PREFACE.

THE Publishers in presenting this Edition of the CITY OF HAMILTON DIRECTORY, beg to state that every exertion has been made to render the work complete and reliable, and as the compilation was conducted under their own immediate supervision, flatter themselves that it will compare favorably with any other of a similar character.

The thanks of the Publishers are respectfully tendered to the Postmaster of the County, the Publishers of the City papers and all who kindly aided them in their efforts to compile a work worthy of the patronage so liberally bestowed.

It is the intention of the Publishers to make this work an annual one, and having had several years experience in compiling Directories, hope their work will meet with the continued approbation of their patrons.

WATERDOWN STATION.

A Village in the Township of East Flamboro', 4 miles from Hamilton. This place is beautifully situated in a county celebrated for its fertility. From its immediate vicinity a beautiful view of the city of Hamilton, Burlington Bay, and Lake Ontario may be obtained, and there is no more suitable place in the country for summer residences. This is one of the best fruit-growing sections in the Province—grapes and peaches, in addition to the commoner fruits, growing in great abundance and perfection. Population about 200.

ANCASTER.

A flourishing village, pleasantly situated in a healthy position, in the township of Ancaster, county of Wentworth. In proportion to its size, a good many manufactures are carried on here, among which may be enumerated the factory of the Ancaster Knitting Co., the foundry and maching shop of Messrs H. & A. Eglestone, Thuresson's card clothing factory, with establishments for the making of waggons, carriages and agricultural implements, a flour and grist mill and a tannery. There has been recently erected a town hall with fair grounds attached. On account of the salubrity of its situation and the celebrity of its sulpher springs, Ancaster is much frequented by invalids and convalescents in search of health. Stage twice each day between here and Hamilton. Distance from Dundas 3 miles, and from Hamilton 7 miles, fare 25 cents. Mail daily. Population about 600.

PRIVATE SURETYSHIP ABOLISHED.

THE
CANADA GUARANTEE COMPANY,

HEAD OFFICE MONTREAL.

President MR ALEX. T. GALT, K.C.M.G.
 Vice-President JOHN HANSEN, Esq.
 Manager EDWARD RAWLINGS, Esq.

This Company's business is solely that of granting **Bonds of Suretyship** for the faithful discharge of the duties of **Employes** in all positions where such security is required. In this it takes the place of **Private Suretyships**, and obviates the necessity of their being assumed or continued in the future by **Individuals**.

Its Bonds are accepted by the **Dominion and Provincial Governments**, on behalf of **Public Officers** in all the Departments, and it is the only Company that is licensed by the Dominion Government to grant such Bonds throughout Canada.

Its Bonds are also accepted by **Banks, Railways, Municipal Corporations, Commercial Institutions, and Mercantile Firms** generally as securities from employes; also on behalf of **County Officers**.

Government Officers and others can now **Relieve their Private Sureties** of all future responsibility, (very many have already done so) by a small annual outlay, no expense whatever being incurred in obtaining the Bonds of this Company, beyond the moderate premium required.

Prospectuses and all information will be afforded on application to the Head Office.
