THE SEVENTEENTH ANNUAL REPORT  
OF THE  
PROVINCE OF QUEBEC RIFLE ASSOCIATION.

---

The past year has been one of unusual difficulty, owing to causes which are well known; but on the whole we have succeeded better than was at one time anticipated.

SUGGESTIONS OF LAST YEAR.

To begin with the suggestions of last year; we regret to report that we have not yet obtained the Provincial Grant, all efforts in that direction having been unsuccessful.

The new offices at the ranges, though much needed, could not be built this year, through lack of funds.

The question of drains was not proceeded with by the Corporation, as anticipated last spring.

The improving of the ranges and the care of targets was settled by the spring floods injuring both the fixed works and portable targets.

In consequence of the extensive damage by the floods, the Government undertook to restore the ranges, which was proceeded with under the supervision of Lieutenant-Col. Kennedy, Montreal Engineers, and finished in a most substantial manner. He made some improvements to the wooden targets and they worked this year as well as could be desired.

FINANCES.

As will be seen from the financial statement, the collections from the General Public in aid of the Association are reduced. A circular was sent out and other means were used but our success was small. One special reason for our want of success was owing to the collections for aid to the families of the Volunteers in the North-west and subscriptions for the reception on their return, a certain proportion of which would probably have come to us.

Our affiliations memberships are also reduced this year, as well as the Individual Memberships, and some consideration should be given as to what means should be taken to increase the membership.

The assets of the Association are represented by the Portable Property as per list, which includes 3446 Rounds of Snider Ammunition English Mark IX, and 60 Rounds Martini Henry, and cash in the Bank \$24.58.

#### PRIZE MEETING.

The Special Committee charged with the arrangements for the meeting, considered fully the various changes suggested, and finally decided on issuing a Prize List very similar to that of the previous year, leaving out one match and reducing some of the prizes.

There were 11 matches, 319 Individual and 22 Team prizes amounting to \$1650, in cash, and 29 prizes in kind, besides 5 Cups, 6 Medals and the Champion Badge.

The Range officers were Lieutenant-Col. Worsley and Major LeSueur. The timing and statistics being kept by Lieut.-Col. Fraser, everything ran smoothly and the whole meeting was very satisfactory.

The Cups were won as follows, viz:—

Accident Cup,	finally by the Royal Scots Team,	with 487 pts.
Dolan Cup,	by Pvt. D. Smith, R. S.,	“ 93 “
Steward Cup,	by Col. Sergt, Waters, 6 F.	“ 61 “
Association Team	by 6th Fusiliers R. A. Team,	with 275 points
Aggregate	“ “ 6th “ “ “	“ 1098 “

Markers were again brought from Ottawa, did their work well, and gave no trouble to the Executive.

The Expected Public Presentation of Prizes, could not take place, much to our disappointment, a good committee had charge of this matter, but owing to the absence from town of several of its members, it was found impossible to make the necessary arrangements this year. Owing to numerous complaints from different parts of the Province, of the quality of the D. C.

#### D. C. R. A.

As usual, we were fully represented at the Dominion Rifle Association meeting in Ottawa, but failed to obtain the much coveted Provincial Cup, though, as individuals, the representatives from the Province did very well.

We would suggest that the Team to represent the Province, in the competition for the London Merchants Cup, should be chosen from the highest aggregates at Annual Prize Meeting in August, and that an inducement should be added to the prize list, in the shape of free tickets to Ottawa, to the ten highest aggregates who attend the D. R. A. meeting.

#### THANKS.

Our thanks are due to His Excellency the Governor-General for the gift of his two Medals Silver and Bronze, also to his Honor the Lieut.-Governor of the Province, for a handsome Silver Medal, donated by him.

We have also to thank those friends who continued their subscriptions.

#### COMPETITORS' MEETING.

At their special meeting of which a report will be found at page 18, some suggestions were made which are worthy of careful consideration, the prize meeting being organised for them, it should be carried out, as far as practical, in a manner to meet their wishes.

#### SUGGESTIONS.

Following the course of the last two or three years, some suggestions might be submitted for the consideration of the incoming committee :

- 1st—Our collections ought to be improved in some way and a special committee appointed to consider this question.
- 2nd—The public presentation of prizes should again be attempted.

- 3rd—Some means should be taken to shorten the time of the prize meeting if the old prize list cannot be restored.
- 4th—Some better means should be taken for the care of the association property.
- 5th—That the association should dispense with the sale of ammunition during the matches.
- 6th—That the Provincial Team should be chosen from the aggregates at the August meeting.
- 7th—That ten tickets to Ottawa, be given to the highest aggregates attending the D. R. A. meeting.
- 8th—That sighting and fouling shots be abolished, and extra series matches added to the programme to make up the loss of revenue.
