DR. RADWAY'S REMEDIES.

Ready Relief, Sarsaparillian Resolvent, Regulating Pills. A brief summary of their Uses and Virtues.

Important Truths for the Consideration of Thinking Men and Women.

In these years of intelligence and improvement at which we have arrived, when science and discovery have developed gifts of nature formerly unknown; when the lancet and scalpel have in a measure been buried in the past; it is not surprising that medication should have assumed a gentler and more natu-

ral form than of old.

The essential elements of the Pharmacopœia have been reduced by Doctor Radway to meet the principal requirements necessary for the preservation of health and the cure of disease, which he has accomplished by his

Ready Relief,

SARSAPARILLIAN RESOLVENT AND REGULATING PILLS.

The scepticism which at first greeted the dawn of Dr. Radway's discoveries, soon gave way to the Truth of the undeniable results attained from the use of his Three Remedies; and the remarkable cures which they effected, with continually growing confirmation of the fact, established them the best medicines that could be offered to the public.

No deleterious nor inert matter enters into their composition. They are at all times safe to take, and can be relied upon if taken according to directions. For many years these Three Specifics have successfully banished disease, transforming into health, hope and happiness the former abodes of sickness, suffering and despondency.

Originated in New York, their popularity soon spread far and wide till they have become household words all over the world. The prudent mariner carries them in his long and hazardous voyages; the settler in new lands finds them his best friends, while among the family stores of the rich and the poor of all nations they form a conspicuous component.

The first and perhaps the most general in use of these remedies is *Radway's Ready Relief*, a compound possessing great power over acute or active diseases, and from its nature possessing properties of instant relief to pain, immediate action, and quick and certain cure. The second in the series is *Radway's Renovating or Sarsaparillian Resolvent*, a remedy possessing the most searching power over long standing or chronic complaints. The last of the three is *Radway's Regulating Pills*, whose action is confined to the bowels and other internal viscera, especially the liver and kidneys. Plethora, and the thousand ills consequent to overfulness of different organs, and so injurious to their proper action, here find a remedy.

WHY ARE WE SICK ?

Health of Body is Peace of Mind and within reach of many now Suffering.

DISEASE, like the storm, gives unmistakable signs of its approach. At first the threatened patient experiences a slight discomfort, this is followed with pain, to a greater or less extent, and other symptoms follow in rapid succession. It is in this condition of the system that Radway's Remedies will be found all-potent. The administration, either internally or externally, as the seat of pain indicates, will arrest the progress of the threatened diseases, and quickly relieve the patient from all pain or discomfort.

If people, on the first indication of uneasiness or pain, either slight or severe, would take a dose of Radway's Ready Relief or Pills, as the symptoms may require, not one in a thousand would ever be troubled with serious sickness.

If people would follow this advice, not one in a thousand would suffer with INFLUENZA, DIPHTHERIA, SORE THROAT, SCARLET FEVER, PNEUMONIA, COUGHS, COLDS, SMALL POX, MEASLES, BILIOUS FEVER, CHOLERA MORBUS, DIARRHŒA, HEADACHE, TOOTHACHE, NEURALGIA, BILIOUS COLIC, DYSPEPSIA, HEARTBURN, INDIGESTION, etc., for each of these complaints gives due warning of its approach, and by the use of Radway's Ready Relief, on the

Ready Relief and Pills cure Influenza and Neuralgia.

In acute maladies, excessive repletion is hurtful.

first indication of PAIN, in any part of the body—or nausea, or sickness at Stomach, or Cold Chills, Shivering, Headache, Hot Flashes, Pain in the Back or across the Loins, Sore Throat, Hoarseness, Shortness of Breath, Languor, Restlessness, Bad Dreams, Loss of Appetite, Depression of Spirits, and all other feelings of discomfort, you will successfully check and break up the threatened disease and restore your entire system to ease, comfort and health. The use of Radway's Ready Relief, or Radway's Pills purge the system of the germ from which most maladies spring, when pain is first experienced, will in a few minutes drive the disease that causes it from the system, while if neglected, and the disease is permitted to mature, it will be more difficult to subdue, and probably result in serious indisposition.

IMPORTANT TO FAMILIES.

Every family should keep a few bottles of Radway's Relief on hand; if suddenly seized with pain or sickness, its use will immediately stop the pain and check the sickness. In attacks of Croup, Diphtheria, Hoarseness, Scarlet Fever, the use of this Remedy will cure the patient. No danger need be apprehended if used as directed.

In Cholera Morbus, Diarrhœa, Dysentery, Colic, Biliousness, Inflammation of the Bowels and Stomach, Radway's Ready Relief, if used when first attacked, will cure the patient in from fifteen to thirty minutes. It will, under the worst circumstances, relieve the patient from pain, and speedily effect a cure.

CHILLS AND FEVER.

In cases of Intermittent Fever, Fever and Ague, Radway's Ready Relief, if taken as directed, will protect the system against attacks. People living in the worst Fever and Ague districts of this country—on the bottom lands of the Mississippi, and the rice plantations of South Carolina—who for years had been subject to periodical attacks of Fever and Ague, had by the wise use of Radway's Ready Relief, enjoyed the best of health, never experiencing a chill since the first week after using Radway's Ready Relief.

SMALL POX, SCARLET AND OTHER FEVERS.

When these diseases prevail, let Radway's Ready Relief be taken in doses of a teaspoonful in half a tumbler of water, if exposed to the infection; also, sprinkle the bed clothes of the sick, and the wearing apparel of the attendants with the Relief. This will protect you against the contagion. Let it be tried. In Scarlet Fever the Ready Relief should be given internally in water, as directed, and applied freely to the Throat—Radway's Pills in small doses every night, but if the Relief is used when you first experience Pain, no Scarlet or other Fevers, or any other infectious or malignant disease will trouble you.

HEADACHE.

Persons suffering from Nervous, Sick or Bilious Headache, should take a teaspoonful of Relief in half a tumbler of water as a drink, after which apply to the head the Relief clear; in a few moments you will be free from pain or discomfort. A dose of from three to four of Radway's Pills, in cases of continued Headache, will insure a cure.

WHEN TO USE RADWAY'S RELIEF.

Whenever you feel pain, use it, and where you feel it apply it, no matter what may be the cause or wherever located, it will in a few minutes afford relief. You will feel easy, no matter how severe the pain or how weak, feeble or crippled, Radway's Relief will strengthen you and cure you.

A GOOD SIGN.

In applying Radway's Ready Relief to the surface of the body, it should be applied with the hand rubbing the part or parts affected for ten or fifteen minutes, or until the skin becomes red, and a sensation of heat is experienced.

WHEN TO USE RADWAY'S PILLS.

When troubled with Dyspepsia, Indigestion, Constipation, Inward Piles, Fullness of the blood in the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust of Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering of the Heart, Choking or Suffocating Sensation when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Chest, Limbs, and Sudden Flushes of Heat, Burning in the Flesh. A few doses of Radway's Pills will free the system of all the above named disorders.

WHEN TO USE SARSAPARILLIAN RESOLVENT.

When suffering from Chronic Diseases, Chronic Rheumatism, Scrofulous Complaints, &c., Glandular Swelling, Hacking Dry Cough, Cancerous Affections, Bleeding of the Lungs, Water Bruish, White Swelling, Tumors, Pimples, Blisters, Eruptions of the Face, Ulcers, Hip Disease, Gout, Dropsy, Rickets, Salt Rheum, Bronchitis, Diabetes, Kidney, Bladder, and Liver Complaint. The wonderful cures effected by the Sarsaparillian Resolvent of Kidney, Bladder, Ovarian and Urinary Diseases, its marvellous power in dissolving stone and calculeous concretions, curing Gravel, Gleet, and Discharges from the Genital Glands, its powers over the Kidneys in restoring a healthy secretion of Urine, curing Diabetes, Inflammation or Irritation of the Bladder, Albuminous or Brick Dust Deposits or White Sand, etc., establishes its character as a great Constitutional Remedy.

A SAFE REMEDY.

RADWAY'S READY RELIEF is safe, reliable and effectual because of the stimulating action which it exerts over the nerves and vital powers of the body, adding tone to the one and inciting to renewed and increased vigor the slumbering vitality of the physical structure, and through this healthful stimulation and increased action the cause of the PAIN is driven away, and a natural condition restored. It is thus that the READY RELIEF is so admirably adapted for the CURE OF PAIN and without the risk of injury which is sure to result from the use of many of the so-called pain remedies of the day.

In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, when the patient loses the power of feeling. This is the most destructive practice; it masks the symptoms, shuts up, and, instead of removing trouble, breaks down the stomach, liver and bowels, and, if continued for a length of time, kills the nerves, and produces local or general paralysis.

Radway's Ready Relief cures Cramps, Spasms, etc.

Radway's Ready Relief cures headache and imparts warmth.

Radway's Ready Relief and Pills cure Chills, Coughs and Colds.

In diseases, laborious sleep presages great danger.

RADWAY'S READY RELIEF

Is the best antidote for pain. For outward application use the palm of the hand, or flannel saturated; in severe cases apply frequently and rub well when the pain is in the back or limbs. If in the chest or abdomen, particularly the stomach, flannel or very gentle rubbing is the proper manner in which to apply the Ready Relief.

FOR INTERNAL USE.—The Ready Relief must be taken diluted in the proportion of twenty drops to a teaspoonful of Ready Relief in half a tumbler of water; if necessary repeat at longer or shorter intervals as required. Printed directions accompany each bottle explaining particularly how it is to be used for relief from the slightest pain from whatever cause arising, up to the more serious intricacies of congestions and inflammations.

PREVENTION.

HUDSON RIVER BR'K MFG. CO.,
VERPLANCK POINT, N. Y., Jan. 7th, 1879.

DR. RADWAY: My family are in the habit of trusting entirely to your Ready Relief and Pills as our household medicine, rarely requiring any other medical aid. I myself follow closely your directions in taking the Ready Relief as a preventive for Chills and Fever, say a teaspoonful in some water before my breakfast on an empty stomach when I visit my yard, as I am accustomed to do, at that time. The result is a perfect success, as I never take the fever, although I am located in a most malarious district, in which few of the residents escape malarious attacks, particularly of Chills and Fever.

My men and those who have come from Mr. Frost's yard experience the same beneficial effects by following a like practice as myself.

Very truly yours, JOHN MORTON, Proprietor.

HIS OWN DOCTOR.

DR. RADWAY, New York—Dear Sir: I wish you would send to your humble servant one of your "False and True" books. I had one of them for ten years, and it is worn out. I can't do without it, for I make so much use of your medicines, and recommend them to my friends in misery, that I want one to go by.

I have seen a lady who was given up to die from consumption. Through my persuasion they tried the Ready Relief, the Resolvent and Pills, and she began to get better, and in six weeks she was able to get out of bed herself.

Your medicines do all that they are recommended for—especially a young man that had the measles, and who had a cough for four years last spring, and he is as hearty as any one now; his mother said that I can beat all the doctors with your medicines. I am my own doctor as long as I can get your medicines. No more at present, but I remain your friend

Radway's Ready Relief cures pain in the side and stomach.

Ready Relief taken in water is a mild and wholesome stimulant.

In cases of LUMBAGO and RHEUMATISM, RADWAY'S READY RELIEF NEVER FAILS.

Strong Testimony of Emigrant Commissioner, the Honorable George Starr, as to the Power of Radway's Ready Relief in a Case of Sciatic Rheumatism.

NO. 3 VAN NESS PLACE, NEW YORK, Jan. 2d, 1873.

DR. RADWAY: With me, your Relief has worked wonders. For the last three years I have had frequent and severe attacks of sciatica, sometimes extending from the lumbar regions to my ankles, and at times in both lower limbs.

During the time I have been afflicted I have tried almost all the remedies recommended by wise men and fools, hoping to find relief, but all proved to be failures.

I have tried various kinds of baths, manipulation, outward applications of liniments, too numerous to mention, and prescriptions of the most eminent physicians, all of which failed to give me relief.

Ready Relief cures Croup and Diphtheria.

Last September, at the urgent request of a friend (who had been afflicted as myself), I was induced to try your remedy. I was then suffering fearfully with one of my old turns. To my surprise and delight the first application gave me ease, after bathing and rubbing the parts affected, leaving the limb in a warm glow, created by the Relief. In a short time the pain passed entirely away, although I have slight periodical attacks approaching a change of weather. I know now how to cure myself, and feel quite master of the situation. RADWAY'S READY RELIEF is my friend. I never travel without a bottle in my valise.

Yours truly, GEO. STARR.

MR. W. H. BLYTH—*Sir*: In compliance with your request to furnish you with the results of my knowledge and experience with Dr. Radway's R. R., in reply I can state that I have been using the Ready Remedies since 1852. I know the Ready Relief to be a specific for flux and all Bowel Complaints. It is more reliable for Colic, Pleurisy, Pneumonia, and diseases growing out of Colic, for Cuts, Bruises, Sprains, Rheumatism, and aches, and pains generally, than any remedy I have ever known tried. From my personal knowledge of the Ready Remedies, I think them all superior to any remedies of which I have any knowledge, for all the ills for which they are recommended.

Respectfully,
T. H. SKIDMORE,

not only cures the patient seized with this terrible foe to settlers in newly-settled districts, where the malaria of Ague exists, but if people exposed to it will, every morning on getting out of bed, take twenty or thirty drops of the Ready Relief, in a glass of water, and drink it, and eat say a cracker, they will escape attacks. This must be done before going out.

A person going out in a malarious atmosphere with his stomach empty and his system weakened, and inhaling this malarious poison, the absorbents at once take it up, and circulate it through the system. The Ready Relief, being a *Neutralizer, Disinfectant, and Diffusive Stimulant*, at once settles the stomach and protects it against the ill effects of the malaria. It disinfects the malarious and acid gases from the malaria of Ague; it quickens the circulation of the blood that has been checked and clogged in the vessels from the influence of the malaria; it arouses to healthy action the liver, spleen and gastric organs, imparting strength and vitality to the gastric juice and nervous fluids, prostrated and dormant from the deadly influence of the malaria. Its diffusive stimulating properties impart strength and vigor throughout the entire system (local stimulants augment the action of one set of

organs by suspending others). In a word Radway's Ready Relief braces up the entire system, and drives out every particle of malarious poison that may exist. In these cases it is necessary to regulate the liver, spleen, stomach, skin and kidneys to a healthy action; this is secured by Radway's Pills. Let any person seized with Fever and Ague, as soon as the fever is off or the Chills on, take a spoonful of Ready Relief in water, every hour for six hours, and rub the spine of the back with the Relief clear; follow this up every day. To those that are subject to attacks, either every day or at longer periods, it will do more good than all the quinine and other remedies in the world. Take Radway's Pills in large doses every night, and a cure will soon be made, after which a teaspoonful of Ready Relief in water three or four times per day BEFORE meals, and two or three of Radway's Pills at night, will protect every settler in Ague districts against attacks. Let this be done if you wish to avoid attacks of Fever and Ague or any other malarious Fevers. For the prevention and cure of this disease alone, Radway's Ready Relief and Pills are worth a farm to every settler. No home or family should be without these remedies.

RADWAY'S SARSAPARILLIAN RESOLVENT

FOR PURIFYING THE BLOOD.

A remedy composed of ingredients of extraordinary medical properties essential to purify, heal, repair, and invigorate the broken down and wasted body—**QUICK, PLEASANT, SAFE and PERMANENT** in the treatment and cure.

SOUND FLESH AND HEALTHY FIBRE OR HARD MUSCLE ARE MADE FROM PURE BLOOD.

No matter by what name the complaint may be designated, whether it be Scrofula, Consumption, Syphilis, Ulcers, Sores, Tumors, Boils, Erysipelas, or Salt Rheum, diseases of the Lungs, Kidneys, Bladder, Womb, Skin, Liver, Stomach or Bowels, either chronic or constitutional, the virus of the disease is in the **BLOOD** which supplies the waste, and builds and repairs these organs and wasted tissues of the system. If the blood is unhealthy, the process of repair must be unsound.

THE SARSAPARILLIAN RESOLVENT not only is a compensating remedy, but secures the harmonious action of each of the organs. It establishes throughout the entire system functional harmony, and supplies the blood vessels with a pure and healthy current of new life. The skin after a few days' use of the Sarsaparillian becomes clear and beautiful. Pimples, Blotches, Black Spots and Skin Eruptions are removed; Sores and Ulcers soon cured. Persons suffering from Scrofula, Eruptive Diseases of the Eyes, Mouth, Ears, Legs, Throat and Glands, that have accumulated and spread, either from uncured disease or mercury, or from the use of *Corrosive Sublimata*, may rely upon a cure if the Sarsaparillian is continued a sufficient time to make its impression on the system.

The wonderful cures effected by the Sarsaparillian Resolvent of Kidney, Bladder, Womb, Ovarian and Urinary Diseases; its rapid efficacy in promoting a free and healthy discharge of Urine, doing away with the necessity of using catheters, bougies, etc.; then, again, its marvelous power in dissolving stone and calculous concretions, curing gravel, gleet and discharges from the genital glands; its power over the kidneys, in establishing a healthy secretion of urine, curing Diabetes, Inflammation or Irritation of the Bladder, Albuminous or Brick-dust Deposits, or Deposits of White Sand, etc., establishes its character as

A Great Constitutional Remedy.

SCROFULA,

Whether transmitted from parents or inoculated, is within the curative range of the **SARSAPARILLIAN RESOLVENT**.

Cures have been made where persons have been afflicted with scrofula from their youth up to 20, 30, and 40 years of age, who were cured by the Sarsaparillian Resolvent—since married and had children—and no traces of the taint up to 12, and some as old as 15 years were exhibited in the children. This ought to be good evidence of its power in exterminating the taint of Scrofula from the system.

It possesses the same wonderful power in curing the worst forms of strumous and eruptive discharges, Syphilitic Ulcers, Sores of the Eyes, Ears, Nose, Mouth, Throat, Glands, exterminating the virus of these chronic forms of disease from the **BLOOD, BONES, JOINTS**; and in every part of the human body where there exist disease deposits, Ulceration, Tumors, Hard Lumps or Scrofulous Inflammation, this great and powerful remedy will exterminate rapidly and permanently.

Monotonous noises favor sleep.

Serous membranes are apt to adhere from inflammation.

Mucous membranes never adhere from inflammation.

SLUGGISH LIVER.

DEER CREEK, INDIANA, July 21, 1887.

DR. RADWAY—Dear Sir: I believe in bestowing praise on those that praise is due. I had been suffering with Dyspepsia for a long time caused by non-action of my liver. I took different doctor's medicine but it done me no good; I gradually grew worse till I could not sit up all day any more. I saw that I was going to die if I did not get something that would help me more than our doctors was giving me. I have taken two bottles of Resolvent and fifteen boxes of Pills, I consider myself almost cured; I sent for another dollar's worth of Pills yesterday. I believe my life has been saved through the use of your medicine and your little book "False and True." I have used some of your Relief, think it is a good medicine, etc.

Mrs. CAROLINE MONTEITH, Deer Creek, Ind.

Radway's Pills cure Liver Complaint and Dyspepsia.

Radway's Sarsaparillian Resolvent, through its Action in Purifying the Blood, Imparts Health to the Skin, and gives Clearness to the Complexion.

LAFAYETTE, INDIANA.

I had not much confidence in your SARSAPARILLIAN RESOLVENT. Having been disfigured for the last four months with **BLOTCHES** and **PIMPLES**, I resolved, at all events, to try it, and took **TWO TEASPOONFULS** three times a day, as directed. It is not quite **ONE MONTH** since I commenced its use. Today there is not a **BLOTCH**, **SPOT**, **BLEMISH** or deflection of any kind on my person. S. T.

We are receiving frequent letters from ladies, acknowledging cures of pimples, unsightly spots and redness of their skin cured by our Resolvent and Pills. Of these, it will be seen, we have given but few to the public in our various publications. The reason is obvious, as ladies generally do not like to have their names published in this connection. RADWAY & CO.

PARENTS,

Or those about becoming so, who know that they *inherit*, or if they have acquired scrofulous or any disease that may be transmitted, should commence the use of **RADWAY'S SARSAPARILLIAN RESOLVENT**. This will exterminate the poisonous taint from the blood, and, if the mother is *enacted*, it is her duty to take the Resolvent, as by this means the taint or corruption transmitted and received at the formation of the fetus will be removed, and the blood that is appropriated for the nourishment of the child before birth will be pure and healthy. In "the beginning" the children of men, the offspring of the parent, inherit the corruption of blood and vices of system. Time develops and increases them. Let the mother, by all means, take Radway's Resolvent, make her blood pure, strong and nourishing, and no sickly children will be born to her.

CHILDREN'S INHERITANCE.

How many thousands of children are now suffering with some inherited malady, received as an heir loom or legacy from their parents' infirmities! How many thousands of conscientious parents, who suffer mental torments as they witness the locked-up diseases and the prevalent infirmities of their own bodies gradually becoming developed in their children, **SCROFULA**, **KING'S EVIL**, **St. Vitus' Dance**, **Fits**, **RHEUMATISM**, **RICKETS!** *Strumous Discharges from the Ear*, Eruptive Diseases of the Head, Nose, Cankers, Sores in the Mouth, Dropsical Swellings, Water of the Brain, White Swelling, *Early Rotting of Teeth*, Early Ripeness of Intellect, great precocity; also subject to be laid up on the least exposure—these are but few of the many symptoms that the unfortunate child exhibits.

It is better, in all cases, where you know or suspect that your child inherits a disease, to commence early, and give the Sarsaparillian Resolvent in doses as prescribed for infants and young children. The longer the poison remains in the blood, weakening the organs and structure of the body out of the poisoned blood, the more difficult the cure.

PROMPT ACTION OF READY RELIEF.

FONTANNA, LEBANON CO., PA., Feb. 6, '86.

MESSRS.—While taking a view over your Almanac of '86, and reading about your R. R. R., it brought to my mind a terrible scene that I was a witness of some years ago out west. One of our companions took a spell of Colic and Cramp in the stomach, so bad that we thought death for him was close at hand, and while one of the party had a bottle of your valuable medicine, we

Poisoned Blood.

GENTLEMEN: I think it my duty to inform you that about 13 years ago I had a very small red spot come on my leg just above the ankle. It soon became very painful, and kept increasing in size. I said to my wife, "That is just how father's legs began at first, and I am afraid I shall have bad legs like him."

A friend of mine told me to "go and buy a bottle of Radway's Sarsaparillian, and that will cure you."

I gladly went and purchased a bottle, and my leg soon began to be less inflamed, and the second bottle made a complete cure; and my legs to-day are sound and good, thanks to Radway's Sarsaparillian.

I am, gentlemen, yours respectfully,
JOSEPH BUSHELL.

SCROFULA, SYPHILIS AND MERCURY.

Closely resembling the SCROFULOUS taint is that of SYPHILIS and MERCURY. These destructive agents, unless eradicated, will fatten themselves on the tissues, and in the very bones of the system.

This last fact is now undisputed, as chemists have demonstrated that deposits of this mineral Mercury are found in the bones of persons who have died after having been subjected to COURSES of Mercury; and we assert that the mischief of this agent, so popular with many physicians, is beyond all calculation. THOUSANDS have had their systems ruined by its use, and now that it is beginning to be found out, what we have ever asserted, that mercury will not cure a system affected with Syphilis or *private disease*, the thought becomes appalling. We say to you, whose systems have become broken down by either Scrofula or Syphilis, never allow yourself to take Mercury or Calomel. To the poison that is lurking in your system it adds another as bad, if not worse, than that it attempts to cure. Witness the broken-down miner for quicksilver: Sores, Rheumatic Pains, Brain and Liver troubles beset him the balance of the poor life he drags out. Would you inoculate him with Syphilis to cure his mercurial disease? The doctrine that you must give one poison to eradicate the other is fallacious, and, if space allowed, we could show you proofs upon proofs to establish the correctness of our views.

See "False and True."

You must resist the ravages of the disease—the dissolution of the tissues—the decay of the system, by such medicines as RADWAY'S SARSAPARILLIAN. You can do this only by enriching the blood, building up the system, SUPPORTING it whilst the healing powers of nature are doing the good work. There is no Corrosive Sublimate or Mercurials in this great remedy of Nature.

DOCTOR: As last fall I completely and marvelously cured a victim of Scrofula in its last stage, by following your advice given in your little treatises on that disease, I would feel much obliged if you would forward me your treatises on Irritable Urethra and Self-abuse (illus.), for which I inclose stamps. I need it absolutely at once, as the poor victim of ignorance is hurrying fast to his grave.

I have for several years used Dr. Radway's excellent Remedies in my family, and find them deserving of all that might be said of them. The Relier, Resolvent and Regulators comprise the list which stands the test of our climate so admirably well. I always keep a supply of these medicines on hand and never think my family safe without them. Notwithstanding many other medicines are introduced and sold here, there are none to compare with Dr. Radway's when faithfully used according to directions. In such a case, cures are sure to follow.

COLD AND PAIN IN THE LUNGS CURED.

ASHLAND, WIS., NOV. 21, 1885.

DR. RADWAY—*Dear Sir:* For a long time I intended to write to you a few lines lauding your Sarsaparillian Resolvent. Eighteen years ago I recommended this remedy to a Dr. Zimmerman, of Owatonna, Minn., an old friend of mine, and told him that there was no better medicine against Cold and Pain in the Lungs. He tried it and then thanked me very much, saying also that there could not be a better one in those cases mentioned, and now recommends it to his patients. I also recommended your medicines to Mr. Bixby, druggist in Owatonna, and upon my request he has taken some in stock. In Appleton, Wis., I met a young married man who had a bad cough, and they were fearing for consumption. I recommended your Sarsaparillian Resolvent, and some time later I saw him fresh and healthy; he

pressed my hand warmly, and said that if I had not been he would have been buried now; it cured him very quick. Some 16 years ago (in Duluth) a man came to me telling me that his wife was dying on account of coughing; he had tried two doctors, but without result. I got your Sarsaparillian and a few days after she was all right. When children cough one dose is sufficient to stop it. I again express my astonishment over this medicine, and I can only counsel everyone to keep it in the house; it prevents in many cases a severe sickness, etc.

Yours truly,

F. KRUSCHKE.

BRONCHITIS, COUGHS, CONSUMPTION DIPHTHERIA,

And all Pulmonary Diseases Cured by Radway's Sarsaparillian
Resolvent.

Few persons but are troubled, more or less with difficulty of raising Phlegm, a thick humor or matter, deposited from the blood, that obstructs the air-passages and glands of the Broucheis, etc. The accumulation of this matter leads to Ulceration, Tubercles and Consumption, and the patient suffers great distress until it is removed. One teaspoonful of the Resolvent will loosen the Phlegm and enable the patient to expectorate with ease. Every person troubled with Coughs, Bronchitis, Catarrh, Tightness of the Chest, Phlegm, Inflammation of the Lungs, Congestion, etc., should take a teaspoonful of the Sarsaparillian at once, and bathe the chest with Radway's Ready Relief. If the cough is constant, take the Resolvent regularly—three or four times a day—or whenever a fit of spasmodic cough seizes you.

Consumption, Night Sweats and Hoarseness Cured.

DR. RADWAY & Co.—Dear Sirs: In the year 1867 I was for six or eight months in bad health from various causes. I thought several times I had consumption if I had let it run on longer. I could taste blood every time that I coughed, and I tried all the cough syrups I could hear of, and I had the doctors to mix me up several remedies, but none of them did any good. Every night I had night sweats, with a pain in my breast. I got one bottle of your Resolvent, and I tell you the difference it made in me, it is no use for me to try to write it. I am most ready to say it cured me, but my blood was in a bad condition and I took several of them since that time. I asked a friend "what are you whispering about?" He said: "I have not spoke a loud word in two weeks." I told him to get one bottle of Radway's Resolvent and take about six or eight times a day about one teaspoonful at a time, just enough to keep the glands of the throat wet, and a dessert spoonful on going to bed. It made him talk aloud in one day. It is no use for me to try to explain the virtue of your medicines. About two weeks ago I bought six bottles. I am now taking it. I can sleep good and I feel all right. I always take it in the spring of the year to keep my blood right. So I will come to a close.

Respectfully yours,

JAMES S. FOY, Savannah, Ga.

BEAUTY.

How to secure a clear smooth, beautiful, healthy skin is the desire of all, and this is within the reach of all. The skin becomes discolored, rough, eruptive, by the virulent and unhealthy condition of the excretions and insensible perspiration—that is secreted by its functions—and expelled through its pores. The skin is one of the chief outlets for the expulsion of the excrementitious humors or elements, that the absorbent vessels reject, to nourish and sustain the blood; hence these irritant humors poison the delicate skin, and we have Pimples, Blotches, Sores, either simple or malignant, according to the condition of the perspiration and excrementitious humors, secreted by the skin. Now the application of cosmetics only *hide* these defects, and increase the irritant condition of the skin.

RADWAY'S SARSAPARILLIAN

is a true cure for all Skin Eruptions. It makes the blood rich and pure—and, after it has driven out of the blood and the follicles, and secreting orifices of the skin, the poison from the excrementitious humors—if will divest the perspiration of its poison, and make the skin pure clear, and beautiful. This is the ONLY way to secure GOOD SKIN.

There is no remedy that will cure the sufferer of Salt-rheum, Ring Worm, Erysipelas, St. Anthony's Fire, Rash, Tetters, Pimples, Blotches, Prickly Heat, Acne, and Sores, Ulcers, Bolls, Humors of all kinds, so quick as the SARSAPARILLIAN RESOLVENT. Let it be tried.

Radway's Pills cure Billiousness and Sick Headache.

A convulsion occasioned by a purging potion is mortal.

R. R. R. PILLS

Purgation made Perfect in Dr. Radway's Pills.

UNIFORMITY AND SAFETY OF ACTION SECURED.

PERFECT DIGESTION

will be accomplished by taking one of Radway's Pills every morning, about ten o'clock, as a dinner pill. By so doing, Dyspepsia, Headache, Foul Stomach, Biliousness will be avoided, and the food that is eaten contribute its nourishing properties for the support of the natural waste and decay of the body.

Imperfect digestion frequently occurs when the bowels are regular; the constituents of solids that are not absorbed in circulation, from imperfect digestion, are frequently directed to the kidneys for their escape. In such cases serious damage is done to the kidneys, as the urine secreted from imperfectly digested substances or food, or those constituents not secreted by the liver or gall duct, establishes a foreign secretion in the form of albumen, sugar, urea, uric acid, causing Bright's Disease, Diabetes, Dropsy, Renal Diseases of the Kidneys, Congestion, Degeneration, Ulceration, Gravel, Bloody Urine, etc. To prevent these serious and often fatal difficulties, take one of Radway's Pills every morning, two hours before dinner.

Imperfect digestion may be known by a capricious appetite, craving for food, great thirst, dryness in the mouth, dry skin, hot fetid breath, restlessness, acidity, heartburn, swellings in the abdomen, chest, legs, cold feet, frequent desire to urinate, varied color of urine, etc. Where these symptoms are present, the Sarsaparillian should be taken three times per day, and the Pills one to six, as the case may require. As soon as digestion becomes perfect, these unfavorable symptoms will disappear.

Important Benefit to all who have to use Pills or Purgative Medicine secured by Radway's Pills, that no other Pills or Purgative Medicine secures.

1st. No straining when at stool. If these Pills are taken in purgative doses, they secure a free and easy passage, without cramping or straining. In cases of Piles, Kidney Complaints, Inflammation or Irritation of the Bladder or Womb, in Uterine Difficulties, Tumors, Ulcers, Leucorrhœa, and in cases where there is weakness in the secreting vessels of the genital glands, Spermatorrhœa, Involuntary Emissions, loss of vital fluid, and in all cases of calculeous concretions, stone in the bladder, or gall stones, straining is hurtful. Radway's Pills secure a free discharge without straining.

2d. After the first few doses the patient will feel that these Pills impart increasing strength, not only to the general system, but to the impaired organs of nutrition—the gastric, nervous and bilious system, the liver, bowels, kidneys, pancreas. They strengthen the diseased part, and heal all excoriated surfaces, or ulcers and sores in the intestines.

3d. They can be taken day after day without injury. No injurious results will occur from change of temperature—wet or cold—under the influence of these Pills.

4th. As soon as Radway's Pills are swallowed, their influence is felt, as they at once commence their work of altering the condition of the secretions, and in due time they secure an expulsion of the humors that cause the disease.

RADWAY'S PILLS AND DYSPEPSIA.

Messrs. DR. RADWAY & Co.—Gents: I have been troubled with Dyspepsia for about four months. Ready Relief in water is a mild stomachic, and stops nausea.

Sarsaparillian gives beauty and renewed vitality.

New Principles Secured by Radway's Regulating Pills.

1. A VEGETABLE SUBSTITUTE FOR CALOMEL.

2. Counter-irritation made perfect in Radway's Pills, that withdraws inflammation from congested blood vessels, nerves, liver, stomach, bowels, kidneys and other viscera, and purging all excrementitious, corrupt humors and diseased deposits from the system.

3. In these Pills a nourishing and nutritious principle is secured, by which the blood, juices and fluids of the system become invested with the vigor of life; they are the only purgative medicine that strengthens during the process of purgation. These Pills act as a solvent of the system to properly dissolve the substances taken into the stomach, and aid digestion and the conversion of said substances into the proper constituents to make pure, rich and wholesome blood, the deficiency of which is the cause of Dyspepsia, Indigestion, Diabetes and many urinary difficulties, etc.

Ready Relief cures Colic and Dysentery.

Faecal matters generate disease if retained too long.

4. They regulate the organs of the system, restoring functional harmony and securing the secretion of the proper constituents of each organ. By their action, the liver secretes its allotted proportion of bile—the lungs carbon, the skin sweat, the kidneys urine, etc., and are always reliable as a purgative.

5. The aged, and persons subjected to Constipation, Paralytic, or liable to Paralysis and weakness of the Bowels, Kidneys and Bladder, etc., that have to resort to injections, by taking two or three of Radway's Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the Bowels, Liver, Kidneys, etc., that may be worn or depleted by age.

6. In these Pills, a want that science has ever failed to supply is secured, and this is a thorough purgative, that can be given in safety in cases of eruptive fevers, as Small-pox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers. When the mucous membrane becomes ulcerated, these Pills act thoroughly, yet heal ulcerated and excoriated parts.

7. Radway's Pills are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills, and have a safe, certain and uniform action.

Elegantly Coated—No Taste or Smell—Scouring the Insides.

Persons who take Pills for the purpose of getting "a good scouring out," are perhaps not aware that they are wearing away their Intestines, irritating the Mucous Membrane, and laying the foundation for Piles, Inward Ulcers, Sores, etc. *Mandrake*, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out. (See page 666, Wood & Bache's U. S. Pharmacopœia.)

UNIONVILLE, MICH., March 10, 1882.

DR. R. G. RADWAY—*Dear Sir:* For a long time past I have been suffering in the most distressing manner from a long train of symptoms, which have baffled the skill of all the medical men down here, and which I feared, if not arrested in their progress, would terminate in the total prostration of my strength. Loss of appetite and desire of stimulating and artificial means of sustenance at irregular times, want of healthy sleep and consequent depression on arising in the morning, rendered life quite a burden to me, until a friend of mine induced me to try your medicines. So I got a bottle of Radway's Sarsaparillian and a box of Radway's regulating Pills, and took them according to directions. I soon found relief. I got three boxes and three bottles more, and I am in better health than ever before.

I remain your humble servant, ARTHUR D. WRIGHT.

Important to Persons Advanced in Years, troubled with Constipated Bowels and Difficulty of Passing Water, Imperfect Digestion, Food Converted to Water.

Letter from a well-known citizen of Ohio, Mr. J. HILDRETH, aged 67 years, Mansfield, Ohio.
MANSFIELD, O., March 27, 1869.

DR. RADWAY: Enclosed find one dollar. Send by mail as many of your Regulating Pills as you can afford. I wish your Pills and Resolvent. I like them very much and recommend them to others. Our druggists have none; they say the run is so great they have sold out. I am free to say for myself they are the best medicines I ever found. I wish you would inform me if there is any danger if they are retained in the system for a length of time by taking

one or more every evening for a length of time, as there are many good medicines that are injurious to take for a length of time. * * * I have for several years been troubled with COSTIVENESS, so that even *injections* would not procure me an *evacuation*. I was all the time *in more or less pain* from the flatulency, with large discharges of wind. At the same time I was afflicted with *urinary difficulties*; at times it *almost killed me to pass water*, very scanty and in drops; at other times large quantities, almost amounting to diabetes. My age is 63. I tried everything I thought would do good; nothing afforded relief. In short, I procured one box of RADWAY'S REGULATING PILLS; took six; free evacuations followed—no sickness, no pains. Took two at bedtime, this secured a stool every day; sometimes would take three, at others four each day; result—regular for several days without pills. All pain and trouble from wind ceased. Got one bottle of R. R. RESOLVENT; *urine now all right*. I am well known, more or less, all over the State, and not unfavorably for truth and veracity. Send pills without delay. (signed) J. HILDRETH.

Cases of INFLUENZA and CROUP are speedily and successfully treated and cured by the R. R. Remedies.

CONGESTION OF THE LUNGS.

If suddenly seized with Congestion or Inflammation of the Lungs, Pneumonia or Pleurisy, rub the chest and side, back and spine freely with Radway's Ready Relief; give the Resolvent in doses of a teaspoonful *every hour*, and take six or eight of Radway's Pills. In the most distressing forms, the patient will breathe freer and easy. In a few minutes after the rubbing with the Relief, and swallowing the Resolvent, all danger will be passed as soon as the Pills operate; but it is well to continue the Resolvent and Pills in small doses for several days, and to wear around the body flannel soaked with Ready Relief. If the simple treatment in the above form of epidemic diseases is followed, life will be preserved.

FOR BILIOUS DISEASES.

Not one in a thousand would suffer from bilious complaints if Dr. Radway's treatment is observed, and all who may be seized with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittent and Intermittent Fever, in fact, all animal and vegetable fevers, are prevented and cured by RADWAY'S PILLS, assisted, when required, by the READY RELIEF.

TREATMENT.—See directions around each bottle and in each box.

ONE PILL, taken when symptoms of dizziness, fullness or pain in the head, nausea at stomach, indigestion, costiveness, pain after eating, sleeplessness, bad dreams, etc., etc., appear, will soon cure this difficulty. Radway's Pills are unlike all other pills; each pill contains three grains of the active curative principles of extracts of the rarest products of the vegetable kingdom—of ingredients some of them never before used as medicine, and to be found only in these Pills.

In cases of colic, severe inflammation, or paralysis of the bowels, and a speedy discharge of their contents required, grind six of the pills to a powder, and take in some preserves or water. In half an hour, the Pills, given in this way, will generally operate. The dose can be repeated, if necessary, in two hours. We have known the Pills, given in this form, to open the bowels WHEN CROTON OIL, *Elatarium Podophyllum*, MANDRAKE, have failed. It is seldom that a second dose will be required in these cases of *Intestinal Obstructions*.

It will greatly assist the Pills in effecting a cure, by giving the patient a bowl of hot oatmeal gruel six hours after taking the Pills, or in the morning previous to their operation. In sudden Colds, Influenza, etc., this treatment is a sure cure.

BURNING SPRINGS, WIRT CO., W. VA., July 27, '79.

DEAR SIR: I tender you my most sincere thanks for the benefit I have received through your medicines. I have used your R. Relief and Pills for neuralgia and liver complaints, and am now, I think, a well man. My wife has used the same for indigestion and sick headache and received the greatest benefit therefrom. She wishes you to send her a copy of "False and True," etc.

DROPSY.

The Sarsaparillian and the Pills, in large doses, should be taken by dropsical persons. They will not only reduce the swelling, but remove the cause of the swelling, which is the disease of the Liver, Kidney or Heart, as the case may be. In this disease the Resolvent shows its great power over the absorbent system. Dropsical swelling frequently results from cases of Fevers, Measles, Consumption and Scrofula.

Complete Cure of Dropsy in the Leg.

DR. RADWAY—Dear Sir: I wish to add my testimony to the efficacious power of your medicines in curing me of Dropsy. I followed your advice in your almanac for the year 1882, and I am happy to tell you that two bottles of the Sarsaparillian Resolvent, with three or four boxes of your Pills, made a complete cure in six weeks. When I commenced to use your medicines my leg was twenty-two inches round; by the virtue of your medicines it is now reduced to its natural size. It was also nearly as hard as a stone, which prevented me

from bending it; but now it is free from pain, and that dreadful hardness is gone; in fact I am cured — I don't think that I had any abdominal swelling. I tender you my sincere thanks for the relief I have received through your medicines. I used the Ready Relief freely, and I attribute my restoration to health to the combined use of all.

I am, sincerely, your humble servant,

Another Letter from Mrs. C. Krapf.

August 18th, 1875.

DR. RADWAY—*Kind Sir*. I take the liberty to address you again. My health is greatly improved by the use of your medicines. Three of the tumors are entirely gone, and the fourth is nearly so. Dropsy is gone, health still improving, and my weight decreasing very fast. I have had a great many calls this summer to inquire of the wonderful cure your medicine has done for me, one from Ohio, one from Canada, three from Jackson, and quite a number from this place.

Yours, with respect,
MRS. C. KRAPF.

We are well acquainted with Mrs. Krapf. She is an estimable lady and very benevolent. She has been the means of selling many bottles of the Resolvent, by the druggists of Ann Arbor, to persons afflicted with internal tumors. We have heard of some wonderful cures effected by it.

Yours respectfully,
ANN ARBOR, MICH., August 18th, 1875. EBERBACH & CO.

DYSPEPSIA.

HUNDREDS of maladies spring from this complaint. The symptoms of this disease are the symptoms of a broken-down stomach. Indigestion, Flatulence, Heartburn, Acid Stomach, Pain after Eating—giving rise sometimes to the most excruciating Colic—Pyrosis or Water Brash, etc., etc.

RADWAY'S SASSAPARILLIAN, aided by Radway's Pills, when needed, is a cure for this complaint. It restores strength to the stomach and makes it perform its functions. The symptoms of Dyspepsia disappear, and with them the liability of the system to contract diseases. Take the medicine according to directions, and observe what we say in "False and True" respecting diet. The subject is too long to introduce in our Almanac, and dyspeptics must heed these rules.

TO DR. RADWAY—*Dear Sir*. I have for years been troubled with Dyspepsia and Liver Complaint, and found but little relief until I got your Pills and Resolvent, and it made a perfect cure. They are the best medicines I ever had in my life; I will never be without them. Please send me a copy of your "False and True," also a copy of your "Illustrated Treatise on Irritable Uterus and Self-Abuse." Your friend forever,
JOSEPH FRANKLIN.

DYSPEPSIA WITH PALPITATION.

BLACK RIVER, N. S., Feb 3d, 1882.

DOCTOR RADWAY—*Dear Sir*: I have for years been troubled with Dyspepsia and Palpitation of the Heart, and found but little relief until I got your Pills and Resolvent, and they cured me. Yours truly,

ASTHMA.

ST PAUL, MINN., September 15th, 1878.

Sirs: I am using your Resolvent and Pills for the Asthma. I find they do me more good than any other medicines I have taken. I have had a hard time last week with the Asthma, but I am over it now. It was three years ago that I first commenced to take your medicines for the Asthma, which relieved me at once.

COMPLAINTS OF WOMEN.

It is not at all times pleasant or convenient for a lady to consult a physician for every disagreeable or annoying symptom that may occur. In Dr. Radway's Sarsaparillian, Pills and Ready Relief—as the nature of the ailments indicates—a remedial agent is secured that will at once remove all infirmities, ailments or sickness that may arise through impaired or disturbed functional secretions, be it Leucorrhœa (Whites), a Suppression of the Menses, Profuse Menstruation, Colorless Discharges, Green Sickness or Uterine Tumors.

Many ladies seem to be rapidly losing flesh—and are sensible of a gradual waste—without suffering from cough or any marked sign of consumption. They feel melancholy, disheartened, fretful, and feel as if they were alone in the world, when surrounded with every luxury the heart could wish, and are, indeed, martyrs to great mental and physical suffering. In these cases (Melanosis) the bile is misdirected, and instead of being properly secreted by the

Radway's Pills—tasteless and effective, without griping.

Sarsaparillian resolves away corrupt matter, and imparts new life.

Radway's Ready Relief cures Headache, Toothache and all pains.

liver, is retained, and becomes a foreign constituent of the blood. In many cases when this takes place the skin becomes of a yellow tinge—the eyes yellow and inflamed, and the face covered with black spots, like worms, etc. Now, if ladies afflicted in this manner will take three or four of Radway's Pills every night, and a dessert-spoonful of the Sarsaparillian Resolvent three times per day, a happy change will soon follow; all these bad symptoms will soon disappear, and the weak, emaciated and wasting body will soon become healthy and robust. A lady called on me yesterday (4th of August, 1878); weight 160 pounds. She said: "Last March I left this city to go home to die; when I arrived at my home (Rochester) I was nothing but skin and bones—no appetite, no spirits, no sleep, but cold sweats and nervous trembling. I saw your book called 'False and True,' and at once commenced using your remedies. I used the Pills, 4, 5, 6, then 5, 4, 3, 2—in this order every night; the excrements that came from me were like clotted blood. I took the Sarsaparillian Resolvent—at first three times per day, then four, then five times per day—and had my spine rubbed three times per week with the Ready Relief. After using these medicines one month I was a new woman. I gained in flesh rapidly, my spirits became buoyant, appetite good, and my periods regular—that is what your medicine has done for me!"

EXTRAORDINARY CURES

Daily reported of diseases for which these remedies have not been recommended by us, and the reports of those wonderful cures have been as surprising to us as to the general public. We have for years received letters of cures of such extraordinary and marvellous character that we have refrained from publishing them, and the letters we now publish we withheld until urged by the writers and their friends, for the benefit of the public, to make them known. We give the names and post-office address of each, so that those interested may write them; and we also recommend the sick to write the ministers of the churches in each place, to ascertain the trustworthiness of the writers. We desire all who may feel inclined to commence the use of Dr. Radway's Remedies to learn all the facts respecting these cures, so "that their faith" in the remedies "may be well founded" in the hope of a cure.

For an account of the cures of Hannah P. Knapp and Mrs. C. S. Bibbins, see our Almanac for 1877, and "Radway and his Patrons." These extraordinary cures of Ovarian Tumors are becoming quite common by Radway's Resolvent. We will add a few more cases of Ovarian Tumors.

RADWAY & CO.

OVARIAN TUMORS.

DR. RADWAY—*Sir*: For twelve years I suffered from an Ovarian Tumor. Last March I commenced taking your medicines and continued the use of the same for nearly five months, with very little *apparent* benefit; very suddenly I began to diminish, and in two weeks was sixteen inches smaller around the abdomen. I consider myself entirely cured. Yours respectfully,
HILLSBORO, OHIO, January 25th, 1877. MRS. J. H. JOLLY.

DR. RADWAY: I have had a tumor in the womb, which grew to my back; it was caused from inflammation; my kidneys were also affected, in which condition I suffered for nine years. The greater part of the time I was helpless—had to be helped on the bed and helped off; could not walk without a crutch. I tried everything I could get, but all to no benefit, till at last I got some of your medicines, and have taken twelve bottles of Resolvent, with Relief and Pills, according to directions, about one year ago. I am now about well; can walk straight and go anywhere I want to; whereas before I could not get off the bed without help. You have my sincere thanks for your medicines; I shall use no other medicines but yours. There is hardly a day that passes over my head but what I think of the wonderful cure that your medicines have done for me. I write this for you to see what your medicines are doing, and for the benefit of others that are suffering. What you publish this if you choose.

Respectfully yours, MRS. F. D. HENDRIX.

MOTOR, ROOKS CO., KAN., July 29th, 1879.

DR. RADWAY: Although it might seem out of date, yet, for the encouragement of others in similar circumstances to what I have been, I think it right for me to return my heartfelt thanks for the benefit I have received from the use of the Radway medicine.

I had been afflicted over six years with Tumor in the stomach; had been to six of the best doctors I could hear of in Iowa; they all told the same thing, and that it was out of the reach of medicine, and that it would kill. At length I happened to see in your Almanac of Tumors being cured. I immediately resolved to try it, which, to my great surprise, effected a cure with only using three bottles of the Resolvent, one of relief, and continuing on quite a while with the Pills. I was so enlarged in my stomach, that I was four feet and two inches round; now I measure two and a half feet round. I will say, also, that before using the medicine I had not laid down in six months. Now, if this sketch will be of any benefit to suffering humanity, I am willing to have it published, etc.

Yours with respect,
M. HOCKETT.

When afflicted, I lived at Salem, Henry Co., Iowa.

Tumors Cured.

ST. LOUIS, MO., August 3d, 1877.

DR. RADWAY—Dear Sir: I have taken your Resolvent and Regulating Pills six months. It has produced a perfect cure of tumors, as the doctors of this city pronounce them. I have taken eight bottles of your Resolvent and Pills.

Yours very truly,

A Lady cured of Fluor Albus and Neuralgia that had baffled Doctors.

DR. RADWAY—Dear Sir: I beg leave to address you, hoping you will kindly give me an answer to a question that is of great importance to me.

First, let me tell you that your medicines have been a blessing to me and mine; my wife has been cured of Fluor Albus, of FOUR YEARS' standing, by the use of your remedies, also of Neuralgia which has baffled all our doctors.

I spent nearly all of two years of my wages all to no purpose, and was persuaded to try your medicine, and, sir, it TOOK LESS than \$10 to cure her of both. The consequence is she will have no other medicine, and, so long as it does as well as it has in the past, I shall agree with her.

Yours respectfully,

TOMS BROOK, SHENANDOAH CO., VA. E. B. CABRIL.

CONSUMPTION AND A COMPLICATION OF OTHER DISEASES CURED.

[FIRST LETTER, JUNE 16, 1883.]

DR. RADWAY & CO.—Dear Sirs: My wife, who had been ailing for two years from Palpitation of the Heart, Bronchitis, Catarrh of the head, Fall of the Womb, Liver Complaint, etc., was taken down the first of March with Lung Fever; when the fever broke, her physician told me that she was going into Consumption, and that I might make up my mind to part with her by the first of June, etc. When the doctor left I told my wife of the wonderful cures your medicines had done; tried them; she improved from the first dose, and she is now better, and is improving every day, but her left lung is a little sore at the bottom, etc.

[SECOND LETTER, SEPTEMBER 10, 1883.]

I take pleasure in thanking you for your noble and valuable medicines which have cured my wife of the horrible disease, Consumption, etc.

[THIRD LETTER, OCTOBER 6, 1883.]

As to publishing the letters, or any part of them, etc., it is perfectly agreeable to me for you to use all the information I can possibly give to the SICK and AFFLICTED. My wife is, to-day, enjoying better health than she has for the last five years. She was afflicted with Liver Complaint, Fall of the Womb, Palpitation of the Heart, Bronchitis, Catarrh of the Head, Kidney Diseases, Rheumatism and Consumption, when she began taking your valuable medicines.

I have been poorly myself for years, and since my wife's health has recovered, I have taken your medicines and, to-day, I feel as I did when 25 years old and as lively as a boy. The country around is full of contagious diseases and we have NONE OF THEM. I give a few Pills and Resolvent occasionally to my children, and they never take or catch disease; so you see why I think so much of your medicines, and why I am so thankful to you.

Respectfully, as ever, your friend,

SCIO, OREGON.

A REPUBLICATION OF GOOD ADVICE.

TRY IT TO-NIGHT.—"You will Sleep Well and be Better in the Morning." You have caught cold! another cough; can't raise the phlegm; irritation of the throat; a heavy pressure on one of the lungs; breath short; if you could only raise up that matter that sticks so tight, you would feel easy; a sharp pain every once in a while troubles you near the heart and sometimes pains in the shoulders and back. As soon as you lie down you have a fit of coughing; this is the experience of thousands at this minute. Now for relief, prompt, quick, immediate relief and assistance: Take at once a dessert-spoonful of Sarsaparillian Resolvent—ah, yes, the obstinate phlegm is loosened, good! that is right, up with it, it relieves you; well, you feel much easier; now, then, rub the chest well for five minutes with RADWAY'S READY RELIEF; very good; the skin becomes reddened; you begin to perspire freely, and the soreness and pain are gone; now rub the back and shoulders with READY RELIEF a few minutes; pain gone; good! you feel like sleeping; very well, take twenty drops of READY RELIEF in some water—pleasant, stimulating, and tonic; now take six of RADWAY'S PILLS—then go to sleep. Morning you look fresh, pleasant; no cough; have had a good, thorough operation, feel like eating a good hearty breakfast; no more cold, no sore throat or difficult expectoration. This treatment is simple, and sure to cure the worst colds between bed-time and breakfast. Try it to-night, all who have a cough from catching cold. Obstinate chronic coughs will in a few days be cured by this treatment.

CONSUMPTIVES, LOOK TO IT—New lungs cannot be made, but the Sarsaparillian Resolvent will stop the decay and waste now going on, and repair the waste with new material, made from pure, strong blood. It will stop your cough, give you strength, and keep you alive.

A Severe Sore Throat Cured by Radway's Ready Relief.

DR. RADWAY—Dear Sir: I write to inform you that I was attacked with a severe sore throat, and before I used one-third of a bottle of READY RELIEF my throat was entirely cured; I am never to be without your READY RELIEF.
Yours respectfully,
D. D. HAYWOOD.

Practicing with R. R. Remedies.

ST. HYACINTHE, P. Q., CANADA, August 28, 1881.

TO DR. R. G. RADWAY—Dear Sir: I account it little sacrifice, indeed, to allow you to publish my letter with regard to Scrofula, after the cures I have been able to effect by following scrupulously your system of treatment.

I again affirm what I spoke of in my last note, and I could recount to you several other cases of different maladies being cured by your system, though the one of Scrofula is by far the most remarkable, and was, in fact, looked upon by many as nothing short of a miracle.

The secret of the high reputation I hold here as a clever physician, is the following your system of medicine, and in justice I lay my laurels at your feet. I practiced in the north of Scotland for nearly fifteen years by the old system, and did not gain one-half of the confidence and love of the people that I have gained here in these short six years, while following the R. R. system.

I am your obedient servant,
RANDOLPH MCINTYRE, M. D.

Chronic Diarrhoea of Five Years' Standing.

RICHMOND, VA., Sept. 22, 1884.

TO DR. RADWAY & CO.: Please send me a copy of your "False and True," as I have been down sick for five years with what the doctors call Chronic Diarrhoea, under their treatment. All the while others pronounced my disease incurable. On looking over your Almanac last March, reading your medicine was good for chronic diseases, I bought your medicine; have taken two bottles of the Sarsaparillian with two boxes of Pills, the Ready Relief when needed, and I now think I am a well woman.

Your humble servant,
N. WALLINGTON.

Bilious Fever Cured.

DR. RADWAY—Sir: I am just beginning to find out the good of your medicine, and am doing great good with it. I have just recovered from a severe attack of bilious fever, after being under the doctor's care near two weeks and got no better. My mother was with me; she said: "Now I want you to try Dr. Radway's Relief and Pills." So I put aside the doctor's powders and other stuff he had left, and took a dose of your Pills; followed that with Relief.

There are four signs of inflammation—redness, swelling, heat and pain.

Paroxysms of fever come on with a chill, and go off with a sweat.

Old age is more subject to lingering, but youth to acute diseases.

Bile is the natural purgative of the system.

From that I got better, and in two days I went to see my neighbor, who laid, as I did, under the doctor's care. I told her what I had done, so she set aside her medicine and took Dr. Radway's medicine. She is now getting better fast. Another lady was taken with bloody flux; I told her of it; she also quit the doctor and took your Relief, and was better at once.

WELLS, MINN., August 24th, 1874.

MRS. SARAH JANE WISEL.

Testimony of a Great Man.

NEW YORK, January 4th, 1877.

Dear Sir: Having for several years used your medicines—doubtfully at first, but, after experiencing their efficacy, with full confidence—it is no less a pleasure than a duty to thankfully acknowledge the advantage we have derived from them. The pills are resorted to as often as occasion requires, and always with the desired effect. The Ready Relief cannot be better described than it is by its name. We apply this liniment frequently and freely, almost invariably finding the promised relief.

Yours truly,

THURLOW WEED.

DR. RADWAY.

MEDICAL TESTIMONY.

As an evidence of the high opinion and confidence the Medical Faculty in the United States entertain for these remedies, we present the following letter from Prof. Reid:

Dr. Lawrence Reid,

Seven years Lecturer on Medical Chemistry in the New York Hospital, and seven years Professor of Chemistry in the New York College of Pharmacy, and for four years in the Medical University of Edinburgh, Scotland.

38 DE KALB AV., BROOKLYN, Nov. 30th, 1863.

Dr. Radway & Co., of New York, have submitted to my analysis their three remedies, named "Ready Relief," "Renovating Resolvent" and "Regulating Pills." They have also communicated to me their mode of preparing the same. After a careful examination of these articles, I pronounce them as composed of ingredients of great purity and cost, free from mercury or other dangerous substances, and prepared with skill and care.

Having long known Dr. Radway & Co. as scientific gentlemen of high attainments, I place every confidence in their remedies and statements.

These remedies, in my opinion, stand on different grounds from the nostrums which absurdly pretend to cure all diseases with one preparation. They are a well-considered series of remedies, prepared on scientific principles, and having a strong claim to public favor.

From their adaptation to the diseases for which Dr. Radway & Co.'s Remedies are recommended, and from their speedy action in giving relief, I consider them as a useful invention and quite a family convenience, superseding in numerous instances the necessity of medical assistance; and, when that is necessary, doing something of a safe nature to relieve the sufferer in the interval.

I have no doubt of the great value of the Relief as a local application to the spine, in those cases of weakness of the body or limbs, or the digestive or other organs, which depend upon the nerves proceeding from the spine for power to perform their functions.

LAWRENCE REID,

Prof. of Chemistry.

Dr. Radway on Stricture—Very Important.

[From "False and True."]

SIR: We reply to yours of the 3d inst., that we would advise a course of our SARSAPARILLIAN RESOLVENT, say a teaspoonful after meals and at bed-time. The Ready Relief should be applied daily, over the region of the kidneys, and our Regulating Pills in doses sufficient to establish regularity of the bowels without purging. So much for medication. Now you must help the medicines, or you might as well do nothing. 1st, as to diet: Choose that which is unstimulating, but simple and nutritious. Good fresh meats, milk, beef-tea, fresh fish, bread and butter, etc., etc. Avoid stimulants of all kinds, highly seasoned food, tobacco, salt meats or fish, strong coffee, cheese, cabbage, pork, etc. Exercise moderate; no horseback riding.

We also direct you to stimulate your skin by frequent hot baths, followed by friction with a coarse towel. Hot hip baths, if general baths are not convenient, will answer, and warm clothing in cold weather. The medicines promote absorption of the stricture, and render the urine bland and unirritating and the bowels soluble. Beef-tea is the only diet or drink that is to be allowed

INFLAMMATION OF THE BLADDER.

DR. RADWAY & CO.—*Sirs*: I have been using your RESOLVENT, and for some time, with great success, for the inflammation of the bladder. I have tried all the medical skill in the country, but to no avail. My water was by times slimy, then again bloody; the catheter would have to be applied four or five times a day, sometimes oftener. I am seventy-two years old. I used two bottles of your RESOLVENT with the PILLS, and find great relief; in fact, I think it will cure me. Some of your medicines can't be had; the druggists are out of your RESOLVENT, and I thought it best to order it for myself. Inclosed you will find \$3. Please send the RESOLVENT by express to Bedford, Pa.

Respectfully yours,

DR. R. G. RADWAY, 32 Warren street:

My Dear Sir—I have been afflicted with inflammatory rheumatism for the past two months, and have found greater relief from the use of Radway's Ready Relief than from all that the best physicians could do for me.

Very truly yours,

PAIN IN THE KIDNEYS CURED.

PLEASANT GROVE, OLMSTED CO., MINN., April 28th, 1874.

DR. RADWAY—*Sir*: Having used your medicines for the cure of my disease, viz.: constant pain in my kidneys, I can safely state that they were the sole cause of my relief, and eventually restored me to sound health, all other medicines advertised by others having failed to do so.

Yours respectfully,
DAVID OVEREND, Sr.

KIDNEY TROUBLES—RADWAY'S PILLS.

ATHENS, OHIO, June, 1879.

Dear Sir: I thought I would write you and tell you what wonderful work your Sarsaparillian Resolvent has done for me. Six weeks ago I could not move without the greatest pain with Rheumatism of the kidneys. I have tried every kind of liniment and different medicine, and had my doctor to prescribe; but nothing did any good until I tried your Resolvent. I took three bottles (and just sent for three more). Your Pills are a God-send. I have recommended them to over a hundred persons, who all say that they found them to be the best Pills that they ever took.

My sister, Mrs. LANE, has taken over two hundred boxes bought of Dr. Robert Lansing, since 1861, and I cannot tell you how many I have taken. I get a box every two weeks. I could not live without them. I trust your days may be long in the land of the living, and that the Giver of all good gifts may shower down His blessings upon you, is the prayer of one whom your good medicines have saved from an early grave.

SAVED FROM DEATH.

RED LAKE, BRULE CO., DAKOTA, January 24th, 1884.

DR. RADWAY : *Dear Friend*—I feel myself obliged to give you the thanks I owe to you. I do not know you personally, but I know your excellent medicines which carry their names with the greatest right. Without flattering you, they are the only medicines a man should buy.

Who in the world could buy my wife from me? Nobody, nobody ; but death, that nearly had her, could only take her from me. RADWAY'S REMEDIES have saved her and cured her of the greatest pains she had while struggling with death ; only a short time after using the medicines she was relieved of all her terrible pain. Yes, your medicine is all that I have to thank.

Since that time Radway's medicines are always in my house, and I always will honor them.

The whole neighborhood was astonished at such a medicine. Nobody here could advise me ; but one told me that his father had used a medicine, but could not recollect the name ; he only knew that there was R. R. R. on the bottle. I at once sent him on horseback to the next drug store, and he actually asked the druggist as he had told me, and the druggist understood at once what he wanted ; my man returned in a short time with the medicine and told me the druggist had said that this medicine was stronger than death, and all pain must disappear in a short time ; and so it was, God have thanks. This medicine has come into my house and I will always keep it ; and I advise everybody to keep it in his house, as it may be too far, sometimes, to go to a druggist to get it while one of his family suffers in the greatest pain during that time ; therefore I advise, again, everybody to keep it always in the house. Respectfully yours,

[Translated from the German.] GEORGE GIPPERT.

OLD FAMILY STORES.

JACKSONVILLE, TENN., January 23d, 1884.

RADWAY & Co. : *Sirs*—Please send me a price list of your medicines at wholesale prices. My experience with the E. R. R. preparations proves to my satisfaction that they are just what is claimed for them. My grandmother used the Ready Relief, thirty years ago, with the most satisfactory results, and my mother has constantly kept a supply of Ready Relief and Regulating Pills for twenty years with increasing confidence in their efficacy.

Mr. John T. Foster, of Nova Scotia, once divided a bottle of the Ready Relief with my grandfather, some thirty years ago, and stated that he would not be without it. Your medicine has been a favorite with my people ever since.

In 1875 I became the victim of Chills and Rheumatism, which by neglect became chronic. The Ready Relief seemed to alleviate the pain, but I found that I must use a Constitutional Remedy, for my Lungs, Nerves and Blood were all out of order, so I secured two bottles of the Sarsaparillian Resolvent, which, in connection with the Ready Relief and Regulating Pills, wrought such a change that I felt restored to health and strength.

Respectfully, S. L. LOUDERMILK.

TWENTY YEARS IN USE.

DR. RADWAY & Co. :—I have used your Ready Relief for many years in my family with great effect. For the last twenty years I would have nothing else to expel pain inwardly or from any part of the body outwardly.

I have used it for rheumatic pains and always found great relief when applied to the painful part of the body.

Your Pills are indeed excellent, as you represent them in the papers. I bought a box to-day. Please send me information worth thousands, and oblige

DIABETES.

LOUISIANA, Mo., March, 1882.

DR. RADWAY—*Dear Sir*: I have used all your remedies with great success in practice; and the way I found favor with your Resolvent, it cured me of Diabetes after three physicians had given me up. I detected a change in my urine in two hours after the first dose, and three bottles cured me.

SEVERE COLDS, INFLAMMATION IN THE CHEST, SORENESS IN THE SIDE AND OTHER PAINS CURED.

DR. RADWAY & Co.—*Dear Sirs*: Your Regulating Pills and Ready Relief have done for me what you claim for them to do for pains in all parts of the body, inflammation in the chest, disordered liver, caused by colds; soreness in the back, soreness in the sides, indigestion, bilious dysentery, loss of appetite, very heavy colds and fever, etc.

ONE MAN TELLS ANOTHER.

RADWAY & Co. :—I get pains all over my legs, and it is just as much as I can do to stand or walk. On April 14th, the day before yesterday, I was taken with those pains again, and had to stop work.

One of the workmen said, as I was trying to walk, "Get a bottle of Radway's Ready Relief," and I did. That night I rubbed it wherever I felt pain, using a half bottle, and it has acted like a charm. Just as you say—"The Great Pain Killer."

I thank God for those words, "Get a bottle of Radway's Ready Relief." It has relieved me. Of course, Nervous Debility is there. I want to know, can it be cured? I have all faith in you now.

DYSPEPSIA OF LONG STANDING CURED.

DR. RADWAY :—I have for years been troubled with Dyspepsia and Liver complaint and found but little relief until I got your Pills and Resolvent, and they made a perfect cure. They are the best medicines I ever had in my life.

PAIN IN SIDE AND STOMACH.

CINCINNATI, August 9th, 1878.

DR. RADWAY & Co.—*Dear Sirs*: I for over two years have been troubled with pain in my side; also a pain in the lower part of my stomach. If I would walk one or two squares from the house, I would always have to stop on the way until the pain would go away. Having tried two or three of the best doctors here in this city, but could not do any good—becoming afraid of this, seeing they could not cure me. I met one of my friends, who told me to try your Sarsaparillian and your Pills. I had no more than taken one, also one box of your Pills, and feel just as strong and healthy as a new man; I am on the second bottle of your Sarsaparillian and Pills, and I shall never be without them in my house as long as I live.

Other Cases.

BOULDER CITY, COL., Nov. 7th, 1881.

DR. RADWAY—Dear Sir: I gladly give my testimony in favor of your remedies. I have been in the habit of going to the doctor whenever there was any sickness in my family.

My wife had an attack of fever and she had Mrs. Sarah J. Wisel to come and try your Remedies, for she said if she sent for the doctor she would be in bed at least three weeks, if not six; consequences were, she was not in bed three days, but was up at once. I have been troubled years by spells with a sourness and pain in my stomach, so I tried your Regulators. I took one on going to bed. The next day I had no pain or sourness; the next night I took two more, I have not felt a particle of it since. My little boy, three years old, a few weeks ago had a very severe attack of Diphtheria. We cured him so quick that neighbors thought he could not have had it at all, so I think I can do my own doctoring hereafter.

Very respectfully, WM. MITCHELL.

ZACATECAS MINT, MEXICO, March 12, '86.

DR. RADWAY, New York, Dear Sir.—Some months ago I was cured of a disease in the urinary organs by the Renovating Resolvent, which I could get in a drug store. No remedy cured me, although I tried several for a long time, till a friend advised me to take your Resolvent and Ready Relief, and the cure was no longer delayed. I am perfectly well at present. I remain very sincerely yours,

TO THE PUBLIC.

The READY RELIEF is put up with RUBBER STOPPERS, and every label engraved with "RADWAY'S READY RELIEF," in very small characters, all over the label.

BWARE OF COUNTERFEITS! — See that the name "RADWAY" is blown in the Resolvent and Ready Relief bottles, and take no Resolvent, Ready Relief or Pills that has not the signature of Radway & Co. There are pirates making use of the words "Resolvent" and "Relief."

The intention of this Pamphlet is simply to call attention to the merits and virtues of the R. R. R. REMEDIES, it being impossible to do much more, and in truth we cannot do even this in the space here allotted. We are therefore compelled to refer you to our Pamphlets and directions, as further explaining our views on the treatment of disease.
