday, Dec. 22. Organized more than twenty years ago, this concern has made great advancement of late and is one of the most progressive industrial concerns in this locality. Barrel making is one of the chief operations of the company and they also carry on a general milling business. During the past year over one hundred thousand apple barrels were turned out. The capital of the company was increased during the year to \$24,000 and, upon which, at the meeting last month, a dividend of seven per cent was declared. Last summer a fine building was erected to provide a boarding place for the employees of the company, which sometimes number from twenty to twenty-five. It is the policy of the company to carry its own insurance and to place the sum of One Thousand dollars in reserve each year for the purpose.

Mr. F. B. Westcott is the President and Mr. James Eye, largely through whose energy and ability the affairs of the company have reached the present satisfactory state, is Secretary and Manager. THE ACADIAN congratulates the stock-holders of the company on the successful year which has just ended, and extends best wishes for the continued success and prosperity of this most worthy industry.

Mr. and Mrs. W.M. Manning and daughter, who spent Christmas at the home of Mrs. Manning's parents, Dr. and Mrs. G. E. DeWitt, returned to their home at Amherst on Dec. 27. They were accompanied by Mrs. DeWitt who spent a few days at Amherst en route to Florida to spend the winter.

BAPTIST SUNDAY SCHOOL CHRISTMAS TREE

The Christmas tree festivities of the Wolfville Baptist Sunday School were held in the lecture room of the Church on Friday evening, December 23rd, and were greatly enjoyed by all present. The programme was brief and interesting. A piano solo was rendered by Miss Miriam Coit. Miss Evelyn Smallman gave a delightfully appropriate reading, on "Why the Chimes Rang", and Mrs. J. G. Elderkin's class of girls furnished music suited to the occasion. The various department of the school came forward by classes and presented their gifts which were at once sent to other schools and organizations made up of less fortunate children. In the absence of the Superintendent, Mr. L. E. Shaw, Dr. MacDonald presided. Santa Claus entered at the right moment and in his usual jolly way directed the distribution of gifts from the well-laden and brilliantly-lighted Christmas tree. The Kindergarten held their exercises on a subsequent occasion with Mrs. R. W. Ford in charge.

Kazubazua--The Happy Hunting Ground

Kazubazua! What is it? Where is it? Does it exist outside the comic papers? Thus the ignorant and untravelled.

How many Canadians know that Kazubazua is situated in one of the most beautiful sections of the Gatineau district, that the word, far from being one with humorous intent, is of Indian origin, meaning "hidden river," which is descriptively accurate of the Gatineau at this point? Very few, it is to be feared.

It takes the sportsman to prick up his ears at the mention of the name. For he will probably know that near Kazubazua lies one of the finest trout streams in the province, and that it forms the base of many famous hunting expeditions.

Notable among these were the two trips which have given the Gatineau a staunch friend in Rex Beach, who claims to have hunted over thousands of miles of country without finding anything that could touch the Kazubazua region.

To Conn Teepie, a resident of Kazubazua and the most renowned of Gatineau guides, a measure of Mr. Beach's enjoyment and success is certainly due.

Teepie, a spare, wiry man who does not look his age—whatever it is!—has "called" moose for many a hunter, but save for bears, whose skins adorn his home, he does not care "fer killin'."

"He's an awful dear man," said a neighbour of his one day, and when pressed to give a reason for Mr. Teepie's expressiveness, he explained:

"He can spot a deer miles away. Seems almost as if he could feel 'em in the air. Where nobody else can bring in game, Conn Teepie can. He knows by lookin' at a hill whether there's deer on it. Yep, he's an awful dear man, he is!"

Mr. Teepie's tastes are frankly rural. He looks with keen disfavour upon metropolitan inventions, especially the motor car. Walking to him is the natural method of locomotion, though the advantages of a "team" are at times apparent. He walks 25 miles a day with true enjoyment, but one evening after motoring sixteen miles, he returned to his home exhausted. "Tuckered right out," he complained. "It's a good strain on a fella, you know, fella settin'!"

The station at Kazubazua holds itself haughtily aloof from the town. Conveyances of every description meet the trains and transport travellers over a sort of sandy table-land, profusely covered with blueberries in summer, to the cluster of cottages that form the village. This blueberry patch is about 9 miles in area and its output would practically feed Montreal.

Kazubazua presents a very different appearance to Low for example. The hills seem farther away, the country is wilder, in spite of a relatively larger settlement. Deer are seen close by, bears are not unknown, moose drink at the "crick" and yet telephone bells whirr in almost every home and three hours travel will take one to the Capital of the Dominion.

(1) A typical view of the Gatineau River and Hills.

(2) Kazubazua has a main street.

There is a main street in Kazubazua, a carding mill, a cement plant and a flour mill. Outside the latter stand the old grinding stones that were used in past years, and on the main road there is an earthen oven, upon which one might look as the grandfathers of our Community Kitchen. It has been extensively used within recent times.

Kazubazua will not attract the commensurate, the type of vacationist to whom six wardrobe trunks and ten hatboxes are a necessity. There isn't a moving picture palace in the place, nor a Chinese restaurant, nor an apartment house!

There are two stores, however, and gold has been found in the district. This is true because at one of the stores there are postcards for sale showing a robust looking gentleman leaning on a pick-axe and shadowed by a huge mound, which is supposed to represent pay dirt, probably, but which sceptical non-investors regard merely as a futile attempt to alter the position of the Gatineau hills.

There is a bearse at Kazubazua. Its face is not confined to

those generally associated with that melancholy carriage. On occasions it will draw up smartly at the hotel, the sombre-clad driver will jump nimbly from his box and assist a passenger to alight. Then, in a hearty tone quite at variance with that he is wont to use, he will explain for the benefit of the gallery, "Wern't no room in the rigs over to the station, so I brought this fella' along with me. One dollar please!"

Where is Kazubazua? What is it? Ask any of the men who from now until the close of the hunting season may be seen driving their motors along the main road and into the hills. Observe the sportsmen's restless eye, the tonneau filled with camping equipment, listen for the intermittent bark of a gun in the distance! Or, if an answer is not forthcoming from these signs, sit at some bountiful table a little later in the year, feast the jaded palate upon a succulent steak of venison or moose and ask, Where is Kazubazua? Your huntsman host will tell you!—Madge Macbeth.

PORT WILLIAMS ITEMS

The Christmas Holidays passed off very quietly. A good trade was enjoyed by all the Stores. Among the persons returning to enjoy the holiday season at their homes were Misses Alice Lockwood, Mildred Faulkner, Clare Cogswell and Jean Murphy, from Halifax; Misses Gladys Newcombe, from Bridgetown; Dorothy Illsley, from Sydney; and Cassie Faulkner from Wolfville; Messrs. Ray Faulkner and Harold Chipman, from Horton Academy.

Mr. Jas. Hanson, of Halifax, spent Christmas Day with his mother here.

Mr. Robie Murphy and wife, are the guests of his father, Cameron Murphy.

Mr. Lorne Rice, of Sydney, spent last week here, the guest of Mr. and Mrs. G. H. Illsley.

Mrs. Hamilton and Miss Harvey, of Wolfville, spent New Year's day with their brother, J. W. Harvey.

O. G. Cogswell and family, spent New Year's day in Wolfville, with Mr. and Mrs. Elias Curry.

Mr. Vernon Griffin fell from a load of hay last week, breaking his hip. This is a most serious accident, as he has the advanced age of 83 years.

Mr. Gerald Mills, of Halifax, spent Christmas with friends here.

Miss Cassie Faulkner entertained a number of her young friends Tuesday evening, giving them a sleigh drive to Kentville, where they enjoyed the movies. On their return, a dainty luncheon was served and in the wee small hours the most enjoyable party broke up.

Donald Chase arrived from New York on Saturday, to visit his parents, Mr. and Mrs. Bedford Chase.

Charles Collins, student at McDonald College, spent the holidays at his home here.

T. S. Lockwood was unanimously re-elected to be Supt. of the Baptist Sunday School. This school has just closed a most prosperous year. The average attendance being 109 and the offerings totalling \$470. The newly elected officers are C. Murphy, assistant Superintendent; A. C. Bezanson, Treasurer; C. D. Ellis, Secretary; Lucy Cogswell, organist; Paul

Lockwood, Assistant Organist.

In the death of Mr. Jos. Bezanson the Baptist Church has lost its oldest member. During his residence here of 3 years his faithfulness to his church never wavered. Even after old age laid its enfeebling hand heavily upon him, his seat was seldom vacant at the Services. His funeral service was from the church. His pastor, Rev. O. N. Chipman, preached from the appropriate text "Thou shalt come to thy grave in a full age, like a shock of corn cometh in his season." Rev. A. J. Prosser, a former pastor, assisted in the service.

Mrs. O. G. Cogswell, Thelma Gates, Boardman Lantz sang "Some Sweet Day Bye and Bye" and "The Christian's Good-night." A sheaf of ripened wheat from the church was placed on the casket. A widow and ten children survive him, his youngest daughter, Mary, died only three weeks before the father.

The community was saddened on learning of the death of Mrs. Jos. Wood, which occurred Dec. 32rd, aged 73. Hers was a singularly sweet, sunny disposition, and those who knew her best loved and appreciated her most. She was a faithful member of the Disciple Church. Four children, Charles, Clara and Fred, of Port Williams, and Mrs. Parker (Alice) of Medford, mourn the loss of a devoted mother, whose first thought was always for her children.

Rev. O. N. Chipman preached a comforting sermon from the text "No more night." The floral offerings were beautiful—a wreath of chrysanthemums from the family and a piece from the Institute of which she was a Charter member.

A quartette comprising Mrs. Cogswell, Miss Thelma Gates, E. A. West and B. G. Lantz, sang "Gathering homeward one by one" and "The Christian's Goodnight," with much expression.

James Noble Kaizer, of Kentville, who came to Wolfville on Christmas eve to celebrate was up before Stipendiary Crawley on Tuesday morning following, and fined ten dollars and costs, \$12.50 in all. He threatened to "lay it out" but changed his mind and made his contribution cheerfully.

"Who am I?"  
"Oh, just a lonesome little girl who wants somebody to talk to her."  
That's the message reckless Teddy sent tingling over the telephone wire, without knowing anything about the man at the other end of the line except that he had a pleasant voice and knew how to jolly.

It was risky, but naughty Teddy adored doing dare-devil things, and did until her fiance and his friends cured her of the habit.

Here is a rollicking comedy with Bebe Daniels at her best.

6 DAYS  
**STOCK TAKING SALE**  
6 DAYS

Starting Monday, January 10th and running thru the week ending January 15th.

One would think from most of the advertisements that stores are selling all their merchandise without one cent of profit.

Is the public deceived by such talk?

We openly acknowledge to our customers and the world that we generally make a profit except on certain sales like the present one where we have cut off the profit to cut down our stock.
