times called to order by the Speaker so he can proceed against me for libel when he referred to the Lieutenant Governor as "an old chap whose job Hon. Mr. Cross said he accepted the would soon be gone," and to the statement of the members of the Legisclature as "these He had made a denial and it was ac-

members of the Legisclature as "these fellows." Mr. O'Brien covered upingeniously when called upon to withdraw.

Attorney General Vindicated.

The feature of the afternoon at the complete vindication of the storney general of the charge that was repeated against him the previous sevening by R. B. Bennett. The Calcary member had stated that he had been informed that one M. W. Hoppins had approached the Atomatic Telephone of mpany, as agent of Hon.

Mr. Cross, telling them that they were laken up at the principle that any mannes suggested by and they did not get dollar for the bonds in the region of the city. As men with money in their pockets, assembled on the street corners at \$88,000 if they contributed that they were that Morganita and complete visited, and if they were taken up at that price the firm themselves took them up to protect the market. Mr. Marshall quoted the Monetary Times. Marshall quoted the Monetary Times. Which said that the bonds, issued as they were, were 4 1-2 par cent bonds. If quoted bonds of the Grand Trunk law to have a statement from Mr. Cushins and provided the Monetary Times. The powers are the complete vindication of the state of the stanting the thour reports that one hundred that one hundred that they were taken up at that protect the market. Mr. Marshall quoted the Monetary Times. Marshall quoted the Monetary Times. Mr. Barker's resolution is produced that there would not be one of the Grand Trunk law to the Oposition he could not considering and even the stanting them that they were taken up at the par and of such high the distance of the Atom worth the stanting that the principle that are the deal that they were taken up at the parameter is do, and if they were taken up at the parameter is do, and if they were taken up at the parameter is do, and if they were taken up at the parameter is do, and if they were a taken up at the parameter is do, and if they were taken up at the parameter is do, and if they were a taken up at the parameter is do, and if they were a taken up at the

Division Taken in Legislature on | ********************** THE VOTE IN THE LEGISLATURE

ON THE A. & G. W. AMENDMENT The division on the Alberta and Great Waterways railway contract was taken at half-past nine oclock last night in the legislature. The amendment of J. W. Woolf, Cardston, that the further guarantees of President Clarke, as set out in his letter of Feb. 23rd, be accepted and incorporated into the agreement, was adopted by a vote of 23 to 15, the government supporting the amendment. The amendment was then incorporated into the main resolution before the House and carried on the same division. The vote stood as fol-

Lively Discussion Took Place in the Legislature Yesterday Afternoon on the Subject.

(Saturday's Daily.) After a week of excitement the Legislature relapsed yesterday afteramount of work since the opening, three weeks ago, was put through

sion took place. The most important pronouncement of the afternoon came from a number views expressed in the miscellaneous

and private bills committee, stated that they would oppose the incorporation of all clubs in the smaller towns where permission was given to sell liquor within the club rooms, The questin was brought up

Mr. Smith, in speaking of the bill Mr. Clarke declared that he ap-said he was not in favor of permitting proached the enquiry with a perfectly the sale of liquor in clubs of small open min dand for his part wished a towns. He had taken this objection as a place of recreation for young opposition members so far had tically the only justification for such been rather with a view of making party capital than with a view of getting at the truth of Mr. Lumsden's charges.

Lumsden's they all these clubs might not be Canadian clubs. The opposition members of the com-mittee then withdrew at Mr. MacDon-dian Club and it had improved the

hotel, which is licensed to sell. The club should be the one place where young men could get away from liquor, which should be kept out of sight. Even in the larger cities he did not think that liquor was necessary, but it depended largely necessary, but it depended largely upon the committee having the bar n charge. But even here there were times at which the scenes at these cities were a disgrace. Another objection was that the license depart-ment had no control over those clubs them. Why should those clubs have special privileges over the ordinary

club in a small town where the sale

This Catalogue

Now Ready for Mailing

Though Easter comes very early this year, it was decided not to publish this Catalogue until we could illustrate the

Authentic Spring Styles.

We might have guessed at styles, made our Catalogue look just as attractive, and brought it out a month earlier; but we would not have been keeping faith with the thousands of-customers who rely on us for authentic information. You will find the latest and best ideas in every garment pictured here, besides hundreds of novelties which our buyers, just returned from Europe, brought with them. A comparison of our prices with those found in any other catalogue will prove to you that it costs no more to be "in style," nor to supply yourself with this season's novelties, which are not obtainable at the shop near by. Your address on a post card will bring you this Catalogue free of charge.

In Statement He States Posi That He Did Not Give Pr Rutherford to Understand Would Re-enter the Cabinet— Says Premier Stated to Him ing Had Been Asked to Re Cabinet and Had Accepted-mier Refuses to Make State

The past twenty-four hours witnessed sensational develop in the political situation unprec ed in the history of this provin in the whole Dominion of Ca and even those in closest touch the conditions are unable to r what will occur in the next d two. It seems certain there w a general election within the few weeks.

As a thunderbolt from a clear sky came the announcement 3 day afternoon that Hon. C. W. had resigned as attorney genera lowed by the resignation of his puty, Sydney B. Woods. Hon Cross gives as his reason for hi tion that he had been informed the premier that Hon. W. H. had been asked to re-ente This morning Hon. W. A. Bu

an, minister without portfolio slated for the position of minister municipalities, tendered his restion to the premier. This morning a meeting of t maining members of the cabinet held at the premier's office. were present Hon. A. C. Ruthe Hon. Dune n Marshall and r. L. Lessard. After a short se the premier went up town to King Edward Hotel, where it i derstood he had arranged an conference with the ex-ministe

public works. It was reported among the bers at the Legislative halls morning that both Messrs. Mar and Lessard had resigned, but positively refused to make any ment to the Bulletin as to wha the result of the meeting.

The Premier's Lips Closed. Premier Rutherford refused t cuss the situation this morning when asked with reference to t signations of the members cabinet reiterated several time have absolutely nothing to say It is altogether likely that h make a statement in the House afternoon, explaining the situ and probably announcing the res tions of the attorney general an minister without portfolio.

Attorney General's Statemer

Hon. C. W. Cross made the fing statement to the Bulletin: In view of the fact that the pr informed me that he had asked Hon. W. H. Cushing to become member of his cabinet, and that Cushing had accepted, I could not der any circumstances, remain a ber of the Alberta government. The attorney general had no fu did not know what had taken between the premier and Mr.

Hon. W. H. Cushing's Stateme as follows:"When I came up from the bui yesterday afternoon I found th mier waiting for me at the hote intimated that he had someth say to me and we went to my. He there made the proposal the would re-enter the cabinet Mr. would resign.
"I told him that whatever my

ings might be in regard to a of that kind, the matter had not too far for him and me to go room and settle it between ou "I told him that my opini who had stood out against the ment, or the country, but a c I intimated that owing to my priendship for him I would be to sacrifice myself in any way would save the situation, but could not see how the course. posed would help matters Could Not See it That Way. "I told him I would tell

agreement what he had so had not tried to influence any way and was not going t would go back that would s whole trouble, but I told him not see it that way. 'I met him again in the the office of the lieutenant where we discussed the matter

members who had been o

with exactly the same result then that so far as I could was only one solution. I said have a meeting the members
