THE WAY TO DO IT.

If an error you would heed Hack away. That's the way to make 'em feel Hack away. Do not take a golden hatchet, With a polished helve to match it, Hack away, hack away, With the axe of truth.

If the tree of sin you'd fell, Hack away. Every stroke be made to tell, Hack away. Every stroke be made to tell, Hack away. Do not climb into the top, And a few small branch lop. Hack away, hack away, With the axe of truth.

To reclaim an erring brother Hack away. Do not leave him to another, Hack away. If again your axe you raise, You may win him from his ways, Hack away, hack away. With the axe of truth.
