Signs Of The Times

(Ottawa Journal Press.)---One of the most interesting eatures of the election result in Britain, and one which political eaders in this country and others would do well to ponder, is the tendency which it disclosed on woman could have more than the part of the electorate to disregard the mere claims of party. England, in a sense, has been the very mother and home of the party system. From Pitt right ed to a single day. This, un down to Asquith, British politiquestionably, weighed heavily in cal power has alternated bethe balance for the radical. deween Whigs and Tories, or between Liberals and Unionists. At various times third parties speak with a louder voice than made their appearance, only to before, and, under the old purely be almost immediately merged party conditions, should have into either the Liberals or the told heavily against many of the Tories. Disraeli said that Eng-
