## DUTIES OF OFFICERS.

I.—At meetings of the Board of Managers the Chairman (elected as such from amongst the gentlemen Managers) shall preside. In his absence the Managers present shall name a Chairman *pro tem*.

The Chairman shall be the judge of order, and his decisions thereon shall be acquiesced in without debate.

He shall direct the Secretary, when special meetings are ordered, to insert in the notices the import of the special business upon which the Managers are to convene.

II.—The Secretary shall keep fair and regular minutes of the proceedings of the Board of Managers in a book to be provided for that purpose.

She shall preserve all the records and papers of the Society which do not belong to the Treasurer.

She shall cause a notice of each stated meeting, and of each special meeting of the Board of Managers, to be sent to the address of each Manager, at least one day previous to the day fixed for the meeting.

The Assistant Secretary shall assist the Secretary in her duties when required, and act for her at meetings of the Board in her absence.

III.—The Treasurer shall receive all moneys belonging to the Society, and shall give a receipt to the persons from whom she may receive money.

For the sake of regularity, and in order to establish the amount, all persons who may hand money to the Treasurer are requested to ask for a receipt of the money so paid over.

When the Treasurer does not require the money in paying accounts which have passed the Board, she shall deposit the money or such part of it as may not be immediately required in the Savings Bank, to the credit of her official account as Treasurer.

She shall keep a fair and regular account of the receipts and expenditures, and her account book and bank book shall be open to the inspection of the Managers at each stated meeting.

Prior to the general annual meeting she shall prepare a statement showing the receipts and expenditures during the year, duly classified and audited, that a lucid, full explanation, or exposition of the working of the finances of the "Home," may be submitted at the general meeting.

The Treasurer's accounts shall be audited by a Committee of the gentlemen Managers named by the Chairman or by the Board.

IV.—The Treasurer shall pay accounts for articles and services supplied to the "Home" only when duly certified, and in all cases of payment shall require a receipt.

Accounts shall be certified to be correct as to prices by the Managers who make the purchase of the articles, and shall be initialled "correct" accordingly. They shall then be initialled, by the Matron or the Superintendent, to show that the articles were received at the "Home."

The accounts shall then be laid before the Managers at the stated monthly meetings, and when payment is ordered, the order shall be entered on the minutes by the Secretary.

The Treasurer can then pay the accounts, and an entry upon the minutes will be a sufficient authority to the Treasurer to pay whatever accounts or disbursements the Board may have ordered.

V.—The Managers may appoint from time to time Committees from amongst themselves to attend to any special duties.

As a rule such committees shall consist of not less than three, and not less than two shall be considered a quorum to act.

These Committees, for the sake of regularity and for future reference shall as a rule report to the Board in writing.

VI.—The stated meetings of the Board shall be held on the last Friday of every month, at such hour as the Board may from time to time appoint.

VII.—The Superintendent and Matron shall hold their offices at the pleasure of the Board.

They shall do all in their power to promote the comfort of the inmates of the "Home," and shall follow the instructions of the Board of lady Managers for the week, and of the medical staff when orders are given.

They shall keep a book for entering all such things as they may consider necessary for the use of the "Home," and submit it to the weekly visitors. When disbursements are ordered, a regular account of the same shall be kept for the information of the Managers and the Treasurer.

VIII.—The Managers, deeming the point of admission of inmates into the "Home" to be a very important matter, decided that the following formalities shall regularly be observed.

1st. Applicants for admission into the "Home" are to state how long they have resided in the city, their residence, age, disease, and circumstances, also whether he or she has been attended by any medical man, and whether any clergyman has visited.

2nd. Thereafter two of the Managers shall visit the residence named (two ladies if the applicant be a woman, two gentlemen if the applicant be a man). They shall look at the surroundings of the applicant, ascertain what can be practically known of the persons, circumstances, habits and general character, in short, get all the available information about the case.

But applications for consumption and cancer cases made at a weekly meeting may be acted upon at the next following meeting, and *vice versa*; applications at monthly meetings may be called in at following week meeting.

4th. If, after the name of an applicant has in due course been approved by the Board, a considerable time should elapse before the occurrence of a vacancy and there is reason to apprehend that such a patient is at, or near, the point of death, then the resident medical officer shall be directed to visit the case and to report to the Board as to the advisability under the circumstances of removing the patient to the "Home."

5th. All the inmates of the "Home" must distinctly understand that an admission confers no right of permanent residence in the "Home," and at any time the Managers have the power of dismissing an inmate for what they may deem a sufficient cause; of its sufficiency the Managers are to be the sole judges.

6th. Any inmate who shall leave the "Home" without consent of the Directors, thereby forfeits all claims for residence within it, and will not be re-admitted.

IX.—Any person received into this "Home" as a free patient, if possessed of money or property shall be required to convey the same to the Board for the use of the Institution, and if inheriting property while an inmate of the "Home" and desiring to leave, shall be required to pay the usual charge for board, during the period of residence in the "Home."

SEVENTEENTH ANNUAL REPORT  
OF THE  
Toronto Home for Incurables,  
Ending March 1, 1891.

The Board of Management of THE TORONTO HOME FOR INCURABLES have pleasure in submitting their Annual Report for the seventeenth year of the work of the Institution.

The character of the year has been uneventful. Other periods have had their special records of removal to the new "Home," or of great building extensions, or of unusual epidemics, but this has been a simple year of steady, quiet work in caring for the many patients committed to our charge.

The "Home" is now more than ever filling its distinct place in the line of Christian charities of our city. It is "a place of waiting," where life's inequalities may be a little lightened, the pillows of the sufferers be smoothed, and their closing days on earth be spent in peace.

At one time during the year the number of inmates mounted up to 105, the largest number ever yet within our "Home," and at present there are 100 patients with us.

If those who know what it means to have one sick person in their household will consider what a serious duty is entailed in maintaining and nursing such a Family as ours, they will be kindly in their criticisms and ready with their assistance. Thirty-six patients died during the year, eleven left to rejoin their families, and two were dismissed for infringement of rules.

Fifty-eight new patients were admitted, an increasing proportion of whom were for those who occupy the consumptive and the cancer wards.

In making applications we would ask those who apply for admission to remember that the advantages of the "Home" are intended only for those who are suffering from actual, incurable disease, needing skilled nursing and medical relief, which were it not for this great Charity they would be unable to obtain.

Our wards are open for applicants enfeebled by disease, but not for those who may be classed as merely infirm.

Twenty of the new patients came to us from their own or friends' houses, but nearly all had been under treatment at some time or other in Hospital. The remainder came direct from the various Hospitals as follows:—

From Toronto General Hospital.....	15
" Guelph Hospital.....	1
" St. John's " .....	1
Toronto Jail Infirmary .....	1
Home for the Aged.....	1
House of Industry.....	1
Convalescent Home.....	7

This statement shows very clearly how well the "Home" is doing its duty of relieving the remedial hospitals of permanent and incurable patients, and thus enabling them to render more of their beds available for transient and curable applicants.

The appeal for donations for additional wheel-chairs, etc., was generously met, and a number of framed pictures have also been sent, which are gratefully appreciated by the inmates.

The plumbing in the east wing, which had been in use for some years, has been thoroughly replaced at considerable expense. Additional donations towards the Building Fund have been received, as also Bequests, all of which, in accordance with the resolution passed, have been applied to reduce the Mortgage Debt.

From Mrs. Topp, for the building fund, \$1,000; Bequest from Mr. Somerville, Vaughan, \$1,000; and from Miss Ross, \$500. From these sources and the receipt of other funds acknowledged last year \$9,500 have been paid by the Treasurer of the Building Fund in reduction of the Mortgage Debt.

A number of very pleasant entertainments were given for the pleasure of the inmates, a list of which is given below in detail, and cordial thanks are tendered to the kind friends who so exerted themselves.

The thanks of the Board and of the inmates are expressed to the Rev. Chas. Inglis and the Rev. Bernard Bryan, of the Church of England; Rev. R. P. McKay and Rev. R. C. Tibb, Presbyterian Church; Rev. J. Germain, Methodist Church; Rev. C. Duff, Congregational Church, and Rev. D. M. Mihell, Baptist Church, for having conducted the regular Sunday services and daily ministrations. Application has been made to the Ontario Parliament for a special Act of Incorporation for the "Home." The attentions of our Solicitor, Mr Mortimer Clark, Q.C., have been continuously and freely given to the preparation and passage of this Act, and we record our high appreciation of his valuable services. The Consulting and Visiting Physicians, the Resident Medical Officer, Mr. Geo. McKenzie, Miss Whitely, our new and efficient Head Nurse, and her staff of assistants, also Miss Egleston (Mrs. Craigie's assistant), all merit and are tendered our fullest thanks.

Praise, too, must be given to our Lady Superintendent, Mrs. Craigie, for the effective way in which her duties have been performed. It is no light matter to control and direct so large an institution, and we congratulate her on the way in which the internal organization of the "Home" has been fitted to the increasing number of the inmates. With sorrow we record our loss by death of members of our Board: Rev. Dr. Rose, one of our oldest and most respected members; Miss Gilmour, who

had been with us from the very commencement, and Mrs. John Leys, one of our firmest friends and active workers. The memory of their good works will ever remain.

In closing this, her seventeenth consecutive year of office, the Secretary greatly regrets that this must be her last report. The conducting of the correspondence of this institution which has increased in such dimensions has for some time been a heavy strain, and admonishes her that the duty must now pass to other hands.

Thanks are given to the Corporation of the City and the Ontario Parliament for their continued aid, and to the generous public of Toronto and other places who have contributed freely of their means. Thanks are also due to the editors of the daily papers for kindly notices.

Owing to our increasing numbers the daily expenses have been steadily growing during the past three years, and are a great source of anxiety to the Board. There have been times during the year when we have not had enough in hand to pay the accounts coming due at the end of the month, but generous hearts have never failed to supply the needed amounts. We, therefore, earnestly ask all those who are enjoying the happiness of health to be mindful, in their happiness, of the Incurables in our "Home," and free us from all anxiety for their maintenance.

Respectfully submitted,

WILMOT CUMBERLAND,

*Secretary.*

## 17TH ANNUAL MEDICAL REPORT

From March 1, 1890, to March 1, 1891.

---

It is my pleasing duty to present on behalf of the Medical Staff of the Home for Incurables the Seventeenth Annual Report.

During the past year there have been fifty-eight patients received into the "Home;" thirteen left the institution.

The number of deaths this year is unusually large, being thirty-six, eighteen from each sex; and it may be mentioned that fifteen of these were received at the "Home" within the past twelve months. Considering, however, that the inmates belong to the incurable class, this high mortality rate is not to be wondered at. While the staff cannot advise the admission

of those who are *in extremis* or who require active medical treatment, they are not reluctant to recommend that some who may have but a few months to live be permitted in their final struggle against adverse circumstances and unconquerable disease to pass their last days surrounded by many comforts and tenderly cared for by skilled and sympathetic nurses. Why should not those whose tenure of life is so limited be accorded treatment equally humane with those whose sufferings may extend over a period of years? While but words of commendation are proper regarding the management of this worthy charity, allow the advisability of having a more modern system of ventilation in some of the Wards to be suggested. In order to sustain this suggestion, I have to report the occurrence of three cases of typhoid fever among the attendants (two nurses and one housemaid), fortunately without fatal result.

It is gratifying to note that the appointment of Dr. McKenzie as Resident Physician for the year was a wise one. He has discharged his duties courteously and well; and Mrs. Craigie continues to hold the same high position in the estimation of the staff as formerly.

Respectfully submitted,

W. H. B. AIKINS, M.D.

Second Resolution,—Moved by Rev. T. C. DesBarres, St. Paul's Church ; seconded by Rev. Leroy Hooker, Metropolitan Church :

"That we recognize with grateful hearts the goodness and favour of God manifested to this 'Home' the past year. While mourning the loss of faithful members from our Board by death, and the unusual mortality among the inmates of the 'Home,' yet the mercies of our God, in sparing life, in recovery from sickness, in renewed health and strength, far outnumber the afflictions, and call for renewed thanksgiving and consecration to Him."

Third Resolution,—Moved by Hon. John Beverley Robinson ; seconded by Rev. Dr. Potts :

“The Board of Management would express their sincere thanks to the Members of the Ontario Legislature, and to the Toronto City Council, for their helpful grants of money for the maintenance of patients in the ‘Home,’ who are without any means of support ; and as this number is yearly increasing, we trust their appreciation of the work, and their interest and aid in meeting the pressing claims of this class upon us, may be as cordially manifested as in past years.

“We also return hearty thanks to our kind friends, who, by donations, subscriptions and personal sympathy, have sustained and encouraged us in this beneficent work.

“We tender to the Medical Staff and to the clergy of Parkdale our grateful appreciation of their faithful services the past year.

“To Mrs. Craigie and the Resident Medical Officer, to the Head Nurse, Miss Whitely, and to the Housekeeper, Miss Egleston, with the staff of nurses and servants, we would express our thankful satisfaction at the manner in which the important duties laid upon them respectively have been discharged.”

The meeting was closed by the Rev. Dr. Potts pronouncing the Benediction.
