The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CATALOGUE OF BOOKS

IN THE

LIBRARY OF HUGH TAYLOR, ESQ.

BEING THE COMBINED COLLECTIONS

OF THE

LATE CHIEF JUSTICE REID

AND THE SAID

HUGH TAYLOR.

PARK HOUSE, MONTREAL,

MARCH, 1882.

## PREFACE.

It is seldom that such an opportunity is offered to book collectors, on this side of the Atlantic. For 50 years, Chief Justice Reid gradually accumulated from various sources the most valuable works he could procure.

The library was largely augmented by his nephew, Mr. Hugh Taylor, who for a long time, made yearly additions to it; it forms at present probably one of the finest private collections on the American Continent.

I herewith submit a catalogue, and shall be happy to entertain any propositions with reference to *private sale* of the books, which will be sold separately at a price to be agreed upon between purchaser and myself.

Any person wishing to visit the library for the purchase of books or otherwise, can do so on Mondays and Fridays, between 2 and 6 o'clock.

REID TAYLOR,

PARK HOUSE.

1	SMITH, JOHN THOS.	Etchings of Remarkable Beggars, Itinerant Traders and other Persons of Notoriety in London and its Environs. London, 1815.

(\* NOTE.—A writer, speaking of Boydell's Illustrated Shakspeare, says: "It is a work which for its magnitude and expense, is certainly unparalleled in any country or age; and bears much more, the appearance of a *National Undertaking*, executed at the public expense, than the enterprise of the branches of one private family. He is writing at the beginning of the century, when the work just appeared. This is one of the most splendid works in existence, and as the number of copies is limited, daily increases in value. It contains 100 of the most magnificent full-sized Engravings, and is a treasure which would be an ornament to the finest Library. The bringing out of this work cost originally one hundred thousand pounds.
