The situation between Spain and the United States seems very critical. All kinds of rumors are in the air regarding the mediation of European powers, and the reference of the matter to the Pope as arbitrator; but nothing definite is known. It is announced that President McKinley will send a message of the question to Congress oday. This will be referenced to Congress of the countries.

On Friday last, the Postmaster General of Canada introduced a bill into the House of Commons relative to postage. One of of its provisions imposes a half cent per pound on newspapers. This will be a serious and has saved millions to the people. The bill, without doubt, was more ple. The bill, without doubt, was more ple. The bill, without doubt, was comed the most outrageous ever introduced in a British Legislature; it was simply and \$5,000. The estimates contain no mention of the second winter steamer, direct steam communication with the old country and the numerous other public services of which we hear so much. By means of these inflated stories of public expenditure, in conjunction with the issiduous operations of the boodle brigade, Mr. John Yeo, Dr. Delaney and the Private Secretary, the Government hopes to obscure the salt that large amounts of more, electors of West Prince, are you willing to be thus de ceived? SPRING HOUSECLEANING.

While people are particular about having their house cleaned of the accumulation of the winter's dirt, they're not always so particular about and there's nothing will do it so thoroughly and effectually as Burdock Blood Bitters. Alex. Miller, Ardoch, Ont., says :- "I bave taken B. B. B every spring for some years and as a blood purifier it is unequalled."
