OBITUARIES.

ROBERT BOYNTON

Was born in the township of Réach, on October 16th, 1864. In the year 1887 he was converted, under the labors of Rev. J. Perrin, Presbyterian minister of Kirkfield. His conversion was clear and manifest to all who knew him. Soon after he was impressed by the Spirit that he should devote himself to the ministry, and some time after offered himself to the Methodist Church, and was received by the Conference of 1892, as a probationer for the ministry, and appointed to the Oakwood Circuit, where he remained two years. The third year of his ministry he spent on the Little Britain Circuit. In both these places, he made hosts of friends, and was very popular and useful. Last Conference he was appointed to college, and during the vacation of three months he filled with great acceptability the pulpit of the Tabernacle in Belleville, during the absence of the pastor, in the interests of Albert College. At the close of his term in Belleville he returned to his home at Kirkfield to prepare for college, but soon after was smitten down with disease, which terminated his mortal life on December 7th, 1895. During our brother's severe affliction, he gave the most satisfactory evidence of his abiding and triumphant faith in the Lord Jesus Christ, and of his unclouded hope of a glorious immortality.

PHILIP SPARLING.

The Rev. Philip Sparling was born at Clarina, County Limerick, Ireland, February 8th, 1824. His father was a class-leader and his mother a devoted member of the Wesleyan Church. In his twentieth year he was converted to God. Four years later he was married, and in the same year, 1848, emigrated to the County of Huron in this province, where most of his life has been spent. In 1866, however, we find him ordained a deacon of one of the Methodist churches of the State of Illinois. His final transition from the local to the itinerant ranks took place in 1886. Being a man of tried Christian character and recognized ability, he was appointed to the Tobermory Mission in the Guelph Conference, and later on was sent to the Indian Mission on Christian Island. Here he spent seven years of usefulness. Two years ago he came to the Indian Mission at Alderville, where tokens of acceptability soon became manifest, but urgent pastoral labors during the storms of February brought on disease of the lungs, and after two weeks of illness, on March 5th, at the age of seventy-two, he was called to rest. The 23rd Psalm, repeated by him on his death-bed, expressed the assurance which marked his departure. His widow and two sons and two daughters survive him. Amiable, thoughtful, earnest and indefatigable, the Indians will long respect his memory. His remains were laid beside those of the honored missionaries, William Case and John Sunday.

JAMES HUGHES

Entered into his rest on Sunday morning, December 1st, 1895, in the eighty-ninth year of his age. He was born in County Cork, Ireland, in 1807. He came to Canada in 1830, received license as a local preacher in 1837, was received on probation in 1839, and ordained in 1842. He received a religious and Methodist training, and said: "I was converted to God and received the Spirit of adoption in Ireland, in 1828." He went out from the Yonge Street Circuit. In 1865 Bro. Hughes was superannuated, and had lived since that time in Colborne, beloved by all who knew him. Though in retirement, Bro. Hughes did not live an idle life. He was an example of fidelity, for, although nearly ninety years of age, he rarely absented himself from public worship on Sunday mornings. Truly he walked "in all the commandments and ordinances of the Lord blameless." He was a constant visitor of the sick within his reach. For over thirty years he mingled in all the joys and sorrows of the people among whom he lived. He was a good, true friend to all the pastors of the place, and was never inquiring why the former times were better than these. In conversation he excelled, and up to the very last all his rare treasures of reading and wide observation were completely at his command. His ample information, critical knowledge, sparkling wit, real humor and thorough good breeding always made him a charming friend. He was an earnest Christian, and loved the Church which had brought to him the blessed, conscious experience of pardon and salvation. "As a preacher," Dr. Carroll says, "as to mind and manner he possessed some apposite qualities. Diffident, yet bluntly bold, he was original in thought and manner of sermonizing. . . . These, with a large infusion of quaintness and humor, . . . great fervor and vivacity, and an unquenchable zeal for God's glory and the salvation of souls, made him a very lively and successful preacher." After a few weeks of gentle decline, in full possession of all his faculties, he passed into his rest. Surely it was not dying—it seemed rather a triumphal march to an eternal coronation. His departure realized the promise of Jesus, "He that liveth and believeth on me shall never die." A memorial service was held in the Methodist church, in which the Revs. William Johnston, W. D. P. Wilson, F. Johnston, J. Lewis, C. W. Watch, W. Tomblin, T. Watson, of the Baptist Church, and P. W. Duncan, of the Presbyterian, took part. A large congregation assembled to pay the last tribute of respect to one whom they loved.

GEORGE NELSON,

The son of Mark N. and Mary I. Gardiner, passed away in the triumphs of faith at his father's residence in the township of Hope, near the village of Perry Town, on the Canton Circuit, December 13th, 1895, in the twenty-first year of his age.

Brother Gardiner was converted to God in early life, and gave himself to the work of the Christian ministry. He attended Albert College, Belleville, and while there passed the preliminary course of study. He spent two years in active work (the first on the Frankford Circuit, the

He was sincere, deeply pious, fervent in spirit, and diligent as a pastor. He was a good worker among the young people and children, consequently very helpful in Epworth League work.

His preaching was evangelistic, his one object being to lead men from sin to Christ. During his illness he frequently expressed the hope of living and working for the Master; but this was not the will of God.

Surrounded by sorrowing friends he passed triumphantly to the better land. He was a good man, and the Methodist Church has lost a faithful preacher.

REV. WELLINGTON JEFFERS, D.D.

Wellington Jeffers was born in Cork, Ireland, on the 22nd of June, 1814. His parents were strict adherents of the Established Church, but from some unaccountable cause the baptism of this, their youngest, son was deferred more than a year. The name of the victorious Duke had become a household word in every town and village of Europe just then, and to this child, a few days after the final and decisive battle of Waterloo, was given, by the administration of the sacred ordinance of baptism, the name of "Wellington," which, for the space of half a century, became as familiar as the other in Europe in almost every Methodist household throughout "this Canada of ours." He was brought to this country at a very early age, and grew up in the town of Kingston, where his father, who had received his education at Trinity College, Dublin, taught a school for advanced pupils. Here Wellington received his elementary education under the tuition of his father. Robert Jeffers was a man possessed of superior mental endowments, as well as educational training. In mathematics, he had few superiors. It is said that the late Bishop Macdonell, of the Roman Catholic Church, who had similar tastes, and he were in the habit of meeting frequently during the evenings for the purpose of "cracking mathematical nuts together," which to each was a source of much enjoyment.

We have no specific account of the time or place of his conversion. But of this we are told he had the advantage of being trained in a Christian household, and grew up in the fear of God. That he was at an early age converted to God, there is all the evidence which can be desired, inasmuch as in 1836, at the age of twenty-two years, he commenced his itinerant ministry on the Isle of Tanti, now Amherst Island. He was sent there by the chairman of the district as a supply, and at the Conference of 1837, in Hamilton, received on trial. He served the Church on many important fields of labor, beginning at Hamilton, then Barrie, Osgoode, Mississippi, Belleville, Sidney, Waterloo, Dundas, Grimsby, Brantford, Yonge Street, Toronto, Montreal, Rice Lake. Then for eight years he was editor of the *Christian Guardian*, from 1860 to 1868.

He bore his full share of connexional and conferential honors. Duties which these honors carry with them were always satisfactorily performed. In 1863 the degree of D.D. was conferred upon him by Victoria College. He had been Secretary of Conference in 1853; was co-delegate in 1866,

and for several years chairman of district on which he was stationed; was President of Toronto Conference in 1879. After leaving the *Guardian* office in 1868, he was stationed at Oshawa, London, Cobourg, Lindsay, Belleville. Here his failing health led him to seek a superannuated relation, where he lived and died, honored and beloved by all. On February 10th, 1896, he passed away, and devout men followed him to the grave.

Dr. Jeffers was twice married—first, to Miss Jane Frith, of Ottawa, in 1841; and second (after several years of widowhood), to Miss Jane Dougall, of Picton, who preceded him several years ago to the better land. Two sons and one daughter by the first marriage, and one daughter by the second, survive him, and fill honorable and useful positions in the Church and communities in which they reside.

Dr. Jeffers was possessed of remarkable conversational powers. It is certainly a very fine gift to be a good talker, and to use such gifts wisely, discreetly and profitably, is of the first importance. He could do this, and his mental versatility, with his wide religious, historic and scientific knowledge, rendered him a most genial companion. As a leading member of an old-fashioned missionary deputation, no one was more welcome, both to his brethren in the ministry and in the families of the laity.

He was a wonderful and most attractive preacher. As such he excelled. His presence always attracted large audiences. His forceful speaking and powers of illustration made his sermons exceedingly interesting. His power of oratory, in sermons and other public addresses, on some occasions rose to a very high pitch. He had a fine impressive presence, a rich, full, clear, ringing voice, which sounded distinctly to the utmost limit of the largest congregation. The writer of this notice recalls an instance at a camp-meeting in the County of Peel some forty years ago. On the Sabbath the rain fell in torrents; none of the seats could be occupied in front of the stand. He preached twice with amazing energy, standing under a shade on the stand, while the people listened, and wept, and praised God under the shadow of their tents. Some remarkable scenes followed.

Another feature in his character was his taste for and powers of sacred song. Many of the old-fashioned airs and salvation songs of Methodism, which have been modernized, and are now to the fore in a remarkable degree, assumed by not a few to be recent creations, were sung by Dr. Jeffers and others with great fervor and blessed results half a century ago. Well does the present writer remember a scene illustrating this phase of his character at the above-named camp-meeting. After the public service had closed on Monday evening, a few collected together in one of the larger tents to practise some of those songs of salvation so dear to Methodist hearts. The clear, sonorous, magnificent bass of Dr. Jeffers was heard ringing out above all the rest, and soon attracted almost everyone from their tents. This continued until the small hours of the morning amid the tears and hallelujahs, and shouts of glory of the surrounding multitude. It was a blessed scene. I wonder does he recall any of those since he has joined in the sweeter, nobler strains above. We follow hard after, soon to solve this and many other questions of all-absorbing interest.

The Treasurer of the General Conference Fund begs leave to report the collections for the year, \$658.82.

NEWTON HILL, *Treasurer.*

REPORT OF THE SUSTENTATION FUND COMMITTEE.

Your Committee recommend that the Fund known as the Sustentation Fund of the Bay of Quinte Conference be continued, the constitution of the Fund to be as follows :

1. The object of this Fund shall be to augment the salaries of all ministers and probationers in the active work in the Conference who receive less than the following amounts : Ordained married men, \$600 ; ordained unmarried men, \$350 ; probationers, \$300. These amounts in every case to include salary, board, fuel and horse keep.

2. The income of the Fund shall be the amounts received from offerings and special collections taken on all our circuits and missions.

3. The general management of this Fund shall be entrusted to a Committee composed of one minister and one layman elected to the Annual Conference by each Annual District Meeting when the laymen are present, and a ministerial secretary-treasurer elected by the Annual Conference on the nomination of the Committee, and who shall also be conveners of the Committee. This Committee shall transact all necessary business in accordance with the following regulations :

(a) In making grants from the Fund the Committee shall have strict regard to the aforementioned scale of allowances, except in the case of large families, when the Committee shall have power to increase the allowance at their own discretion. No claim shall be entertained which has not first been presented by the Quarterly Board and recommended by the Annual District Meeting, and all Quarterly Boards presenting claims for recommendation shall declare their inability to meet their net deficiencies.

(b) When the District Meeting deems it expedient, a Committee shall be appointed to visit such circuits as ask for assistance to inquire into their circumstances and report to the treasurer of the Sustentation Fund before the first session of said Committee.

(c) Should the income of the Fund in any year prove insufficient to meet the claims thereon, then the grants shall be so distributed as to make up the allowances of claimants to the same percentage according to the aforementioned scale. Should there be a surplus over the said claims, it shall be carried forward and included in the total income for the ensuing year.

(d) A report shall be presented by the Committee to the Conference annually while in session, including a summary of the business transacted, and an audited statement of receipts and disbursements, and any suggestions deemed necessary to the interests of the Fund, said report as adopted by the Conference to be printed in the Minutes.

Your Committee regret to find that on some circuits and stations the provision in the constitution asking for a special collection for this Fund has not been complied with, but that the Boards have appropriated a fixed sum out of the general funds of the Church instead. In our opinion, this mode of procedure will ultimately result in a great reduction in the contributions, and tend to lessen the interest that the congregations are likely to take in the Fund.

We, therefore, respectfully suggest that superintendents of circuits, when possible, *insist* upon a special collection being taken up, and that they fully explain the nature of the Fund and set forth its present inadequacy to meet the requirements as shown by the financial statement submitted herewith.

There are thirty-three claims upon the Fund this year, aggregating \$3,194. The sum of \$510.38 was placed at the disposal of your Committee, which amount has been disbursed as follows, thus bringing all the salaries up to the following scale: Ordained married men, \$464; ordained unmarried, \$273; probationers, \$232.

It is further recommended, the reappointment of Rev. W. B. Secombe as Secretary-Treasurer of the Fund for the ensuing year, and the appointment of Rev. W. Bowman Tucker, M.A., Ph.D., and Dr. Meacham, as Auditors of the Fund.

All of which is respectfully submitted.

REPORT OF SABBATH SCHOOL COMMITTEE.

Your Committee rejoice in the development and progress of our Sunday School work, as shown by the report of the Statistical Committee. There are 502 schools, an increase of 6 over the previous year ; 4,712 officers and teachers, an increase of 66 ; and 38,452 scholars, with an increase in the average attendance of 746. There is also an increase in the moneys raised by the School. But we would draw attention to the facts—only 226 schools are kept open the whole year, only 30 schools are holding regular teachers' meetings for the study of the lesson, and only 6 Normal classes are in operation.

We would recommend that a greater effort be made to keep open all our schools during the winter, believing there should be no greater difficulty in doing so than in keeping open the Public Schools.

The value of the regular teachers' meeting for lesson study cannot be too much emphasized. It is necessary to the securing of a better preparation for teaching, it leads to the forming of Institutes for Normal study, and it affords a closer band of intimacy and sympathy among the teachers. We would suggest that when Normal classes are not practicable in individual schools, that the schools of a circuit should unite for this purpose.

We regret that there is not a more general study of the Catechism in our schools. Indifference to the Catechism is not helpful to the development of an intelligent loyalty to the doctrines of our Church, and we suggest that immediate attention be given to this department of our Sunday School work by all ministers and Sunday School workers.

The proper grading of our schools is essential to the best results in teaching, and we would recommend the adoption of some suitable method or rule by each Sunday School Committee of Management, whereby promotion in the school shall, as far as possible, indicate faithfulness in study; and also, that graduation from the Primary to the Intermediate Department be in some way emphasized, as to mark an important epoch in the Sunday School life of the scholar.

We fear that many of our schools have failed, as yet, to realize the value of "The Home Department," and would remind them that this department is possible in connection with all our schools. It gives to our young people who cannot attend the school sessions the opportunity of intercourse with and knowledge of our work. It brings also to them the Word of God for systematic study, and in introducing them to the Daily Readings, joins them in the fellowship of many millions in the daily study of the same portion of the Word.

Your Committee having been asked whether properly appointed auxiliary teachers are members of the Sunday School Committee of Management, it is the opinion these teachers are members of the Sunday School Committee of Management.

We believe that in our schools is a great army of temperance workers, and that the future of the reform is to be assured by our faithfulness in training the young. We would ask that more care be taken in tabulating the number who have taken the temperance pledge, so that it may be known each year through our schedules the total number of pledged abstainers in our schools.

While we are pleased to note the increase in the number of our schools subscribing to the connexional funds, we would remind ourselves that the order of the General Conference is that these collections be taken up in all our schools, and not only that this be observed, but that our schools be informed of the object and purpose for which these funds exist.

We would recommend that the Conference representative to the Provincial Sunday School Association Convention be the Rev. J. Thom, B.A., and that the Secretary-Treasurer for the ensuing year be the Rev. C. L. Thompson.

All of which is respectfully submitted.

JAMES ANDERSON, *Chairman.*
C. W. WATCH, *Secretary.*

REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee beg leave to report as follows:

That inasmuch as the evils resulting from the licensed trade in intoxicating drinks continue to be vast—so as almost to defy tabulation—we submit that no action on the Church's part towards it to be consistent can be other than that of uncompromising resistance.

Your Committee think that there is no public sign of retrogression in the national movement for the suppression of the nefarious traffic, though there may be a temporary lull, and would now invite the attention of the Conference to the significance of the recent judgment of the Privy

Council on the question known as the question of "Jurisdiction," as brightening somewhat the future of this great national, moral struggle.

We would recommend that, without unnecessary delay, the Provincial Government be reminded of its promise to give such prohibitory legislation as the finding of the Privy Council would sustain.

In the opinion of your Committee, there is no question of the times with which the well-being of the commonwealth is so closely bound up as this old, but ever-new question of the suppression of the legalized trade in drink, not even questions which for the hour may seem to lead captive the public mind.

Nevertheless we must recognize the fact that total prohibition can be secured only through the Dominion Parliament.

While there are many questions that justly claim our attention as citizens of a young and growing country, none in our judgment overshadows the question on behalf of which this Committee was struck; therefore, we consider it the bounden duty of every citizen, in the exercise of his franchise, to cast his ballot for the municipal or parliamentary candidate who is pledged to use his official position for the legal stopping of the trade in drink, rather than for the candidate who withholds such pledge, be his party-stripe what it may. As far as this report looks out upon the political arena, this is the pith of what we venture respectfully to recommend.

Since blind party devotion is apt to benumb the moral sense, there is a corresponding risk that once more this great cause we plead for may be sacrificed to the demands of this political party or that. Your Committee therefore recommend the Conference to urge that the ministers give the more earnest heed to the duty of proclaiming on all suitable occasions that the speediest way to ensure success to this good cause is for citizens to resolve that the ballot shall be loyal to the temperance cause.

A prominent Cabinet Minister of the Dominion Government said not long since to an influential deputation, "That when temperance people showed themselves willing to stand by their temperance principles rather than their political parties, they might easily gain what they sought."

Your Committee think that this Conference should extend the most hearty sympathy, and hold out a helping hand to all societies which are seeking the common end, though by diverse means.

Your Committee feel that the temperance work which gives the surest promise of victory over the foe, is the quiet, earnest, persistent work among the people by local workers. We therefore most earnestly recommend the Conference to urge the necessity of such work, that is to say, we recommend the following:

1. That two Sundays in the year be designated Temperance Days, and that these days be the Sabbath School temperance day, that a temperance sermon be preached, and that as much impressiveness as possible be given to the service in the interests of temperance, such as the singing of suitable hymns and the administration of the pledge, or by any other accessories which may be considered helpful to the end in view.

2. That temperance work in our Sabbath Schools be prosecuted with such steady earnestness as shall succeed in enrolling all our scholars as pledged abstainers.

3. That our Sabbath Schools and Epworth Leagues be requested to aid the cause by the dissemination of temperance literature.

Your Committee beg to inform you that the Executive Committee of the Dominion Alliance requests the Conference to appoint four persons to act as members of the Council of the Dominion Alliance, which will hold a session probably in the city of Toronto about the middle of July; and we recommend that this request be granted, and we nominate for this post of honor and duty the following members of Conference: Rev. Dr. Lambly, Rev. R. Duke, Dr. Fife, R. Moment, Esq.

Finally, the Committee recommend that this report be printed in leaflet form, and a copy be sent to every member of Conference, and that every minister be instructed to read it as early as possible at each appointment.

All of which is respectfully submitted.

REPORT OF EPWORTH LEAGUE COMMITTEE.

The importance of the Epworth League movement is becoming more and more apparent at every annual review of the work.

We call your attention to many encouraging features of the work. The organization of the Conference League for work was completed at the Annual Conference Convention, held in Belleville during the winter. The number of societies have risen from 234 to 283 while the membership has grown from 10,198 to 11,488. The amount collected for the General Epworth League Board is \$215.71, as against \$62.92 last year. The givings of missions have advanced from \$486.06 to \$786.20. We thankfully recognize the labors of our General Secretary, Rev. A. C. Crews, and of our Conference League Secretary, Rev. C. W. Watch, in this encouraging showing, and hope that the General Epworth League Board collections will be largely increased this year. Junior League work is assuming great importance, and the very best results have been realized from labor bestowed on this interesting field. We strongly recommend it to your practical attention.

The work requires a Membership Transference Card, and we are glad to know that our League Executive have asked the Book Room to prepare a suitable card. Every League should be careful to forward, also, through its corresponding secretary in case of removal, a proper communication to the League to which such a one removes. Some have drifted away through neglect of such care. It would be well that one who removes to a place where no society exists remain in the society as a corresponding member, responding to the monthly roll-call through this channel. "Let us gather up the fragments that nothing be lost."

We gladly herald the approach of a Forward Missionary Movement in League circles. The student volunteers are offering their service to visit the districts as far as their limited number will admit, to arouse missionary enthusiasm among our young people. Further, we endorse that action be taken in harmony with the recommendation of the Conference Con-

vention, held in February last, that the Financial District Meetings be requested to appoint someone on the District to visit our young people's societies in the interests of departmental and general missionary work.

In the opinion of your Committee our young people's societies' schedules should admit two more columns, one stating the number who have been converted during the year, and another stating the number who have taken up the prescribed reading course.

We must aim to make our League a mighty agency for spiritual good to our youth. The ideal League is the child of revival, whose life is spiritual. There is no life that is not spiritual. To infuse life into the League from the literary or social battery is, at best, but galvanizing a corpse. May the life of the Spirit that loves the unsaved and seeks the lost burn in our hearts and words and deeds. Let us keep before us the highest possible standard of consecration of God. The "well-done" is not to the successful but to the faithful servant. Let the highest measure of our success be found in the number of souls won to Christ.

Having said this much, however, we call the attention of our young people to the great benefit to be derived from literary culture. He who has a mind illumined and a heart fired by the glowing memories of the history and biography of the Church and of our own Methodism, will be last to submit to the lordly pretensions of ecclesiastical domination in church or state, as are to be seen in Canada to-day. Such a one is a bulwark to the liberties of the citizen and the freedom of the state. We urge that reading circles be instituted in every society, and that our church papers be generously supported.

The Bible, last mentioned but of first importance, is receiving more careful study in the Leagues than ever. We believe that an inter-society system of topics among the various great movements of young people, similar to the international system of Sunday School lessons, would promote greater Bible study.

We recommend that Rev. W. G. Clarke, B.A., be Secretary-Treasurer of the Conference Epworth League Fund for the ensuing year.

All of which is respectfully submitted.

REPORT OF COMMITTEE ON STATE OF THE WORK.

Your Committee on the State of the Work beg leave to present the following report:

The work of the Church during the past year has been most encouraging. The financial depression that has been felt in all business departments has affected, in some degree, our church enterprises.

There has been a marked advance in spiritual work. The efforts on behalf of the children and young people have been greatly blessed. Thirteen additional Sunday Schools have been established, and there has been an increase of 624 in Sunday School membership, making the membership in our Sunday Schools 38,452, and also an increase of 256 Sunday School scholars on our church roll.

There has been seventy-five young people's societies formed during the year, and an increase in membership of 2,411, making in all 283 young people's societies, with a total membership of 11,489.

The church membership has also been increased by 581, making the membership of Conference 39,909, in round numbers forty thousand.

Your Committee would direct attention to the following: The number of copies of *Christian Guardian* going into the homes of our people has not been increased as the Church confidently hoped, and greater efforts should be made by our ministers to promote a wider circulation of our church paper, and believe a copy should be in the home of every family of our Church, at least in the home of every official member.

The Home Department of our Sunday School work should be encouraged. It has been eminently useful wherever adopted, causing the Scriptures to be read with regularity and attention.

That special attention be given by our ministers in their pastoral visitations to encourage family prayers among our people, advising the daily reading of the Holy Scriptures.

Also, that the recommendation of the Missionary Executive Committee as communicated to this Conference through Dr. Sutherland, be endorsed: "That at a time when missionary organizations of various kinds are springing up on every side, and when not a few of our own people show a disposition to divert their missionary contributions into non-denominational channels, it seems to be very desirable that our ministers should take the matter in hand, and with all fidelity press upon our congregations the paramount duty of sustaining our missionary operations."

All of which is respectfully submitted.

SABBATH OBSERVANCE COMMITTEE.

Happy is that land, and blessed is that family where the Sabbath is kept holy, and God is loved and served.

A week without Sunday is like a country without the smell of flowers, or the song of birds. It is like a year without summer; nothing but bleak, barren, frozen winter. It is like a night without a morning—nothing but sorrow, darkness, death.

Sunday is God's benediction on a troubled world. He speaks His peace, and the voice of trade and strife ceases, and God's hush alone is heard, while every heart is uplifted in holy song or bowed in humble prayer. Such is God's idea of Sunday—such should be ours.

Before the days of Rome and Athens, before Babylon and Nineveh, before the mighty pyramids of Egypt—the Sabbath was. Two institutions of to-day have come down to us beautiful with the innocence and radiant with the glory of Eden—the Sabbath, and Marriage. They are absolutely essential to the highest good of the race; on the Sabbath stands the glorious structure of religious life, and on Marriage the security and happiness of social life. The man who strikes at either strikes at all that is holiest in the best men and women, and also at much that is dearest to

God. Palsied be the hand that would tear down this old battlement—the Sabbath of God. The Sabbath Day means pause day, rest day, cease day. We are reminded of the fact that the nations which observe the Sabbath, shall ride upon the high places of the earth. We are told that England and America are as nations Sabbath keepers. In the noblest elements of the highest civilization they lead the world; still, even in this fair land of ours, there are many who care nothing for the sanctity of the Sabbath. Listen to Isaiah's solemn protest against profaning it. Is. lviii. 13, 14: "If thou turn away thy foot from the Sabbath, from doing thy pleasure on my holy day, and call the Sabbath a delight, the holy of the Lord, honorable; and shalt honor Him not doing thine own ways; then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father; for the mouth of the Lord hath spoken it." The Sabbath breakers of to-day ought to hear and heed them. The special form of Sabbath breaking is in turning their feet away from God's house—doing their own pleasure.

Your Committee would earnestly ask the Conference to condemn everything that has the appearance of Sabbath desecration. Let us not only discountenance, but in the name of our Master and Lord condemn all Sunday excursions; also in a similar way treat this more modern amusement, bicycle riding on the Sabbath for pleasure; also the hiring of rigs for enjoyment on the Lord's Day, and the employment of railroad men, etc., etc.

Too frequently do some of our people indulge in Sunday visiting. We hope and pray that all our ministers and laymen of this Conference will impress our people with this truth, that God lifts up His voice and wants to get out of the ruts. This, the Lord's day, dismiss the world; remember you belong to another country, a heavenly one. May the members of our Church fully understand that we all are candidates for eternity. Body, mind and soul cry out for the rest, quietness and spiritual power which "the pearl of all days promises to God's children."

We would also recommend that as far as possible the Church should defend the sacredness of the Sabbath by discouraging Sabbath funerals. Concerning Sunday parades we would earnestly urge all our ministers who may be invited to preach for any fraternity, to make such arrangements as shall not interfere with our Sabbath services and Sunday Schools.

We would also draw attention to the fact that many of our merchants and clerks feel tired on Sabbath morning because of the lateness of the hour they were obliged to work on Saturday night; therefore we recommend earlier closing of all places of business.

We also rejoice in the strenuous efforts of the Lord's Day Alliance to suppress the growing evil of desecration, and will do our utmost to help in this great work; and we would further recommend the appointment of Revs. E. Roberts, Jas. Anderson, and W. H. Gordon, Esq., as Conference Committee to confer with the other Conferences on the work of the Lord's Day Alliance. We further recommend that this Conference appoint a Sabbath in each year, the work of said Sabbath to teach such truths and condemn such pleasures as will help our people to keep holy the Lord's Day.

We also hope and pray that the ministers and officers in our Church

will do their best in helping the parents of the land to make the Sabbath a day of sacred delight. We would have Sunday for you the happiest time of all the glad New Year. May that day speedily come when the grand resolution of Joshua, "As for me and my house, we will serve the Lord," will be said concerning all our homes.

Lastly, we recommend that this report of the Sabbath Observance Committee be read at same time as is set apart for sermon on Sabbath desecration.

REPORT OF SPECIAL COMMITTEE IN THE MATTER OF THE MANITOBA SCHOOLS.

That we hereby reaffirm our strong attachment and denominational adhesion to the admirable public school system of this country, and trust that no attempt will be made to weaken its efficiency or jeopardize its future as the great educational institution for the people of this Dominion.

That as a country committed to the principle of separation between church and state, we are opposed to the division of the public funds to denominational schools.

That we deprecate in the strongest manner the policy of the Roman Catholic Bishops of Quebec in a recent mandement to their clergy, dictating to all their co-religionists the vote they must give at the approaching general elections, and so by intimidation, which is contrary to our laws, attempting to take forcible possession of the next parliament, and the government of this country; a policy which, if pursued by denominations equal in numbers and in claims, would be disastrous to the public peace, and lead to alarming confusion in the conduct of our affairs.

That having already, in the Conference last year, expressed by majority vote our conviction of the inadvisability of federal interference with the Prairie Province in the management of her own school system, we see no reason to change our attitude in this regard, but believe that Manitoba should be trusted to make such amendments to her public school laws as would meet any grievance of the Roman Catholic minority of that province alleged to exist.

That we most sincerely desire to see this whole question, which has embarrassed all political parties, taken out of our Canadian politics, and that reconciliations will take place between the Roman Catholic communities of this country and ourselves, that we may work together in harmony to fulfil the destiny God designs for this glorious land.

That as there is so much in this whole matter clearly of a debatable and political character, the discussion of which on the floor of this Conference at the present time might lead to a long and heated debate, and probably end in no useful issue, we recommend that this question of the Remedial Bill be not now reopened and discussed.

REPORT OF COMMITTEE ON THE TIME AND PLACE OF THE NEXT ANNUAL CONFERENCE.

The Committee on the Time and Place of holding the next Conference beg to report:

1. That the next Conference be held at the town of Bowmanville, to begin on the first Thursday in June, 1897, at 10 o'clock in the forenoon, and that the ministerial session be held on the Wednesday preceding, at 10 o'clock in the forenoon.

2. The Committee further report that in their opinion the recommendations of the Laymen's Convention, referring to the matter of billeting members of Conference, should be adopted, and that in pursuance thereof the Secretary of Conference be instructed to send a circular to each chairman, to be read at the District Meeting, to the following effect, viz.: (a) That the laymen be requested to, as far as possible, appoint only those who are likely to attend Conference. (b) That the District Secretary be requested to notify all those so appointed of their appointment immediately on the form given below.

3. That ministers and laymen present at the District Meeting, who expect to attend Conference, and who do not intend to provide their own

billets, shall hand one dollar to the District Secretary, and that he be instructed to forward the names of such ministers and laymen, with the moneys so paid to him, promptly to the Billeting Committee.

(a) That delegates who do not happen to be present at the District Meeting shall send their fees as indicated by the annexed notice.

4. That when ministers or laymen have friends residing in the Conference town who will entertain them, they shall, nevertheless, send the billeting fee.

5. That no one shall be billeted who has not forwarded the fee promptly as above directed.

6. Form of notice above referred to :

— May, 189

DEAR BROTHER,—

You are elected a lay delegate to the Annual Conference to be held at _____, on _____ day of June next, to begin at _____ o'clock m. If you wish a billet you must send one dollar (if you have not already paid it to the District Secretary) to Mr. _____, the Secretary of the Billeting Committee at _____, not later than the _____ day of May inst. If you do not do this, it will be assumed that you do not wish to be billeted during Conference, and hence no billet will be provided for you.

If you find you cannot attend Conference, please send a card to that effect to the above address.

7. The Committee report further that the Secretary of Conference be instructed to have printed a sufficient number of such notices, and transmit them to the chairmen of districts.

8. We further report that it will make easier the work of billeting if the District Meetings be held not later than the 20th May.

All of which is respectfully submitted.

In the above statements, which cover the period since the last General Conference, you will notice the expenses have amounted to \$490.88, which is unusually large, arising mostly out of the action of the General Conference changing the Treasurer, against the recommendation of the embarrassed Trusts Committee, who had all the facts and data before them; and the inability of the Committee appointed, to find anyone who would undertake to perform the duties, and do the work for nothing. Several special meetings of the Committee were held, and at last the former Treasurer was prevailed upon to undertake the task. This he has endeavored to do under increasing difficulty.

The General Conference of 1894 urged upon the Committee the relief of the "St. Lawrence Central Camp Ground Association," which has been done, and the trust wound up, at an outlay, on the part of the Fund, of \$5,916.47, and the payment or cancellation of about an equal amount on the part of those more immediately concerned.

You will also notice the collections for 1895 were much below the average, amounting to only \$3,976. This, all will admit, is miserably small for so large a membership, and ought to be doubled at least.

Your Treasurer acknowledges, with many thanks, the efficient aid of many members of the Committee during the last year in arranging and settling many difficult matters that required adjustment in connection with the settlement of the various trusts involved.

And now that we have got to the bottom of the last "trust" that can legitimately come on this Fund, let us make more strenuous efforts than ever "to close it out" by largely increasing the collections, keeping down expenses and interest, and bringing everything to bear on a speedy extinguishment of all the liabilities, so that we may turn our attention from dead to living issues, and find something more pleasant, if not more necessary.

All of which is respectfully submitted.

REPORTS AND RESOLUTIONS CONCERNING COLLEGES.

REPORT OF THE BOARD OF REGENTS OF VICTORIA UNIVERSITY TO THE ANNUAL CONFERENCES OF THE METHODIST CHURCH.

The Board of Regents have much pleasure in presenting to the Annual Conferences, and through them to the Church over which they preside, a brief report of the important work which has been committed to their care. The interest of this work centres, of course, in its financial and educational aspects, both of which have been the subject of careful consideration and no little anxiety.

The estimates of income and expenditure made last year had anticipated a deficiency of \$8,000 on the year's work, the income being estimated at over \$24,000, and expenditure at over \$32,000. The treasurers, Geo. A. Cox, Esq., and Rev. Dr. Potts, were able to report that this had been reduced below \$6,000, partly by increase in fees due to a larger attendance of students and partly by a special Income Fund contributed by friends at the solicitation of Dr. Potts, intended to cover the annual deficiency for the next five years. Every item of expenditure had been carefully guarded during the year, and in this way the accounts were kept \$500 below the estimates. The annual deficiency is due entirely to the fact that the necessary endowment has not yet been reached. The original estimate for the endowment was \$400,000, producing \$24,000 a year. The productive endowment is about \$260,000, yielding less than \$14,000 annual income. The munificent bequest of the late Mr. Massey will go far to meet the difficulty thus far experienced. The total expenditure for the year is reported at \$33,023.82. The income has reached \$27,112.62.

The report of the educational work of the year should give encouragement to all the friends of the Institution. The attendance of students has again advanced, the net registration for the year being 253, divided as

follows: Arts, 227; theology, 128; less registered in both faculties, 102; net total, 253. The strength of the staff has not been changed, numbering eleven professors and lecturers in arts, and six in theology, three taking work in both faculties.

The students of Victoria have secured very creditable results in the examinations of the year, obtaining their full share of the honors, scholarships and other prizes of the University. The largest prize in the gift of the University, the Exhibition Scholarship of \$750 a year for two years after graduation, to be used in study in Europe, has been won this year by a Victoria man, Mr. A. M. Scott.

A special feature of the work of the year has been increased attention to the subjects of the curriculum which give a Christian character to our higher education. This important matter is attracting the attention of our most thoughtful Christian men, and the question is anxiously asked, How shall we make our education truly Christian while yet unsectarian? The provisions of the Federation Act secure the following elements of religious knowledge as a part of the curriculum in Arts: The Evidences of Natural and Revealed Religion, Biblical Literature, Church History, the Greek Testament, and Christian Ethics. The department of Biblical Literature includes the English Bible, Biblical History and Introduction. The work is placed in the third and fourth years of the course. Of the sixty-eight Victoria students enrolled in those years, sixty are taking these subjects as part of their curriculum.

The report of the Faculty of Theology shows a remarkable advance in the educational status of our rising ministry. Of twenty-nine students of Victoria this year presented for ordination, no less than nineteen are graduates in Arts, three being also graduates in Divinity. This is a result probably not surpassed in the religious and educational history of the Continent.

We commend to your loyal support and prayerful interest this important work of the Church, believing that the highest Christian intelligence is more than ever necessary to the upbuilding of the kingdom of our Lord and Saviour Jesus Christ.

Moved by Dr. Crothers, seconded by Dr. Lambly, and

Resolved,—That the Conference has heard with the greatest satisfaction the report of Victoria University, as presented by the Rev. Chancellor Burwash. We would return thanks to Almighty God for His providence in providing for our Church men who have been eminently successful in directing our educational institutions. We would assure the Chancellor of an unflinching confidence in the work of the College, and our determination to aid in every possible way the work that is being so successfully carried on.

WESLEYAN THEOLOGICAL COLLEGE, MONTREAL.

To the Annual Conferences of the Methodist Church:

The undersigned respectfully submit the following brief report of the last year's work and of the present position of the Institution.

Number of students in Arts, full course, 8 (others as partial students take more or less work in the University); in Divinity leading to the Licentiate's Degree, 24; for the Degree of B.D., 21; for the Conference Course, 18. Total enrolled, 71.

Rev. Principal Shaw, D.D., LL.D., lectures in Systematic Theology, Greek Testament and Church Polity; Rev. J. C. Aycliff, M.A. (Edin.), D.D., in Apologetics, Hebrew and Homiletics; Rev. Prof. Richardson, B.A., B.D., Acting Registrar, in Greek and Latin, and Rev. Prof. Harris, M.A., B.D., Bursar, in Church History and English. Rev. Prof. Patton, B.D., is still pursuing a Post-Graduate Course in Oriental Literature, in Leiden, Holland.

The College is prepared to afford students facilities for meeting the Conference requirements, in the new course for probationers, or for pursuing the three years' course leading to licentiate's standing, or the University Course in Arts in McGill, or the higher course in Divinity leading to the Degree of B.D. Copies of calendar containing full information as to curricula, etc., may be obtained from the Acting Registrar.

The Endowment Fund is now \$75,000, current expenditure about \$6,500, total debt on current account (only liability) is \$4,000. The Boarding Department covers its need with the income of about \$4,000. The need is urgent for enlargement of buildings for increased accommodation in dormitories, lecture rooms and convocation hall. It is probable that this need will be met from the generous bequest of the late H. A. Massey, Esq., of Toronto, for the "Douglas Memorial Hall."

The effort of the Rev. Prof. Harris, M.A., Bursar, to further increase the Endowment Fund, is being continued, and all its proceeds are sacredly placed in new investments. In the meantime the Institution is conducted with rigid economy in finances, and with regard to thoroughness and efficiency in educational work.

WM. I. SHAW, *Prin., Acting Chair. of the Board.*

S. FINLEY, *Treasurer.*

C. MORTON, *Secretary.*

P. L. RICHARDSON, *Acting Registrar.*

W. HARRIS, *Bursar.*

Moved by Rev. W. J. Jolliffe, B.C.L., seconded by H. C. McMullen, Esq., and

Resolved,—That this Conference has listened with very great pleasure to the report of the Wesleyan Theological College, Montreal, as presented by the Principal, the Rev. W. I. Shaw, D.D., LL.D. We rejoice in the excellent work and increased prosperity of another year, and assure the Principal and Faculty of our deep interest in the welfare of the College, whose work is of so much importance to our Church.

ALBERT COLLEGE.

To the Bay of Quinte Conference of the Methodist Church.

DEAR BRETHREN,—We are able, under the blessing of a kind Providence, to report another year of prosperity at Albert College. Over 200 students have been enrolled. The year may be fairly said to mark a new epoch, a decided advance, in the history and work of the Institution. The improvements of the former building, which were begun in the summer of 1895, are now fully completed, and are the great delight of every friend

of the College. The most modern and improved baths have been placed throughout the former building, and it has been devoted entirely to residence, thereby considerably increasing the accommodation. "Massey Hall," named after the late H. A. Massey, Esq., whose gift of \$10,000 made its erection possible, is a beautiful building of brick and Ohio sandstone. It provides a chapel seating over 500, seven class-rooms and a museum. It is finished in natural wood, ash and oak, with bronze hardware and cathedral glass. The equipments throughout are of the most substantial kind.

The gymnasium is a large two-story brick building, with gallery, and is provided with shower-baths, lavatory and every convenience. The expense of fitting it up with apparatus, costing several hundred dollars, has been entirely borne by the present and ex-students of the Institution.

Albert College, with its splendid buildings and its large staff of honor graduates and specialists, can now fully claim a first place among collegiate and similar institutions in the Province. The College has always been highly successful in the preparation of candidates for university and departmental examinations, but the record of successful candidates of 1895 surpassed that of any previous year. Out of eleven candidates for Senior Matriculation, ten were successful; out of three candidates for Senior Leaving Teachers' Certificates, all were successful. This is a magnificent record, and at once reflects the highest credit upon the teaching staff, and stamps the work done as unsurpassed. A special matriculation examination is held just previous to the annual District Meeting.

The departments of Music, Elocution and Fine Arts have maintained their efficiency and have been largely patronized.

The Business School has been greatly improved. The chapel of the former building, a room 50 x 50, has been fitted up with banking offices, merchants' emporiums; and lectures upon Commercial Law and other subjects have been appointed, and the College is now able to offer attractive courses in this department. (a) Book-keeping; (b) Shorthand and Type-writing; (c) Practical English. All graduates of the Business School receive the regular diploma from the Senate of the College.

During the year Dr. F. J. Livingstone, the chosen representative of the Missionary Society in the foreign field, has entered upon his work in Africa.

The Missionary societies, the Y.M.C.A. and Y.W.C.A., have been most active in their operations.

We desire to thank the ministry and laity of the Methodist Church for their hearty co-operation with us in the work of the College, and we rejoice greatly that the present year has been one of such marked success. We hope to ever merit your confidence and support.

(Signed)

W. P. DYER, *Principal*.

Moved by Rev. E. Roberts, seconded by Rev. Dr. Lambly, and
Resolved,—That we have listened with great satisfaction and interest to the address given by Principal Dyer, on the standing and work of Albert College, and we rejoice in the increased efficiency and the facilities it now possesses. We congratulate the Institution on the completion of its new building and the refitting of the old, and we assure its managers of our abiding desire for its future prosperity, and willingness to do what we can to increase the number of students and the amount of its financial support.

ONTARIO LADIES' COLLEGE.

Never since the foundation of the Ontario Ladies' College, twenty years ago, have the directors been able to present a report which is so gratifying as the present one.

The various subjects of study, such as English, Modern Languages, Mathematics, Classics, Music, Painting, etc., have received careful attention. The course of study begins in primary work, and extends all the way up to the end of the second year in the provincial University.

The teachers all have a high standing of efficiency in their several departments, and the examinations of the pupils have been most creditable to the quality of their instruction. This year, as last year, four of the pupils have taken the first and second years' examinations in the provincial University, while every medallist of the College during the last four years has had a two years' standing in that highest school of learning among us.

An instructive course of lectures has been continued once a week through the year, when the leading professors of Toronto and of Victoria universities have given papers on subjects of great interest.

For the last session the attendance had been larger than ever before, while the increased room for accommodating pupils, together with the most modern system of heating, lighting, plumbing, etc., encourages the hope that next year will surpass all previous records in point of attendance.

REPORT OF ALMA LADIES' COLLEGE, ST. THOMAS, ONT.

To the Bay of Quinte Conference of the Methodist Church.

DEAR FATHERS AND BRETHREN,—The school year now drawing to a close has brought us peculiar experiences of sorrow and of joy. For the first time since our College opening, nearly fifteen years ago, death has invaded the circle of our college family, taking from our midst our venerable and erudite Professor of German, the Rev. John Schulte, Ph.D., D.D., one of the ripest scholars and noblest characters of our country. The vacancy in the staff occasioned by his decease has been filled by the appointment of Miss E. A. Hill, B.A., of Toronto University.

The year has brought us a fine class of earnest, intellectual and devoted students, of whom about one hundred have been boarders in the Institution. The Methodists constitute about one-half of our enrolment. The other half is made up from the various Christian churches, including several Roman Catholics. Twenty-five students from the United States have been enrolled. Our graduating class will number eighteen.

The Faculty is full and thoroughly efficient, and the various departments were never in better condition for effective work. The donation of the late Dr. Gould, of Colborne, Ont., and the liberal bequest of \$10,000 by the late Hart A. Massey, Esq., of Toronto, give great encouragement and cheer to the Board of Management.

The agency for the Relief Fund under the vigorous efforts of Rev. J. P. Rice is showing good results, and the returns, while not as large as could be desired, are still encouraging. The full sum now subscribed to the Relief Fund amounts to \$24,000, of which \$12,000 remains to be collected.

The cash so far collected for the Relief Fund, \$12,000, has enabled the Board to meet all expenses of agency, accruing interest, etc., and to reduce the indebtedness some \$3,600 up to the present year. The special needs of the school are:

1. A speedy relief from the financial burdens resting upon it.
2. A heartier co-operation and more active sympathy on the part of Methodist ministers and people in making its great advantages and moderate rates better known to the people at large.

On behalf of the Executive of Alma College,

B. F. AUSTIN, B.A., B.D., *Principal.*

R. I. WARNER, *Secretary.*

Moved by Rev. N. A. McDiarmid, seconded by Rev. S. Sing, and *Resolved*.—That we have heard with great pleasure the annual report of Alma Ladies' College, and rejoice in its continued prosperity, and we assure the honored Principal that we will use all legitimate means to forward the interests of the College.

THE WESLEYAN LADIES' COLLEGE, HAMILTON.

To the President and Members of the Conference.

DEAR FATHERS AND BRETHREN,—We are pleased to be able to report a good year's work. Every department of the regular course is in charge of university graduates, and kept fully abreast of the times in efficiency. In music and art the names of Fairclough and Martin stand in the very front rank. Professor Baumann and Mrs. Martin-Murphy have more than a provincial reputation in violin and vocal culture. Elocution, physical culture, commercial studies and all other subjects taught in colleges will be found here, and in charge of thoroughly competent instructors. The year has been marked by great harmony; our students give us no trouble. We are also thankful to be able to say that serious sickness is unknown among us.

We need hardly refer to finances, as this institution has never either solicited or received aid from the Church in any form. It has not merely been self-sustaining; its first President, Edward Jackson, endowed the first chair endowed in Victoria College, and his successor, Dennis Moore, supported a chair in that institution for several years till his death. Victoria and others of our colleges owe not a little to the Wesleyan. But while costing the Church nothing, we cheerfully offer to your daughters every advantage that any other institution can give, and on terms equally favorable.

This college is strictly non-sectarian, but positively Christian, and we think that its influence in the homes of our country has been in the highest degree healthful. No lady can secure our diploma without giving

at least one bell each day for a year to the historic study of the Bible, and an equal time to Moral Science and Christian Evidences. Whatever else graduation might imply, it seems strange that colleges in Christian lands, and under Christian control, should ignore the subjects that lie at the basis of Christian civilization. We are satisfied that no part of our curriculum will tell more on the future of our students than the subjects referred to. We are proud of the work done in the Wesleyan, and proud of the record of our students. We never felt more hopeful or cheerful in our work than at present, and we pledge you our heartiest co-operation in the glorious work of making this world brighter and better.

W. E. SANFORD,
President of the Board of Regents.

A. BURNS,
Sec'y of Board and President of the College.

SPECIAL RESOLUTIONS.

Re APPLICATION OF MESSRS. WYLD AND BRADLEY.

Moved by Rev. F. B. Stratton, seconded by Rev. Dr. Crothers,
Whereas, notice of application to Parliament has been given by Messrs. Wyld and Bradley, barristers at Ottawa, to incorporate a religious body to be known as "The Wesleyan Methodist Connexion" of Canada; and whereas, "The Methodist Church" by Act of Parliament has been incorporated by the union, first—of the "Wesleyan Methodist Church" and "The New Connexion Methodist Church" under the name of "The Methodist Church of Canada," and subsequently by the union of this Church with "The Methodist Episcopal Church," "The Bible Christian Church," and "The Primitive Methodist Church;" and whereas, R. C. Horner, formerly a minister of the Methodist Church, now seeks through his counsel, an Act to incorporate a religious body, adopting the name of one of the bodies now by Act of Parliament composing the Methodist Church; therefore, *Resolved*,—First, that we, the members of the Bay of Quinte Conference of the Methodist Church in Conference assembled, while admitting the right of any man or body of men to seek such favors from Parliament as he or they may desire, would most vigorously protest against the action now proposed, asking Parliament to give its sanction to the organization of a religious body, holding the name of one of the former bodies, which by their Act has been incorporated in this united Church. Second, that a copy of this resolution be sent at once to the Conferences now in session, and later to any other Conferences yet to meet, asking their action thereon. Third, that copies of said resolution be forwarded to Rev. Dr. Carman, with the request that he take such action as he may deem advisable under Discipline, page 46, par. 101.

Dr. McDiarmid,—That having heard the earnest words of the lady delegation from the Women's Christian Temperance Union of this town, whose request we hereby heartily reciprocate, the same be referred to the Programme Committee to make an appointment for the usual temperance meeting.

Re TOBACCO HABIT.

Moved by W. E. Tilley, Ph.D., seconded by Rev. C. Parker, and
Resolved,—That this Conference views with alarm the continued and increasing use of tobacco among the people of our fair Dominion, especially the younger portion of it. This growing evil is deplored, not only on account of the great injury it is causing to the health of our people, but also on account of its social aspect. Therefore, be it resolved that this Conference desires to place itself on record as strongly opposed to the tobacco-using practice, and believes it to be the duty of the officials of our Church, both clerical and lay, to use their influence to bring to an end this wasteful, injurious and offensive habit.

We would renew our pledge of continued confidence and loyal patronage.

Moved by Rev. W. J. Jolliffe, B.C.L., seconded by Rev. C. W. Watch, and
Resolved,—That we have received with pleasure and satisfaction the report of the Rev. Dr. Withrow, *re* the publication of our *Magazine* and Sunday School papers. We assure him of our appreciation of his important work, and pledge ourselves to do our best to increase their circulation.

TOWN COUNCIL.

A delegation from the town of Trenton, consisting of Mayor Morrison and Councillor Phillipps, was introduced. Mayor Morrison read an address, and words of welcome were spoken by the Mayor and Councillor Phillipps, after which it was moved by Rev. Dr. Lambly, and seconded by Rev. Dr. Burwash, that we gladly and gratefully accept the message of welcome addressed to us by the corporation of the town, and presented through His Worship Mayor Morrison and Councillor Phillipps, and hope that this, the first session of the Bay of Quinte Conference ever held in this place may be attended by the richest blessing of God and leave behind us lasting and blessed memories.

Re THEOLOGICAL UNION.

Moved by Rev. D. N. McCamus, seconded by Rev. H. Thomas, and
Resolved,—That having heard the report of the Secretary-Treasurer of the Theological Union, Rev. J. G. Lewis, B.A., we, the members of the Bay of Quinte Conference, reaffirm our approval of the union, and our sympathy with the Secretary-Treasurer in securing members.

Crews, B.A., the Secretary of Epworth Leagues and Sunday Schools; that we rejoice with him in the vigor and success of his department, and assure him of our continued and hearty sympathy in his arduous labors.

A memorial regarding religious instruction in our Public Schools being laid before this Conference, from the Anglican Church, it was moved by Rev. S. C. Philp, jun., and seconded by Rev. C. W. Watch, that we acknowledge the receipt of your memorial, or series of resolutions, but cannot at present see our way clear to appoint a committee to confer with you on the subject of said memorial or series of said resolutions.

Dr. Gardiner its most cordial congratulations on this the jubilee anniversary of his ordination as an elder of the Methodist Church, and earnestly prays that our gracious Father may make the remaining years of his life very bright with the joys of His presence and still abundantly fruitful to His glory.

Re REV. A. B. DEMILL.

Moved by Rev. J. Kines, seconded by Mr. O. Hezzlewood, that this Conference desire to place on record its sympathy with Bro. Demill, a minister of this Conference, on account of the great loss he has sustained during the past year in the total destruction of his college in Oshawa by fire. For more than twenty years, Bro. Demill has zealously and successfully pursued his labors in educating hundreds of young ladies of our country. We sympathize with our brother, and express the hope that wherever his future lot may be cast no such calamity may again overtake him, but that he may arise Phoenix-like from the ashes of his late loss to a future of greater prosperity than ever before was his.

We rejoice because of the continued and ever-increasing growth and prosperity of this missionary department of our church work, and we devoutly pray that the zeal and devotion of our sisters in this most important sphere of Christian enterprise may more than ever stimulate the whole of our beloved Methodism to intensified effort in giving the Word to the world.

The Sermon at the evening service was preached by the Rev. T. Manning, after which the Sacrament of the Lord's Supper was administered to a large number, the ex-President, Rev. F. B. Stratton, conducting the service.

CLOSING OF CONFERENCE.

On Tuesday evening, at 9.10 o'clock, the President briefly addressed the Conference, the 758th Hymn was sung, Revs. E. A. Sanderson and A. Campbell offered prayer, and the Bay of Quinte Conference closed its session for 1896.

T. M. CAMPBELL, *President*.
W. J. YOUNG, *Secretary*.

THE ANNUAL PASTORAL ADDRESS OF THE MINISTERS
OF THE BAY OF QUINTE CONFERENCE TO THE
MEMBERS OF THEIR SEVERAL CON-
GREGATIONS.

Once more the time of the year has come about when we, the pastors of your churches, present to you who are the members of our congregations our annual address. We send you greeting, and pray you God-speed in every good cause.

On our part we desire to commend ourselves to every man's conscience in the sight of God. We would approve ourselves to you especially in long-suffering and meekness, in diligence and faithfulness, not as lords over God's heritage, but in love serving one another.

But while we feel it to be our duty to be ensamples to the flock, we remind you that your influence is very great over us, as well as ours over you; and we beg your sympathies in our afflictions, your assistance in our needs, and your patience in our infirmities. As we sincerely desire to serve the Church of God, we look to your godly counsel and to your sanctified learning, wisdom, and wealth to support and forward our efforts. Oh, let your prayers ascend to God day and night, that we may be pastors after His own heart, and feed the Church which He hath purchased with His own blood.

There are a number of matters which we might specify as being worthy of your attention in connection with the life and labors of the Church, but to enumerate these is now impossible. We would, however, direct your notice to the increasing demand in our country for higher education, and to the rising cry from the ends of the earth for the gift of the Gospel. Besides education and evangelization, there is one more demand, and that is holiness, and holiness is the foster-parent of both modern education and evangelization.

Every enterprise of our Church is good, and is doubtless essential to the greatest good of the land. Our missionary societies, both the general society and the woman's society; our educational institutions, including schools for boys and girls together, ladies' colleges, theological and art colleges; our publishing interests; our connexional funds, especially the Superannuation Fund—all these enterprises of our Church are essential to our stability and to our progress. To these branches of our work let us then be loyal. A divided sympathy is a grievous impediment to success. Remember, we are members of a Church whose constituency extends from the Gulf of St. Lawrence to the River St. Clair, and from Lake Ontario to the Pacific Ocean. We are not segregated congregations dotting the land like small principalities, but we are one homogen-

eous body with one heart and one mind. In us the truth is verified, that unity is strength. And united we not only stand but we move forward with irresistible power, bearing down upon ignorance and unrighteousness, and clearing the country of these marauders of our happiness and prosperity.

As preachers of the Gospel we strike hands this day with the men and women of our churches over the good work we have to do, and all together let us offer our lives upon the altar of unselfishness and of unworldliness, the altar consecrated to the greatest possible usefulness.

We shall best serve both the present generation and our future posterity also, by doing daily with our might what our hands find to do. It is a patient and faithful performance of the duties at hand that make individuals and multitudes strong in character and prosperous in circumstances. As in secular matters the details of business must be carefully looked after in order to secure prosperity, so in religious matters the small duties contribute to the sum of success. Nothing that enters into the formation of character, or imparts instruction, or promotes faith and love, can be neglected. Hence we must give diligence to be industrious, economical, generous, prayerful, joyous. Hence the importance of private and of family devotion, of social prayer and fellowship, and of regular attendance upon the preaching of the Word. Carelessness in acts of devotion is like a parching wind in summer and like mildew upon the corn. Carelessness dries up the succulence of nutritious life, and withers the promise of the luscious fruit. But daily converse with the Word, and daily communion with God, keeps the heart warm towards God and man, and keeps the hand open to every good work.

We might again remind you that there are perennial evils which threaten to invade our homes and our country, which do indeed now, as ever, contend for the mastery of the family and of the state. The holy Sabbath is set at naught; a few set it at naught by precept, while the name of those who do so by example is legion. Intemperance buries its victims as of yore, and recruits its besotted ranks from the children of our firesides. Immorality is still a wound that will not heal; love of money is still a flattered vice, and love of place and power an idol before which mighty men still bow the knee.

And though our civilization is the most advanced of any in the world,⁴ yet the sins of the Canaanites and of the cities of the plain are not extinct; and the devil goeth about as a roaring lion seeking whom he may devour.

Let us be true to the traditions of highest chivalry, and prove ourselves faithful knights of the holy cross. For he that stands for humility and for honesty, and for purity, and for sobriety, and for reverence, stands also for his family, for his country and for his God; and is a worthy father and a faithful citizen, and a true Christian, and shall bring in a reign of domestic felicity, of national happiness and of eternal life.

The Methodist Church throughout the world has been, perhaps, the most potent power in waking up the conscience of mankind on the social and economic questions which are everywhere in such prominence to-day; and it is gratifying to know that it is the Gospel which has proclaimed this war. It is the Gospel which shall also proclaim peace. But what

we now
power i
doctrine

And thi
of our C
and con

we now would write indelibly upon your minds is the fact that the power in Methodism is the power of holiness. It is not the power of a doctrine, though that is something, but it is the power of an experience. Our fathers, coming to the cross, tarried by it, "and drank the healing streams of bliss, and washed them white as snow." They testified not only that Christ could save from sin, but that He did so save them, and they said—

"What we have felt and seen
With confidence we tell,
And publish to the sons of men
The signs infallible."

And this experience of a salvation as full as it is free, is the life and hope of our Church, and let us hope that we shall bear the mantle of our Elijah and continue to preach Scriptural holiness throughout the world.
