# Obitnar o.

To the Editor of the Provincial Wesleyan. MY DEAR SIR,-Will you p'esse transfer to the columns of your paper, the subjoined obituary notice, which is taken from the Temperance Journal, St. John's, N. F., of the S1st ult. I am sure that a great many of your readers, indeed us another member. all of them in Newfoundland, and all in these Provinces who have known our church in St-John's at any time during the last thirty-five years, will thereby be much gratified.

" In the death of Mr. Joseph Bacon, recorder the "old standards"-another of the connecting links which bound us to the generation of which he was a representative. The fact that Mr. Bacon spent most of the threescore years and ten that made up bis life, in the active pursuit of his profession as a school-teacher in this comof both sexes-the writer among the numbernow mostly grown into matured men and women, were indebted to him for the means-im tion, warrants the application of our columns life was a laborious and a useful one. Charged with the responsibility of a school numbering except for a brief period of absence from the country-until the day of his last illness His ol, during the vigour of his life, was reckonsembled in happy barmony the children of pa rents of every creed and party. The government grants to public schools, and the separa with the success of such private establishments for that department of the work of God. as that conducted by Mr. Bacon, and he with others suffered from the change. The benefits of his tutorship were not forgotten however by those-now become parents, and with children of their own-who had erjoyed these advantages; and so, he was found in active employmens to the very close of, life, and died in har-

On Wednesday of the week in which his death took place, he dismissed his scholars at 11 o'clk., sweet access at the mercy seat. A more meek centage of increase on the subscriptions of the saving that he did not feel very well ; but neither they nor he anticipated that this was their last meeting on earth, that the school-books were now clused and the school-room vacated, and the something very touching to us in thought that of him a few days previous to his death, while not effectively applied is because the matter is and felicity of expression. At one point the hard, weary work of school duties, with no interval of rest and retirement as the evening shades of life came on. But who shall say that it would have been better otherwise ; who shall say that duty, but so to live, as to meet him is heaven. such devotion to duty shall not make rest sweeter where only rest can be sweet-that such a apeedy transition from earth to heaven will not receive the commendation, all the more promptly and heartily given-"Well done, good and faithful servant." Mr. Bacon will be rememremem bered by many of our readers for disinterested services of another kind. He was one of the old school of good musicians, and while he contributed cheerfully to those public concerts of a secu | ing language : lar kind, which were enjoyed and will be pleasantly remembered by many in this community, he also discharged the duties of organist in the Wesleyan Chapel during the later years of his life. May be enjoy an eternal rest."

If it were admissable to extend this article much might be said concerning Mr. Bacon', skill in sacred music. His knowledge of that branch of his profession was very extensive, his taste therein refined, and his judgment intelligent and notably good. He performed well on several instruments, but he enjoyed the organ most of all. Some who witnessed his execution when the organ was first used in our church in when the organ was first used in our church in St. John's, will perhaps never forget the occasion.

for the grave, was committed to the sanctuary of J. G. HENNIGAR the dead. Avondale, Aug. 17. MEMOIR OF CAPT A. SMITH OF AVONDALE.

Yet again has the messenger of death been permitted to visit our little zion, and take from Many years ago, brother Smith gave his heart to God, and became a member of the Methodist church. For a length of time, he followed his occupation as master mariner, and it was his

For the Wesleyen. Human Life a Day. When the light of day is dawning, And the darkness hastes away, O, how beautiful is morning ! Tis the early youth of day.

O, how lovely day advancing, To the bright meridian blaze; Life in nature, joyous dancing ! In the sun's reviving rays.

But the scenes of summer, even, Are more beautiful than those, For it seems that earth and heaven Blest together at the close.

O, how besutebus life's fair morning What a mingling, smiles and tears Soothing voices, notes of warning, Nursidg hopes, arousing feare

Tears of life around us gather Sky with clouds oft overcast, Christians triumph in their father : Sunshine travels near the blast.

acend the hill with patience Fearing not the shades of even, Richest, sweetest consolations At the closing time are given.

August 20, 1869. G. O. H.

At the special request of a friend we copy the ing lines from . The Halifax Ren Impromptu on Seeing Prince Arthur.

Oh, Royal Mother ! gazing at thy Son Hath stirred the inmost pulses of my scul, To almost worship poor humanity,-For in that form I trace,

The lineage of his noble Sire :

While on his brow is shed The mellowed lustre of his gentle mother

She who reigns not only in the State. But, in the hearts of all that breathe beneat

that rule

Which owns her mistress of a royal Sceptre, England's mother-Queen-and Friend-

Yes, such a friend and such a Queen ! That we must tender all the homage of our hearts In gratitude and love to Him who gave the boo

We call our own, Receive, oh ! then receive, -Thou Power Divine ! That rule'st a nation's destiny ! The pent up tribute of our adoring Souls For this-thy peerless gift.

And oh I may thy protecting arm, Lead him throughout the mazes of this world, And guide him too the blissful shores

Of an abiding peace. NINA. Halifax, Aug. 25, 1859.

Friendship and Influence.

To find a wise, good friend is harder than to find a real Christian. And for this reason : The lawyers, clergymen and laborers, -- who, at vaexcellence of some kinds of machinery is that rious times, were seized with the general thirst, they can work up material so poor that other and were rushing madly after the fortune offerthey can work up material so post that other and were funding and who yet paus-kinds can make nothing of it. And our Christi-an religion is, in that, just like them. It can, ed and renounced the struggle as we set before from his disease, he found himself in the coi's them its guilt and perils. are naturally of so mean

with your pity. For pride is like a rock in a blime. The memory of scenes, events, and char-in a snowdrift in April—everything else may melt around it, but still it stands bold and high as eyer. He may have lost a gool name, and teath, and character, an hope almost with his pride untouched. Do not wound it. Better get him to make the first start out of pride than not

at all. That may be like some part of a drown- became pastor of the Congregational church ating man's dress, the only thing left on the sur-Hammersmith. face for you to take hold of and save him.

But to care upititual power smong your sc. Gop intends every accident should minister quaintance, you must have spiritual character. to virtue, and every virtue is the mother and The gentleman of dullest wit and coldest heart is the nurse of joy, and both of them daughters not no doll or cold as not to see it if his friend of the Divine goodness ; and therefore, if our has something divine in him that makes him victor over the world, with all its hopes and fears. But you can do this by no mere show of activity, no busile and stir as a Christian. It would save us by all means, and all varieties, must be by such indwelling of God, such large-by health and by sickness, by the life, and by ness and richness of heart as shall show that there the death of our dearest friends, by what we are deep soundings in you, that behind all you choose, and by what we fear ; that as God's say for Christ there is immeasurably more than providence rules over all chances of things and is left unsaid. You cannot do this for yourself. all designs of men, so his mercy may rule ov-But take Christ in with a welcome, and it will er all his providence .- Jer. Taylor.

be as when the potter, putting his hand into a lump of revolving clay, hollows and spreads it into some shape of beauty. Christ worketh in the subject of Scripture was under discussion, you to will and to do of his good pleasure. Now, power gained in this way can do, through Brother W \_\_\_\_\_ said, early in his ministry he friendship as a means, great service to men. and another brother were conducting a meeting 250,000 Feet of Matched Spruce Hardly any means will work more widely or ef. in which there was much religious interest. it, what we have never been able to say of any other medicine—never has it failed in a single m-stance to effect a curs, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delight-est commendation of its magical effects and medi-cal virtues. We apeak in this matter " what we do know," after 30 years experience, and pledge our reputation for the fulfilment of what we have declare. In almost every instance where the in-fant is sufficing from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. The PAIN MILLER is by universal co allowed to have won for usef a reputation and passed in the history of medicinal preparation its instantaneous effect in the entire eradication as extinction of PAIN in all its various forms ind dental to the human family, and the unsolicit written and verbal testimony of the ma our, are its own best advertisements.

The isgredients which enter into the Pain Killer, being purely vegetable render it a per fectly safe and efficacions reunedy taken internal This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NUR-ES in New England, and has been used with never

fectly sale and efficacions remedy taken internal as well as for external application, when use? cording to directions. The slight stain npon is from its use in external applications, is readily w moved by washing in a little alcohol. This medicine, justly celebrated for the curst so many of the afflictions incident to the burns family, has now been before the public over twent years, and has found its way into almost ever somer of the world; and wherever it is used, it ame opinion is expressed of its read medical proame opinion is expressed of its real medical

In any attack where prompt action upon the s tem is required, the Pain Killer is invaluable, almost instantaneous effect in it effectiving Pai is truly wonderful; and when used according dimensional interest in the set of the set o and overcome convulsion, which, if not speedil remedied end in death. We believe it is the bes

remedied and in death. We believe is is the bes and surest remedy in the world, in all cases of Dysentery and Diarrhosa in children, wtether it arises from teething or from any other cause. We would say to every mother who has a child willer-ing from any of the foregoing complaints—do not let your prejudices nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to foliow the use of this modicine, if timely used. Full di rections for using will accompany each bottle. A PAIN RILLER it is, in truth, a Family Medicine, and should be kept in every family for immediate use. Person iravelling should always have a bottle of the remedy with them It is not unfrequently the cas that persons are attacked with discase, and before medical aid can be procured, the patient is beroff the hope of recovery. Captains of versels should always supply themselves with a tew bottles of the remedy, before leaving pott, as by doing so they will be in possession of an invaluable remedy a resort to in case of accident or sud in attacks lokness. It has been used in

Eevere Cases of the Cholers, A COUGH. COLD. and never has failed in a sing'e case, where it m roughly applied on the first appearance ( To those who have so long used and proved Requires immediate attention, and should be checked, if allowed to merits of our article, we would say that we s continue to prepare our l'ain Killer of the best an purest materials, and that it shall be every an worthy of their approbation as a family med Irritation of the Lungs, a Permanen Throat Affection, or an incurable Lung Disease is often the result.
