THE LATE REV. R. B. KINLEY

A Prominent Baptist Clergyman
Passes Away in Paradise

Concerning the death of Rev. R. B. Kinley, which has already been referred to in the MONITOR, Rev. I. A. Corbett writes as follows:

REV. ROBERT KINLEY

At the home of his daughter, Mrs. J. S. Longley, Paradise, N. S., on Sunday night, May 16th, 1920, Rev. Robert Bruce Kinley, seventy-two years old passed to the eternal and heavenly home. He was the son of James Kinley, and born November 14th, 1847, at Cape Wolfe, P. E. I. In 1871 he married Elizabeth Wilkinson, who predeceased him a little more than three years ago. He was not born a Baptist, but became one by conviction, and was baptized by Rev. E. N. Archibald, April 6th, 1881. In the same year he was ordained, he began his first pastorate at East Point, P. E. I., Oct 1881. Before uniting with the Baptist church he had done considerable preaching in connection with the "Bible Christians," in whose faith he was trained by his devout father who was also a preacher. His pastorate at East Point was succeeded by pastorates at Tyne Valley, P. E. I.; Alberton, P. E. I.; Paradise, N. S.; Port Hillford, N. S.; Mira and Homeville, C. B.; Port Lorne, N. S. He also gave some service at Little River and Weymouth, Digby County, N. S., and a second pastorate at Port Lorne and finally he served for a few months last year at Antigonish, which work he was compelled by failing health to give up September last. His gracious ministry in the Baptist churches extended over a period of thirty eight years.

As to the man himself he was morally good and upright in all his ways. He was thoroughly pious and deeply spiritual. Religion with him was more than sentiment—it burned like an altar fire on his heart. He had a keen sense of right, and for it he would make any personal sacrifice. People would listen to very plain moral truth from his lips without being offended because they knew his motive was right and he lived what he preached. "He had the strength of ten because his heart was pure." The preparation for his ministry was not aided by a college and seminary course, but from every source available to him. He had a good mind and was an arduous student of nature, men and books, especially the Bible. The writer never heard him in the pulpit, but who sat under his ministry witness that he was an able preacher of the Gospel. The supreme aim of his preaching was to save souls and build them up in Christian faith and character.

He was a very social, warm-hearted, kindly natured man who took a deep interest in the welfare of the people, especially his own congregation. He visited them in their homes and in that way came into very close touch with them. He was with them in their times of joy and sorrow. He enjoyed with them wholesome humor, and deeply sympathized with them in their bereavements and sorrows. "The elements were so mixed in him that nature might stand up and say to all the world—'This was a man.'"

The funeral services were conducted in the home of his honored son in law, Deacon J. S. Longley, and in the Paradise Baptist Church by the pastor, Rev. I. A. Corbett, assisted by Rev. J. H. Balcom, Rev. F. H. Beals and Pastor A. W. Salsman, in the Fairview cemetery, Lawrenceville. The pastor's text was: "Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord." (Matt. 25:23) Rev. J. H. Balcom paid a loving tribute to the deceased. It was during Mr. Kinley's pastorate here that Mr. Balcom took

up the work of the Gospel ministry. He tenderly referred to the personal help Mr. Kinley had been to him. The floral tributes were beautiful, the choir sang sweetly and the large company of people who attended the services were real mourners. All felt that it was a farewell look at the face of a loving friend.

Rev. R. B. Kinley leaves with us to mourn a noble family; Rev. F. S. Kinley, pastor of the Windsor Baptist church; Rev. E. A. Kinley, pastor of the Newcastle Baptist church; John Kinley, of Port Hillford; Thomas Kinley, in the Canadian West; Mrs. Mary Kinley Ingraham, librarian of Acadia University and Mrs. J. S. Longley, who tenderly cared for her father as well as her mother in their last illness. To them and to all relatives we express our deep sympathy.

EMPIRE DAY AT UPPER GRANVILLE

The Raising of a New Flag With a Good Programme

Empire Day was celebrated at Upper Granville School by the raising of a new flag and a very fitting and well carried out programme. The flag is a Union Jack of very nice wool bunting. This, with a very suitable flagstaff, was obtained through the efforts of the teacher, Miss Muriel Miller, of Bridgetown, and the pupils of the school. Both teachers and pupils deserve great credit, not only for the fine addition to the school property but the following very patriotic and creditable program: Flag Salute, School, Song, Freedom's Flag, School, Reading, Empire Day, Maggie Phinney Recitation, Red, White and Blue, Charles and Howard Pratt, Essay, Growth of the British Empire, Lois Wauchope, Recitation, Columbus, Stewart Whitman, Song, O Canada, School, Recitation, Queen Victoria and Reign, Beatrice Mitchell, Recitation, An Old Piece of Bunting, Helen Austin, Recitation, Our Flag, Ervete Reese, Reading, St. George and the Dragon, Grace Horton, Recitation, Colors of the Flag, Erna Marshall, Essay, The Union Jack, Evelyn Phinney, Song, The British Flag, School, God Save The King

WEDDING BELLS

EDWARDS—GATES

(Middleton Outlook)

A social event of much interest was the wedding on Tuesday of Frank J. Edwards of Newton Centre, Mass., and Miss Mary Gretchen, daughter of Mr. and Mrs. J. A. Gates of this town. The United Baptist church, where the ceremony took place had been suitably decorated by the girl friends of the bride. The decoration included potted plants, evergreens and apple blossoms. A large bell and wreath was suspended above the principals and a row of tiny bells from the bridal arch.

Miss Georgie Balcom furnished the music and Misses Evangeline Dodge, Marjory Kelly, Myrtle Morse and Vera Baker performed the duties of ushers. The bride was led to the altar by her father and was attended by Miss Marjory Hoyt, while the groom was supported by his brother, Norman. Rev. Dr. Gates, uncle of the bride and Rev. Dr. Hutchins were the officiating clergymen. The double ring ceremony was used the service being very impressive and carried out with out a hitch. A large number of guests and other friends were in attendance. Immediately following the ceremony a reception was held at the home of the bride where refreshments were served and the guests presented their good wishes and inspected the numerous and valuable wedding gifts. Mr. and Mrs. Edwards motored to Lawrenceville where they took the train for Boston. They plan to spend a few days at Bram Rock a shore resort near the city before going to their future home at Newtonville, Mass. Mr. Edwards is a draftsman and Mrs. Edwards a professional nurse. Both are highly esteemed and have the best wishes of a wide circle of friends.

HERBERTS—THORNE

The marriage of Mr. George E. Herberts to Miss Helen L. Thorne, daughter of Mr. and Mrs. James H. Thorne, of Lower Granville, took place last, Rev. W. W. Craig of Christ Episcopal Church officiating. The bride looked very pretty in a travelling suit of navy blue with hat to match. Immediately after the ceremony the happy pair left on an auto trip through British Columbia and on their return will locate in Vancouver where the groom is engaged in a lucrative business.

KING'S BIRTHDAY IN ANNAPOLIS

The Celebration Attracted a Large Crowd to Our Sister Town

The King's birthday was celebrated at Annapolis Royal under the combined auspices of the Annapolis Royal Concert band, the Athletic association and the Tennis club. The weather was all that could be desired and the countryside turned out to enjoy the holiday. The tennis club prepared the "cats" in the spacious grounds of St. Luke's Sunday school building.

The first item on the day's program was an airplane flight from Truro to arrive at 9 a. m. There was much disappointment when it was reported that the rainy and foggy conditions at Truro detained the flight but as soon as the weather conditions cleared a start would be made. All day the people kept an eye skyward lest the big bird would elude their sight. When night came many concluded that this airplane business was a fake and went home. At about 8 p. m. the whirr of the machine was heard, and those who were on guard saw it make a very graceful landing on the west side of Allen's Creek. Engine trouble is given as the cause for not arriving earlier. The members of the Concert band under the leadership of Paul Yates, appeared in new uniforms of dark grey trimmed in black braid and gold symbols. Annapolis Royal can boast of one of the best concert bands in western Nova Scotia.

The baseball game in the forenoon between Annapolis and Bridgetown teams was too much one sided to be exciting. It was thought that this disparity might be relieved by another try at a five innings game in the afternoon. The Bridgetown team was supposedly strengthened by the infusion of new blood, but there was no improvement.

The boys' contests were lively and entertaining. The canoe race, and tilting match on the Basin afforded some excitement. Horace Munro and Frank Wood won the first race, and Ray Bealer and Ward Todd the second. The Devaney brothers won the tilting match.

A four round boxing bout was staged between Ralph Ritchie, Annapolis, and Clifford Kelly, of Halifax, resulting in a draw. The Halifax boys, Clifford Kelly, Frank Whelan, Howard Crosby and Earl Holt, who are working in Annapolis Royal, are quite an acquisition to the Athletic Association and account largely for the heavy score in the baseball matches. Friday afternoon, through the courtesy of Mr. H. Ruggles and his son Jack the Editor of the MONITOR enjoyed an auto trip to Annapolis to meet Mr. Logan Barnhill, the pilot of the airplane above referred to, and his mechanic, Mr. E. Atkinson.

The machine left Annapolis at exactly 5 p. m. fast time, and after going as far west as Clementsport and also circling several times over the town, passed over Bridgetown en route to Truro at exactly 5.15 which demonstrates the speed attained by machines of this kind.

Mr. "Jack" Ruggles who is a personal friend of Mr. Barnhill, having trained together in England and France in similar machines, selected the landing at Annapolis and assisted in the "take off" Friday afternoon, both of which were carried out very successfully.

BASEBALL NEWS

On Saturday afternoon the Bridgetown Sub-Juniors met and defeated the Sub-Juniors of Middleton by a score of 18 to 17.

Paradise who was to play the winners met Bridgetown and was defeated 14 to 8.

The Bridgetown Juniors were defeated in Annapolis the same afternoon, score 8-7.

What promises to be an interesting game takes place in Bridgetown Friday night commencing at 8.30 (fast time) between the Annapolis and Bridgetown Juniors. It is expected that the grand stand will be finished in time for this game.

The Bridgetown boys leave here this afternoon at 2 o'clock for Kentville to play a regular league game, Bridgetown vs Kentville.

REGULAR MEETING TOWN COUNCIL

List of Bills Ordered Paid and Other Matters of Interest

The regular monthly meeting of the town Council was held Friday evening, June 4th, Mayor Salter in the chair. Councillors present: J. S. Moses, W. A. Warren, H. F. Williams and A. L. Anderson.

The following bills were read and on motion ordered paid:

J. I. Foster	\$ 5.29
B. N. Messinger	29.58
James Gilliard	10.00
A. G. Walker	61.50
Street Bills for May	163.20

A communication was read from Dr. W. H. Hattie, provincial health officer, re the appointment of a representative to meet with the county health clinics.

Moved by Coun. Warren, seconded by Coun. Williams and passed that Coun. A. A. Dechman and Dr. M. E. Armstrong be appointed a committee to meet representatives of the Municipality and towns for the purpose of forming clinics for the benefit of the preservation of health.

A petition from a number of the citizens of the town asking the Council to rescind the resolution made on the 25th of May at a special meeting, favoring the daylight Saving Scheme was read.

There being no notice of a motion given to reconsider the resolution at the time it was made, the council was debarred from taking such steps, by Sections 50 to 53 of the by laws of the town of Bridgetown.

Minutes read and approved.

J. E. LLOYD, Clerk.

TIME FOR THE THIRD SPRAY

After the Blossoms Have Fallen and Before the Caylx Has Closed

By G. E. Sanders

On account of ransetting the fruit Bordeaux cannot be used for this spray. The formula that has given good satisfaction in the past is soluble sulphur 1 lb., hydrated lime 5 lbs., arsenate of lime 1-2 lb to 40 gallons of water.

If Green Apple Bug is present the formula should be 2 lbs. soluble sulphur, 1 pint Black leaf 40 to 100 gallons of water.

If biting insects are very bad such as Tussock Moth or Codling Moth, the sulphur spray may be eliminated and 3 lbs dry lead arsenate to 40 gallons used. This will not only control the biting insects better than a combination spray but it will prove a better fungicide than soluble sulphur.

The pests controlled by this spray are, Apple Scab, Codling Moth, Green Apple Bug, Tussock Moth, Green Fruit Worm and "Pit Rot"

Year in and year out this spray will probably average the most important in the production of apples although in many seasons others are more important.

Excepting where Green Apple Bug is present it is advised to apply this spray as a fog mist in Nova Scotia.

BIG FIRES

On Sunday of last week a disastrous fire occurred at Londonderry, 18 miles from Truro, in which 47 buildings were destroyed including four churches, school house, two hotels, Catholic hall, several stores and many dwellings; 40 families are homeless and the property loss is given at \$300,000.

St. Quentin, Restigouche, Co., N. B., was almost entirely destroyed by fire on Saturday; 65 dwellings, 3 mills, 2 hotels, banks and many business places destroyed. Half the population numbering 1000 persons are homeless; property loss about \$1,000,000.

Of interest to Farmers

SOWING GARDEN BEANS

(Experimental Farms Note)

Beans are an important truck crop. Garden beans are one of the important truck crops and practically every farmer should grow a patch either for sale or for home consumption, according to his location. Being a leguminous plant, this vegetable stores in the soil nitrogen gathered from the air, and the cultural methods generally given to it leave the ground in splendid shape for the following crop. The consumer also has great advantages in buying them as they are a delicacy, they may easily be canned and are considered a very healthful food indeed.

One or more varieties? To be profitable and palatable, garden beans should be eaten when the pods are well grown but still green, and this period only lasts during about a week of the plant's life. This is why a succession of sowings is generally made by persons who desire to have this fine vegetable on their table for a long time. It was suggested that a number of varieties of different seasons put in the same day, might do as well, and this prompted an experiment at Cap fence.

The Cap fence experiment. The object was to compare the yield of green pods from one variety, sown at four different intervals of about a week, with that of four varieties of different seasons sown the same day. The results of five years showed that Round Kidney Wax, sown at four different intervals, yielded at the rate of 343 quarts of green pods per acre, whilst Round Kidney Wax, sown at one interval, yielded at the rate of 328 quarts per acre.

One variety generally enough. The difference between the two methods was only around five per cent, which is practically negligible, and it seems that either will about give the same results. Persons who would rather make only one sowing, and be done with it, will have of course, to choose varieties of different seasons, whilst others who prefer to sow at intervals of a week or ten days, should take an early variety, such as Round Kidney Wax or Pencil Pod Wax, so as to get the first edible pods as soon as possible.

Save your own seed. Probably the latter way is preferable as ripe beans can be gathered from strong healthy plants each year, for the next, which not only means a saving of money, but, which is quite important, one is thus sure of getting seed of good vitality and of the right strain.

THE FIRST SPRAY

By G. E. Sanders

Last year the majority of Nova Scotia apple growers missed the pre-blossom sprays, on account of their spray pumps being out of order. Practically all fully intended to apply the first spray, but when they got their sprayers out they found them disabled in one way or another. The result was that it took in some cases weeks to get repairs made and many were not able to apply and spray until after blossoms. Consequently we had a very dirty crop, and everyone, even the men who grew clean fruit suffered, for word went to the markets that the Nova Scotia crop was "dirty" and clean lots of fruit were sold at a discount on account of the general reputation of the crop.

Growers should get their sprayers out at once and overhaul them so as if any parts are worn or broken they will be able to replace them before it is time to apply the first spray.

In Nova Scotia the first spray should be three pounds of bluestone, ten lbs of lime, one pound of arsenate of lime to forty gallons of water. For aphids add three fourths of one pound of Black Leaf 40 to each hundred gallons of the mixture. This spray should be applied when leaves are about the size of a cent piece.

Where budworms are present in injurious numbers the amount of arsenate of lime may be increased to one and half pounds to forty gallons, and the spray applied at the highest pressure possible and in such a manner as to drive it into every chink and service of the opening buds. If only a few budworms are present a fog spray is much more desirable.

ADVICE RE PRUNING TREES

Professor Longyear, of the Forestry Department of Colorado Agricultural College, gives 14 things to remember when pruning trees. They are enumerated as follows:

1. Proper pruning gives more and better fruit.
2. It costs less to spray and pick a well pruned tree.
3. All varieties are not pruned alike.
4. Heavy pruning tends to increase wood growth, and may be used to rejuvenate a run down tree.
5. Light pruning tends to increase fruit production.
6. The growing habit of a tree varies with age.
7. Water-sprouts are usually the result of heavy pruning. Those sprouts near the base of the scaffold limbs may be tipped back and caused to produce fruit.
8. A limb grows more from the tip buds than from the lateral buds.
9. Fruit may be thinned by pruning.
10. Pruning wounds need not be painted in Colorado.
11. Keep the top of tree somewhat open. Light helps to make extra fancy fruit.
12. If the buds on your peach trees have been killed and the fruiting wood is in the upper third of the top, "dehorn" your trees back heavily to limbs one inch in diameter.
13. Learn the principles of pruning the details will vary with the tree.
14. Common sense and good judgment will help a good deal.

THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

Insist on getting "Bayer Tablets of Aspirin" plainly stamped with the safety "Bayer Cross"—Aspirin prescribed by physicians for nineteen years and proved safe by millions for headache, toothache, Eczema, Rheumatism, Lumbago, Gout, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages. Made in Canada.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocarbolic acid of Salicylic acid.

While it is well known that Aspirin is a Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

Annapolis Spectator: Mrs. Edward F. Cassidy and children left on Monday for Deep Brook where they will reside for the summer months.

TUXIS BOYS AND TRAIL RANGERS

BY H. H. HARRIS

WHO IS YOUR BOSS

A business man was about ready to offer a very important position to a young man who had been highly recommended to him. It happened that the two took a ride together on the train and in the course of the journey the young fellow was asked by some other travellers to take part in a game of cards at which a small amount of money was put in the playing. The employer saw the young man hesitate and then accept the invitation and he immediately made up his mind that he would not offer the position to him. He knew that anyone who engaged in gambling never became his own boss and that some day he and his employer would both suffer for it.

Every boy looks forward to the time when he will be, as he calls it, his own boss. He will be able to decide for himself whether to go out in the evening or stay in and all the other things that have to do with his life. He sometimes feels that he will be glad to get out from under the control of his parents so that he can govern his own life.

Every boy should ask himself whether he is going to govern his own life himself or whether his life is going to be governed by his surroundings. The fellow who gambled on the cards even though he felt that it was not right to do so, is not his own boss, but is bossed by the fact that a game of cards is going on and that he has been invited to take part in it.

Every boy can put himself to this test. Let him decide something that he does not want to do particularly well and which at the same time is something he should do. Can he keep his mind to it as long as he feels he should? Dr. Broadus used to say that in order to be a good student, one should be able to take up his study when he would rather rather stop and stop when he would rather go on. In other words the man or the boy who is his own boss is the one who can make himself do what he ought to do whether he wants to do it or not.

Every boy should ask himself whether he is going to be bossed by his companions, by some other boy who is a strong leader, by the books that he reads, by his own passions and prejudices and fancies. He will need to look his own temper fair in the face and fight out the question as to whether he or it is going to command his life.

First Boy: My dad has some new teeth that the dentist made him.

Second Boy: What is he going to do with the old ones?

First Boy: Oh, I don't know. I suppose they will cut them down and make me use them.

AN ARTS AND CRAFTS EXHIBIT

The boys of Winnipeg put on a "king pin" exhibition this season in Arts and Crafts. Vaughan Street Y. M. C. A. was the centre of interest and more than two thousand entries were on view.

Both in number and in quality the entries much surpassed any similar exhibition previously seen in the city. The judges for the different classes spent three days in judging the various objects. The results indicated the keenest competition for the highest aggregate scores, for which cups were presented.

Prominent in the exhibition was the large amount of wood work, most of which was submitted by boys attending the technical high schools. Everything in the way of minor house hold effects and ornaments was on view. Foot stools, chairs, baskets, brush holders and furniture were attractively displayed in large numbers.

Forging works and metal articles were also numerous and indicate the high degree of skill which has been attained by the youthful craftsmen. A miniature machine shop, operated by an electric motor, was one of the exhibits, the ingenuity of which was a surprise to the crowds. A Morris chair, perfect in its design and workmanship, drew the admiration of the visitors. In the metal sections a display of nutcrackers attracted considerable attention. Screw drivers, metal boxes, chisels, hammered copper and brass work were also shown in large numbers.

The exhibits in drawing and photography were appropriately arranged, some of the entries representing distinct achievements, sketches and maps and drawings of a practical and ornamental character were on view, and were closely scanned by the crowds. Penmanship work was also submitted, while one of the judges had the task of reading compositions, the subjects of which were all current events.

The O. B. Knight Prize Cup was won by Hugh Roberts.

SHE ASKS THE PHYSICIAN

Mrs. Turner Studying Baby Hygiene

"My dear Mrs. Turner," said the family physician, "I can only repeat what I have said so many times—that not only must we see to it that the child properly assimilates its food, but important, that the waste products are properly eliminated. Infant—or Child—hygiene plays an immense part at this day. The proper feeding of children is today an exact science and it has brought with it the knowledge of how to keep the child's alimentary tract to the proper condition. Have you noticed how many physicians now specialize in the maladies of infancy and childhood. Naturally they have the advantage over the general practitioner. But, do you think the specialist has more success in treating the children than the physician who brought them forth into the world, day out and day in seen them watches them and notices all their little individual peculiarities? The Specialist comes in as an outsider and has to learn of these things. The family physician knows them."

"One of the best known physicians in this country puts the matter of sanitation of the alimentary canal in a terse sentence—"Clean out, clean up and keep clean." Surely what is true about the grown ups is still more true in regard to children. The grown ups can think for themselves. But the baby? Ah—you get the point? Food the baby must eat one child may be absolutely fit for another, the location, the feeding, the watermelon, cream cone, the tempting watermelon, these and many more cause the woes which may be soothed by remedies that cannot be given to the infant or small child, such as Castor Oil, a most nauseating old fashioned remedy. Now, to tell you the truth, I very rarely give Castor Oil. Years and years, in my own family as well as in outside practice, I give Fletcher's Castoria and I know of scores of other physicians doing likewise. You ask why? Well I have had nearly thirty years experience with it, that is why. Experience teaches. Are you sure that your baby is healthy? Mrs. Turner, are you still young and have only your first baby to worry over and because his little stomach is out of kilter you are scared. Not just as I tell you. Give him Fletcher's Castoria as directed and you will find that your boy will be very comfy."

"But Doctor" broke in Mrs. Turner, "are you sure that your baby is healthy? Mrs. Turner, are you still young and have only your first baby to worry over and because his little stomach is out of kilter you are scared. Not just as I tell you. Give him Fletcher's Castoria as directed and you will find that your boy will be very comfy."

"The doctor's candid talk convinced Mrs. Turner that Fletcher's Castoria was the remedy for her to keep in the house and any other mother who takes the trouble to ask her physician will receive the same advice."

WHAT'S THE USE

Did it ever occur to you that a man's life is full of contradictions? He comes into the world without his consent and goes out of it against his will, and the trip between is exceedingly rocky.

The rule of contraries is one of the features of the trip. When he is little the big girls kiss him; when he is big the little girls kiss him.

If he is poor, he is a bad manager; if he is rich, he is dishonest; if he needs credit he can't get it; if he is prosperous every one wants to do him a favour.

If he is in politics he is in it for graft; if he is out of politics he is too good to his country.

If he does not give to charity he's a stinky cuss; if he does it's for show. If he is actively religious he's a hypocrite; if he takes no interest in religion he is a hardened sinner.

If he gives affection he's a soft specimen; if he cares for no one he's cold and blooded. If you're fond of the ladies you're a flirt; if you're not, you're a woman hater.

If he dies young there was a great future before him; if he lives to an old age he missed his timing.

If you save money you're a grouch; if you spend it you're a loafer. If you get it you're a grafter; if you don't get it you're a bum. So what's the use?

June is at hand and we may now expect June bugs, June frost and June brides.

We notice that grocers no longer use a potato to cork the spout of the oil can.

WOMEN MEN LIKE

There are many noble, sensible, fundamentally charming women who feel themselves thoroughly adapted to the sort of women that men seem to prefer. It looks almost as if the majority of men liked the shallow, the cheap, the frivolous, the vain, who may amuse for the moment, but who are certain to fail when it comes to all he tests and trials the real home making and happiness making involve. Yet the charge is only in part true. Men do like to be amused. When they leave the sober work of life making and seek social diversion, they naturally seek those who afford such diversion in largest measure. Furthermore, being human, like women, they enjoy those who enjoy them and show it, even when the exhibition is a little too obvious. Moreover, women rarely understand how difficult it is for men to be at ease with them. When the ordinary unmarried man goes into society he puts on different thoughts, different manners, different habits of moving and speaking and acting. Those habits may be better, as his clothes are; but they are different. He seems thoroughly strange to himself. And he turns naturally to the woman who makes him forget himself, who talks freely and frankly and easily, even if the talk is frivolous and little worth remembering. She may not be the woman whom he should seek, still, though he often does marry her and regrets it afterwards.

The important thing, however, in this as in so many other connections is that not all men are the same. Frivolous and idle and shallow and self-indulgent men like frivolous and idle and shallow and self-indulgent women, and it unfortunately happens that those classes form the most conspicuous elements of general mixed society everywhere—a circumstance that is likely to give the thoughtful a false impression.

Nevertheless, it remains true always that the woman who is simple, modest, self-respecting, and who does not think too much of what a man thinks, is likely to find a man who is worthy of her, or if she does not find one, to live a life that is worthy of herself.—E.X.

Store closes every Wednesday afternoon, beginning June 2nd, continuing until Wednesday September 30th.

RURAL SCHOOL TEACHERS

(Grain Growers' Guide)

The impression seems to be abroad in some quarters that the best public school teachers should be secured for the town and city schools and that a lower standard is sufficient for the country schools. This is an error which, if allowed to prevail, will have a decidedly detrimental effect upon future educational development of the rural districts. In the cities and towns where there is elaborate machinery for supervision and direction of teachers' work the average standard of education will in consequence be high. Where these exceptional facilities are lacking it is of much greater importance that teachers in rural districts should possess the highest standard of efficiency.

The great majority of pupils in the rural districts never attend any educational institution beyond their local school. For that reason the local school is the most important institution in the rural district. Taxes raised for the rural school, when properly administered and in charge of efficient teachers, are the best investment that farmers can make in the interest of their children.

Teachers' salaries are steadily rising, but are not yet sufficiently high to attract enough capable teachers to equip the public schools. The motto which every rural district should adopt towards its district school and its teacher is: "Nothing but the best."

Pictou Advocate: Unless there are a few liars in this burg, the streams were fished clean of trout Monday. The sizes of the trout ranged from that of a respectable salmon to the dimensions of a whale.

OF INTEREST TO WOMEN

This is a Short Letter, But it Proves the Reliability of Lydia E. Pinkham's Vegetable Compound.

Bothwell, Ont.—"I was weak and run down, had no appetite and was nervous. The nurse who took care of me told me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting strong. I recommend your medicine to my friends, and you may use my testimonial."—Mrs. W. J. Brady, R. R. 2, Bothwell, Ont.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old-fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence, and as it contains no narcotics or harmful drugs it is a safe medicine for women.

If you want special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read, and answered by women only.

SUFFERED DAY AND NIGHT

The Tortures of Dyspepsia Relieved By "Fruit-a-lives"

LITTLE BRAS D'OR, C. B.
"I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches and did not sleep well at night. Finally, a friend told me to try 'Fruit-a-lives'. In a week, the Constipation was corrected and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous". ROBERT NEWTON.

A MOTOR CAR HOUSE

The modern tree man has been discovered. He lives in the trunk of a huge red wood tree mounted on a motor truck, and travels round the country enjoying virtually all the comforts of a modern three room apartment. Cutting a twenty foot section from a fallen redwood, three hundred and sixty feet long and eleven feet in diameter. Mr. Charles Kellogg of Santa Clara Co., California, after seven months of arduous toil, fashioned the huge piece of timber into an automobile body.

The twenty two foot section, when first cut, weighed more than forty tons. The first step was to remove the bark. Then with tremendous difficulty Mr. Kellogg chiseled out the heart of the log until he had a shell that was only one foot thick but that weighed about six thousand pounds. In order to mount the hollowed log on the truck, the corners were cribbed with slabs and a passageway was dug in the forest floor below the log. The truck was then driven underneath, and the great log was slowly lowered into place.

Mr. Kellogg himself cut the windows and planned the interior. He found places for two beds, a kitchenette, a yacht lavatory, closets, electric stoves and wiring. Then came some exquisite cabinet work, the making of clever little drawers and folding arrangements and the putting in of plate glass windows. The body is nineteen feet long and contains three rooms, each six feet square—a living room, a bedroom and a chauffeur's room. The rooms are all luxuriously furnished, and on one side of the living room there is a fireplace.

Mr. Kellogg has driven his "Travel Log" more than five thousand miles, and has covered many of the famous mountain roads of California, one of which has a forty per cent grade for nine miles. The truck was designed to carry two tons, but its total load is actually little more than three tons.

ST. CROIX COVE

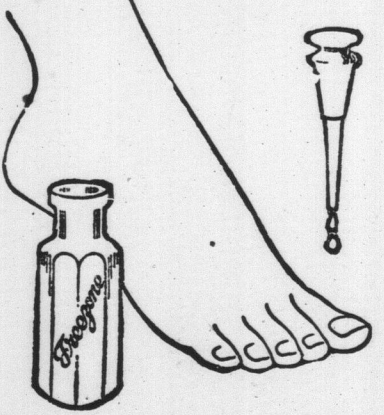

Mrs. T. W. Templeman, Port Lorne, visited Mr. and Mrs. T. S. Brinton recently.

Mr. B. M. Armstrong and family, Mt. Hanley, visited Mr. and Mrs. Bradford Poole on Victoria Day. Myron O. Brinton returned home from Wolfville the 24th after completing two years study at Acadia College. Mr. Mont Smith and Miss Evelyn Smith, Central Clarence, were recent visitors at the home of Mr. and Mrs. Zachary Hall.

Mr. Zachary Hall returned home the 27th after a pleasant visit to Wolfville where he attended the closing exercises at Acadia.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes and the hard skin calluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting then shortly you lift that bothersome corn or callus right off, root and all without one bit of pain or soreness. Truly! No humbug!

THE DONKEY CLUB

A minister in a small Western town surprised his audience one Sunday by reading the following notice from the pulpit:

"The regular session of the Donkey Club will be held as usual after the service. Members will line up just outside the door, make remarks and stare at the ladies who pass, as is custom." The club didn't meet that Sunday.

Was a Blessing to His Wife, He Says

Nerves Steady, Headache Gone, Eats Anything Since Taking Tanlac

"It has been six months now since Tanlac overcame my wife's troubles after she had suffered for ten years and today she is still enjoying perfect health," said Arthur Hillier, a well known carpenter residing at 25 Dawson street, Dartmouth, Nova Scotia, a few days ago. "Nearly eleven years ago my wife's health broke down," he continued, "and since that time she has gone through her share of suffering. Her digestion was so bad that nearly everything she ate caused trouble and gave her pains in the chest and stomach. She complained of a heavy smothering in her chest and at times she was so choked up with gas she had to fight to get her breath. Many a night she was in such misery I had to be up for hours trying to help her get relief so she could get a little rest, but often was nearly daybreak before she became easy. One fine last winter she had an attack of acute indigestion and they sent for me to come, as they thought she would die. These spells got to coming on her often and whenever they did she would be in bed for two or three days at a time. She was badly constipated and subject to severe headaches. Her nerves were in a wretched condition and she was about fifteen pounds under weight. Many times I have seen her so weak she could hardly walk and it was impossible for her to do any of the housework."

"We had been reading about Tanlac and when she saw it recommended by several of our friends we decided to give it a trial. Well, sir, before my wife had finished the first bottle I could tell she was improving, she looked better and was picking up in weight. In all she took six bottles, gained fully fifteen pounds in weight and was restored to perfect health. This was six months ago and she has never been troubled in any way since. She is eating more than she has in many years and it all agrees with her perfectly. Her nerves are steady and strong, she sleeps like a child at night and does all her housework without any trouble. She is free from constipation and headaches and she never complained of an uncomfortable feeling of any kind. Tanlac has certainly been a blessing to her and she never loses an opportunity to praise it."

Tanlac is sold in Bridgetown by S. N. Weare and in Middleton by Clifford A. Mumford and in Bear River by L. V. Harr's.

FARM BOYS AND GIRLS COMPETE

In Estevan, Saskatoon there are two active clubs, one for boys and girls. These are carried on under the direction of the Rural Education Association. This year the club is conducting two contests, one in calf raising, grade and pure bred, and the other in poultry raising, pure bred, to be selected from the following breeds, Rocks, Wyandottes, Rhode Island and Orpington.

Each contestant must keep a record of the animal or fowl in a book that is supplied by the club exhibit the book and animal or fowl at the Estevan Agricultural Fair.

The committee will give suitable prizes for the winning entries. It is planned to extend this fine work into as many schools in the township as possible. Each branch will have a committee of five and the duties of this committee are to appoint the contest leader and to encourage the boys and girls to contest.

FIRELIGHTER

TOO MANY TIPS

The Digby Courier says: A Digby man went to Yarmouth for a holiday, but returned the next day. A friend asked him why he had come back so soon. "Yarmouth was too dear for me," he replied, sadly shaking his head. "When I arrived I had to tip the railway porter, the hotel porter, and somebody else at every turn, and when I went to wash my hands, dang it, there was a notice: 'Please tip the basin after using.' Of course I couldn't do that."

FAREWELL SERVICE

At the close of the regular service Sunday the congregation of the Paradise and Clarence United Baptist Church held a farewell service for their pastor, Rev. I. A. Corbett, who has completed his residence there. Rev. J. H. Balcom took the chair and called Mrs. G. T. Pearson to the platform. Mrs. Pearson delivered her address in verse on behalf of the ladies of the W. M. A. S. and at the close of it asked Miss Marjorie Morse to present Mrs. Corbett with a beautiful bouquet of carnations. Miss Webster, of Clarence, rendered a vocal solo very acceptably. The chairman then called Mr. K. M. Brooks to the platform to speak a farewell message on behalf of the people of Paradise. Mr. Brooks in a few well chosen remarks expressed the sorrow of the people in losing their pastor and in conclusion presented him with a substantial cheque as a slight token of the regard in which he was held by the church and congregation. Mr. Corbett in replying to this expressed his deep appreciation of the way in which the people of the church had cooperated with him in all departments of his work and his sorrow that duty had called him elsewhere. Mr. V. B. Leonard gave a farewell address as representative of Clarence after which the chairman called on Rev. M. C. Higgins, who was present for a few remarks. Mr. Higgins responded suitably and a short address by the chairman closed the meeting. After the singing of the hymn "Blest be the Tie that binds" by the audience, Pastor Corbett and family stood at the door and said farewell to each member of the congregation as they passed out.

CONSOLATION

One of Philadelphia's most prominent Frisconville pastors was summoned to a hospital recently to console a man who had been fatally injured. The clergyman was delayed, and when he reached the hospital the man had died.

"Too bad, sir," explained the dead man's friend, "Bill's dead, sir, but I guess it's all right, sir. I gave him consolation?"

"You did?" enquired the clergyman, in astonishment. "How did you give him consolation?"

"Ah," replied the man, "Bill says to me, says he, 'Jim, I'm going to die.' I guess you are," says I. 'I've been a very bad man, Jim,' says he. 'That's what you have been, Bill,' says I. 'I guess, Jim,' says he. 'I'll not go up there,' says he, pointing up. 'Ah Bill, I guess you won't,' says I. 'Jim,' says he, 'I guess—I guess I'll go down—down there,' says he, pointing down. 'Yes, Bill,' says I. 'I guess that's where you'll go, and you're lucky that you've got some place to go at all.'"

CONTORTED CHILDREN

Children who suffer from constipation, indigestion or any of the other ailments due to a clogged condition of the bowels will find prompt relief through the use of Baby's Own Tablets. The Tablets are a mild but thorough laxative which can always be depended upon to regulate the bowels and sweeten the stomach. They are absolutely safe and are sold under a guarantee to be entirely free from opiates or other injurious drugs. Concerning them Mrs. Thomas A. Boutot, Lake Baker, N. B., writes: "I am pleased to state that Baby's Own Tablets were of great help to me when my baby was suffering from constipation." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

THE USUAL QUESTION

He had fallen through the coal hole, and sprained his ankle. It was a quiet street, and he called for help in vain. Meanwhile, the pain increased until he almost fainted. He opened his eyes to find an old gentleman regarding him.

"Dear me!" said the kind hearted pedestrian. "Have you fallen through the coal hole?"

"Not at all," replied the man, trying to smile. "As you seem to be interested in the matter, I will tell you what happened. I chanced to be in here when they built the pavement around me!"

REAL LONG DISTANCE TELEPHONING

The telephone system of Nova Scotia is now linked up with those of New Brunswick, New England, and the Bell of Canada systems. By means of a series of telephone repeaters Halifax business men can talk to San Francisco if they so desire. Conversation to points as far away as Savannah, Ga. and Chicago are almost daily occurrences.

Hon. E. H. Armstrong and Mrs. Armstrong are here from Halifax, guests of Mr. and Mrs. A. H. Hood.

O. S. DUNHAM

Bridgetown

WEDNESDAY, June 9th, 1920

FAST TIME

The fast time in Bridgetown appears to be working all right. As it is being used in the town only, and not in the surrounding villages, it does not interfere with the farmers. Many of the farmers complained that the places of business in town were not open early enough for them. The fast time, therefore works out to their advantage in the morning, for while the dew is on the grass they can do business in town and then what they claim to be their most important hour on the farm, from 5 to 6 p.m. (old time) the stores are closed in town which therefore is no inconvenience, as they would be too busy to do shopping during that hour. On the other hand the fast time is a great convenience to clerks, office help and factory help who have the benefit of another hour of daylight at night to work in their gardens, attend the ball games and enjoy any recreation in which they care to take part. As for the townspeople who are not in business it can make no difference to them whether their clocks are an hour ahead or behind. They can get up when they like and retire when it suits them best. Therefore, we believe the fast time does the most good to the greatest number and is quite satisfactory.

MR. AND MRS. SHAFNER RE-IRE

(Middleton Outlook)

There was a change at The American House on June first and Sgt. K. H. McNeil, of Melvern Square is the new man in charge.

During the many years that Mr. and Mrs. Shafner have conducted The American it has been one of the best hotels of the province; neat, home-like, and with an extra good table. They have placed both the citizens of Middleton and the travelling public in the debt by the excellence of the service given.

Compelled by ill health to give up the business they retire to well earned rest with the good wishes of a host of friends.

THE H. C. L.

Pleasant Advocate next Tuesday will pay \$297 for a shipment of print paper and after the first of July will pay about \$400 for the same quantity. The same kind of a shipment formerly cost us \$50 to \$60 and it has been bought even lower. Everything else that goes into the making of a newspaper has advanced in price from the roller that puts the higher priced ink on the higher priced type to the higher priced color that keeps warm the higher priced printers work. An advance in subscription rates must come—and soon.

50,000 PASSENGERS IN ONE AUTO

(Annapolis Spectator)

Talk about fifty thousand passengers on one car makes one think of war time transportation. However, a man at the railway station here the other day who had offered to do the trout fry distributor a good turn with the use of his motor truck, was asked after ten cents of the fry had been loaded on the truck, how much he was going to charge. "Why," said he, "I usually get \$5 a passenger that distance. Five thousand to the car, ten cents, fifty thousand—\$25000 of course."

A GIFT OF \$25,000

Dr. Cutten, of Acadia, announces a gift of \$25,000 from H. H. Raymond, of New York, to purchase the land adjacent the Campus on the east side so as to enlarge the Campus to about twice its present size. The whole Campus to be called here after the Raymond Field. Mr. Raymond who is a native of Yarmouth County, is particularly well known among our Digby readers as he visits that port annually in his beautiful yacht Scotian, he being an enthusiastic member of the New York Yacht Club.

Local Happenings

Supreme Court meets in Bridge-

town next week. Whatever crops may fall this year the tax crop will not be one of them. One trembles to think what the price of rags will be when they get a little more fashionable.

Mr. Herbert F. Williams shipped another car load of beautiful cattle to Halifax Monday evening.

The Queens County Exhibition will be held at Caledonia on Tuesday and Wednesday, September 28th and 29th.

The Valley Medical Society is in session this week at Bayside Farm (Lent's summer hotel), Weymouth North.

It is announced from Ottawa that all Dominion mail contractors are in future to be paid monthly instead of quarterly.

There will be service in St. Alphonsus Church, Bridgetown, Sunday morning at 11 o'clock (old time) conducted by Rev. Fr. Mackie.

A man may be a failure without knowing it, but if he is a success he not only knows it himself, but lets everybody else know it.

Dr. W. H. Beckwith, of Halifax, preached the congregation of St. James Church at the Sunday evening service with a beautiful vocal solo.

Miss Marguerite Hicks gave a piano recital for her music pupils at her home Monday afternoon. The programme was an excellent one.

Mr. M. V. Potter, of Clarence has the editor's thanks for the first box of native tips, strawberries this season, which was received Monday or Tuesday.

The regular meeting of the Bridgetown branch of the G. W. V. A. will be held at the G. W. V. A. room on the evening of Friday June 11th, at 8 o'clock.

Mr. Cox bought a car load of splendid horses from Montreal which were placed in Count Anderson's stable. More than half of the 28 have already been sold.

Caledonia Gold Hunter: A. D. Thomas and wife, of Milford, were here on Tuesday. Mr. Thomas informs us that the full accommodation of the well known Milford House is booked up for the summer.

Kentville Chronicle: Work at Blenheim's Axe Factory is going on at a brisk rate. Orders are coming in this year earlier than usual as last year it was difficult to obtain sufficient axes for the trade.

A party of American newspapermen and their wives are touring Nova Scotia this week. Today they are guests of the D. A. R. will lunch at the Cornwallis Inn, Kentville, and return to Halifax tonight.

The train on Sunday and Monday was much needed, but many were disappointed who had planned an auto trip for "Blossom Sunday," a day when the church congregations are small and the auto parties numerous.

The Annual Birthday Party of Riverside Cemetery was held in Warren's Hall May 25th. The receipts of that event were about \$195.00. There is still time for those who wish to help increase this amount.

By a simple rule the length of the day and night, any time of the year, may be ascertained by simply doubling the time of the sun's rising, which will give the length of the night, and double the time of setting will give the length of the day.

The body of the late George C. Burton who died in Annapolis several months ago and was buried in Woodlawn, was removed Wednesday and Cleveland, Ohio. It was accompanied by the rector, Rev. T. C. Mellor.

BLOSSOM TIME

If there was ever a land that nearly resembled Paradise of ancient history, it is certainly the Cornwallis and Annapolis Valley in blossom time. People who have never visited this section at the luxuriant beauty which surrounds us on all sides. Now that the auto is so common and the roads in very good order, everyone who appreciates beauty and enjoys the fresh air with its blended fragrance from apple orchards, and green fields should visit in the next week enjoy a ride through Annapolis and Kings Counties. Here one can ride for many miles and never get out from among the orchards and blooms, and we have many lofty heights from which to catch a glimpse of the panorama of the valley upon which we revel in the bloom.

A BUSY FIRM

(Windsor Tribune)

The Colonial Fertilizer Co. have had a busy spring, and are about finished shipping for this season. Farmers were exceedingly slow in sending in their orders, and it was only by working nights and overtime the company could overtake the deluge of orders which poured in during the past month. Particular attention was given to the filling of local orders and the farmers of this vicinity can thank their lucky stars that there is such a concern in their neighborhood. From present appearances the crops planted this year will be much in excess of 1919, and we trust that the poor farmers can once more afford to have potatoes on their table.

A NEW ENTERPRISE AT GRANVILLE CENTRE

On Monday the splendidly situated Roney place at Granville Centre was bid in by the mortgagee Mrs. Annie L. McCormick who at once rented it to Mr. G. F. Daniels, of Wilmot, the well known blacksmith and wagon maker thus providing a long felt want in Granville. It is the intention of Mrs. McCormick to remodel the house by adding an ell and installing modern conveniences.

LOCAL DEATH ROLL

W. B. JORDAN

The Kentville Advertiser says: The sad news of the death of W. Burton Jordan, of Kentville, came as a shock to his many friends. He had been in a serious condition for several weeks after a stroke of paralysis. Other complications arose which caused him most severe suffering all through his illness, but he bore it with patience and fortitude. His death occurred on Sunday morning at 5 o'clock. The funeral service will be held from the residence on Wednesday at 2 p.m.

Mr. Jordan was a native of this County and in early life resided at Gaspereau and Cornwallis. He was 68 years of age and married about 34 years ago to Laura, daughter, of the late Edward Trenholm, of Grand Pre. Mrs. Jordan survives him, and there are four children, Edward, baggage master at Kentville, and D. A. R.; Gladys now Mrs. K. E. Corbett, of Halifax, and William and Mildred, residing at home. He also leaves one sister, Mrs. C. S. Neary, of Kentville and three brothers, Dr. Alfred McKay Jordan, of Vancouver, Fred of Centreville, and Clarence A. of Digby.

Mr. Jordan was always a man of great energy and had conducted during his 34 years residence in Kentville, a large livery business. He will be greatly missed by a large circle of friends.

MRS. ADELAIDE ROBICHEAU METEGHAN, N. S., June 3—On the evening of June 1st, Mrs. Adelaide Robicheau, widow of the late Benjamin F. Robicheau, passed away in her 81st year, having survived her husband nearly 17 years. The deceased was Miss Comeau, of Meteghan River, prior to her marriage, and was the mother of 14 children, eight of whom survive her.

For the last seven years she had been in failing health, consequent upon advancing age, but recently had been more than ordinary well, and on Monday was able to partake of the household, and afterwards appeared to be enjoying the play of a little grandchild, remarking how small things gave children pleasure, and brought laughter. This was quickly followed by a stroke which rendered her helpless, and unconscious, and about two hours later she breathed her last. She was widely known and highly respected. The body will be interred in the Meteghan Cemetery on Friday morning. Her surviving sons are Joseph and Lege, both residing in Beverly, Mass., and her daughter, Mrs. Edward Sullivan, Mrs. Elise Robicheau, and Miss Alma, all of Meteghan, and Sister Mary Elsie, Mother Superior of Eel Brook.

JAMES A. REGAN

James A. Regan, an aged and much esteemed resident of King's County, passed away at his home, Kentville, Saturday night, at the age of 87 years. Mr. Regan was born at County Sligo, Ireland. His parents came to Canada when he was two years of age, and settled in Kings County. He was twice married, his first wife being a sister of the late J. G. Byrne. Two sons survive from this union, William, of Wolfville, and Arthur, of Boston. His second marriage was with Catherine Morrow, who survives him, also one son, Colonel J. L. Regan, Director of pay services of the Department of Militia and Defence, Ottawa.

The funeral services were held at St. Joseph's Church, Tuesday morning, at 10 o'clock, and were largely attended. Rev. Dr. A. B. Donohue officiated. The pallbearers were all over-seas men—Messrs. T. A. Lydard, B. W. Roscoe, D. S. O.; D. J. Murphy and R. H. Ryan. The floral offerings were many and very beautiful.

MRS. J. A. HART

Thursday's Annapolis Spectator says: The death occurred at Granville Ferry on Saturday last after a lingering illness of Mrs. Hart, widow of the late Rev. J. A. Hart, a her 83rd year. The funeral services took place on Monday morning, conducted by Rev. H. P. Patterson, of Granville Ferry and Rev. C. A. Munro, of this town, the body being taken by the noon train to Yarmouth for interment there beside that of her late husband. Mrs. Lamb, the only daughter of the deceased, present, and who had tenderly nursed both her parents for several years, accompanied the mortal remains to Yarmouth. Rev. Hart passed away on October 10, 1918. Mrs. Hart was a native of Yarmouth, and leaves two daughters, Mrs. Lamb and Mrs. Loufrow, the latter having returned to California only a few days ago after a visit to her mother, and one son Harry, besides several grandchildren.

REV. E. ROY

The death took place suddenly on Saturday morning, May 23rd, at the Home for Aged Men, Halifax, Rev. Edward Roy at the advanced age of 83 years and 4 months. He was born at Sabrevois, P. Q. He was educated at Lennoxville, Q. where he later did his work. He came to Nova Scotia in 1884 and took charge of the Episcopal Church at Blandford, Lunenburg, later at E. Passage, where he remained 12 years. He next took up duties at Herring Cove. He was superannuated about five years ago, and took up his residence in Halifax.

He is survived by two sons—Franklyn, in Lambeth, Ont., and Beverly, who resides at Kentville; and four daughters—Mrs. Taylor, Kingsport; Mrs. Hiltz, Middleton; Mrs. Linnet White, Moncton, and Miss Dora Roy, also at Moncton.

Mr. E. P. Jackson, of Halifax, who has been visiting his parents, Mr. and Mrs. James N. Jackson, returned to Halifax Monday. Miss Estella Cummings, of Halifax, is a guest at the same home where she will remain some months for the benefit of her health.

Mrs. Hugh Troop, of Belleisle, and Mrs. Geo. W. Foster, of Upper Grandville, motored to Berwick Tuesday, June 1st, to attend the wedding of their niece Miss Zephina Chute, to Mr. James Fraser. They were accompanied by Mr. E. P. Troop and Mr. Wm. L. Foster.

Miss Morford Gwillim arrived at Middleton Saturday from Lawrence, Mass., and will spend some time at home. Miss Gwillim is to be congratulated on her graduation from the Lawrence General Hospital. She has a sister in the Commercial Bank at Ponoka, Alta.

Messrs. Herbert Hicks, Bradford Hall, M. C. Foster and son George enjoyed a successful fishing trip at Big Lake, back of Bear River, last week where they caught some beautiful fish, judging from those presented the editor by Mr. Hicks who assure him they were greatly appreciated.

Middleton Outlook: G. F. Chipman, editor of the Grain Growers Guide, Winnipeg, and a prominent leader of the Farmers' party spent Sunday the guest of Mr. and Mrs. F. R. Elliott. He is leaving the Maritime Provinces in about a week's time to be accompanied by his sister, Mrs. Elliott.

Mr. and Mrs. F. J. Maher and Mr. J. W. Macdonald, both prominent auto dealers in Halifax, and Mr. and Mrs. James W. Power, of the same city, were over Sunday guests of Mr. and Mrs. MacDonald, Granville Street.

Mr. Power, a member of the Annapolis Recorder Staff, Nova Scotia's oldest newspaper.

Dr. and Mrs. G. D. Teat and two children of St. John, were in town last week the guests of Mr. and Mrs. F. W. Stevens. They motored to Bear River and points of interest in the Valley. The doctor is much impressed with Nova Scotia scenery which he says exceeds anything he has ever seen in France or elsewhere.

Wolfville Acadia: Dr. W. L. Archibald left on Monday on a trip to the Canadian West and California. He expects to be gone about two months. Mrs. Archibald and family have gone to Milton, Quebec county, for the summer. Their house will be occupied by Mr. and Mrs. H. E. Bleakney during their absence.

Hants Journal: Rev. I. W. Porter, Baptist, came to the home about three weeks ago. His daughter, Miss Evelyn, accompanied him and remained here until Saturday, when she left for Brookline, Mass., to train for a nurse. Another daughter, Grace, is remaining in town for the summer holidays to be near her father.

Dr. Kenneth MacKenzie and wife, Mrs. Bessie Morrison and son Lewis and Miss Grace Smith, of Halifax, spent Sunday in Bridgetown, the guests of Capt. and Mrs. E. H. Lewis. Monday they motored to Weymouth, where Dr. MacKenzie read a paper before the Valley Medical Society.

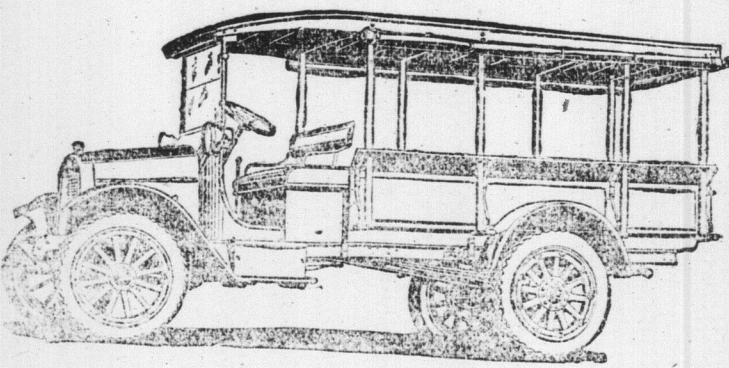

Mrs. Morrison will visit her former home in Freeport before returning to the city.

Mrs. Charlotte Whiston, Mrs. Ida Harris and son George, of Halifax,

left in the Valley are on our lists. Come to Wolfville and we will show you places anywhere from Windsor to Annapolis, and then some 400 to choose from. Better phone or write for appointment if possible.

The Valley Real Estate Agency, Wolfville, N. S.

will occupy Mr. T. B. Chipman's residence, South Street, during the summer months. Mr. and Mrs. Chipman and daughter Olive will sail in a few days on board the S. S. Digby from Halifax, via St. John's, Nfld for London, England. Mrs. Chipman and Olive leave for the city via this afternoon's express.

Halifax Chronicle: Capt. R. R. Layte, M. C., formerly of the 85th Battalion, who has been with the D. S. C. R., as instructor in architecture left on Saturday via St. John for Baltimore to assume a responsible position in the architectural of the draft department of the Dupont Company. Mrs. Layte leaves this morning to join her husband at St. John, and both will proceed immediately to Baltimore. (Capt. Layte spent Sunday at his home in Paradise.—Ed.)

\$1465 **GRAY-DORT**
F.O.B. CHATHAM
WARTAX EXTRA

Adding Many Improvements to Original Value

TO-DAY'S Gray-Dort is modern, refined, a year ahead of other light cars. From the front axle to the gasoline tank in the rear, our engineers have made changes at every point where change meant improvement.

And from the European-type hood, with its many long, narrow louvers, to the Raynite top, hand-tailored in our own shop, to-day's Gray-Dort has the simple, dignified elegance, and quality look, that makes

every owner speak proudly of "his car."

You must see, drive, ride in, the new Gray-Dort. Our dealers tell us that they are going to be short of cars. (Better see your dealer now.)

The Gray-Dort 5-passenger touring car is \$1465 f.o.b. Chatham, war tax extra.

The 2-passenger roadster is the same.

The Gray-Dort Special, with extra equipment and beautifully finished, is \$150 extra on the standard.

The Gray-Dort Ace, the most beautiful light car of to-day, is \$255 extra on the standard.

GRAY-DORT MOTORS, LIMITED
Chatham, Ontario.

CANADA'S AUTOMOBILE INDUSTRY

Throughout Canada there is one automobile for every twenty-five people, the Dominion in this respect taking only second place to the United States, where there is one to every fifteen persons. Since the introduction of the car into Canada, the industry has made phenomenal strides. Just how remarkable the growth has been may be realized from the fact that whereas in 1903 there were but 220 car owners, in 1919 the number of registrations totalled 224,886. By provinces the registration of cars is as follows: Ontario, 139,288; Saskatchewan, 54,792; Alberta, 34,000; Quebec, 29,133; Manitoba, 29,163; British Columbia, 19,500; Nova Scotia, 9,900; New Brunswick, 8,061; Prince Edward Island, 999.

At the present time the sum of \$50,000,000 is invested in the Canadian motor industry, and its various lines account for the employment of more than 15,000 people. The estimated aggregate sale of cars in Canada last year was over \$100,000,000 and expert investigation has elicited the probability of a 35 per cent increase over these figures for the year 1920. Ontario Canada's Motor Province. Ontario is the motor province of Canada in manufactures as well as in ownership. Windsor, with its surrounding communities of Walkerville and Ford City, Oshawa and Toronto are the most important manufacturing towns. The Ford Motor Company at Walkerville employs 3,470 employees at the home office. The plant covering 9 acres. The recently completed plants of the Canadian Products, Ltd., division of the General Motors of Canada, constructed at Walkerville, cost \$6,000,000. Other large plants in the Windsor district are Maxwell's and the Studebaker Corporation, in addition to which there is a large number of plants turning out accessories and automobile parts. At Oshawa, the General Motors Corporation of Canada has three large plants, where Buick, Chevrolet and Oldsmobile cars are manufactured. Last year between \$2,000,000 and \$3,000,000 was spent in this town on extensions and improvements in connection with the industry. In Toronto the Willys-Overland is the principal plant, whilst London, Chatham, Kitchener, Hamilton and Brockville are also interested in the manufacture. Montreal, in Quebec, is also largely interested in motor industry.

Imports and Exports. Canada is largely interested in both the import and export of automobiles. In 1919 the imports of cars, parts and accessories amounted to \$12,201,119, while exports for the same period were valued at \$10,889,234. The imports were practically all from the United States. The growth of the export trade can be seen from a comparison with the figures of 1917 and 1918 which were \$3,210,120 and \$4,418,976 respectively. Australia was the Dominion's best buyer last year the Commonwealth buying \$2,440,000 worth of cars. New Zealand came next with \$1,195,000, then the United Kingdom, \$721,000 and India \$684,000. Turkey took \$621,023, exports to the United States totalled \$329,068, mainly parts, and to the Argentine Republic \$552,460. The British preferential tariff which went into effect on September 1st, 1919, is expected to impart a considerable stimulus to the Canadian automobile industry. It grants preference of one-third provided that not less than 25 per cent of the labor on the finished car shall have been done within the British Empire.

Among those who won certificates at the closing exercises, of the Acadia Collegiate and Business Academy at Wolfville on Monday were Francis Baxter, of Annapolis Royal and Murray Baker, of Margareville.

NOURISHING FOOD AND GOOD HOURS

Help You to Resist Disease. Aid These With a Tonic to Keep the Blood Pure

The power of your body to resist disease and to fight it after disease gets a foothold, is one of the most precious possessions you have. You weaken this power when you let your general health run down, your blood gets thin and your nerves unsteady.

You weaken it when you worry, when you over work, when you do not get sufficient sleep, and when you are under-nourished, either because you do not eat the right kind of food or because your digestion is out of order.

You preserve your power to resist disease when you keep good hours and eat proper food at regular intervals. You further increase and strengthen resistance to disease when you build up your blood and nerves by the occasional use of tonic like Dr. Williams' Pink Pills, which are free from opiates and harmful drugs of any kind. The value of these pills as a health builder is fully shown by the experience of Mrs. E. C. Taylor, Hanover, Ont., who says: "At various times since I was a girl of fifteen I have proved the value of Dr. Williams' Pink Pills. At that age I was in a much run down condition, suffering from many of the well known symptoms of anaemia. My mother procured a supply of Dr. Williams' Pink Pills, and after taking about a half dozen boxes I was restored to normal health. Again after my marriage, and before my boy was born, I felt miserable and again took Dr. Williams' Pink Pills, which once more met all my expectations, and fully restored my health. My latest experience with these pills was following an attack of pleurisy, which left me completely broken in health. Part of the time I was under the care of two doctors, and for three months I was practically between life and death. Again at my mother's suggestion I started the use of Dr. Williams' Pink Pills. I had not been taking them long before I could tell that they were helping me. Day by day I could feel my strength returning, and was soon enjoying good health once more. In view of my experience I think I can safely say there is nothing in the way of medicine better than Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

RECOGNIZED IMMEDIATELY

"This" smiled he fond young wife, as she passed a plate of pudding to her husband "is cottage pudding. I made it myself." The husband tasted it. "I'd have known it was cottage pudding," he returned. "Would you?" she asked, delighted. "Yes; I can taste the plaster and the wallpaper."

Strewing the Way With Flowers

General Offices and Station, Woodstock, N.B.

Flowers are amongst the assets of the Canadian Pacific Railway. Flowers bloom in C.P.R. gardens at most of the principal stations from one end of the country to the other. There are flower knots outside the Algonquin Hotel at St. Andrews, on the Atlantic coast, and one of the most beautiful flower gardens in America blooms around the Empress Hotel in Victoria.

In the old days most of the pioneers were too busy opening up the untrodden ways to give much attention to the cultivation of flowers. Yet flower cultivation along the C.P.R. seems to have progressed with the commercial prosperity of the railway system itself, for it is now thirty-one years since one of the C.P.R. employees produced a few varieties of flower seeds in his own plot and distributed them amongst his friends at some of the stations with the object of starting flower gardening along the line. The start was auspiciously made, and now the C.P.R. has a floral department with headquarters at Windsor Street Station, Montreal. Mr. E. M. Winnegar is the horticulturist and forester.

Every year thousands of packets of flower seeds, bulbs, trees, shrubs, grass seed, and large quantities of fertilizers are distributed free of charge to station agents, section foremen, caretakers of round houses and employees living on the property of the company. The seeds that will

flower along the railway in the summer and autumn are sent out in March. Full particulars for cultivation are printed on each seed packet. Bulbs for spring flowering are sent out in the fall.

Seeds and plants of the best kind are always provided. Standard flower seed packets contain nasturtiums, alyssum, mignonette, sweet peas, phlox and kochia. Ferns and house plants are sent to large stations. An endless variety of perennials are distributed, and amongst the varieties of trees supplied are maple, birch, beech, poplar and catalpa. Shrubs include laurel leaf willow, sumac, berberis and weigela.

In all cases the cultivation of flower beds is done by the employees of the company, many of whom have become expert gardeners. On each

North Bend, B.C.

division of the C.P.R. prizes are given every year for the best display of flowers, and some of the products of gardens kept by the railway amateurs have won prizes at Canadian and United States floral exhibitions.

During the last thirty-one years the encouraging influence of the C.P.R. flower growers has materially assisted in the inauguration of floral societies all over the country. Many of the railway officials are members of these societies. Flowers have improved the appearance of the railway stations, and inspired by the beauty of the stations, residents of the towns have planted flowers that beautify their homes. A little flower flame along the C.P.R. has often thrown the spark that ignited a fire of flowers.

Hotel Pasadena, Rockaway Beach, N.Y., after the great storm of wind and sea. The damage along the Beach is estimated at \$2,000,000.

A Promise that has made good

When KING COLE TEA was in its infancy we associated with it the slogan—"You'll like the flavor." It was a modest statement, yet when you come to think of it, it covers all that you are looking for in the tea of your choice. How well KING COLE has lived up to its promise is proved by the many thousands of users today.

Perfectly packed in bright lead foil and price marked on every package.

"YOU'LL LIKE THE FLAVOR"

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

HAWKER'S NERVE & STOMACH TONIC

has no equal as a nerve food, blood maker and invigorator. It is an excellent remedy for depression and despondency. Read what Mr. E. L. Rising, of the well known St. John firm of Waterbury and Rising, has to say: "I have used Hawker's Nerve and Stomach Tonic in my family for years, and consider it has no equal as a blood builder and appetizer. It was especially beneficial to my children after an attack of fever. Yours truly, E. L. RISING."

Sold by all druggists and general stores at 50c. The same price everywhere. None genuine without Company's name. HAWKER'S TONIC AND CHERRY BALSAW IS A SAFE AND SPEEDY CURE FOR ALL COUGHS AND COLDS. HAWKER'S LITTLE LIVER PILLS CURE ALL STOMACH ILLS. THE CANADIAN DRUG CO., Limited, ST. JOHN, N. B.

WOULD PREFER 1921

The Middleton Outlook favors having the Old Home Summer next year. And why not? There is ample room for all communities to make preparations so as to provide the best kind of entertainment. With the date set for 1924, there is danger of the interest waning and the whole thing going up in smoke. Make it 1921. Then, hustle for a rattling good time—Shelburne Gazette.

BRIDGETOWN'S ENTERPRISE

The Annapolis Spectator says: A bevy of young ladies from Bridgetown made a run here last Saturday by the noon train and tagged everybody at the railway station to the tune of several dollars in aid of the Salvation Army, returning by the up train twenty minutes later. Such is Bridgetown philanthropy and young feminine enterprise.

BREAKING CLOTHES PRICES

In a six column adv. which appeared in the Halifax Mail Thursday, Dresser's Men's Wear store announced that they were determined to break the high prices of men's clothes and would bring about the drop by placing on sale, starting at once 1000 men's high grade suits at prices that every man can afford to pay.

One of the really big ideas of the Day is the use of an individual printing press in every office. The Rotary mimeograph fills this need admirably and at least expense with least experience required. To Operate It Successfully:

CENTRAL CLARENCE

Mr. R. E. Williams has bought an auto. Rumor says that Fred Banks has purchased an automobile.

Mr. John O'Hara, who spent a few days recently at Mr. Millidge Banks' home, Mr. Harry Fenimore and family have taken possession of their new home.

Mrs. Wm. O'Neal and daughter Helen spent Sunday last at the home of Mr. and Mrs. Everett Sprout. Miss Kate Doering after spending the winter in U. S. has returned to occupy her summer residence here.

Messrs. V. B. Leonard and V. B. Messinger attended the Farmers' meeting held at Lawrence town on Wednesday afternoon.

Mr. and Mrs. Dr. Smith, recently visited at the home of Mr. and Mrs. L. E. Smith. Bradford Hall was a guest at the same home.

We are sorry to report Grant Messinger as disabled for a time on account of a badly sprained ankle. We wish for him a speedy recovery.

Rev. I. A. Corbett preached his farewell sermon here on Sunday morning. A goodly number of the Clarence people went to Paradise in the afternoon to attend the service there which furnished the presentation of a purse of money to the pastor and his wife as appreciation of their service while on the field. All report a very nice meeting.

The following was read at our service on Sunday morning which speaks for itself: To the Clarence Baptist Church DEAR FRIENDS—The family requested that I should express to you our deep appreciation of the beautiful floral tribute to the memory of our father. Since the time of his ministry in Clarence you have always been in his thought and held a high place in his esteem. It is gratifying to us to think that among you his memory has outlasted the years and at this time called forth such a beautiful expression. It brings us comfort and we thank you.

Very sincerely yours,
F. S. KINLEY
Windsor, N. S., May 21, 1920.

MIDDLETON

(Outlook)
Miss Ruth Tingey, of Windsor spent the week with Mrs. G. N. Reuch. Miss Josephine Graham spent the week end at her home in Annapolis. Mrs. Lenfest Ruggles, of Annapolis Royal has been spending a few days in town.

Miss Hazel Gibbs, of Bridgetown MONITOR Staff was in Middleton on Saturday.

Miss Mariel Cathom, of Amherst is the guest for a time of her grandmother, Mrs. J. H. Charlton.

Street Supt. Young started with a big road machine on the town streets. The machine is in charge of Mr. Ann's and is drawn by Frank Cox's Cleveland tractor which "rambled right along" with the heavy machine taking the place of four or five pairs of horses.

PARADISE

Mr. Gladstone Starratt has returned from St. John.

Miss Elizabeth Cole, of Shelburne Co., was a recent guest of Mrs. Helen Pearson.

Mrs. E. Curry, of Wolfville, is visiting her friend, Mrs. H. Layte, en route to Boston.

Mr. Percy Annis, of Wolfville, was a week end guest at the home of Mr. and Mrs. J. E. Elliott.

Miss Myrtle Ritchie, of North Kingston, spent Thursday as the guest of Miss Gladys Mailman.

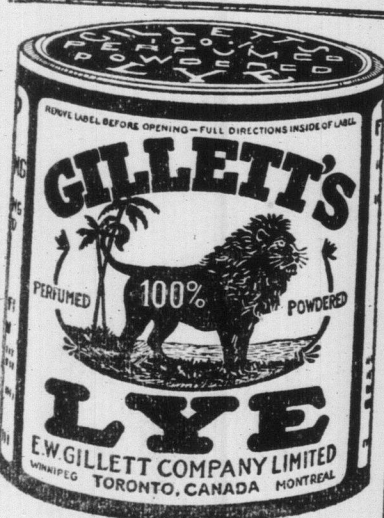

Misses Charlotte and Florence McGregor, of Piedmont, California, are visiting at the home of Mr. and Mrs. C. S. Covert.

Miss Mariel Elliott, who has been attending the Provincial Normal College at Truro, is home for the summer vacation.

Mr. and Mrs. P. H. Balcom and infant daughter, of Salem, Mass., are spending their vacation at the home of Rev. and Mrs. J. H. Balcom.

SOME MEAT

A quarter of a million carcasses of dressed lamb, weighing 7,000,000 pounds, constituting the largest amount of meat ever shipped from Australia in a single vessel, were landed at Boston recently by the British steamer Armagh. Some idea of the immensity of the shipment may be had from the fact that the lambs, if placed in columns five abreast, would make a flock extending a distance of 40 miles. The Armagh also had 17,163 bales of wool, 2,236 dry hides and 58 casks of pelts. The cargo was worth close to \$8,000,000.

A GOOD ADVERTISER

Even a young pullet, with mighty little head and no brains believes in advertising. Ever notice her just after she has laid an egg? What a noise she makes.

Hazenbach-Wallace Circus is to tour Nova Scotia in July and will show in Halifax July 5th and 6th. It will go to Yarmouth in its trains of 25 cars and will go from there to St. John, thence to P. E. Island. It will show in nine cities and towns in Nova Scotia.

Digby County Monitor

Miss Daisy Hankinson, of Yarmouth a visiting friend in Digby.

Mr. C. A. Abbott has gone to Toronto on a business trip.

Mr. J. Marshall has joined the Bank of Nova Scotia staff in Digby.

Mr. Edmund Smith, of Barton, was a passenger to St. John Monday.

Mr. and Mrs. O. S. Dunham, of Digby, were in town Thursday.

Mr. B. F. Coombs, of New York, is the guest of his sister, Mrs. Geo. W. Wightman.

Mrs. Edward Rolston, of Yarmouth has taken the position of matron at The Pines Hotel.

Miss L. Adams, of Bay View, is employed in Mrs. S. A. Letteney's Dry Good store.

Mr. Geo. Winfield has returned to Digby from Halifax and will spend the summer here.

Mrs. T. D. Burnham arrived from New York on Wednesday to spend the summer at her cottage, Queen Street.

Mr. T. R. Cummings and friend Mr. J. H. Smith, of the Royal Bank of Canada, St. John, were in Digby on Thursday.

Miss Minnie D. Sprout, passed through Digby on Tuesday on her way from the West to her home in Windsor.

Boyd Ellis, of Shore Road, son of Mr. and Mrs. James Ellis, has returned from Halifax, where he spent the winter.

Miss Mary Churchill, of the Digby Post Office staff, was a passenger to Yarmouth Wednesday, returning Thursday.

Caledonia Gold Hunter: V. W. Silver and Hanson Steeven, of Weymouth visited the former's parents at North Brookfield on Saturday last.

Miss Jessie Cossaboom, was a passenger from St. John on Thursday and will spend two weeks' holidays with her mother, Mrs. A. Cossaboom.

Mr. W. E. Tupper left on Wednesday on an extended trip to the Magdalen, the Labrador and Newfoundland. He expects to return about the end of July.

Kentville Advertiser: Mrs. G. H. Chisholm was a passenger to Truro on Monday, to attend the Convention of the W. M. S. She being a delegate from the Kentville Society.

Leigh Peck, who has been in Halifax for some months undergoing treatment in the Military Hospital arrived home last Saturday, much improved in health.

Mrs. James Holley, who was the guest of Mr. and Mrs. George Brush, Yarmouth, South, left that town on Saturday to return to her home in Halifax, visiting her mother, Mrs. H. A. P. Smith, at Digby en route.

Mr. Arthur Regan passed through Digby last week from Boston for Kentville owing to the death of his father. Mr. Regan has many friends here, having resided in Digby about 25 years ago.

Mr. Gerald L. Jones, of Weymouth, who has just taken a degree in electrical engineering from the Technical College at Halifax, left on Wednesday for Peterboro, Ont., to enter the employ of the General Electric Company.

Mr. Wm. Agate, of the Waverley, received a message from his son Wm. Agate now in Cardiff, this week to the effect that he had secured his papers as chief engineer. His many Digby friends will congratulate him on his success.

Kentville Advertiser: Mr. M. A. Crocker, who has constructed a fine bungalow at Highland View, Kentville brought his wife and family to Digby this week to reside at the new abode. They will be a decided acquisition to the town of Kentville.

Mr. R. A. Sutherland, manager of the Bank of Nova Scotia in Chatham has been transferred to Havana, Cuba and left Chatham for his new field of labor on Saturday. He arrived in Digby on Tuesday to spend a few days with his sons, at W. E. Van Blarcom's.

A very quiet wedding took place Tuesday morning at the home of Mrs. Almira Cossaboom, when her youngest daughter Amy A. was united in marriage to Mr. James Cann, of Cornwall, Mass. The ceremony being performed by Rev. W. I. Croft pastor of Grace Methodist Church. The bride was prettily dressed in a travelling suit of blue tulle, with a black hat and carried a bouquet of roses.

The bride, who is one of Digby's popular young ladies, has many friends here and vicinity who extended best wishes. Mr. and Mrs. Cann will reside in Concord, Mass.

At the Yarmouth Y. M. C. A. Boys' Camp, held at Tusket Falls in August I found MINARD'S LINIMENT most beneficial for sunburn, an immediate relief for colic and toothache.

ALFRED STOKES,
General Sec'y.

HOW SOME BUSINESS MEN RESEMBLE A GOOSE

When a goose lays an egg, she just waddles off as if she were ashamed of it—because she is a goose. When a hen lays an egg—ah, she calls heaven and earth to witness it! The hen is a natural born advertiser. Hence the demand for hens' eggs exceeds the demand for goose eggs and the hen has all the business she can attend to.

A REAL LIVE TESTIMONIAL

Given to Professor Hamilton, of Hampton, N. S.

East Middle LaHave, May 24, 1914
Prof. B. S. Hamilton:

DEAR SIR: Our boy, at the age of eight months, was stricken with a complaint, going around amongst the children of Lunenburg Co., that the doctors called spinal meningitis, which left him in a crippled condition for nine years. Hearing from a friend of your marvellous cures of the different diseases throughout Nova Scotia Cape Breton and Prince Edward Island, we concluded to join with others and give you a call to this place, which we will never regret, but feel very thankful to you that our boy has complete use of his limbs once again. Feeling grateful to you, and pleased to recommend your treatment to other parents who have children afflicted as our boy was.

Yours ever thankful,
MR. AND MRS. FREEMAN HIRTLE

NO LUXURY TAX ON BATHING SUITS

A Washington despatch says: Bare legs and scanty one-piece bathing suits will be permitted this summer at Chesapeake Beach, the capital's seashore resort. Officials today agreed to disregard as precedents the proprietary orders at Coney Island and Atlantic City against daring bathing costumes. "It's silly to put the ban on bare legs," they said. And if any of the girls want to cut the high cost of dressing, the police won't say a word.

ACACIAVILLE CLOSÉS

Acacia Villa School at Hortonville has just closed a highly successful year but owing to the great difficulty in obtaining help Mr. Patterson has decided not to reopen the school. The school was established 60 years ago by Dr. S. R. Hea and for many years was conducted by the late A. McN. Patterson, father of the present principal.

The Quality of the Typewriter and its typewriting have kept this machine in the front rank every year for about half a century.

Clip The Coupon And Save \$4.36

United States newspapers are paying \$240. a ton for some classes of newsprint. Canadian prices have advanced and will advance again in less than three months. Other costs in the production of a newspaper are advancing steadily, silently, every day.

But this won't effect you if you clip the coupon in the corner—in fact you save \$4.36 by so doing.

From the front to the financial page The Morning Chronicle is the most readable and most reliable paper in the Province. And naturally it has the largest host of readers in the morning field. You can join this army—enjoy the privileges they have—and reduce your cost of reading by clipping the coupon right now. You will? That shows good judgment!
