### INTERESTING NOTES OF FAST HORSES

Cassie W. Defeated at Woodstock, will Try Again Tomorrow at Hartland

A large and very much interested crowd was on hand at Island Park, Woodstock, on Thursday afternoon of last week to watch the matinee races. Of course the matched race for \$100 a side, between Lucky Strike and Cassie W. was the most exciting. This day was warm and the track somewhat soft, which accounts in some manner for the slower time. Another in the electric bell used, which is a lot more accurate than dropping the flag. Lucky Strike won out in three straight heats—and it was a horse race, the first two. In the third Cassie broke a hople, which of course proved a big handicap.

Lucky Strike now has won all his three match races, and if he keeps up his record until spring his owner will have a very cheap horse as he has already earned \$200. In Class B. Pace, Merry Wise went to a break the first heat and the time was slow. The other two heats were good and the time in the last heat exceptionally fast considering the condition of the track. In Class C. Pace, Harry Gratton won the first two heats but got hot after that and could not stand the ice flying up. He was drawn after the third heat and probably will not be raced to ice again this winter, as he is too valuable a horse to spoil. Jack D. won from Dora Wilkes.

The following is a summary:

Matched Race \$100 a Side

Lucky Strike (C. L. Black) 1 1 1

Cassie W. (G. M. McLeod) 2 2 2

Time—31, 30 1/2, 32 1/2

Class B. Pace

Sh. Peters (H. M. DeWitt) 1 1 1

Merry Wise (C. A. Poole) 2 2 2

Time—35 1/2, 31 1/2, 31 1/2

Class C. Pace

Rhona Adair (H. M. Martell) 2 2 1 1

Harry Gratton (J. W. Gallacher) 1 1 2 dr

Time—35 1/2, 35, 33 1/2, 34, 34

Matched Race

Jack D. (A. Hanson) 1 1 1

Dora Wilkes (E. Strong) 2 2 2

Time—41 1/2, 43 1/2

Starter—J. W. Gallagher, D. A. Campbell, H. Briggs.

Judges—J. H. DeWitt, C. R. DeWitt, B. D. Tingley, Houlton, Me.

Timers—V. Holloway, Houlton; G. W. Boyer.

And still the match races are not done. Tomorrow at Hartland Lucky Strike will again try to win for his owner either from Cassie W. or Lena Marie.

W. B. Thornton, owner of Teddy Bear, thinks he has speed enough to trim any of Gallagher's string, and it is understood that a match race will be pulled off at Woodstock on March 3 for \$100 a side. Mr. Gallagher will rely on College Swift to bring home the bacon. This will be some race as Teddy Bear has already shown lots of speed. College Swift has not as yet raced very fast but he certainly has lots of speed when keyed up.

An enthusiastic and harmonious meeting of track managers was held last week at Presque Isle—those of the Maritime and Maine Short Ship Circuit. Fourteen weeks continuous racing was arranged, starting July 4.

Woodstock has two dates—July 13 and 15 and Exhibition week. W. H. Goucher, secretary of the National Trotting Association, was present. The following were elected officers: President, Edgar Russ, Caribou; Vice President, Frank Marchie, St. Stephen; Secretary, D. J. Bishop, Presque Isle.

Edmundson is coming to the front as a racing centre. A driving club has been organized and they are having weekly races on the pond. Negotiations are now on for the purchase of land for a track in the spring. The popular horseman, J. W. Hall, is the leading spirit.

### GRAND FALLS

The death of Mrs. Patrick Toner occurred Wednesday night Feb. 16 at her home here after a long illness of tuberculosis. Mrs. Toner before marriage was Miss Almada McDonald, daughter of the late Dan and Mrs. McDonald; she was born in Limestone Maine in 1870, but came here with her parents in early childhood and resided in this county practically all her life. She was a very fine woman and held in high esteem by all who knew her; a loving wife and mother and much sympathy is extended to the bereaved ones. She leaves to mourn their sad loss, a husband, three sons and five daughters, one brother, one sister and three grand children. The sons are, Dan, Michael and Hugh, all at home; the daughters are Mrs. H. H. Mason of Three Brooks, Mrs. Edgar Kelly, Grand Falls, Portage, He-

Acrostock Farmers Buck the Fertilizer Companies Successful

It is reported that 64 farmers in the vicinity of Caribou clubbed together and refused to pay their fertilizer bills, alleging that the goods used were no good. They were not even satisfied at that and brought suits for damages against the fertilizer manufacturers. Just before the day of trial the manufacturers settled.

### A PIONEER OF TOBIQUE PASSES AWAY

William Johnson, Aged 89, is Removed by Death—Well Known in the Old Days

Wm. Johnson, a resident of Burnt Land Brook and a pioneer of Tobique, passed away to his eternal home on February 10. Mr. Johnson was born in Charlotte county July 16, 1832 and was the last survivor of six children. He came to what was then called Foster's Cove, taking up a lot of land and building a house in 1862. In 1863 he brought his wife, one child, father and mother to this place where he lived the remainder of his life. There were then but three other families in the place and he was the last survivor except two who came as children. For a number of years before the railway was built to Plaster Rock he put up the public travelling between Perth and Riley Brook and was widely known as a genial host. Three children, Angeline, the oldest, Enoch and Elsie have passed on before him, also his wife, Mary, preceded him nearly 12 years. Seven children remain, John B. Wm. L., Turvey W., and Mrs. C. A. Hayden of this place; J. Wilson, Oxbow, Mrs. J. W. Tapley, Maple View and Mrs. Harry Grant, Centerville. All were present at the funeral except Grant who was prevented by sickness.

Mr. Johnson had been gradually failing for some years, but was only confined to his bed for three weeks. He passed peacefully away, tenderly cared for in his last days by Turvey and his wife who lived on the homestead, John B. and Mrs. Hayden. He was a member of the Episcopal church for a number of years and died in the hope of a resurrection in Eternal Glory.

The funeral services were held at the house on Saturday. Rev. N. McLean preached from 2 Cor. 5: 1. Rev. A. Hatfield assisted in the services. Abide with Me, Thy will be done, Jesus lover of my soul, and Shall we meet beyond the river? were the hymns sung. He was laid to rest in Burnt Land Brook cemetery by the side of his wife and two children. His death is a great burden to his mind. How easy the soul that has left, This wearisome body behind.

### WINDSOR

The Farmer's meeting held at H. L. Dickinson's Friday night was well attended. The farmers seem to be very much interested in their own future welfare. They have always seemed to be content to take a back seat, as it were, but it is not going to be so any more. We were surprised and pleased to hear of the progress they are making since they became an organization. P. E. Dickinson is President, Jesse Tedford, Secretary, of our branch here. The next meeting will be at Howard Paget's, March 18.

Raymond Dickinson has returned home from the woods at Nashwaak, where he has been all winter.

A sled load of young people from Armand and several of own young people met at Mrs. H. A. Smith's last Wednesday night and had what could be called a real musical treat, as they brought several different musical instruments with them. It was well worth listening to, for who does not love good music.

Clifford Dickinson is recovering from a very bad attack of Quinsy.

S. H. Hatfield made a business trip to Hartland Friday.

## ABLE TO DO HER WORK

After Long Suffering Mrs. Peasey Restored to Health by Lydia E. Pinkham's Vegetable Compound

Toronto, Ont.—"I suffered with irregular menstruation, was weak and run down, could not eat and had headaches. The worst symptoms were dragging down pains, so bad I sometimes thought I would go crazy and I seemed to be smothering. I was in this condition for two or three years and could not seem to work. I tried all kinds of medicines and had been treated by physicians but received no benefit. I found one of your booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. I received the best results from it and now I keep house and go out to work and am like a new woman. I have recommended your Vegetable Compound to my friends and if these facts will help some poor woman use them as you please."—Mrs. J. F. Peasey, 387 King St., Toronto, Ontario.

If you are one of these women do not suffer for four or five years as Mrs. Peasey did, but profit by her experience and be restored to health.

Evidently the bullying spirit so characteristic of Germany was not all extinguished in the Great War. A few days ago one little lone Englishman ventured into one of our prominent neighbor's dooryard where a peaceable looking crew were engaged in sawing wood. No sooner had he set foot in the yard than it assumed all the warlike aspects of a "typical German front." With few words and little ceremony the Englishman was made out to be and called a liar and under this false charge he was beaten by a big German bully. Well, that will pass for this time but if we are not mistaken that British bulldog is not conquered yet and someday he will get his debts paid off in a way that may surprise the bully.

### BY-ELECTION IN YORK

It looks now as if the Farmers would have a victory in York-Sunbury by-election. They have nominated E. W. Stairs of Southampton, a former county warden and a former Conservative, against R. B. Hanson, the Conservative candidate. The farmer candidate will likely get the solid Liberal vote, the Farmer vote, and a good share of the old Conservative vote. It looks like a walk-over. The government is not likely to bring the election on in a hurry.

### STEP ON THE GAS

A few hills ahead mean nothing to the progressive business man. He is driving his car and knows that a shift of gears and a "little more gas" will put the high spots behind him in jig time.

Beyond the problems of the present is the smooth level road of the future. The outlook for business holds no fears for the men who "step on the gas and do it."

The real good times—the good times based on normal values, smaller profits and quicker turnovers, the good times of peace and plenty are right before us.

"Step on the gas!" Advertise! Advertise to your consumers at the places where conditions favor the sale of your product.

Use the newspapers to do this best.

## Prominent Western Man Praises Tanlac

G. W. Logan, Peabody, Kansas

"Tanalac has completely restored my health and I feel finer than in years," was the straightforward statement made recently by Mr. George W. Logan, of Peabody, Kansas, one of the most prominent stock-dealers in the Middle West.

"It has not only made a new man of me but I have actually gained thirty-five pounds in weight and feel as well as I ever did in my life. I am telling all of my friends about Tanlac but they can see for themselves what it has done in my case."

"When I began taking Tanlac I was in an awful run-down condition. I was away off in weight, felt weak and nervous all of the time and couldn't take any interest in my work or anything else. My main trouble was in-

digestion. Nothing seemed to agree with me. At times I would have dizzy spells and at other times my back would ache so bad that I could hardly get up and down in my chair. This is just the condition I was in when I started to take this medicine. It took just six bottles to make a well man of me. I now have a fine appetite, everything tastes good and my indigestion is perfect."

"My wife was also troubled with indigestion at times and it relieved her the same way. You may publish my statement wherever you like and if anyone doubts it, just tell them to see me."

Tanalac is sold by Estey & Curtis Co., Hartland, and by leading druggists everywhere.

### WICKLOW

We are all having difficulty in getting market for our potatoes and if we fail to get any profit out of the potato business this season we will surely profit by the experience which was in store for us, but not expected this year. "Await results and try again" is our motto.

Mrs. Stanley White has been on the sick list for ten weeks. We are all so glad she is on the road to recovery and much improved and her many friends hope for her speedy recovery.

**A NEW SONG BOOK**

"Melodies New and Old" is the title of a new song book for church services that will be published next June for the Primitive Baptist denomination. William F. Cogswell, well known musician and fine tenor singer, is chairman of the committee having in charge the arrangement, compilation and editing of this book, the other two members being Rev. A. Hatfield of Kiburn and Rev. J. M. Mallory of Hartland. The book itself, however, will be undenominational, and will contain a lot of choice new songs besides many old ones. The professor of music at Tufts College has been assisting in various ways in the work. You could probably not pick out a better person to collect and arrange sacred songs than is Mr. Cogswell, and we bespeak for this new work a great popularity and large amount of usefulness. —Fort Fairfield Review.

## THE MERCHANT PRINCE

(Fourth Estate)

There was an old geeser

And he had a tot of sense

He started up a business

On a dollar an eighty cents.

The dollar was for stock.

And the eighty for an ad

Which brought him three dollars

In a day, by dad!

Well, he bought more goods

And a little more sense

And he played that system

With a smile on his face.

The customers looked

To see his four by four.

Soon he had to hustle

For a regular store.

Up on the square

Where the people pass.

He gobbled up a corner

That was all plate glass.

He fixed up the windows

With the best he had

And he told them all about it

In a half-page ad.

He soon had 'em coming

And never, never quit

And he wouldn't cut down

On his ad one bit.

And he's kept thing humming

In the town ever since

And everybody calls him

The Merchant Prince.

Some say it's luck.

But that's all bunk—

He was doing business

When times were gunk!

People have to purchase

And the geeser was wise—

He knew the way to get 'em

Was to ad-ver-tise.

Mr. and Mrs. Lorne Curtis and Mr. and Mrs. Oscar Shaw spent Sunday with Mr. and Mrs. Russel Paget.

An accident happened on the bridge hill on Monday, Feb. 21. Mr. George Lewis' team was hauling a load of logs, the bridle chain broke, and the load pushed the horses down the hill. One of the horses hit the cement pier of the bridge and broke its neck.

Alex White of Glassville is spending a few days with his mother, Mrs. White.

A large crowd attended the formal opening of the Florenceville United School. Andrew McCain was chairman, and an excellent programme of speeches, recitations and music was rendered. The following were the speakers: The Revs. F. A. Wightman and F. O. Bishop, Messrs. Claude McCain and R. G. Mowatt, also Mrs. W. H. Fowler, the president of the Women's Institute. Miss Dorothy Stickney read an essay on Milton's "Paradise Lost." Refreshments were served after the programme. Dancing was indulged in for a short time.
