The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TORONTO April 1852

The Publisher relies on the support of the various Municipalities for the present publication. It is designed specially for their benefit, as were also the two previous editions.—the sales of which were not sufficient to reimburse even the outlay.

- You are respectfully requested to bring this circular under the early notice of the Council of the Municipality.

The present collection, being the Third Edition of the "*Municipal Manual for Upper Canada*," comprises the Acts of the Legislature to the present period, in reference to Municipal affairs. The work will be found convenient for reference, and indeed, indispensable to those affected by, or having duties to perform in relation to the Municipal system that is established by law among us. The Acts referring to Municipalities are scattered over numerous volumes of the Statute Book, and cannot be readily referred to there, by those having occasion to consult them, or on whom the duty devolves of carrying their provisions into effect; the present collection, therefore, in a compact form, will obviate the inconvenience of so extended a reference, and supply a want, which, it is hoped will be appreciated by those, whom it is the object of the publisher to aid and serve. Appended to the volume, there is a list of Acts passed in 1849, 1850 and 1851, not included in the *Municipal Manual*, but which it may be necessary to consult at times.

HUGH SCOBIE,
PUBLISHER.
