## QUESTION V.

*Who have died since last Conference ?*

## ANSWER.

## I. JOHN LAW.

Brother Law was born in Fermanagh County, Ireland, in the year 1806. Little is known of his early life in that country, except that, under the influence of early Christian nurture, he united with the Wesleyan Society at the age of fourteen. For some time before coming to this country, in 1831, he was employed as a local preacher.

In 1833, he entered the regular ministry of the Canada Conference, receiving his first appointment to the Cavan Circuit, on which he endured his full share of the hardships, privations, and losses of pioneer life. For twenty-nine years he was actively employed on some of the most important Circuits in our work.

In 1862, he received a superannuated relation, and settled in Whitby. As a Superintendent, he was a lover of Methodist discipline, which he carefully maintained and enforced on his Circuits. As a preacher he was sound in doctrine, adhering firmly to our recognized standards of theology, and his public ministrations were generally acceptable. Nor were his labors without fruit. On some of his Circuits extensive revivals occurred, and many souls were converted. Two of the ministers of this body were among his spiritual children. He was a lover of order and punctuality, and displayed great neatness in his personal habits, as well as an amiable cheerfulness and vivacity of spirit. His aid was cheerfully given in the maintenance of Sabbath appointments, and his services as a class and prayer leader were highly prized.

During the last few weeks of his life he was subjected to severe temptations, arising from startling views of his own infirmity and unworthiness, which were not subdued by the recollection of a public life of thirty-five years spent in the service of the Church. But by a renewed trust in Christ as a sinner saved by grace alone, he overcame the temptation, and rejoiced in the possession of steady and increasing peace.

He died, September 7th, after an illness of eight weeks, in the sixty-second year of his age, and in the thirty-sixth of his ministry.

## 2. MATTHEW WHITING

Was born in Ancaster, April 26th, 1789, and died in Hawkesville, November 1, 1869. In early manhood, seized with the conviction of sin amidst the revelries of a ball-room, he fled from the companions of his folly, and was soon joyfully converted to God. Distinctly and confidently, in times and places innumerable, from the fulness of a personal experience, he declared the willingness of God to pardon, and the power of God to save.

In after years he entered into the rest of perfect love, and although his evidence of this blessing was not always equally bright, yet he retained its comforts, and exhibited its power in a greater or less degree, through all the subsequent years of his life.

Brother Whiting entered the Wesleyan ministry in June, 1826, and from that hour, till the day of his death, knew nothing among men save "Christ and Him crucified." His zeal for the cause of

Christ was not unlike that which filled the heart of the great Apostle of the Gentiles—No labor too hard for him to do—no fatigue too great for him to bear—no matter how great, or how numerous the difficulties that stood in his way, he prosecuted his work with unquenchable zeal. Even when relieved from the responsibilities of a particular charge, his earnest soul could not be at rest. When his brethren pronounced him worn out by the arduous labors of many years, he still found open fields of toil, into which he entered with all the enthusiasm of youth, and often did as much work for his Master as many who were yet in the vigor of manhood. It was work, beyond his years, that brought him to his grave—like a soldier with a free discharge in his hand, he yet perished in the field. As the result of his faith and zeal, few have been more successful in winning souls to Christ. All over this land—in private life, in official circles, in the Christian ministry, are to be found those who were converted to God through his earnest ministry. Perhaps no one in the generation of preachers to which he belonged has gathered in a greater harvest. Of him there could be said nothing more, and there should be said nothing less, than, that he was a holy, earnest, and successful minister of Christ.

In his last hours he enjoyed, under great physical sufferings, the peace which passeth understanding. There was no anxiety to live, and no fear to die. In either case there was the most perfect resignation to the will of God, and the most perfect assurance that all his interests were safe in the hands of the Lord.

He breathed his last in the bosom of his family, and passed away to hear, "Well done thou good and faithful servant, thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

### 3. JOSEPH HUGILL.

Brother Hugill was born in Yorkshire, England, on the 9th November, 1823; he came to Canada at the age of eight years; was converted to God in March, 1844, at a protracted meeting held at Switzer's Church, on what is now the Streetsville Circuit; was called to the work of the Christian ministry in 1850; and after spending nearly nineteen years as a faithful and successful ambassador for Christ, he fell at his post, on the Farmersville Circuit, on the 30th of November, 1868, in the 46th year of his age.

Brother Hugill had received a liberal education, was a diligent student, a good, practical preacher, a faithful and judicious pastor, a wise counsellor, and a warm and sincere friend. Being of an amiable, affectionate, cheerful and unselfish disposition, he was happy in his family and happy in his work; and he enjoyed, in no ordinary degree, the confidence and esteem of the people amongst whom he labored; and also of his ministerial brethren who were favored with his acquaintance.

For the last few years his health had not been good, yet he labored on with unabated zeal, especially on his last Circuit, where he was greatly honored in promoting the work of God, and where he was universally respected and beloved; and there can be no doubt that his excessive labors brought on that fatal disease—typhoid fever—which terminated his life.

*He died well!* Though his last short illness was very severe, and, from its nature, deprived him for the most of the time of his reason, yet in all his lucid moments, his confidence in Christ was unshaken, his spiritual vision was unclouded, and he could rejoice in God with joy unspeakable. "*He rests from his labors and his works do follow him.*"

#### 4. THOMAS ROBSON.

Brother Robson was born at Wallsend, near Newcastle-on-Tyne, in the month of April, 1819. He early attended a Wesleyan Sabbath School, and was converted to God when twelve years of age. He was subsequently appointed a Sabbath-School visitor, and at the age of nineteen years entered upon the duties of class-leader and local preacher in his native town. Brother Robson emigrated to this country in the year 1843, and not finding in the neighbourhood in which he settled a society similar to the one of which he was a member at home, at once joined the communion of the Methodist Episcopal Church. The same year he yielded to the request of that body, by going out into their ministry. In the year 1855, however, Brother Robson having long had a preference for the work of the ministry in connection with our Church, embraced an opportunity to enter it, and until the day of his death witnessed a good ministerial profession in our ranks. He was affectionate and devoted; his untiring industry rendered his name precious on the several cir-

cuts to which he was appointed. On the Nissouri Mission, in the month of October, 1868, this devoted minister fell at his post, scarcely having time enough to lay down his weapons ere he sunk on the field. In his death, however, there was time to convey to his bereaved partner, and for the comfort of his numerous friends, the most unmistakable testimony of his safety and peace. "His works do follow him."

#### 5. THOMAS E. GARBUTT,

Was born in the Township of Whitchurch, County of York, Ont., on the 2nd of August, 1835, and died on the 19th of March, 1869, in the thirty-fourth year of his age, and eighth of his ministry.

In his youth he was blessed with the teaching and prayers of godly parents, and was thus led, in the fourteenth year of his age, to Christ as his Saviour. He gave his heart to God, and had his name enrolled as a member of the Wesleyan Methodist Church. At once he began to tell what the Lord had done for him, and to exercise a salutary influence among his youthful companions; and ere he was called to preach publicly was instrumental in the conversion of some souls.

In the year 1861 he was received on trial as a preacher, and after labouring three years on Circuits, and spending two at Victoria College as a student, was ordained to the work and office of a minister. His labours were specially blessed to the youthful portion of his congregations. His preaching was plain, practical, and persuasive, disarming prejudice and winning its way to the hearts of hearers.

In the fall of 1868 he was requested to go to Montreal South Circuit to fill a vacancy. Though at personal inconvenience he cheerfully complied, and entered upon his new sphere of labour humbly and prayerfully trusting in his Master. He soon won the hearts of his people, who began to look for a gracious revival and to express wishes for his re-appointment to the Circuit. The Lord willed otherwise and took him to be with himself. On the 14th of March, 1869, he preached his last sermon, when, with unusual earnestness, being scarcely able to restrain his tears, he pleaded with souls to come to God through Jesus Christ our advocate. On the Thursday following, dangerous symptoms from erysipelas appeared. He then

said he was ready for either issue, and gave directions what to do if it should terminate in death. On Friday morning, while conversation was going on by his bedside, on the blessedness of a preparation for death, he arose from a state of seeming unconsciousness, and, with a great effort, said, "I feel Him precious to my soul now." He tried in vain to say more; in the evening he calmly fell asleep in Jesus. In the early part of his sickness he was contemplating the making a sermon on the recognition of friends in heaven. He passed away to prove, in experience, "We shall know each other there."

#### 6. ROBERT LOWRIE GABIE.

Mr. Gabie was born in the township of Fitzroy, Ontario, on the 12th day of July, 1835. In the years of his childhood and youth he was often the subject of strong religious convictions, which he always attributed, under God, to the influence of a pious mother's counsels and prayers. In the month of August, 1858, he attended special religious services held by the Rev. Geo. Case and the Rev. Jas. A. Gordon, in the Wesleyan Church, Osgoode. Here he was led by the Divine Spirit to discover his true condition as a sinner before God, and to seek for that mercy which he felt he needed; and while prayer was offered to God on his behalf, he was enabled to apprehend by faith the merits of Christ, and to rejoice in the light and peace of God's salvation.

At the Conference of 1863, he was accepted for our regular work. In all the Circuits to which he was appointed during his four years' probation, he was "abundant in labors," and greatly successful in winning souls to Christ. As his early literary advantages had been very limited, he was strongly desirous to make further mental improvement; and, at the Conference of 1867, he was permitted to defer his acceptance of ordination for a year, in order to attend Victoria College. But a ministerial vacancy occurring at Brampton, he was sent thither as the colleague of the Rev. M. Fawcett; and he labored for the year with his accustomed earnestness and success. At the following Conference he again resolved to forego his ordination for a time, and go to College. Many of his ministerial friends, knowing that his health had not been good for some years, tried to dissuade him from taking this step, but in vain. He

entered hopefully upon his studies, but in less than three months it became evident that his mind and body were both breaking down. Symptoms of insanity developed themselves, and he was sent home. His malady grew worse, until the sudden and melancholy termination of his life, on the 18th day of May, 1869.

Brother Gabie's piety was deep and uniform. In public and in private he preached the doctrine of full salvation from sin by the blood of Christ, and professed to prove its truth in his own experience. Many of his sermons displayed great force and originality of thought; and his ministry was characterized by a self-consuming zeal for the glory of God and the salvation of all to whom he preached. Many are the "seals" of his apostleship, and many to-day mourn his early death. But while they lament his sudden removal, their sorrow will be softened by the blessed hope of meeting him again in heaven.

### COMMITTEE'S REPORT.

The Committee of the Children's Fund regard with satisfaction the general accuracy of the returns from the Districts and the promptness with which the payments have, in every instance, been made.

The number of Children to be provided for in the ensuing year is 841, which, though larger than that of this year, will occasion no inconvenience, as the increase in the membership is proportionately large. The Committee recommend an average rate per member of thirty-five cents, and the payment of \$25 to each child having claims upon the Fund.

It is also recommended that the present Treasurer and Secretary be re-appointed.

## REPORT

OF THE

## SUNDAY SCHOOL COMMITTEE FOR 1869.

---

A careful review of our Sabbath School work at the close of another year, has inspired your Committee with gratitude for the past, and hopefulness of the future.

Although the statistical returns are not so complete as might be desired, yet the facts they present are generally of an encouraging character.

According to these returns, the scholars taught in our schools number 53,024 ; being an increase over the previous year of 1,703. Of these scholars, 8,971 are over sixteen years of age, and 4,467 are meeting in class, thus giving evidence, on the one hand, that our Sabbath Schools have not failed to attract our rising youth ; and on the other, that the instructions there imparted have been the means of making many of them wise unto salvation.

A noble band of officers and teachers are engaged in this work, numbering 7,691, of whom 5,684 are members of the church.

The Committee have pleasure in calling the attention of the Conference, to the large amount raised in our schools during the past year for Missionary and School purposes, reaching the handsome sum of \$21,526.33, and being an increase of \$4,168.28.

The reports that have reached us from those schools in which the *Sabbath School Banner* has been used, lead us to believe that that periodical is doing a good work; and the Committee would recommend that earnest endeavours be made for its more general circulation among our Teachers. They would also repeat the recommendation of the Committee of last year, to the effect that the price of the *Sabbath School Advocate* be reduced, and that hereafter it be issued at the uniform rate of twenty-five cents per copy, where not less than ten copies are taken.

The subject of our Sabbath School Literature received the consideration of your Committee, and they would most earnestly press upon the attention of the Conference the necessity of adopting some means for securing Libraries, which shall be free from works of fiction, uninteresting and pointless narratives, and historic compends of nations; and which shall contain a greater proportion of Methodistic Biographies and works on the nature and benefits of practical godliness, than those generally offered to the public.

The Committee feel satisfied that the time has come when a general Sabbath School agent should be employed, and would beg leave to recommend this question to the careful consideration of the Conference.

In conclusion, your Committee rejoice that the entire Sabbath School question has been brought so prominently before the Conference; and believing that the future prosperity of this department of the Church's work depends largely upon a proper connexional organization, they sincerely trust that the constitution of the Sabbath School Union, in whatever form adopted by the Conference, will be heartily endorsed by all our ministers, and carried into practical operation in all our schools.

leyan Methodist Sabbath School Union ; whose time and labors shall be devoted to the editorial management of the Sabbath School periodicals, and also the issuing of such publications as the Book Committee may decide upon for the formation of a Sabbath School Library ; and also to promote the interests of Sabbath Schools, as far as practicable, by visits and addresses throughout the Connexion, as may be desired by the Superintendents of the several Circuits.

 STANDING RESOLUTIONS.
 

---

*Resolved*,—That it shall be required of every Financial Secretary, either by himself or by a proxy, to meet the Treasurers of the several Connexional Funds, to report the receipts of their respective Districts, on Tuesday, at two o'clock, P.M., the day before the annual meeting of the Conference.

The *Contingent Fund Committee* will meet on the second Wednesday of the Conference, at two o'clock, P.M.

#### Collections for Connexional Funds.

*Resolved*,—That it is the judgment of this Conference that when collections for connexional purposes are appointed to be taken in any of our churches, the whole of such collections throughout the day shall be appropriated to the respective Funds to which they are related, without any deduction for the Circuit, or any Trust, or other Fund.

#### Superannuated Ministers' Fund.

*Resolved*,—That whereas the rule requires that all widows, claimants on the Superannuated Ministers' Fund, shall be members of our Church : therefore. it shall be the duty of the Chairman of each Annual District Meeting to make enquiries into the case of widows residing within their respective bounds, as to their membership, and report the fact annually to the Conference.

#### Educational Fund.

*Resolved*,—That the young men on probation receive from the Educational Fund the amount of expense which they incur in attending their annual examinations.

#### Order of Connexional Funds.

*Resolved*,—That the Connexional Funds shall be taken up in the following order, viz :—

1. *Church Relief Fund*—In the month of July.
2. *Contingent*—In the months of September and March.

3. *Superannuation*—In the month of November, or December.

4. *Victoria College*—In the month of December.

#### Income of Domestic Missions.

*Resolved*,—That the Financial District Meeting shall examine into the circumstances and probable income of Domestic Missions, in the same way as in respect to Circuits, and suggest the amount that should be appropriated for the support or assistance of such Missions.

#### Chairmen and Domestic Missions.

*Resolved*,—That the Chairmen of Districts forward, to the General Superintendent of Missions, the amount recommended by the several September Financial District Meetings for the Domestic Missions, as soon as practicable after the close of each meeting.

#### Sabbath Observance.

1. *Resolved*,—That believing in the universal and perpetual obligation of the Sabbath, and regretting any laxity in opinion or practice which may prevail, we feel it our duty distinctly to avow our firm belief in its sanctity, in the necessity of its strict observance, and in the untold benefits resulting to the community from its establishment.

2. *Resolved*,—That we strongly disapprove of the practice of encouraging or allowing places to be opened on the Sabbath, in the vicinity of our Camp-Meetings, for the sale of groceries or provisions of any kind; and we would recommend our brethren to discountenance such places, and, if need be, to carry out, mildly but firmly, the existing enactments of the civil law against them.

### Preachers Attending College.

*Resolved*,—That in all cases when Preachers, who have travelled four years, are then allowed by the Conference to attend College, their reception into full connexion, and their ordination, are thereby deferred.

### Relating to the Book Room.

*Resolved*,—That every Minister and Preacher is henceforth peremptorily required to settle his account with the Book Steward, at or before the Meeting of Conference.

*Resolved*,—That in the case of any Minister or Preacher who is indebted the amount of \$100 to the Book Room, the Book Steward shall be authorized to draw on the Treasurer of any connexional funds on which that brother may have a claim, to the amount of not more than 25 per cent. of his claim annually, until his debt is paid; and that a like proportion prevail when the indebtedness is larger than the sum named.

*Resolved*,—That the brethren indebted to the Book Room, they not being claimants on the connexional funds, be required to settle all overdue accounts.

### Candidates' Trial Sermon.

*Resolved*,—That this Conference requires Candidates for our Ministry to preach a Trial Sermon before the District Meeting by which they are recommended, or before a Committee appointed by the District Meeting, who shall report their opinion of the sermon, and embody it in the recommendation of such candidate to the Conference.

---

## MISCELLANEOUS RESOLUTIONS.

---

*Resolved*,—That the Educational Fund collection be suspended for the present year, and that a collection in aid of the annual expenditure of Victoria College be taken up instead thereof.

*Resolved*,—That the Book-Steward be instructed to publish an edition of the Model Deed, in 12mo. or 8vo. size, in good type,—Long Primer or Pica, with side notes,—for the use of the Conference and Trustees in Ontario and Quebec, and other portions of the work.

*Resolved*,—That whereas the Secretary of State for the Colonies, in a Despatch recently addressed to the Government of this Dominion, has undertaken to lay down sundry regulations giving precedence to the Clergy of particular denominations, and whereas there does not exist in this country a union of Church and State, or any peculiar form of Christianity established by law, this Conference would record its respectful but decided protest against all Governmental instruction or interference, evincing a preference for this or that ecclesiastical system; as such preference, while inflicting an injustice on large numbers of her Majesty's loyal subjects, is calculated to foster a spirit of religious caste and exclusiveness in the Church thus favoured.

*Resolved*,—That this Conference having a most agreeable recollection of the interchange of Christian salutations and deferential expressions of brotherly affection, at our last annual meeting, with the Synod of the Presbyterian Church in Canada, in connexion with the Church of Scotland; avail ourselves of the occasion of this our annual assemblage, to

renew the expressions of our profound respect and cordial affection for that venerable body, its members and congregations—a church so rich in historic records of martyr sufferings, apostolic labours and unswerving fidelity to Protestant faith and liberty. As our Presbyterian brethren, as well as ourselves, have been deprived of that co-operation on the part of the State, which upon the grounds of public faith and patriotism both they and we had reason to expect, in the higher education of youth, we congratulate them on the great success of their appeals for individual aid to sustain their University; and we assure our honored Presbyterian brethren of our fraternal and zealous co-operation in all that appertains to the true religious and educational interests, as well as the citizen rights and privileges of our common country; and we devoutly pray that a rich effusion of the Holy Spirit may ever accompany their works of faith and labors of love.

*Resolved*,—That the Superintendent of Oil Springs' Mission be permitted to travel through our work generally for the purpose of securing sufficient pecuniary relief for the Trustees of the Oil Springs' Church. Also that the Rev. George Goodson be associated with him for the above named purpose.

*Resolved*,—That permission be given to Rev. Wm. Jackson, of Danville, P. Q., to visit the cities of Montreal and Quebec, in order to solicit subscriptions to the amount of \$100, to liquidate the debt on the Danville Church.

*Resolved*,—That Trustees' Subscriptions to the Church Relief Fund be in good faith from themselves, and when a grant is obtained for the relief of any trust, the full amount so granted be applied to the object contemplated.

---

Union of Methodist Bodies.

*Resolved*,—That the Conference re-affirms its resolution of 1866 on Methodist Union, viz :—

1. That this Conference cordially reiterates the expression of its conviction as to the desirableness and importance of a union of all the Methodist bodies in Canada, who believe the same doctrines, sing the same hymns, have the same form of worship, the same love-feasts, the same prayer and class meetings, and the same general rules of society.

2. That the Conference re-appoint a committee, consisting of an equal number of ministers and laymen, to confer with any similar committee or committees appointed by other Methodist bodies, on the subject of union, and report to the next Conference.

3. That the committee be composed of the following brethren : The Ex-President, Co-Delegate, and Secretary of the Conference, the Revs. Drs. Wood, Green, and Ryerson, the Honbls. James Ferrier, Billa Flint, and J. C. Aikens, members of the Legislative Council, Edward Jackson, Esq., of Hamilton, John Macdonald, Esq., of Toronto, and Edwin Chown, Esq., of Kingston.

Canada Temperance Union.

The Conference recommended to be adopted and published the following resolutions on the subject referred to in the Memorial of the Canada Temperance Union.

*Resolved*,—1. That this Conference hails with much pleasure the formation of the Society designated the Canada Temperance Union, having for its object the consolidation and co-operation of all the various organizations of the country with a view to promote the cause of total abstinence and the entire suppression of the liquor traffic,

regarding this effort as essentially Christian in its character, and in perfect accordance with the views of Mr. Wesley, and the general rules of the Methodist Churches.

2. That while this Conference reiterates its frequently-expressed views on Total Abstinence, it would renew its earnest recommendation that every minister should preach at least one sermon in each year to each congregation under his charge, enforcing Mr. Wesley's sentiments against drunkenness and drinking, as truly scriptural and tending to the moral and physical welfare of society.

3. That this Conference earnestly recommends some form of Temperance effort in connection with all our Sabbath Schools, and urges on all Superintendents and Teachers the propriety of placing in the hands of the children such books and tracts as will serve to inform them on the subject of Temperance, and guard our youth against the pernicious drinking practices which now prevail to an alarming extent.

4. That this Conference earnestly entreats all ministers and preachers, as far as their special duties will allow, and all the members of our churches and congregations, to render all possible aid in the attainment of a revival of sound Temperance principles as auxiliary to the spread and growth of vital godliness.

5. That with a view to testify its appreciation of the purposes of the Canada Temperance Union, we do hereby appoint five brethren as delegates to represent this Conference in the Convocation to be held in Toronto next September, and that the following brethren be the Committee: Revs. I. B. Aylesworth, M.D., Wm. Scott, E. H. Dewart, George Cochran, and N. R. Willoughby, M.A.

*Resolved,*—That the cordial thanks of this Conference be given to Rev. S. Rose, Book Steward, and those brethren who have assisted him, for their enterprise and zeal in originating and carrying out the publication of the *Daily Recorder*, thereby giving our whole Church and country much valuable information on our Conferential and Connexional proceedings.

*Resolved*,—That the cordial thanks of this Conference be presented to the Rev. A. Sutherland for the valuable services gratuitously rendered to the Sunday School Union, and in editing the *S. S. Banner* for the past year.

*Resolved*,—That the thanks of this Conference be presented to the Managers of the Grand Trunk Railway for the facilities afforded the ministers and lay gentleman attending the Conference, by granting return tickets to all such.

*Resolved*,—That the cordial and unanimous thanks of this Conference are hereby presented to the Christian friends in the City of Toronto, and vicinity, for the generous hospitality with which they have entertained the Conference during its present session.

*Resolved*,—That the cordial thanks of this Conference are hereby given to the Ministers of the city for their kindness and assiduity in providing accommodation for its members during their stay in the city.

*Resolved*,—That the thanks of the Conference be presented to the Hon. John Carling, Commissioner of Agriculture and Public Works, for the gift of a pamphlet on Emigration.

SIR,—

I have the honor, by desire of the Governor General, to transmit herewith His Excellency's reply to the Address, dated Kingston, June 11th, from the Conference of the Wesleyan Methodist Church in Canada.

in Canada :*

GENTLEMEN,—

I have received with much satisfaction the Address which you have done me the honor to present to me on my appointment as first Governor General of the Dominion of Canada, and I thank you most heartily for the kind expressions which you have used in it towards myself and family.

I rejoice to find that you look with favor on the measure by which the scattered Colonies of Great Britain in America have been united into one Dominion, thereby laying the foundation for a new British nationality on this Continent

and I feel that the future working of Canadian institutions will be materially aided by the support of a body so influential as that which you represent.

I concur with you in your expressions of abhorrence of the crime by which the country has been deprived of one of its most brilliant orators and most accomplished statesmen; and I am sure that you put into words the universal sentiment of the people of Canada in the statement of your belief that they "will be ever ready to unite, as the heart of one man, to repel and crush every conspiracy and invasion which may be made against property, law and order."

MAY IT PLEASE YOUR EXCELLENCY,—

We, the Conference of the Wesleyan Methodist Church in Canada, representing nearly six hundred ministers, and congregations of nearly three hundred thousand people, beg to approach your Excellency with the expression of our cordial congratulations on your appointment as Her Most Gracious Majesty's Representative in the Government of the Dominion of Canada.

The distinguished service which Your Excellency has rendered to the interests of the Crown, of Religion, and of

the Colonies where Your Excellency has exercised Vice-regal administration, evinces Her Majesty's solicitude for the welfare of Canada, in your selection as Her Representative here, and is the best assurance that no skill or efforts will be wanting, on the part of Your Excellency, to promote all that will most tend to consolidate the institutions, and advance the religious and general prosperity of this extensive Dominion.

Characterized, as our Church has ever been, by loyalty to the Crown, and devotion to the religious and educational culture of the people, we assure Your Excellency of our co-operation in your noblest work of Christian and National Patriotism, and of our fervent prayers for the happiness of Your Excellency and family.

REPLY OF THE GOVERNOR GENERAL,  
SIR JOHN YOUNG, K.C.B.

*To the President and Members of the Conference of the  
Wesleyan Methodist Church :*

GENTLEMEN :—

I am well pleased by receiving an Address of Welcome from the Conference of the Wesleyan Church, which embraces such large numbers within its fold, and exercises so wide an influence throughout the Dominion.

The services which Wesleyan teaching has rendered to the cause of that righteousness which exalteth a nation, and the steady, industrious habits of its disciples, as well as their loyalty to the Crown and consistent adherence to the side of law and order, dwell in my recollection, and add weight to your offer of co-operation. I thankfully accept, and count upon it with all confidence.

The measures which have already been accomplished attest the solicitude with which Her Majesty, in common with the great body of her subjects in England, is inclined to promote the welfare of Canada. I trust that under the favor of Providence complete success may be attained, and that, in the ensuing years, the councils of the Ministers and the deliberations of Parliament may be so happily guided as to consolidate the fabric of the Dominion, and place industry, temperance, and justice on sure foundations throughout its wide extent.

THE  
ANSWER OF THE BRITISH CONFERENCE OF 1868,  
TO THE  
ADDRESS OF THE W. M. CONFERENCE IN CANADA, 1868.

---

REVEREND AND DEAR BRETHREN,—

We give thanks to God always on your behalf, as we hear of your unceasing devotion to the work of our Lord Jesus Christ, and of the success granted you by Him "who giveth the increase."

We reckon your prosperity our own; and thankfully ac-

knowledge the blessings bestowed upon you, as enriching us also, and encouraging us to more zealous and faithful labor in the same field, from a distant part of which we have news of your well-doing and well-being in the Lord.

We are, at the same time, cheered and assured by the tone of devout gladness in which you tell us of the enlarged number of your Church-members, and the declaration that this growth has been in no wise purchased by any departure from our old Methodist rules. Whilst we are sometimes urged to modify our order and discipline with regard to the conditions of membership among us, testimonies, like your own, reach us from all parts of the world, that our best wisdom still is, not to mend our rules, but keep them.

Heartily rejoicing, as we do, in the numerous additions you have made to your places of worship, we rejoice with the greater confidence, when we find you earnestly setting about the important work of providing a systematic theological training for ministerial candidates, and thus doing your part, not only to multiply pulpits, but, as far as it lies in your power, to secure the efficiency of the Ministers who shall occupy them. Your most praiseworthy endeavours to furnish a higher style of education to the sons and daughters of your people, will make the need more urgent, that the Ministers, to whose teachings you hope they will listen, should themselves be educated:

Be assured, that we look with unfailing interest upon all parts of your work, and that we fully appreciate the importance of your more distinctively Missionary operations, not only within your own borders, but in the regions beyond ; and we wait trustfully, expecting to hear yet better things of your success in vigorously prosecuting this great work among

the tribes, who have, too often, received from the white races the vices of their civilization, rather than the blessings of their professed Christianity.

We are moreover thankful, dear brethren, that we are permitted, not only to partake of your joy, but to add thereto, by giving you to know of the prosperity wherewith we have been greatly blessed, as indicated by the returns made to our present Conference from all departments of our work, and with which you will become fully acquainted through the ordinary channels of information.

It is true that we have suffered great loss during the past year, in the removal from our foremost rank, of wise and holy men, to whom we had long been accustomed to look for counsel, and by whose labours we were wont to be edified and encouraged. But we mourn not without hope, or without certain faith, that the grace which dwelt so richly in them is not withdrawn from us; and their departure has led many to cry for a double portion of their spirit.

We cheerfully accede to your request, that the Rev. W. Morley Punshon, M.A., should be permitted to reside and labour among you, at least for a term of years, and be subject to your jurisdiction. The choice of the President of your next Conference we leave to the assembled brethren. The Co-Delegate will, according to the terms of our union, be appointed by the President so elected.

We thank you with all our hearts for your warmly-expressed affection and good wishes on our behalf. In thus accepting, we as heartily return you both; assuring you of our affection in the bonds of His love in whom we have a common trust, and in whose services we are so happily one; and presenting our good wishes for you as earnest

prayers to Him, whose blessing, we trust, will ever abide upon you, making you strong to do His will, gladdening you now with great success, and crowning you hereafter with His everlasting reward.

Signed on behalf and by order of the Conference,

JOHN FARRAR,

Liverpool, August 14th, 1868.

ADDRESS OF THE CONFERENCE  
OF THE  
WESLEYAN METHODIST CHURCH IN CANADA,  
*In connexion with the British Conference,*  
TO THE  
CONFERENCE IN ENGLAND.

---

REVEREND FATHERS AND BRETHREN,—

We thankfully acknowledge the receipt of your parental and instructive Address.

We thank you most heartily for your compliance with our request in allowing the Rev. William Morley Punshon, A.M., to reside and labour among us for a term of years. If we entertained high expectations of the acceptableness and efficiency of his labours on his appointment as our President, these expectations have been more than realized by his powerful ministrations and addresses, his wise and affectionate counsels, his generous and active efforts in behalf of our institutions, his extensive travels and numerous public services, edifying and impressing multitudes by his eloquent and fervent discourses, and aiding most

effectively to advance the various interests of our Church, and commanding the highest respect, and largely the attention and admiration of all classes, and Protestant denominations of our country. We need scarcely add, that after such experience of the great value and usefulness of Mr. Punshon's labours during the past year, we have cordially and unanimously re-elected him as our President for the present year.

In accordance with the wish of the Conference as expressed last year, the President has appointed as Co-Delegate, the Rev. George Douglas, whose high character, eminent talents, and amiable spirit, give ample assurance of the efficiency with which he will discharge the important duties imposed upon him.

We rejoice to learn the increased prosperity of the vast and still enlarging work under your care, both at home and abroad. Our earnest prayer is, that the blessing of divine grace and power will crown your labors with yet greater success.

We are thankful to be able to say, that notwithstanding much commercial depression, every institution and fund of our Church, are in advance of the preceding year. The numerical increase of our membership is upwards of two thousand, and no less than forty-six young men have been recommended and accepted as candidates for our ministry.

The Government having withdrawn public aid heretofore granted to the denominational colleges of this country, we have decided upon appealing to the liberality of our people, and, uniting our own personal contributions with theirs, for the sum of, at least, one hundred thousand dollars, to endow the University of Victoria College. More than half that

sum has been subscribed already; and we hope, by the Divine blessing, to complete, in the course of the present Conference year, the work so auspiciously commenced, of placing our University College in a position of independent and entire efficiency. It is a matter of thankfulness and encouragement that the attendance of students and pupils at our University, and in our Female College, is in advance of any previous year, while we hear testimony of the truly Christian and Wesleyan spirit, and efficient manner in which these noble institutions have been conducted.

Perfect peace and unity pervade the entire ministry and membership of our Church; on no former occasion have our Conferential deliberations been characterised by more courtesy and brotherly kindness than during our present session; and we go forth with renewed purpose of devotion and consecration, and with one mind and heart to our appointed fields of labour, relying alone upon Him who perfects His strength in human weakness, and imploring a continuous baptism upon ourselves and congregations.

As you have granted us the privilege of electing our President for the present year, we shall be thankful if you will accord to us the privilege of electing our President for next year.

Reverend Fathers and Brethren,—Our earnest prayer is, that by the riches of the Divine Grace you may become many fold more than you are, and continue with increased success to diffuse the blessings of Christianity and civilization over the continents and islands of the globe.

Signed by order and on behalf of the Conference of the Wesleyan Methodist Church in Canada.

THE ADDRESS OF THE  
 WESLEYAN METHODIST CONFERENCE OF EASTERN  
 BRITISH AMERICA,  
 TO THE  
 CONFERENCE OF THE W. M. CHURCH OF CANADA, 1868.

FREDERICTON, N. B., June 30th, 1868.

REVEREND AND DEAR BRETHREN,—

We thank you cordially for the Address in which you have conveyed to us renewed assurances of fraternity and goodwill, and greatly rejoice at the measure of spiritual prosperity with which you, as a Connexion, have been favored. Brought into close association with you as fellow-subjects of the same realm, we nevertheless feel that the most sacred and cherished tie is found in the deeper relation held by us as members of the great Methodistic family, in which, though widely severed, we feel ourselves at the same hearthstone.

Holding, with you, that Righteousness exalteth a nation, and that Christian principles constitute the only solid foundation of Empire, we would, in occupying the wide area of this northern section of this Continent, strive to realize the growing responsibilities which devolve upon us, and to co-operate with you in all measures conducive to the common weal.

We gladly mark your loyalty to the truth as it is in Jesus, and your unfaltering devotion to the cause of a crucified and enthroned Redeemer. The soundness of faith, the unity of doctrine, and the pure and primitive simplicity by which Methodism, in a'l lands, is pre-eminent, are in these times of recreance and laxity, sources of comfort and strength to our hearts. The genius of Christianity is aggress-

sive, and the true succession in the Church of the living God, is found in the spirit of Apostolic zeal and self-sacrificing effort for the salvation of souls. We have watched, with an interest not easily expressed, the formation of your Missions to the Red River and the Rocky Mountains, and we trust that many precious souls brought to the Saviour, will be the fruit of this new Missionary enterprise of your Church. We also have much strictly Missionary ground within the limits of our Conference, in the sparsely settled and spiritually destitute Districts of Nova Scotia, New Brunswick, and Newfoundland. We are endeavouring, by the organization of a "Home Mission Fund," to make provision for such portions of this wide field, and the employment of Agencies upon a Home Mission basis.

Our Church membership is fifteen thousand one hundred and ninety-three, an increase of three hundred and twenty, with two thousand and eleven on trial.

To the practical wisdom and sanctified gifts of our beloved President, we are indebted for the harmony and hallowed interest of a Conference which will be long remembered in this city. We cannot but feel that under the same Presidency we are linked into closer union. We have cordially welcomed the Rev. Dr. Nelles, known to us especially in connection with the successful administration of Victoria University.

Imploring on your behalf, and also on ourselves, the Spirit of power, of love, and of a sound mind, we remain, Reverend and dear Brethren, yours in the Bonds of the Gospel.

Signed by order, and on behalf of the Conference.

R. ALDER TEMPLE,

*Secretary Conference of E. B. A.*

THE ADDRESS  
TO THE  
PRESIDENT AND MEMBERS OF THE CONFERENCE  
OF THE  
Wesleyan Methodist Church in Eastern British America.

REV. AND DEAR BRETHREN,—

With unaffected pleasure we address to you our Annual Letter. The interchange of friendly greetings passing between us, awakens and sustains an interest in you and your work which we are pleased to feel and acknowledge. Your letter, in reply to the one we addressed to you from our Conference of last year, was duly read to us, and listened to with the attention to which it was justly entitled. And we take this opportunity of assuring you that we shall ever feel such an interest in all that concerns and interests you, as to make your communications ever welcome, and the relation of your success a matter of joy and rejoicing. We are thankful to say that the good hand of the Lord has been upon us for good, during the past year. Many mercies have crowned our people and our ministry through its progress, while frequent baptisms of the Holy Spirit have attested the divine authority of our calling, and the faithfulness of the promise: "Lo I am with you alway, even unto the end." The addition of 2156 members to our church, with the quickening and sanctification of believers, have resulted from this. To God be all the praise.

Deeply impressed with the great and growing need of a fuller and more systematic attention to the youth of our people, that their spiritual culture and guardianship may be the more effective and salutary, we are labouring to perfect

measures for greater utility, harmony and efficiency in our Sabbath School Agencies. A pernicious and seductive literature abounds, and many incentives to attract and beguile the unwary, are everywhere present, and we therefore feel that a deep and solemn responsibility rests upon us to speedily perfect and apply such measures as may more fully accord with the exigency of the times, and the duties we owe to the rising generation.

The endowment of our College, now made a stern necessity, we are labouring to complete. In the face of formidable difficulties, arising from great and wide spread commercial embarrassments, we are pressing onwards. We are thankful in saying that more than half of the minimum sum of \$100,000 we have put before us for that object, has been reached. A return of more prosperous times, which we think we are justified in regarding as at hand, encourages the hope that ere long the whole amount will be obtained, and our Connexion thereby saved from a dependence seldom other than uncertain and unsatisfactory.

Our Mission at the Red River has been so successful that we have felt constrained to so listen to appeals from thence, as to send an additional labourer to strengthen the hands of our brethren in that quarter. A young brother of undoubted piety and zeal, volunteering for the work, is being sent, and yet more encouraging results are looked for. Fourteen young men who have finished their probationary term were last Sabbath ordained to the work of the ministry, and received into full connexion with the Conference; while no less than forty-six candidates for our ministry have been received this year on trial. Thus is the Lord not only opening to us fields for greater and more

extensive usefulness, but supplying us with the agents necessary for the work thus created. We thank God and take courage to do and dare for so ennobling a work, and so glorious an enterprise.

Believing as we do, in the scriptural excellency of our discipline and usages, and in the divine orthodoxy of our principles and doctrines, we never felt a greater oneness and earnestness of purpose than now, to walk by the same rule, and to mind the same things, which, even as you, we have inherited from our fathers in the gospel. And we feel assured that we have but thus to follow in the teachings and examples we so fully possess, to become yet more mighty for good; and more successful in spreading scriptural holiness through our wide-spread Dominion.

We rejoice to believe that you are being freed from hindrances to your work, which, in several portions of your field must have painfully affected you. Fierce political agitations are ever obstructive and damaging to the work of grace; and we could not but feel for you in the struggle you must necessarily have had to surmount them. Days of peace and hope are, we trust, now opening before you, and while our Dominion shall be saved, in every portion of it, from disloyalty to a throne our venerated founder and his helpers ever revered and defended; so may unity and harmony in patriotic and spiritual bonds unite us each to other, and all to the banner of truth, that God may be glorified and the Kingdom of the Redeemer be established throughout our land.

We are closing a Conference remarkable for great oneness of judgment and feeling, and for heartiness of purpose to devote ourselves to our holy calling. The various ses-

---

sions of Conference, and especially its public religious services have been seasons of much spiritual refreshing and power. We need not say to you that the counsels and administrations of our beloved and gifted President have eminently conduced to this. We shall separate, strong in faith and hope, that a year of much promise and success is before us; and we doubt not the returns of the Conference of 1870 will show that we have not laboured in vain, nor based our hope upon a sandy foundation.

We trust that you, even as ourselves, may abound in hope of better and brighter days than you have ever realized; and that an abundant harvest of redeemed and sanctified believers may be your crown of rejoicing in the day of the Lord Jesus.

Signed by order, and on behalf of the Conference of the Wesleyan Methodist Church in Canada.

THE ANNUAL ADDRESS  
OF THE  
CONFERENCE OF THE WESLEYAN METHODIST  
CHURCH IN CANADA,  
TO THE  
MEMBERS OF THE CHURCH UNDER ITS CARE.

---

TORONTO, JUNE, 1869.

DEARLY BELOVED BRETHREN,—

Being assembled according to usage in our Annual Session, we greet you in the Lord. To you, as the flock of Christ, "over which the Holy Ghost hath made us overseers," our thoughts instinctively turn; and around you gather and concentrate all the feelings of our ministerial solicitude and regard. We joy exceedingly as we think of the peace and harmony and good-will and many virtues which by the Spirit of God are everywhere prevalent among you. We are thankful, also, beyond expression, for the heavenly influences, the divine visitations, the conversions, and the measure of general prosperity vouchsafed during the past year.

In various localities and portions of the country the Church has been blessed with gracious revivals, and scores and hundreds have been turned from sin to holiness, and from the power of Satan unto God. The Sabbath Schools are everywhere flourishing and increasing. New churches in all directions are being erected. The finances of the Church are generally improving; and there is no doubt, with the vast field we have before us for cultivation and evangelistic effort, if we are true to God and Christ and our

holy and peculiar calling, a glorious future awaits us surpassing expectation.

We deem it our duty on this, as on former similar occasions, to remind you of the special object for which, according to the judgment of the venerable Wesley, God has raised us up as a people, viz. : "to spread scriptural holiness through the land." But how can we do this unless we ourselves are distinguished by this divine quality? As, then, "He that hath called you is holy, so be ye holy in all manner of conversation." To this end live and walk in the faith of God, and of Christ, and of things invisible, and attend to the traditions and usages you have received. Do not think it an evidence of enlightened wisdom to disparage and neglect the class-meeting, the love-feast, the prayer-meeting. Look at those who regard these blessed means of grace as well nigh obsolete, and speak of them as such, and have discontinued attendance upon them. Are such among you the most exemplary of Christians? are such persons the most pious and zealous and useful in the kingdom of God?—then follow their example. But if otherwise: if they are in general those lamented and denounced by the Lord as the lukewarm, the religiously indifferent, those who have only a name to live, "foolish virgins," or professors, then beware. Be admonished, and follow not such unhappy negligences and pernicious courses. Follow rather in the ancient footsteps of the Methodistic fathers and flock of Christ. Walk in the good old ways—not because they are old, but good; and let the means of grace, the house of God, the word of God, and the works and people of God be ever your delight.

The times in which we live are perilous in the highest

degree to the soul, and to spiritual interests. The fascinations and seductions of worldly society, the insidious encroachments of a worldly spirit and worldly principles, the haste and eagerness to be rich, and the consequent speculations and modes of trade and merchandise, and the ever restless hopes and anxieties induced; add to these the rationalistic, infidel, and erratic principles and dogmas now everywhere propounded—all are fraught with danger, with, indeed, extreme peril to the souls of men. As your watchmen, beloved, upon the walls of our Zion, we love you too well to slumber or be silent. We lift up our voice; we warn you of these dangers; we charge you to be vigilant. Your enemies, numerous, invisible, most subtle and formidable, are near: they surround you. Watch; be ever on the alert; quit you like men. "This is the victory that overcometh the world," that whereby we are all to conquer "even our faith," the faith of the saints, the faith that is divine, that is of God. To possess this, and to be daily and continuously influenced and actuated thereby, be especially and particularly attentive to private devotions, private prayer and meditation, and the reading of the word. It is thus that men have faith, and rise out of the vanities of time into the riches of eternity. It is in this way that the soul doth plume her wings of faith and hope, and, like the eagle as it soars towards the sun, scatters the dust of earth from her feet and ascends to contemplate and exult in the glories celestial. It is thus that men do live; that the feeble are made strong even as David; and the Davids in Israel become as angels of God.

You will not, we trust, deem it unbecoming or out of place if we address to you a few words relative to what we regard as most important obligations due to the ministry.

You will, we are sure, feel with us how important and how imperative it is that the members of the Church should pray for, and assist and liberally support, and esteem very highly the ministry of God among you. On no account hinder or speak disrespectfully, or disparagingly, of such ministry. Remember, beloved, that though human, and therefore characterized by infirmities and defects, it is nevertheless divine—the Ministry of Christ. As such, to those who despise and reject and are contentious and disobedient, it is the savour of death unto death; but to them who receive the same with good and honest hearts, and are obedient, it is the savour of life unto life. Do not think of Ministers as some appear to, regarding them, as mere orators, sent of God to delight by eloquent orations on religious subjects the imaginations and feelings of the people, as any eloquent orator on a stage or in a theatre might do. The true Minister of Christ is an ambassador of God sent by him, not to please men's fancies and to pander to men's tastes, but to save men's souls, and to treat with men in things pertaining to God and Christ and Eternity. It is to convert; to reconcile men to God; to instruct the Church; to comfort, and, if need be, to rebuke; that all may be saved, and that the entire church may be without spot and blameless. Bear this in mind, beloved, and listen to the Ministers of God who are sent to you, not so much to be pleased, and delighted, as proudest—to be taught, disposed, and influenced to keep God's commandments. "He it is," says Christ, "who loveth me, and such shall be loved of my Father."

You will rejoice to learn that the increase of our membership for the year, after filling up the places of the dead and those removed and dropped, is two thousand one hundred

and fifty-six. Let us hope and pray and believe that the coming year may be distinguished by a blessing and an increase ten-fold more abundant.

Our Collegiate Institutions have been in successful operation during the year. The number of young ladies attending the Female College at Hamilton has been upwards of 200. The number of students attending the different departments of Victoria University has been 440, being an increase of 23 over any former year. With respect to the latter, the Government having withheld the usual annual grant, we have been under the necessity of appealing to the liberality of our friends for special present help, and with a view to the securing a proper and permanent endowment for the College. We are proud and gratified at the noble response you have given. The amount already subscribed is \$53,000 from about 1200 persons, and when all the Districts are canvassed we doubt not the sum of at least \$100,000 will be secured. This will place us in a position of independence. We thank God and you, brethren, and take courage.

More than usual interest has been exhibited lately with respect to our Sabbath Schools. An attempt has been made to organize a Sabbath School Union throughout the country for our Church. A new paper called the *Sabbath School Banner* has been published, conventions have been held, and, we trust, considerable good effected.

In conclusion, allow us to remind you of the importance of family religion. Neglect not family prayer, and let it not be attended to hastily, and after a slovenly or formal manner. Let it be as the morning and evening sacrifice—a season of delight and means of grace. And let every one

in the family, from the youngest to the eldest, be made to feel and understand that God is as one with and in the family, its best Friend, its Almighty Protector and Provider and Guide, its invisible Head—most wise and loving and kind.

Finally, be strong in the Lord, and in the power of His might. Be sober; touch not, taste not, handle not whatsoever is impure, whatsoever deteriorates, whatsoever is injurious. "Walk as children of the light: not as the Pharisees of old in religious conceitedness and spiritual pride, but Christ-like, in meekness, in lowliness, in true, loving, unconquerable and never-failing goodness." Be a peculiar people: not in dress, and oddities, and sanctimoniousness, but in real intrinsic excellency of character—epistles of Christ to be read and known of all men. In your collective capacity as the Bride of Christ, the heritage of God, the city of saints, remember it is yours to be illuminated with the light divine, inwardly radiant and beautiful with all holy joy, and heavenly grace and virtue; and outwardly resplendent in the exhibition of a God-like righteousness, beneficence, and mercy.

And may the God of all grace make you perfect, stablish, strengthen, settle you, and may the blessing of the Triune Jehovah be upon you and your children forever! Amen and amen!

WM. MORLEY PUNSHON,  
PRESIDENT.

CHARLES LAVELL,  
SECRETARY.

### REPORT

OF THE

### TREASURERS OF VICTORIA COLLEGE.

---

The Treasurers of Victoria College, in presenting their report for 1868-9, are happy in being able to state, for the encouragement of the friends of the Institution, that there has been an increase in the number of students in the various departments,—including the Cobourg Grammar School, which is now affiliated to the College,—not only over the number reported last year, but in excess of the number reported in any former year during the history of the College. The whole number on the books in the several departments is 440, being an increase of 23.

We think this fact alone is quite sufficient to show that our people have not withdrawn their confidence from the Institution, but are looking to it for that education which, at the present time, is required to qualify their sons for those positions of respectability and usefulness to which God in his providence may call them.

There can be no doubt that our future, as a Church, depends in no small degree, upon the proper education of our youth; and it is very gratifying to know that our efforts to give our youth a superior education, based upon liberal and Christian principles, have attracted the attention, and

called for the admiration of our Fathers and Brethren in England. "We note," say they, "with joy the hold which Methodism is taking of the young people of Canada, as evinced by the number of Undergraduates in Victoria University, and of the pupils in the Female College. As a Church you have done well, in making provision for the education and culture of the sons and daughters of intelligent Methodists. It is worth much to have the moulding of the mind and the direction of the tastes and studies of our young people; and the Church which secures this advantage, goes far to bespeak for itself a prosperous future."

The great question, then, with us at the present time is this:—Are we prepared, in view of our altered position towards the Executive Government and Legislature of the Province of Ontario, to maintain the position to which attention is directed in the foregoing extract? The recent action of the Government and Legislature, in depriving us of the assistance which they were in justice bound to continue, has put us into circumstances of great embarrassment.

Therefore, unless we are prepared to supplement the rather scanty internal resources of the College, with an amount at least equal to the sum taken from us by the Legislature, we must close its doors, accept the situation in which we have been so unrighteously placed, and thus let go our hold upon the young people of Canada as far as higher education is concerned. It remains for us and our people to say whether this shall be the case or not. By the assistance of kind friends, among whom the Rev. W. M. Punshon, the beloved President of the Conference, has been the most generous, we have obtained loans, which, with the avails of the December collections in all our congregations,

added to our regular resources, have enabled us to meet the ordinary expenses of the year. And should the effort we are making to raise \$100,000 of an endowment, to help ourselves in time to come, be successful—of which we hope there need be no doubt,—for already, from 18 District Meetings, with returns from 40 Circuits, \$53,000 has been promised, in what may be regarded as reliable subscriptions — when the whole \$100,000 is secured, our College will be out of danger. There can be no doubt, if all concerned will only do their duty, this amount at least will be forthcoming at the appointed time; and if, in addition to this, we should succeed, as we are in duty bound to do, in getting the Trustees of our churches and parsonages, as generally as possible, to effect insurances in the Queen's Company on the liberal terms which they offer — the percentage promised, with the interest of the endowment, the avails of the December collections, the interest of the Centenary appropriation,—which appropriation is at present \$4,000, and which may, by the balance yet to be collected, be twice that amount; these sources of income, added to the ordinary sources that are at our command, will put it in our power to meet any liabilities that may be incurred; for, by these means, our annual income may easily be made to reach some *ten* or *twelve* thousand dollars; which would be largely in advance of any annual income in the past history of the College. All that is necessary to accomplish this, with God's blessing, is *union* and *perseverance*. There is wealth enough in the hands of our people to do it, and some to spare for other benevolent and praiseworthy purposes. Let them only be informed as they ought to be, respecting the claims which the College

has upon them, and there can be no doubt, that while some may wrap themselves up in selfishness, there will be many who will cheerfully do their part in contributing to the Endowment Fund, and in every other desirable way assist in placing our noble institution upon a basis of permanent prosperity. If we are persuaded that the principle embraced in the union of *knowledge* and *vital piety* is worth contending for, then will we do all that we can to maintain it, by placing Victoria College out of the reach of the embarrassments which so often grow out of political combinations.

Instead of allowing higher education to be entirely separated from religious principles and Christian oversight, we will do our best, as we have always done, to make it, for all time to come, a means of moral as well as intellectual training. All political partizanship must be ignored in this important crisis in the history of our College. Every one professing to be a Wesleyan, whether he be a communicant or only an adherent, ought to come to the rescue, and show that the Wesleyan Connexion in 1869 holds to the same principles that animated and governed it in 1830, when it resolved to found Upper Canada Academy, but which, to meet the wants of the country, was in 1842 converted into Victoria College. From its halls, during the past 27 years, 3,000 educated young men have gone forth. They are to be found wherever usefulness is to be secured and honor and distinction are to be gained. We wish, then, to make this Institution more fully than it ever has been, a means of supplying to the young men of this Dominion, a sound education on liberal and Christian principles; and to do this we have only to carry out the resolution of last year—re-

garding it not only as expedient and desirable, but as a necessity, to raise an endowment fund of at least \$100,000. This, with the other sources of income at our command, will accomplish the end we have in view, and will, in addition to the other departments of learning, secure a provision for the more systematic theological training of our rising ministry.

Thankful for the undeniable proofs which we have had of the presence and blessing of God all these years of our eventful history, we will, in the strength which He supplies, do our duty alike to our church and country, and trust Him for what is to come.
