- 2.30 p.m., ski meet at Royal Roads.

## Warning Issued By SDC Chief

With the Winter Carnival fast approaching, Ted Boswell, chairman of the Student Disciplinary Committee, states that wrongdoers during the event will receive "the usual treatment".

He said that penalties for misconduct will not be increased, but that the usual standards of justice will apply. He also reiterated the following regulations concerning student behavior:

(1) Any student at a student function displaying the fact that he has intoxicating liquor in his possession shall have his name reported to the SDC, shall have the liquor confiscated and shall be asked by the campus police to leave the function.

(2) Students making a display of profane language at any student function are liable to discipline through a report from the Campus Police to the SDC.

(3) Unbecoming conduct at a student function may result in discipline through the SDC acting on a report from the Campus Police. Meanwhile, Bill Pollock of the Winter Carnival Committee said that all available campus policemen would be on duty during the celebrations. They will be reinforced by a number of committee members authorized to serve as policemen.

The committee has also arranged to have a number of city policemen on duty at the dances.

**CARNIVAL COMMITTEE:** Shown above is the Winter Carnival Committee, the people responsible for organizing this year's show. They are, from left to right, front row: Roy Sperano (Civil 5), opening night; Mary Love (Arts 3), secretary; Jack Ellison (Civil 5), chairman; Biddy Wilson (Arts 3) queens; Carolyn Somerville (Business 4), social. ## CARNIVAL TO FEATURE STAN WILSON

### Fireworks Display Set For Thursday

This year's Winter Carnival fireworks display will be the biggest yet, the carnival committee announced this week.

The show is scheduled for the green opposite the Legislative Building at 7.30 p.m. Thursday. Following the display, a torchlight parade, consisting of about 200 torch-bearers, will wind its way up University Avenue to the Lady Beaverbrook Gymnasium, where the carnival will be officially opened.

Also to take part in the parade will be the UNB Band, cheerleaders, drum majorettes and any interested students.

### 'Streets of Pompeii'

Come and have your fortune told, wish on three coins in a fountain in an authentic Roman courtyard with Roman colonnades, music and lovely maidens beside the "Streets of Pompeii" on February 16th.

### Art Through Thought At SCM

Miss Lucy Jarvis, Director of the Art Centre, will speak to the SCM this Sunday at 2:30 p.m. on the theme, "Art and Religion". In the talk Miss Jarvis will discuss the role of art from the Middle Ages until the present century in mirroring the development of Christian thought. Anyone interested is cordially invited to attend.

### PEOPLE NEEDED

People are urgently needed to carry more than 200 torches in the parade immediately following the fireworks on Queen's Square.

Stan Wilson will be the featured entertainer at this year's Winter Carnival. Stan has a free and easy singing style, and is at home with anything from calypso to folk and popular songs.

He is scheduled to sing at the carnival's opening night show on Thursday, Feb. 5, in the Lady Beaverbrook Rink; and will also perform during the Friday and Saturday night dances in the Lady Beaverbrook Gymnasium. This will be his first appearance in Canada. He arrives in Fredericton by air tomorrow evening.

Well known on the west coast of the USA, Stan was the headliner at San Francisco's Hungry Eye Club for three years. Then he left for Hawaii where he did a record-breaking 63 weeks stint at Waikiki's Puka Rathseller.

Stan's other engagements have included stays at the Tiffany Club in Hollywood, the Thunderbird in Las Vegas, and the Riverside Hotel in Reno, the Blue Angel in New York, and Chicago's famous Black Orchid. In all, these clubs, according to the show business paper Variety, the patrons kept calling for more and more of his songs.

His stay at the Clouds, a top club in Honolulu, brought the following comments from a local newspaper critic: "One of the most warmly received entertainers ever to appear here. His style can be described in one word, stirring."

Frankie Laine gave Stan his first recording break, after hearing him sing, he recommended him to Cavalier Records. Since then he has also recorded on such labels as Verve and Clef.

Some of Stan's recordings can be heard on the Norm Butler Show over CFNB. Norm will be spinning them from now until Carnival time. A Combination of Belefonte, Burl Ives, and Josh White; that is what they call him, so Stan should please a good majority of the people.

### Sculpture, Float Plans Completed

The snow sculpture competition, a popular feature of the Winter Carnival, has assumed added importance this year with the expected presence of representatives of "Life" and "Time" magazines. A greatly increased number of entries is anticipated, and all attempts must be registered with Dave Fairbairn of the Winter Carnival Committee at 5-3001 by 12 o'clock on Thursday to be eligible for judging. All entries for the float parade must also be registered by noon tomorrow with Dave.

A new sculpture competition has been started this year because of the additional men's residences. They and the Lady Beaverbrook Residence will compete for a trophy donated by "The Daily Gleaner". In addition a new scoring system has been initiated. Twenty points each will be awarded: finish, detail, originality, general appeal, and size.

In past years a Saturday morning Float Parade has been one of the biggest highlights of the Carnival. One of the most highly contested competitions in this feature is the annual faculty competition. This year the Carnival Committee has attempted to stimulate further competition by offering a cash prize of \$50 for the best float in this class.

In conjunction with the new judging system for snow sculptures, a similar plan has been initiated for floats. There will be 20 points each for: originality, finesse, color, method of presenting Queen, and additional features — such as, humour and mechanical movement.

All the faculties have entered this year's parade. The University's four residences will compete for a trophy donated by Mayor Wm. T. Walker. Many floats for the town competition have already been

entered, but any other group or club interested in entering a float will be gladly welcomed.

This year's parade will again feature the University Band, capably led by Mr. A. F. Trythall, UNB's music director. Efforts are now in progress to obtain the services of another band or marching group.

The Fredericton Riding Club, UNB's cheerleaders, and drum majorettes will once again add sparkle and beauty to the parade.

### ART BALL SOON

The Robin Roberts Orchestra will provide the music for the forthcoming "Arts Ball" on Friday, February 20, at the Lord Beaverbrook Hotel. Tickets are available to all Arts, Bus. Admin., and Phys. Ed. students (one guest couple may be invited also) for \$2.00.

Dancing is from 9.30 - 2., and no corsages is the rule.

### Ticket Sales Said Heavy

Advance ticket sales indicate that the Winter Carnival will be a sell-out, the carnival committee said this week.

Carnival passes are available all day at George's Men's Wear and at the Teenager Shop and in the afternoons only at Creaghan's. Up the Hill, tickets will be sold at the Bookstore during regular business hours and at the Student's Centre between 12 noon and 2 p.m. daily.

Separate admissions will be sold for all events except those taking place in the gymnasium. Only passes will be honored at the varsity basketball games and the two sock dances.

Students are reminded that admission to "Vicki" will be honored only on the date shown on the carnival pass.

### Vandals Rifle Gym, Locker; \$180 Missing

A thief or thieves Thursday afternoon forced a locker in the Lady Beaverbrook Gymnasium and made off with the contents of a wallet, the property of Vaughn Dunfield, a second year engineer, reported to

contain the sum of \$30 in bills and a cheque to the value of \$150. This has been but one of a series of locker riflings reported in recent weeks. City Police are investigating, but had made no announcement concerning arrests at press time.

# Winter Carnival Grows In Importance

## Pro Entertainer Added this Year

By DAVE BETTS

The winter of 1956 saw a very important figure first grace our campus in the form of the Winter Carnival "Bonhomme". Since 1956 he has grown to be of great importance as a major part of the winter social and sports activities at UNB.

1956 was the year for the inauguration of the carnival, which then featured a float parade, snow sculptures, fireworks display, crowning of a carnival queen, and numerous exciting sporting events.

The celebrations have become so popular that this year the carnival committee decided to add a professional entertainer in the person of Stan Wilson.

### More Popular

To see the growth in both size and popularity of our carnival, we need only look back to former years and note the huge change in the number of floats and sculptures entered in the competition. Last year only twelve floats appeared in the parade. This year the number of entries far exceeds that total.

## Prexy Praises Carnival Group

**DR. COLIN B. MACKAY**  
... UNB's president

Dr. Colin B. Mackay, university president, has high words of praise for the Winter Carnival Committee.

In a statement to The Brunswickan, he said the committee has done "an excellent job of organization again this year."

This annual event has become a part of the traditional pattern of student life at UNB, and I know that Mr. Jack Ellison and his many assistants have continued to set a high standard for this event.

"I feel certain that the committee would wish me to thank the many citizens, the press and the radio, for the enthusiastic support which they have given to this project. From the beginning we have had the interest and support of the citizens of Fredericton, and this has helped to make the Carnival an event which is enjoyed by the whole Fredericton community, both city and university."

### COMING FOR SHOW

Reporters from Time and Life Magazines, and The Toronto Telegram will be on the campus Friday and Saturday to cover the Carnival activities.

### SEMI-FORMAL

Many local dignitaries will be present at the opening of "Vicki" tonight. Students are advised that dress for this premiere performance will be semi-formal.

### DEADLINE SET

The deadline for entering snow sculptures in the various competitions is Wednesday. The deadline for floats is Thursday. All entries must be recorded with Dave Fairbairn at 1-2450 or 5-8001.

Each year the carnival has been fortunate in fitting in well with MIAU schedule, thus allowing a full schedule of varsity athletics during the three-day event. Each year, the carnival has featured a hockey game on Saturday afternoon between Mount Allison Mounties and the Red Devils. In these matches UNB holds a 2-1 record. This year the Devils will be out to make it a 3-1 effort as they and the Mounties meet again.

Always Featured  
The Red Raiders and Red Bloomers have always been featured as the students storm the Lady Beaverbrook Gymnasium for the basketball and the subsequent dance. For skiing enthusiasts, Royal Roads this year offers ski meets for three days, Friday, Saturday and Sunday. Here the Red Falcons will compete in invitational and open meets. Each year at carnival time, the Lady Beaverbrook Residence has been the scene of swim meets between UNB Beavers and other Maritime teams.

With all these sports represented, the Carnival theme has had an emphasis on sports. Last year a new attraction was added in the form of Steve Patterson's show, "Around the World in Eighty Minutes". The production was the first venture of this kind, but was an immediate success, being held over for an additional performance. Mr. Patterson has written another show for this year. It's entitled "Vicki". This event will be staged in the Memorial Hall Theatre and is scheduled for five performances.

Novelty Events  
The extent of the Carnival's novelty events, namely the fireworks display and torchlight parade has been greatly increased due to increased interest. The custom has been to open the carnival with the dazzling display of rockets on the Legislative green, followed by a Torchlight Parade wending its way up University Avenue to the opening ceremonies which this year will be held outside the gymnasium.

Socially, the Friday and Saturday night sock dances in the gym have been huge successes. Previously, one of these dances was a record-hop. However, this year two dance bands have been booked. They are the Collegians and Robin Roberts' Orchestra from Camp Gagetown. Also to be featured at these dances will be Stan Wilson.

The Tradition is being broken this year in that the Carnival Queen is being crowned on opening night instead of at the closing dance. The race for Carnival Queen has always created interest both on and off the campus.

## Patterson Show Said Better Than 'World'

By JOAN YOUNG

Many people wait with expectation for tonight's opening of "Vicki", Stephen Patterson's second musical comedy. As nearly everyone knows, last year's production of "Around the World in Eighty Minutes" closed as a complete success in all respects. It achieved uniqueness in packing Memorial Hall for five consecutive nights and an additional performance had to be held due to popular demand. Many have said in the past few weeks that Steve could not possibly do it again. After having witnessed several rehearsals, we are sure that this year's show will be even better.

Steve says that the most important single thing that he learned from last year's show was that to make a real improvement, he would have to develop his characters to a greater extent. This he has done! We feel that the audience will immediately fall in love with this typical Victorian family and will soon be com-

pletely absorbed with their laughable domestic problems. What may prove to be the highlight of the show is the charm exuded by three very entertaining children from St. Dunstan's School, who have already stolen the hearts of the cast and stage crew.

The props and scenery are also going to add a great deal to this year's production. Cathy Davis and Hugh Millar have their crews working very hard at present on many detailed and colourful sets. The costumes will undoubtedly be another highlight of the show. Janet MacNair has been working on these for several weeks now, and has come up with authentic replicas of late Victorian styles.

As you probably know by now, "Vicki" starts tonight and runs until Saturday. Because of the spectacular carnival opening there will be no performance on Thursday evening but a special matinee will be shown on Friday afternoon. Admission to the show will be covered by a carnival pass and it would be advisable to purchase one at a very early date. There will be a few separate admissions sold to this event, but the number is limited and many people may be turned away at the door.

## Dance Plans Nearly Final

Plans are well under way for the social events, of the Winter Carnival. The Social Committee reports that already the final plans are just about completed.

Following the basketball games on Friday night a sock dance will be held in the gymnasium. The well-known Collegians will be on hand to supply the music. Chaperones for the event will be Professor and Mrs. W. Y. Smith and Professor and Mrs. J. K. Chapman.

The final highlight of the Winter Carnival will be another sock dance on Saturday night in the Gym. As on Friday, dress will be casual sportswear. Music will be supplied by part of the Black Watch Band from Gagetown, under the able direction of Robin Roberts. During intermission the trophies for floats and sculptures and a number of other awards will be presented. Chaperones in attendance are to be Professor and Mrs. A. L. McAllister and Mr. and Mrs. J. C. Murray.

### LECTURES CANCELLED

UNB students are being given a holiday from lectures to encourage them to participate in this year's Winter Carnival. Dr. Colin B. Mackay, university president, has cancelled all lectures scheduled for Friday afternoon and Saturday morning. However, there will be classes as usual on Friday morning.

**ROGER CATTLEY**  
... male lead

**ZORA OLDHAM**  
... supporting role

Shown are Carol Ann Brewer (left) and Dave Wilson, two members of the cast of Steve Patterson's "Vicki" the musical comedy which opens at 8.15 tonight in Memorial Hall. The show is a feature of this year's Winter Carnival and is scheduled for a total of five performances.

# Which One? That's Problem for Judges

**ANN MORRISON**  
... Forestry

The Forestry Faculty has picked Ann Morrison as their choice for Miss Winter Carnival of 1959. This friendly candidate is an avid sports enthusiast and is actively involved in synchronized swimming and cheerleading, as well as spending a great deal of time at the ski hill and the skating rink. She is also an authority on the subject of birdwatching.

Her musical interests lie in the semi-classical and old standards vein, but 18-year-old Ann is also cultivating a taste for classical works. Although she is indifferent to rock 'n' roll music, her only violent negative reaction comes when the name of Elvis Presley is mentioned.

She is very busy UP the Hill — "too busy at times" — but rather likes all the activity. Ann's only complaint is that because she lives in Fredericton, she cannot stay in the residence which she terms as "a very real part of university life."

Miss Morrison feels that UNB's current fund-raising campaign will be a success and hopes that the university will become bigger and obtain increased recognition. But she also wants it to remain small enough to retain the friendly atmosphere now so evident on campus.

In clothes styling, Miss Morrison is much in favour of the sack dress. When asked if she would prefer the style with a shorter hemline, she said, "I guess it's alright for a girl with the right kind of legs."

At the moment her favorite subjects are English and Biology, but after completing her liberal arts course she hopes to go to McGill for post-graduate studies. After that, she would like to go into social work.

### WRESTLING SET

An additional feature of this year's carnival will be a wrestling match to be held at half-time of the men's basketball game on Friday evening.

**ESTHER HOYT**  
... Engineering

The "men of the slide-rule and transit" have chosen Esther Hoyt, a lively 18-year-old as their queen candidate. She came to UNB this year after graduating from Saint John Vocational School, and is an active member of the Choral Society and the Arts Society.

Miss Hoyt enjoys semi-classical music and is extremely well versed on the subject. She dislikes rock 'n' roll. When asked to comment on Elvis Presley her only reply was "Ugh."

Esther hopes that in years to come a ladies' residence will be built on campus. However, she is perfectly satisfied with the Maggie Jean and says: "It's a wonderful place — the girls seem to get along well with each other."

One of Miss Hoyt's favourite spectator sports is football and although she doesn't completely understand it she says she learned a great deal last season. Next year she hopes the Athletic Department will initiate a campaign to teach the game to interested spectators.

When asked to tell about her home town, Winalton, N.B., she said: "Oh, it's quite a nice place, but it's really just a widening in the road."

Miss Hoyt's scholastic interests lie in Chemistry and Biology, and she desires to go into research upon graduation.

### QUEEN'S STORIES

The stories on the candidates for Carnival Queen were written by Dave Fairbairn. Judging will be by Mrs. Murray Palmer, Rev. J. F. Farmer, Murray Falconer, Jack Murray and Brig. E. C. Brown. The result of their deliberations will be announced Thursday evening.

**URSULA RODSEWICZ**  
... Arts

An 18-year-old physical education student, Ursula Rodzewicz, has been chosen Miss Arts of 1959.

Ursula is a jazz enthusiast, but enjoys all types of music, with the exception of rock 'n' roll and the western variety. She lives in the Maggie Jean Chestnut House and enjoys residence life very much. Her only complaint: "I live right beside the phone-can't get a thing done."

One of her reasons for coming to UNB is that she liked the size of the University and thus can get to know people. Due to her warm personality and pleasant disposition this has been quite easy for Ursula. During the coming Winter Carnival, Miss Rodzewicz is looking forward to seeing Vicki and the multitude of snow sculptures which will adorn the campus and many city streets.

Ursula is on the swim team and plays badminton. Her favorite spectator sport is hockey. She is also keenly interested in photography.

In 1951, Ursula left Hanover, Germany, to come to Cornerbrook, Newfoundland, where she still resides.

Upon being asked to tell something about Germany she explained that she was very young when she left. However, with a wink, she says "I think Canadian boys are much more interested in girls than the German boys."

After completing a physical education course she hopes to teach in Newfoundland because she feels that "there is a great need for teachers there."

**BETTY ROOKE**  
... Science

Betty Rooke, a 17-year-old freshette hailing from Moncton, has been chosen to represent the scientists in their quest for the Carnival Queenship. Miss Rooke plans to take one year of liberal Arts before beginning a three-year stint at the Montreal General Hospital. Her reason for moving is, as she put it, "I like Montreal, and I think that a great deal can be learned at such a large hospital."

Betty's main interest, besides active participation in the Arts Society and Ladies' Society, is listening to classical music. In the popular music field she has much admiration for Crooners Frank Sinatra and Perry Como. About Elvis Presley she says, "I can tolerate his voice, but I can't stand watching him." Betty is well qualified to form an opinion on music, for she is an accomplished pianist after twelve years of lessons.

Miss Rooke feels that the Winter Carnival is one of the highlights of the year up the hill. She personally feels that she will enjoy most of all, the annual visit of the faculty queens to the crippled children at the Polio Clinic. She says simply: "I just love kids."

Betty is much more in favour of having the queen crowned on opening night as opposed to last year's method of a Saturday night crowning. She feels that the queens will enjoy the Carnival much more if they don't have to worry about the judges' decision.

### BADMINTON NOTICE

There will be no badminton on Tues., Feb. 3. Play will be on Thurs., Feb. 5, from 8-11, instead. Play on Sat. is cancelled due to Winter Carnival.

**CHRISTINE LLOYD**  
... Business Administration

Christine Lloyd, a 19-year-old Welsh lassie, is this year's candidate for the business administration students. This friendly blonde was born in Pristatit, Wales, and lived there until five years ago when she moved to Newmarket, Ontario. When asked if she ever plans to go back to Wales to live, she replied: "Home is where your friends are and my friends are in Canada."

Miss Lloyd is keenly interested in music and collects records of the Broadway shows. She has accumulated all the works of Rodgers and Hammerstein. After being asked to form an opinion on rock 'n' roll, she reluctantly replied that "it was all right in its place."

Chris is a member of the Ladies' Society and Social Committee, and is working on set designs for Vicki. She lives in the Maggie Jean and says that residence life "has its advantages and disadvantages." Miss Lloyd says that she is completely captivated with the "small college" atmosphere at UNB, and agrees that it allows people to get to know each other. As far as Chris is concerned making friends has been quite easy because of her good looks and friendly disposition.

Miss Lloyd has no definite plans for the future except to keep happy. No matter what she chooses to do, her relaxed charm will always be an asset.

### PHOTO CHANCES

Winter Carnival officials expect that many interested persons will wish to take pictures of the opening ceremonies in the Lady Beaverbrook Rink Thursday evening. Rubber mats will be placed on the ice for this purpose, and officials request that the shutters stay in this limited zone.

## Queens of Yesteryear

**JANET MacNAIR**

**AUDREY CHEESMAN**

**LOREE BREMNER**

This year's Winter Carnival Queen has three predecessors. Janet MacNair, now a senior, was the first queen, winning in 1956 as the representative of the engineering faculty. The next year saw the crowning of Audrey Cheesman, much to the delight of the science students who had nominated her. Another science queen, Loree Bremner, now a junior, was last year's winner. At press time, the identity of this year's queen remained a deep, dark secret, though the field has been narrowed down to five candidates. The coronation will take place Thursday evening in the Lady Beaverbrook Rink.

# Sports Headline Carnival

## Basketball

At 7 p.m. Friday evening the UNB Red Bloomers will square off with the Women's Varsity Basketball Team from Dalhousie University. This intercollegiate game will be one of a home-and-home series with the Haligonians. The Bloomers have played "heads up" basketball defeating teams from many New Brunswick centres. Coach Iris Bliss will probably start Dede Smith, Barb Barnes and Jo-Ann Carr at forward and Biddy Wilson, Punc McElman and Doady Armstrong at guard. Coach Bliss herself, a former UNB star, is fortunate in having a very strong bench in Eileen Stiven, Di Sanger, Lorraine Gardiner and Janet Murray. In many circles the Dalhousie Team is thought to be the strongest contender for the Maritime Intercollegiate Crown. This team is made up of many returnees from last year's finalists and should give the UNB girls their toughest game of the season.

The second game of the Friday night doubleheader basketball feature will see the UNB Red Raiders pitted against the St. Dunstan's Saints from Charlottetown, Prince Edward Island. This will be the second N.B.-P.E.I. intercollegiate game for our own local court men while the Saints have played Mount Allison once and have been set back once.

The St. Dunstan's Saints who have dropped a close game to the Mount Allison Mounties will play their second consecutive Winter Carnival basketball game. High scorers on the team are Collins, McGuigan and Tingley. The Saint's captain, Alfred Morrison will lead his teammates in their

## Snow Bowl Game Set For Friday

An added feature of the Winter Carnival this year will be the inauguration of UNB first Snow Bowl football game. The game will pit the men of Aitken House against Don Nelson's crew from Jones House, and will be held at 2 p.m. Friday on Buchanan Field beside the gymnasium.

From all reports it seems like both teams are practicing hard for the contest. The carnival committee hopes for more snow to make the game a little more interesting.

Both squads will contain numerous members of this year's championship Red Bomber football team. They include Johnny Shakelton, Ed Fudge, Rookie Fergusson and Pete "the toe" Rylander.

attempt to topple the local cagers.

The following is the Saint Dunstan's lineup: Alfred Morrison, L.F.; Lorne McGuigan, R.F.; Gerard Tingley, C.; Robert Fearon, R.G.; Peter McConnell, L.G.; Brian Noonan, R.F.; Gilius Collins, R.G.; Robert Linegar, L.F.; and Ken MacKinnin, C.

## Hockey

The Varsity hockey game on Saturday afternoon will see the UNB Red Devils clash with the powerful Mount Allison Mounties. Pete Kelly and Ted Bedard will ice a team made up of small, fast skating attackers backed up by big, rugged defencemen. The devils, who have been very successful in the CNBSHL are expected to turn in their finest effort of the season.

Goalie Dave Inch, who has played sensational hockey this season will probably rob the Mountie sharpshooters of many, excellent scoring chances. Veteran performers for the Red and Black include Bob Soward, Tommie Jarrett, Ed McLellan, Currie McCarthy, Don Morrow, Galen Parent, Hedley Savoy, John Sears and Dave Beardsley. Outstanding newcomers to the squad include Norm Bolitho, Frank Barteaux, Al Jones, Francis Hughes, Jacques Bourque. Coach Kelly expects Saturday's game to be a big one and feels confident that his charges will be up to it.

The Mount Allison Mounties who have lost the past two Winter Carnival tilts will hit the ice at 2:30, Saturday, as a greatly improved team from last year's edition. The following is the lineup for the Mount Allison Mounties; Goal, D. Bailey; Defence, B. Brooks, P. Flieger, D. Ratchford, B. Puchie, D. Pedlar; Left Wing, B. Gorham, N. Henderson, B. Wishart, C. Clark; Right Wing, J. Lewis, D. VanSnick, P. Henderson; Centre; C. Norena, G. Mercer, K. Conklin.

Preceding the game will be the annual hockey game between the UNB co-eds and the English Gentlemen from Up the Hill.

## Swimming

The swimming pool in the Lady Beaverbrook Residence will be the scene of action on Friday afternoon at 2:00 p.m., as the UNB Beavers host swim teams from Camp Gagetown and the Saint John Y.M.C.A. The Beavers have shown the same excellent form this year that last year brought the Maritime Intercollegiate Championship to UNB. Both of the visiting teams have been beaten this year by the Junior Beavers, but by only close margins. Those competing this year who were members of last year's team are: Wayne Barry,

Dave Graham, and Dave Sanger. Other senior Beavers are: Len Murray, Albert Bene, Steve Jones, Keith Cameron, Herb Mitton, Jim Hayden. Sharing honours on the diving board will be Jerry Shore and Dale Milton.

Synchronized swimming to the overture from South Pacific will be featured during the swim meet. Precision is the main essence of this display. The girls taking part in this added attraction are: Anne McCready, Freddie Critchley, Iris Bliss, Zora Oldham, Dede Smith, Trudy Maag, Anne Morrison and Janet McNair. Mary Jo Elson, with the assistance of Mrs. Anderson, has coached these girls to a high degree of excellence.

## SKIING

Throughout Winter Carnival weekend, kiers from the maritime provinces will strap on the "boards" to compete in the Intercollegiate and Maritime open ski meets. These events will take place at the Royal Roads ski hill, several miles outside of Fredericton.

The Red Falcons will be out in force to defend the Intercollegiate and Maritime-Open titles which they have won for the past three years. They will meet strong teams from Mt. Allison, St. F.X., and the Halifax Ski Club. Coach Fred Spinney's roster includes; Rodger Houde, (Capt. and 4-way man), Hans Anvik (4-ways), Toby Rankin (slalom & down-hill), Ken Maxwell (slalom & down-hill), Grant MacKenzie (Slalom, down-hill, and cross-country), Tom Sifton (cross-country), Don Beattie (slalom & down-hill), Steve Sadler (jumping), Jack Cushing (jumping), and Bill Clark (slalom & down-hill). UNB's intercollegiate team will be made up of eight members of this squad.

## UNB Wins All In Recent Intercollegiate Action

UNB Varsity teams completed a successful two nights competition with four victories in as many tries.

The Red Bloomers have established themselves as favourites in the Women's Maritime Intercollegiate Basketball race, by picking up successive road victories over a strong Dalhousie aggregation and Acadia University at Wolfville.

Paced by Barb Barnes and Dede Smith with 25 and 17 points respectively, the Bloomers defeated Dalhousie 63-52. This was the first win in approximately ten years that the UNB Co-eds have scored on Dalhousie's home court.

The following evening, the Bloomers swamped Acadia 43-16 to take their second straight victory. Peggy Colpitts with 13 points and Dede Smith with ten led the UNB scoring attack.

Last Friday evening the UNB Red Raiders opened the defence of their NB-PEI Intercollegiate Basketball crown, with an 85-71 victory over the Mount Allison Hawks.

The Raiders held a commanding lead throughout most of the game, played in the Lady Beaverbrook Gym, until the Hawks put on a fourth period drive to close the gap.

Francis McHugh was the UNB offensive star, dumping in 24 points. McHugh was followed by Lonny Taylor with 15, Don Morgan 13, and Dave Petrie 10.

The outclassed Hawks were led by tall, lanky Herb Mays with 24 points and Harve Penner with 22.

The Red and Black are at home tonight against a sharp-shooting

squad from Washington State Teachers College at 8.30 p.m.

## DEVILS DEFEAT MOUNTIES 2-1

The Red Devils picked up their first win in NB-PEI Intercollegiate Hockey play, as they edged Mount Allison 2-1 in a close hard-fought game in Sackville last Friday night.

Again, in a starring role for the Devils was netminder Dave Inch. Inch blocked 41 shots, including several breakaways.

Tommie Jarrett and Currie McCarthy triggered the UNB markers. McCarthy had another goal called back by referees Cy Taylor and Dewar Judson. Phil Henderson scored the Mounties only marker from a scramble while UNB was short two men.

"Fly away, Sheedy", said J. Paul's\* tweetie, "Your hair's too seedy for me".

Sheedy was sitting on his girl's front perch. "My love for you", said he, "is plain as the nose on my face. Toucan live as cheeply as one, so..." "Stop", she cried. "I'll never be yours till you do something about that messy hair" So Sheedy hopped down to the store and pecked up some Wildroot Cream-Oil. Now his tweetie is happy because his hair always looks handsome and healthy without a trace of grease. Nest time you're at the store get a bottle or tube of Wildroot Cream-Oil. It's guaranteed to make your hair look good to other people!
