## ADDRESS OF SESSION.

TO THE MEMBERS AND ADHERENTS OF KNOX CONGREGATION :

The year past, while witnessing many changes in the congregation, has been attended with marked growth and prosperity, calling for renewed praise and gratitude to God. The details of the work are given in the various reports herewith submitted. The Roll of the Church has been increased by the addition of 144 names, which, added to 980, the number on January 1st, 1888, would give 1,124 members. From this number, during the year, 122 names have been withdrawn, leaving on the roll, at the close of the year, 1,002 members. The resignation of their office by three members of Session, Messrs. Thomson, Sutherland, and McLeod, having been accepted, the members of the Church will be asked, at an early day, to make choice of others to fill their places. The Session have also accepted the retirement of three from the Deacon's Court,—Mr. George Duthie, Jun., by resignation, Mr. James M. Simpson, from continued ill health, and Mr. Wm. Boston, to enter the service of the China Inland Mission. An election of others to fill their places, will soon be required. The Mission at Duchess Street has been efficiently carried on, and prospered. The Session have appointed Mr. James Millar, of Knox College, to conduct the work through the winter. During the absence of the Pastor for three months in the summer, through the very generous and thoughtful kindness of the congregation, the pulpit was supplied by different Ministers, whose services were secured by the Session. We are gratified to know that they were acceptable to the congregation, as shown by their unabated fidelity in attendance upon ordinances, and fulfilling respective duties. Remembering that sorrow has been felt in many hearts by the removal of friends through death (twenty-six in all from the congregation, ten of whom were commencing members), the Session would commend the bereaved to the tender and prayerful sympathy of fellow-members, praying that their afflictions may sanctify us all, more and more, for the glory of God.

Let us remember that the "time is short," and from these admonitions of Providence, receive a needed stimulus to greater self-denial, and more strenuous exertions to be found faithful in the ensuing year.

## REPORT OF THE DEACONS.

TO THE MEMBERS OF KNOX CONGREGATION:

In giving the Twenty-Second Annual Report of the Deacons, we have abundant occasion to render thanksgiving to God for His signal mercies another year.

1. RELIEF.—The benedictions of the congregation for the aid of those whom the Lord has entrusted to our care, have amounted to \$737, and have been so dispensed as to give great help and comfort to many of our most valued members.

2. REVENUE.—The income of the year for congregational purposes is larger than it was last year, but does not yet equal the amount that is needed and should cheerfully be given by this large congregation for this object. It is gratifying to see the increase of the number of white envelopes on the plate, and the evident adoption of systematic giving every week by many, since the recommendation made to the congregation last April for an increase of revenue through this channel. It is noted, however, that the revenue from the rental of seats is less this year, and the arrearage greater. It is especially desired that, while we retain the system of pew rentals, there should be harmonious action, in making it return its due share of the required revenue.

3. SCHEMES.—We note with pleasure a good advance this year past in the use of the *blue envelope*. This is returned in the usual way the 3rd Sabbath of each month, and we trust that this system will be adopted by every member of the congregation.

The apportionment for the Schemes of the Church annually made out by the Presbytery for the direction of Sessions, is somewhat larger this year than last; as follows:

Foreign Missions .....	\$2,200
Home Missions ..	1,156
Augmentation .....	1,000

Knox College .....	300
Manitoba College .....	200
Aged and Infirm Ministers' Fund .....	400
Widows' and Orphans' Fund .....	200
	\$6,406

As against \$6,050 the previous year.

To meet the obligations upon the various Boards of the Church, and to promote Missions to the Jews,—a scheme of the Church not mentioned in the above list,—this Congregation have given through plate collections, various organizations, and personal donations, the creditable sum of \$8,770.38.

Besides, the congregation, through various organizations and individuals, contributed to other missions and religious objects the sum of \$3,094.56, making the total congregational offerings for religious and benevolent objects, \$11,864.94.

DUCHESS STREET MISSION.—The Mission field around our Church becomes every year more necessitous in its needs for all our Christian activities. Teachers and visitors, who will take a few families, and industriously tend and till the moral soil, sowing the good seed, and reaping the harvest, will here find rich and large opportunities for cultivating every Christian grace. From the Report it will be seen that the removal of some of our faithful workers, makes strong appeal to the many who are joining the congregation, and are ready, we trust, to volunteer for active service.

The following brief comparison of the past year with the one before will show an advance in the amount raised for schemes and other benevolent causes :—

		1888.	1887.
Schemes.....	\$8,770 38		
Benevolent Objects	3,094 56	\$11,864 94	10,823 47

Poor Fund .....	.....	737 09	618 10
		<hr/>	<hr/>
Totals .....		\$24,007 03	\$22,341 01

Trusting that the ensuing year may be crowned with even richer blessings and greater fruits of loyal service than those we have thankfully been able to report in the past year, we would invite the co-operation of all fellow-workers, and implore the Divine Lord to continue the abundant blessings of His Holy Spirit upon the whole congregation.

## EXTRACTS FROM MINUTES OF CONGREGATIONAL MEETINGS.

### TREASURER FOR SCHEMES MONIES.

At the Annual Meeting of the congregation, held on Wednesday evening, January 18th, 1888, it was moved by Mr. W. Mortimer Clark, and seconded by Mr. Geo. P. Dickson,—

*Whereas:* The Treasurer of the Presbyterian Church has represented to the Presbytery of Toronto, that large sums are paid by him annually for interest on monies required to meet the current expenses of the various schemes, owing to the congregations not paying over the amount collected for these purposes until the beginning of the year after the monies are collected, and

*Whereas:* It is not becoming that monies paid for missionary and other purposes should be employed for congregational uses, and that the congregation should use these sums without paying interest, and

*Whereas:* It is desirable that a complete separation should be made between funds strictly congregational and those contributed to the schemes, and also that these latter monies be paid over to the Treasurer of the Presbyterian Church from time to time without delay after collection. Therefore be it

*Resolved:* That the Deacon's Court be, and they are hereby, authorized to appoint annually from their number a treasurer to receive, take charge of and pay over to the proper parties, all monies contributed for the schemes of the Church and other missionary, charitable and benevolent purposes, subject to the orders of said court." Carried.

At the Annual Meeting of the congregation, held on Wednesday, January 16th, 1889, it was moved by Daniel T. McAinsh, and seconded by John Duncan, as follows:—

*Whereas:* Owing to the difficulty of collecting information as to monies contributed by members of our congregation to missionary and religious objects, so that the same may be printed in our Annual for the information of the congregation,

*Resolved:* That all monies contributed by organizations in connection with the congregation be promptly handed over to the Treasurer of the Schemes of the congregation; and it is hereby recommended that all contributions by members of the congregation, so far as possible, be paid through the same Treasurer." ## TRUSTEES' REPORT.

TO THE CONGREGATION OF KNOX CHURCH:

The Trustees present their Annual Report for the year ending 31st December, 1888.

Receipts from Ground Rents for the current year are \$1,259.80.

The Mortgage debt of the Church remains the same as last year, viz., \$5,000, bearing interest at five per cent.

Your Trustees regret very much that the collections of the year were not sufficient to enable the Treasurer, in accordance with the vote of the congregation, to reduce this amount by the payment of \$1,000. Your Trustees hope that the annual payment of \$1,000 on the Mortgage debt may not be again in default until the whole debt is extinguished.

All of which is respectfully submitted.

A. J. SOMERVILLE,

## REPORT FOR 1888.

We have to record steady progress during the year, and a marked increase in the amounts subscribed for missionary purposes. Not only have the several classes kept up their usual Sabbath collections, but in a very great number of cases special ones have been raised by individual classes for specific objects. We have now 40 classes in the school, 17 for boys and 23 for girls, an increase of one over last year, and our only want is a few additional teachers to overtake the work and fill up the vacancies at present existing. The attendance during the summer months was better than it has ever been before, and the teachers have been faithful in the discharge of their

Under the superintendence of Mr. Imrie, and with the able co-operation of his staff of assistants, this department of the work will, we trust, give greater satisfaction this year than ever. The total amount collected for Missions during the year has been \$438.81, including the special collection and interest. The Fourth Annual Meeting was held in the social room, January 8th, at 8 p.m. The following reports were read and adopted. At 9 p.m. we had a pleasant social with refreshments—to which the gentlemen were invited.

#### REPORT OF THE SECRETARY FOR 1888.

In taking a review of the fourth year of our Society, we find we have held ten monthly meetings (afternoon and evening alternately) with an average attendance of over 50.

Each of the Vice-Presidents and members of the Executive Committee has in turn prepared an interesting programme for one meeting; 40 ladies have taken part during the year.

We endeavour to make these meetings both pleasant and profitable. The hour is occupied in prayer, praise and Bible reading, after which extracts from letters from our Missionaries are read, then a well-chosen leaflet, and at times original papers from one of our own members are listened to, with a little talk about our work, and how to increase our membership. . . .

We have also been visited and addressed by Rev. John Wilkie, a returned missionary, who gave us an account of the "work in India;" by Mrs. Ewart, President of the Board, who read us a paper on the "Life of the High Caste Ladies in the Zenanas;" by Mrs. Robinson and Mrs. Brimer of the Presbyterian Society; by Mrs. Howitt, of the McAll Auxiliary, on their work in France. We received an interesting letter from Mr. Briggs about Rev. Mr. Johnston's work in Jamaica, and a paper by Mrs. Watson of Hamilton, on the London Conference.

At the October meeting the "Thank Offering" was larger than in any other year.

We also had the pleasure of seeing Miss Mary B. Mackay, M.D., who though from the Lower Province, studied medicine in Toronto, and was a member of our Church. She was designated to her work by the Foreign Mission Committee, October 18th, and Mr. Wm. Mortimer Clark, in a graceful speech, presented to her, in the name of the ladies of the "Topp" Auxiliary a handsome travelling-bag, beautifully fitted up with toilet articles, which we hope has proved of great comfort to her, in her journey to India.

Three ladies—Miss Dick, Mrs. J. S. Steel, and Miss Bell—have made themselves life-members, and the Society has also presented Mrs. Goforth with a life membership, making 4 this year and 29 in our congregation.

The membership is as follows: The "Topp" Auxiliary, 95; the General Society, 84; life members, 4. Total, 183.

What we want is not only increased membership, but increased interest and increased prayers.

We fervently hope that many more of the good women of the congregation whom the Lord has endued with gifts and means, may find their hearts moved by His spirit to aid in the work.

In this way we shall best "preach the acceptable year of the Lord and hasten His appearing."

Secretary.

## ANNUAL REPORT OF THE WILLING WORKERS' MISSION BAND.

---

The Annual Meeting of the Willing Workers' Mission Band was held on Tuesday, the 17th of January, 1888. It was moved and carried unanimously that the officers of the past year be re-elected, namely: President, Miss Parsons; Vice-Presidents, Mrs. Knowles, Miss Stewart and Miss Scott; Secretary, Miss Lilian Greig; Treasurer, Miss Carruthers; Executive Committee, Miss Bessie McDonald, Miss A. Burns and Miss K. Craig.

Owing to the resignation of Miss Greig before the year had passed, Miss Ina Brodie was appointed Secretary.

It was decided by the Band to hold sewing meetings in aid of the North-West Indians; and from February 14th until May 22nd these meetings were held, when the sewing was completed and a box of flannel clothing prepared to send to the North-West. The sum of \$23.94 was spent upon flannel, etc. On July 3rd, the Rev. John Knox Wright delivered a most interesting lecture in behalf of the Band, at which \$33.20 was realized. At the monthly meeting of October 2nd, a bequest of \$500 from the late Mrs. Mary Pollard, the interest of which is to be paid annually, was presented. On November 12th, an entertainment under the auspices of the "Willing Workers' Mission Band" was given by Mr. Grant Stewart, the proceeds of which amounted to \$95.95. The Thanksgiving Meeting was held on October 25th, the offering being \$15.35. Many orders for fancy work were taken by members of the Band and, including our fees, orders, mite-boxes, donations and monthly subscriptions, the total is \$246.01. Throughout the past year the work has been most encouraging, and we trust that our present membership roll of twenty-eight members may be greatly added to during the coming year, and that God's blessing may rest upon our work.

MISS WINNETT, MISS M. MACKAY, P. CAMPBELL, J. WANLESS, JR.

The officers of the Association having brought to a termination the eighth year of their labours would hereby offer their thanks to God for the success which has marked their efforts to promote the spiritual, literary and social welfare of the young people of the congregation.

Meetings have been held on each alternate Friday evening, and the attendance has been exceedingly good despite numerous other attractions and much inclement weather. A programme of literary and musical exercises is prepared for each meeting, and several times during the season missionary topics are discussed.

The central point of interest in the Association is the Sunday Morning Prayer Meeting from 10.15 to 10.45, where supplications are offered for the blessing of God in the teaching and preaching of God's Word in the church. This meeting is carried on by the young men of the congregation, and we trust that the young people of the church will evince their interest by their more frequent presence at this most important part of the Association work.

The Treasurer's report shows receipts to be \$149.34, expenditure, \$172.57, including \$73 paid on account of the piano, leaving a balance due the Treasurer of \$23.23.

The Society tenders its grateful acknowledgments to Mr. Shearer, Mr. James Scott, Mr. and Mrs. Galbraith, and Mr. Donald Mackay for their gifts of materials for the purposes of the Society. Many families and individuals in the congregation have been made comfortable by the receipt of warm clothing and blankets. The Lord when on earth went about doing good; let all His followers draw closer to our Lord and Master.

## REPORT OF THE DUCHESS STREET MISSION FOR 1888.

The year 1888 began under most favourable circumstances for the Mission, for it was only a month before, that we had placed over it a student—Mr. E. B. McGhee—of no ordinary abilities, which soon began to manifest themselves; and it was felt that the Session had made a wise choice in their selection of a successor to Mr. Argo, who had so faithfully ministered to that people for over four years.

But the work that Mr. McGhee had undertaken, and into which he had entered so heartily, and prosecuted with much zeal and love—of which there are evidences to this day—soon began to tell upon him. He was obliged to seek rest early in August, which was readily granted him, with the hope that he might recover his health and re-engage in work which was so dear to him. But it was not to be. Shortly after this he sent in his resignation, as his health would not permit him to continue the work.

Mr. McGhee, however, did not leave us without arranging with a fellow student—Mr. Thomas Mitchell—to take his place, and the Committee would have held on to him had his strength permitted him to remain. Mr. Thomas—one of our own young men—was then given the position, and he discharged the duties thereof with much acceptance. At this stage Knox College opened and the Committee were put in possession of three or four names of students who were in either the first or second year of theology, and from these a selection was made by the Session in the early part of December of Mr. James M. Millar, who was engaged in similar work before coming to this country.

Mr. Millar has now entered on his work and is applying himself to it with much earnestness and self-denial. And if any ground has been lost during the vacancy we feel that it will be soon overtaken, for both the Thursday and Sabbath evening meetings are well attended, and much interest manifested in them.

But, dear friends, Mr. Millar wants his hands held up. The field is extensive and labourers are few. Souls are perishing, and that in the midst of plenty; shall we deny them then the bread of life—that which we ourselves know to be most nourishing as well as satisfying?

In addition to mission work there is also work to be done in connection with the "Young People's Christian and Missionary Association," which holds its meetings fortnightly. These meetings are open to all, and young men are invited to them. Then

there is the "Band of Hope," organized with the view of inculcating temperance and religious principles into the youthful mind, and thus saving them from many an evil habit. For this work we want young men as well.

There is also the "Penny Savings' Bank," started now nearly two years ago, which has been the means of enabling many to save part of their earnings and deposit them in the bank. To carry on this work more efficiently we want helpers; and when it is stated that the work of the bank is performed almost by the same hands every Saturday night it will be seen that we want more help.

Such is a summary of the work carried on in the Duchess Street Mission. And how can it be continued, not to say increased, without help? The Mission is yours, not ours. We are only a small detachment, so to speak, from this church to make inroads upon the enemy's ground; and we need to be reinforced from time to time with men and means that we may at least hold what we have secured. The field is opening up and who will occupy it? Our Missionary wants district visitors and how many will offer themselves? Let no one say I can do nothing when the Lord has given us all talents. Remember the promise: "They that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness, as the stars for ever and ever."—*Dan. xii. 3.*

Mrs. Livingstone and Mrs. George Smith.

The year just closed has been a prosperous one for the School, though attended with many and frequent changes.

Early in the year we lost the services of our Assistant Superintendent, Mr. George Sutherland, who had been connected with the School since its formation, some eighteen years ago, and who had rendered faithful and valuable services to the School during all that time.

Following Mr. Sutherland we lost the services of Mr. Rogers, medical student; and about the same time, those of Miss Galbraith, long connected with the School, and in which she took a deep interest. After this we lost the services of Miss Mackay, lately gone to the Mission Field; of Mrs. Rae, Messrs. Buchanan and Slater; and later on in the year, the valued services of Miss Greig, now Mrs. Stewart, who was both organist and teacher. Still later on we lost the services of Mr. William Boston, a most zealous labourer in the Master's vineyard, and now destined for the "China Inland Mission." Also the services of Mr. Frank Small, and those of Miss Allan. In addition to all these we have to regret the withdrawal of Mr. John Duncan from our School, who had been appointed Assistant Superintendent in place of Mr. Sutherland, resigned.

These are the changes that have taken place in our School during the year, but the Lord has inclined the hearts of as many to join us, so that we have had no lack in this respect. Their names are:—Mrs. Wilson, Miss Kerr, Miss Howells, Miss Jack, Miss Forman, Miss Harbottle, Miss Boston, Miss Malcolm, Miss Minnie E. Steele, Miss Georgina Shield, Mr. Charles Stephens and Mr. W. H. Grant.

To those who have gone away from us, we desire to place on record our high appreciation of their valued services and thank them for them; and to those who have come we extend a hearty welcome, and pray that they with us may be instrumental in winning souls to Christ.

The number of classes at the end of the year under review was 32, one more than the previous year; of these 11 are boys and 21 girls. The attendance has more than kept up during the year. The number on the roll at the close of 1887 was 230, with an average attendance of 191. The number on the roll at the close of 1888 was 280, with an average attendance of 197, or with the Bible-class included, 211, a gain of 20 per Sabbath over the previous year. The largest number present on one day during the year (July 8th) was 269. The smallest (September 16th) 159.

The contributions to the various schemes for Missions show also a gratifying increase over the previous year. This year, 1888, they were \$289, as against \$260 last year; and with two special collections—one for the Sabbath School Association of Ontario, and the other for the Hospital for Sick Children—the amount raised was \$314, or a fraction over \$6 per Sabbath. Mr. J. C. Muirhead, one of the teachers, has also made a contribution to the Mission Fund of \$50. The above amount the School has proposed to allocate as follows:

Home Missions .....	\$50 00
Foreign Missions .....	50 00
French Evangelization.....	50 00
McAll Mission, France.....	50 00
Mission to Jews .....	40 00
Knox College Students' Missionary Society .....	39 00
Welland Canal Mission .....	10 00
S. S. Association of Ontario .....	10 00
Hospital for Sick Children.....	15 00
	\$314 00

Our library is in fair condition, thanks to the timely gift of Mr. James Scott to our School, in the shape of a money grant for that purpose. As books, however, are always wearing out, in the hands of boys and sometimes of girls, we will be needing 100 volumes or more early this year, and the teachers will thank any kind friend who will favour us with a similar grant to that of Mr. Scott's.

But more than books and money are wanted. We want your earnest prayers and coöperation as far as you can. There are many young men in this church to whom the Lord has given talents. And would it not be well to exercise these! There is ample scope for them in the district assigned us as a church. There are many boys and girls on the streets in our locality during the school hour that might be brought in, and we have no one to look after them. How many then will undertake this or similar work? Remember it is voluntary, and any one entering upon it must be prepared to deny himself. For, says our Lord, "If any man will come after me, let him deny himself, and take up his cross, and follow me.—*Matt. 16, 24.*

Our School reopened in November and was held every Saturday morning till May. We are glad to report an improvement this year, both in the regularity of attendance and work of the children. great boon, giving them a systematic training which will always be of much value. Our most sincere thanks are due to the friends who have so kindly and liberally remembered us. The prizes they have presented have done much to encourage the children, while we have been enabled through their generous donations to allow the children, as in former years, to purchase the garments they made at little more than half the cost of the material.

We have received this year \$79.13 (\$34.08 of this account having been paid by the pupils), and we have expended \$76.71, leaving a balance on hand of \$2 42.

In presenting our Fourth Annual Report, we would humbly acknowledge the great goodness of God towards us. Our membership is about the same as last year numerically, although many changes have taken place—some leaving the city, others changing their residence—still the “ranks” fill up with earnest women. Average attendance during the year, sixteen adults and thirteen children ; highest number on the list, twenty-five adults and twenty-three children. There have been three hundred articles of clothing, etc., made up by the mothers during the past year. They have also contributed monthly towards missions. The “Mite Box” collections thus received have been handed over to the “Topp Auxiliary” and will be noticed in their report. An incident connected with our “Mite Box” contributions is worthy of notice. About the end of June the place was broken into and the money stolen from the “Mite Box.” Miss Harris, a member of Knox Church and a kind friend of the Mission, when told of the loss, seemed grieved, and the following Friday she

paid a visit to our meeting and gave five dollars to replenish the treasury, thus making it more than if we had not been robbed. Every member of that meeting felt that the Lord had put it in her heart, and we all sang for joy, "Praise God from whom all blessings flow."

To Mesdames Ross, McBean, Mossman and Ritchie we tender our grateful thanks for their handsome donations in money, cake, fruit, clothing, books and papers during the year. We received a large quantity of clothing from Mr. Gilpin, Pembroke Street, per Mrs. Mossman, all of which has been judiciously given to deserving men, whose wives attend the meetings and with their husbands have been grateful to be thus remembered. To Miss Jennie Bell for her invaluable services at the organ, and to all who have helped us in any way to further this good work, we tender our hearty thanks. Our motto verse has been "Teach me the way of Thy statutes, and I shall observe it to the end;" and we can say, "The Lord has done great things for us." Mr. McGhee, during his term of office as missionary, visited our meetings frequently, giving good counsel, commending the love of Christ and making intercession for them to Him who hath said, "And I, if I be lifted up from the earth, will draw all men unto Me."

TREASURER'S REPORT.

We have had a very successful year financially. More than double the amount that was expended last year has been spent in material; and with the amount raised by the concert last December, and kind donations from friends of the work, we have been able to meet all accounts, to give Mr. McGhee \$5 for the relief of the poor and still show a balance of \$22.38.
