Mr. Peterkin, Chairman of the Board of Managers, made a statement *re* their report, calling attention to a clause therein, which stated that the amount required to meet expenses for the coming year was \$118.00 per Sabbath, while the amount received per Sabbath last year was only \$95.47, and urging upon the congregation the necessity for greater regularity in contributions.

There being no further business the Doxology was sung, and the congregation dismissed with the benediction.

## SESSION REPORT.

The past year has been one of unusual interest to the Congregation and Sabbath School. Many have felt the hard times, yet we have great cause for thankfulness. There has been an increase of members notwithstanding the large number who left the City in consequence of the want of employment. In the Sabbath School and Bible Class work there have been serious disadvantages on account of the building of the new Sabbath School Room, it is hoped, however, that the present year will more than compensate for these difficulties.

In the Sabbath School truly good work has been rendered by our devoted and esteemed Superintendent, with his staff of faithful and attached Teachers and Office bearers. The Session view with heartfelt satisfaction his re-election to this office for the present year. With the new Sabbath School building we hope for much increase in our Sabbath School work, as well as in the Bible Class and Y.P.S.C.E. May the Lord's name be glorified in it all.

The Session are pleased with the response from the young people in the Sabbath School, when asked to assist in contributing to the Building Fund, in eight months they sent the treasurer \$277. Better things are yet to be accomplished by our band of youthful workers. May our Lord again receive in this *New Temple* of the children honor and glory.

The Bible Class suffered the loss of their truly able and respected teacher, Mr. Parkinson, in June. At that critical time one was found in Mr. Gardner who was induced to take up the work, and who has in the face of serious disadvantages, maintained the class in a state most satisfactory. With the new and ample room a decided advance will doubtless be made in this important class.

MISSIONARY ASSOCIATION.—It is gratifying to know that the contributions were in excess of 1891, and that we have

a larger amount to distribute this year than ever in our short history.

WOMEN'S FOREIGN MISSIONARY SOCIETY.—Here also decided progress has been made—more to give to the great work of Foreign Missions than in the previous years.

WOMAN'S ASSOCIATION.—This organization has two hands, one for practical work, the other for benevolent purposes. The increase marked by this Association is the greatest in all the departments. A few earnest members deserve special recognition for the services rendered. The Treasurer received \$150 from this Association.

The Session has learned with sincere satisfaction of the excellent work accomplished by the Speedwell Mission Band.

The Juvenile S.C.E. has also maintained services at great disadvantage on account of a suitable place in which to hold their meetings.

YOUNG PEOPLE'S SOCIETY OF CHRISTIAN ENDEAVOR.—This Society has had a good year. The progress has been marked, improvements made, and the Society is in a better condition for service than in the past. Many most profitable meetings have been held, strangers have been welcomed, and we trust hearts have received richly of the Divine blessing. This organization stands for "Christ and the Church," worthy purposes. God give His young servants abundantly of the Holy Spirit's power, that there may be "Showers of Blessing."

The Session has been greatly strengthened by the addition of six new members, Mr. Gardner, Mr. Turnbull, B.A., Mr. Walker, Mr. P. B. Martin, Mr. D. Cameron and Mr. John Mutch.

In conclusion, we must with shame confess many imperfections, most of all, our sad want of loyalty to our King and Saviour. Shall we not then roll off the reproaches of past years, and make the present the best in our history?

"Not by might nor by power, but by my Spirit saith the Lord."

Members added during the year, 127; removed, 116; Members on Roll, 791.

Baptisms—29 infants and 3 adults.

### MANAGERS' REPORT.

The Board of Managers, in presenting their report for 1892, desire to express thanks to God for His abundant goodness to us as a congregation during the past year.

The following amounts were received by the Treasurer: Open collections of \$1,148.57; Envelope collections, \$3,816.34; total, \$4,964.91.

Compared with 1891, these figures show an increase in open collections of \$94.11; a decrease in offerings by Envelope of \$306.18; and a total decrease of \$212.07.

The Treasurer of the Building Fund has received for interest from Ordinary Revenue \$1,511.25, and from the share system now in use in the Sabbath School, Bible class, and throughout the congregation, \$327.63, a total of \$1838.88; and has paid for interest and sundry expenses, \$2,003.95; showing a deficit of \$165.07.

In accordance with the resolution adopted at the congregational meeting in April last, it was decided by the Building Committee at a meeting in November, that as the School Building was approaching completion, a canvass of the congregation should be made, for the purpose of obtaining subscriptions to shares for the Building Fund. Measures were accordingly taken to have this done, and up to date 201 promises have been obtained. As in some instances the number of shares subscribed was not indicated, it is not possible, exactly, to say how much will be realized from this source. It may be stated however, that the amount

received to date, from the monthly payments for December and January is \$59.10.

In view of the large addition to our expenses incurred by the building of the new School House, the falling off in the principal source of our revenue is very much to be regretted; and the cause, may, in a great measure, be attributed to irregularity on the part of a number of contributors in their weekly offerings. It is estimated that had each contributed as regularly and as liberally as in the previous year, our income would have been about \$400.00 greater; that is to say, this amount, in round numbers, represents to what extent contributors are in arrears in their weekly offerings.

We therefore cherish the hope that for the year just entered upon contributions will be regular, and that those in arrears for the past year will, if possible, make up their deficiency at an early date.

Notwithstanding this rather unfavorable showing, we have still much cause for thankfulness, in that last year being an unusually depressing one, our finances have been no worse; and while through the erection of our new school our needs in the future will be much greater, we have every hope and confidence that with increased demands upon us, each and all will feel the necessity for more self-denial, and that our Heavenly Father will, as in the past, most assuredly bless and prosper us in all our efforts to further His cause and kingdom.

In closing our report we think it well to mention that the amount per Sabbath which it is estimated will be required to meet our engagements for the coming year is \$118.00. The average amount received per Sabbath for the past year was \$95.47; thus showing that an additional amount per Sabbath of \$22.53 will be necessary to successfully carry out our work.

All of which is respectfully submitted.

C. R. PETERKIN,

D. T. GRAY,  
*Secretary.*

## REPORT OF BIBLE CLASS.

In presenting the report of the Bible Class for the year just closed, I would remind the congregation of the difficulties under which the class has labored during the past year: 1st, the want of a permanent teacher; 2nd, the inconvenience of our meeting-place in the church; 3rd, of the great disadvantage both teacher and members have been under in our present meeting-place in the gallery. But we have every reason to be thankful, and I am glad to say that the class has been increasing in attendance and collections, and most of all in interest, under the leadership of our present teacher, Mr. Gardner. We look forward to our meeting in our new class room within a very few Sundays, now, where we will have one of the nicest rooms to be found for such a purpose in this city. If it is not out of place now, I would like, on behalf of the teacher and the class, to invite all young people of the church to become members of our class. The total attendance for the year was 1968, against a total attendance of 2800 for 1891; the average attendance per Sabbath was, male 17, female 29; the largest attendance was on the 13th March, 78 present; the smallest was on July 8th, 9 being present.

The total collections for the year were \$57.00, which, including interest on deposits \$1.00, amounts to \$58.00. Of this amount \$10.85 goes to the fund for the furnishing of our new class room, the balance \$47.15 goes to the different schemes of the church at the request of the class.

The average collection for the 43 Sabbaths that the class met was \$1.35, as against \$2.14 per Sabbath for 1891. The largest collection was on January 3rd, \$2.22. The smallest was on April 24th, 45c.; that occurred again on the 3rd July.

The total Sunday School shares subscribed for by the members of the class are sixty-four or \$38.40. Up to the 31st

of December we have collected of this amount \$29.25, leaving a balance yet to be collected of \$9.15.

### MISSIONARY ASSOCIATION.

The committee of the Missionary Association beg to submit their report for 1892.

The total amount received by the Association during the year was \$1066.62 against \$962.65 for 1891, an increase of \$103.97. We are very thankful for such an increase, considering 1892 was a trying year to a great many families in the congregation. The amount received was allocated by the committee to the various Missionary schemes as follows:

## AUXILIARY W.F.M.S. REPORT.

The sixth annual meeting of this Society was held on January 12th.

The following officers were elected for 1893 :

<i>President,</i>	- - - -	MRS. GILRAY.
<i>1st Vice-President,</i>	- - - -	MRS. JOSS.
<i>2nd Vice-President,</i>	- - - -	MRS. RHIND.
<i>3rd Vice-President,</i>	- - - -	MRS. ADAMS.
<i>Secretary,</i>	- - - -	MISS E. CLARK.
<i>Treasurer,</i>	- - - -	MRS. D. B. GARDNER.

The Membership on the roll at present is fifty, being an increase of five over last year.

During the year 10 regular meetings were held with an average attendance of 19.

An open meeting was held in the Church on September 7th, when Mr. Frost, of China Island Mission, delivered a very interesting address.

On September 21st, Mrs. Paton, of the New Hebrides, spoke to the ladies about her work on the Islands.

Mrs. Hornibrook addressed the Thanksgiving meeting in November. The thank-offering amounted to \$32.30.

Last June six dollars in cash, and clothing to the value of \$17.00, was sent to the Indians' School at Birtle.

Although the year has been a short one, (for we have only had eleven months, as we wished to close with December) we have been very much encouraged.

The returns are in excess of last year, and we think there is increased interest as well; but do not let us rest satisfied with this. Much more might have been done, and we trust that in our new room, with increased advantages, we may be able to accomplish more for the Master than in the past.

ELSIE C. CLARK,  
*Secretary.*

## WOMAN'S ASSOCIATION.

## OFFICERS FOR 1892.

<i>President,</i>	- - - -	MRS. GILRAY.
<i>Vice-President,</i>	- - - -	MRS. JOSS.
<i>Treasurer,</i>	- - - -	MISS BYERS.
<i>Secretary,</i>	- - - -	MISS WOOLLEY.
<i>Managers,</i>	- - - -	{ MESDAMES BYERS, SAMUELSON, AND HOOD.

The work of the Woman's Association has been to aid in the benevolent work of the Church, and to help to clear off an old debt on the Furnishing Fund. We are pleased to have to report that in our large congregation there are only a very few who need any assistance. During the year eight families have received money and groceries. Clothing to the amount of \$70.36 has also been distributed to those in need. On the Friday before Christmas baskets were sent to the sick and needy in our midst. At the beginning of the year books were prepared containing the names of all the women in the congregation. A resolution was passed by the Association asking that each woman in the Church contribute five cents per month to clear off this old debt. This appeal was responded to so heartily that during the year \$150 has been collected. The success of this undertaking has been largely due to the cheerful manner in which the collectors have done their work. During the summer a garden-party was held at the home of Mr. and Mrs. Joss, the proceeds of which were for the funds of the Association. Sixteen meetings were held during the year, twelve regular, and four special meetings. We would be pleased if more would attend our meetings; there is no membership fee, and the women of the congregation form the

Association. We have much cause for thankfulness that God has so prospered the work which He has given us to do.

NELLIE WOOLLEY,  
*Secretary.*

### REPORT OF THE BUILDING COMMITTEE.

TO DECEMBER 31ST, 1892.

The Committee appointed by resolution passed at a meeting of the Congregation, held on the 6th of April, 1892, to carry out all necessary work in and about the erection of the new Sabbath School Building, and to borrow the necessary money to consolidate the then mortgage debt on the Church, and to erect the new School House, beg leave to report as follows:—

At the first meeting of this Committee, held on the 12th April, 1892, the following officers were appointed:—

<i>Chairman</i>	- - - -	C. R. PETERKIN.
<i>Vice-Chairman</i>	- - - -	D. B. GARDINER.
<i>Recording Secretary</i>	- - - -	W. F. SORLEY.
<i>Corresponding Secretary</i>	- - - -	JAMES SMITH.
<i>Financial Secretary</i>	- - - -	D. B. GARDINER.

Mr Peterkin having already been appointed Treasurer by the Congregation.

Tenders for the erection of the School House having been called for and opened, it was found that the lowest tenders, including architect's fees and the estimated cost of moving the Organ, came to \$16,580.50, and contracts were accordingly entered into on this basis for the various works in connection with the new Building.

After some trouble and negotiation, a loan of \$35,000.00 was arranged for with The North American Life Insurance Company to cover the Church and School House for five years with interest at five per centum per annum, payable half yearly, and a mortgage and bond were accordingly executed therefor and delivered to the Insurance Company.

Some friction having arisen between your Committee and the North American Life Insurance Co., as to the amounts we were entitled to as the building progressed, owing to a difference of opinion between our Architect and the Inspector for the Company as to the value of the work done, it was found necessary in September last to make temporary arrangements for money, and our Treasurer was accordingly authorized to borrow on note the amounts required to meet the Architect's certificates as they were presented to him, and considerable moneys were borrowed thus, as will hereafter appear. We are happy to say, however, that it is no longer necessary to borrow in this manner, as the Company have since requested us to take their money on our own terms, and are now advancing it to us without the intervention of their Inspector.

Various causes have arisen which have delayed the completion of the works long after it was expected they would have been finished, but your Committee are doing everything in their power to hurry the building to its final completion.

Your Committee have received the following moneys:—

From North American Life Insurance Co. on account mortgage.....	\$30,000 00
From Notes discounted in Bank.....	6,065 00
“ Sale of Old School House and Fence.....	157 00
“ Smith & Gemmell, Subscription.....	200 00
“ Other Subscriptions.....	41 50
“ Share Fund.....	327 63
“ General Revenue.....	190 20
Making a total to 1st January, 1893, of.....	<u>\$36,981 33</u>

And have disbursed the following sums :—

Paid Principal on Mortgage to Star Life Assurance Co.	\$18,493 33
“ Interest on Mortgage to Star Life.....	554 81
“ Contractors on Architect's certificates.....	11,850 00
“ Interest on Mortgage to North American Life Ins. Co.....	319 54
“ Interest on Notes discounted.....	69 95
“ Notes at maturity.....	5,550 00
“ Kerr, Macdonald, Davidson & Patterson, Legal expenses <i>re</i> new Loan.....	100 00
“ Surveying and other incidental expenses. ....	43 70
	\$36,981 33

It will be observed from the foregoing statement that this Committee has retired \$5,550.00 of notes, but it must not be understood that this has all been applied on account of the notes given for the Building. In this amount appears the balance of the floating debt, \$3,450.00, which was on the Church last January. Your Committee, deeming it in the best interests of the Church to pay this sum off out of the mortgage money, thus saving one per cent. in interest, and when the amount is required to pay the contractors for finishing borrowing it again by note, which we have reason to believe can be done on better terms than those on which this amount was being carried. At the present date there are under discount by this Committee, \$3,965.00 of notes of which, however, only \$515.00 really belong to it, the balance being the old floating debt of the foregoing \$3,450.00.

All of which is respectfully submitted.

C. R. PETERKIN,  
*Chairman.*

WM. FRANCIS SORLEY,  
*Recording Secretary.*

## REPORT OF THE JUNIOR SOCIETY OF CHRISTIAN ENDEAVOR.

Our Society was organized in May, 1891, and has now a membership of 54, an increase of 9 members over last year. We have had to labor under a little disadvantage since the old school house was taken down, having only the vestibule of the church to meet in, which has tried our faith a little.

During the months July, August and September we had no meetings, so that our funds are not so large as they would have been, only amounting to \$5.34. We meet every Friday evening, from seven to eight o'clock, and as we shall soon enter into our new school room, we trust that many more of our large boys and girls will come and join us.

The meetings are carried on by all our members taking some part, and we who have come feel that we have been greatly blessed, in coming to study the Bible every week for an hour. Once every month we hold a consecration meeting, at which the roll is called and each member responds with a verse of Scripture and an offering is given.

We have four committees, namely: Prayer Meeting, Lookout, Missionary and Flower Committee.

We are glad to report that some of our members have become members of the Church during the year, and we trust and pray that the coming year may see many more of our boys and girls coming out to confess Christ.

The officers of the Society are:

*Honorary Superintendent*, - REV. ALEX. GILRAY.

*Superintendent*, - - - MR. JOHN JOSS.

*President*, - - - MISS BELLA McLACHLAN.

*Secretary*, - - - MISS EVA MILLING.

*Treasurer*, - - - MISS CHRISTINA CLARK.

*Organist*, - - - MISS McINTYRE.

EVA MILLING, *Secretary*.

## SPEEDWELL MISSION BAND.

In presenting our report for the year, we regret to say that during 1892 our meetings have not been so well attended as those of the previous year. As our year commenced on the 23rd of January, we have held only twenty-three meetings, seven of which were missionary meetings; the average attendance was seventeen. Having no suitable place of meeting since September, we have only been able to hold monthly missionary meetings, each month taking up a different mission. However, such meetings as we have had have been very interesting and profitable. The number of enrolled members is thirty-six, a decrease of seven. We have now sixteen honorary members, an increase of four. As part of our work we have sent a quilt and other useful articles to the Indian school at Birtle, and a box of dolls, etc., to Central India, valued at \$4.00. We had a special meeting on 31st December, for returning our talents, which was five cents given to each member of our band to increase during the year; eighteen members brought back their increase which amounted to \$26.03, but we hope when we get a regular place of meeting, our band will be more useful than in the past. We feel that we could not close our report without saying how much we miss one of our most earnest workers, (Ida Hamner) who was taken from our midst on 28th February last; but we know that our loss is her gain, and we look forward to meeting her in that happy land above.
