The copy filmed here has been reproduced thanks to the generosity of:

Thomas Fisher Rare Book Library,
University of Toronto Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Thomas Fisher Rare Book Library,
University of Toronto Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The smallest quantity of Japan Tea Siftings I can ship by itself, freight paid, is 20 pounds.

I have Extra Choice Green Tea.....at 50c. per pound.

Extra Choice Black Tea.....at 50c.

Extra Choice Japan Tea... ..at 40c.

These Teas are very Delicate Fine Flavors, but I would recommend my Forty cent Teas for value.

In my November Price List last year I made a proposition to young men who might wish to make money, by selling Tea during the winter months, and as it has proven a success, I now renew it.

Any young man may send to me for special samples of Teas, from which to select, he can then canvass for orders on the samples I send him free of charge, he then sends me the orders accompanied by the money and I will ship the Tea put up in five or ten pound Caddies.

It does not cost anything to give it a trial.

I have several young men at this business. I put it in tin or wooden caddies ; it will not cost anything to give it a trial.

I enclose in this book several blank order sheets which you may find convenient in sending orders.

Sugars.

Sugars have advanced considerably of late and my prices by the barrel are as follows:—

Bestpath's Extra Granulated Sugar.....	8 1/2 cents per lb
Bright Yellow Sugar.....	7 " " "
Diamond Sugar.....	6 1/2 " " "
Best Raw Sugar.....	6 " " "
Cut Leaf Sugar in 50 lb. boxes.....	9 " " "

Sugars put up in half Brils. 3 cent per pound extra simply to cover the cost of the half barrel. These prices are freight paid to your nearest Railway Station in Ontario.

James' Baking Powder.

James' Baking Powder is the leading article for tea biscuits—in fact for all kinds of baking that baking powder is used in. I sell tons of it, so it must be satisfactory. Price \$2.00 per doz. or 17 cents per tin.

Syrups.

Best Syrap in pails of 3 gall.....	at \$2.00 per pail.
Best Syrap in half brils, about 25 galls.....	at 60c per gall.
Molasses in half brils, about 25 galls.....	at 40c. "

I can put the Molasses in 3 gall. kegs at 40 cents per gall.
Kegs charged 30 cents each.

My Syrap in pails is a new article, and I would call your special attention to it. Being put up in 3 gall. pails all securely sealed so that there is no danger in shipping it. All you have to do is to break the cement, draw the cork or bung and you have it ready for use.

Always send your Post Office, Station and Railway on every order and sign your name in full, as I very often receive orders without them, and I have trouble in finding the names of senders.

I cannot put up more than Half Barrels of Sugar, about 120 lbs.

Directions for Shipping Poultry.

In preparing your poultry &c., for shipping do not feed them for twenty-four hours before killing; do not pack them in a box until the animal heat is out the fowl.

Do not cut the heads or feet of Turkeys and Geese as they are sold by the pound, *pluck the feathers only* and do not scald the fowl.

If you should have any wild fowl or game such as Partridge, Wild Ducks, Deer, Rabbits &c., ship them just as they are killed, but do not pack them in a box until the animal heat has left the body.

If possible ship your fowls so that they *will not* arrive in Toronto on Saturday as there is generally more received on that day than there is demand for, and therefore I have to keep them over till Monday.

Do not ship Poultry in mild weather.

My Leading Teas are,

Number 99 Japan Tea.....at 30 cents per pound.

Put up in Tin Caddies.

Number 102 Congou Black Tea.....at 40 cents per pound.

Number 105 Hyson Green Tea.....at 40 " "

These Teas are giving the best of satisfaction.

Directions for Shipping Poultry

Butter, Eggs, &c.

I very frequently have letters from my customers, asking me what price I can give for Butter, Eggs, Poultry, &c., so I take this opportunity of replying in general.

Any of my customers having Butter, Eggs, Poultry, &c., to dispose of may ship them to me and I will sell them and make returns as soon as sold. But I do not buy them myself simply sell them to my customers in the City at the highest prices I can get.

In shipping any produce always send a letter and state whether you wish me to remit the money or or place it to your credit.

It is very convenient for the Farmers to have a place to ship their Butter, Eggs, Poultry &c., and receive Toronto Cash prices, and I do not charge any commission for them, as I have a large number of Stockkeepers in Toronto who deal with me for Groceries and expect me to supply them with Butter, Eggs, Poultry &c., so I can oblige the Farmer and Stockkeeper at the same time.

I have quoted lowest Wholesale Prices on my Teas, and I am satisfied if you give them a trial you will continue to use them as they are exceptionally good values.

In future I will allow two and a half cents per pound on Teas ordered by the half chest as it costs me about that much to put it in caddies. This will be freight paid to your nearest Railway Station. Half chests Tea weigh from 60 to 70 pounds.
