The copy film here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library  
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library  
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## REPORT.

THE Society for promoting Christian Knowledge, was established in 1699. Its object was to extend the blessings of the Gospel both at home and abroad, by supporting Schools and sending out Missionaries, particularly to India and the East—It has since made over these latter to the Society for promoting the Gospel in Foreign parts, and now direct its attention to the encouragement of schools, and the distribution of Bibles and Prayer Books and also religious Tracts. And although its operations are extended in conformity with, and to increase the influence of the Church of England, yet it circulates the Scriptures without or with its Tracts according to the demand. The advantages of the institution are, that it affords a supply of books of a religious, moral, and instructive tendency, which are furnished to its subscribing members at a price for distribution, not exceeding three fifths of their cost on an average—to all other persons it offers the same books at the price charged to wholesale book-sellers in London—and to schools founded on the principles of the society—the District Committee gives gratuitously such works as are on its list, adapted to the purpose either of instruction or reward to the children.

At a meeting of the members of the society, for promoting Christian Knowledge and others of the Clergy and Laity of the Midland district, in the Diocese of Quebec, held at Kingston, on Tuesday the 19th day of September, 1826, for the purpose of reorganizing a district Committee in correspondence with the Quebec Diocesan Committee.
