The copy filmed here has been reproduced thanks to the generosity of:

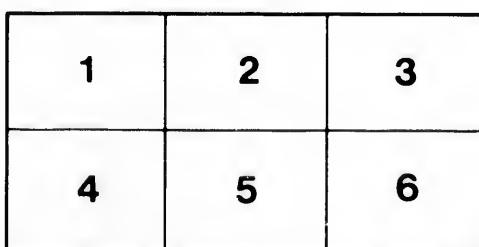

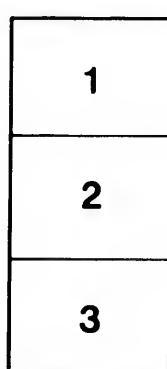

Library Division
Provincial Archives of British Columbia

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library Division
Provincial Archives of British Columbia

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

To the Electors of Victoria District.

GENTLEMEN,

In coming before you as a candidate for the honor of being one of your representatives in the House of Commons in the next Parliament of Canada, I desire as briefly as possible to state my views on the main political issues of the day. To my mind the Railway Question in importance to the whole Province overshadows all others, and next to the railway in importance, to Victoria District, is the construction at Esquimalt of a first class Graving Dock. If elected, I shall most strenuously assist in demanding from the Dominion Government the just rights of this Province in connection with these two vital questions. I shall expect no impossibilities, but I shall demand from the Canadian Government an earnest commencement and faithful prosecution in this Province of the Canadian Pacific Railway. Nothing short of this will fulfil the most solemn treaty obligations of Canada to British Columbia. So far we have had plenty of promises from Canada, which, alas, to her shame and disgrace, have been broken, and sooner than submit to be humbugged in the future as we have been in the past, I would sever the cord that binds us to Confederation. I sincerely hope, however, the day will never come when this or any other Province in the Dominion will be forced for self protection to adopt so high-handed a remedy.

In reference to the two political parties in Canada, I believe the Policy of the Liberal Conservative Party best calculated to advance the true interests of our country and to make it in deed as well as in word a great and prosperous Dominion. I further believe that in Sir John Macdonald, the Hon. L. H. Langevin, and the Hon. S. L. Tilley we have true friends—men who have the heart and ability to carry out the liberal and advanced plans of the deeply lamented statesman Sir Geo. Cartier, whose rallying cry was "All aboard for the West!"

If elected, it shall be my pleasure to give that Party a hearty support, providing they extend to this Province what is fair, right and just. I consider our first duty is to ourselves as British Columbians, and that if we are united and true to our own interests and act as one man in demanding simple justice, we shall prevail. I shall aim to harmonize our own contending sectional elements so as to make our power as a Province felt, always remembering that "United we stand divided we fall."

If the foregoing views meet with your approval and you think I have sufficient independence of character to carry them out, I respectfully ask your support.

I am, your obedient servant,

J. H. TODD.

Victoria, V. I., June 4, 1878.
