Edward Hanlan. 1855—July 14—Born. 1871—First race as amateur (8 oars). 1872—First race in shell. 1873—First professional race (London). 1874—Winner Centennial regatta (London). 1877—Won Canadian championship (Rosa). 1878—Won American championship (Morris). 1879—Won English championship (Elliott). 1880—Won World's championship (Trickett). 1882—Last race in singles (Hackitt). 1898—Jan. 4—Died.

The last tribute to Ned Hanlan yesterday afternoon in St. Andrew's Church was as sincere as it was well deserved. The full choral service of the Presbyterian Church was beautifully rendered in black and the packed with a concourse of citizens, the scene was solemn in the extreme. No public man could have received a greater tribute than that rendered the world's most famous oarsman. It was not that Hanlan conquered three continents with his oars, but his manner of victory. As Rev. T. Crawford Brown said in the prayer: "He strowed for honesty in sportsmanship." That was the keynote of his life.

A boy at the island first playing on a plank in the water, then a skiff and a shell, next a sliding seat which he manipulated with marvellous dexterity, playfully giving the wash to his companions. Then as a youth of 16 Philadelphia, defeating the best oars at the Centennial. Now match races at his home and across the line, and always the laurel wreath of victory. Across the salt sea to England, and Hawdon, Elliott and others were like children in his hands. Then home with a city paying homage to his prowess. Next the Courtney incidents and once more over to England, where he beat Trickett twice and Laycock, the Australians, also R. W. Boyd. Again back to this continent to pick up more prizes and honors. Then off to Australia, he successfully defended the world's championship, defeating Laycock. But here came his first real defeat, Beach being his conqueror, also again in another race, Hanlan returned home and engaged in singles, doubles and some times fours, with considerable success.

Once more, in '87, he went off to the country of the cornstalks, but failed to redeem his laurels, being defeated by both Beach and Kemp. Home once more. Hanlan engaged in desultory contests of various kinds, finally turning to coaching crews, including the Union Club of Boston, Columbia College, the Argonauts, Toronto and Dons. His last appearance in a shell was in a club regatta at Sunnyside, only four months ago.

All these victories Hanlan bore with a modest mien, taking his defeats as a matter of course. It was not till September last that the only reversal came, which proved more than the stout-hearted oarsman could bear. He was perfectly fitted for the position of harbormaster that became vacant by the death of the veteran Capt. Hall, but the commissioners denied him the honor, and the chairman's vote, and finally came the cold, in grippé, and the fatal pneumonia, with the last chapter of a long and glorious career closing late yesterday afternoon in the family lap of the Necropolis, where what was once supreme in the flesh became transferred to the earth.

Officers Elected at Annual Meeting—Dividend Declared.

The annual meeting of the D. D. C. was held at the Repository of Burns & Shepard, when the financial report for 1907 was read by the secretary. The following gentlemen were elected to fill the different positions for the year 1908: Past president, Geo. Birdsell; president, Dr. Parke; vice-president, Frank Rogers; treasurer, Geo. Beddington; secretary, W. A. McCullough; executive committee, Chas. Dennis, Con. Woods, R. J. Patterson, Geo. Clarke, Richard Scott; auditors, Wm. Wescott, James Hall, J. McRobb. The D.D.C. is starting off with a good membership, and with this list of officers at its head should have one of the most successful seasons since its inception.

Pittsburg Gets Smith and Hall And Marks Goes to Brantford

Many O.H.A. Games Are Played—Sub-Committee Meet—Wanderers Ordered to Play Vics.

PITTSBURG, Jan. 7.—(Special)—Bankers and Lyceum were the opponents, and the small crowd present saw a game that was very enjoyable, the former winning by 7 to 5. Forrester acted as referee and was fair and square, having the game in hand all the time. He finally decided not to go to Winnipeg, as his salary as player and extra money as referee makes him a pretty healthy monthly pay cheque. The game was clean all thru, except some tripping and a little temper on Charlin's part, none of which was excessive. The score at half-time was 4 to 2 in favor of the Lyceum. They had all the better of the play and have a good team, being strengthened by Harry Smith at centre and Koch at cover, while Lyceum was weakened by the absence of Marks. A Procession and a Defeat.

SIMCOE, Jan. 7.—Simcoe's fine new rink was opened to-night in fine style. A torch-light procession was formed by the principal citizens of the town, headed by the 8th Regiment Band and Mayor Carter. The first match in the rink was in Junior O. H. A., between Simcoe and Paris, in which the home team was defeated by a score of 10 to 2. The first goal was scored by Simcoe, and the score at half-time was 2-0, but the lack of practice of the home team caused them to fall down very quickly in the last half. The line-up was as follows: Simcoe—Goal, Brown; point, Sherk; cover, Grasset; rover, Cribb; left, Miller; centre, Thompson; right, Hiller. Paris—Goal, Fred; point, Watson; cover, Meigs; rover, Lowers; left, Walker; centre, G.H.; right, McDonald.

Henderson Mowat was granted a change of residence permit from Brantford to Hamilton. Orville Corbett was refused a permit to play with Simcoe. J. McCulloch was granted a permit to play with Sudbury; he formerly lived in Sudbury. Thos. R. Price was allowed to play with Port Perry; he is a telegraph operator at a nearby station. C. F. Harrison, formerly of Grimsby, may play with Hamilton, where he has the same residence. Applies to J. W. Dalton and George Murrison of Burlington. Carl Weber will be allowed to finish the season with the Markham High School team. Morris Walker will play with Grimsby; for whom he has played the last four years. Chas. Coulson may play with his home team at Welland.

TUPPER'S FIGHTING SPEECH.
Addresses Orange Deputation Confident of Future Victory.

VANCOUVER, B. C., Jan. 7.—Former Premier Sir Charles Tupper made an old-time political speech at the residence of his son last night to a deputation of Orangemen, to whom he predicted a sweeping victory for the re-united Conservative party at the next federal election. Not only were there signs of restored unity as in the Conservative party before 1896, but indications throughout the Dominion pointed to an awakening of the electorate to the misrule and corruption of the Liberal administration.

Referring to the 1900 election, Sir Charles said that in Ontario, with an unscrupulous majority against him, and in the teeth of the Ross and Laurier governments, he, Sir Charles, turned the then majority for Laurier of 12 federal Ontario seats into a Conservative federal majority in Ontario of 18 seats. He added: "If I could do that then, when Laurier was much stronger than he is today, what will Mr. Borden do in the next federal contest, with Ross out and having the help and influence of Whitney? For as I am, I will yet see that party back in power, as it is entitled to be," was Sir Charles' pathetic close.

Trembling, he half fell back into his chair. He had spoken against the advice of his physician, who recently declined to allow Sir Charles to now in his 87th year, to make any address. The occasion for this was the request of a large deputation of Orange electors that his son, Sir Charles Hibbert Tupper, would be the Conservative candidate for Vancouver next federal election.

TIMES TARIFF POLICY.
Will Be on Reform Lines—Courts Must Ratify Change of Owners.

LONDON, Jan. 7.—The formal statement of the change in the management of The Times, which will appear in the newspapers, announces that the business management of the paper will be reorganized by Mr. Pearson and that "the editorial character of the paper will remain unchanged, and it will be conducted, as in the past, on lines independent of party politics.

The change in the organization requires the sanction of the court before being effective.

Despite the formal announcement that its editorial policy would not be changed, it is generally believed that the change in the management of The Times has been in the interests of tariff reform. It is understood that Sir Alexander Henderson, who played a leading part in the recent fiasco of the Great Central and Great Northern Railroads, is associated with Mr. Pearson in the Times' deal. He is a strong tariff reformer, in addition to being a successful railway administrator, and is largely interested in South American railroads.

C. M. A. Banquet.
The Canadian Manufacturers' Association will hold a banquet at the Royal Hotel, Hamilton, on Jan. 16. An event of the evening will be a presentation to Mr. Harry Cockshutt of Bradford, ex-president of the association.

Royal Canadian Bicycle Club.
At a largely attended meeting of the R. C. B. C. on Monday night, it was decided to become affiliated with the C. A. U. Mr. J. E. Wilton was selected as the club representative on the board of governors. Since the grand success of the Marathon recently, the members have been generally inclined to favor the club making a large-scale in field and track sports generally, and as a preliminary in that direction have appointed a committee to complete arrangements with the management of the Riverdale Roller Rink for the purpose of holding an indoor athletic meet early in February. This rink is considered the largest of its kind in Canada, and as a banked track will be constructed, it will make an ideal place for an athletic meet, and by making some alterations it will be possible to accommodate at least 2000 persons, and as the rink is an extra long one, a 60-yard race could be put on without running any part of it on a circle. Already a number of the crack athletes from Hamilton, Buffalo and Toronto have signified their intention of entering, and without a doubt this will prove the most successful indoor meet of the winter.

The club is about to hold a handicap bowling tournament, and the following committee are accepting entries for same: J. Chestnut, C. Walton, H. Penby and W. Fortescue. Any members who have not already entered had better do so at once or they may be overlooked.

To-night the Royals will visit the Royal Grenadiers' sergeants in their messrooms, 77 West Queen-street, to play them the second match in the series for the Robert Fleming Cup. All members are invited to be present as Captain Nash would like to pick the strongest team in the club and clinch the trophy which they are leading for by only three games.

\$300,000.00 FACTORIES CASH CLEAR-UP SALE
WILL ANSWER THE QUESTION

TO-DAY we start the ball a-rolling on the most mammoth merchandizing event in the history of Toronto retailing.

The brilliance of all past sales in their bigness and money-saving value to the people will be as the flicker of a "tallow dip" to a thousand candle power arc light.

CASH IS KING--AND WILL BE!

A chain of extraordinary circumstances have made this great bargain cycle possible, and when you know that 17 of the largest factories and manufacturers are actually making us the "dumping ground" for \$300,000.00 worth of the newest of goods in things for the home and things to wear, and that we were able to buy all we liked and anything we liked at our own offer to clear up surplus stocks and over-stocks, you'll readily realize how we are able to turn about and clear out these self-same goods to you at

ONE-THIRD TO ONE-HALF OFF REAL VALUES

The stringency of the money market has been accountable for many a freak and sharp turn in the commercial world during the past couple of months, but all the benefits have not come to the men who are keeping store. "It's an ill wind that blows nobody good," and now it's your turn.

YOU WILL BE ABLE TO BUY FOR CASH

MEN'S AND BOYS' CLOTHING for half what it cost the tailor to make them.

LADIES' COATS, SUITS, WAISTS, SKIRTS, AND UNDER-SKIRTS AND MILLINERY at less than the cost of the materials.

DIAMOND DEALERS SUSPEND
Unable to Make Collections From Customers.

NEW YORK, Jan. 7.—Four of the biggest diamond houses on Fifth-avenue have suspended, announcing liabilities at \$4,600,000. The firms are Joseph Frankel's Sons, Joseph Frankel's Sons Company, H. M. Gattie & Co., and Gattie, Ettinger & Hummel.

The liquidating trustees, in whose hands the affairs of the concerns have been placed, declare that the suspension is only temporary, and that all the firms are solvent, having assets of \$6,250,000.

The fact that some reputedly wealthy customers of the firms have been slow in paying their bills contributed to the suspensions.

It was Simon Frankel of Frankel's Sons Company, who brought the famous Hope diamond to America.

PENNSYLVANIA RAILROAD

Bulletin WHAT THE NEW YEAR OFFERS

Among the many conveniences which the genius and activity of modern times have produced, there is none more important to the conduct of human affairs than the present-day conveniences of railway transportation.

This is exemplified in the current service of the Pennsylvania Railroad. The opening of the new year is marked by increased accommodations and improved facilities.

The double daily service of through express trains from Buffalo to Philadelphia, Baltimore, Washington, and the South has been augmented by the addition of another night express...

The through day express to Philadelphia and Washington will continue to leave Buffalo at 9.00 a.m. daily, and the through trains to Pittsburgh at 9.00 a.m., 1.10 and 11.00 p.m. daily.

A line to B. P. Fraser, P. A. B. D., 307 Main Street, Buffalo, will bring you any information you may desire concerning the matchless service of the Pennsylvania Railroad.

JUNCTION MAN MEETS DEATH AT CARLETON PLACE

Peter Steele, Chairman of Grievance Committee, Was on Way to Ottawa—Notes

TORONTO JUNCTION, Jan. 7.—Conductor Peter Steele of 48 Cawthra-avenue, Toronto Junction, died at 12 o'clock to-day in St. Luke's Hospital, Ottawa, as a result of having both his legs severed above the knees by the C.P.R. passenger train No. 8 as it was moving out of Carleton Place depot last night. The unfortunate man in attempting to board the train as it was leaving for Montreal, slipped on the ice and fell directly in front of the wheels. The train crew procured a stretcher and had him removed to the hospital, but so faint was he from loss of blood that the hospital doctors never entertained the slightest hope of his recovery.

When the news was telegraphed to Mrs. Steele in the Junction she left this morning for Ottawa to attend to her husband.

Mr. Steele had been in Ottawa consulting several members of parliament regarding the legislation in the interests of his organization. He was returning to Montreal to attend a conference with the C.P.R. officials regarding some outstanding grievances between the company and men.

Next Week's Bible Conference. In these days of declensions of faith in the authority and inspiration of the Holy Scriptures, a gathering such as is to be held in Toronto from Tuesday to Thursday of next week, when no man will be more prominent than deep, uncompromising and unwavering devotion to the word of God, is an opportunity indeed, and from surrounding and even quite distant towns and cities, many are arranging to come to the first conference of the Toronto branch of the Bible League of North America.

No such important Bible gathering has ever before been held in Toronto, is the way Dr. Elmore Harris, chairman of the local branch, speaks of it.

More than a score of speakers will be heard. The Lieutenant-Governor will preside at the first meeting in the new Convocation Hall of the University of Toronto. The opening meetings during Tuesday evening and the day sessions on Wednesday and Thursday will be held in Association Hall.
