The copy filmed here has been reproduced thanks to the generosity of:

Library Division
Provincial Archives of British Columbia

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Reformed Episcopal Church.

To the Congregation of the Church of Our Lord:—

At a meeting of your Committee, held on the 10th inst., an audited financial statement was submitted and adopted. The total receipts for the fifteen months, ending June 30th, amounted to \$4205.15, and the disbursements for the same period to \$4155.74. Our outstanding liabilities on October 31st, amounted to about \$550.00, the Bishop's stipend being in arrears somewhat over two months, and \$225.00 being due for municipal taxes on church land (three years arrears).

Last year at this date our outstanding liabilities amounted to over \$900.00. To pay this amount, special efforts were made and the offertory on Anniversary Sunday amounted to \$394.45. In addition to this the ladies of the congregation realized over \$500.00 at their bazaar and entertainments. The thanks of your committee and the congregation generally are due to those who labored so zealously and with such satisfactory results.

The affairs of the church during the past year have been managed with due regard to economy and the financial depression existing during the past summer.

The result of the introduction of the envelope system as an auxiliary to the usual offertories, has resulted in an increase of revenue of nearly twenty per cent. from that source. If the number of subscribers to the list could be augmented, it would certainly be a great help to our revenue.

It is earnestly hoped that the result of our anniversary collections, on Sunday next, will be such as to encourage your committee to make some needed repairs to our church and surroundings.
