Town and County News

STOCK SOLD—Mr. Wm. Whitelaw the other day sold three very fine thoroughbred bull calves and a thoroughbred heifer to Mr. Roberts, of Iowa, Ill., for a good price.

QUEEN'S PLATE—The Queen's Plate was run for in Hamilton on the 1st, and was won by "Swallow" in 2.51, she taking the lead from the first.

ACCIDENT—On Tuesday, as two young men were returning from Aetion with their teams, they were racing and managed to run foul of each other. One of whom had a bad spill, the upper strings of his rig coming on top of him. He will recover shortly.

HORSE KILLED—A valuable colt owned by Mr. J. B. Coates, of Aetion, was killed the other day by a passing train, east of that station. He got out of the pasture, which is along side the track, but the train caught him before he had a chance to return.

BABY BURNED—On Saturday last a son of Mr. John Montgomery, gardener, got his face and hands badly burned by the falling of a ball dipped in coal oil, which was ignited, thrown, and fell on his face. Dr. McGuire is attending him, and he is doing as well as might be expected.

THE RESULT OF A SPREE—A man named McMaister, a spinner from Hespeler, got into a scuffle in a tavern on Macdonnell street on Wednesday evening about five o'clock, and the result was that his leg was broken and his ankle dislocated. Dr. Cowan was called and set the limb, and the patient was taken home late in the evening. At last accounts he was doing well, although the injury is very severe.

RUNAWAY IN FEROCIOUS—A serious accident occurred on Tuesday. As a young team of horses were standing on a street they were startled by a fire-cracker going off, and ran away. A man named Scott, of Luther, who tried to stop them, was struck on the head by the tongue of the wagon and knocked down, the horses trampling on him, and the wheels passing over his body. His leg is a very badly cut, and his name is also hurt.

SERENADE—THE MERCURY Office today was honored by a serenade from the splendid Band of the Perth Battalion, while on their return to camp from Stratford, where they were on Dominion Day. They charmingly played a couple of airs, which they played in first-class style. The Mercury staff thanks them for the compliment and congratulates them on their handsome appearance, and on their marked efficiency as musicians.

JULY FAIR—The fair to-day was not very largely attended, owing partly to the season and partly to the change of day in holding the fair. There were more cattle on the ground than was expected. Stock in good condition fetched from \$4 to \$4.75 per 100 lbs. A good number of sheep were on the ground, and sold from \$25 to \$40 according to quality. Working cattle fetched from \$80 to \$100. The fair on the whole was better than might be expected at this season of the year.

STYLISH RIG—We noticed yesterday that Mr. A. H. Megaffin drove out in his new carriage, built by J. B. Armstrong & Co. It is a splendid rig, and one of the best we have seen in this part of the country. The rigging, &c., is perfect of the kind, and the whole reflects the greatest credit on the builders. The harness was made by J. A. Tovell, is also gold-plated, and is superior to any we have seen at our exhibitions. Mr. Megaffin is doing a large business in the book trade throughout Ontario, which gives assurance to his credit. He is one of the leading business men in town.

Pic-Nic—The children of the North Ward School had a fine picnic on Monday, 29th ult., in Mr. J. Robertson's bush. They turned out to the number of one hundred, and the picnic was a most enjoyable one. The children were supplied with a most plentiful supply of provisions with them. The Misses Smith and Mr. Anderson were there, and judging from the way they romped and played with the young folks they enjoyed themselves as much as the children, and we all know how they relish such a gathering. I need scarcely say that the picnic was a most successful one, and that all the children were well supplied with provisions, which, by-the-by, are becoming rather popular, in which boys and girls all joined. One race was for a ball—won by a boy; another for a piece of money, in which two girls came in for a share; another for nuts, &c. The children assembled at two o'clock p.m., provisions were served about four, and the picnic was over about eight o'clock, all very highly pleased.—Cont.

REPORT TO THE MOUNTED POLICE—A letter from Emerson, Manitoba, to the Daily Dispatch, of the 24th ult., says that during a tremendous storm of thunder and lightning the three hundred horses of the Canadian Mounted Police, which recently passed through St. Paul from Canada, impeded, running over tents, men and officers, and against or over wagons or any obstacles in the way of their wild flight. Many men were injured and many of the horses lost or disabled. The wounded were immediately cared for by the surgeons, whose tent was held in its place by six strong men.

The robins are destroying nearly all the cherries in the locality of St. Catharines. None but fruit growers have any idea of the immense amount of damage that these birds are capable of doing, and it is becoming a serious question whether the good they accomplish early in the spring is not much more than balanced by their subsequent havoc among cherries, strawberries, grapes, and the finer varieties of summer apples, all of which they are very fond of.

A fire at Aurora, on Monday afternoon, consumed a building consisting of the Roadmaster's storehouse, section men's tool house and carpenter's shop, together with all the contents.

Collingwood, according to the Bulletin, is in sad need of a park.

DOMINION DAY.

Grand Celebration in Guelph.

Games, Review, Base Ball, Fireworks, &c.

The eighth anniversary of Dominion Day was celebrated on the First in this town with a fervor and eclat unprecedented in any previous celebrations of this birthday of our fair Dominion. The day broke bright and clear, the sun shone with more than his accustomed brightness, but the heat was tempered by a nice breeze. The only drawback was the dust, which was everywhere, and which sometimes rendered out-door movements uncomfortable. From early morning flags, gay with all colors, floated from many of our public buildings and from the tops of private houses, and the early stir on the streets gave signs of a busy day.

People from all parts of the country began early to gather into town. The leading roads were alive with vehicles, and many an one who could not afford to ride might be seen trudging along for the great centre of attraction. The early train from Galt and Berlin brought down a large number of people, and the later trains on the Grand Trunk from east and west, as well as the noon train from the south on the Great Western, brought their full quota of pleasure-seekers. The excursion train from Southampton was composed of 16 cars all filled. Altogether there was a large crowd of people than we ever before saw collected in Guelph, and we are happy to say that with one or two exceptions all were quiet and orderly, and spent the holiday in a rational and sensible manner.

We proceed to give an account of the amusements as they came off in their order.

THE GAMES took place on the Fair Ground at ten o'clock, and nothing occurred to mar the enjoyment. Considerable amusements were occasioned, however, by the crowd pressing in upon the players. The amusements were under the management of Messrs. Deady, Horning and Keeling, who deserve credit for the way in which they were carried on. Lawrence's Band furnished excellent music. The following is the list of successful competitors in the several games:—

Standing jump, C. Biggar, \$5; 2nd, W. Caswell, \$3.
Three standing jumps, W. Caswell, \$6; 2nd, C. Biggar, \$4.
Standing high jump, W. Caswell, \$5; 2nd, C. Pirie, \$3.
Running jump, C. Biggar, \$6; 2nd, P. Keeler, \$4.
Running high jump, John Corinder, \$6; 2nd, J. O'Gee, \$4.

Running hop, step and jump, John Corinder, \$6; 2nd, P. Keeler, \$4.
Throwing stone, M. Caraher, \$6; 2nd, W. McKechnie, \$4.
Throwing heavy hammer, P. Caraher, \$6; 2nd, C. Cutler, \$4.
Catching juggler, P. Keeler, \$4.

Throwing base ball, W. Spalding, \$13 yards, best throw ever made here, \$5; 2nd, W. Armstrong, 105 yards 2 feet, \$3.
Catching greased pig, Thos. Wood, \$5.
100 yards foot race, C. Biggar, \$5; 2nd, Jas. Spalding, \$3.
200 yards foot race, C. Biggar, \$6; 2nd, H. Martin, \$4.

400 yards foot race, J. H. Fram, \$6; 2nd, E. V. Seelos, \$4.
100 yards foot race for boys under 14 years, Jas. Quirk, \$4; 2nd, Sheedy, \$2.
100 yards sack race, Jas. Spalding, \$5; 2nd, John Spalding, \$3.

Quite a number attempted to climb the greased pole, but none were successful in getting to the top.

CRICKET MATCH—BELIN VS. GUELPH. The Berlin cricketers played a match with an eleven from the Guelph Club in the forenoon. Wickets were not pitched until about ten o'clock, and the game was finished at noon. The Guelph players obtained a victory over the visitors by eighteen runs, as seen by the following score:—

THE MILITARY DISPLAY. In honour of the Day Col. Clarke, commanding the Brigade now in camp, gave orders for a full muster of the men at half-past ten o'clock. After going through some movements on the ground, the Brigade was formed in marching column, and proceeded by the Wellington Battery, took up the line of march for the town. They marched down Woodwell and Wyndham streets, along Macdonnell street, turned into the Market Square at the station, and formed in extended column along the Square. The Battery was posted on the right. Next to it were the three Infantry Battalions—the Bruce, Waterloo and Perth—and on the extreme left the 80th Wellington Rifles. The strolling along a portion of the route was very annoying to the men, and sticking as it did to their uniforms detracted very much from their appearance, still they looked well, and the marching—considering all the circumstances, and that many of them were new recruits—was on the whole very good. When the men were formed in open column, two deep, they filled the whole Square from east to west. Here an immense crowd was collected, the troops being lined by them on either side, while thousands gathered on the open ground in front, filled all the market buildings, got on to the tops of houses and verandahs, and took possession of every good point of observation. Including the military there must have been close on 7000 people on the Square. At twelve o'clock the cannon of the Battery fired a salute of 21 guns, and the Brigade fired a feu de joie. The firing

especially the last two rounds, was remarkably well done, and the quickness with which the men of the Battery handled their guns was also the theme of praise. The men then presented arms, and at the call of Col. Clarke, gave three rousing, ringing cheers for our gracious Queen, while the Band played the National Anthem. The men were then formed in marching column, and left the ground in the same order as they came, going up Norfolk Street to the camp. The display was the whole a most attractive one, and was the largest gathering of volunteers which ever assembled in our good town. After dinner the men were allowed a half-holiday, of which most of them took advantage.

BASE BALL—BOSTON VS. GUELPH. One of the principal features of the day was the base ball match between the Red Stockings, of Boston, and the Maple Leaf, of Guelph. The game was advertised for half-past two o'clock, and as soon as the volunteer review and games were over in town, at noon, the crowd began to move towards the grounds of the Maple Leaf Club, near the G. W. R. station. Before two o'clock the grand stand was crowded, and almost every available place on the field was taken up, and by the time play commenced the number in attendance could not have been less than eight thousand. The fences were lined with spectators, while all the elevated positions in the vicinity of the grounds were taken advantage of by those who preferred outside tickets. The immense mass of people presented an imposing spectacle, and the alternation of the red coats of the soldiers and the ordinary clothing of the civilians was a very pleasing feature. The crowd was very orderly, and not one serious disagreement occurred. Previous to the game the players on both sides stood in a group for their photograph.

The game was called at 2.42 with the Boston to the bat. Barnes, after letting three balls pass, made a splendid daisy cutter, making two bases. White hit, making; two bases and driving Barnes home. Spalding made a hit to first base, driving White out on third. McVey was put out on a fly by left field.

McVey hit to third and retired on first. In the first inning of the Maple Leafs T. Smith made first base by a muffed ball to short-stop, and second base on a passed ball. Keel made a splendid fair foul, making his first base. Jones was put out on a fly to short-stop. W. Smith made two bases hit. T. Smith went out between bases on a strike by Jones. Sunley then went in and drove W. Smith out on a hit to short-stop.

The Boston then went in for hard batting on the second innings, and scored four runs; the Maple Leafs scoring two runs and Spence each touching the home plate.

The third innings for Boston and Guelph resulted in a whitewash on both sides.

In the fourth innings by hard batting six of the Boston came in. Near the end of this inning O'Rourke caused the Maple Leafs to score on a third base, but was finally put out by Myers, who touched him on nearing the base. Of the Maple Leaf, Jones alone touched the home plate, the others being put out in one, two three order.

The fifth innings for the Boston resulted in one run, Hall being the lucky man to break the goose-egg. The Maple Leafs were put out in one, two, three order.

The sixth and seventh innings resulted in a whitewash for Guelph, while the Boston scored five.

In the eighth and ninth innings the Boston added three to their score, while our boys just broke the goose-egg, and thus ended an exciting game.

We noticed some very fine fielding on the part of the visitors, and some good catches by our own boys. Among them we much remark a splendid one-hand catch by Emery, of the Maple Leaf, on left field, which was warmly applauded.

THE FIREWORKS. A shower about half past eight o'clock, lasting for a few minutes, made the evening very pleasant, and an immense crowd assembled on the Market Square to witness the fireworks. The display was very good, the darkness at the time contributing in a large measure to the success of this part of the celebration. Lawrence's Cornet Band was on the ground during the evening, and their excellent music added greatly to the enjoyment of the large crowd assembled on the Square. This concluded the public display, and at about ten o'clock the crowd dispersed quietly to their homes, and thus closed one of the most enjoyable days that was ever spent in Guelph. We are glad to say that the proceedings throughout the day were conducted with the best order, and the behavior of the people was for the most part very exemplary.

STRAWBERRY FESTIVAL. The ladies of Knox Church congratulated themselves on the success which met their efforts to provide the visitors with strawberries in the Drill Shed. Most of the people who had come from the north left for home about half-past four o'clock, but the citizens and soldiers were in good humour, and the managers of the festival did a good business until a late hour. The strawberries were ex-

cellent and plentiful, the music of Vale's Band was first-class, the people were in excellent spirits, and altogether the Festival was a splendid success.

The Tournament in Brantford. The most important game in this tournament on Tuesday was the contest between the American and Canadian champions. The game was played on the fair ground, in the presence of between two and three thousand spectators. Play was called at two o'clock, with the Maple Leaf at the bat. They went out with a goose-egg, while the Boston scored one in the first inning. In the second inning Guelph scored three runs, while the tables were turned on the Boston, who went out with nothing. The Americans picked up in the third innings, however, and kept ahead, coming out with a score of 26 to 6.

During the play the seats which had been provided for visitors gave way, but fortunately no one was injured. Below we give the score:—

The Camp. Thursday, July 2. Elsewhere we give the programme of proceedings in camp on Wednesday. The men returned to camp at night in a very orderly manner, for which they deserve great credit. Today there was squad drill in the morning, battalion drill in the forenoon, and there will be brigade drill in the afternoon on the race course. Col. Taylor, D. A. C., will be present. To-day three companies of the Perth Battalion went out to the range for rifle practice. The balance will go out in the afternoon.

Something about Roads and Bridges. To the Editor of the Mercury.

DEAR SIR,—Permit me through your valuable paper to make a few remarks, not concerning cows running at large, or about street crossings with Corporation or Chancery seals on top, and bottom sides. This is out of my line. But it is about our public roads and streets. Now, Sir, I mean a good deal of grumbling about the way our present overseer does the work on our roads and streets, especially by the people of the North Ward, that they have not been used right. Now, Sir, I wish to state that I inquired into the matter and I find that our overseer, Mr. Smith, has not received from the Council for work done on the Erasmus Road, hardly as much as would clear out the ditches. In my humble opinion he has done wonders, taking into consideration the small amount appropriated for that road. Let the electors of the ward not blame the man who is doing his best to please everybody. There is also some would-be economist grumbling about the man breaking the large stones that are hauled with the gravel on to our streets, at one dollar per day. Well, Sir, I must say, and any right thinking man will agree with me, that this is the best way to make a good solid road, unless it is paved. What do you think of that? I like to have done to save this extraordinary outlay of one dollar per day for two men? They would have a team hired for three dollars per day, and also two men at one dollar and twenty-five cents per day for each man, to pick up the stones and haul them away to the gravel pit, where they were first taken out, and to have them in the way for the next year, and cart them out again and then back to the same place to save the expense of breaking them. Is this economy? I should think not.

Thanking you, Mr. Editor, for the space you allowed me, I remain yours, &c. A. RAYBURN, OF THE EAST WARD, Guelph, July 1, 1874.

Paslinch Farmers' Club. Arrest of Notorious Thieves. The Hydrophobia Theory Refuted.

London, July 2.—Despatches from Spain report that the Republican troops are greatly excited over the report of the murder and mutilation of the wounded by the Carlists, and it is feared that they will make sanguinary reprisals.

New York, July 2.—Four thieves were arrested yesterday while attempting to dispose of silver ware stolen from the home of Jacob Vanderbilt, Staten Island, a few nights since.

Dr. Hammond examined the brain of the printer, Entwistle, reported died of hydrophobia, yesterday, and found no evidence of that disease. The doctor thinks that death was caused by hard drinking, aggravated by fear of hydrophobia.

motion the Council was constituted a Court of Revision. Andrew Lemon, was ordered to be assessed for lot 1 west side of Main Street, Eden, in the place of William Herald and Henry Grindle, for S½ of W½ 14 in the 5th con. in place of John and William Garvin. The business transacted at all the previous meetings of the Court was approved of and sustained. The Assessment Rolls as amended were confirmed, and the Court adjourned. \$5 each were ordered to be granted to Mrs. Jones, Thomas Boulton and Rosa Ellis. William Scarrow was exempted from the performance of Statute Labour, he having only one arm. \$2 was ordered to be paid to Adam Clarke, for timber procured by him to repair culverts; and \$13.50 to Henry Grindle, for gravel for the road divisions under Alex. McQueen and Adam Clarke. The Reeve and Mr. Dunbar were appointed to examine the road at lot 31, con. 6 for the improvement of which application had been made by George Gatten. Robt. Royce, Esq., Treasurer for the Municipality, presented the usual Bond executed by him and David Stewart and Josiah Royce, which was accepted. A complaint by Thomas Hamilton and Joseph Lauder-son, in reference to the flooding of their lands in the spring by a ditch cut on the side of the 6th line, was referred to the fence viewers, the Reeve to attend to the matter on behalf of the Municipality. John Rafferty, having failed to perform his agreement with the Council in reference to the road allowance between lots 15 and 16, con. 7, the Clerk was ordered to notify him of the intention of the Council in the case. Messrs. Harris and Duffield, were appointed a Committee to meet the Commission appointed by the County of Halton, to arrange for the improvement of the 7th line between Nassagaweya and Erasmus, opposite the 3rd concession, and fifty dollars were placed at their disposal. The Committee on the Roads in the Northwest part of Township were authorized to expend \$100 in travelling the 7th line at lot 21. The Clerk was instructed to meet Mr. Ching, and arrange for the purchase of a piece of land to improve the side road between lots 25 and 26 in the 6th con. Messrs. Harris and Duffield were appointed a Committee to confer with Robert Hamilton, for the purchase of a gravel pit. A By-law to divide the Municipality into four polling subdivisions for Parliamentary Election purposes was passed after the usual number of readings. The Council on motion then adjourned to meet again at the Centre Inn on Monday the 3rd day of August next.

J. A. Davidson, Tp. Clerk.

GOOD WHEAT.—Mr. Geo. Ferguson, of Erin, near Springs, showed us the other day a sample of Treadwell Fall Wheat, of which he has 15 acres sown. He reports it a splendid crop. The ears are pretty well filled, and if the weather is favorable the crop will be ready for the reaper in less than a month.

LAW CASE.—Our old friend Mr. D. E. McMillan, has opened an office in 46 Church street, Toronto, where he will attend to all law business entrusted to him. We need not say that Mr. McMillan will do his best to serve his clients merit their confidence.

Garafraxa Correspondence.
The engineer now surveying the route of the Credit Valley Railway, has found a straight and very favorable route through this township. If it is located where it is now run, it will be less than a mile from the village of Douglas, and the station will be exactly ten miles from Elora.

There was quite a lively bear chase in East Garafraxa last Friday, but Bruin, not wishing to be made a target of, dodged his pursuers in a swamp.
The crops never looked better excepting some of the fall wheat, which is, however, but little sown.

BREAKFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. —Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled — "James Epps & Co.," Homoeopathic Chemists, London.

SOAP.—The attention of the public is directed to Mr. J. Traffrey's advertisement in another column. As will be seen he has commenced the manufacture of toilet and laundry soaps, which can be procured of dealers generally. Nobody need wear a dirty shirt or go unwashed when soap can be had for a trival sum and water is as plentiful as potato bugs.

A THING OF BEAUTY IS A JOY FOR EVER.—And such is a rich flowing head of hair. Reader, if you have this great gift of nature and it is not fading out use the Bearine; it is the only safe and reliable dressing you can get. Every Druggist sells it.

Special Notices.

IT IS NOT WHAT YOU EAT BUT what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and there is hereditary predisposition to scrofula or consumption. It will rarely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Syrup of Pinesapples and Calisaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.
