The copy filmed here has been reproduced thanks to the generosity of:

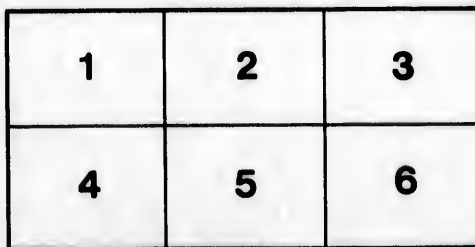

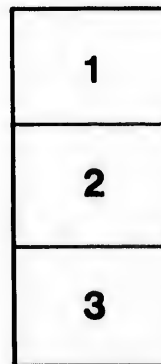

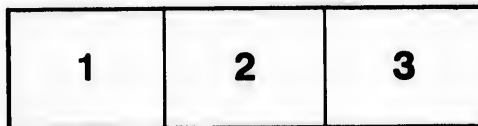

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE  
NINTH ANNUAL REPORT

OF THE  
NEWFOUNDLAND AND BRITISH NORTH AMERICA SOCIETY  
FOR EDUCATING THE POOR.

---

**T**HE Committee of the Newfoundland and British North America Society for Educating the Poor, in submitting to the subscribers and friends of the Society a Report of their proceedings during the past year, desire, in the first place, to record their sense of the Divine goodness and mercy which have followed their labours, both in prosecuting the object of the Society abroad, and in the necessary exertions for its support at home.

In Newfoundland the Society continues to enjoy the patronage and cordial support of his Excellency the Governor, Sir Thomas Cochrane, as well as of the other gentlemen connected with the Government. It has been favoured also by the merchants, planters, and other residents in the island, with increased liberality and confidence. Indeed, all classes of society have manifested much good will towards this Institution, and a pleasing desire to promote its objects, so far as their ability would permit. As a proof of this, the receipts in the Colony, during the year 1830, amounted to 376*l.* 9*s.* 0½*d.* The Society has also received valuable assistance in the gift of building materials, and in the gratuitous labour of many parents whose children are in the Schools. Your Committee feel it is very delightful and encouraging to contemplate the zeal and diligence with which the people generally exert themselves to support this Society

in the very places where the benefits it confers are experienced, and they regard the fact as an appeal to the Mother Country to make some further efforts in favour of her distant Colony.

In reporting the state of each School, your Committee will begin with that at St. John's.

### ST. JOHN'S.

Mr. Jeynes reports that the daily attendance at the Boys' School has been more uniform during the past year than in the preceding. The Girls' School has also been well attended, particularly during the winter months. The earnestness of the Girls in attending to their scriptural lessons, and their affectionate attachment to the Schools, have been particularly gratifying. About twenty of them are permitted to attend one evening in the week, for knitting, reading, and conversation in a domestic circle. An attempt has also been made to establish a Bible class, which has been found interesting.

The Branch School at Quidi Vidi, two miles from St. John's, which is attended by the very poorest, necessarily fluctuates a good deal, but continues to be tolerably full on Sundays. On one examination the greater part of Dr. Watt's Divine Songs, with four chapters from the Gospels, were repeated by some of the elder children at one time.

At River Head, in the immediate vicinity of St. John's, a Branch School was opened in July 1828, and 127 Children have been admitted. From 70 to 80 have been crowded together in the very small room belonging to the teacher engaged there. The health and improvement of the children cannot, under such circumstances, be satisfactorily attended to, consequently many have been dismissed, and a limited number only allowed to attend. Yet the poor children are much to be pitied, as they live so far from the Central School that they must continue untaught, unless a proper School-Room be provided.

The Branch School at Portugal Cove, nine miles from St. John's, continues to prosper. Since the commencement 58 Children have been admitted. On the first examination in the new School-Room, the improvement of the children was very satisfactory. The Branch School at Signal Hill, kept in the Barracks, has been suspended in consequence of the great mortality amongst the parents of the children.

At Torbay, seven miles from St. John's, nothing more has been done towards the erection of the building, although the people are so anxious to have a School, that they have begun a subscription to purchase nails, glass, &c.

The Schools have been visited by his Excellency the Governor, the Venerable the Archdeacon and other Clergymen, Gentlemen, and Ladies, who have been pleased on every occasion to express their approbation of them in very encouraging terms.

#### HARBOUR GRACE.

The communications from Mr. and Mrs. Kingwell, respecting the Schools in this district, are very satisfactory. The attendance at the principal daily School has continued steady during the past year, notwithstanding some local difficulties. Many of the senior Scholars left school in the Spring with much credit, and their places have been filled up by new ones.

The Branch School at Island Cove has been well attended, though the accommodation is bad, being kept in a kitchen. The improvement of the children is reported to be creditable to the Teacher. It has always appeared very desirable to erect a School-Room in this place, but from various causes, chiefly the poverty of the people, it has not yet been effected.

At Spaniard's Bay the School-Room and a small dwelling have been finished, although the people were in circumstances peculiarly trying. As the men were engaged in the fishery, the women came and collected rocks and the necessary materials for building the chimney, while others served the

masons with bricks and mortar. Mr. Griffin has been placed in this station, and he gives a very pleasing account of the eagerness of the children to benefit by the School. He states that they have come to school through heavy falls of snow and severe weather, most of them without shoes or stockings, some from the distance of half a mile, and so eager are they for instruction, that they attend the Evening as well as the Day School. Mr. Griffin says, "It would please our friends to see our School-Room filled on a Sabbath; they flock in like bees into a hive before a storm." The number of Day Scholars is 50, Evening Scholars 36, and Sunday Scholars 98.

Mr. Kingwell observes, that "Our Library Books are sought after and read, I hope with some benefit. This we consider an important means of edification, and beg that we may have a good supply in the Spring. The list of Weekly Readers, in Harbour Grace only, is about 70."

#### PORT DE GRAVE.

The attendance at the Schools in this Station has not been so good since the last Report from various causes, yet the progress of the children has been gratifying. Mr. Lind has adopted a plan of giving to the Senior Classes a course of subjects, of which he expects them to bring proofs from Scripture. He has found the plan to engage the attention of the children, and also of the parents; for some of the latter have been in consequence induced to look into the Word of God, and are anxious to assist their children in finding proofs to the different subjects. The spirit in which these instructions are given will be best understood by the Teacher's own feelings, as expressed in one of his letters. He writes thus:—"Oh, my dear Sir, we want more of that persevering prayer, that humility, that self-denial and love, which marked the conduct of our Divine Master while on earth. Pray for us that we may be enabled to draw near unto a throne of grace boldly, that we may obtain mercy, and find grace to help in every time of need."

In the Branch School at Cupids, on the South of Port de Grave, the children, who would have been destitute of Christian instruction but for the benevolent operations of this Society, are now acquiring that knowledge which, if accompanied with the grace of the Holy Spirit, will make them wise unto salvation.

At Bare Need, there is a very interesting Branch School. The building is nearly completed, and the whole expence, with the exception of ten pounds presented by this Society, has hitherto been borne by the inhabitants. There have been admitted 86 Day, 113 Sunday, and 56 Adult Scholars.

A School-Building was about to be erected at Bay Roberts. The room previously occupied would only admit 35 children. Mr. Fleet has removed to this station from Trinity Harbour since the last Report; but no letters have been received from him since his arrival.

The following account of the Bible Class at Port de Grave will be heard with interest. The Report states—"An Evening Bible Class has been formed. The plan pursued on these evenings is simply this, we commence with a hymn and short prayer, a chapter is then read from the Scriptures, when all present are questioned in the most familiar manner from the chapter, part of an interesting book is then read, and the meeting closed with another hymn and prayer. This Class has been regularly attended, and we have every reason to hope that under the Divine blessing it will become extensively useful."

#### TRINITY HARBOUR.

During the past year, Mr. and Mrs. Martin removed from Petty Harbour to take charge of the Schools in this place. Since their removal, it has pleased God to visit them with a severe affliction in the loss of their two children, within the short space of three weeks. The first departed this life on 10th Dec. 1831, being two years and eleven months old; and the second on the 2d Jan. 1832, being nearly ten months old. Mr. Martin writes—"Thus has the Lord seen fit to

take from us both our children in the short space of three weeks: we are much afflicted, yet much supported, and would find comfort in the assurance, that though the Lord has taken away our children, he has taken them to himself." The attendance at the Schools has been much as before, and the five Branch Schools have been found valuable auxiliaries, though one of them has been necessarily suspended for want of a suitable School-Room.

#### BONAVISTA.

Mr. Meek continues to labour diligently and successfully in this very necessitous station. He has now on the books 250 Day, 158 Sunday, and 50 Adult Scholars. He states that two or three times he has been nearly overpowered by fatigue, and obliged in some measure to relax; he adds, "However, I trust that with the Divine blessing, by a little more air and exercise, in the approaching holidays, I shall regain my wonted strength, and pursue my labours with increasing vigour." During the summer, the attendance was seldom below 170, and sometimes 184, and this in comparatively a small room. The Friday Evening School continues to be very interesting, sometimes 150 Children and Adults are present. The attention and interest that is manifested is highly gratifying, and the singing is frequently quite animating. There has been a very tolerable collection made to defray the expence of the building, and the poor are in general very willing to give. During the latter part of last year, much sickness prevailed in Bonavista and the neighbouring Coves, and many died. The winter, likewise, set in particularly severe.

#### GREEN'S POND.

Mr. King writes from Green's Pond—"I am happy to say our Schools here are as encouraging as we could wish, all things taken into consideration. The attendance of the Children is good. They love the School, and I humbly hope, the Teachers. Their improvement is encouraging."

The Branch School at Fool's Island, was again opened for the winter months. The children were taught in the house of one of the planters, who had gone to Green's Pond for the winter.

Mrs. King's health has been very far from good, though she has been able to attend to her School, with comparatively little interruption.

#### TWILLINGATE.

Mr. and Mrs. Flint, who had the charge of the Schools at this Station have been under the necessity of coming to England, in consequence of the illness of Mrs. Flint, whose return to her native land was indispensable for the restoration of her health. The state of the Society's funds not permitting the Committee to engage any new Teachers, this Station has been unavoidably left without a Teacher, since the time of Mr. Flint's departure from it.

#### PETTY HARBOUR.

In July Mr. and Mrs. Martin gave up the charge of the Schools at this place to Mr. and Mrs. Bradford, in order that they might remove to Trinity Harbour. By the December Report, it appears that the Schools had been fluctuating during the preceding six months, and were at that time only thinly attended. Mr. and Mrs. Bradford, however, were not without encouragement.

During the last summer Mr. Willoughby, the Superintendent of your Schools in Newfoundland, visited this country, a very kind friend of the Society having offered to him a free passage home. And here the Committee desire most gratefully to acknowledge the obligations they are under to several merchants who have given free passages by their vessels, at different times, for teachers going out to Newfoundland. The chief object of Mr. Willoughby's visit to this country was to procure, if possible, an additional number of teachers, and to present to your Committee

applications for new Schools from nineteen different settlements, and teachers for three new school-rooms, which had been built by the inhabitants, but of which the doors were kept locked, for want of masters to occupy them. The state of the Society's finances, however, would not allow the Committee to indulge even a hope at that time of availing themselves of such desirable openings for the extension of their labours.

Mr. Willoughby's visit to England afforded your Committee the opportunity of obtaining his assistance in publicly advocating the cause of the Society; and accordingly, during his stay, he visited, in company with other friends, various places in the country, with much acceptance and success; but as his presence was anxiously looked for in Newfoundland, he once more sailed for that colony.

Your Committee felt themselves so much encouraged by the Christian public, in responding to the appeals which had recently been made to them, and by the improved state of the Society's finances generally, that they at length yielded to Mr. Willoughby's urgent and repeated solicitations, to engage two new teachers to accompany him. And they are thankful to state, that after much anxious inquiry, they obtained the services of Mr. and Mrs. Netten and Mr. Burkitt, whose piety, simplicity, and devotedness, they have good reason to hope will be such as, through the Divine goodness, have uniformly marked the conduct of those who preceded them. The vessel sailed from Torbay on Saturday, 7th of April, with a fair wind.

By a reference to former Reports it will appear, that it has long been an object of much solicitude to carry the system of education, which has so happily succeeded in Newfoundland, into the British provinces in North America, where so large a number of our countrymen and their children are settled, and into which the full tide of emigration is flowing every day with astonishing rapidity. Your Committee have only delayed to enter upon this great

enterprise, until they could be justified by the encouragement of their Subscribers to make the attempt. They now feel that it would be unjust to many friends who are anxious for the spiritual welfare of the numerous poor in the Canadian provinces, and who have largely contributed to the Society, any longer to delay making at least some preliminary efforts to redeem the pledges so long since given by the Society. Your Committee feel themselves more free for such a measure, in consequence of the liberality of the Christian public during the last nine months, by which the Society has been in a great measure rescued from its pecuniary difficulties. At the same time your Committee are convinced that the greatest caution and prudence must be observed, and that no permanent expence should be actually incurred, until they are furnished with such precise information both as to the wants of the people, and the facilities and encouragements for establishing Schools, as will fully warrant them in locating the Society in either of the Canadas. With these views, Mr. Willoughby has been instructed to visit British North America this summer, immediately after the Annual Meeting of the Teachers in St. John's in the month of June next. Lord Goderich, Secretary of State for the Colonies, has furnished him with letters of introduction to the governors of the respective provinces; and he has also many letters from merchants who have friends and correspondents in those parts.

Preparatory to entering upon this new and important sphere of operation, your Committee found that an extension of the original basis of the Society was necessary, in order to secure the confidence and support of a large proportion of the inhabitants of Upper Canada, who are members of the Established Church of Scotland. That your Committee may be able to engage and send out teachers adapted to the circumstances of the people among whom they will have to labour in that country, it is expedient that the second fundamental rule of the Society should be altered so as to include members of the Established Church of Scotland.

Your Committee, therefore, propose to this Meeting that the second rule of the Society should in future be as follows: "The Schools shall be managed by masters and mistresses of the United Church of England and Ireland, or of the Established Church of Scotland; and be conducted, as nearly as circumstances may permit, on Dr. Bell's system." In proposing this extension of the second rule for your approval, the Committee would observe that they are not invading at all the original principle on which the Society was founded, but are merely adapting it to the new circumstances under which they will labour when they establish Schools in British North America.

#### HOME PROCEEDINGS.

Having now reported all that relates to the proceedings of the Society abroad, your Committee will enter on a brief account of those at home. The receipts in the year 1830-1 amounted to 1,673*l.* 8*s.* 1½*d.*; those of the year just closed, to 3,821*l.* 16*s.* 5*d.* The payments during the former year amounted to the sum of 2,561*l.* 17*s.* 6*d.*; and those of the latter to 3,702*l.* 3*s.* In the last Report it was stated that there was a balance against the Society of 748*l.* 13*s.* 3*d.*; your Committee have now the pleasure to report, that on closing the books on the 31st March, in the present year, there appears a balance of 119*l.* 13*s.* 5*d.* in your favour. Your Committee are deeply impressed with feelings of thankfulness by the Divine goodness manifested in the improved state of your finances. And they consider it their duty here to state, that, under God, they are chiefly indebted for this improvement to the great, unwearied, and self-denying exertions of the Rev. Daniel Wilson, now the Lord Bishop of Calcutta. In June last he very kindly condescended to accept the office of one of your Honorary Secretaries; and in the month of August he succeeded in procuring what your Committee have long wished for, namely, the assistance of a clergyman to take the responsible management of the Society, under the direction of the Committee. Accordingly, at the meeting of your Committee on the 6th Sept., the Rev.

Wm. Marshall, M.A., Minister of St. John's Church, Upper Holloway, was appointed Secretary. The appointment was peculiarly seasonable, inasmuch as an opening to more important duties, which he was anxious to embrace, at that very moment had presented itself to their late valuable Secretary, Mr. F. Jickling. This arrangement having been completed, the new Honorary Secretary, with his friend, the newly-appointed Secretary, aided by Mr. Willoughby, applied their immediate attention to the duty of visiting the Auxiliaries and Associations.

Two days after his appointment, the Secretary left London for Exeter, where he preached three times on the following Sunday in behalf of this Society. He also attended a public meeting on the following day in company with S. Codner, Esq., and on Tuesday another meeting at Teignmouth, as assisted by the Rev. Mr. Vicars, as well as Mr. Codner. He was then obliged to return to town, in order to join the Rev. D. Wilson and Mr. Willoughby in visiting Birmingham, Manchester, and Liverpool. The result of this latter journey was an addition to your funds of about 400/. The Rev. D. Wilson, accompanied by your Secretary, visited Cambridge in November, with a view of confirming and enlarging the new Auxiliary which Mr. Codner had formed in the spring. The collections and subscriptions amounted to about 109/. In December, the Rev. D. Wilson visited Brighton, where he preached twice on the Sunday, and attended several private meetings of friends, and the result was, 163/. paid over to your Treasurer. In January he very kindly undertook another journey, in company with your Secretary, to Bath and Bristol, on which journey, notwithstanding the painful events which had occurred in the latter city, the sum of 100/. was collected.

In addition to these journeys undertaken by your late Hon. Secretary, expressly on the service of the Society, he has on all occasions improved every opening for advocating the claims of the British Colonies on the Mother Country for Scriptural education. When in Norfolk last October, he

preached at Messingham and Norwich, and on his return to London, stopped at Colchester and Barking to plead the cause of your Society. And lately, when visiting in Oxfordshire, he occupied no less than four pulpits in your behalf. In London and its vicinity he has preached as often as a due regard to his other duties would allow. In his own Parish Church at Islington; St. John's Chapel, Bedford-row; at Walthamstow; St. James's, Clapham; Peckham, Camberwell, in Bentinck Chapel, Portman Chapel, and St. Barnabas, Church, he has pleaded your cause. And his Lordship has most kindly promised before his departure to preach in behalf of the Society in the Parish Churches of Clapham and Clerkenwell.

Your Committee are likewise indebted for very valuable assistance to the Hon. and Rev. B. W. Noel and the Rev. Wm. Thompson. The former accompanied Mr. Willoughby to Gloucester, Hereford, and Cheltenham; and the latter, with Mr. Jickling, visited Derby, Leicester, Sheffield, Hull, York, Leeds, and Huddersfield.

They are also much obliged to their tried friend, the Rev. Daniel Nantes, Rector of Powderham, for accompanying Mr. Codner to Taunton, and preaching at West Teignmouth, and to the Rev. A. Watts, who returned with Mr. Codner to advocate your cause at Dartmouth, Totness, Chudleigh, Newton, and Brixham; and likewise to Captain Miller, who joined them in the same work.

From the above statement it will be perceived that the obligations of the Society to Samuel Codner, Esq., have been increased during the past year. And, in addition to the above labours, he kindly spent a fortnight at Plymouth and Devonport in the cause of the Society.

The Rev. S. R. Capel, who aided the cause of the Society most efficiently in Bristol, having removed to Salisbury, very kindly accompanied Mr. Willoughby in visiting Poole.

The sincere thanks of the Committee are due to the Rev. H. Melvill, and the Rev. William Borrowes, for preaching in behalf of the Society.

The Committee also feel that the warmest thanks of the Members of this Institution are due to the numerous Clergymen, both in London and the country, who have very kindly opened their Churches to the Advocates of your Society.

To the Auxiliaries and Associations of the Society, the Committee feel they are under peculiar obligations, and they are encouraged to hope that a new interest in behalf of the Society has been excited in many of them.

During the past year an Auxiliary Society has been formed in the City of London, and another in the town of Devonport. In the former case a Public Meeting for the purpose was held in the Egyptian Hall through the kindness of the Lord Mayor, at which his Lordship presided. An Association has also been formed in the Parish of Islington.

Your Committee would particularly express their grateful acknowledgments to the British and Foreign Bible Society for a grant of 550 Bibles, 350 Testaments, and 200 Psalters, in addition to 2,300 Bibles and 4,300 Testaments, freely bestowed upon your Society in former years. The desire to possess the Word of God increases daily among the people of Newfoundland; many pay the full price for it, and already 128*l.* 6*s.* 2*d.* has been remitted to the Bible Society by the Teachers as the produce of Scriptures sold.

The Committee desire also gratefully to record the valuable grants they have received from the Religious Tract Society, the Sunday School Society, and the Sunday School Union.

The Committee have further to acknowledge various donations of books, and some gifts of clothing. Among the former, they would specify a valuable collection of useful books on Divinity, presented to the Society for the use of the teachers, by the Lord Bishop of Calcutta.

During the past year, your Committee have received the sum of 18*l.*, being the amount of a legacy, after deducting the legacy-duty, bequeathed to the Society by Mrs. Ann Bevan, late of More Farm, Somerset, which they desire most thankfully to acknowledge.

Your Committee are anxious to record with unfeigned gratitude the many donations which they have received during the past year. The list will appear as usual in the Appendix to the Report, but they cannot refrain from specifying the following :—

Anonymous.....	£100
A Friend towards the liquidation of the debt .....	100
The Committee for conducting the <i>Youth's Magazine</i> , by W. B. Gurney, Esq. ....	50
The Rev. F. Bevan, (in addition to another of 10 <i>l.</i> paid a few months before) .....	50
Anonymous, per Lord Bishop of Calcutta .....	30

While your Committee cannot adequately express their thankfulness—first, to the Almighty giver of all good gifts and next, to the kind and liberal individuals who have so generously and opportunely succoured your Institution—they yet feel that its permanent support must depend upon annual subscriptions. The number of members has considerably increased during the past year, but it still continues far below what is requisite for the permanent support of your Society.

Here your Committee feel it their duty to state, that although, on closing the books on the 31st March, there appeared a balance in favour of the Society of 119*l.* 13*s.* 5*d.*, they were at the time under engagements to the amount of 350*l.*; and in this month of May bills will be drawn in Newfoundland for the half yearly payments, which cannot fall far short of 1,000*l.*, while the greater part of the ordinary receipts do not come in till the close of the year.

Your Committee, therefore, entreat the continued exertions of all persons who feel an interest in behalf of their poor Colonial fellow-subjects, to procure annual subscribers as well as new benefactions. And, with a view of promoting this interest, your Committee commenced, on the 2d of January, a series of Occasional Papers, in which they propose to give information respecting the operations of the Society.

Your Committee have now only further to report, that upon the elevation of the Rev. D. Wilson to the Bishopric of Cal-

cutta, they requested him to accept the office of a Vice-President of your Society ; and that as S. Codner, Esq., had signified his wish to retire from the situation of Honorary-Secretary, he was also requested to allow his name to be enrolled in the same list.

In conclusion, your Committee feel gratified in being able to state, that wherever the cause you have espoused, and the means you have employed for accomplishing it, have been fairly examined by the devoted servant of Christ, your Society has secured a friend. The indisputable importance of the object, the unexceptionable character of the means employed, and the manifest blessing with which it has pleased God to crown your labours, commend your Society to the affectionate regard of every faithful follower of the Lamb ; while the individuals, whose benefit you contemplate, are acknowledged to possess claims upon this country of no ordinary nature.

And if, in closing the Report of the last year, your Committee entertained an unabated confidence in God for deliverance out of those great difficulties in which the Society was then involved, much more do your Committee of the present year feel it their bounden duty to believe, that the same Jehovah who has so graciously appeared in their behalf, will continue to watch over the Society and to cause it to prosper. They would, therefore, desire to go on in their work, waiting continually upon the Lord God Almighty for guidance in their proceedings, and an effectual blessing upon their efforts ; and, whenever it may please him to grant them success, they would adopt the language of the Psalmist, and say,—“ Not unto us, O Lord, not unto us, but unto thy name give glory.”—Ps. cxv. 1.
