ANNUAL REPORT.

Mission Fields of Niagara Conference Auxilliary.

ARTHUR MISSION,

Which is about twenty-eight miles in length, has eight Sabbath appointments, two of which have preaching every second Sabbath regularly, the others at least once a month. I also preach occasionally on week nights, wherever I can get a congregation. We have one local preacher, one leader, three stewards, and a recording one; five classes, and thirty-eight members; twelve were lost by removals and changes, two of whom were local preachers, and one a recording steward; but we have gained nearly as many as we have lost. I have received \$38.00 for house-rent, horse-keep, and all other demands; yet through the condescending providence of God I am not in debt. Our worthy Elder helped me in cash. We have been reproached by debt, and I would rather want one meal a day, or a shirt, than add to this evil,—*reproachful evil*. I have good health, thank God, and have been enabled to always keep my appointments, excepting twice, occasioned by flood and heavy snow. I am sorry that I have not a better report to give. Some of those who removed from us were the best subscribers, therefore our funds suffer so much.

E. WHITTLE.

COLLINGWOOD MISSION.

This Mission is located in the Counties of Grey and Simcoe, and embraces parts of the Townships of Nottawasaga, Collingwood, and Euphrasia. There are six Sabbath appointments and two week appointments; five of the Sabbath appointments are in some of the most promising villages, viz., Collingwood town, Nottawa village, Thornbury, Creighleigh, and Williamstown. There are two chapels

on the way; we have three classes, consisting of thirty-three members; one exhorter, and three class leaders. It will be seen from other reports that there has been quite a change effected in reference to this Mission. At present the missionary lives at Thornbury,—it is the most central place. The friends on this Mission have done all they were able toward the support of our church in the year that is past. Our friends on the front may expect that soon this field will support itself.

CARLISLE MISSION.

This Mission has eight appointments, one brick chapel, and one acre of land for a burying-ground. We have one hundred and twenty members, five classes, five leaders, a full board of stewards, and one local preacher. It embraces parts of the townships of Lobo, Adelaide, and Caradoc.

DOVER MISSION.

This Mission is situated in parts of the townships of Sombra, Chatham, Dover, Camden, Wabash and Dawn, having the river Sydenham running through its centre. It has seven appointments, seven classes, a proper number of leaders, a full board of stewards, two exhorters, one local preacher, and one hundred and seventy-five members. There is one chapel, and a site procured on which to build another. On the whole, I think this is rather an encouraging field of labor. The inhabitants are generally of British origin, and their business is farming and lumbering.

C. BURDETT.

DURHAM MISSION

This Mission is located in the county of Grey, and extends into the townships of Normanby and Bentick, and one appointment in the township of Brant, in the county of Bruce. We have six regular Sabbath appointments, a membership of one hundred, and an efficient board of stewards. This field of labor embraces a fine portion of country. The people are generally kind, but mostly poor. Considering all things, the people have done well to support the gospel during the past year. May the Lord still prosper His work on this Mission.

ELMA MISSION

Is composed of the townships of Wallace, Elma, and a part of Maryborough. There are on the Mission, nine appointments, seventy-four members, two local preachers, two exhorters, seven stewards, four class leaders, and four classes. This Mission is in a prosperous

state, spiritually; the congregations large, and a general interest manifested on the part of the people in behalf of morality and religion. The inhabitants of these townships are, generally, a sober, industrious class of people, and it will not be many years before this charge will become a self-sustaining Circuit.

ENNISKILLEN MISSION.

This Mission lies in the county of Lambton. There are appointments in the townships as follows: two in Plympton, two in Enniskillen, one in Sarnia, and one in More, (Sabbath appointments). It has only been in existence one year. There are thirty-three members, thirteen on probation, and seven stewards. It has paid one hundred dollars table expenses, sixty-eight dollars sixty-nine cents missionary money, beside some other claims. We have reason to thank God and take courage.

JOHN DUPEE.

GRAND RIVER AND TUSCARORA.

This charge embraces parts of Oneida, Walpole, Townsend and Tuscarora. The Indian Mission is not in a very prosperous state. They are anxious to have a missionary whose time shall be entirely devoted to them; also that a school should be kept amongst them. There has been some improvement among them the past year—several temperance societies having been formed. There are two classes, and thirty-nine members and probationers on the Indian part. At Hartford there is a neat chapel and twenty-four members. On the Grand River part, lying principally along the plank-road from Caledonia to Dover, there are five appointments, three classes, and nineteen members and probationers, and one chapel in course of erection. They want two preachers on this work next year, if they can have one single man.

AMOS BRADSHAW.

GODERICH AND MAITLAND MISSION.

This Mission is located in the united counties of Huron and Bruce, and embraces the townships of Goderich, Colborne, Wawanosh, and Hullitt, and has within its bounds eleven Sabbath and two week evening appointments; were it not for the long continuance of special work during the fall and winter, we could have taken in and filled many more. There is a full board of stewards, one local preacher and one exhorter. We have two Sabbath Schools,—one in town and another in the country, which are doing well; two chapels, both of which are deeded to the church, and in which we have increasingly large congregations, as also is the case at nearly all the

appointments. The Lord's work has revived during the year, souls have been converted, believers quickened, and all the institutions of the church are in a healthy state on this Mission.

W. GRAHAM.

KINCARDINE MISSION.

This Mission embraces appointments in four townships, viz.: Huron, Kincardine, Kinloss, and Bruce. To fill the appointments once, requires eighty miles of traveling. There are upon the Mission, six appointments,—four Sabbath, (one of these being filled every Sabbath), and two week night appointments; three classes, four class-leaders, and a full board of stewards. The work is not in a very flourishing condition, although improving. The people feel quite confident that it would be to the advantage of the work to have an ordained minister stationed on that charge; it would also be a benefit to the work to have an elderly preacher in charge; indeed, we believe this to be indispensably necessary to the good of the cause. The people at one appointment are engaged in the work of building a chapel.

JOHN T. DAVIS.

MELANCTHON MISSION.

This Mission is composed of parts of the following townships: Melancthon, Amaranth, Mulmur, Osprey, Nottawasaga, and Artemesia, in which there are thirteen appointments, eight regularly organized classes, and one hundred and fifty members. The prospects on this field of labor are considered encouraging. Beside raising \$78.55 for the Missionary Society, they have sustained the preacher laboring among them. May the Lord grant his blessing to rest on this field of labor, and cause it to bud and blossom as the rose.

R. L. TINDALL.

MOUNT FOREST MISSION.

This work is situated on the south and east boundary of the county of Grey. It embraces a part of three townships,—Egremont, Normanby, and Minto. There are seven Sabbath appointments, so arranged as to have preaching every Sabbath evening. In the town of Mount Forest, where we have a very good interest, there are seven classes, ten leaders, seven stewards, two local preachers, and one exhorter. There are two churches in course of erection. The prospects for the future are very promising.

SANDWICH MISSION.

This work embraces parts of the townships of Romney, Mersea, Gosfield, Colchester, and Maidstone. There are one hundred and thirty-eight members, including probationers, eleven Sabbath appointments, a full board of stewards and class-leaders, three local preachers, and two exhorters. We have succeeded in building a comfortable parsonage, and paying for the same. We believe that at the present time the work is in a rather healthy state. We have also succeeded in paying \$30 on the debt which was standing on the chapel in Leamington. There are \$40 yet unpaid. We also raised nearly our apportionment on the Seminary. In a word, we have been trying to do the best we could. Pray for the prosperity of the work of God on the Sandwich Mission.

F. W. DIGHTON.

ST. CLAIR MISSION.

This Mission is situated favorably. It lies along the banks of the beautiful river St. Clair, in the county of Lambton. We have six Sabbath appointments, and some occasional ones; five classes, a full board of stewards, one local preacher, four exhorters, five class-leaders, and seventy-nine members. We cannot report the increase that some of our brethren can; family affliction has prevented us holding protracted meetings, and thereby increasing our numbers; still the work is in a prosperous condition, and the brethren feel resolved to sustain the various institutions of the church. May the good Lord reward them. We are fully satisfied that our friends have done what they could to supply our wants during the past year, and we are happy to state that more than the required sum of this year for the Belleville Seminary has been secured. Lord bless St. Clair Mission.

ST. VINCENT MISSION.

The St. Vincent Mission, during the past year, has not increased in numbers as much as it did the previous year; still the Lord has been gracious to us; between twenty and thirty have been added to our ranks, and those who joined the previous year have, as a general thing, been established in grace, and will, we trust, be as pillars in the church of God. It will be observed that our numbers are less by four than they were last year; to account for this we mention the fact that one appointment and class, viz., Thornbury, has been given to the missionary on the Collingwood Mission. The number of members returned this year is 160; twelve of them are on trial, fourteen have been dropped, two expelled, and three have removed. We preach three times every Sabbath, have eleven Sabbath appointments, and one week day appointment. Three ap-

pointments have been given up to the Collingwood preacher, and others taken up in their place. At least two openings present themselves *inside* our field of labor. We contemplate building a church in Meaford, for which forty thousand brick, and all the stone needful are on the ground, and provision is made for getting the rest of the material in proper time. The Building Committee are negotiating with mechanics for contracts. The St. Vincent Mission is a promising work—kind people, with a good degree of piety, a fine country, and will soon sustain itself as a Circuit. May God still bless them and send prosperity.

JOHN FOSTER.

TEESWATER MISSION.

This Mission is composed of the townships of Culross and Kinloss, with a few members residing in Howick. This is not as promising a field as some others; nevertheless, we think that good is being done through our instrumentality. There are on the Mission at present, thirty-six members, three classes, two local preachers, one exhorter, seven stewards, and three class-leaders. We have secured, by bonds for deeds, four lots in the village of Teeswater,—two connected with the parsonage house, the others are designed as a site for a chapel. The parsonage house is built of plank, and a trifling outlay will finish it and make it comfortable. There is, also, half an acre in another locality, designed for a chapel site and bury-place. Although the prospects here are not so flattering as might be desirable, yet there is no consistent course left us beside that of continued efforts to hold what we have and gain what we can. We have some enterprising, liberal-minded, warm-hearted friends, whom it would seem cruel to leave without the means of grace in connection with the church of their choice.

Mission Fields of Bay Quinte Conference Auxiliary.

THE BOARD OF MANAGERS OF THE BAY QUINTE AUXILIARY MISSIONARY SOCIETY, in presenting their Annual Report to the patrons and friends of this cause, desire to acknowledge their unfeigned thankfulness to Almighty God for His fostering care and sustaining grace during the past year.

Though we could have desired the accomplishment of greater good, yet there has been considerable prosperity, and the success of our efforts gives cause of congratulation and encouragement.

By the grace of God, not one field of labor has been abandoned, and though trials and difficulties have been encountered by the missionaries, more or less of prosperity has attended every effort.—God has been done, souls converted, and the cause strengthened in every place.

There have been twenty-one missionaries employed under the special supervision of this Society; nineteen stations have been occupied; the increase in membership is respectable, and the increase in the funds is about one-seventh of last year's amount.

The statistical returns of the Missions are generally encouraging. The following are the principal stations in connection with the Bay Quinte Auxiliary Missionary Society:

SEYMOUR

Has been occupied for some time as a Mission—nine appointments; membership, 116; church property valued at \$900. Here everything is in a progressive state. The rear country toward Peterboro' is opening, and we contemplate sending a missionary into that field this year.

MARMORA

Has six appointments and 36 members, fifteen of whom have been received into the church during the past year. Prospects good.

ELZIVER,

Situate in the townships of Elziver, Madoc, and Tudor, has a membership of 67.

HUNGERFORD MISSION

Has been established two years, and has had unparalleled success under the untiring labors of the missionary, Rev. P. Empey. It has this year paid the missionary \$148; raised its dividend for the Belleville Seminary, and paid \$15 into the missionary fund. It has a membership of 160.

KENNEBECK

Lies in the new county surveyed by Government, in the rear of Addington. It commenced four years ago, and has at present a few members, who are anxious for the privileges of the gospel, and they have erected a comfortable mission house.

HINCHINBROOK,

For various reasons,—one of which has been the illness of the missionary,—has not been so prosperous, during the past year, as we could have desired, but has not been without success.

PITTSBURGH

Has been visited with a measure of success. Prospects fair.

LEEDS.

In Leeds the work is in a healthy state—membership, 119; \$167 raised for missionary's salary; \$20 for mission fund.

STORMONT

Is progressing. It has received the labors of two men during the past year. The work has so extended as to be divided: the one part becoming a self-sustaining Circuit, the other making a large and hopeful field of labor for missionary effort.

MISSIONS OF THE OTTAWA.

These Missions, extending from LaChute, near Montreal, to Westmeath, eighty miles above Ottawa city, are ten in number. They all exhibit some progress, addition of members, and extension of territory.

Thus we have briefly glanced at the state of the work at present. Permit us to add that the opportunity of extending the work is now offered. Shall we embrace it? It is our duty and privilege. To do so requires *effort*—constant, liberal, untiring.

Our Society is now in debt, owing to the large extension of labor, without proportionate enlargement of funds. "Give," then, "and it shall be given to you; good measure, pressed down and shaken together, and running over."

That the Author of all good may give prosperity and efficiency to this branch of our Zion, is the humble prayer of your Board.

Signed, (in behalf of the Board),

J. C. POMEROY, *Secretary.*
