## REPORT OF THE COMMITTEE OF MANAGEMENT.

---

ST. ANDREW'S CHURCH, 14TH SEPT., 1881.

The Managers regret that they have not a more favourable report to submit to the congregation for the year ending 31st August, 1881.

The Premiums of Insurance falling due this year, together with necessary repairs to property, represent a sum over and above ordinary expenditure of \$540.96, and, in addition to this, the revenue has fallen off, as compared with last year, \$85 24.

At the last annual meeting two special collections were appointed for repairs to property and to meet the Insurance premiums, but the sum of both together only amounted to \$68.41, not sufficient to meet the smallest item, viz.: repairs to Manse. This was very discouraging and disappointing, but probably the object of these collections was not properly understood.

In addition to the items of Repairs to Property and Premiums of Insurance, referred to above, the Minister's travelling expenses for several years to Church Courts were paid this year, viz.: \$64.25, and on account of the severity of last winter the fuel account was larger than usual, say \$93.75, as against \$63.00, which is the average amount. Again, the Temporalities' Board having ceased to pay Dr. Smith his usual allowance, an item which was guaranteed him by the congregation, the Board of Managers were obliged to advance this sum, \$94.00, for half year ending 31st July, 1881, pending the decision of the Court, when it is expected this amount will be refunded.

The statement herewith submitted shows a deficiency of \$482.26 for this year; of this amount the Temporalities' may refund \$94.00, but the balance must be provided for in some way, the Managers can suggest no other than by an increase of revenue.

It must be borne in mind that this deficiency is in addition to what is known to the congregation as old debt, which is now \$810, showing the total liabilities of the Church to date to be \$1292.26.

The Church is absolutely in need of a new furnace, which must be put in immediately and which it is estimated will cost about \$350.00; this will be an additional expenditure for next year.

Your Committee recommend that four Sabbaths next year be set apart for special collections, viz.: first Sabbaths of November, December, February and March; the amount collected to be applied towards the expenditure of heating the Church properly, and any surplus to go to liquidate the deficiency of this year.

The Board loses a valuable member by the removal of Mr. Woods to Stratford. He has been connected with the Management of St. Andrew's Church consecutively for thirteen years. Our best wishes go with him and his family, for their success and happiness.

Besides Mr. Woods' unexpired term, one year, for which a new member must be elected, Messrs. Harold, Carroll, Irving, and Ross, retire this year, all of whom are eligible for re-election.

REPORT OF THE COMMITTEE OF MANAGEMENT.

---

ST. ANDREW'S CHURCH, 12TH APRIL, 1882.

At the last annual meeting held on 14th Sept., 1881, it was proposed to change the date of holding the annual congregational meeting from the second Wednesday in September to the second Wednesday in April for several reasons, but chiefly, that the statistics of the church might be brought down to a date as near as possible to the General Assembly Report.

At a special congregational meeting held on October 19th, 1881, called for the purpose of considering the notice of motion in reference to the above, it was resolved to adopt the change.

The statement submitted herewith, for seven months ending 8th April, shews a reduction of the liabilities of the congregation, after paying current expenses, of \$135.63, counting the sum of \$188.00 advanced the Minister on account of the Temporalities' Fund as an asset. The amount still due is \$346.63. Your Committee hoped to have had the pleasure of announcing at this date that the four special collections appointed at the last annual meeting had been sufficient to wipe out this balance, but they regret that their hopes have not been realized.

The arrears amount to \$140.00, most of which may be paid in before the list is published.

The retiring Managers are Messrs. W. G. Craig, Wm. Fee, James Minnes, and J. M. Strange, all of whom are eligible for re-election.

All of which is respectfully submitted.

A glance at this statement will shew that it only remains for those in arrears to pay their subscription to almost wipe off the debt. Much is lost by holding back the subscriptions. Since the payment of the debt was undertaken in February, 1877, the sum of \$609.43 has been paid away in interest. A large portion of this might have been saved.

The foregoing is the position of the debt fund in May, 1881. Since that date no subscriptions have been paid. The amount on hand has been reduced by the following payments :

May 14, 1881—Jas. Minnes half year's int. on Bond No. 3, \$1000	\$35 00

Unless the subscribers come forward and pay their subscriptions this old debt cannot be paid off.

The Sabbath School desires to express its gratitude to the Divine Teacher for the success which has attended its efforts during the period under review.

The largest attendance recorded present at one session is two hundred and ninety-seven, and the average attendance has been two hundred and thirty-seven.

Since submitting the last report a number of changes have taken place in the staff, and we miss many faithful workers whose faces were once so familiar in the School, viz. :—Mrs. Mowat, Mrs. Riddell, Misses Shannon, Lafferty and Dickson, and Messrs. J. M. Strange and S. Woods—some by retirement, some by marriage, and some by removal. Wherever they are, and whatever they are doing, our best wishes go with them.

The school continues to study the " International Lessons " published by the Presbyterian Board of Publication, Philadelphia. Its Mission work is the same as last reported, viz. : the support of two orphans in India, besides subscribing liberally to the Canadian School there and the Home Mission work in Canada. The Library has been replenished with a new collection of books, but to do this the funds of the school have scarcely been adequate, and there are several accounts unpaid.

We desire again to record the valuable and faithful services of Miss Irving as Organist, and also the kind and efficient assistance of Miss G. Fraser at the instrument during Miss Irving's temporary but unavoidable absence from the city.

The usual quarterly children's services have been held in the church, and the annual summer and winter entertainments have been enjoyed.

Finally, we extend a cordial invitation to all who may wish to visit or join the school, and assure them of a hearty welcome.

T. G. SMITH,  
*Superintendent.*

JAS. POLLY,  
*Secretary.*
