BEAVER BOARD
If you are building or going to complete some unfinished rooms, let us show you some colored samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt dispatch.

Our Office is connected with the N. B. Telephone Co.'s line by two separate lines insuring prompt attention.
Office Hours—8 A. M. to 6 P. M.

WILL ENTER HOCKEY LEAGUE

Meeting Called for Chatham On Tuesday—G. W. V. A. Will be Represented.

The G. W. V. A. have been notified that a meeting of those interested in hockey and the formation of a provincial Hockey League is to be called to meet at Chatham on Tuesday, and the local veterans will send a representative who will be authorized to enter Campbellton in such a league. As the cold weather advances the fans are taking a deep interest in this sport and it is expected many exciting games will be played here this season.

ARCHIE ALCON REMEMBERS "BILL SHARON'S TRAINER"

Archie Alcorn, past owner of Bill Sharon who was recently sold to Murphy for the Grand Circuit races presented Peter Carroll, the trainer of Bill Sharon with the exchange premium on the \$25,000 in U. S. coin received for the horse. This exchange rated at 12 per cent gave Trainer Carroll, a purse of about \$3,000.

A WONDERFUL SINGER COMING

One of the Greatest Lyric Tenors to be Heard Here for Just One Concert.

There are but few singers in this country who can so charm an audience it is claimed as Redferne Hollishead, the great English tenor, who will be heard here on Wednesday evening, December 8th. It is announced that not for fifteen years has a lyric tenor of Hollishead's equal been heard in the Maritime Provinces, and that was the appearance in St. John only of Evan Williams, the Welsh tenor, whose dramatic renderings will be recalled by those of Hollishead. The great lyric tenor who is said, in voice and interpretation to resemble McCormack, the great Irishman, whose stipend is five thousand dollars nightly, is going to sing here the songs that people know, want, and can understand, and those who miss this Concert will have very much to regret.

Jordan's Almonds at Wran's.

LIVELY MEETING OF TOWN COUNCIL

Evening Spent Discussing Erection of Proposed Barn and Warehouse.

One of the most interesting meetings of the Town Council was held in the Firemen's rooms at the Fire Station Tuesday evening. The limited capacity of the hall was taxed to accommodate the numerous citizens who were present. After routine business had been transacted the evening, until midnight was spent in discussing the merits and demerits of the barn and warehouse now under construction.

Coun. Belleisle, and the newly elected Councillor Shannon championed the cause for the tearing down or ceasing of construction, while the other Councillors favored at least the covering of the building to protect it from the storms. The action of the Fire Committee was ratified and the work will proceed.

The matter of the O'Leary property assessment was also up and considerable discussion took place. The committee was granted an extension of time to go further into the matter. His Worship Mayor Murray presided at the meeting and there were present Couns. Currie, Belleisle, Ingram, Matthews, Bisset, Jamieson and Shannon, who took his seat for the first time.

The minutes of the previous meeting were read and approved. The Clerk announced that P. M. Shannon had been duly elected to fill the vacancy in Ward II, caused by the resignation of Thos. N. Dickie. Coun. Shannon took his seat.

Two more complaints re taxes were read and referred to the Assessment and Appeals Committee.

A further report from Engineer F. W. Holt, with an account for \$300 on account of services was read and laid on table.

The application of the G. W. V. A. for permission to run a three day "Fair" in the O'Leary ice cream parlor was read and motion of permission was granted.

Various departmental accounts were ordered paid.

The Assessment and Appeals Committee reported recommending that the taxes of Chas. S. Moore, a returned soldier taking a course under the Soldiers' Re-establishment Commission be struck off for 1926; that R. Ellsworth be given a reduction of \$700.00 in assessment on property assessed twice; that Mrs. Sim. Selvas be granted \$300.00 reduction, assessed in error; that Wm. Dobson be granted a reduction of \$300.00, over assessed; and Samuel LeBlanc a reduction of \$300.00.

The report was received and adopted.

The Assessment and Appeals Committee through Chairman, Coun. Belleisle, further reported that the committee had met with the Assessors and Mr. Fred O'Leary and after discussing the matter it had been decided to recommend a reduction of \$4,000 in the assessment. Since this report had been received from Mr. O'Leary and the committee desired further time to look into the matter.

The committee was granted an extension of time.

The Police and License Committee reported that they had considered the application of Mr. Robt. Gray for a license to conduct a second hand store, but as this was really a license to conduct a pawn shop they wished the council to deal with the matter.

Coun. Currie asked if there was any bylaw governing this matter. It was very important.

His Worship said there was nothing on the Bylaws in reference to pawn shops.

Coun. Currie moved that the matter be referred to the town solicitor.—Carried.

With reference to the resolution of citizens asking that an extra policeman be appointed to devote his time to enforcing the prohibition act, the committee recommended that the matter of the government turning over a portion of the fines to the town, or paying a portion of the Chief of Police's salary be taken up at once.

The matter was referred to the By-law and Legislation Committee.

The Poor Commissioner reported that he had had an application from Mrs. Emile Roy for assistance.

HAS ARRIVED AT CHATHAM

Bishop Chiasson Given Great Reception At Miramichi Town.

His Lordship Bishop P. A. Chiasson, C. J. M., the new head of the Catholic diocese of Chatham, arrived at Chatham from Seven Islands, Que., Wednesday afternoon.

Extensive plans were made by the Cathedral congregation to extend a welcome to the new bishop. Howard McKenly was chairman of the reception committee, and M. F. Huley, the secretary. Committees had decorated the church and palace. An address of welcome to the bishop was presented.

A procession was formed from the Captain W. J. Duncan as marshal, and Alderman Thomas Fitzpatrick, as Assistant marshal. Upon arrival the bishop was met by the priests and dignitaries. Immediately afterwards the bishop and priests proceeded to the Cathedral, where an address was read from the members of the congregation was read.

In the evening a civic reception was tendered the bishop at the palace by the Town of Chatham, the council having decided to present an address welcoming his Lordship to his future home in town.

NINE CANADIAN MINERS PERISH

Caught in Fire at the Parish Mine at Jasper, Alberta.

Jasper, Alta., Nov. 23—Six men were burned to death today in a fire at the Parish mine of the Railway Fuel Company, nine miles south of Jasper, following a gas explosion in the mine. Ten others were injured, six of them seriously, and three of them died tonight.

Coun. Matthews moved that whereas the working equipment of the town had no adequate place in which to be stored, and that such a building was necessary that the Fire Protection Committee be authorized to have boarded in and roofed, and the matter of covering with fire proof material stand until a later date.

Coun. Currie seconded the motion. This was the signal for the opening of the flood gates of oratory and Coun. Belleisle held the centre of the stage for about an hour. He repeated his arguments as published in the report of Saturday's meeting and enlarged upon them.

He moved the following amendment: Moved by Coun. Belleisle that this building be torn down and whatever material has not been damaged be returned to the dealers; that the Council consider the construction of a suitable building of suitable material at such time as we can provide funds to pay for same and that it never be constructed in the winter.

This was not seconded and Mr. Belleisle offered the following:

Moved by Coun. Belleisle that the work on proposed barn be suspended until we find some way of financing an addition to the Fire Station giving room for Council Chambers, officers and warehouse.

Coun. Shannon seconded the motion.

Coun. Currie suggested that perhaps some of the ratepayers present would like to make a few remarks and Messrs. D. A. Stewart and A. A. Andrew spoke on the subject.

After further discussion the amendment was put and lost. Couns. Belleisle and Shannon voting for it.

The original motion was put and carried the yeas being Couns. Matthews, Currie, Ingram and Jamieson. Nays Couns. Belleisle, Shannon and Bissett.

Coun. Shannon gave notice that at the next meeting he would move for a statement of the exact cost of Fire Station to date.

Also that each Councillor be supplied with a copy of the Incorporation Act with amendments to date.

The Council then adjourned.

OPTIMISTIC AS TO THE FUTURE

Angus McLean Says New Brunswick's Hope Lies in Manufacturing.

Bathurst, Nov. 23—A large and representative gathering of the citizens of Bathurst assembled last evening to do honor to Angus McLean, the chief executive of the Bathurst Lumber Company, Limited, on the occasion of his return from Europe. T. M. Burns, Mayor of Bathurst, presided, and following the toast to the king, J. L. Ryan proposed the health of the guest of honor, voicing the highest esteem in which Mr. McLean is held. On behalf of the citizens of the town of Bathurst, Mr. McLean was presented with a walking stick, emblematic of the support of his fellow townsmen, in all his undertakings, after which Mr. McLean fittingly replied to the toast. Among those present, the speakers were Hon. J. P. Byrne, attorney-general of New Brunswick; O. Turgeon, M.P., for Gloucester county, all of the town, and others prominent in the business and social life of the community, by all of whom deep appreciation of the efforts and successes of Mr. McLean in the town and province of his adoption was voiced.

A very pleasing musical programme was carried out while supper was being served and towards the close of the evening and in response to the toast to the town of Bathurst, Mr. McLean gave an informal talk, outlining his impressions of conditions in Britain and on the continent and applying such conditions as might affect the business methods in Canada. Particular reference was made to the transportation and coal situation in Britain at the present time and the speaker pointed out a warning to this country as to the method in which the relations between the capital and labor should be handled, as it is of extreme importance to the future prosperity of Canada that no parallel situation to that existing in England today should be allowed to develop in this country. He also made reference to the future of Canada from a transportation and electrical power viewpoint by stating that the big future of this country lies along those avenues. Enormous developments of electrical power proposition is scheduled for the future by the various governments in the dominion and it is felt everywhere that the possibilities which lie in these developments mean a wonderful future for this country if they are properly handled. The guest of the evening was very optimistic for Bathurst's future, stating that the development now nearing completion of Gloucester hydro-electric power and the natural resources ensue new industries and a bright future. Mr. McLean enunciated the principle that the maritime provinces should become large manufacturing centres and that they should make their mark in export business. This is possible owing to the extremely favorable position which these provinces hold by reason of their excellent water facilities. The gathering was marked by extreme cordiality throughout and forms a fitting tribute to the worth of one of New Brunswick's foremost men.

STILL RUNNING.

The team ferry is still making trips between Campbellton and Cross Point. She is carrying foot passengers only because of the ice, a landing cannot be made at the regular slip, but at the market wharf further down.

READ IT ALL.

If you want to save money in purchasing seasonal goods read all of Messrs. Rosenhek Bros. adv. on page none.

WORTH.

At Campbellton, N. B. on November 24th, to Mr. and Mrs. J. A. Coleman.

Gathered by Graphic Reporters

TO CONSIDER RESIGNS.
Designs for the Laurier Memorial will be considered by the sub-committee in charge on Nov. 27th. Over fifty designs have been submitted.

THE NEXT CENSUS.
The census of Canada will be taken in June of next year and arrangements for the work are now being made at Ottawa. It is estimated that the population will prove to be not far short of nine millions.

THE NEXT MOVE.
Will the Ottawa ladies who seek adequate punishment for lazy husbands extend the scope of the discussion to include loathing sons and irresponsible daughters whose failure to help at home turns mother into a worn out, dejected slave?

INCORPORATED.
J. Fred Benson, Alexander T. Ross, and Robert Murray, Chatham, have been incorporated as the Commercial Press Limited, with a capital stock of \$5,000 and the head office at Chatham. The purpose is to take over the equipment of the Commercial (news-paper), Chatham, now owned and controlled by J. Fred Benson.

Creamed Almonds at Wran's.

REMOVED FROM OFFICE.
The Royal Gazette of Nov. 17th has the following notice:

His Honour the Lieutenant-Governor has been pleased to make the following removals:
William D. Duncan removed from the office of Justice of the Peace in and for the County of Restigouche.
William D. Duncan removed from the office of Sundry and Police Magistrate for the Parish of Addington Civil Court in the County of Restigouche.

ZION PRESBYTERIAN CHURCH.
New Carlisle, P. Q.
Services next Sabbath are as follows:
Paschepic at 10:30; Hopetown, at 2:30; Port Daniel, at 7:00.
On Tuesday at Paschepic Church the Annual Thank Offering service will be held, and on Wednesday, the mid-week service at New Carlisle, both at 7:30 p.m.

IN MEMORIAM.
In loving memory of Georgina Christie, beloved daughter of Mr. and Mrs. Wm. Christie of Ferguson Manor, who died Nov. 23rd, 1916, age four years.
Day by day we miss her.
Our brief words cannot tell,
But in heaven we hope to meet her,
Whom we loved so fond and true.

WEDDING ANNIVERSARY.
Friends of Mr. and Mrs. F. O. Landry, to the number of about sixty, surprised the popular alderman and his wife by remembering that last Friday was the twentieth anniversary of their marriage. The unexpected guests brought many substantial reminders of the happy event and made the occasion a most pleasant and memorable one.—Bathurst Light.

ANOTHER FAST ONE SOLD.
Lady Grattan, 2,000, a bay pacing mare by Grattan Royal, has been sold for \$8,400 by Archie Alcorn of Blackville, to Thomas W. Murphy of Poughkeepsie, N. Y. Mr. Alcorn paid \$5,000 to Arthur Faulkner of Montreal, for Lady Grattan in September. Lady Grattan is a half-sister of Lou Grattan, 2,000, one of the past season's two minute pacers. She was bred in Ontario. Bill Sharren and Lady Grattan were shipped to Poughkeepsie last week.

Provincial Bank of Canada.

Incorporated by Act of Parliament in 1906.
AUTHORIZED CAPITAL, \$5,000,000 PAID UP CAPITAL AND SURPLUS, \$4,100,000

A new Branch of the bank has been opened at DALHOUSIE, N. B. with P. P. LeBLANC as Manager, in the building formerly occupied by the Bank of Nova Scotia.

This bank will give the necessary support to Merchants, Traders, and Manufacturers; Good Commercial Paper will be discounted at a reasonable rate of interest.

Campbellton Branch:
L. G. Trempe, Manager.

TO LUMBERMEN DROWNED IN MAINE.
BANGOR, MAINE, Nov. 19.—Sixteen lumbermen were drowned in Chesuncook Lake, in the heart of the lumber district, late yesterday afternoon, when a motor boat took fire.

NO NAME.
A subscriber at Jacquet River registered the Graphic \$2.00 for a yearly subscription on Nov. 18th, but failed to sign name to letter. We would be pleased to hear who this was so the proper credit can be given.

TO ALL TRUE SCOTCHMEN.
The officers and members of the Caledonian Society of Restigouche request the pleasure of your company at a banquet in Gray's on St. Andrews Day, November Thirtieth, 1929, at 8:30 p.m. Supper \$2.00.
ALEXANDER McLENNAN, Pres.

FLOUR DOWN IN PRICE.
A reduction of forty cents a barrel in the wholesale price of flour went into effect here this morning. This brings the price of the 196 lb barrel down to \$14.05; the same quantity in bags is wholesaling for \$13. Asked if this would mean a reduction in the price of bread one of the prominent local bakers said that no cut would be made at present.—St. John Times.

400 MEN OUT.
Sydney Mines, Nov. 17.—Four hundred steel workers are being laid off at the Sydney Mines plant of the Nova Scotia Steel and Coal Company it was learned yesterday.

INVITED FOR ANOTHER YEAR.
Frederick Methodist Church has invited Rev. G. M. Young to remain a fifth year as pastor. Mr. Young will consider.

Creamed Almonds at Wran's.

A NEW TREATY.
Commercial circles in Halifax and other places in the Maritime provinces, particularly those directly interested in the fishing industry, are stirred by a report that by the forthcoming fisheries treaty between Canada and the United States, fish will be allowed to enter Canada from the United States free of duty. Under the circumstances which at present obtain in the fishing industry, it is declared, this will be a disastrous move for the part of Canada.—Ex.

BURNED TO DEATH.
A shocking fatality occurred Friday night at Chelmsford about fifteen miles from Newcastle when Daniel McKinley, aged 76, lost his life. Particulars are somewhat meagre, as there were no witnesses to the tragedy, but neighbors were surprised this morning to find the home of Mr. McKinley had been burned to the ground during the night and the charred remains of the aged occupant, who lived alone, were found among the ruins.

RESOLUTION OF SYMPATHY.
Dear Mrs. Bulmer:
Words fail to convey our feeling of sorrow caused by the death of our old and esteemed Brother and Friend your late husband.
Our grief at the loss of a true and trusted Brother and Friend conveys to us how crushing must be your affliction.
May the Almighty in His goodness console you in this dark hour of your tribulation.
Believe us in L. B. & C.
INDEPENDENT ORDER OF FORESTERS, Court Matapedia No. 1339.

A Kidney Remedy

Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed. Help your stomach to properly digest the food by taking 15 to 20 drops of Extract of Roots, sold as Ketcher's Kidney Syrup, and your kidney disorder will promptly disappear. Get the genuine.

NEW RAIL SERVICE TO PACIFIC COAST

Canadian National Railways inaugurate New East Fast Daily Service Between Montreal and Vancouver—Luxurious Trains in Operation.

From all points in the Maritime Provinces there is the finest of through rail service to the Pacific Coast, via Canadian National Railways. All that travel comfort can suggest, convey, or device, is here for the traveler. The most modern of steel equipment—first class coaches, standard sleepers, tourist cars and luxurious compartment cars, are on the through trains between Montreal and Vancouver. The excellence of the connecting train from Eastern points, the "Ocean Limited," is known to all travelers. The new service from coast to coast is the best that any railway offers anywhere.

The Ocean Limited, leaving Newcastle at 4:45 p.m. daily, arrives in Montreal at 9:30 a.m. the day following. Connection is made with the splendid train operating under Canadian National and Grand Trunk management, leaving Bonaventure station at 5:00 p.m. This train, with its equipment of compartment cars, standard sleepers, standard diner, tourist and colonist cars, arrives at Ottawa at 8:00 p.m., and leaving at 8:20 p.m. is at North Bay early the following morning. Port Arthur and Fort William are reached the morning of the day following and Winnipeg that evening. Leaving at 9:40 p.m. the train to the coast is continued via Saskatoon, Edmonton, Jasper, Mount Robson and New Westminster and the train arrives at Vancouver at 9:00 a.m. the third day after leaving Winnipeg.

Leaving Halifax on Monday morning for instance the traveler arrives in Vancouver on Sunday morning, just six days and a night of travelling under the finest of travelling conditions.

Particulars of this new thorough service can be now supplied by all Canadian National Railway ticket agents. Rates can be quoted and reservations made. It is a new era in Transcontinental travel that is but the beginning of a greater railway development under the Canadian National system.—Nov. 12th wks.

ROBERTSON—MORTON.
A very pretty wedding took place at the home of Mr. and Mrs. Albert Tait, Dalhousie, on Wednesday, Nov. 17th, 1929, when Mrs. Tait's eldest daughter, Marion Morton was united in marriage to Fred Murray Robertson, son of Mr. and Mrs. Robert Robertson, of Maine River, Kent Co.

The ceremony which took place under an arch of evergreens and chrysanthemums, was performed by Rev. J. H. McLean, pastor of St. John's Presbyterian Church of Dalhousie, in the presence of relatives and friends of the contracting parties, with music rendered by Miss Gertrude Miller.

The bride who wore a dress of white duchess satin and veil with a bouquet of carnations and maiden hair fern, was attended by Miss Frances McPherson and was given away by her grandfather, Mr. John Dickie. The groom was unattended.

The many beautiful gifts received testified to the esteem in which the young couple are held. The groom's gift to the bride being a set of brown wolf fur.

The happy couple left on Thursday's Maritime for a short visit to groom's parents in Kent County and on their return will reside in Bathurst.—(Gloucester and St. John papers please copy.)

ELECTED BY ACCLAMATION.
Mr. P. M. Shannon was elected Councillor for Ward II. in place of Thos. N. Dickie, resigned. Mr. Shannon was elected by acclamation, his being the only papers filed.

NOTICE OF MEETING.
The annual meeting of L. O. L. No. 64 will be held on Tuesday night the 7th December in Oddfellows Hall. Election of officers and important business for year to come before Lodge. All members are hereby notified to attend. Visitors cordially invited to attend.

That Your Home May Echo
With Quaint Carols of
Peace and Good Will
at Christmas-Tide.

The thrill of joy, the marvelous inspiration, the tremendous up-lift of hearing carols sung as sweetly, as perfectly and naturally as if the singers stood before you in the flesh; of hearing hand and orchestra music as well in every way as if the musicians were right beside you, await you now, for you are at liberty to order

The NEW EDISON—"The Phonograph with a Soul"

and have it placed at once in your home. And the payments needn't worry you, for the Edison BUDGET PLAN makes them so easy that you'll wonder you had not come for your New Edison long ago.

ASK YOUR NEAREST EDISON DEALER ABOUT THE BUDGET PLAN.

General mercantile display rates on application.

Campbellton, N. B., Nov. 25th, 1920

THE LESSON OF THE TIMES.

Increased wages obtained by labor were based on higher prices paid by the public. With prices forced down by public sentiment, a new condition will obtain bearing down upon the wage scale. A standard of living for labor higher than that of before the war is desirable. To maintain it in the face of falling prices, requires bigger production. To make industry profitable in time of low prices there must be bigger sales. Production must pursue the retreating consumer. These facts admit of no dodging. Now is the time for spirited acceptance of the lesson they teach. Ignoring them will lead to disillusionment as soon as economic laws operate. If labor has learned to live more comfortably, the new advantages it has earned are worth keeping.—Montreal Star.

THE DOWNWARD TREND.

Further downward movements in prices are shown by the monthly report prepared for publication in the October Labour Gazette by the Cost of Living Branch of the Labour Department. This report shows that the retail prices of foods averaged lower during October than in the previous month, the decreases being particularly marked in sugar and potatoes. Smaller decreases were reported in the price of beef, bread, flour and rolled oats. There were advances in prices of hog products, eggs, milk and in coal. The weekly good budget averaged \$15.83 in sixty Canadian cities at the middle of October, as compared with \$15.95 in the middle of September, \$14.21 in October 1919, and \$7.93 in October 1914.

According to the report, substantial decreases occurred during the month of October in the prices of grain, cattle, sheep, butter, vegetables, cereals, sugar, cotton, hides, some lines of metals and lumber, linseed oil, turpentine, chemicals, raw rubber and laundry starch.—Ex.

The British Food Ministry is looking to the abundant harvests in Canada, Australia and India to enable it in the early spring to wipe out the broad subsidy and substantially reduce prices.

The funeral of the late Senator W. L. Stafford was held in Vancouver yesterday afternoon. All public bodies were represented at the funeral and floral tributes were sent by the members of the House of Commons and Senate.

A Kidney Remedy

Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed. Help your stomach to properly digest the food by taking 15 to 30 drops of Extract of Roots, sold as Mother Seigel's Carative Syrup, and your kidney disorder will promptly disappear. Get the genuine.

CONCERT AT DALHOUSIE JCT. A GREAT SUCCESS.

A very successful concert was held in the temperance hall at Dalhousie Junction Wednesday, Nov. 17th. The attendance was large in spite of the very unfavorable weather. Both children and grown-ups carried out their parts well, which showed the efficient work of their trainers. The Junction people were proud of the concert which went to prove what could be done in a country district where the work is so up-hill.

Several who attended the concert found it the best they had ever seen. The proceeds went to procuring some necessities for the school. The following programme was carried out:

Address—Mr. J. Jamieson.
Chorus—School Children.
Recitation—Washing Babies—Florine Hamilton.

Tableau—"She Loves Me" "She Loves Me Not"—Lloyd Hicks.
Solo—Keitha Atkinson.
Reading—Mildred MacCurdie.

Intermission.
Dialogue—"Little Visitors"—School Children.

Recitation—"The High Cost of Living"—By Ernest Hicks.
Flag Drill—School Boys.

Recitation—"When the Teacher Came to Tea"—By Randolph Hicks.
Comic Solo—Uncle Joe.

Recitation—"Tiny Tot"—Chester Roberts.

Intermission.
Dialogue—"Out of the Sangle."

Reading—"A Yankee in Love."
Tableau—"Rock of Ages"—Annie Hicks.

Recitation—"The Dying Soldier"—By Keitha Atkinson.

Address and Recitation—"The Face on the Floor"—Mr. A. Langies.
Good Night—Chorus—School Children.

God Save the King.

A MUSICAL TREAT.

A very interesting evening was spent by the music pupils of the Hotel Dieu on the Feast of St. Cecilia—the patroness of Musicians. A program compared mainly of selections which the pupils had learned since the reopening of classes in September, was carried out very successfully, and was listened to with wrapt attention by the friends of the performers. All expressed themselves agreeably surprised at the excellence of the work done in so short a time.

Here and there between the instrumental selections a few voluntary vocal and recitative contributions were made by the pupils.

The programme was as follows:
Piano Duet—Sleigh Bell Chimes—Gertrude Cormier and Rosa Cyr.
Vocal Chorus—Homage to St. Cecilia—The Class.

Violin Duet—Home Sweet Home—Clair, Allard, accom. by Helena Allard.

Vocal Solo—"There Little Girl Don't Cry"—Anastasia Arsenault.

Piano Solos.

Wild Rose Polka—Helena Allard.

Robin Red Breast—Stella Plourde.

Tulip Polka Mazurka—Anastasia Arsenault.

Frappe Waltz, Lea Comeau.

Chicago March, Sarah Imhoff.

Vocal Selection—"Foolish Little Maiden"—Sarah Imhoff.

Violin Solo—Twilight Idyl—Marion Nadeau.

Piano Solos.

Military March, Corinne St. Onge.

Thine Own Waltz, Jean Gilker.

Blue Rose Waltz, Angelina Loudon.

Durand 2nd Waltz, Gertrude Titus.

Piano Duet—Taps—Ida Savidant and Nelly Kerr.

Violin Solo—Crimson Blushes—Jeanne Lachance.

Vocal Solo—"Million Miles from Nowhere"—Jean Gilker.

Piano Solos.

Parting Hour Waltz, Rosa Cyr.

La Coquette, Emma Shannon.

Queen of the Fairies, Nelly Kerr.

Violin Duet—Tris Waltz—Marion Nadeau, Jeanne Lachance, Troy.

Kerr, Maria Nadeau, Troy.

Piano Solos.

Chanson du Sol, Marion Harquail.

Broken Promises, Ida Savidant.

American March, Gertrude Cormier.

Sous Bois, Louise Polrie.

Vocal Duet—"Ma Photographie"—Maria Nadeau, Troy.

Piano Duet—"No Surrender"—Gertrude Titus and Louise Polrie.

God Save the King.

CHURCH SOCIAL.

The members and adherents of the Methodist Church enjoyed a pleasant social evening in the Sunday School Hall last evening. A short programme was rendered and refreshments served.

M. P. MOORES

Campbellton, N. B.

A Great Canadian Mining Region

The Province of British Columbia is fifty per cent larger than the state of Texas; and Kootenay is a 30,000 square mile block. It is covered with mountains throughout, there are masses of peaks exceeding 10,000 feet in height. And these mountains are alive with wealth; nearly all the lead and zinc and much of the silver and gold of Canada come from Kootenay, and it is the leading bituminous coal producer of Western Canada. But the surface has only been scratched; it will sometime produce a hundred-fold what it at present produces.

Kootenay has the minerals, the timber, and the pulp, and it has the waterpower to turn the wheels of a thousand mills. On the Pend d'Oreille 200,000 horse power can be developed, and on the lower Kootenay 100,000 horse power, with half a million more scattered throughout the district. Many mountain streams are power generators.

The district is well supplied with railroads. The main line of the Canadian Pacific crosses the north part of the Kootenay and the Crow's Nest line of the same railway crosses the southern part. The Lake Windermere branch, running north and south through the beautiful Windermere region, connects two lines in the Kootenay and the Crow's Nest line.

Several rail-and-lake routes connect Revelstoke on the main line with Nelson on the Crow's Nest line and the Great Northern, crossing the Crow's Nest line at Grand Forks, Trail, Nelson and Fernie; a branch of the Crow's Nest line runs from across the border to Spokane.

The leading industries of Kootenay are lumbering, mining and fruit raising. At present other lines of industry are in their infancy.

Enough of the total area is covered with forest. The question of wood-pulp is intimately associated with the lumber industry.

The demand for pulp and the scarcity of paper are felt in Canada and elsewhere. Canada has 22 pulp mills, but there is not a mill between the west coast of British Columbia and the Rocky River, a distance of over 1,000 miles.

For the purpose of mining, Kootenay is divided into two distinct parts: the coal mining field and the metal mining field. The coal measures are limited to the extreme eastern part of the district and there are no metals there. The rest of the district is rich in metals but has no coal.

There are three known bituminous coal areas in Canada, two of them on islands at the extremities of the country, Cape Breton Island at the eastern end of the country and Vancouver Island at the western end and the shores of the lakes are untapped; not 2,000 square miles out of the 30,000 can ever be brought beneath the plow.

Agriculture takes a secondary position in the Kootenay. Only along the river and the shores of the lakes are small farms. The district is famed for its big game; the mountains are full of deer, mountain goats, black bear, and smaller game of many sorts. Big game and grizzly bear frequent the mountain tops and the upper reaches of the Elk Valley.

(1) Trail Smelter, B.C.
(2) One of the Mine Buildings at Fernie, B.C.

At Trail the Consolidated Mining and Smelting Company possesses the necessary facilities for reducing lead, zinc, copper, and gold, and its Sullivan mine at Kimberley is the greatest zinc producer in the Dominion. Practically all the lead and zinc produced in Canada come from the Kootenay. The district also possesses rich deposits of fluorite and manganese.

The Kootenay is a sportsman's paradise. All the streams of that region team with mountain trout and the mountains are alive with four-footed game. The district is famed for its big game; the mountains are full of deer, mountain goats, black bear, and smaller game of many sorts. Big game and grizzly bear frequent the mountain tops and the upper reaches of the Elk Valley.

The mines of the Crow's Nest were opened in 1898, since which time they have produced millions of tons of coal. The annual production is now in excess of 3,000,000 tons. The following figures, giving the exports to the United States alone, will give some idea of the present production and potential resources of this coal field: In 1916 the coal exports to the United States amounted to \$5,117,127; in 1917, \$11,518,118; in 1918, \$11,518,118; in 1919, \$11,518,118; and in 1920, \$11,518,118.

This great coal field has been tapped only at a few points where railway facilities are available.

PLEASANT NEWS.

The directors of the Royal Bank of Canada at a meeting at Montreal today, voted a Christmas bonus of twenty per cent. to each member of the entire staff of the bank and its branches.

WINTER FAIR.

A largely increased Prize List, evening lectures by experts with Motion Picture films illustrating farm operations, and generous Freight arrangements for exhibitors, are among the new features announced for this year's Winter Fair. This Show combines the Exhibition people, demonstrations in dairying, etc., and various educational features with real entertainment. The Fair will be held at Amherst, Dec. 18th-19th.

G. W. V. A. FAIR

WILL BE NOVEL EVENT.

The G. W. V. A. fair and carnival to be held on Thursday, Friday and Saturday evenings of this week in O'Keefe's Ice Cream Parlors will be a most novel event and one which no doubt will attract large numbers. These fairs have already been held in many towns throughout New Brunswick, and not only created considerable interest but were from an amusement point of view thoroughly enjoyed. Don't fail to take in this fair and carnival. Admission 10c, dancing free. Fine music.

METHODIST PAPER ON THE MOVIES

Thinks Greater Care Should be
Exercised in Censuring
Moving Pictures.

That the movies are here to stay there can be no doubt. That they can be made a great source of pleasure and edification is questioned by none. That many of the pictures, at present being shown, are of a demoralizing and vicious character is much to be regretted. During the past week, in this community, the chief features have been the display of numerous practically nude girls, with little more apparel than the heathen loin-cloth or the traditional fig-leaf, the same performing evolutions called "rhythmic motions," to show to best, or worst effect the unbecoming female body. At matinee sessions as many as two or three hundred young children were found in attendance witnessing such exposures with all the attendant follies.

Besides these, recent pictures "for men only," and "for women only," shown ostensibly to warn the public against sexual evils, have been nothing more nor less than a prurient pandering to the morbid salacious propensities of portions of the public for the sake of gain.

Many of the pictures seem to have as their chief feature the display of illicit intrigues between the sexes. When the last moving-picture censor was appointed in Nova Scotia the promise was made that greater care would be taken in giving approval to pictures than had previously prevailed. We fail to see that there has been any improvement. On the contrary, there is evidence of greater laxity, and pictures of the most vicious tendency are common.

Is it not about time the Government waked up to the seriousness of this matter?

Now, also, that greater privileges have been given to women than ever before, should they not assume corresponding responsibilities, and as electors demand from the Government a better control, a purging of this whole movie business?

There are many temperance, patriotic, philanthropic, and moral reform associations, amongst the better thinking women, that might combine to lessen this evil, especially as it is largely their sex that is exploited in these sensational and vicious presentations. They might also be appealed to engage in such a crusade as being especially the guides and guardians of the younger children whose plastic natures are being exposed to such ruinous revelations.

Is there not also some responsibility resting upon the Mayor and councillors in this matter, especially, as in some cases the halls of civic buildings are rented to these picture show vendors? They put houses and whole families in quarantine if one member of them should happen to have the measles, or some other ailment, and pay money to prevent the breaking of the quarantine. If it were a matter of choice, far better let a whole family of small-pox patients have the liberty of the streets, than to allow some of these demoralizing pictures to pollute the eyes and hearts of hundreds of the children of the town.

It is to be hoped that an indignant public will not permit this evil to continue.—Wesleyan.

WORK PROGRESSING.
It is stated that in about two months, the excavation in connection with the drydock of the Courtenay Bay works will have been completed. The soil from the dredger is being used to re-claim about 25 acres of land, upon which shops in connection with the drydock will be erected.

HOW TO GUARD AGAINST APPENDICITIS ATTACK

Appendicitis is an intestinal infection often due to old, retained waste matter. Even though bowels move daily, poisons may accumulate in the system for months. The intestinal antiseptic, Adler-ika, acts on BOTH upper and lower bowel and brings out matter which might start an appendicitis infection. EXCELLENT for gas on the stomach and chronic constipation. Adler-ika brings out matter which you never thought was in your system. A. McG. McDonald, Druggist.

OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are getting something other than Aspirin—only an acid imitation. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, prescribed by physicians for over a hundred years and proved safe by millions for rheumatism, neuralgia, colds, influenza, headache, toothache, and for many other ailments. Made in Canada. Beware the boxes of 12 tablets—the larger sized "Bayer" packages can be had at drug stores. Aspirin is the trade mark registered in Canada, of Bayer Manufacturers of Monocellulose of Salicylic acid. While it is well known that Aspirin means Bayer manufacturers, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

Hot OXO, or better still an OXO Cube in a cupful of warm milk, is an ideal food for children. Milk with OXO can be assimilated more readily, and is a most nutritious and wholesome diet.

Tins of 4 and 10 Cubes

OXO CUBES

HIS WILDEST RIDE

An old locomotive engineer who is rated as a good mixer by his brother workmen tells how he got excited at a piano recital when a passenger named Moose Jaw, in a communication published in a recent issue of the Saskatchewan Daily Star. Brother Ernest W. Haworth, member of Lodge 33 has sent us a clipping of the communication, which is as follows:

"I was loitering around the streets one night," said A. Lemming, one of the old and best known engineers, at one time out of Moose Jaw, "and as I had nothing to do I dropped into a concert and heard a sleek-looking Frenchman play a piano in a way that made me feel all over in spots. As soon as he sat down on the stool I knew by the way he handled himself that he understood the machine he was running. He tapped the keys away up one end, as if they were gapes and he wanted to see if he had water enough. Then he looked up as if he wanted to know how much steam he was carrying, and the next moment he pulled open the throttle and sailed into the main line as if he was half an hour late. You could hear thunder over culverts and bridges and getting faster and faster, until the fellow rocked, about in his seat like a cradle. Somehow I thought it was the old 935 pulling a passenger train and getting out of the way of a general managers special. He worked the keys on the middle division like lightning, and then he flew along the north end of the line until the driver went around like buzz saw and I got excited. About the time I was fixing to tell him to cut her off a little he kicked the jumpers under the machine wide open, pulled the throttle 'way back in the tender, and how he did it! I couldn't stand it any longer—a yell to him but he was pointing his left side and if he wasn't careful he'd drop his ash pan. But he didn't hear. No one heard me. Everything was flying and whizzing. Telegraph poles the side of the track looked like a row of corn stalks, and trees appeared to be a mud bank, and all the exhaust of the old machine sounded like the hum of a tumble bee. I tried to yell out, but my tongue wouldn't move. He went around the curves like a bullet, slipped an eccentric, blew out his safe, plunged down grades fifty feet to the mile, and didn't touch the air once. He went the meeting point at a mile and a half a minute and called for more fog. My hair stood up straight. Because I knew the game was up. Sure enough, dead ahead of us was the head light of a "Special." In a dash I saw the cars shivered into atoms, people smashed and mangled and bleeding and gasping for water. I heard another crash as the French professor struck the deep keys away down on the lower end of the Sutherland division, and then I came to my senses. There he was at a dead standstill, with the door of the fire-box of the machine open, wiping perspiration off his face with a chunk of waste, and bowing to the people before him. 'If I live to be a thousand years old I'll never forget the ride that Frenchman gave me on a piano."

DEFAUDING THE KING.
In the French days in America a very profitable business was carried on by most of the rulers sent out from France in defrauding the King. Little information had the monarch of the real conditions prevailing in the land that had been found across the sea for the officers he sent to represent him there saw that only the information they had arranged reached the royal ears. So they were in a position to reap the rich harvest they saw everywhere and do so to their own personal advantage. Trade arrangements were sold by the rulers of New France so that a big share of the profits went to the governor or the intendant. Anything that was of unusual value was taken from the settlers at a price far below its value and in turn sold to the king at a profiteering rate. The prices often doubled and trebled in the various transactions made, with a fine share of the cash coming to the governor. They controlled all sales to the King of France and they made sad inroads upon the royal treasury. For a time Bigot, the intendant, used the name of Claverie in his trading. He started a warehouse near his Quebec home that was known locally as "The Cheat," because of his commercial practices. It was a money maker for the governor but a source of trouble to the monarch. In spite of all his plans, however, Bigot was far from satisfied, for there was another Frenchman in the community, Cadet by name, who was the greatest plunderer ever suffered. He succeeded in buying from the French stores goods for which he paid 400,000 francs; later he sold them to His Majesty for one million, four hundred thousand francs. This action roused the better animosity of Bigot, who desired the first place.

NEW YORK DRY IN THIRTY DAYS

Drive By Federal, State and
City Authorities—Seizure
in Hamilton.

New York, Nov. 19.—A concentrated drive is planned by federal, state and municipal authorities in an effort to make New York city dry within thirty days.

The tentative plans, a city official said, which were formulated at secret conferences during the last week, aim to end illicit buying, selling, drinking or carrying of any beverage stronger than half of one per cent. Every policeman in the five boroughs, it is said, virtually will become a prohibition enforcement agent.

Hamilton, Ont., Nov. 19.—Liquor valued at \$12,000 was seized here last night and William Goldenberg will be charged with a breach of the O. T. act.

Run Down

Do you suffer from headaches, followed by fits of dizziness, and an overpowering feeling of irritability? Do you feel drowsy, listless and irritable? Are you run down?

Then you should consider whether your kidneys are performing their functions properly. You should let the pills do for you what they have done for thousands of others. Gilt Pills will relieve you of your distress, by promptly assisting the kidneys to healthy action. Get a box from your druggist or dealer, with money-back guarantee. If they fail to help you, we send for free sample for National Drug & Chemical Co. of Canada, Ltd., Toronto, Ont. U. S. residents should address: No-Dru-Co., Inc., 202 Main St., Buffalo, N.Y.

GRAVES MARKED.

Some six thousand graves located in twelve hundred cemeteries throughout the Dominion will be marked with suitable headstones, beautiful and given perpetual care by the Imperial War Graves Commission. These are the graves of members of the Canadian Expeditionary Force and of the Royal Air Force who died in Canada or on their way to or returning from the front.—Ex.

The Melbourne Age, in a editorial on the appointment Commissioner to represent the Australian Commonwealth at Washington, says that opposition to the appointment is growing.

A total of \$48,487 to the date has been secured in the Navy League of Canada campaign in Montreal district, it was reported yesterday, and the objective of \$50,000 is, it is stated, now assured.

NINE PERISH IN QUEBEC VILLAGE

Two Women and Seven Children Burned to Death Near Mont Joli.

Quebec, Nov. 21.—Two women and seven children were burned to death in the little village of Padoue, Matane county, this evening, according to advice received from Mont Joli. The fire, according to meagre details which reached here, was caused by the explosion of a tank of gasoline and the flames spread so rapidly that Mrs. Thériault and Mrs. L'Heu, as well as seven children, perished in the fire.

"Fruit-a-lives" Restored Her To Perfect Health

155 PATERSON AVE., MONTREAL.
"For three years, I suffered great pain in the lower part of my body, with swelling and bloating. I saw a specialist who said I must undergo an operation. I refused. I heard about 'Fruit-a-lives' so I decided to try it.

The first box gave great relief; and I continued the treatment. Now my health is excellent—I am free of pain—and I give 'Fruit-a-lives' my warmest thanks."

Mme. F. GAREAU.
Box, 6 for \$2.50, trial size 50c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

Catarah Can Be Cured

Catarah is a local disease greatly induced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARH MEDICINE is taken internally and acts through the blood. HALL'S CATARH MEDICINE destroys the foundation of the disease, gives the patient strength by improving the general health and restores nature in doing its work.

All Druggists, Chemists, etc., sell it. F. J. CHASE & CO., Toledo, Ohio.

Dye That Skirt, Coat or Blouse

"Diamond Dye" Mends Old, Shabby, Faded Apparel Just Like New.

Don't worry about perfect results. The "Diamond Dye," guaranteed to give a new, rich, fast color to any fabric, whether wool, silk, linen, cotton or mixed goods—dresses, blouses, stockings, skirts, children's coats, draperies—everything! A Direction Book is in package.

To watch any material, have dealer show you "Diamond Dye" Color Card.

SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapnein" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time 31 In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapnein is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapnein from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

AMTAN HAD SEVERE

Proof Found In Remains In a Pueblo Ruin.

Among the interesting relics in the Pueblo ruin at Ames, New Mexico, is the skeleton of a twenty-year-old girl bearing the evidences of a severe injury and of primitive surgical treatment.

Carl H. Morris, who is in charge of the excavation, states that the remains found on the floor of room 39 of the ruin, had been wrapped in three layers of material; the first, in excellently woven cotton cloth; the second, a mantle of feather cloth; and the third, a mat of platted reeds. The skeleton lay on its back, tilted somewhat toward the left.

The left hip was badly fractured, portion of it having been broken away as a unit. In the neighboring region there was one broken bone and dislocation. In addition, the left forearm showed two breaks and extreme displacement. Concerning this interesting find, Mr. Morris writes:

"At least six splints surrounded the broken arm. The two on top were removed to give a better view of the region beneath. These splints are of wood and average 7 inches in length, 1/2 an inch in width and 5-16 of an inch in thickness. They are of fairly uniform size throughout their length, being not mere splinters but pieces of wood dressed to the desired form.

Each is flat on its inner surface and curved on the outer side. All the bindings which had held them in place were decayed beyond recognition.

"From the condition of this skeleton, the conclusion may be drawn that the treatment of the fracture of the pelvis, if it was recognized at all, was beyond the skill of the primitive surgeon. The treatment of the broken arm, however, was within his province. As death resulted before sufficient time had elapsed to permit healing to begin, the skill of the surgeon must remain in doubt. The bones overlap, at the point of fracture, in a way to leave uninvolved the question of the accuracy with which they were set. In an ordinary fracture of this kind, the tension of the muscles would not retract the extremities a full two inches. But in a fracture resulting from a fall from a considerable height, where the force of impact was received by the palm of the open hand so that the shafts of the bones might be driven out through the flesh, such extreme displacement would not be unexpected.

If the treatment was of this character, and the splints were left in their position, they are eloquent of a rude and bungling technique.

"There is equal probability, however, that the overlapping took place after death.

"It would be interesting to know definitely whether or not there was an attempt to place the ends of the bones in apposition, in order that an estimate might be made of the skill of the surgeon. The major fact, however, is established—namely, that Pueblo practitioners of the Stone Age had already learned to use splints in the treatment of fractures."

Do You Buy At Home?

WHEN YOU require Printed Stationery or Printing of any kind it is not necessary to send your order to a distant city. Your local printing offices can attend to all YOUR needs.

Buying at home; trading one with another so far as is possible, is the fundamental principle underlying the growth and trade expansion of every community. A dollar spent with your own merchant, manufacturer or printer may again come into your hands, but a dollar sent to a distant mail order house, print shop or factory is gone from your community forever.

Most delightful collection, and with it just as beautiful and complete as any set of dolls' furniture ever made. The furniture is made of solid wood, and is painted in the most realistic manner. The dolls are made of porcelain, and are dressed in the latest fashion. The set includes a bed, a dresser, a table, a chair, a lamp, a clock, a mirror, a rug, and many other pieces. The price is \$10.00, and the set is available in all toy stores.

JAPAN LOOKING FOR OUTLET

Congested Condition of Own Territory Makes Immigration a Necessity.

Tokyo, Nov. 19.—How to find vent for her surplus population, now increasing at the rate of three quarters of a million a year, is one of the most difficult problems facing Japanese statesmen, and may in some measure explain the nation's expansive policy.

The cry for a white Australia is echoed by Canada and the United States. Where, then, is Japan to find an outlet for her people, now more than 350 to the square mile?

As most of the more sparsely settled lands of the world are under British or American rule, Japan naturally looks towards them to assist her out of the dilemma; and because they hesitate to offer any solution to the problem, and at the same time bar the door against Japanese, while admitting Germans and others, Japan cannot understand their avowals of friendship.

She holds that race prejudice must be hopelessly ingrained when it refuses to find relief for labor troubles by welcoming the more efficient and strenuous toilers of the Far East.

Japan regards the immigration problem as something more than a question for her or for any one nation, as a matter that should concern humanity.

It may be that she will find some measure of relief in the new fields being opened up in Manchuria, Siberia, and Saghalien; but the Japanese are not naturally a northern people; they do not like a climate of low temperature, and so are not likely to migrate in any considerable numbers northwards unless there is abnormal profit in it, and even then but temporarily.

After the forests and mines are exploited, it is improbable that the Japanese will care to remain.

SUNDAY SCHOOL CONVENTION.

The Maritime Sunday School Convention session met in Charlottetown last week. Dr. M. A. Horline, Dayton, Ohio, delivered an address on "The Essential Place of Religion in Education." Rev. J. H. Anderson, Chatham, presided. The visiting delegates were welcomed to the island by Lieutenant Governor MacKinnon.

LOOK!

If you were told of a new discovery for the treatment of coughs, colds and bronchitis, as certain in its action on all chest troubles as aspirin is on all fevers, or vaccination on small-pox, wouldn't you feel like giving it a trial?

Pepe is the discovery! Pepe are little tablets, containing certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are at once inhaled, doing for the air passages to the lungs what the physician does with the inhaled and irritated membranes of the throat.

Pepe is a word, while no liquid or solid can get to the lungs and air passages, these Pepe fumes get there direct, and at once commence their work of healing.

FREE TRIAL. Cut out this coupon, fill in the name and date of this paper, and mail it (with 1c stamp to pay return postage) to Pepe Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Pepe, 50c. box.

REPORT CURES IN MONTREAL CHURCH

Montreal, Nov. 18.—Deaf ears unstoppered, mute tongues loosened, palsied and atrophied limbs restored to their normal functions, so that crippled and palsied people walk off a platform without the aid of a deaf-mute spoke and gave evidence of ability to hear, were witnessed tonight in old St. Andrew's church on Beaver Hall Hill before a crowded congregation when Mrs. Aimee McPherson, a woman evangelist from Ontario, exercised her healing ministry.

For more than an hour there was a steady stream of old and young men, old and young women, girls and children, some of whom had to be carried down the stairs and walked up and down with her arms in the air.

The mission, who is here for a fortnight, declared in a short address that divine healing and salvation should go hand in hand.

SPECIAL MEETING OF TOWN COUNCIL

Matter of Barn and Warehouse Discussed And Matter Left Over.

A special meeting of the Town Council was held Saturday evening in the Firemen's Hall to consider the matter of the erection of the barn and warehouse now under construction.

There were present Councillors: Belle Isle, Bissett, Ingram, Jamieson and Matthews.

Coun. Matthews explained that the meeting had been called upon the request of two Councillors for the purpose of discussing matters in connection with the building of the barn and warehouse now under construction.

Coun. Matthews said that at a meeting of the Council held recently the matter of this building was discussed, and the Fire Committee understood that they were to go ahead with its erection.

It was planned to make the building large enough to store the town equipment which was not in use, as well as hay and oats for the horses.

The committee unfortunately could not get men to work at an earlier date. He always understood that the committee had authority to erect the necessary building for storage in connection with the Fire Station.

The committee composed of Couns. Devereau, Currie and himself looked over the ground and decided to erect the building as now under way.

Coun. Bissett said that he did not remember discussing the matter recently. According to his recollection the plan was to tear down the old sheds and use the lumber from them for the new building.

Coun. Matthews said that if it was the intention to tear down the old sheds and erect a manure and hay shed on the Fire Station grounds, that would not cover the elaborate building which was now under way.

He asked if a motion passed a year or more ago would authorize the committee to go on with the building.

His Worship replied that it would, unless rescinded.

Coun. Belle Isle said the chief objection was the going on with the building at this particular season of the year particularly after last year's experience. Then a building of this nature would, if erected close to the Fire Station, increase the insurance rates.

He asked if the Fire Committee had authority to go ahead with the building and make the whole Council liable. As he understood the matter there was absolutely no authority to proceed with the building. And why the risk to build now. Since 1910 we have been able to get along with the sheds on the old lot to store equipment.

If there was not room there now, he felt sure there were empty warehouses which could be procured almost for the asking. It was not right to place a building of this kind right on one of the main streets of the town and it would greatly depreciate the value of the residential lots near it.

The town had nearly enough tiles left over to build this building and if delayed until next summer could build of the cheaper than of wood now. He would wager that next spring material would be thirty to forty per cent. cheaper than now, besides getting more efficient labor during the summer months.

There was absolutely nothing on the minutes to authorize this building. On Aug. 3rd, the committee was instructed to look into matter and report. The erection of the building was illegal.

Coun. Ingram asked if plans of Fire Station did not show a warehouse at rear. He was opposed to building a barn at the front of the lot.

Coun. Matthews said that he did not want the people to think that he or the committee had gone ahead without authority. It had always been clear to his mind that the committee had the necessary authority. At one meeting, he had asked His Worship if it was necessary to put through a motion covering this building and had been informed that it was not necessary.

His Worship—Not for a manure shed.

Coun. Jamieson said that he remembered discussing the erection of a warehouse. The size of the lot was figured out and it was decided that there was plenty of room towards the rear.

Coun. Belle Isle suggested if it was decided to continue with the erection that it could be moved back thirty or forty feet.

Coun. Bissett moved that the Fire Protection Committee have a small sketch made showing the lot, locations of Fire Station and proposed new building with dimensions, and submit same at the next meeting and that work be suspended until the Council decides in the matter at the next Council meeting.—Carried.

The Council then adjourned.

SHOW MAN CORPSE TO PROVE HE'S DEAD

Lieutenant Says He's Alive—The War Department Says No.

Everett, Mass., Nov. 20.—Lieut. John C. Gramstorff is awaiting the arrival of his corpse from France. His "death" was announced officially and the War Department refuses to consider his repeated claim that he is alive.

The department, as a final effort to convince Gramstorff of his error, has shipped his body here.

Gramstorff is to inspect the body on arrival. He declared he will under no circumstances identify it as his own. But he is worried over the problem of attending his own funeral.

SUFFERING OF YOUNG WOMEN

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side and with cramps, growing worse each year until I was all run down. I am a childless mother, as I was so bad at times that I was unfit for work. I tried every medicine, but my condition did not improve. I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am now free from pain and cramps, and to say it has saved my life. You may use my letter to help other women, as I am only too glad to recommend the medicine."—JAN KENT, 42 Blanford Ave., Toronto, Ont.

Girls who are troubled as Miss Kent was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. These letters will be opened, read and answered by a woman and held in strict confidence.

Gifts Which Suggest the Spirit of Hospitality

AGAINST a background of fine damask, under the glow of softly shaded lights, rich silverware gives added charm to entertainment. Holmes & Edwards silverware is silver of the most enduring sort. The beauty and dignity of its lines, in either Jamestown or De Sancy, are as lasting as its metal. Refined pattern is one of which you will never tire.

HOLMES & EDWARDS—as your jeweler will explain—is protected at the wear points. In SILVER-INLAID blocks of solid silver are fused into the back of the handles and bowls, guaranteeing the hardness of silver wherever friction comes. In SUPER-PLATE these points of wear are protected by an extra deposit of pure silver.

The STANDARD SILVER CO. of Toronto, Limited.
