The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, on prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

No communication, whether written or printed, must be enclosed in them ; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags, the bags must be simply tied at the neck, so as to admit of inspection; and, in the case of such packages mailed in Canada, the nature of the contents, such as "*Seeds*," "*Roots*," &c., as the case may be, must be marked on the package by the sender, as a statement of the claim to pass at the reduced rate hereby made applicable to such matter.

B The patterns, &c., must be sent in covers, open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck ; but bags closed against inspection, although transparent, must not be used for the purpose.

An Act to impose Duties on Promissory Notes and Bills of Exchange.

PREAMBLE.

WHEREAS it is necessary to increase the Provincial Revenue, and for that purpose to impose and provide for the collection of the Duty hereinafter mentioned: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:—

Duties Imposed—Instruments under \$100 exempt—Instruments made, drawn, or accepted after 1st August, 1864, only affected—Rates on Bills, &c., executed singly, in duplicate, triplicate, and otherwise.

I. Upon and in respect of every promissory note, draft, or bill

of exchange, for an amount not less than one hundred dollars, made, drawn, or accepted in this Province, on or after the first day of August, in the present year one thousand eight hundred and sixty-four, there shall be levied, collected, and paid to Her Majesty, for the public uses of the Province, the duties herein-after mentioned, that is to say:—

On each such promissory note, and on each such draft or bill of exchange, executed singly, a duty of three cents, for the first hundred dollars of the amount thereof, and a further duty of three cents for each additional hundred dollars or fraction of a hundred dollars of the amount thereof;

On each such draft or bill of exchange executed in duplicate, a duty of two cents on each part for the first hundred dollars of the amount thereof, and a further duty of two cents for each additional hundred dollars or fraction of a hundred dollars of the amount thereof;

On each such draft or bill of exchange executed in more than two parts, a duty of one cent on each part for the first hundred dollars of the amount thereof, and a further duty of one cent for each additional hundred dollars or fraction of a hundred dollars of the amount thereof;

And any interest made payable at the maturity of any bill, draft, or note, with the principal sum, shall be counted as part of the amount thereof.

Duty to be paid by affixing Adhesive Stamp—Stamp to be defaced by maker, drawer, acceptor, or first endorser, and how.

II. The duty on any such promissory note, draft, bill of exchange, or part thereof, shall be paid by affixing thereto an adhesive stamp or adhesive stamps of the kind hereinafter mentioned, to the value of such duty, upon which the signature or part of the signature of the maker or drawer, or in the case of a draft or bill made or drawn out of this Province of the acceptor or first indorser in this Province, or his initials, or some integral or material part of the instrument shall be written, so as (as far as may be practicable) to identify each stamp with the instrument to which it is attached, and to show that it has not before been used, and to prevent its being thereafter used for any other instrument.

Meaning of Bill of Exchange or Draft—Letters of Credit, and certain kinds of Receipts chargeable.

III. Every bill, draft, order, or instrument,—

For the payment of any sum of money by a bill or promissory note, whether such payment be required to be made to the bearer or to order;

Every document usually termed a letter of credit, or whereby any person is entitled to have credit with, or to receive from or draw upon any person for any sum of money;

And every receipt for money, given by any bank or person, which shall entitle the person paying such money or the bearer of such receipt to receive the like sum from any third person;

THE MERCANTILE AGENCY,

Established in New York nearly 24 Years ago,

On JUNE 1st, 1841,

(FOR THE PROMOTION & PROTECTION OF TRADE,)

Union Buildings,

28 ST. FRANCOIS XAVIER STREET,

MONTREAL, C. E.

Our object and that of our EIGHTEEN Branch and Associate Offices, in the large Cities of the United States of America, Canada, and in London, England, is to give information to Subscribers, of the standing of those who purchase Goods on time or otherwise require CREDIT.

We are supported by fully Three-Fourths of the Merchants, Bankers, and Manufacturers, of every community where our advantages are known.

"This Institution, established in the City of New York over sixteen years ago for the promotion and protection of trade, was the first organized effort ever made to relieve the Merchants and Manufacturers of the Union from the insecurity of credit operations, and to substitute for the tardy, expensive, and unsatisfactory results of individual investigation, a *system* that should be alike prompt, economical, and reliable—whose purpose it should be to supply (to subscribers only) all necessary information as to the standing and responsibility of Merchants, Traders, Manufacturers, Public Companies, &c., throughout the United States, their Territories, and British North America."—*Our Circular of 1857.*

Collections of past due Debts particularly attended to for all, whether Subscribers to the Agency or otherwise.

Terms of Subscription will be made known at the Office, where we shall be much pleased to afford information as to the system pursued, and to give (free of expense) to those who contemplate joining the Institution a reasonable *test* of the correctness of our reports.
