

NEWS FROM  
BRYENTONVILLE

The Stork paid a visit to the home of Mr. and Mrs. Geo. Hogan and left a bouncing baby boy.

We are glad to see Mrs. William Bell out again after her recent severe illness.

School closes here on Friday and both teacher and children are wearing smiling faces.

The roads are in excellent condition for wheeling and the young men are taking advantage of them.

Howard Bryenton and crew have captured a very fine seal.

Messrs Asa Parks, Harold Delano and Edison Bryenton spent a very enjoyable evening at the ice cream parlors one evening last week.

Quite an excitement was caused on Friday evening as the choir were returning from practice when a large ground-hog made its appearance near the church.

Most of the young men attended the L. O. L. meeting in Chelmsford Hall on Wednesday June 28th.

Sad Drowning at  
Newcastle MondayLittle Arthur Jones Drowned  
While Bathing.

Arthur Jones, the 14 year old son of Mr. Harry Jones of Newcastle, was the victim of a sad drowning accident on Monday afternoon which marred the observance of Dominion Day. Two others had a narrow escape. With his younger brother and sister, Jones was swimming in the river a few hundred yards below Newcastle. The two ventured out into deep water and Arthur, according to an eye witness, made an attempt to save his brother and sister. He too became exhausted, and although parties saved his brother and sister, he was drowned.

Arthur was a bright young fellow and his death, under such tragic circumstances cast a gloom over the community. The family are grief stricken. His father is engineer in Hickson's mill. His mother, one brother and one sister also survive.

The body was found yesterday.

Terrible Accident  
In Chatham MillAndrew Paulin Was Instantly  
Killed in Snowball Mill.

Another terrible accident occurred at Chatham, last week, when Andrew Paulin aged 16 years was instantly killed while working in the J. B. Snowball Co. mill.

Young Paulin worked near the trimmers' table and his work was to clear away the deal ends that fell from the moving platform. He got on the moving platform for some reason and must have tripped when near one of the revolving trimmers, for he fell directly across one of them and in an instant he was almost cut in two. The saw projects about six inches above the platform and it entered his right side cutting from the backbone more than half way round the abdomen. Death was instantaneous stated Dr. Duffy who was summoned at once by R. A. Snowball and who arrived a few minutes after the accident.

The deceased was a bright boy and a great favorite with all the men, so that the terrible misfortune has cast a gloom over the whole community.

He was a son of Prudenc Paulin of Chatham.

### RESOLUTION OF CONDOLENCE.

The following resolution of condolence was read at the recent meeting of the Northumberland County Liberal Association at Chatham:—

Whereas, since the last meeting of this Association our secretary, Warren C. Winslow, Esq., K. C., has been summoned by death from the activities of this world,—

Be it therefore resolved that this association in annual session assembled desire to give expression to its sense of the great loss, it, as the liberal party as a whole, has sustained by the death of Mr. Winslow.

Always taking a deep and intelligent interest in public affairs, the late Mr. Winslow was a valued member of this association and his cheerful readiness and willingness at all times to bear his share of the work of the association, and the ready sacrifice of his time and talents to the interests of the party when required, have contributed very largely to its success in the past.

The Association offers Mrs. Winslow and family their deepest sympathy in their bereavement,—and further resolved:—

That a copy of this resolution be forwarded Mrs. Winslow and the local press and entered in the minutes of the association.

Rogersville Burglars  
in meshes of Law

Two Prisoners Admit Their  
Guilt---Tried at Newcastle.

Two men giving the names of George Anderson, St. John, N. B., and Roy Oakes, Perth, Ont., pleaded guilty before Magistrate Malby at Newcastle Friday last to the robbery of D. J. Buckley's store at Rogersville on Wednesday evening. A large quantity of goods was found on the prisoners.

Clerk of the Peace T. W. Butler asked for adjournment to investigate the characters of the men and sentence was consequently postponed until Thursday morning next.

Mr. Buckley will ask for leniency if the past characters of the men warrant it. Both Anderson and Oakes told hard luck stories and said the robbery was their first offence.

The capture of the men was a clever piece of work on the part of Constable John Bastin and Irene Boudreau, clerk in Buckley's store. The prisoners were seen to enter a barn about a mile from the railway and the constable forced them to surrender at the point of his revolver. In addition to goods a rather crude burglar's outfit was found on the prisoners.

Anderson has been in the vicinity for some time and got dinner from Mr. Buckley on Monday. It is now thought that the men are connected with other robberies.

Constable Bastin who made the arrest is well known here. He is a brother-in-law of Mr. Albert, ferryman.
