## The Clock Has Struck The Hour Of Calgary's Destiny

The G. T. P. route submitted to the eity plans show the depot will be on the
Barracks ground. This will mean that all property in this vicinity will double in $\begin{aligned} & \text { depot. Calgary investors are now offerel the opportumity that has made millionaires } \\ & \text { of people in other cities. We have always considered the Barracks ground as the onty }\end{aligned}$ Police Barracks ground. This will mean that all property in this vicinity will double in the next ten days. Large and quick fortunes that have been made in the history of real estate in nearly every case have been on the advent of new railroads and location of logieal place for the G.T.P. depot, and some time ago we learned that they had an op-
tion registered on this site. With this end in view, we secured options and exclusive fistings of a large amount of nroperty in this district.

The following are a few of the many buys we can recommend as quick money
makers.

87 ft . frontage on 8 th Avenue and 120 ft . fronting on the Police Barracks Ground for $\$ 80,000$. This is only a a ittle over $\$ 60$ a foot, and as this will be directly opposite
the depot, and on the main business street of the city, this ground in the course of twelve months will be wörth $\$ 1,500$ a foot, as this today offers one of the best hotel ites to be obtained in the city. Good terms of payment can be arranged.
Sthe east, $\$ 7,000$. As there are several large blocks going to be built on this street this season, this is certain to become a good business street from 1st west to the Police Barracks ground. This is property a good business street $\$ 500$ a foot within six months.
$\$ 7,000$. As this will be the nearest block to depot, this is good buying.
All of lots $1,2,3$ and 4 , block 55 . This has a frontage of 130 feet on 4 th Street east and 100 feet on 7 th Avenue. Fourth street east and 7th Avenue are today both good business streets, and is an exceptionally good buy at $\$ 40,000$. Very easy terms of payment can be arranged.

## SPLENDID HOTEL SITE

Lots $6,7,8$ and 9 , plan A 2 , Calgary. This has 132 feet frontage on the Elbow fiver, just directly opposite the Barracks Ground, where the proposed depot of the
G. T, P. will be located. This is an exceptionally good hotel site, and is the only site in
city that is central and on the river frontage. This is offered at $\$ 15,000$ on cood terms of payment.
