LARGELY A PROFESSIONAL MARKET—  
STOCKS A SHADE WEAKER— WAR  
EAGLE REGAINS 1 POINT— CON-  
SOLS UP ½.

Montreal, Feb. 24.

At 98½ Canadian Pacific was to-day, at yesterday price. First cable quotation this morning was 101½. This was followed by 101. The closing was not very strong. There was activity in Duluth both common and preferred and there was firmness and previous prices but no advance on the better showing of the Road's business and conditions advances are mentioned in both stocks. The four transactions in Toronto Railway were neither very voluminous, nor very indicative of strength. The last sale was made at 102½ as price while bid and asked prices were 102 ¼ and 102½. The closing of Virtue to-day at 76 was 1 point lower than yesterday and Rich. and Ontario receded 1 point.

The 141 price for War Eagle marks, an advance of 1 point on the previous closing price. The support was from inside buying. At 98 Republic was 1 lower than yesterday's close. There was ½ point recession in Bell Telephone at 179½ while Dominion Coal Bonds at 111 registered the last weeks price unchanged.

Markets to-day in London and New-York were little more than repetitions of the previous days. New-York's decrease of 4 millions in reserve is not encouraging, but is not very alarming. In this item it was greater than was expected. The advance of consols ½ was a response to better war news.

## STRAWS.

The report that Germany will lay a cable to China is officially confirmed.

Directors of the Royal Electric Company on Tuesday declared a quarterly dividend of 2 per cent, payable April 1st.

Mr. Jas. J. Hill of the Great Northern in a letter to the editor of the Republic Miner, states definitely that his company will commence work on the line to Republic this coming season.

One effect of the withdrawal of agents commissions is noticed in the heavy and increasing travel over the Soo, which still pays commissions. General Passenger Agent Calloway says the new arrangement suits nicely.

Chicago and St-Paul Co's met on Tuesday Feb. 20th to form a Northwestern committee of the Western Passenger Association, to which the Soo line will not be a party. These lines are making heroic efforts to maintain non-commission agreement, although outside agents are all patronizing Canada du Pacific.

MARKET CLOSES ACTIVE AND STRONG  
 - PIGS HERE IN GOOD DEMAND -  
 VIRTUE SELLS FULLY AT 76 - GOLDEN STAR AT 20.

Montreal, Feb. 24.

The market closes with the stocks generally strong and quite active. The trading in Virtue was brisk, the demand being good it sold freely at 76 at which figure it closed, having previously sold at 75 cents close on to-day, changing hands.

Payno was a little weaker, and sold at 1.18, 1,500 shares being sold, War Eagle was neglected and Republic likewise.

Slocan Sovereign remains practically unchanged and is selling freely at 30½.

Rathmullen, we hear that work is progressing most favorably on this property, both on the 200 foot-level and on the 66 foot-level. No sales were recorded to-day. Buyers offering 4½.

High prices are spoken of in respect to Big Three, it has been acting much better of late and bull tips are plentiful. Rumours of acquisition of further property are rife, we might see, in connection with this property, what we lately saw in connection with the Virtue property. The stock sold freely at 9½ cents to-day, and closes strong being in active demand.

One of the stocks seldom traded in is the Kenneth, more generally known as the Tamarac, yet we hear of good reports from the same. The new mill will soon be installed, development work is proving of good value.

Golden Star remains practically unchanged, the friends of the stock speaks in most encouraging terms of this property while others who are not quite so friendly do not speak so highly of its present value or of its future prospects. It sold at 20 cent, with the same price bid for more, the stock being offered at 22c.

California was weaker at 9½ cents.

# NEW YORK EXCHANGE.

SIGNS OF REACTION IN PRICE THOUGH NOT IN VOLUME OF GENERAL BUSINESS — PRICES IN STEEL AND IRON LOWER — R. R. EARNINGS MAKE FAVORABLE SHOWING — BANK STATEMENT EXPECTED TO SHOW LOSS IN SURPLUS RESERVE.

N.-Y., Feb. 24.

London market shows advances in consols of 3-16 and  $\frac{1}{8}$  for money and account.

There is no war news Yesterday's market was distinctly disappointing. Commission Houses did little or nothing.

To-day's weekly report show the first sign of a reaction in general business throughout the country that we have seen in a long time.

This reaction takes rather the form of a decrease in prices than any diminution in the volume of business transactions.

There is a decided tendency towards lower prices in iron and steel industries. On the other hand railroads continue making favorable showing as compared with the corresponding period of last year.

It must be remembered however, that this time last year Railroad traffic was considerably restricted by very severe weather.

Various estimates as to what to-day's Bank Statement will show, seem to agree that there will be a loss of some \$3,000,000 in Surplus Reserve.

Bankers, however, have no fear of tight money in the near future.
