Sarsaparilla. Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), stillingia, mandrake, yellow dock, and the iodides. The process of manufacture is original, skilful, scrupulously clean, and such as to secure the very best medicinal qualities of each ingredient. This medicinal qualities of each ingredient. FOUNDRY & MACHINE WURKS The Liver

When out of order, involves every organ of the body. Remedies for some other derange-ment are frequently taken without the least effect, because it is the liver which is the real source of the trouble, and until that is set right there can be no health, strength, or comfort in any part of the system. Mercury, in some form, is a common specific for a slug-gish liver; but a far safer and more effective medicine is

Ayer's Pills.

For loss of appetite, bilious troubles, consti-pation, indigestion, and sick headache, these Pills are unsurpassed.

"For a long time I was a sufferer from "For a long time I was a sufferer from stomach, liver, and kidney troubles, experiencing much difficulty in digestion, with severe pains in the lumbar region and other parts of the body. Having tried a variety of remedies, including warm baths, with only temporary relief, about three months ago I began the use of Ayer's Pills, and my health is so much improved that I gladly testify to the superior merits of this medicine."—Manoel Jorge Pereira, Porto, Portugal.
"For the cure of headache, Ayer's Cathartic Pills are the most effective medicine I ever used."—R. K. James, Dorchester, Mass. "When I feel the need of a cathartic, I take Ayer's Pills, and find them to be more effective than any other pill I ever took."—Mrs. B. C. Grubb, Burwellville, Va.

— C. F. Alston, Quitman, Texas.

"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

"In 1838, by the advice of a friend, I began the use of Ayer's Pills as a remedy for biliousness, constipation, high fevers, and colds. They served me better than anything I had previously tried, and I have used them in attacks of that sort ever since."—H. W. Hersh, Judsonia, Ark. Hersh, Judsonia, Ark.
