EXTENDED HIGH SCHOOL COURSE

Grade XII Work for High School Manual Training Dept. to be This Term

A meeting of the School Board was held on Wednesday, Dr. M. E. Armstrong, chairman, presiding, and Commissioners W. A. Warren and H. B. Hicks present.

The following bills were passed: Craig Todd, cleaning, \$30.00. H. Hicks & Sons, cabinet, \$50.00. Dargie & Lomgren, \$2.00. Ruggles & Benson \$5.85

The business of outstanding importance done was in connection with extending the High School course here so as to include Grade XII or "A" work. This matter has been under advisement for some little time and at the meeting and finally and definitely arranged as well as plans for resumption of Manual Training work in connection with the schools, a feature of which has been in abeyance for the past few years.

The arrangement is being made on the suggested plans as outlined in the last issue of THE MONITOR. There has been a strong demand on the School Board for extending the course and it has been felt that as many pupils in town who have completed their "B" course should have an opportunity to pursue their studies for another year at home instead of being obliged to attend outside institutions. The government provides a grant in connection with Manual Training, the full equipment is here for work and the course is one which is taken generally by the boys and is a popular one. The "A" course is more restricted as to numbers taking it but as a fee will be required in this town will have the advantages of extension of work with practically no advance in taxes to the ratepayers as a whole.

Mr. Harold Price has been appointed Manual Training Instructor and will have as well classes in Grades IX and X in general High School work so that Principal Archibald and Vice Principal Messenger will have a measure of relief in certain subjects to enable them to handle the largely increased amount of work occasioned by taking up the grade XII subjects.

Mr. J. E. Lloyd, Clerk of the School Board, and Principal Archibald, were requested to look into the matter of any necessary repairs and the toilets will be put in first class condition.

Miss Jennie Welton, of Nashua, N. H., and sister, Miss Mildred Welton, of New York, were guests last week of Mr. and Mrs. W. R. Miller, and Mr. and Mrs. William Stronach.

PARADISE

The Rev. I. A. Corbett, Canso, a former Pastor of the Baptist Church here, spent a part of last week at the home of Mr. and Mrs. H. W. Longley. Mr. Corbett visited old friends in the community and went to Boston with Mrs. Corbett and their daughter, Helen, on Thursday, to visit friends and relatives in Massachusetts.

The members of the Women's Institute held their August picnic on the grounds of R. S. Leonard. The picnic was largely attended and a delightful afternoon enjoyed by all. A novel form of entertainment was the opening of a "mystery box" prepared beforehand by a special committee.

Mr. Milton Mollison, who has been spending a few weeks with Mrs. Mollison at the home of her parents, Mr. and Mrs. C. S. Covert, returned to Cambridge on Friday. Mrs. Mollison expects to remain a fortnight longer.

The Mission Band picnic will be held at "The Pines", West Paradise, on Thursday afternoon. If Thursday is rainy the picnic will take place the next fine afternoon. All children and parents are invited to come.

Mr. and Mrs. Harold Bowby, and children, of Wolfville, are guests of Mr. and Mrs. B. F. Bowby. Mr. and Mrs. Woodworth, also of Wolfville, were recent guests at the same home.

Mr. Harold Bird, St. John, was a week-end guest of Mr. and Mrs. A. W. Phinney. Mrs. Bird and little daughter, returned with him on Tuesday.

Elizabeth Banks, Lillian Leonard, Leone Gaul, Edgar Bent and Carroll Longley, were successful in obtaining their "C" certificate.

Mrs. H. Macomber, who has been with her sister, Mrs. H. A. Longley, for the past year, has returned to the United States.

Misses Lillian and Evelyn Leonard spent a week at Camp Meeting, guests of their aunt, Mrs. Paul Durling, from Lawrencetown.

Mrs. Turner, of Lynn, Mass., is spending a few weeks at the home of Mr. and Mrs. John Sproule.

Miss Hilda Longley, St. John, and her brother, Ewart, are visiting their mother, Mrs. I. M. Longley.

Mr. John Marshall, Middleton, was a week-end guest at the home of Mr. and Mrs. H. D. Starratt.

Miss Louise Spronle has returned from a month's visit with her grandmother at Digby.

Mr. Archibald Harris, Boston, is a visitor at the home of his sister, Mrs. John Jackson.

Miss Margaret Freeman recently visited her aunt, Mrs. Chas. Wheeler, Paradise West.

Miss G. E. Gourley, Halifax, is a visitor at the home of Mr. and Mrs. H. W. Longley.

Miss Bella Marshall, Clarence, is visiting her aunt, Mrs. V. C. Morse.

Miss Phoebe Sabean, Riverdale, is the guest of Miss Marion Balcom.

CRICKET MATCH AT WEYMOUTH

Bridgetown Win a Hard Fought Game. Large Number of Spectators Present

Bridgetown went to Weymouth on Thursday last to play the re-organized Weymouth team. Several of the old players, including "Reggie" Jones and George Hallowell were in the town, the former being in good practice, having recently made some big scores in New York.

McKenzie and Little, who did so well at Wolfville on the 5th inst., opened the innings for Bridgetown. These two players who are proving to be fine fast wicket batsmen again gave the visitors a splendid start. "Reggie" Jones and George Hallowell who bowled unchanged throughout the innings were doing splendidly and every ball had to be carefully watched. So well did they bowl that the innings closed with only 48 runs on the board. Against a side which included such a fine batsman as Jones the odds were against Bridgetown. Unfortunately for Weymouth Jones was bowled by W. Donat of his pads when he had made only 13. The next few wickets fell cheaply and it was at this point Bridgetown saw their chance of snatching a victory, which they did by 12 runs, Weymouth being all out for 36, thanks to the fine bowling of Malcolm and W. Donat.

There was still two hours to play and it was anyone's game. The visitors, however, rose to the occasion. W. Donat and Dr. Rice made a great stand. Weymouth rang the changes of their bowlers but everything came alike to them. The former had 31 to his credit and the latter 18 before being dismissed. At the fall of the seventh wicket Bridgetown declared their innings closed, setting the home team 102 runs to get. They were only able to gather 47 for the loss of four wickets when time was called.

This time Malcolm bowled Jones, who played a merry innings for his 23 runs. The game was decided on the first innings, Bridgetown thus winning, as before stated, an interesting game, by 12 runs.

Bridgetown expect to play the much improved Kentville team in a League match at Bridgetown on Saturday next, and a good game should be the result. A start is expected to be made at 1.30 p. m. Full scores:—

LOCAL JUNIORS WIN AT ANNAPOLIS

The Sister Town Boys Put Up Good Contest, But Error List Was Against Them

The Bridgetown juniors added another scalp to their list when they trimmed Annapolis 10 to 4 on Thursday afternoon at Annapolis. Ritchie pitched an excellent game for the sister town team which also batted well. They were, however, weak on fielding and while Bridgetown played an errorless game, the Annapolis boys had six against them. The game as a whole was an interesting one. Troop made a spectacular catch of a long fly to centre field in the last inning, the seventh, hit out by Early and it was a case when an error would have meant a run. Rain interfered with play and made fielding at times a difficult job. Box score as below:

Bridgetown: A. B. R. H. E.
Hoyt c. 4 1 3 0
Todd 2b. 4 1 1 0
Troop, c.f. 4 1 1 0

The Athletic Association hold a meeting a few hours after we go to press, the object being to complete details for a good program of sports for Labor Day. These are to include two baseball matches, Calithumpian Street Parade, Band Concert, and a good line of sport generally, full particulars of which will be given after the meeting. The day is to be some event in sport circles.

OBITUARY
The death took place on Saturday last at Victoria General Hospital from appendicitis of Leo Preston Carpenter, a former resident of Bridgetown. The remains were forwarded to Bridgetown where they were interred in the family lot on Monday afternoon, services being conducted by Rev. J. H. Freestone, and attended by relatives and friends of the deceased. The late Mr. Carpenter leaves three brothers to mourn their loss, Kenneth and Arnold, of Annapolis, and Lester, of THE MONITOR staff. The deceased was popular among his friends and associates, and his death at the early age of twenty-two is sincerely regretted.

Mrs. A. E. Wells returned to Westwood on Wednesday of this week.

AUTO DEMOLISHED; THREE GIRLS HAD NARROW ESCAPES

Middleton.—Three local girls, Louise Kerr, Margaret Parker and Thelma Harlow, narrowly escaped serious injury here Wednesday evening, when an automobile in which they were driving stalled at a crossing in front of the on-coming Halifax-Annapolis express, the train hitting the car and carrying it for a distance of one hundred feet.

The two former girls managed to clear the machine before being hit, but Miss Harlow, who was sitting in the rear seat, could not effect an escape in time with the result that she received full shock of the crash. She was somewhat bruised and shaken up, but none the worse for her hazardous experiences however.

The auto, which was owned by James Kerr, father of Miss Kerr, was practically demolished.—Herald.

WORK ON NEW RINK COMMENCES SHORTLY
The Bridgetown rink Company have selected as the most suitable location for the new rink the DeWitt lot on Jeffrey Street just opposite the athletic grounds and arrangements are being made to acquire this.

It is expected now that within two weeks the erection of the building will be begun by Hicks & Sons and pushed as speedily as possible to completion.

The rink will occupy a most convenient and accessible position and will have an ice space 160x60 with curling rink space at either side of the portion set apart for skating and hockey. The cost of the building will be between \$5,000 and \$9,000.

Mrs. A. E. Wells returned to Westwood on Wednesday of this week.

MANCHESTER AS A FRUIT PORT

The following interesting letter dated Manchester, June 3rd, is from Philip E. Donat, well known to many readers of THE MONITOR.

The enclosed cutting from the Manchester Guardian of 30 5 22 interests me sufficiently to wonder whether you would consider it worthy of a place in your next issue if the paper since in season a great quantity of Nova Scotian fruit is distributed by auction from Manchester.

This article confirms what I have learnt since I have come home, that Manchester possesses excellent facilities, as good if not better than any other port in the U. K. for the handling of large consignments of fruit.

The audience of buyers come from all over the North and Midlands of England and even from the South of Scotland. Manchester has steadily become one of the leading markets for Nova Scotia fruit and at any rate is a happy alternative from London which has been the favorite destination for N. S. apples.

I have had splendid opportunity since I left Annapolis last October of studying the fruit trade here and have been privileged to attend a large number of the sales, the noticeable feature of which is the efficiency, accuracy, speed and the straightforwardness characterizing the conduct of the sales. The clipping is as follows:

STEADY WORK AT THE DOCKS

The steamer Berwickshire arrived at the Manchester docks last week with a large general cargo from Australasia, including 55,000 cases of Tasmanian apples and 7,300 cases of Tasmanian pears. The whole of the fruit was stored in two hatches. The discharge of the steamer began on the afternoon of Wednesday last, and the whole of the fruit was out of the ship shortly after three o'clock yesterday afternoon. This works out at an average of 1,175 cases per hatch per hour, or 18,000 cases per working day of eight hours—an excellent record, demonstrating the facilities at the Manchester docks for dealing with the huge consignments of fruit still awaiting shipment in Australasia. About 20,000 packages of the fruit will be offered for sale by auction at the Commercial Sale Room in Deansgate.

ANNAPOLIS TIES LAWRENCETOWN

Tennis Tournament Between the Teams Much Enjoyed—Scores By Events

Lawrencetown.—On Friday last the Lawrencetown Tennis Club motored to Annapolis where they met the players and members of the sister club in a return tournament match. The day proved ideal for tennis some interesting events were played. The courts were in splendid shape and the home club had everything previously arranged for an enjoyable afternoon. Several autos conveyed the members from Lawrencetown a few remaining to the band concert given in the evening by the Annapolis Royal band.

The events ran somewhat evenly and Annapolis reversed their score that was tabbed when they played Lawrencetown two weeks past by securing the three events for themselves this time and allowing the visitors only two. A play-off would be in order and no doubt will be arranged for a future date. These two clubs are very evenly matched and the outcome of the next tournament will be awaited with interest by followers of both clubs.

The scores by events follow:
Ladies Singles:—Miss Anderson, Annapolis, won from Miss James, Lawrencetown, scores: 6-3, 6-6, 6-4.
Mixed Doubles: Mr. Pickup and Miss Whitman, Annapolis, defeated F. M. Bishop and Mrs. R. R. Ritchie, Lawrencetown, scores 6-2, 4-6, 7-5.
Men's Singles:—Mr. J. C. Hall, Lawrencetown, defeated Mr. Armstrong, Annapolis, scores 6-3, 6-1.
Gents. Doubles:—R. C. Bishop and L. H. Ringer, Lawrencetown, won over Messrs. Whitman and Harris, Annapolis, scores: 6-3, 6-1.

Ladies Doubles:—Misses O. and S. Atlee, Annapolis, won over Misses James and Jefferson, Lawrencetown, scores: 6-3, 6-2, 6-1.

After the events were run off the members of the home club served refreshments and ice cream, and all the affair was particularly pleasing to both hosts and guests.

LOWER GRANVILLE

In addition they provide a rest room for the women who come in from the country shopping. But the most vital thing that comes into their lives is the industrial department, carried on under the auspices of the Union Church, where 125 women and girls mass together and are taught to repair garments, rug making, patchwork, basketing, etc. The proceeds are used to help educate the poorer children who come in from the mountains and surrounding districts, sometimes eighty or ninety miles away.

The Women's Institute met at the home of Mrs. J. E. Rice Friday evening, July 28th. A goodly number of the members were present and several visitors. One of the most interesting features of the evening was an address by Mrs. (Rev.) Howard Hudson, of Berea, Kentucky. In her introductory remarks she gave a brief outline of the early history of Berea, and its wonderful growth since that time. A college had been established with endowment of \$2,000,000, and second in rank only to Yale and Harvard.

The Women's Club in connection with the college has all the modern improvements. Officers and teachers' wives, and in fact all the women of the town belong. Music, education, civics, hygiene, home economics and general topics are taken up. The Club serves hot lunches for the school children, visit two County Homes, one white and one for the blacks, once a month and distribute fruit.

Mr. and Mrs. Geo. Covert, wife and children, Mrs. Brown, Mr. and Mrs. Miller, of Lynn, Mass., who have been visiting Mr. and Mrs. A. B. Thorne, have returned to their respective homes.

Mrs. Smith and Mrs. Wolfe, of Port Medway, who have been visiting Mr. and Mrs. Walter Hudson, have returned home.

Mrs. Lamont, of Dartmouth, N.S., is a guest of her uncle, Mr. Stangas Mills.

Mr. and Mrs. John Parker are receiving congratulations on the arrival of a son, the 3rd inst.

The Women's Institute gave an ice cream social in the new hall on Friday evening, proceeds \$28.94.

Mrs. Annie Nason, of Mechanic Falls, Maine, was a recent guest of Mr. and Mrs. J. H. VanBlarcom.

LITCHFIELD

Mrs. Della Glover and niece, Miss Wicks, of Boston, Mass., and Miss Sarah Halliday, of Stoney Beach, have been visiting here the past week.

Capt. and Mrs. J. V. Robblee, of Goat Island, spent Sunday at Mr. and Mrs. Chas. Burnie's.

Mr. Cecil Hamilton has returned home from his visit at Lequille.

Mr. and Mrs. Pitteous Woodworth, of North Easton, Mass., has been visiting Mr. and Mrs. Richard McCaul.

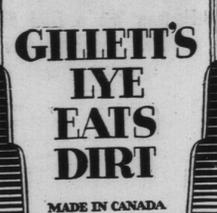

Very fine weather of late and the farmers are making hay while the sun shines.

Mr. B. M. Armstrong lost his barn by fire on Wednesday, August 2nd, at 1:30 o'clock p.m. It is not known how the fire originated. Mr. Armstrong and boys had just come from the field with a load of hay and driven it in the barn floor, put the horses in the stable, fed them and then went in the house for their own dinners, just sitting down to dinner they heard a noise like the cars make when coming over the hill by their house and looking out to see who was coming they saw the barn afire. The horses broke their ropes and ran out of the stable. Mr. Armstrong got all the harnesses out but nothing else, the load of hay being burnt and about a ton of hay besides. By the use of the telephone, help from Brooklyn and Port George was soon on the spot, but the barn could not be saved. Much sympathy is felt for Mr. Armstrong, it being the busy haying time now, but every one is willing to help do what they can in lending wagons, barn room for horses, cows, hay, etc.

Recent guests at Mr. and Mrs. I. J. Fritz were: Messrs. Norman and Edward Fritz, Somerville, Mass.; Mr. David Fritz, Mrs. Seldon Arnold, Misses Vera and Ina Sicoomb, Port George; Messrs. George and Forester Foster, Mr. and Mrs. Percy Pierce, Brooklyn, and Mr. Blakney Brown and daughter, Melissia, Port Lorne.

Mr. and Mrs. Edward Pierce, accompanied by Mr. and Mrs. Percy Pierce, Brooklyn, spent a few days quite recently, the guests of their daughter, Mrs. Hardy Elliott, Kentville.

Mrs. Eligh Moore and daughter, Hattie, from Boston, Mass., is spending a few weeks with the former's brother, Mr. Charles Barteaux, of this place.

Miss Helen M. Fritz and Mr. Archie A. Pierce spent one day quite recently the guests at the home of Mr. W. B. Coghane, Prince Albert.

Miss Melissa Brown, Port Lorne, spent the past week with her friend, Miss Bessie Greenhulst of this place.

The farmers are busy haying now, making use of the lovely fine days we are having.

Miss Clara Armstrong is attending the School of Methods at Wolfville.

HEREAFTER ALL BIRTH, MARRIAGE AND DEATH NOTICES, WILL BE CHARGED AT THE RATE OF FIFTY CENTS AN INSERTION. THIS IS KEEPING WITH THE PRECEDICE FOLLOWED THROUGHOUT CANADA BY ALL LEADING DAILY AND WEEKLY NEWSPAPERS.

NEWS OF THE WEEK

ALL THE DOINGS AND UNDOINGS OF THE PAST SIX DAYS

Miss V. K. James left town on Saturday last for an extended visit to be spent at Digby.

Miss Nina Banks has returned from Wolfville and has resumed her duties at the local drug store.

Mr. R. E. Felton is spending a few days in Halifax.

A large number from town attended the Camp Meeting on Sunday.

Mrs. Richardson and son are spending a few weeks at Deep Brook.

Miss Blanche Harris has been a recent guest at the home of Dr. and Mrs. L. R. Morse.

H. T. Phinney, wife and children, have left on a motor trip for Cape Breton. They purpose remaining away for an extended visit and will visit many of the important towns in the Eastern part of the Province before returning home.

Miss Pauline Lake, who has been employed on the teaching staff at Oxford for the past few years and who has been very successful, started for the West on Friday last where she has obtained a position in one of the Western schools.

The surveyor and linemen are working in town at present and the indications are that work is to be commenced on the main road at an early date. The work is to be commenced in town and gradually working the entire road bed between here and Middleton. Sounds good to motorists.

Miss Bessie Miller, who has been employed in the U.S.A. for the past few years returned to her home on Tuesday last and will spend her vacation with her parents, Mr. and Mrs. Chas. Miller, East End.

Mr. Chas. Peters and wife, who, for some time past, have been residents at the East End, have recently disposed of their property and left on Thursday for California, where they expect to reside for the winter.

It merely just reminds us that the way some of the others make such sensational drives and creeps, runs and seemingly other contortions across as well as over the courts that some necks aren't the next to snap.

During the Summer months the services for both churches will be held in union, while the respective pastors are away on their vacations. Rev. Mr. Balcome, Paradise, occupied the pulpit at the Baptist Church on Sunday last.

Despite the dangers attached to a speeding auto and although we have mentioned the fact before in these columns, it is still a frequent sight to see a modern speedster sailing through town at a break-neck speed. Perhaps some day they'll learn PERHAAPS???

Mrs. (Dr.) V. D. Shaffner, while playing on the tennis courts a few evenings past in preparation for the tournament games at Annapolis had the misfortune to meet with an accident which has crippled her. She, however, is now able to walk around a little and hopes to be in the game again before long.

Recent visitors of Mr. and Mrs. J. Ritchie were: Mr. and Mrs. Walter Rathburn and son Kenneth, of Kentville; Mrs. Samuel Ward and niece, Miss Ruth Ward, of Boston; Mrs. Tupper and son, Mrs. George Starratt and daughter Florence, Miss Jean Ritchie and Mrs. Edward Ritchie, of Moschelle; Mrs. Edna Quigley and daughter, Eugenia, of Kentville.

Mr. Victor Whitman has purchased Mr. Robinson's place on Bridge St.

The W.M.A.S. was invited to meet with the Ladies' Aid at Clarence on Monday afternoon.

Miss Bessie Durling, of Boston, is spending her vacation with her parents, Mr. and Mrs. Isaac Durling.

Rev. Mr. Rackham, pastor of the Methodist Church, is taking his vacation, and while absent union services will be held.

H. F. Hamilton, Secretary of the Great War Veterans Association made a business trip to the Hub on Friday of last week.

Mrs. L. F. Morrison left on Friday on a visit to Mount Unlace where her husband is relieving ticket agent on the D.A.R.

Rev. L. F. Wallace having spent two months in New Brunswick engaged in Evangelistic work, returned to Lawrencetown on Wednesday.

Miss Hattie Foster, of Boston, and her sister, Miss Myrtle Foster, of Kentville, are pending their vacation at the home of their mother, Mrs. W. B. Foster.

Mrs. James Ray is going to spend the winter in Kentville. Miss Georgie Ray is spending the Summer months with her mother and friends at Margareville.

Mrs. Fred Marshall, accompanied by Mrs. Jennie Balcom, left for Boston on Wednesday, having spent a few weeks at Middleton, Lawrencetown and Paradise.

Miss Muriel Ringer, who has been visiting her brother in town, has gone to Medford, where she will further vacation before returning to her home in Lockport.

Mr. Frank Reagh, who has been visiting his brother, Mr. Harry Reagh, of town, has returned to the U. S. A. after having spent a grand summer vacation.

Mr. N. S. Banks, who has been town electrician at Digby during the past few months, was a recent visitor at his home town. He returned to Digby on Saturday.

In the absence of pastor Whitman on Sunday last, Rev. J. H. Balcom occupied the pulpit in the Baptist Church, also fulfilling the other appointments throughout the day.

Mr. and Mrs. Raymond Ritchie took advantage of the evening driving that is free from dust nuisance and passing cars by motoring through to Annapolis on Saturday evening, returning home the next day.

Rev. A. H. Whitman, pastor of the Baptist Church, went to Sydney last week. On his return he will be accompanied by Mrs. Whitman and daughter, Miss Stella, who have been away for several weeks.

We regret very much to learn of the death of Mr. S. N. Jackson, of Clarence. Another good man has passed away and will be greatly missed in the home, in the church, and community. Much sympathy is felt for the bereaved ones in their sorrow.

Mr. J. Ernest Palfrey, one of the town's young men who entered the services of the Royal Bank at home several years past and who has since been transferred to several other branches and at present employed at the branch in Halifax, returned to his home on Thursday evening last and expects to remain with his parents during his vacation period.

Many of the boys from Brickton and Williamston took advantage of the harvest excursion and boarded the train at Lawrencetown on Wednesday and Thursday of last week bound for the West where they expect to try their hand in the harvest field. The D.A.R. when passing through appeared to be somewhat loaded with harvesters who evidently are also following the Western trail.

The members of the Boston Travellers baseball team who played a game with the locals on Tuesday last, were guests at the Elm House from Tuesday until Friday morning. They purpose playing their next games in Cape Breton and were resting here in town before taking the long jump. While here they endeavored to obtain games with the Middleton nine, with whom they had previously met defeat, but were unable to come to any definite agreement with them.

KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot Summer months are to small children. Cholera, infantum, diarrhoea, dysentery and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevents stomach and bowel troubles, comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

CORRESPONDENCE

One weekly paper does its share faithfully in trying to stand for all town improvements especially as we are now on the threshold of "Bridgetown's Centennial". What about renovating and improving the town's Church of England cemetery where rest at least many of our best esteemed citizens of past days.

We as church men and women boast of and are justly proud of our ancient heritage, also of the teaching which from cradle to grave shows us the paths leading to real happiness during our earthly pilgrimage, with a sure and certain hope of joy beyond when life's journey ends.

What of "God's Acre" set apart and consecrated for those we have loved and lost; is it to be left to be trodden down by the careless passerby without any effort being made to restore and beautify? Our brethren outside our fold have given us a good object lesson and to them be all praise for making the general cemetery a resting place for their dead a place of beauty. Shall we do less? Awake! Awake, good Church men and women, and as good Christians, let us make ourselves worthy of the name and restore and beautify our portion of "God's Acre".

CLEMENTSPORT

"THE QUEEN OF THE BASIN"

The committee have been at work on the old St. Edward's Church grounds and have effected a most beneficial result. The old portion of the grave yard will later be cleared of roots, etc., and levelled off and seeded down with lawn grass. Several have been to work at their lots and several have sent money to have their lots put in repair. It is to be hoped that all interested in this sacred spot will personally see that the resting places of their revered ancestors are cared for in a worthy and befitting manner. The program for the decoration service to be held on the 30th inst., will appear later. In the meantime reserve the date.

Messrs. H. L. Vroom, Chas. Ritchie, John H. Rawding, had a fishing trip on the 5th inst., up Big Lake and Long Lake. They report the water very high, the trout plentiful enough to provide for their appetites in camp, but the moose!!! You should just hear the vivid descriptions they gave of the three they saw amide the lake-side lilies, on the side of the river between Big Lake and Long Lake. A bull, a cow, and a calf. A few days later we saw Mr. Owen Balcorn and others getting their large baskets ready for their Fall hunt. We do not wonder.—'Tis the call of the Autumn camp fires.

Mrs. A. W. Gates and son who have been visiting in St. John, returned to their home August 9th.

Miss Nora Lambertson, of Barton, Digby Co., is visiting Miss M. R. Roop at Rosebank Cottage.

Mrs. Hubley and daughter, the Misses Ethel and Ena Hubley at Capt. John N. Berry's.

Miss Jean McInnis, of Halifax, is visiting Miss E. Crowell, at Riverside Cottage.

A small schooner is here from St. John loading lumber for Condon & Denton.

Mrs. Frank Potter, of Bear River, is visiting her daughter, Mrs. Harry Burdill.

Mr. M. O'Leary, and son, Frank, went to Halifax on Monday, August 7th.

Miss Patriquin and Mr. Chas. Carothers returned to Boston on August 8th.

Rev. Mr. Hens held service on Sunday, 13th inst., in the Baptist Church, Mr. Gillatt, Smith's Cove, is working on the D.A.R. bridge.

CORRESPONDENCE

Editor of The MONITOR:

Dear Sir:—Mr. Ferguson's letter of the 9th inst. is emblematic of his courtesy. I met Mr. Ferguson when he was repairing a bridge in Clementsport and shook hands with him welcomed him to our village, invited him to the Rectory, (he did not come which was no fault of mine), later the conditions in which he left the temporary road to get across the river caused a reprimand from Halifax.

My remarks re the antiquated pile driver were made on the opinion of a contractor who has built large bridges—and who ought to know. Judging by Mr. Ferguson's statement that "he has not kept any tourist waiting more than five minutes, and that some of them pass eight or ten times a day"—and knowing the traffic over this bridge on the main Halifax-Yarmouth highway—it is a very easy thing to see about how much time I left to drive piles for which the public is paying.

Furthermore a gentleman told me to-day that in driving to Digby—or going or returning, he did not say which—he was held up on the bridge for twenty minutes. No one find fault with the holding up. Hold us up for two weeks or all the season and finish the thing, but place suitable notices—not a microscopic scrip by the side of the road.

It may be a misprint that made Mr. Ferguson say: "The interest of my employers have always been uppermost in my mind"—but if he really said this, is not something due his employers; and who are his employers? I heartily congratulate Mr. Ferguson for his freedom of accident to his employees during fifty years of service, and trust he may never have one—but all this, with a happy accommodating spirit, is a career of highest honor.

I would inform Mr. Ferguson that every day some one is expressing appreciation to me for my having brought this matter into the press—and as long as I can I shall do my utmost as a citizen to protect the public interest, regardless of personal allies.

I have never been angry with Mr. Ferguson nor do I intend to become so—I wish him success everywhere and always.

Thanking you, Mr. Editor, I remain Sincerely yours,

A. W. L. SMITH, St. Clements Rectory, Clementsport, Aug. 9th, 1922.

OBITUARY

The news of the sudden death of Samuel N. Jackson, of Clarence, which occurred at his late home on Sunday, August 6th, at nine o'clock, came as a great shock to the citizens of Clarence, and has saddened the hearts of many. Although Mr. Jackson had passed his eighty-first birthday and was not strong, he was able to attend to the lighter duties of the farm, and had gone to the barn to do the milking when a call for help brought a neighbor there to find that he had fallen and was seriously injured. With assistance he walked to the house. The doctor was called and all possible means used to alleviate his suffering, but within a few hours the spirit took its flight.

Mr. Jackson has been a prominent figure in both the business and religious life of the community. For many years he conducted a store of general merchandise, was also an efficient and obliging Postmaster and a Justice of the Peace. For over forty years he was clerk of the Paradise and Clarence Baptist Church and superintendent of the Clarence Sunday School and was widely known for his interest in the work of the Sunday School and Temperance reform. Few men have served more faithfully and well their day and generation.

Mr. Jackson is survived by his wife, formerly Miss Huldah Edgett, and an aged sister, Miss Emma, to whom the heart-felt sympathy of the community is extended.

The funeral service held on Tuesday afternoon at his late residence was largely attended. It was conducted by his pastor, Rev. W. Steadman Smith, assisted by two former pastors, Rev. L. F. Wallace and I. A. Corbett. A duet by the Misses Edith and Alice Woodworth of Berwick, "Does Jesus Care", was beautifully rendered, also one by Mr. and Mrs. E. Stewart Elliott, "Jesus Saviour Pilot Me".

Beautiful floral offerings from church and friends expressed in their silent way appreciation of the life that had passed and sympathy for the living.

EARLY HISTORY OF BRIDGETOWN CONTINUED

Quirk's Hotel stood where the Primrose Block now stands, the old house being removed to give place to the present business block about twenty years ago. This corner was also known as Goldie Ball Corner, a golden ball standing on a staff at its front for many years after the Mr. Quirk was gone.

I have found a list of the heads of families living in Bridgetown in 1825 which I will give, as space will not permit to tell in detail interesting particulars of many of them. There were here at that time Capt. John Crosskill, Rev. Thomas Ansley, Baptist minister; Andrew Henderson, school teacher; Aaron Cleveland, Stephen S. Thorne, Benj. Reed, Thos. James, Ezra Foster, Jonathan Woodbury, Jesse Oakes, John Church, Clem Pettit, Dr. Silas Piper, Thomas Crosskill, Enoch Dodge, Joseph Wheelock, Nathan Randall, Alex. H. Troop, John Quirk, Aaron Eaton, shipbuilder; Stephen Bromley, Barrister, etc., and Alexander Fowler. All of the above were married men, then there was Thomas Spurr, Angus M. Gidney, and Wm. G. Foster, young men.

Ezra Foster kept the Riverside Tavern at that date, where H. C. Morse now lives and it was in this modest hostelry that a banquet was held on January 15th, 1824, and at which many of the men mentioned above brightling with enthusiasm, and full of hope for the new town, partook of the most goose and mince pies our grandmothers could make and flavor so well and with various reasonable and lawful vands to drive dull care away, proceeded to finally select a name for the new town that had remained nameless for almost two years.

We have no record preserved of any other proposed names, all we know is that Bridgetown was the chosen one, and as Joe Howe suggested a few years afterward when visiting here, "they made the sound an echo of the sense" for we had a bridge and we were to be called Bridgetown.

Judge Savary suggested a few years ago that it would have been more appropriate had we been named Crosskill, and no doubt this would have saved confusion in mail matter for we are often mixed up with Bridgewater, Bridgetown, etc.

NEWS FROM THE OTHER SIDE

Interesting Letter From Woman in South Africa

Johannesburg, South Africa.—"I look Lydia E. Pinkham's Vegetable Compound for weakness and because I felt run down. I tried a lot of medicines before I tried yours. One day I was standing on my stoop when a boy came up to me and handed me one of your little books. I read the book and the next day my husband went to the chemist's and bought me a bottle of Lydia E. Pinkham's Vegetable Compound. I have taken this medicine ever since and I feel quite strong and well now as I am on the sixth bottle. I have written to my sister and told her all about the medicine and she has done for me, and I am quite willing for you to use my name as I can not thank you enough for what it has done for me."—Mrs. W. F. RICH, 128 6th Ave., Mayfair, Johannesburg, Johannesburg, South Africa.

It is this sort of praise of Lydia E. Pinkham's Vegetable Compound, given by letter or verbally, one woman to another, that ought to commend this splendid medicine to you. Lydia E. Pinkham's Vegetable Compound is a medicine for women's ailments (in use nearly fifty years), and the fact that it has helped thousands of other women, should cause you to give it a trial now. It can be safely taken by any woman—young or old.

all, there was both rumps and tears while order and attention was being taught.

Boys and girls in these early times were taught in separate rooms and not mixed as to-day. The schools at this time were semi-private—parents having to pay a certain sum per month or quarter per pupil while the Government supplemented the income of the teacher a little by paying us for the pupils unable to pay the monthly charges.

Often parents were unable to pay for the whole of their children at the same time and then one child was sent to school for a quarter then kept home and another giving his turn in the same way.

Very early Bridgetown had rival schools as Thomas Crosskill, a son of Capt. Crosskill, opened classes in a small hall near the Baptist Church and shared with Mr. Shipley the honor in training our grandparents. Mr. Crosskill had taught in Halifax, in what is now Brunswick Street Methodist Church and carried on successful or similar work at Bridgetown from 1840 to 1850.

Female teachers were used for the girls, but the names of the first of these have been lost in the process of years. Miss Sybil Wheelock, sister of Joseph Wheelock, was a very early teacher in the first school house, but who the first one was is unknown to me.

Between 1836 and 1840 the town boasted of a Ladies Seminary that was conducted by the Misses Purvis, Halifax, who carried on their advanced classes for young ladies in the Morse house now occupied by Albert Howe. The establishment of this Academy was due to the enterprise of John Quirk and a few other citizens with grown up daughters who wished to give their girls better educational advantages.

The good start Bridgetown made in school work and in early providing a school house with good teachers was of sufficient importance as far back as 1828 to have been favorably commended by Joseph Howe at his visit here in that year, in a series of articles he was then writing for his paper "The Nova Scotian".

Mr. Howe also found here in the infancy of the town, that parents who had been, by circumstance, denied the blessing of education, themselves most anxious to give it to their children and in this strong desire for the best and improvement of the mind this coming great and distinguished Canadian felt that the new town must flourish and progress.

The interest in educational matters and the schools thus early established have been a characteristic of Bridgetown people throughout the whole century and there has been very few years in which the school has not stood quite equal to any in the country in its reputation of efficiency and character and ability of its teachers, and in the work it has accomplished in training boys and girls for successful citizenship and life work. The school has always occupied a first place in the minds of the people as it should.

The long period of years that Wm. H. Shipley presided over and faithfully served in this department that was so conspicuously begun by Andrew Henderson, set a pace that has been kept throughout the almost 100 years of existence of Bridgetown schools.

If we add the names of Henderson and Shipley to those of Saunders, Brown, Bustin and a few others it almost compasses the century and our school teachers have done much in training in moulding and making good citizens as well as outstandingly eminent men in many lines of life work. During the balance of the 19th century, other teachers came as principals, but remained for a shorter period for various reasons, who could be mentioned, and played an influential part in this important department of life and society.

Wonderful changes and advancement in methods of teaching, in school law, and school work, have taken place since the youngsters had shingles for books and sat on long board benches in the small school rooms of long ago, but even then, as now, the personality of the teacher was the factor that did most in making successful men and strong characters and many of these early teachers possessed this and did a great work in their day. As Bridgetown grew, more teachers were required and in place of one with a dozen children in the beginning we now have seven with three hundred and fifty pupils. These extra ones have been women for the most part and deserved mention perhaps quite as much as the principals, but space will not permit. To my mind the school teacher exerts a greater influence in the development of society and civilization than any other one factor. They make us morally and mentally to considerable a degree, and I believe the time is coming when our school teachers will receive much more credit and recognition for their great work they do in outlying, obscure country sections as well as in graded schools such as our own. To-day neither the state church or society fully appreciate the great moral and religious influence our school teachers.

EARLY HISTORY OF BRIDGETOWN

Shipbuilding and Early Industry. First School, Organization of Churches, Etc.

Between 1822 and 1825 many lots were sold in the Crosskill town plot and building operations were quite active here and there on the new streets. The houses erected took were of good size and substantial. At the same time there was a beginning of several industries.

Aaron Eaton opened the ship yard and erected the large house now occupied by Craig Todd and long known as the Revere House and also built across the street where Mrs. Fisher's shop now stands, a shop, the same building now used by Arthur Paltrey, as a carriage manufacturing. Several large vessels were launched from this yard in the course of time. The waterfront too was busy, as shipping reports tell that during the Summer of 1824 over 100 vessels lumber laden quietly dropped down the river from Bridgetown with the tide and sailed away with their cargoes from the saw mills and farms in this vicinity.

Other industries were established in rapid order as new citizens came in, they were small in their beginning but some of them have lasted for nearly a century, but to these we will refer later.

THE FIRST SCHOOL ESTABLISHED

The town was named in January, 1824, and soon afterward there was a movement for a school, and at a meeting held in the store of Jesse Oakes, which stood where Dr. Anderson now has his office it was agreed to open a school that Spring and a committee was appointed to secure a teacher. As a result of this meeting Andrew Henderson, a teacher then keeping school at Mount Hanley, a very prosperous settler at that day, was secured and in the Spring of 1824 Mr. Henderson opened this first school here.

This sterling man and eminent teacher who until his death years afterward continued in this county was from the North of Ireland and with his wife and small children had emigrated to New Brunswick about 1817 and while at St. John was persuaded to come to Upper Clarence to teach, by a Mr. and Mrs. Farnsworth, who were at St. John, in a small vessel. Being in need of work Mr. Henderson came with his new found friends to the Annapolis Valley landing at the bay shore at Mt. Hanley. He taught both day and evening school in the large open settlements of that section of the county for several years or until he was engaged to come to Bridgetown.

Here he began the school work of this town; setting a pace and standard of quality and efficiency that gave the town a distinct reputation as having a splendid school and the teacher became known throughout the county and province as one of the most successful teachers and educationalists of that period.

He had among his pupils at that first school a number of boys who a few years later became clergymen or entered other professions in which they were more or less prominent and it was the splendid qualities of Mr. Henderson and his fine personality and character that brought out of these boys their best and it was to Mr. Henderson's training that they attributed much of their success in after life. He seemed to have been a teacher that made men and the new town was very fortunate in getting so good a start in the beginning of its school establishment.

Mr. Henderson continued here until 1831 when our larger sister town, Annapolis Royal, secured his services. He continued to teach there in public and later in a private academy for some years.

During his years here the first school was erected, where the Court House now stands, and it was the school house on this street that gave the street, now so far from our school, the name of School Street. The first trustees of Bridgetown school were Alexander Fowler, Dr. Silas Piper and Joseph Wheelock. Descendants of all of whom are still represented in the town or its vicinity.

The second teacher was William H. Shipley who was also from the old country. Mr. Shipley continued as a teacher here for nearly thirty years and many of our older men now living received their first instructions in his school, sitting on the long benches and getting their first spellings and the multiplication table from shingles, instead of books. These shingles were wide at one end and narrowed at the other so they could be held in the pupil's small hand. There was always fear and trembling when a careless boy dropped his shingle on the floor as this was strictly forbidden and when a shingle slipped from the hand of one of our grandfathers and banged on the floor it usually brought the teacher quickly from his desk to the side of the unfortunate boy, bringing his birch rod, and in order to get there quickly, to aid the careless lad in picking up his shingle, he usually took rapid steps along and on top of the seats instead of over the floor and with it

TOO LITTLE BLOOD

The Cause of Nearly all Every-Day Ailments of Life.

Too little blood is what makes people look pale and sallow and feel languid. That is what makes them drag along, always tired, never real hungry, unable to digest their food, breathless after slight exertion, so that it is wearisome even to go up stairs. Doctors tell them they are anemic—the plain English being too little blood. If you do not realize your meals, if you are easily tired and frequently despondent, and small matters irritate you, it is a sign that your blood is thin and watery, and that you are on the verge of a breakdown.

More weak, anemic people have been made strong, energetic and cheerful by taking Dr. Williams' Pink Pills than by any other means. These pills enrich and renew the blood, which renews every part of the body, strengthens the nerves, and brings new health and vitality. Miss Dorothy M. Ellis, Davidson, Sask., says: "I have found great benefit through the use of Dr. Williams' Pink Pills. I was weak and run down and seemed to have no ambition, but after taking the pills felt restored. I shall be glad to recommend them to any sufferer."

If you are suffering from any condition due to poor, watery blood or weak nerves, begin taking Dr. Williams' Pink Pills now, and note how your health and strength will improve. You can get these pills through any dealer in medicine, or they will be sent by mail, post paid, at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

WEDDING

GILLIATT-MILLS
The home of Mr. and Mrs. McLeod Mills, Robie Street, Truro, was the scene of a very happy event Wednesday, August 2nd, when their youngest daughter, Vella Doris, was united in marriage to Robie C. Gilliatt, of Granville Centre. Rev. Bruce D. Knott, B.A., of Immanuel Baptist Church performed the ceremony in the presence of friends and relatives of the contracting parties. The bride was becomingly gowned in a traveling suit of navy blue tulle with mohair hat to match, and carried a beautiful bouquet of cream roses and maiden hair fern. She looked very sweet as she smilingly entered the room on the arm of her father, to the strains of Lohengrin's bridal chorus played by Miss Marjorie Edwards. After the ceremony a wedding luncheon was served. The bride was on the staff of the Truro Daily News and was a prominent worker in the Immanuel Baptist Church.

The many and valuable presents testified to the bride's popularity. The groom's present to the bride was a travelling case with ivory furnishings, from parents and bride and groom substantial cheques, from brother and sister of groom, a handsome parlor clock also cut glass, silver china, linen, etc. The groom is one of Nova Scotia's successful teachers, a great war veteran. He has accepted the principalship of Trenton schools, Pictou County. The happy couple left on the Maritime Express for points in New Brunswick and Maine, where the honeymoon will be spent, after which they will reside in Trenton.—Herald.

Rev. J. D. Spidel, of Liverpool, was a visitor in town last week.

BRIDGETOWN WINS EASILY AT WOLFVILLE

A League game was played between Wolfville and Bridgetown Cricket teams on Saturday last. The home team batted first and were dismissed for 39 runs. R. D. Almaime, who made 27 was the only batsman who could do anything with the bowling of W. Donat and Malcolm. No fewer than six of the Wolfville team failed to score. Malcolm, Bridgetown's coming bowler, took eight wickets for twenty-five runs.

Little and McKenzie opened the innings for Bridgetown and so well did this pair bat against the bowling of Bauld and Schurman that only 16 runs were required to win when McKenzie was bowled. These runs were soon obtained and a total of 75 was reached before the innings closed, thanks chiefly to the brothers P. E. and W. Donat, the former being top scorer with 19 to his credit and the latter 12.

Wolfville went in a second time with 37 runs to get to avert the single innings defeat. At the fall of the 9th wicket it appeared as if they would not get the required number, but the veteran "stone wailer" Herbin kept up his end while Ernest Robinson M.P. helped himself to 15 runs thus bringing the total to 46. Bridgetown were therefore left with 11 runs to get to win. The "tail", which did not wag any too freely in the first innings, went in first in the second and soon got the necessary runs for the loss of two wickets, Bridgetown thus winning a most enjoyable game by eight wickets. The visitors were most pleasantly entertained to tea and golf at the Ken-Wo Golf Club.

DEATH OF DR. PRIMROSE

The death of Dr. Frederick Primrose took place Friday afternoon at his late home on Highland Avenue, after an illness extending over a number of months. Dr. Primrose had been a resident of Wolfville for the past three years, and during part of that time practiced his profession as a dentist, and made many friends. He leaves a widow, two sons, Dr. Victor Primrose, of Wolfville, and Dr. Arthur Primrose, of the Howard A. Kelly Institute, Baltimore, and one daughter at home. He is also survived by one brother, Mr. Edward Primrose, of Boston. The late Samuel Primrose, M.D., and the late James Primrose, D.D.S., both of Bridgetown, were also brothers. A native of Lawrencetown, the deceased was a son of the late Dr. Primrose, for many years a highly esteemed physician of Annapolis County. He studied medicine in Edinburgh and dentistry at Baltimore and practiced with great success. A gentleman of marked ability and attractive personality, Dr. Primrose had very many friends who will join The Acadian in sympathy for the bereaved family.

The funeral was held from the deceased's late residence Saturday afternoon at 1.30. A short service at the house was followed by a service at St. John's Church—Acadian.

Local Happenings

Mr. and Mrs. W. D. Chase, of Plantville, Conn., who are spending the Summer months at the bungalow in Clementsport, were guests last week of the latter's daughter.

There will be preaching services in the Inglewood Church at the usual hours, 3 p.m. and 7.30, Sunday, Aug. 20th, 1922, by the pastor, M. L. Anderson. All whom have the desire to attend are kindly invited.

H. H. Crosby ball team MCFW History of Churches and much other interesting historical matter on the last article from the pen of Dr. M. E. Armstrong, omitted this week for lack of space, will appear in the next issue of The MONITOR.

The MONITOR Management received a very handsome spray of apple blossoms from the orchard of Dr. C. W. Muir. This is rather unusual. The tree, a yellow Transparent, we understand, has on it apples practically ripe with in parts a second blossoming for this season.

Norway House property, the former Summer residence of Sir Donald Smith, Pictou, was, by an overwhelming vote afterwards made unanimous chosen as the Oddfellows' Home by Grand Lodge assembled at Truro last week. Tsuru, Bridgetown, Amherst, Wolfville and Windsor were in the running.

Miss Pearl Beeler, who recently returned from the Summer School of Methods at Wolfville, gave a very interesting report of the work which she took up while there at the regular meeting of the Young People's Society of the Baptist Church on Friday evening. Miss Ruth Jackson, also attended the same school and gave a report of the Primary Sunday School work, which she took up.

A very successful dance was held in the Court House Thursday evening by the members of the Tennis Club. This is the second of such events this year, and was well attended. The music was provided by Mr. Cunningham of Middleton. The proceeds from the dance amounted to over \$50. This will clear the Club of all debts. The chaperones for the occasion were Mrs. Harry Ruggles, Mrs. S. N. Weare and Mrs. W. D. Lockett.

Bridgetown was well represented at the sessions of the I.O.O.F. Grand Lodge at Truro last week. There were in attendance, E. L. Balcom, J. I. Foster, J. W. Peters, S. L. Marshall, H. Lantz, A. F. Hiltz, and to Rebekah Assembly: Mrs. E. L. Balcom, Mrs. J. W. Peters, Mrs. J. I. Foster and Mrs. Fred Bath. Mr. A. F. Hiltz was a nominee for the office of Grand Warden to which Rev. G. W. Whitman was elected and received a goodly number of votes.

The Centennial Celebration Committee desire to obtain information of any private families who are willing to accommodate visitors during our celebration week, as no doubt it will be impossible for the hotels and boarding houses to take care of many who will be in attendance. Parties willing to take guests will please leave their names with V. A. Lloyd, chairman of Entertainment Committee, as soon as possible.

There will be service in St. Peter-by-the-Sea, Young's Cove, at 11 a.m. on Sunday morning.

Police circles furnished a couple of events this week. Chief Bishop's eagle eye detected a speed fiend careering around the corner of Queen and Granville Streets and started in pursuit. He overhauled him at Lawrencetown, secured his name and number. The gent was named Clarence Taylor, of Middleton. Papers were made out for him but he managed to get away on the farmers excursion to the West. Episode No. 2 was furnished by Harry Whynot who started a small cyclone in his residence, resulting in his arrest at his wife's instance for inflicting grievous bodily harm. Magistrate Messenger committed the accused to the October sitting of court. After release some bickerings arose with the mother-in-law, resulting in the accused of episode above being charged with assault. Hearing will be held on Thursday.

Dr. Fred Primrose, reference to whose decease will be found in another column, is well remembered in Bridgetown where he was for many years active in the life of the town. For several years he was in partnership with Dr. DeBlois and they carried on a Drug business in the store now occupied by Mr. S. N. Weare. Dr. Primrose who was a graduate in Dental Surgery, as well as in medicine, removed to Springfield, Illinois and to Baltimore at another period. He left Bridgetown about 1890 but retained always a lively interest in the town and in 1900 with his brother, Dr. James Primrose, D.D.S., he erected the Primrose block, a handsome building at the corner of Queen and Granville Streets. He was in the habit of visiting Bridgetown annually and was always an enthusiastic lover of the Annapolis Valley. The news of his decease was received with genuine regret by many.

BRIDGETOWN WIN OVER HEBRON

H. H. Crosby's Team Put Up Contest But Lost Out By Score of Seven to Four

Getting away with a good set four runs in the first innings, looked like a merry-go-round for local team, Bridgetown won out 4 over H. H. Crosby's team, Hebron.

The visitors stiffened up in other innings and the crowd of tators was treated to ball which loose in spots was on the very good exhibition. One of features was a hit by Phyno--seventh which brought home and Goodwin home. Bridge pounded Tibbets severely in the innings. The whole game was through in one hour and twenty minutes. 1, 2, 3 order being a fine feature in retirals. The some nice fielding done and the was by no means devoid of and eliminating the first inning, not a bad contest.

Box score as below:
