

The Acadian

DEVOTED TO THE INTERESTS OF WOLFFVILLE AND EASTERN KINGS

Vol. XL, No. 30.

WOLFFVILLE, NOVA SCOTIA, FRIDAY, May 13, 1921.

\$2.00, payable in advance

Splendid Entertainment

Given by Girl Guides Saturday Afternoon

The Girl Guides are to be very heartily congratulated upon their attempt to give a public entertainment. The Opera House was crowded to capacity on Saturday afternoon and all were loud in their praise of what they saw, heard and enjoyed. The whole troop comprising thirty-two guides, with their Captain, Leader and Lieutenants, presented a very epic and span appearance in their new uniforms—white middies, navy blue skirts and blue ties, with shoulder knots in respective patrol colors—yellow canaries, green chickens, and black crows.

They started with a typical Girl Guide meeting—repeating the scout Promise, honoring God, by singing the Doxology, and the King by the National Anthem, reading minutes and calling the roll. Mrs. Cohoon, the County Secretary, distributed badges, the recipients being—Eleanor Cohoon, Tenderfoot; Ena Roop, Marjorie Mason, Grace Perry and Margaret Allan, Second Class; and Essie Tamplin, First Class. The Captain, (Miss Chisholm), having explained their system of competitions and monthly awarding of marks presented rings to the winners for April who were Beatrice Foote (Canary Patrol) Ruth Foote (Chickadee Patrol); Ena Roop and Elizabeth Ford, equal; (Crow Patrol); Each patrol in turn, sang a song and gave its yell. The whole exercises were done in a most creditable way.

Mrs. Ingraham gave a brief but interesting address, in which she outlined the Girl Guide Movement generally, in England and the Dominion in particular, gave the history of it in Wolfville, where, a year ago, an experiment was made with a patrol of the youngest girls. Miss Tamplin who formerly belonged to the Hopewell Troop of Girl Guides, undertook the work, and succeeded so well that the organization was perfected and ever since, they received more applications for membership than they could find sufficiently trained leaders to take charge of the patrols. They were fortunate in having an ideal Captain in Miss Miriam Chisholm, to whom was largely due the unqualified success of their first entertainment.

The program included an amusing reading given by Miss Frances Sanford, a delightful violin solo by Miss Grace Perry, and a creditably rendered vocal solo by Miss Nita Tretaway, and concluded with an amusing comedy, "The Clancy Kids" in which the cast was as follows:

Hopeful.....Miriam Coit
Martha.....Frances Brown
Mary.....Bernice Cohoon
Dolores.....Beatrice Foote
Dandelion.....Bernice Hales
Mrs. Clancy.....Grace Beardsley
School Mates:
Daisy Van Sorrel.....Lauretta Benjamin
Rexie Flouque.....Elizabeth Ford
Nathalie Whittier.....Jean Creighton
Dora Smythe.....Zelma Tretaway
Pearl Dickory.....Essie Tamplin
Fluff—a colored maid.....Margaret Allan
Mademoiselle a governess.....Claire Cutten
Mrs. Van Sorrel.....Ruth Foote
Guests—M. Mason, N. Tretaway, G. Shaw, L. Miller, Sarah Wallace.

FUNERAL OF LATE JOHN W. VAUGHN

The funeral of the late John W. Vaughn took place at 2 o'clock on Sunday afternoon, the service being held in the Baptist church, where the deceased for so many years had been an active worker. Special interest attached to the occasion by reason that that Sunday was the 49th anniversary of the marriage of Mr. and Mrs. Vaughn.

Rev. Dr. MacDonald, the pastor, conducted the service in which Rev. Dr. Gates and Rev. Dr. Cohoon assisted. The church was filled with sympathetic and sorrowing friends come to pay their last respects to one universally esteemed. Music appropriate to the ceremony was rendered by the congregation and choir, including a well rendered duet by Messrs. Prime and Vincent. In his address Rev. Dr. MacDonald paid worthy tribute to the departed, referring in appropriate terms to the deep loss sustained by the church and the community through his passing. He described the deceased as a good and faithful man, who never sought prominence but who always was prominent in well-doing.

The service closed with the singing of the beautiful hymn, "The Sands of Time are Sinking", and the benediction by Dr. Gates.

The internment took place in the cemetery at Gaspereau in the family lot where rest the remains of a beloved daughter who passed away some years ago, and other members of his family.

Dr. Elliott, Messrs. C. S. Fitch, J. E. Shaw, F. W. Barteaux, Edson Graham and J. Howard Barrs were the pallbearers.

Graduating Recitals

Enjoyable Recitals Given by Graduates in Expression

The first of the graduating recitals, given in connection with the closing exercises of the Acadia Conservatory of Music and Fine Arts, was held last Saturday afternoon in Alumnæ Hall, by Miss Helena Davis-Sommerville (Pupil of Florence Abna Holt), who has completed the Teacher's Course in Expression. She was assisted by Miss E. Hortense Griffin, pianiste, who has completed the Teacher's Course in Pianoforte. All the numbers of the following program were well rendered and much enjoyed by those present:

Introduction to Browning.
Youth and Art, My Last Duchess.
(Monologues).....Browning
Miss Helena Sommerville
Sonata op 14, No. 1.....Beethoven
Allegro, Allegretto, Rondo.
Miss E. Hortense Griffin
Roofs.....Joyce Kilmer
Main Street Poems.
Miss Sommerville
The Butterfly (Story).....Dana Burnett
Miss Sommerville
Waltz, opus 64, No. 2.....Chopin
Miss Griffin
Suppressed Desires.....Geo. E. Cram
Miss Sommerville

On Monday evening, at the Baptist church, a recital was given by Miss Hilda Mary Wry (pupil of Mae Churchill Deane), who has completed the course in Expression for a Diploma. Her readings were exceedingly well rendered and thoroughly enjoyed by a large audience. She was assisted by Miss Myra Black Alcorn, violiniste. The program was as follows:

Miss Wry
(a) Hungarian Dance.....Brahms
(b) Berceuse (Jocelyn).....Godard
Miss Alcorn
A Formal Call, Grace MacCrown Cooke
Miss Wry
Monologue, From Long Ago to Now
.....Marjorie Benton Cooke
Miss Wry
(a) Barcarolle (contes d'Hoffman).....Offenbach-Lilienthal
(b) Kutawiak.....Wieniawski
Miss Alcorn
(a) The Weathercock, Words, Longfellow
Music, Liza Lehman
(b) Seein' Things.....Eugene Field
Miss Wry

Last evening, Miss Etta Grace Stuart of the Senior class, gave a recital at the Baptist church. She also is a pupil of Mae Churchill Deane, and has completed the course in Expression for a Diploma. She was assisted by Miss Edys Eileen Wilson. A good sized audience listened with pleasure to the following program:
Act III
"The Piper".....Kathryn Preston Peabody
Miss Stuart
Sonata, op 7.....Grieg
Allegro Moderato
Miss Wilson
Seventeen.....Booth Tarkington
Miss Stuart
(a) Claire DeLune, from Suite Begam
.....Debussy
(b) Rhapsody, op 72, No. 2.....Brahms
Miss Wilson
(a) The Highwayman.....Alfred Noyes
(b) The Foolish Maiden.....Laura Sedgewick Collins
Miss Stuart

CANNING NOTES

The Anniversary Services of the Methodist Church were held on Sunday last, the Rev. J. W. Bartlett, of Charles St., Halifax, being the speaker to large congregations morning and evening. Special music, to which Mrs. Osborne Bower contributed two charming solos, added to the pleasing features of the occasion.

Miss Warns, from Ottawa, will speak on Labrador work under the auspices of the W. C. T. U. in the "Woodburn", on Monday night, the sixteenth inst. Mr. Lawley will show special pictures on the subject.

The Canning Dramatic Club repeated their drama, "Adventures of Grandpa", at Berwick last night.

Mr. and Mrs. Harry P. Newcombe arrived home from Western Canada on the tenth.

Misses Ona and Bessie Newcombe, daughters of John A. Newcombe, arrived from Washington Tuesday night, their visit is of special importance at this time as the Golden Wedding of their parents will be celebrated on Monday, May sixteenth.

The death occurred Tuesday afternoon of Amos B. North, a well known citizen, at his residence, North Corner. The deceased, who was 76 years of age, was a son of the late Bester North. He leaves a widow, who was Miss Sarah Patterson, of Medford; one son, Harold, and four daughters: Eva, wife of Frank Howard, and Zetta, wife of P. Tully, Ancoer, N. B.; Blanche, wife of George Greenough, North Avenue, and Mattie, of Boston.

Rev. Canon Hind, a former popular Rector, preached in St. John's church last Sunday morning. Canon Hind is now on the staff of All Saints' Cathedral, Halifax, and chaplain to the charitable institutions of the city. He received a hearty reception from a number of his old parishioners.

Webster Encampment

I. O. O. F.

Last Wednesday a number of celebrities in the order of Odd Fellows arrived in Wolfville for the purpose of installing an Encampment. A meeting being called at 8.30 p.m. in the Lodge room, Grand Senior Warden W. F. Urquhart, of Truro, assisted by John A. Craig, P. G. P., of Yarmouth, as G. H. P.; E. H. Munroe, P. G. R., of Kentville, as G. S. W.; Dr. S. L. Walker, P. G. M., of Halifax, as G. Scribe; H. A. Dore, P. C. P., of Windsor, as G. T.; Dr. A. M. Shaw, D.D.G.P., of Kentville, as G. J. W.; and Geo. Williams, P.C.P., of Yarmouth, as G. Sent, instituted Webster Encampment No. 33, with fourteen members. The officers for the current term were then elected and installed into office as follows:

C.P.—D. G. Whidden, P.G.M.
H.P.—J. D. Harris
S.W.—L. B. Fielding
J.W.—G. S. Bauld
R.S.—W. E. Stackhouse
F.R.S.—P. W. Davidson
Treas.—F. W. Barteaux

After the installation was completed a number of interesting addresses were listened to, not the least of which was one by John A. Craig, who is the oldest living Past Grand Patriarch in the Maritime Provinces when he presented a pair of handsome gavel and a substantial sum of money towards equipment. The Encampment was called after Clifford Webster, who was killed in action in the Great War, and starts off with bright prospects.

A regular meeting was called for Thursday evening and Partarchs from Windsor and Kentville gave the three degrees to a number of new applicants. During the evening refreshments were served in the Lodge Room.

TOWN IMPROVEMENT

Dr. G. E. DeWitt has been making improvements in his property at the corner of Park street and Westwood avenue. The grounds have been neatly graded and surrounded with a pretty hedge, while handsome stone posts mark the corners. Dr. DeWitt's pretty new bungalow presents a very attractive appearance and the property is one of the most desirable in town.

Mrs. Newcombe, who erected the handsome bungalow on Prospect street last summer is having the grounds artistically graded and terraced which will make a decided improvement in the appearance of the property.

Mr. Robie W. Tufts has begun the grading of his property on Highland avenue. The work is yet in an initial stage but gives promise of presenting a handsome appearance when completed. Mr. Tufts' new residence is an ornament and decided credit to the town as well as to its enterprising owner.

Mr. David Lightfoot, who some time ago purchased the property at the corner of Central avenue and Front street, has made a wonderful transformation. New verandahs have been provided and the building has been repaired and painted and now presents a fine appearance and is an ornament to that part of the town.

WOLFFVILLE HAS ENGAGED COACH

An important decision was arrived at by a meeting of the members of the Athletic Association held on Tuesday evening at the Town Hall. This was no less than to engage the services of Mr. Harry Saunders, of Stellarton, to coach for both cricket and baseball during the season. Mr. Saunders was at once notified by wire and he arrived in Wolfville on Wednesday morning's express. Mr. Saunders comes very highly recommended and under his efficient direction great things are expected from our team during the present season.

The Association has rented from Mr. Ernest Porter a fine field on Highland avenue, part of the old Blackadder property, where it is expected that good provision can be made for baseball and cricket, and the prospects now look bright for a successful season.

The recent Salvation Army drive in Wolfville was under the direction of the committee of which Mayor Fitch was the chairman. The amount asked from this town was \$200. Solicitors were appointed to canvass the town with the result that the sum of \$274.50 was collected. This was sent to the proper authorities and duly acknowledged. The work of the Army is a noble one and citizens generally expressed themselves as glad to contribute towards the funds of an organization which has accomplished so much for World welfare.

Rev. Canon Hind, a former popular Rector, preached in St. John's church last Sunday morning. Canon Hind is now on the staff of All Saints' Cathedral, Halifax, and chaplain to the charitable institutions of the city. He received a hearty reception from a number of his old parishioners.

Odd Fellows Celebrate

Also Address by President of King's College

The service at the Baptist church last Sunday evening was a very interesting one and was attended by a congregation that filled the edifice to capacity. It was the celebration by the members of Orpheus Lodge, I. O. O. F., of the 102nd anniversary of the foundation of the Order. The members of the lodge with a number of visitors from Kentville, Windsor and elsewhere met at the lodge rooms and marched to the church presenting an imposing appearance.

The Odd Fellows were fortunate in being able to secure as the speaker, Rev. Dr. Boyle, the esteemed president of King's College.

The pastor, Rev. Dr. J. H. MacDonald, conducted the preliminary exercises, including the reading of Scripture, which Dr. Boyle read with effect. Mr. Theodore Stackhouse, of the local lodge, and Mr. Bally, of Kentville, each sang a solo, accompanied by Mr. Cameron at the organ. The pastor, on behalf of the Church the University and the community, extended a very hearty welcome to Dr. Boyle and the other visitors and expressed his own pleasure at having the presence of the Order in his church. He also announced that the collection of the evening was to be devoted to the establishment of a home which the Oddfellows had decided upon in the Province of Nova Scotia.

Dr. Boyle prefaced his sermon with an expression of gratitude for and appreciation of the readiness and generosity of the church and pastor on this occasion. He congratulated the local lodge upon its progress during the year, and especially did he congratulate the Town of Wolfville upon having such a flourishing and progressive lodge, for fortunate indeed was the community in which there was such a living body of men practising the principles of the Independent Order of Odd-fellowship.

The learned speaker took his text from Zechariah—"Jerusalem shall be inhabited as towns without walls", and in an interesting and practical address gave the closest attention of his hearers. He advocated a greater co-operation in all that related to public betterment and a breaking down of walls that lead to narrowness in religious, public or social affairs, and that the spirit of brotherhood should prevail. His address was so thoroughly heartily enjoyed, and will be long remembered by those present.

At the close of the service the members of the order repaired to the lodge-room where a tablet in honor of two of the members of Orpheus Lodge, Clifford Webster and Brenton Selfridge, who gave their lives in the Great War, was unveiled with a suitable address by Mr. D. G. Whidden, P. G. M., closing with prayer by Dr. Boyle.

"THE MAN ON THE STREET"

Quite a good deal of work has been done on some of the sidewalks in town this spring in the matter of covering them with ashes. This will eventually make a good walk, but at present is rather hard on the feet. "The Man on the Street" would recommend the use of a hand-rake in removing the clinkers and stones. Then if the work was properly levelled and rolled a marked improvement would result.

The recent new building by-laws do not appear to be any better enforced than many other town regulations. "The Man on the Street" would suggest that so far they have been more disregarded than observed. It is a great pity that the town had not some agency by which its laws might be put into operation. At present we have plenty of by-laws—some of which would be useful if enforced.

It has just come to the attention of "The Man on the Street" that the local branch of the G. W. V. A. has not yet been given free light by the town, in fact that their application for the same made over a year ago, has not yet received the courtesy of a reply. It is no wonder that the "Vets" feel that they have not been given due regard. They certainly have not. "The Man on the Street"—with a great many others citizens of Wolfville—is disgusted at the manner in which this and similar matters has been handled by "the powers that be."

In the opinion of "The Man on the Street" it is time that some more definite move was made in the improvement of the condition of the approach to the railway station. There has been for some time a dispute as to who should be responsible for the work and probably the railway ought to see that it was done. However, the town is more interested than the railway and we cannot afford to longer leave it neglected. Won't somebody get busy over it? The railway would undoubtedly be willing to do a big share if properly approached.

Miss Frances Sanford sent to THE ACADIAN on Monday the first Yellow Violet of the season.

Valley Baseball League

Divided into Two Sections—Wolfville Plays First Game at Berwick June 15th

The Valley Baseball League executive met at Middleton last Friday afternoon and arranged the schedule of games for the season, and also dealt with the applications of Windsor and Lawrence-town for admission into the league. On motion it was decided to admit the above teams, and to divide the league into two sections, the eastern section including Windsor, Wolfville, Kentville, and Berwick, the western taking in Middleton, Lawrence-town, Bridgetown, and Annapolis. Official umpires were appointed as follows: Dr. A. Boyd Crowe, and Father Mackie, Annapolis; H. T. MacKenzie, Bridgetown; Claude E. Balcom, Middleton; J. Howe Cox, and Harold C. Woodbury, Berwick; Roy Hiltz, Kentville and W. A. Smith of Windsor. The games were arranged to be played mostly on Wednesdays, as that day is generally observed as a half-holiday in the valley towns. The two schedules were drawn up as follows, the latter team in each case being the home team:

Eastern Section

June 15—Wolfville vs. Berwick.
June 16—Kentville vs. Windsor.
June 22—Berwick vs. Kentville.
June 23—Windsor vs. Wolfville.
June 29—Wolfville vs. Kentville.
June 30—Berwick vs. Windsor.
July 6—Kentville vs. Berwick.
July 7—Wolfville vs. Windsor.
July 13—Berwick vs. Wolfville.
July 13—Windsor vs. Kentville.
July 20—Kentville vs. Wolfville.
July 20—Windsor vs. Berwick.

Western Section

June 1—Bridgetown vs. Annapolis
June 1—Middleton vs. Lawrence-town
June 8—Lawrence-town vs. Bridgetown
June 8—Annapolis vs. Middleton.
June 15—Lawrence-town vs. Annapolis.
June 17—Middleton vs. Bridgetown.
June 22—Annapolis vs. Lawrence-town.
June 24—Bridgetown vs. Middleton.
June 24—Annapolis vs. Bridgetown.
July 8—Lawrence-town vs. Middleton.
July 15—Bridgetown vs. Lawrence-town.
July 15—Middleton vs. Annapolis.
All holidays were left open for exhibition games, and the schedule of the valley cricket league, so as to avoid conflicting games between the two sports. The meeting was well attended, every club in the league being represented. The delegates were President W. A. Coit, Wolfville; Secretary Fred E. Bath, Bridgetown; Reg. Buckley, Annapolis; H. T. MacKenzie, Bridgetown; Loring Andrews, Middleton; Geo. Cox, Berwick; R. A. Messenger, Lawrence-town; F. H. McMann, Kentville; and Geo. Robertson, Windsor.

PORT WILLIAMS NOTES

The many friends of Mr. M. K. MacKinnon will be glad to know that the operation he underwent at Victoria Hospital, Halifax, last week for appendicitis, proved successful and the patient is doing well.

Mrs. Shaffner, of Lawrence-town, is visiting her daughter, Mrs. (Rev.) O. N. Chipman, at the Parsonage.
Misses Ethel MacLean and Kathleen Mitchell, of North Sydney, and Miss Margaret Marsters, of Berwick, all students at Acadia Seminary, spent Sunday the guest of the latter's aunt, Mrs. Geo. H. Illsley, at "Oak Terrace".

Miss Cogswell was the guest last week of Mrs. A. A. Thomson, Kentville.
Mrs. Beattie, of Burlington, Hants Co., is visiting her daughter, Mrs. A. F. Newcombe.

The Division at Canard very hospitably entertained the order from here last week. A very pleasant evening was spent.

On Monday evening, Rev. Mr. Snow, Grand Organizer of the order visited the Division here, speaking to them of the work.

An amusing play entitled "A Rank Deception" will soon be put on here by a number of the members—proceeds to pay balance on piano purchased by the Division last winter.

Mrs. Rundle-Woolcock and daughter, of England, who spent the winter months with Mrs. Bedford Chase, have gone to relatives in Toronto.

Mrs. Fannie Starr, of Halifax, and Mrs. W. R. Turner, of Pictou, spent last week with their brother, Mr. D. S. Collins.

Mr. James Hanson, of Halifax, spent the week end with his mother and sister who have lately set up house keeping here.

Mrs. O. G. Cogswell is spending the week in St. John with relatives and friends. Her husband who has been with his brother, Capt. Cogswell in Mobile, Ala., during the winter, arrived in St. John on his way home on Saturday.

Fred Cogswell has purchased a new Ford Automobile. His father who has been quite ill is now improving.

Mrs. Latimer, who spent the winter with her daughter, Mrs. Capt. Faulkner, returned to her home in Hantsport last week.

Acadia Choral Club

Gives Splendid Concert in Festival Series

A good sized audience attended the second concert of the May Music Festival last Friday evening at the Acadia Memorial Gymnasium, and all were loud in their praise of the splendid work done by the Acadia Choral Club. The sacred Cantata, "Ruth", by Alfred R. Gaul, was sung by a chorus of 125 voices, under the direction of Mr. Frank E. Marsh, Jr. Mr. Marsh is to be congratulated on the splendid work done by the chorus, which was one of the best we have heard in Wolfville. The singing of the last two choruses was especially enjoyed by the audience.

The solo parts were well taken by Miss Valerie Deucher, soprano, of New York; Miss Winifred Stephens, mezzo-contralto, and Miss E. Marie Underhill, mezzo-soprano, of the Acadia Conservatory staff; and Mr. Fred Guilford, baritone; of Halifax.

A feature of the program was the playing of the Acadia Orchestra with Miss Pauline Tourjee Nelson as concertmaster, and Miss Lillian Russell, Pianist. Their playing showed careful practice and was thoroughly enjoyed by all.

During an intermission in the program an interesting announcement was made by Dr. DeWolfe to the effect that arrangements were being made to hold a Summer Music School in Wolfville this year if a sufficient number of pupils could be enrolled. Some of the best teachers in Boston would be employed.

COUNTY COURT

In the County Court Monday Ralph Lawson, charged with having burglarized the premises of the Woodville Produce Company, at Woodville, as well as Graham's Ltd., at Avonport, pleaded guilty, and Judge Webster sentenced him to Dorchester for two years. James Lancy, who feloniously abstracted merchandise from a store at Sheffield Mills Station, and who was captured by Chief Davis, also drew a free ticket at Dorchester for two years. Paul Graham, of Bihopville, charged with malicious damage to the tracks of the D. A. R. between Hantsport and Avonport, resulting in the derailment of a train with subsequent damage, was bound over to the Supreme Court. His capture was effected by Detective Kennedy, of Halifax.

MEN'S BIBLE CLASS SUSPENDS FOR SUMMER

The Men's League Bible Study Class on Sunday afternoon decided to suspend its meetings during the summer months and to reassume on the first Monday in October. A vote of thanks and appreciation was given to Inspector Robinson for the efficient way he has handled the class, all testifying to the benefits they have derived from his teaching. Mr. Robinson responding confessed that although he did not want to take on the duties, it was he who in reality had been the most benefited by the preparation work. As to the request to continue when they meet again he would like to see some other member being given that benefit next session. A special collection was made for the Sunday School Library.

FACTS WANTED

To the Editor of THE ACADIAN.
Dear Sir:—Fairplay's letter of two weeks ago brought a response from one who evidently has the facts in regard to the disgraceful affair referred to in the letters.

It may not be in the best interests of the community to discuss the matter with a wave of the hand, as "Gaspereau" would do.

Facts in this case are difficult to get at as those who witnessed the affair are rather close mouthed in reference to it. Presumably ashamed. Just where the mill was pulled off or where the booze came from matters little. It is a Kings Co. affair and we are all ashamed of it, or should be.

Now if "Gaspereau" will give us some facts, he may dispose of some nasty rumours. Will he kindly answer these questions?

Was it generally known in Gaspereau several days in advance that this fight was to take place?

Were either of the magistrates appealed to in regard to preventing it?

What was their attitude in regard to it?

Were any steps taken by anyone to prevent or to stop the fight?

Have any steps been taken to bring the fighters to trial?

In the interests of law and order,
INQUIRER.

Miss Evelyn Smallman and Miss Leah Whidden, well known Wolfville young ladies who have just graduated from the Leland Powers School of Expression, Boston, have received appointments on the staff of Acadia Seminary for next year.

Much Ill Health Due to Bad Blood

If the Blood is Kept Rich and Red
YOU Will Enjoy Health

More disturbances to health is caused by weak, watery, blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders try building up the blood with Dr. Williams' Pink Pills. These pills have a special action on the blood and as it becomes enriched your health improves. The value of Dr. Williams' Pink Pills in cases of this kind is proved by the experience of Mr. D. J. MacDonald, North Bridge River, N. S. who says: "For some years I suffered severely with headaches, pains in the back and a run-down condition. At times the pain in my back would be so bad that I would sit up in bed all night. From time to time doctors were treating me, but did not give me more than temporary relief. And then one day when I was suffering terribly a neighbor came to see me, and urged me to try Dr. Williams' Pink Pills. After taking two boxes I felt relief. I got five boxes more and before they were all gone I felt as though they were giving me new life, as in every way they built up and improved my health and strength. I am now working as a barker in a pulp mill, ten hours a day and feeling none the worse after my day's work. I say with pleasure that this condition is due to Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

THE SPIRIT IF NOT THE LETTER

(From the Pittsburg Chronicle-Typegraph)

An Englishman signed the pledge after much persuasion on the part of a clergyman, but the minister saw the man's daughter hastening homeward with a pail of beer. He stopped and said:—"My dear child, where are you taking that beer?"

"Home—to father."

"But surely your father doesn't drink beer after signing the pledge?"

"Oh, no, sir," said the girl. "He doesn't drink it. He only soaks his bread in it."

ISN'T THAT FUNNY?

Two women were married to musicians. The one, a bride of a year, was pushing a baby carriage in which were three fine babies—triplets, all girls. The other woman had been in the bonds of matrimony a couple of weeks.

"What beautiful children!" exclaimed the newly married one.

"Yes," replied the proud mother; "let me tell you the funniest coincidence. At our wedding supper the boys who played with my husband in the orchestra serenaded him and they played 'Three Little Maids' from 'The Mikado.' Isn't that funny?"

At this the other bride turned pale.

"Mercy!" she gasped. "At our wedding supper Tom's friends serenaded him, too, and they rendered 'The Sextet' from 'Lucia.'"

Ask for Minard's and take no other.

WHAT BABY WANTED

It was washing day and John had been kept from school to look after the baby. Mother sent them into the garden to play, but it was not long before cries disturbed her.

"John, what is the matter with baby now?" she inquired from the washtub.

"I don't know what to do with him, mother," replied John. "He's dug a hole and wants to bring it into the house."

UNCLE EBEN

"A man dat keeps talkin' 'bout his self," said Uncle Eben, "sometimes surprises you de way he manages to make a purty good speech on a mighty slim subject."

The emerald is the most precious of gems.

A gentle zephyr wafted the following resolutions into our sanctum:

Resolved to let people mind their own business.

To assist everybody in every way possible.

To forgive our enemies, especially those who are bigger.

To strive to be in love and charity with thy neighbor.

To subscribe for this paper.

To patronize home industries.

To avoid past errors and mistakes.

To speak kind words often, harsh ones very seldom.

To attempt something with a purpose and persevere.

The girls wore so little keeping warm all winter, that we do not see how they are going to take anything more off in order to keep cool this summer.

For International Trade

CANADA'S imports in the fiscal year of 1919-20 amounted to \$1,064,516,169 and its exports to \$1,286,658,709, a total trade of \$2,351,174,878. In financing the many transactions that go to make up such a volume of business, banking experience and resources are of paramount importance.

The Bank of Montreal has been assisting the merchants of Canada in import and export trade for over 100 years. It has built up an international banking organization that offers exceptional facilities to those doing business with outside countries.

The Manager of any Branch of this Bank will be glad to have you discuss banking facilities with him or you may consult on any problem connected with international trade direct with the Foreign Department at the Head Office in Montreal, where complete statistical and other information is kept on file.

Canadian firms engaged in Foreign Trade who contemplate sending representatives to Great Britain, France, South Africa, India, Australasia, China, Japan, or the West Indies, will find it to their advantage to communicate with the Foreign Department at the Head Office in Montreal.

The Flaming Torch

There is not a day passes in which this flaming torch of carelessness does not add to its already enormous total of fire destruction.

It may be a cigarette carelessly thrown away—or hot ashes in a wooden box—or a curtain near a lighted gas jet that causes your loss.

Insure your property in the Hartford fire insurance company. Should loss then occur you will be promptly indemnified without question or quibble.

Get your Hartford fire policy here—and receive our helpful cooperative service in reducing fire hazards.

WEEK-END AFTERNOONS THEN AND NOW

In 1900
In 1900, on a beautiful weekend afternoon, following a week of arduous labor in a shop, you felt like taking your wife and children out for a ride.

Perhaps you were a man with a fair income and couldn't afford to own and keep a horse and buggy, so you hired such an outfit and paid a few dollars for the privilege. This was even a luxury once in a great while for some persons.

On our streets you would admire an elderly lady seated comfortably in a phaeton drawn by two dignified looking equines and reins being guided by the hands of a somewhat dignified groom, beside whom sat a somewhat dignified coachman.

Probably it was not within your means to own such a vehicle.

In 1921

Now after a week of hard work in the factory or office, you want to spend part of the weekend out. You hop into an automobile with your family and drive out into the country and breathe the refreshing air. It is much better than a horse and buggy.

You have a garage in your home and you own the motor car.

Notwithstanding all these achievements of the automobile it is still in its infancy and for anyone to think it is likely to be replaced by some other method of travel is nothing short of pessimism.

Of course there are other transportation agencies. The airplane is considerably faster than the automobile, but it is not a rival. It is really an ally of the motor car. The railroads cannot get along without the motor car. The former derived a big revenue from the automobile in Canada last year.

PITY YOUR POOR TRUCK

Don't load your truck beyond its normal rated capacity. It was designed and built to carry that load. Certainly it may carry more, but this practice invites inevitable loss. To state that your trucks are overloaded is merely another way of saying that you are materially shortening their useful life as well as decreasing their range of activity.

An overload increases the stresses in the weight carrying members, and may cause excessive breakage of these parts.

In any good truck, normal weight, hence normal stress, produce normal wear of moving parts. An excess will necessarily result in abnormal or excessive wear.

A truck frame and other parts may be compared to a bridge. When a bridge is rated at so many tons, it means that it can carry that load with a certain margin of safety. It will carry more, but the margin of safety which was provided to take care of its depreciation in normal service will not be as large. The same is true of the truck.

Overloading decreases the ability of the truck to negotiate road conditions since there is a greater weight to be moved per unit of engine power. A result is excessive gasoline consumption and slower operating speed; therefore greatly reduced efficiency.

"Father," said the small boy, "what is a Socialist?"

"A Socialist, my son, is a person who doesn't care much what kind of a government he gets so long as it is something else."—Washington Star.

Minard's Liniment used by Physicians

SHOULD DRAIN OIL FROM RESERVOIR AT REGULAR INTERVALS

Gasoline in Crankcase Forms Sulphuric Acid—Ruins Motor

A few reasons for draining the oil in the crank case at regular intervals is advanced by an automobile factory which in a bulletin to its distributors and dealers asserts that sulphuric acid is formed in the oil reservoirs by the evaporated gasoline, which is forced down past the pistons and is mixed with the heated cylinder oil.

This acid, continues the bulletin, immediately attacks all the working parts of the motor and particularly the nickel of the timing chain and rapid, sure deterioration results.

Hence car owners should be impressed with the absolute necessity of draining the oil reservoir at the end of each 500 miles and thus preventing the accumulation of this acid to cause excessive corrosion.

The matter of acid formation is so serious, it is asserted, that chain manufacturers are contemplating the voiding of their guarantee unless the oil is changed periodically after each 500 miles.

Interesting tests have been completed at the factory that revealed that when the oil was not drained in 3,000 miles, the timing chain and motor parts showed 500 per cent. more wear than the same parts of a motor in which oil was drained every 500 miles for the same mile age, the bulletin concluded.

METHOD GIVEN TO SOFTEN PITCH

Hot water may be used for softening the pitch which seals the storage battery. A convenient apparatus consists of a can holding about five gallons of water and provided with three cocks, to which are connected three lengths of hose which run to the openings in the three cells. The water is heated by a single-burner gas stove and when boiling water is run into the cells until the pitch is softened. It is advisable to drain out the acid before starting. Also it is desirable to place the battery in a large pan or sink to confine any escaping water.

GASOLINE CRACKS LEATHER UPHOLSTERING

Never use gasoline or kerosene to clean leather upholstery, because such treatment will crack it. Water to which a little ammonia has been added is as good as anything for getting the dirt off, and a brisk rubbing with a soft cloth is all that is needed to restore the shine after the dirt has been removed. If you wish you can soften the leather and assist in preserving it by applying

COTTER PINS FOR DEFLATING TIRES

A cotter pin is useful on occasion to help in deflating an inner tube that has been punctured by a nail or in such a way that it still holds the air. The cotter is compressed with pliers, and the end is passed through the tube wall, after which it is allowed to spring open. This opens up a large hole to permit the air to pass out quickly.

A "periscope" automobile danger signal, which warns motorists of the approach at night of cars or trucks around a curve or corner, is now used in Ohio. The signal works automatically. It consists of a nine-inch red lens with a mirror so arranged in back of it that it catches the rays from the headlight of a car approaching around the curve, and throws them into the red lens, illuminating it.

A MATTER OF TASTE

"Don't you wish you were a bird, Jimmy, and could fly way up in the sky?" mused little Jean dreamily.

"No!" scorned Jimmy. "I'd rather be an elephant and squirt water thru my nose."

MITCHELL SIX POWER, ENDURANCE, CLASS

The owner who takes pride in having a car that is different and one that portrays ultra quality in every detail will experience that satisfaction when behind the wheel of this new and worthy MITCHELL.

W. W. HOLMES, Dealer for Kings County

Mileage as it is Measured

The selling price is the yardstick of tire mileage, very often. The striking exception being Ames Holden "Auto-Shoes". The mileage put into them is not measured. They are meant to give extra miles and they do.

Running on your car Ames Holden "Auto-Shoes" will give you the cheapest mileage you can buy—irrespective of cost.

THE ACADIAN

(Established 1883)

Published at Wolfville, N. S., every Friday by

DAVIDSON BROS., Printers and Publishers

Members of the Canadian Weekly Newspaper Association.

Subscription Rates—In British Empire, in advance, \$2.00 per year. To U. S. A. and other countries \$2.50 per year.

Advertising Rate Cards and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

Advertisers must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

Correspondence—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

Editorial Notes

A very important piece of legislation is now before the House of Assembly at Halifax in the Prison Farms Act, which is intended to enable municipalities, singly or several in co-operation, to establish prison farms for such persons as commit acts against the laws of the province. The financial support of these farms is to be upon the municipalities the same as they now support the common jails. Such a regulation if put in operation could not fail to be of great assistance in the enforcement of law and is bound to be productive of great moral good in the community. THE ACADIAN has for a long time urged that some arrangement be made that will improve the conditions of prison life and lessen the cost of law enforcement, and we gladly support the proposed law.

For many years the people of this province have been urging upon the government the need of making some provision for the segregation and care of the feeble-minded members of our population. As the result of a very vigorous request from every part of the province, our rulers at Halifax have finally decided to take steps in that direction. A bill was introduced this week providing for the establishment of an institution for feeble minded or mentally defective persons, with a view to providing facilities for the custody and scientific treatment and care and education of these unfortunates.

Never was there a newspaper in any locality that got all the local happenings. Frequently someone comes or goes and the newspaper reporter does not hear of it. It may happen that a family is mixed on several occasions. They get the impression that the paper does not care to mention them. That's a mistake. Help your paper get the local news. Do not be afraid to tell the editor that you have some friends visiting you. There are a number of people interested in your friends. You owe it as a duty to them, to tell the editor about their comings and goings. Possibly you think THE ACADIAN shows partiality, but give it a chance and it will treat you right.

Citizens who thought that the work started on Main street on Wednesday morning indicated the beginning of the anticipated permanent sidewalks, were mistaken. It proved to be only an effort on the part of Supt. Johnson and his staff to see that "the

rough way should be made smooth." This effort, however, proved most successful and resulted in a decided improvement. The projecting stones were taken away and new grading material deposited on the sidewalks and pedestrians will be grateful for the improved condition.

AVONPORT ITEMS

Miss Jessie Bishop, of New Minas, spent the week end with her friend Miss Mildred Cox.

Mrs. Geo. Huntley is at Hantsport spending a week with her mother, Mrs. S. Duncanson.

"Avonlea" Division of Mt. Denson paid a fraternal visit to "Hopeful" Division on Friday evening of last week. A large number was present from both orders and a pleasant evening spent. A good programme was given after which "Hopeful" members supplied dainty refreshments.

Mrs. A. W. Lockhart spent the week end at Mapleton, the guest of her cousin, Mr. John Caldwell.

Miss Vida Harvey, of Hantsport, spent Sunday of last week the guest of her school chum Miss Kimba Lockhart.

The congregation of St. Andrew's church had the pleasure last Sunday morning of listening to a former resident of Wolfville, Rev. Geo. T. Bryant, now pastor of the Union Church at Bridgetown. Rev. Mr. Bryant expressed his pleasure at again being permitted to address the people of Wolfville. He preached a powerful sermon from the text "What is man that thou art mindful of him?" The musical part of the service consisted of a vocal selection by the Rhodes Hall Quartette and an exceedingly well rendered anthem by the choir—"I will praise thee, O Lord". In the evening Rev. Mr. Bryant was again the preacher and Mrs. J. W. Smith sang a solo with violin obligato by Mrs. Thompson.

An American with gushing enthusiasm was describing his new car to an English visitor. "It runs so smoothly," he said. "you can't feel it. Not a bit of noise, you can't hear it. Perfect ignition, you can't smell it. And speed, why it simply whizzes you can't see it."

"My word," exclaimed the awed Britisher. "How do you know the bally thing is there?"

Buildings For Sale

Tenders for the purchase of the House and building in the rear, situated on Main street opposite the Residence of Johnson H. Bishop, will be received by the undersigned up to May 24th instant. Buildings to be removed not later than the 30th of June.

The Committee does not bind itself to accept the highest or any tender.

A. COHOON,
Sec'y. Executive Committee,
Governors of Acadia University.

A CANADIAN WINS HONOR

It is announced that Dr. J. G. Schurman who was for many years the president of Cornell University, will be the United States Minister to China. Dr. Schurman is a native of Prince Edward Island, having been born there in 1854. He has had a distinguished scholastic career. Among his earlier professorial positions were the chair of Political Economy and Psychology at Acadia University, 1880-1882, and the chair of Metaphysics and English Literature at Dalhousie University 1882-1886. From Dalhousie he went to Cornell.

Mr. Archibald Guest, of Riverport, Lunenburg county, is to be the new manager of the Bank of Montreal here. Mr. Guest was a former member of the staff here and many old friends are glad to welcome him back to Wolfville. Mrs. Guest, as Miss Enid Tufts, daughter of the late Dr. J. F. Tufts, is gladly welcomed back to her old home. Mr. and Mrs. Guest and family will reside at the Tufts home on Westwood avenue.

FOR SALE

A residence in Kentville, five in in Berwick, four in Aylesford, three in Kingston, six in Middleton, four in Lawrencetown, three in Paradise, ten in Bridgetown and three in Granville Ferry.

Also several from our large list of farms at reduced price for quick buyers.

Items of Local Interest

Rev. L. F. Wallace is assisting Rev. Mr. Prosser, pastor of the Upper Canard Baptist church, in Evangelistic work this week, with good results.

Dr. J. A. M. Hemmeon has been appointed one of the attending ear, nose and throat specialists in the Health Centre of the Massachusetts-Halifax Health Commission.

Mr. A. J. Mason, of the Opera House, has been elected as captain of the Wolfville Cricket Team in place of Mr. Phipps, who is leaving Wolfville.

Mrs. Rathburn, the faithful light-keeper at Horton Bluff Light, has been placed on the retired list and her son, Mark J. Rathburn, has been appointed to fill the vacancy.

Mr. and Mrs. D. S. Hart and family, who have been residing in Wolfville during the past two or three years, left to reside to Halifax this week.

The president of the Board of Trade received a telegram last evening from Mr. R. U. Parker, of the D. A. R., cancelling the visit to-day by the members of the Canadian Good Roads Association.

It is understood that Prof. McPhee has resigned the chair of psychology at Acadia University at the close of the present year and accepted a similar position with the University of Alberta.

The Parrsboro Record is one of the most recent visitors to our exchange table. The Record is a newsy seven-column folio and presents a good appearance.

Work at Willow Bank Cemetery has begun for the season and already considerable improvements have been made. Dead leaves and other rubbish has been gathered up and destroyed and some lots have been laid out and graded.

Mr. W. H. G. Phipps, who recently came to Wolfville to succeed Mr. George W. Munro as local manager of the Bank of Montreal has given up that position and is leaving Wolfville.

Mr. George Anderson, Jr., has entered for the Halifax Chronicle contest and is going in to win. So far as we know he is the only competitor for Wolfville.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

Wolfville Methodist Church.—On Sunday, May 15th, the Sacrament of the Lords' Supper will be administered at the close of the morning service.

Mr. and Mrs. L. W. Sleep announce the engagement of their daughter, Violet May, to Joseph Lawrence Williams, of Halifax, the wedding to take place second week in June.

Miss Bessie Warne, Secretary of Dr. Grenfell's Mission work at Labrador will speak at the Baptist church on Sunday evening, May 15th, at 8 o'clock. This meeting is under the auspices of the Wolfville W. C. T. U.

SONS OF TEMPERANCE

A very profitable quarterly session of the Grand Division of the Sons of Temperance was held at Lawrencetown, Annapolis county, on Tuesday of this week.

In the evening a largely attended public meeting was held in the Demonstration Building, presided over by Mr. N. W. Eaton, Grand Worthy Patriarch.

For Sale—Visiting card envelopes at THE ACADIAN store.

Lawrencetown is a thriving town inhabited by whole hearted people, among whom the writer was glad to meet Mr. C. F. A. Patterson, a former resident of Hortonville, who is now doing a good business.

Chiropractic Health Talk

Getting Rid of Scarlet Fever "After Effects"

(By G. J. Randall, D. C.)

Scarlet fever is most troublesome, especially in its after effects, which include deafness, weakness of the eyes, bad heart or weakened kidneys. Sometimes all of these after effects are present, sometimes only one or two of them.

Deafness is due to a catarrhal condition which can be corrected by adjustments. The heart weakness is directly due in most cases to weakened nerve impulses from the spine and sometimes it is affected by the failure of the kidneys to properly filter the blood. Chiropractic spinal adjustments will restore normal nerve impulses to all these organs and the sufferer instead of "nursing" these after effects, gets rid of them. Evidence could be cited to prove the efficacy of chiropractic in all these after effects, but one statement is sufficient.

DEAFNESS GONE

"For eight years or more I suffered from a catarrhal condition of the nose and throat. I became entirely deaf in one ear, and was fast losing the other."

I was thinking of going to Mayo Brothers when my daughter and some friends suggested Chiropractic. After taking adjustments my hearing improved wonderfully. I cannot give too much praise to Chiropractic."—Mrs. Ida Blanton, Chiropractic Research Bureau, Statement no. 1259L.

KEN-WO COUNTRY CLUB

Holds Annual Meeting at Kentville—Officers Elected

The adjourned annual meeting of the Ken-Wo Country Club was held at Kentville on Wednesday evening of last week. At least one hundred members of the Club from Kentville and Wolfville were present when President Graham called the meeting to order at eight o'clock, and from that hour until ten p.m. it was certainly the most interesting and lively meeting the Club has ever had.

The election of officers resulted as follows:—President, George E. Graham, re-elected; Vice-President, J. Elliot Smith, of Wolfville; Secretary-Treasurer, J. Graham Johnson. Executive Board—J. E. Hales, R. E. Harris and George Munroe of Wolfville; Captain Holland and Herbert Oylar, of Kentville.

It was unanimously voted that the Executive Committee should engage a first-class man to solicit additional shareholders.

Then came the surprise of the evening when the lady stockholders furnished a splendid luncheon, during which the McDonald Orchestra entered the hall, and in a very few moments, tempted by the seductive strains of the music, President Graham, with Mrs. Dan Munroe, opened the programme of dancing, which continued until long after midnight, when all regretfully departed for home, admitting they had never had a more delightful or instructive evening.

I have often been asked to define the true secret of success. It is thrift in all its phases, thrift as applied to saving. A young man may have many friends, but he will find none so steadfast, so constant, so ready to respond to his wants, so capable of pushing him ahead, as a little leather covered book, with the name of a bank on its cover. Saving is the first great principle of all success. It creates independence, it gives a young man standing, it fills him with vigor, it stimulates him with the proper energy; in fact, it brings to him the best part of any success—happiness and contentment. If it were possible to inject the quality of saving into every boy, we would have a great many more real men.—Sir Thomas Lipton.

The Best Medicine For Little Ones

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the Tablets always do just what is claimed for them and that they can be given with perfect safety to children of all ages. Concerning them Mrs. Joseph Therrien, St. Gabriel de Brandon Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the Tablets but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

CELEBRATION AT ANNAPOLIS

To the Editor of THE ACADIAN. Dear Sir:—Will you kindly permit me to acquaint your readers that a triple celebration of historic events of interest and importance will take place in the old Fort at Annapolis Royal on Wednesday, August 31st, 1921.

On that day tablets will be unveiled commemorating (1) the tercentenary of the Charter of New Scotland—1621; (2) the bicentenary of the establishment of British Civil Courts in Canada—1721, and (3) Judge Haliburton's arrival at Annapolis Royal—1821.

These tablets are to be presented to the Nation, and erected in Fort Anne, now a Canadian National Park, for safekeeping and as the most appropriate place to receive them.

Number one will be presented by the Premier of Nova Scotia and another speaker on behalf of the Provincial Government; number two by the Chief Justice of Nova Scotia, the President of the Canadian Bar Association and other representatives of the Bench and Bar of Canada and number three by the Vice President of the Historical Association of Annapolis Royal.

Following these proceedings there will be afternoon tea for invited guests, and in the evening an open meeting of the Historical Societies, at which papers will be read, and speeches made, bearing on the day's events.

The Hon. Mr. Justice Chisholm, of the Supreme Court of Nova Scotia, will preside at the unveiling, and as President of the Nova Scotia Historical Society will also take the Chair in the evening. The Chief Justice of the Supreme Court of Canada has been invited to unveil the three tablets.

L. M. FORTIER, President, Historical Association of Annapolis Royal.

The Seattle Post Intelligence says that "if the prodigal son had lived in the day of high skirts he wouldn't have become so excited over the fatted calf."

GREAT NEED FOR HEALTH REFORM

The need for health reform in Canada is greater and more general than any except a few specialists know. The problem is primarily one in the conduct of the individual life and it broadens from personal hygiene to home hygiene and public hygiene or Public Health. The greatest hindrance to progress is lack of knowledge and lack of willingness to apply it. The medical experts at the Conference in Cannes adopted a Minute announcing it as their opinion "that a great part of the world-wide prevalence of disease and suffering is due to widespread ignorance and lack of application of well established facts and methods capable either of largely restricting disease or preventing it altogether."

The expenditure of much wealth is not needed to secure good health, but some energy, a certain amount of intelligence and a willingness to play the game are required. Most children are born with the possession of good health; the problem is to conserve that precious heritage. In backward civilizations a slow and continued waste of that priceless gift of nature begins from the time the baby

is weaned; but scarcely any attempt is made to arrest the wastage. It ought not to be so in Canada. But some recent investigations fill us with surprise and anxiety. The General Health of Canada at the present moment, is far from good. Preventable disease still stalks viciously through our country.

To such agencies as the Red Cross, which has taken a very decided stand for the improvement of health and the prevention of disease and the relief of suffering throughout the world, should unquestioningly go the support and material interest of every thinking citizen.

GRAND PRE AND HORTONVILLE

Mr. J. W. McLelland arrived from Halifax a few days ago. He will likely spend the summer at his home here.

The Women's Institute met at the home of Mrs. A. Bishop on Friday last. The meeting was well attended.

We are glad to report that those who have been ill with measles and mumps are improving.

The monthly meeting of the Mission Circle was held on Monday evening, at the home of Mrs. F. W. Curry.

The Monthly Cheque That Never Fails

How the Money was Lost

"You see I had only a few thousand dollars left after the estate was settled—"

and my brother borrowed some to help him along; of course that went and then—"

I simply had to help father with his business, he was so worried—"

and I thought it best to invest something in real estate at once. Well, that failed—"

and, really, if it were not for the monthly income cheque from the Canada Life I don't know how I should be getting along now."

It is all so simple and effective!

Just a few dollars set aside regularly, and the Canada Life will guarantee to your home a continuous monthly income.

While you will probably live to draw the proceeds of the policy yourself, what a relief to know that no matter what may happen, the monthly cheque that never fails, issued regularly by the Canada Life, will come to your home.

Your present Life Insurance will no doubt "clear the mortgage," pay off the obligations of your estate, and leave something for your family, but

Consider This:

In addition to a "lump sum" of money, you should provide a definite income that cannot fail.

A weekly or monthly income is the natural thing for most people.

A woman can keep a family together on even a small income, provided it is regular.

Financial problems should not be thrust upon a woman who is not used to business deals.

The hands of unscrupulous men are always outstretched for money held by the unwary.

The Monthly Income Plan

You will be surprised to learn what a reasonable proposition can be made to you; how only a few dollars saved and set aside from your regular earnings can be multiplied into a substantial income for your Beneficiary.

AN EXILE'S SONG

I lean from my window that looks on the street
 And send out my spirit to those I would greet;
 And homesick, my heart wanders forth as it wills
 To a little green valley that's cradled in hills;
 I'm hearing, instead of a great city's roar,
 The sound of the wave as it laps on the shore;
 My heart seeks the land where I'm longing to be—
 In dear little Acadie, down by the sea.

And in that green valley how well my heart knows
 Where, through the dyked marshes Annapolis flows;
 Bee-haunted acacias, drooping in grace,
 And great arching elm trees bend o'er the place;
 And in the thorn hedges that border the street
 The milky-white may and the sweet-briar meet;
 Apple blossoms by miles are sweet as can be
 In dear little Acadie, down by the sea.

And then in the autumn what glory! what gold!
 The fruit-scented farms I remember of old;
 One sees the far hills through a magical haze,
 Blue asters and golden rod blazon the ways;
 And up from the marshes, at close of the day,
 Ox-wagons creep slowly with sweet-scented hay;
 And swift tidal rivers flow ruddy and free
 In dear little Acadie, down by the sea.

You think it a country bleak, barren and bare,
 I know it a land that is fruitful and fair;
 It has wealth of the rivers, wealth of the shore,
 Wealth of the woodland and marsh, mines full of rich ore;
 Sheltered valleys like Edens; from harbors and bays
 Her vessels sail forth over oceans' wide ways;
 No province of Canada fairer than she—
 Our own little Acadie, down by the sea.
 FRED A. ERNEST in Toronto Globe.

THE BIRD AND THE CHERRY

A writer in the New York Herald and Sun says of the farmer who wants to kill off the birds that eat his cherries, "Of course there wouldn't be any cherries if there were no song birds. The bird puts the cherry on the tree; why shouldn't he eat his own cherry? The farmer only holds a second mortgage on that cherry. He may think otherwise and kill the bird. Then the bird won't get the cherry, and neither will the farmer."

As to spraying, the writer says: "One might as well undertake to moisten Arizona with a medicine dropper as to clean all the trees of all outdoors with a spray, and it is possible how would the cost compare with the value of what the birds eat?"

FARM LETTERHEADS

Many farmers are beginning to realize the advantages to be derived from the use of printed letterheads, with envelopes to match, for carrying out either their business or their personal correspondence. If their farm has a name, and if any special line of farming is being followed, it is usually put in the letterhead, together with the name of the proprietor. Care should be used, however, that too much matter is not crowded into this, as a large, ungainly letterhead is not as effective as a small neatly arranged one. When having the stationery printed, it will be most economical to have a considerable quantity printed at one time, as the rates are cheaper for large amounts than for only a few hundred sheets.—Maritime Farmer.

FOREIGN BASIC SLAG

The United Fruit Companies ask why we have not seen fit to answer their challenge as to the Citrate Soluble Phosphoric Acid Content of our Slag. In reply we ask why the United Fruit Companies should endeavour to fool the farmer by referring to a test which is now discredited. To settle the matter once for all, we suggest that any farmer who is interested should refer to the Fertilizers Act as assented to on the 6th June, 1919, and find if there is any reference therein to Citrate Soluble Phosphoric Acid.

With regard to Fineness, why do The United Fruit Companies carefully evade this point? The answer is because they are vending an article which is much inferior in this respect to the Canadian product. Their guarantee is 75% as against ours of 85%. While this is our last word in the controversy, we would just ask farmers to compare the results got from this Foreign Slag and the Canadian product, and consider if it was worth their while to pay a price so much in excess of what they could have been supplied at home for.

The Cross Fertilizer Company, Ltd.
 SYDNEY, NOVA SCOTIA

FARMIN' DON'T PAY

Oh, I know it for a fact, sir:
 Farmin' don't pay.
 In my barn this line I've tacked, sir:
 "Farmin' don't pay."
 I have had the best of trainin',
 On the farm my bread I'm gainin',
 But my faith in farms is wanin';
 Farmin' don't pay.

Yes, I guess you're right about that;
 "Farmin' don't pay."
 Seen your farm, I do not doubt that
 Farmin' don't pay.
 Drainage, culture you don't practice,
 Every tool you shown me cracked it;
 I'll agree the honest fact is
 Farmin' don't pay.

Had you tried fertilization,
 Farmin' would pay;
 Drainage, moisture conservation,
 Farmin' would pay;
 Practiced food elaboration,
 Tillage, weed eradication,
 You'd declare to all the nation:
 "Farmin' does pay."
 —M. E. KAINS.

An English doctor claims that the less clothing a woman wears the warmer she is. Probably the exercise she gets by shivering warms her.

Personal Paragraphs

Mrs. Owen Porter left last week to visit her mother at Norfolk, Virginia.

Mrs. (Dr.) Leslie Eaton left on Monday for a weeks stay with friends in Bridge-water.

Mrs. W. B. Eaton went to Halifax on Monday afternoon to spend a few days visiting friends.

Rev. C. L. Snow, organizer and lecturer for the Grand Division of the Sons of Temperance, spent Sunday in town.

Prof. H. G. Perry left on Tuesday for Truro where he will conduct a six weeks course of study in Biology in the Normal School.

Mrs. (Dr.) Phinney, of Lawrencetown, Annapolis county, was in Wolfville over Sunday to attend the funeral of the late J. W. Vaughn.

Mrs. Gerald Bauld and little son went to Halifax last Saturday morning and spent a few days visiting relatives and friends in that city.

Sir Charles and Lady Townshen and family have returned to their summer home in Wolfville and their return is gladly welcomed by their many friends.

Miss Angela Herbin and Miss Grace Porter, of this town, left on Monday for Truro to attend the Normal School for a few weeks in order to obtain A. licenses.

Mr. Elias Eagles, of North Grand Pre, is a patient at Westwood Hospital on account of blood-poisoning. He is recovering and hopes soon to be around again.

Mrs. Harvey, of Summerville, Hants county, returned home on Wednesday morning, after spending a week in town at the home of her friend, Mrs. J. W. Vaughn.

Mr. J. T. Barratt, the Boston artist, spent a few days at Gaspereau, his native place, this week, a guest at the home of Mr. James Gertridge. Mr. Barratt left on Thursday morning for Halifax, where he will open a studio and spend the summer.

Mr. Wilbur Vaughn, of Calgary, arrived in Wolfville on Saturday afternoon to attend the funeral of his father, the late John W. Vaughn. He will remain with his mother for some weeks before returning to the west.

Mr. J. F. Card, of Canaan, N. B., was in town over Sunday. Mr. Card, who is a native of this county, came to Wolfville to attend the funeral of his friend and relative, the late John W. Vaughn. He was for many years a popular conductor on the C. N. R., but retired some years ago and is now successfully engaged in farming. A great admirer of Wolfville and vicinity he will probably some day return here to reside.

Dr. G. E. DeWitt is spending a few days in Chester.

Miss Evelyn Smallman arrived home from Boston this week.

Rev. W. R. Foote arrived home from Toronto on Wednesday.

Mr. and Mrs. R. L. Harnish, of Halifax, were week end visitors at the home of F. W. Barteaux.

Mrs. J. L. Franklin and Mrs. E. H. Johnson went to Halifax this morning to spend a few days.

Mrs. Sidney Saunders, of Cookshire, Quebec, is visiting her sister, Mrs. Arthur Jones, Wolfville Ridge.

Miss Marie Wilson, who has been taking a course of training at the New England Baptist Hospital, Boston, returned home this week for a short vacation.

Mr. H. A. Stuart, of Port Mouton, C. B., was in Wolfville this week to attend the graduating recital of his daughter, Miss Grace Stuart, of Acadia Seminary. Mr. Stuart paid THE ACADIAN a call yesterday.

A PLEASANT TRIP

Through the courtesy of Mr. Gerald S. Bauld, the popular representative of Bauld Bros. Halifax, a representative of THE ACADIAN enjoyed a pleasant auto trip on Wednesday. The weather was most delightful and after the recent cold, dull days it was indeed pleasant to be favored with bright sunshine and a west wind. The roads were in fair condition and Mr. Bauld proved to be a good driver and an interesting companion. A number of towns in the western part of the county were visited, during which the writer had the pleasure of a call at the office of the Berwick Register and a social chat with Editor Hartfield and his good wife. Returning to Kentville, lunch was had at the Cornwallis Inn. This was the first visit the writer has had - the opportunity of making since this house came under the management of the D. A. R. and we were very much pleased with the accommodations provided and the manner in which the Inn is conducted. The table was all that could be desired and the service of the best.

"Grumpy" At the Opera House.

The real dramatic treat of the season will be the presentation of Mr. Cyril Maude's New York and London success "Grumpy" a play which took these two great metropolitan cities by storm, and enjoyed record breaking runs. Heading the company to be seen here in "Grumpy" is Mr. Edward Lewers an eminent English actor who is conceded by both press and public to be second only to Mr. Maude in the part of "Grumpy".

He has an excellent supporting cast, and a part that gives him an opportunity to display his truly wonderful talents as a character actor. To use his own words, for two hours and a half he actually lives the character of "Grumpy". He holds the distinction of having played the part over four hundred times, even beating the record of Mr. Maude. Mr. Lewers has played all the principle cities of the Dominion of Canada and the United States, to tremendous business and is now returning for a summer tour of the Maritime Provinces. This is the same excellent actor that played Halifax and St. John last season. At the Opera House, Wed. May 18th.

Tally Cards, 45 cents a dozen, at THE ACADIAN store.

Notice to Ratepayers

An enormous impression appears to be on the minds of ratepayers in this county that the taxes on their property are not due and cannot be collected until after Dec. 1st.

Such an idea has undoubtedly been got from the instructions given to collectors to issue warrants for unpaid taxes at the above date.

But for the information of the ratepayers, I may say that the taxes are due when the first notice of amount due is given by the collectors, and any further time given for payment is a matter of arrangement between the ratepayers and collectors.

By order,
C. L. DODGE,
Mun. Clerk and Treas.

5000 FACTS ABOUT CANADA

The annual publication, "5000 Facts about Canada" is a gold mine of information about the Dominion that no Canadian can afford to be without, and its popularity is steadily growing. The 1921 edition is now out and may be had from leading newsdealers or from the Canadian Facts Publishing Co., 588 Huron Street, Toronto, for 30c. per copy. Its compiler, Frank Yeigh, is rendering a public service in thus making available, in accessible and condensed form, under fifty chapter headings, ranging from Agriculture to the Yukon, the story of Canada in a nutshell. It is a revelation of the wonderful wealth and growth of the country, and is, as well, a fine advertisement of the Dominion. Governments, Banks, Boards of Trade and big financial and industrial concerns use hundreds of copies. It is moreover an excellent booklet to send to friends abroad, as a unique cyclopedia of Canada.

Some self-made men have made mighty poor jobs of themselves.

Sleeping sickness is said to have first made its appearance in the churches.

REPORT ON EDUCATION.

The report recently issued by the Superintendent of Education has information of much importance. The statistics of schools, teachers, etc., and technical work shows progress throughout the province. The grant to school teachers from towns and districts have been materially increased and the work of the teacher is more appreciated and valued than formerly. The total of the Provincial municipal funds and sectional school assessments was \$2,688,056, or about \$600,000 more than the year previous. The great forward step was in the increase of the branches of technical schools. The report states that the Compulsory Attendance Act is much better enforced than in previous years. Some few of the statistics presented are as follows: The number of schools in operation in the province for the year reported was 2,835, an increase of 23. The number of school sections in the province was 1783, a decrease of 14; while the number of sections without schools was 127, or an increase of 3; this time on the wrong side. The total number of teachers employed was 3015, or three more than during the previous year. Those Normal trained were 1632, a slight decrease. The Academic male teachers were 42 as compared with 23 females, while all the other grades have an immense majority of females. In the Common school grades there were registered 98,603 children, and is the High School grades 9494, making a total of 108,096. In the Technical Schools throughout the province no less than 3658 pupils were enrolled, showing the astonishing increase over the previous year of 1,050, surely a record-breaker speaking well for the ability of the teachers and for the intelligent appreciation of our population. Adding the attendance at the Technical Schools to that of the other schools of the province, the total attendance for all was 111,754, an increase of 2,164 over the previous year.

When the Allies fixed the reparation sum, they also fixed Germany.

MINARD'S LINIMENT THE KING OF PAIN THE OLD RELIABLE. TRY IT!

Minard's Liniment Co., Ltd., Yarmouth, N. S.

HE VOICED HER THOUGHT

(Saturday Evening Post.) -Now that the Prince of Wales has rested somewhat from his American tour and has had time to digest his experiences among a free-born people, one can well credit some of the good natured reminiscences and anecdotes of his trip which, so London says, the Prince is relating with gusto to his friends. One of the most recent of these comments attributed to the English heir-apparent had to do with the frequency with which Americans addressed him as "Prince," or even "Say, Prince." "They pruned me so much," he is quoted as saying, "that after a little while I felt that instead of speaking I should bark." And of all the remarks made to him by Americans the most amusing to him, he is further quoted as saying, occurred in the course of a function given in his honor during his brief visit to our western coast. On that occasion the Prince told one of the matrons directing the affair that he would be delighted to meet a particularly attractive young lady, who for some time had been gazing his way from afar. The pretty girl was brought forward and presented to royalty. "I confess, Miss Blank," the Prince said gallantly to the young lady, "that I have been watching you with interest all evening." Explosively, fervently, the western girl made reply. "Prince," she said, "when it comes to watching, you sure got nothing on me!"

FASHION

She (after much turning and primping): Do they show? Husband: What, your ankles? She: No silly, I don't mind my ankles. I mean my ears, of course!

CANNING NOTES

The annual business meeting of the Women's Missionary Society of the Canning branch of the Methodist church was held at the home of the President, Mrs. N. W. Eaton on Thursday afternoon of last week.

The following officers were elected: President-Mrs. R. W. North. First Vice-President-Mrs. N. W. Eaton. Second Vice-President-Mrs. Z. West. Corresponding Secretary-Mrs. Sidney Blenkhorne. Recording Secretary-Mrs. Kennedy. Treasurer-Mrs. Lorne Blenkhorne.

The society reported a membership of 45 with 12 life members, \$250 having been contributed during the year for Canadian and Foreign Missions, Mrs. William Burbidge, and Mrs. Sydney Blenkhorne, being this year made life members.

The mite-box contributions opened at this meeting amounted to \$45. Mrs. James Webster was appointed our delegate to the branch meeting to be held in Bridgewater the first week in June. This closed one of the most successful years in the history of the society.

Rev. C. L. Snow, field organizer for the Sons of Temperance, addressed a large audience in the vestry of the Methodist church on Thursday evening. The necessity of holding the grounds already gained and of creating a wholesome social centre was urged upon us. Colored slides illustrated Sheldon's "In His Steps", descriptions of which were given as the story was told. Rev. C. L. Snow urged the advisability of opening the division, which has been closed for three months. Twenty per cent. of the boys who enlisted for overseas service from this district were division members. Addresses were given by Past Worthy Patriarch, Brother Ira Cox, and Worthy Patriarch, Sister N. W. Eaton.

ONTARIO'S HIRED MAN

Hon. Manning Doherty, Minister of Agriculture for Ontario, about to milk a cow in front of the Parliament Buildings, in connection with a "Drink More Milk" campaign, held in Toronto recently. The cow-milking exhibition attracted considerable attention.

EDDY'S WASHTUBS of Indurated Fibreware Light Easy to carry No cracks Retains Heat Are far better than old-style wooden or galvanized tubs. Yet they cost no more. They cannot leak, because they are made all in one piece, without seams or cracks or staves. So light and easy to carry, yet so strong, they never become dented or battered. They do not absorb heat, therefore, the contents remain hot longer. Eddy's Twin Beaver Washboards are also of Indurated Fibreware-no metal-doubled. Save time by the special crimp which loosens dirt easily without wear on the clothes. The E. B. EDDY Co., Limited, Hull, Canada. Makers of the Famous Eddy Matches

FERTILIZER-for profit.

In our advertising during the present season we have called the attention of the farmers to several series of fertilizer experiments in connection with the use of complete fertilizers compared with the results from materials which contain but one element of plant food - only more particularly Nitrate of Soda and Acid Phosphate.

These experiments have covered a large number of cases and we have laid particular emphasis on a 25 year experiment on a rotation in crops in Ohio.

Experiments of one year and two and three years are as a rule of very little importance as most soils being reasonably fertile may respond to a certain treatment for a year or two but if this treatment is continued for a series of five, ten or fifteen years the results then may be entirely different.

This is one of the most important considerations in the use of fertilizer as a farm cannot be renewed like a building in a single season and above all it must be used in such a way as to increase its fertility rather than to deplete it.

These experiments are the most comprehensive we can find and all point to the same conclusions which is that the best results on any crop are obtained by the use of a complete fertilizer containing Ammonia, Phosphoric Acid and Potash.

Another series is reported in a bulletin from Pennsylvania covering an apple orchard. These cover six different experiments over a period of five years divided into two groups of three plots each. In the first of the series the largest increase on yield in fertilized plots compared with unfertilized plots was an increase of 78.3 per cent. from complete fertilizers. Where Nitrate of Soda alone was used the increase was 32.5 per cent. being sixty per cent. less than the complete fertilizer. Where Acid Phosphate was used alone there was not only no increase in the yield but there was an actual decrease of over 10 per cent.

We have also reports from West Virginia on a series of experiments carried on in the cultivation of peaches and as the growing of these has received some attention many will be interested in them.

The first cover three plots, one a check plot where no fertilizer was used, the second a combination of Acid Phosphate and Nitrate of Soda and the third a complete fertilizer. On the check plot three pounds of fruit were produced, on the Acid Phosphate and Nitrate of Soda thirty pounds and on the complete fertilizer forty-nine pounds, sixty-five per cent. added to the increased yield with complete fertilizers.

These experiments also reported the grading of the fruit as well as the quantity. Where Nitrate of Soda and Acid Phosphate were applied exclusively on a definitely sized plot the yield was 46 baskets of culls, 202 baskets of choice and 60 baskets of fancy

fruit, indicating that the value of the yield was even much greater by the higher quality than is merely represented by the increased quantity.

A report issued several years ago from the Experimental Farm at Ottawa concluded by a single statement which is almost universally deduced from experiments of this kind. It said, "A fertilizer containing the three elements of plant food has in the majority of cases proved the most profitable."

Our advertisements have emphasized that our fertilizers are "Made at Windsor, N. S." There is now a country-wide effort to promote the use of "Made in Canada" goods rather than those imported which applies to fertilizer as well as anything else. In the issue of the last Family Herald and Weekly Star in the first column of the page it brings this out in black type.

A buyer often feels the greater part if not the entire benefit from a purchase goes to the seller or at least divided between him and his employees, the buyer paying for both. This is rarely a fact but most purchasers and indeed all business relations depend on a working out to the satisfaction of both the buyer and the seller.

Unless there are unusual conditions the buyer will in almost every case get better service and satisfaction by buying at home. The local manufacturer wants your business because his business is built up on good will which is dependent on giving good goods and good service. He does not figure you will buy from him but once and on that occasion get all the returns he will ever expect to get.

This may not be so when buying from outside, the seller knowing it is only the unusual circumstances makes the sale possible and he will endeavor to unload as large a quantity as he can not being as particular about the condition and by quoting what appears to be a favorable price makes the terms of payment as exacting as possible. From the local manufacturer you can buy what you want, get it when you want it, delivery will be better and payments more reasonable and as important as any of the others you will not have to carry anything over but your exact requirements will be covered.

Probably the advantage of buying fertilizer from a local manufacturer was never before shown better than last year. At that time there was a heavy advance in the price of all war materials more especially Nitrate of Soda. The largest consumers of this in Nova Scotia did not buy when the price was low which was followed by a steady rise in the market and the price quoted F. O. B. Boston, New York and Baltimore was as high payable in U. S. funds F. O. B. these points as we sold delivered at the various Nova Scotia points. The users of Nitrate of Soda alone in this territory saved between \$ 5,000.00 and \$ 20,000.00 last year by having local manufacturers protect them on a rising market.

There is no better fertilizer than the "Made at Windsor, N. S." fertilizer.

(National Crop Improvement Service.)

Canadian oats lead the world for quality and are in great demand for seed in every civilized country, but oats generally receive little attention and are raised in a haphazard sort of way. Very few farmers put in seed plots, although there is no other crop which responds so readily to intelligent selection and treatment.

Careful experiments have proven conclusively that the formaldehyde treatment of the seed for smut frequently increases the yield more than would be naturally expected from simply replacing smutted heads with sound ones.

This is probably due to the fact that the grain is attacked by other seed-borne parasites which are as effectively checked as smut, adding to the general health of the grain.

Seed Grain Fundamentals.

1. Select the variety for your neighborhood best adapted to soil and climate. If it is decided to put in both an early and late oat, do not get them mixed. It will be fatal to both.

2. Fan and grade your seed until you have removed all shriveled and broken kernels, sticks, chaff and weed seeds.

3. Test your seeds for germination in a wet blotting paper and plant only strong-sprouting seed.

4. Treat your seed grain with formaldehyde to prevent smut and other diseases.

5. Put oats in early.

COST OF ADVERTISING

There is no possibility of decreasing advertising rates. T. R. Williams, business manager of the Pittsburgh Press and president of the American Newspaper Publishers' Association, told Pennsylvania publishers, members of the Associated Dailies, at a recent meeting at Harrisburg, Pa. A United News report says:

Mr. Williams presented figures showing the newspapers publishing costs are at the highest point and increasing. "Under these conditions," he said, "there is no possibility of decreasing advertising rates."

"Advertising rates," he continued "were too low because the war and in the past few years rates have not increased in proportion to increased publishing costs."

Figures were cited showing that publishers' costs have increased nearly 200 per cent. In recent years and that advertising rates increased less than 100 per cent.

Williams contended that there can be no hope of reducing skilled labor required for newspapers for years to come, and that while spot newsprint prices are softening, the contract price of 64 cents per pound is the highest price in 25 years.

"It is certain," he pointed out, "that contract newsprint prices will remain permanently higher than before the war. Advertisers who know newspaper conditions are not asking for a decrease of advertising rates as they know that at present rates their space is the lowest priced commodity they buy."

- The constant drop of water Wears away the stone;
- The constant gnawing puddle Crunches up the bone;
- The constant wooing lover Wins the pretty maid;
- The constant advertiser Always draws the trade.

WHAT JUDICIOUS ADVERTISING DOES

Mounted officers were called upon to keep crowds off the trolley tracks in front of one department store when they ran a dollar day sale which was expanded into a three days' sale event. The city fire marshal was called out to supervise the handling of the crowds inside the establishment, and so many women fainted that an emergency Red Cross first aid corps was organized to take care of the bargain hunters.

Yet the manager and advertising man say they did nothing unusual to attract trade, save to advertise and to fill their windows to the roofs with goods on which the cut prices were marked in plain figures, so that all could see just what was offered. In fact, they gave the entire credit for the success of their dollar day event to newspaper advertising.

The advertising carried was of the same type as that visualized in windows.

The space taken was used up to the limit, with box effect copy, to show what was on sale and the price. The week before the sale page advertisements were run and the public was informed the goods were on view in the windows. The publicity and the display co-operated to arouse the interest that it was calculated would develop and when the store opened its doors on the original dollar day the clerks were swept off their feet by the crowd.

In the scramble inside the store a number of women fainted and a first aid corps was organized to look after them. It was discovered that they could not begin to meet the demand for goods that their sale had created and they extended the event another day. The second day also proved inadequate and it took a third day to meet the calls for merchandise.

The experience is considered a remarkable demonstration of the pulling power of intelligently directed advertising. The manager reiterated his opinion in discussing the sale that full credit for the crowds which swamped the establishment and which brought in two months' business in a day belongs to the newspapers. While the firm has always been strong in advertising campaigns, it declares that it will have even larger appropriations in the future.—Exchange.

An advertising manager was going home one night in a tram car. It was late, and the man who sat next to him began to talk.

"What business are you in?" he asked.

"The advertising business."

"Is that so? I used to be in the advertising business myself. I gave it up though and went into the rag-and-old-bottle business. I was a sandwich man for a theatre for six months. 'Say,' and here he bent over confidentially, "ain't it hard work when the wind blows?"
