BRITISH PLAN MEASURES TO PROTECT MINES

Gets Ready in Case Unions Call Out Safety Crews From Pits

British United Press.
LONDON, Aug. 29.—The British government is preparing to take the most energetic measures to protect and preserve the coal mines throughout the country if the leaders of the miners carry out their threat made at the close of the conference yesterday to withdraw the safety crews and allow the mines to flood.

If necessary the government will send men from the navy into the mines to operate the pumps and essential machinery.

MINERS DIVIDED

It appears, however, that the miners themselves are divided with regard to the adoption of desperate measures. The sober element are asking how they will ever be able to return to work if the mines are destroyed and are blaming their local leaders for the extremists' tactics. On the other hand, A. J. Cook and Herbert Smith believe that this threat of destruction is the only weapon they have left with which to light the owners who are now reconciled to a finish light and are confident of a victory which will enable them to settle the dispute on a district basis instead of a national basis which would break the power of the Miners' Federation.

INDUCEMENTS OFFERED

The owners are confident that the men will soon rush back to work and are carrying out an intensive campaign in this direction. They are offering to advance part of the first week's wages to men who will return to work and will not collect for several weeks the rental for miners' cottages which, of course, is far in arrears.

BAPTIST MEET AT WOODSTOCK ENDS

Two Ordinations at Service on Sunday; Rev. Jas. Dunlop Speaks

Special to The Times-Star.
WOODSTOCK, Aug. 29.—A capacity congregation attended the closing session of the United Baptist convention here on Saturday evening, when the president-elect, Rev. O. N. Chapman, conducted the service. The choir of the Woodstock church led the music and Rev. F. S. Kinley, of Windsor, led in prayer. Rev. Dr. Weeks delivered the closing address, which was followed by a prayer in song, given by the convention quartette. Benediction was pronounced by Rev. W. C. Goucher, D. D.

On Sunday a service, at which Wallace Forgy and Claude T. Olmstead were set apart to the work of the gospel, was conducted by W. C. Cross, president of the convention. Others taking part were Rev. A. S. Bishop of Campbellton, Rev. W. C. Goucher, F. E. Bishop of Digby, Rev. Gordon C. Warren of Fredericton, Rev. F. H. Eaton of Bridgewater, and Rev. Wallace F. Forgy.

At 11 o'clock a large congregation attended to hear the convention sermon, which was preached by Rev. James Dunlop of Saint John.

At the convention on Saturday evening foreign missions were discussed. Dr. and Mrs. J. Hinson West both spoke of their work in India. A resolution commending the efforts of the government to enforce the prohibition act was passed.

GRAND FALLS MAN IS KILLED AT WOODSTOCK

Guy West, 26, Dies When Train Hits Auto at Level Crossing.

WOODSTOCK, Aug. 29.—Struck by the C.P.R. train of the Gibson branch at a seldom used crossing half a mile above Woodstock, as the train was entering the town, Guy W. West, of Grand Falls, 26 years of age, was instantly killed and the light coupe in which he was driving was completely demolished, yesterday at noon.

The obstruction of view of the railway track in one direction, the noise of the automobile engine in low gear in making ascent to the crossing, thereby preventing West's hearing the approach of the train, and the young man's unfamiliarity with the local train schedule were contributory factors to the mishap.

INQUEST ORDERED.

Coroner John Lindsay had the body removed to the undertaking rooms and a jury was quickly empanelled. An investigation will be held here Monday evening.

Guy West was the son of the late John W. West, Grand Falls, and is survived by his mother, a sister, Mrs. Walter Bennett, Lincolnton, Me., and one brother, Kenneth, at home. A brother, Reid West, was killed overseas with the 53rd Battalion.

The remains will be removed to Grand Falls tomorrow where funeral services will be held.

FAIRS TO CONTINUE

Weather Was Not Kindly for Stella Maris and South End Events

The Stella Maris garden party in East Saint John had only a poor attendance on Saturday night because of the doubtful weather conditions. Supper was served to the patrons who put in an appearance. The amusements were in full swing and the prize winners were as follows: Bowling alley, men's prize, won by Ole Michelson; bean board, ladies' prize, won by Mrs. James McCormack, and men's prize, won by Thomas Flynn. Because of the adverse weather throughout the three days of the fair last week it has been decided to conduct the fair three nights this week, Tuesday, Wednesday and Thursday. It was announced last night by Rev. Francis Walker.

SOUTH END FAIR

Owing to the bad weather experienced Friday and Saturday nights the management of the South End fair have decided to continue the exhibition to night and tomorrow evening. The attendance Saturday night was good. In the voting contest for the most popular postman, William Tyler leads with 1,480 votes. Other pollings follow: W. Woods, 940; Thomas Killen, 800; Robert O'Brien, 800. A gold watch will be presented to the winner of the contest.

Mrs. Jones won the ladies' bean toss on Saturday night and Justin McCarthy was awarded the gentlemen's prize, a bathing suit.

Yachts And Boats Visit Chapel Grove

Commodore James Barnes, with several yachts of the R. Y. C. and Commodore J. Fraser Gregory, and a number of boats from the Saint John Power Boat Club, made a special cruise on Saturday afternoon to Chapel Grove where the yachtsmen were heartily welcomed by the people residing there. It was the first time in history of yachting that a fleet of yachts assembled and anchored off the shore.

"To get information," replied Mr. Duff, who defended the commission. It was much more than the Conservative of the province had been able to accomplish.

FRANCE WILL HONOR CANADIAN FORCES

Monuments at Courcellette, Le Queens, Bourlon and San- terre Authorized

PARIS, Aug. 29.—M. Paul Painlevé, Minister of War, has authorized the Communes of Bourlon and Dury (Pas de Calais), Courcellette, Le Queens, Santerre (Somme) to erect in their territory monuments in memory of Canadian soldiers who fought in France during the great war.

With the exception of Courcellette, the monuments will commemorate the epic achievements of the Canadian corps during the last "hundred days" of the war. In chronological order the battles thus to be held in memory began on Aug. 8, 1918, when the Canadian troops, flanked by the Australians on their left and the French on their right, launched their great offensive under General Sir Arthur Currie at Amiens, sweeping through all German opposition capturing many prisoners and guns with slight losses to themselves. On the following day, Aug. 9, they carried their attack to Le Queens and into the plains of Santerre. On the evening of the 9th of August they had penetrated to and captured Rouvoxy-en-Santerre, about sixteen miles distant from where they had started the day before.

Police Constable Hamm left on Saturday evening on his holidays, which will be spent in Toronto where he will visit his son, Frank.

Lieut. Paul B. Cross is Appointed for Extended Warship Cruise

Lieut. Paul B. Cross, R.C.N.V.R., commanding officer of the local company, has received his appointment to H.M.S. Capetown for an extended cruise from Montreal, to Quebec, Newfoundland, Nova Scotia, Philadelphia and Bermuda. During the cruise he will receive nautical instructions with practical experience to enable him to receive his navigation, pilotage and gunnery certificate, if successful.

Lieut. Cross' appointment is due to his own efforts in bringing the local company up to such a high standard of efficiency.

To celebrate his appointment, Yeoman Lieutenant F. P. Coombes, last week organized a motor yacht cruise down the Kennebecasis River to Long Reach returning via the Saint John River back to Renfrew. The C. C. O. and officers with the instructors were taken by automobile to Renfrew where they embarked on the Dolphin III. After being under way for two hours they anchored and enjoyed a full course dinner prepared and cooked entirely by Pay Lieutenant Coombes.

After the repast, music and singing was enjoyed on the remainder of the trip, the boat returning to Renfrew at a late hour. The trip was made back to the city in automobiles, after an enjoyable picnic.

Lieut. Paul B. Cross will leave Saint John on the Montreal train today and will join H.M.S. Capetown on arrival in Montreal. The local company appreciates the C. C. O.'s appointment and has extended good wishes for a pleasant cruise and success in his training.

FEWER WORDS, MORE ACTION.

Presently we shall have in this country a new House of Commons, and let it be hoped, a government of one stripe or another with a sufficient working majority to permit it to proceed resolutely and rapidly with the business of the hour.

Canada needs a new spirit at Ottawa. This country, after years of depression, is ready and eager for a great stride forward, and Parliament can do much to accelerate the coming of visible and sustained prosperity.

THE DIWAN OF COCHIN.

The Prime Minister of Cochin, a small and unimportant native state in Madras, is in Toronto, where he will officiate at the opening of the Canadian National Exhibition. He appears to be a progressive and enlightened native of India, according to a lengthy account published in the Toronto Star.

THE DIWAN OF COCHIN.

Another point which the Star comments is the Diwan's courtesy and amiability. It is strange how little it is recognized that well-bred courtesy is natural to the majority of the natives of India and where it is lacking the fact may be generally traced to contact with the worst class of Europeans. In a natural way, in mentioning the private and drooping, sepians and sows of the Indian Corps in France, speaks of them as having the manners of Hidalgo.

Why It Is the Infantry.

The term infantry was originally applied to a body of men collected by the infant (their apparent) father for the purpose of rescuing his father from the Moors. The attempt being successful, the name was afterwards applied to foot soldiers in general.

The Course to Take

Senator Bernard Dowling of New York, declares that if the United States were to cancel the war debts of Europe the money would only be spent on fresh armament followed by more wars. The way to prove the sincerity of this argument is for Uncle Sam to offer to cancel the debts if the debtor nations will agree to disarm.

The Political Fray

Liberal Conservative

"THE GOLDEN ERA"

"Has any one seen the golden era of prosperity promised by Messrs. Copps and Logan and others several years ago? This is the wall of wood from the Sackville Post. The answer is that all who have seen this golden era under Liberal Rule. They have seen an adverse trade balance of \$400,000,000. They have seen an increase in exports for twelve months ending June 30 of 285 millions over the previous year. In the year ending March 31, exports in manufactured goods alone exceeded imported manufactured goods by \$18,000,000. This, for the first time in the history of the country, in 1921 the auto industry paid \$7,887,000 in wages. That was just at the close of Conservative rule. In 1922 \$12,249,000 were paid. Liberals have reduced the annual interest on the debt by \$10,000,000 annually. Liberals have reduced taxation on income, postage, tariff and child profits. Liberals turned an adverse exchange of 17 or 20 per cent. on the Canadian dollar into a premium exchange. Building permits for July in Canada were valued at over \$38,000,000 which is the largest since the boom days of 1912. There are but a few items in the story of the golden era under the Liberal rule.

LOOKS FOR PROSPERITY

By the return to power of Right Hon. Mackenzie King and his administration and after the putting into effect the West India Treaty and the great development of Canada's export trade, as outlined in the policy of the Liberal Government, this Dominion will enjoy a wave of prosperity, the like of which was never before known in the history of Canada. The question is decidedly a grave one and we appeal to the electorate to study it most carefully from all angles, for it might be said the life of these Provinces hangs by a thread. It has been a high tariff that has ruined many of our industries much to the benefit and prosperity of the Central Canadian enterprises and with the return of a Conservative Administration, with Mr. Meighen at the head, with his "brick for brick" policy, what possible chance is there left for these Provinces to regain their once proud position in the world trade.

MR. BENNETT'S CAMPAIGN.

Hon. R. B. Bennett told an Ontario meeting the other day that Rt. Hon. Mackenzie King was "the greatest coward who had ever held the office of Premier of Canada," and he added that he used "these words deliberately." It is really necessary for Mr. Bennett to forget that men ought to be gentlemen in politics as in other activities.

MR. PATENAUD'S FLAG

Quite appropriately Mr. Patenaud's new Canadian flag might be used to decorate Mr. Meighen's wartime general election platform.

POEMS I LOVE

"Time, You Old Gypsy Man," by Ralph Hodgson.

THIS English poet has done some exquisite things; but this is, I imagine, his most popular poem. It has warm human appeal, and is beautifully wrought:

Time, you old gypsy man, Will you not stay, Put up your caravan, Just for one day? All things I'll give you Will you be my guest, Bells for your jennet Of silver the best, Goldsmith shall beat you A great golden ring, Fezcocks how to you, Little boys sing, Oh, and sweet girls will Festoon you with may, Time, you old gypsy, Why hasten away? Last week in Babylon, Last night in Rome, Morning and in the crush Under Paul's dial Under Paul's dial You tighten your rein— Only a moment, And off once again; Off to some city, Now blind in the womb, Off to another, Ere that's in the tomb. Time, you old gypsy man, Will you not stay, Put up your caravan, Just for one day? (Copyright by the Macmillan Co. Poem reprinted by permission.)

TRIM THE LIME LIGHT

BLOW, HARD

LONDON—Charity has often depended on the amiable antics of the well-to-do, but never has such a crusade of pleasant nonsense swept England as is now in progress as a result of the activities of "Ye A. S. P. C. C. Frith Blowers."

ANSWERED

TOKIO—There has been a long drought in these parts recently. The other day natives in the village of Hachioji, not far from Tokyo, decided to resort to the ancient prayer-rites whereby the wrath of the celestial powers is appeased—and rain, if possible to reverse it; to have our own raw materials conserved for the use of our own producers; to turn the tide of migration from the Old Country strongly into this country, to promote internal trade among the various producing areas in Canada; to better the lot of the farmer by giving him not only the Canadian solidarity and Canadian progress along all lines. These are the great measures of Canadian Liberalism. Liberals have reduced the annual interest on the debt by \$10,000,000 annually. Liberals have reduced taxation on income, postage, tariff and child profits. Liberals turned an adverse exchange of 17 or 20 per cent. on the Canadian dollar into a premium exchange. Building permits for July in Canada were valued at over \$38,000,000 which is the largest since the boom days of 1912. There are but a few items in the story of the golden era under the Liberal rule.

HONORS GALORE

PARIS—A pleasant young French woman, Mlle. Marthe Cullie, has just won her doctorate of letters from the Sorbonne. But that is only the beginning of her honors. After an adventurous career, she has been admitted to the ranks of the French scientific organizations and has been subsidized for further research.

Other Views

Addressing the British Association of Chemical Research, Lord Balfour struck the right note in reminding his hearers that knowledge itself is not power. It only becomes so when science is linked to industrial enterprises, and on this score, although vast strides have been made, there is still much room for improvement. The providing of a decent livelihood for the increased population found in England and elsewhere under modern industrial conditions is the great problem of our age. What is needed is cheaper power, and it is through chemical research especially experts look for this boon which, in some quarters, is viewed as a prime agent in the prevention of future wars.

COMMANDER JOHN RODGERS, WHO TRIED PACIFIC FLIGHT, KILLED

NOTED AIRMAN FATALITY; PLANE CRASHES

Machine Falls in Delaware River; Mechanic is Injured.

Canadian Press Dispatch PHILADELPHIA, Aug. 29.—Commander John Rodgers is dead. The hero of the attempted non-stop flight across the Pacific from San Francisco to Honolulu and of the subsequent 9-day drift of the PN-9 in the treacherous waters, died in the Philadelphia Navy Yard at 10:30 p.m. Friday, 39 minutes after a type V7 landplane he was piloting fell into the Delaware river near the flying field, it was announced here today.

Commander Rodgers left Anacosta flying field, near Washington to fly here for the purpose of conferring with aviation officials regarding proposed flights in California, prior to another attempt to cross the Pacific. Although his plane was of the land type, he followed the river in coming from the south. He had circled the field to pick up his landing and make sure that other planes were not to take off or land, as is customary.

PLANE SIDESLIPS Officers and men at the navy yard had been watching the plane as it circled and descended, ready for its final gliding swoop to the ground. The plane was over the river when it sideslipped about 70 feet from the shore, and at a height of 30 feet.

Rodgers worked frantically to take the plane out of the slip, but apparently his low altitude and speed harassed him and the machine dived into the water on the right wing, burying its nose in the soft mud of the river bottom, and leaving only a portion of the left wing exposed.

Commander Rodgers and his aviation mechanic mate, Samuel Schultz, were strapped to seats. There was no opportunity for them to leave their belts, so that they might attempt to save themselves.

FOUND UNCONSCIOUS Rodgers and Schultz were found unconscious, their heads thrusted back toward the seat rims, but above the water.

They were hurried to the hospital where Rodgers died 15 minutes after being admitted. Physicians said three ribs were broken, piercing his heart and causing death.

Schultz was badly bruised and did not regain consciousness for several hours. Because of his condition, he was not questioned concerning the accident.

A derrick lifted the plane from the river and carried it to the foot of pier 7, at the navy yard, where it is a mass of wreckage.

Officers at the navy yard could assign no reason for the mysterious slipping into the river. Records fail to show any other such accident according to them.

REV. JAS. BROWN BIDS FLOCK ADIEU Preaches Last Sermon at Hampton Before Going to Moncton

HAMPTON, N. B., Aug. 29.—Rev. James Brown, who has been priest in charge at St. Alphonse church at Hampton for the last year and a half, preached his farewell sermon in the church this morning. He is leaving shortly to become curate at St. Bernard's church in Moncton and will be granted a substantial purse was presented to Father Brown by the people of his parish here as a farewell gift.

The forty hours' devotion which commenced in St. Alphonse church on Friday morning, was concluded this evening when Rev. Charles Boyd, of the Cathedral in Saint John, was the special preacher. Rev. Father Brown has conducted the special devotions and on Saturday evening there were present in the Hampton church Rev. Francis Cronin, of Holy Trinity church, Saint John, Father Boyd and Rev. Joseph Ward, of Sussex.

TWO FIRE CALLS An alarm from box 27 at 12:30 o'clock yesterday afternoon called the fire department to the Victory Garage, Duke street. Tod Thompson, of Toronto, is reported to have lighted a match while his car was receiving some gasoline and, dropping the match, it ignited a mat near the rear of the car, and the mat caught fire.

Acting Fire Chief John Hamilton, with the motor chemical from No. 8 fire station, responded to a still alarm at 65 Brittain street, about 8:30 o'clock last evening. It was reported that a slight fire in the rear of a dressing stand was extinguished with water before the firemen arrived.

Edward Lodge and representatives from Fredericton, Marysville, St. Marys, Devon and Woodland held an impressive memorial service to the memory of their departed brethren in the Prentice Boys' Hall, Guilford street, West Saint John. L. E. Ogilvie, secretary, read the list of the deceased. Past Grand Master William H. Price and Past Grand Master R. J. Anderson conducted the service. In their addresses tribute was paid to the memory of their departed comrades.

The chaplain, Gordon Smith, gave the opening prayer and closed the service with the Atonic benediction. The hymns "Abide With Me," "O God, Our Help in Ages Past" and "Nearer My God to Thee" were sung by those present. Miss Gertrude Belyea was the accompanist.

A touching tribute of respect was shown to P. G. M. Williams Price by the committee of King Edward Lodge, who laid a wreath of flowers on the grave of Mr. Price's daughter, Miss Alice Price, who is buried in Greenwood cemetery. Flowers were placed in Carleton Methodist church to the memory of Rev. E. A. Westmorland and to St. Fer-

guson, F. Thomas, Fred Whalen and William Parsons, who were members of the 26th Battalion.

In St. Jude's church flowers placed to the memory of Thomas Thurmott in the Church of the Good Shepherd to the memory of Rudolph McKelley in Fairville United to the memory of Frank Linton; in St. Luke's church to the memory of William Robinson. Flowers were also sent to all Protestant churches on the West Side.

ON SUNDAY MORNING On Sunday morning P. G. M. Williams Price, P. G. M. R. J. Anderson and P. G. Masters C. G. Price, A. L. Belyea and P. D. M. Gordon Smith, Secretary Leonard Ogilvie and officers and members of the executive conducted the full memorial service and placed a wreath on the grave of P. G. M. L. E. Rolston at Cedar Hill extension and also at the war memorial in King square, where beautiful flowers were placed to the memory of the soldier dead as follows: Frank Thomas, Samuel Ferguson, of No. 30 Lodge; Rudolph McKelley, Frederick Whalen, William Robertson, Frank Linton, of No. 40 Lodge, Fairville; Frank Lennan, John J. Howe, E. J. Reid, Joshua

W. F. McLean To Stand As An Independent

TORONTO, Aug. 29.—W. F. Maclean, dean of the House of Commons and Conservative member for York South for the past 34 years, has issued a statement announcing that he would be an Independent-Conservative candidate in York South in the forthcoming election and he would be in the field "to the finish."

Maclean was defeated for the official nomination for the riding by R. H. McGregor, reeve of East York township, who had a majority of eight votes in a poll of 454. On his statement Mr. Maclean says that the recent Conservative convention in South York was "both illegally constituted and unfair."

When a Man Marries It is Not So Important for Him to Pick the Best Match as It is That He be Deeply in Love...

A YOUNG man wants to know by what infallible signs he can tell when he is really genuinely in love...

DOROTHY DIX

IN THE days of courtship we are always asking the party of the other part: "Do you love me?"...

For if we love enough it does not matter much who or what the beloved one is. If we love enough we never see the other's faults.

THEREFORE, don't worry so much over whether the girl loves you as whether you love the girl...

For if it be of the senses it will be a quick, fierce fire of tinder that will burn itself out swiftly...

THE reason why there are so many un congenial marriages is because so many people mistake physical attraction for deathless affection...

Non sense! The acid test of love is not absence but presence. It is easy enough to be romantic and weave halos around a girl...

IF you are always arguing and quarrelling, even though you always kiss and make up you have only the surface attraction of opposites...

ANOTHER test of love is to find out how you react to the girl's conversation. More love is killed by boredom than anything else...

BEFORE marriage you may be enthralled by having a girl tell you over a million times how wonderful and strong and brave she thinks you are...

Unless you find that you love a girl's mind and soul, and admire them just as much as you do her physical attractions, distrust your affection for her...

AS THE final test of your love is your attitude toward the woman herself. How about your desire to stand before her and shield her from every hardship...

But if the very thought of her makes you feel like getting down on your knees and thanking God for having given you a dear brain and a big strong body...

IN LOVE, take Davey Crockett's advice: "Be sure you are right, then go ahead."

Miss Irma Richard, who spent a few days recently with her sister, Mrs. George Keefe, and Lt.-Col. Keefe, at their summer cottage, Woodman's Point, has returned to her home in Montreal.

Mrs. E. Clinton Brown, assisted by Mrs. Donaldson Hunt, Mrs. Everett Hunt, Mrs. J. Herbert Crockett and Mrs. Dorothy Hunt with other friends and members of the Y. W. C. A. directorate, held a much enjoyed afternoon tea at her summer residence at Ingleside on Friday to raise funds for the Association. There were very many patrons of the event, many motoring from the city to attend. Tea was served on the veranda as well as in the reception room. Miss Hazel McCready, newly appointed physical instructor of the Y. W. C. A., was present and was introduced to the guests.

Mr. and Mrs. H. Harris Biggar and daughter, Mary, who have spent the months of July and August in New Brunswick, are leaving Westfield Beach today to return to their home in Montreal. This year during their annual trip to the province, Mr. and Mrs. Biggar spent the time at Woodstock, Westfield and Sussex. They also enjoyed a motor trip from Woodstock to Westfield Beach as the guests of Mr. and Mrs. H. A. Seely, of Woodstock, of Bridgetown, N. S.

Keeper of the Fires

Down through the centuries Woman has been the keeper of the home fires. At first she kept them blazing among the passed and the rock fire became the sheltered hearth. For centuries Woman struggled along until inventive genius evolved gas service, the modern burden bearer. Woman still remains the keeper of the home fires, but gas service insures her forever against the tyranny of ashes, smoke and dirt.

Dominion Battleship Linoleum

The Permanent Floor

Wherever business is transacted or the public served, you will find a growing appreciation of Dominion Battleship Linoleum floors. They have proved themselves invaluable aids to efficiency and economy in many of Canada's largest banks, offices, stores, hospitals and other public buildings. Supremely easy to clean and keep clean, odorless, quiet and restful underfoot, firm, smooth, non-absorbent, Dominion Battleship Linoleum meets every demand that can be made upon a floor. Above all, it eliminates upkeep costs and ends the need for replacements.

Dominion Battleship Linoleum, AAA quality, is made in eight standard shades: brown, green, terra cotta, grey, buff, blue, black and white (used extensively for tile floors). AA and A qualities, in four standard shades only. Special colours for large contracts.

Dominion Battleship Linoleum is made in Canada to suit Canada's climate and is installed by all large departmental and house furnishing stores. Write us for free samples and literature.

STRENGTH IS CONTINUED IN STOCK MARKET
Several Issues Score Gains on Montreal Exchange Today
ALCOHOL IS LEADER IN EARLY ACTIVITY
Prices Irregularly Higher as Wall Street Opens; Rails Brisk

Canadian Press
MONTREAL, Aug. 30.—The activities and strength which characterized trading on the local stock exchange last week, was continued this morning, as several issues scored gains. The volume of business transacted during the first half hour was large and well distributed. Alcohol, with a turn-over of \$110, was the leader in terms of activity. This issue opened at 1 1/2, for a week-end gain of a quarter, and in later trading touched 20. Spanish River was in good demand, but revealed an irregular tone. This stock began the day at 110, up one point, moved toward 110 1/2, but in later trading, however, it recovered its early loss to sell at 110. Breweries was fairly active and strong, selling at 69, for a gain of one point. Laurentide and Brazilian were only moderately active, the former coming out unchanged at 102 1/2, while the latter lost three-quarters of a point at 117. Other features included Power (new), unchanged at 67, Anitibi, up a half at 8 1/2, and Brompton unchanged at 33.

IN WALL STREET
NEW YORK, Aug. 30.—An irregularly higher price movement today ushered in Labor Day week in the stock market, traditionally a period of quiet and in-

decisive trading. Rails were again in brisk demand under the leadership of Atchafalca, which opened with a block of 2,000 shares at 15 1/4, up 1/4, and a new high record for all time. General Asphalt and General Electric each opened about a point higher.

Morning Stock Letter
NEW YORK, Aug. 30.—There was little news of importance over the weak steel and stocks will continue under the influence of the same factors which governed them towards the end of last week. Mr. Durant's statement Saturday was widely distributed in the Sunday newspapers, and may bring in some buying at the opening. If it does, any special selling on the part of traders to depress the market, "we do not think this will be successful, however, and believe that the trend of prices is towards higher levels. Steel stocks, which have been the most disappointing issues for the bulls in the last several weeks, are now in a much improved position, and can be bought on any slight dip. We expect higher prices

for U. S. Steel, Bethlehem Steel, Youngstown and Rose Inland Steel also is likely to do better. We continue to recommend purchases for three or four specialties, which we have been recommending the last several weeks, including I. T. S. Realty and United Fruit. We believe G.M.O. Dupont and Warner Bros. Pictures A, while having had sensational rises, will sell at higher prices than they have yet sold at and that they can be bought on any set-back. The same stocks in the rail group which we have been recommending, look higher, that is the Northwest, Southern, Chesapeake and Ohio, N. Y. C. and Alton, and Livingston & Co.

Brokers' Opinions
NEW YORK, Aug. 30.—Fenner & Smith "shorts appear to be less confident and a covering movement is a strong probability. We favor rubbers and railroads."
Hospital—"At this stage, technical conditions warrant a reaction as a consequence to the rapid advances recently witnessed."
Bache—"We see considerable irregularity and lower levels for this week."
Hornblower & W.—"We continue to feel that rails should be held and added to on any slight recession."
Wells Fargo—"We look for a trading market with average prices gradually going to lower levels."

Current Events
NEW YORK, Aug. 30.—London rubber stocks last week increased 4 1/2 tons to \$5.41.
American Agriculture, year ended June 30 last, earned \$10 a share on preferred, against \$7.10 in preceding year.
Senator & Arostook declared regular quarterly dividend of \$1.75 on preferred, and 7 1/2 cents on common.
Canadian Pacific, July net, after taxes, \$2,921,136, against \$2,388,875 in July, 1925.
New York Steam Co. in year ended June 30, earned \$12.49, against \$8.95 in preceding year.
California crude oil production in week ended August 25 averaged 610,000 barrels daily, unchanged from preceding week.
Department of Agriculture Index of Farm prices, Aug. 15, was 137, against 135 in July and 139 in June.
Fibers commodity index 148.1, against 147.2 in preceding week.
Twenty industrials 161.88, up 52; 20 rails 118.60, off 18; 40 bonds, 94.97, up 62.

LOCAL SWIMMERS FORCED TO QUIT
Choppy Seas Compels Currey and Clinton to Give up Marathon

Choppy seas and a stiff wind compelled two young local men, William C. Currey and Thomas Clinton, to give up their swimming contest yesterday from Belyea's Point on the Saint John to Indiantown. Currey was taken out of the water about an hour after the start, while Clinton continued on for another hour. The water was very cold and this factor militated against the swimmers. There will be a mile swimming race on Labor Day in connection with the Power Boat Club cruise and both Currey and Clinton will compete. This event is open to all swimmers. Assistance was given the swimmers yesterday by J. Fraser Gregory, commodore of the Power Boat Club.

Child Badly Hurt In Auto Accident
Special to The Times-Star
SPRINGHILL, N. S., Aug. 29.—A bad accident occurred on the corner of Pioneer and Drummond streets today, when the year-and-a-half-old daughter of Angus Reynolds, while crossing the street, was knocked down by a car driven by Henry Moran. She had one of her legs broken and other injuries about the body.

Mr. Moran, who was going at a slow rate of speed, tried to avoid the accident, but the little tot ran right in front of the car. She was rushed to All Saints' Hospital, where her injuries were attended to. She is progressing as well as can be expected.

Action of Ottawa Trustees Protested
Canadian Press
OTTAWA, Aug. 29.—Voicing its unanimous protest against the action of the French-speaking section of the Ottawa separate school board in refusing to permit the Grey Nuns of the Immaculate Conception to teach in the English separate schools, a mass meeting of English-speaking Catholics, estimated at 5,000, this afternoon approved resolutions which will have the effect of placing the matter before the Archbishop of Ottawa, the Apostolic Delegate for Canada and The Holy See.

King Passes the Buck--- Meighen Means Business

MARITIME RIGHTS hang in the balance. Where do we stand with the two parties? We see the Liberal Leader hedging once again on what he should do to right the wrongs of the Maritimes, and Saint John. Two years ago and also one year ago he demanded in bewildered voice—"What are Maritime Rights?" He still wonders. Keeps from getting down to brass tacks by passing the buck to this commission and that commission. Nothing definite, nothing concrete, binding himself and his Party to nothing. Where does that get us?

Look at the shining contrast in Premier Meighen's declarations. The Conservative Leader got right down to business. No arguing the point whether things really are wrong down here. No hemming and hawing, whatever. Everything straightforward. "Of course things are wrong in the Maritimes—and here is how to make them right." Clearcut Remedies—an emphatic Conservative undertaking to fix freight rates so the grain will come down through the Maritimes and Saint John—an emphatic Conservative undertaking to fix freight rates so Maritime products can easily reach the middle and Western Canada markets.

Help for Maritime freight rates. Help for Maritime Ports—Saint John. Help for Maritime Industry through tariffs as well as freights. Help for Maritime Farmers. Meighen means Money, Business, Employment—Prosperity. Premier Meighen and the Conservative Party stand for Maritime Rights. Even the local Liberal Candidate, R. T. Hayes, admits it. Note his speech at Fairville Friday night, conceding the Maritime Rights issue as a Conservative Party Platform.

Citizens of Saint John-Albert—there is your choice. The hour is striking to win the Battle of Maritime Rights. Stand by the Party that stands by you. Return Thomas Bell, M. P., and Dr. Murray MacLaren, M. P. Roll up a still bigger ballot for Maritime Rights and show those Liberals and Westerners that we Maritimers are with Meighen and his Men who mean Business and the righting of Maritime wrongs.

MARTELOS TEAM TO BE GIVEN ANOTHER CHANCE, SAYS STERLING

PLAY IN SERIES WITH ST. ROSES, IS PROPOSITION

Crucial Game For Water Dept. Carded North End Tonight.

MARTELOS will be given another chance to figure in the city play-off, according to W. E. Sterling, New Brunswick vice-president of the M. P. B. this morning. Mr. Sterling said he was getting in touch with the Martellos and offering them a chance to figure in a series with St. Rose's, now battling the Watermen, and if they won from St. Rose's, they would be given the right to meet the Watermen. "It was impossible for me to interfere at the time with the series between the Watermen and St. Rose's, but I am disposed to give the Martellos one more chance and try and settle all misunderstandings." Whether Martellos will accept this arrangement remains to be seen.

AT STAKE TONIGHT

The title of city baseball champion for 1926 is at stake in tonight's game on the North End grounds between Water Dept. and St. Rose's by virtue of the Watermen's win on Saturday, 8 to 7. This victory gave last year's Maritime champions three straight wins and all they need is more to clinch the title. Whether Mr. Sterling's new proposal will upset this series remains to be seen.

PROVINCIAL PLAY-OFFS

There are four leagues now qualified for the play-offs—York County, Miramichi, Moncton and Saint John. The North Shore is trying to figure in as well. It is proposed to have Saint John meet the York County winners, and Moncton meet the Miramichi winners and then the finalists settle the provincial title. This looks like Moncton and Saint John for the finals and the battle Moncton put up last year against the Watermen makes the fans rather anxious to see them in the crucial series. The York County League and the Miramichi are now engaged in settling the leadership and they have been notified by Mr. Sterling that the leagues must be decided this week.

Along The Sport Trail

By JOHN J. DUNLOP

THE present unsatisfactory state of senior amateur baseball not only in this city but throughout New Brunswick as well is due to one thing—lack of organization. The various conflicting parties may argue till they are blue in the face and place the blame for all the muddles on each other but after the verbiage has been cleared out and the personalities forgotten, the fact staves any well-wisher right in the face—no wonder there is lack of cohesion when there is little or no framework. Three years ago, these newspapers advocated a New Brunswick Amateur Baseball Association and we heard promises from amateur leaders that it would be done. It has not been done and there seems little chance of it being done this year. There is very little trouble in Nova Scotia baseball circles because they are properly organized. Why cannot New Brunswick be in the same position? The decision rests entirely with the affiliated clubs interested in baseball in this province. They can insist on organization—or they can wrangle and fight in their present state. Which will they choose? Saint John is not the only centre in the province where they quarrel over their play-offs. Up in the Miramichi League, Newcastle and Chatham had a very little warfare over settling the league and the New Brunswick vice president was called on. The president of the league up there made the remark that outsiders had no business butting in on the internal affairs of the league and finally the decision of the executive was ruled as the one to follow. They are now battling it out. If there was a properly-constituted body to handle baseball, would it take long to settle the present difficulties? We sincerely believe not. An expression of opinion on this matter is invited by The Times-Star.

IT'S A BIT early for hockey but we hear that Art Ross is lining up a sweet team for Boston. It is understood they have practically completed arrangements to have Frank Frederickson, Frank Boucher, Norman Shore and Harry Oliver, all from the Canadian west, in his net this year.

THE final regatta for Philadelphia crews on Labor Day in connection with the sesqui-centennial will be watched with interest by local rowing fans when they hear that Walter M. Hoover, who is coaching the Undine Regatta Club this year, is within one victory of a world record with his charges in the matter of victories won this year. The Undines have 35 so far this year, and will doubtless pass the 36 mark of the Argonaut Rowing Club of Toronto, in the coming Middle States Regatta. In 1917, the Argonauts under Coach Joseph Wright, piled up 36 victories. Five years ago the Vesper Boat Club, coached by Frank Miller, who later was head rowing tutor at Harvard University established a Schuykill Navy record with 26 victories. The winning log of the Undine Club this season is as follows: American Rowing Association Regatta five victories out of five entries; Schuykill Navy Regatta eight victories out of 17 entries; People's Day Regatta, seven victories out of 15 entries; East Falls Regatta, three victories out of six entries; Canadian Royal Henley Regatta, three victories out of four entries; Sesqui International Regatta nine victories out of 17 entries. The young Canadian, Wright, will get another chance against Hoover in the championship quarter-mile dash. Hoover defeated him by only a scant half length, the former being aided by a quick start. Wright is one of the most promising scullers ever developed along the Schuykill. He was only a sweep oarsman before he came to Philadelphia, but in a single season advanced from junior to national association class, losing the latter crown when R. H. Agnew, of the Undine Barge Club, a pupil of Hoover, defeated him by a little more than a length.

AQUATIC PROGRAM DELIGHTS MANY

About 400 Present at Swimming Scows Exhibition on Saturday

About 400 citizens visited the swimming scows at the foot of Kennedy street Saturday afternoon and thoroughly enjoyed the exhibition of diving, swimming, and life-saving tactics. Several small children delighted the visitors with the skill they showed in various aquatic activities. Several races were held, but no moving pictures were taken, as the water was unsuitable. One little girl, who is partially paralyzed, won the hearty applause of the visitors with her swimming exhibitions. Miss Edna Driscoll, instructor, and Roy Beckett gave an exhibition of the crawl stroke. Miss Driscoll and Grey Fowler demonstrated various methods of life-saving. Water polo, leap frog and swimming under water were also enjoyed. Isabel Gaskin, Elizabeth Nase, Greta Fowler, Dorothy Brown, Gordon Lipssett, Roy Beckett, Edward Lloyd and Thomas Clinton excelled in diving exhibitions. Isabel Orr, six-year-old mermaid, won the admiration of the on-lookers with a beautifully executed dive from the tower 20 feet above water. Miss Driscoll and Mark Burns were in charge of the program.

JUNIOR BASEBALL

The West End Eagles on Saturday evening defeated the Assumption team in a fast six inning game of ball by a score of 3 to 1. The feature of the game was the pitching of McLennan, for the winners. The battery for the Eagles was Landers and McLennan; for Assumption, Traynor and Cunningham.

CORPORATION CUP WON BY A. S. EMERY

Makes 104 Out of Possible 105 in Shoot on Saturday

A. S. Emery, a member of the Blisley team for 1927, won the Corporation Cup with a record score of 104 out of a possible 105 on the local range Saturday. H. A. Fowler, a beginner in the line of target shooting, made a good showing capturing the B. Class spoon. Conditions for shooting were nearly perfect on the range Saturday with a dull light and no wind. On next Saturday this club will shoot for the Thorne Cup.

With a score of 104, Sergeant A. S. Emery collected further rifle laurels when he won the challenge cup presented by the City of Saint John in the annual match for the cup held by the Saint John County Rifle Association on the local range on Saturday afternoon. Sergeant Emery's score was only one point below the possible. He also attained the range record for the S. M. L. E. rifle. At the close of the match, Major W. A. Weeks presented the trophy.

THE FULL TAKE-OFF. Now for the full take-off. Stand 18 inches from the tip of the board and jump to the end with knee stiff. The take-off will then come naturally and the body will shoot upward and come up naturally and balance the body, but the hands should always be held before the face when the head enters the water.

AKRON HURLER TURNS IN FINE PERFORMANCE

Three Pitchers in Hall of Fame During Last Week.

WITHIN one week's time, three no-hit, no-run games were pitched in organized ball recently. The three heroes are: Lyons of the White Sox, Gearin of Milwaukee and Jablonowski of Waterbury. The detailed accounts of their performances follow. Red Lyons of the Chicago Americans disposed of the Boston Red Sox by the score of 6 to 0 on Aug. 21 at Boston. Only two men reached base, one on a pass and the other on an error. A few snappy plays were necessary to keep the slate clean, but in the main it was a case of good pitching, especially control. He put his fast ball and change of pace just about where he wanted to. In 1925 Washington almost landed him the coveted honor of being through eight innings without allowing a hit, only to be pinched by Bob Veach single after two innings. Lyons pitched a no-hit, no-run game against Columbus in the opening game of the double-header in his own team's back yard. The score reached second base, going to first on an error and advancing when the next Washington batter, two more batters on a pass. Gearin fanned 12 men, setting the side down on strikes in the third frame and repeating on nine pitches in the ninth inning. The Eastern League of Waterbury in a no-run game against Bridgeport on Aug. 17 on the latter team's playground. The score was 3 to 0. Three Bridgeport players reached base, each four balls were hit to the outfield and a very remarkable feature was that the summary as shown by the scorer contained only four notations, namely: Bases on balls, off Jablonowski, 3; Earnman, 2. Struck out, by Jablonowski, 2. Hit by pitcher, by Earnman, 1. Umpires, Barnett and staff.

Local G. W. V. A. May Have Ball Team In 1927

LOCAL baseball circles may see a new entry into the field next year if present reports regarding the G. W. V. A. are correct. At the recent annual meeting of the Maritime Provinces branch of the A. A. U. of C., the local G. W. V. A.'s application for reinstatement was favorably acted on, and as soon as the necessary formalities can be complied with, the local vets will be back in good standing. In other years the Vets were represented by a strong ball team and it is likely their colors will be spotted on local diamonds next year.

PITTSBURGH FACES BITTER ONSLAUGHT

After Finishing St. Louis, They Face Reds and Chicago Cubs

NEW YORK, Aug. 30.—The world champion Pirates, with only a half game lead, are engaged in a finish fight this week, for National League supremacy. The third place St. Louis Cardinals yesterday dethroned them in the first game of vital series on the Cardinals' playground 2 to 2, after Vic Aldridge had doled out just three hits in the ten-inning fray. Alexander although plastered for ten, kept them scattered through the five grating hours of elapsed time necessary to reach the draw decision. Rain halted the contest twice, and darkness finally ended it. Should the Buccaneers escape unscathed from St. Louis, the Cincinnati Reds holding a half game lead over the Cardinals, will be at the throats for a single game Thursday. Then comes Joe McCarthy with his battling Cubs to make life miserable for the Pirates in a three-game series. Many fans believe Chicago offers the greatest threat to the Pirates. Moulding a steady team of pluggers from an admitted second rate assembly, McCarthy has injected into his players the spark of combat that brought him fame as manager of the Louisville Colonels in the American Association. All season the Cubs have been plugging along steadily building a team and gaining a measure of respect for their fine showing, but scarcely considered dangerous by the leaders.

Yesterday these same Cubs took their eighth straight game, conquering Cincinnati and Carl Mays 5 to 1. Adams, an ordinary second baseman, until McCarthy took the reins, led the attack with four hits, while Charley Koot held the Reds helpless. Brooklyn came back from the west to whip the fallen Giants 6 to 2.

A young man could wish for no better place to locate than in the Maritime Provinces, asserted Rev. Dr. Dyson Hague, of Toronto, at the close of a masterly sermon delivered yesterday morning in St. John's (Stone) church.

Dr. Hague had been spending a summer vacation in Nova Scotia in a quiet rural district. He said that in spite of the many God-given advantages which the Maritime Provinces enjoy he had been much struck by the discontent and jealousy which prevailed.

For the theme of his sermon, which was a scholarly and most impressive exhortation, Dr. Hague took Romans 1: 16, "I am not ashamed of the Gospel of Christ." He spoke of the wonderful fact that the gospel was still in dynamic power for man today in this 20th century, when conditions are so different from those of Palestine 1900 years ago.

In this modern world the one thing needed, he said, was the glorious message of the gospel. He spoke of the gospel's message of redemption under the headings of Soul, Salvation, Sanctification, Sonship and Service, and then pointed out the wider application from individual redemption to community life.

Dr. Hague and Mrs. Hague were the weekend guests of Rev. and Mrs. A. L. Fleming at Stone church rectory. In the evening on Sunday Dr. Hague was the preacher at St. Paul's church, Rothesay. He is one of the leaders among the clergymen of the Anglican church in Canada, and a noted scholar and writer.

AWAY TO JAPAN

That Japan has more in common with Western Christian civilization than with Asiatic civilizations and would be unlikely to be a leader in a Pan-Asiatic combine against the white races was the confident assertion of Rev. Dr. E. C. Hennigar in his farewell sermon preached last night in his home church, Centenary, prior to his departure today en route to return to his missionary work in Japan after an eight months furlough.

Dr. Hennigar said that some people were afraid Japan might lead in an Asiatic combine against white races but he thought there was no foundation for such fear. He believed that if a split should come that Japan would be more in sympathy with western ideals than with Asiatic ideas. Dr. Hennigar leaves for Toronto today.

and will sail from San Francisco on September 14 for Yokohama.

FORMER PASTOR HERE

Rev. G. B. MacDonald, of Boston, former pastor of the Victoria street Baptist church in Saint John, supplied for the uniting congregations of Main street and Victoria street yesterday and was warmly greeted by his former flock as well as the members of the neighboring congregation.

AT ST. COLUMBA

Valentine Allison conducted the services yesterday in St. Columba Presbyterian church, Fairville. He is a son of Rev. Alexander Allison Bridge-town, Conn., and is taking theological studies at Princetown Presbyterian college and will complete his course next week. He is supplying in the Presbyterian church at Stanley, N. B., this summer and yesterday exchanged pulpits with Rev. W. M. Townsend, of St. Columba church.

Mr. Townsend on Sunday afternoon ordained James Craig and John Boutwell as elders of the Stanley church and administered the sacrament of Holy Communion there. In the evening he conducted the service in the church at Williamsburg and administered the sacrament of the Lord's Supper.

AT LUDLOW STREET

Rev. Royden Nelson Rand of the Memorial Baptist Church, Albany, N. Y., was the special preacher in the Ludlow street Baptist church last night when his theme was "A Radio Message From Heaven." He gave a very able discourse. Mr. Rand's little son, Gor-

don, nicely sang a solo during the service and one of the boys of the Ludlow congregation, Charles Campbell, also sang a solo that was much enjoyed. Mr. Rand led a very hearty song service which preceded the regular service. Mr. and Mrs. Rand who with their four children have been spending a vacation in New Brunswick, will leave in Wednesday by automobile to return to Albany.

AT WESTFIELD

In celebration of 130 years of worship in the Anglican church at Westfield a thanksgiving service was held in St. James church there when the special preacher was Rev. C. Gordon Lawrence, of Trinity church, Rev. A. J. Patstone, rector of Westfield, and

Robert Dibble, lay reader, assisted. The church was profusely decorated with flowers. Mrs. A. M. Woodman, organist, directed the music and soloists were Miss Florence Warwick and Cyril Allison.

Games Tonight

The second game for the soft ball championship will be played this evening, commencing at 7 o'clock, on the West Side diamond, between the St. Jude's and Veterans. In the first game the Vets won and the Saints are out to even matters. A large crowd is expected to attend.

DECORATION OF GRAVES CARRIED OUT BY I. O. O. F.

Impressive Ceremony Is Observed in Five Cemeteries on Sunday

Peerless Lodge No. 19, I. O. O. F., carried out impressively their annual decoration of the graves of departed members at ceremonies held yesterday in various cemeteries. They paid their tribute to those who made the supreme sacrifice in war time by laying flowers upon the soldiers' memorials and the monument which commemorates the South African war heroes, and in the marine plots.

Five cemeteries were visited and at each the full service was conducted by H. E. Sibson who gave an introductory address, and George A. Chase, chaplain, offered prayers. Others taking part were Charles Ledford and W. A. Segee, marshals; G. H. Morris, vice-grand; George Blizard, Wm. Sealey, J. A. Fitzgerald, H. C. Lemon, M. D. Morrell, C. W. Segee, A. H. Washburn and Geo. Maxwell. The committee was composed of H. E. Sibson, J. A. Fitzgerald, G. H. Morris, C. Ledford, F. W. Stanton and W. A. Segee.

The attendance was good and a bountiful supply of flowers was contributed by members and friends. Sixty-two graves were decorated.

Fernhill, Church of England and Methodist burial grounds were visited in the morning, and Greenwood and Cedar Hill in the afternoon.

THOSE REMEMBERED

The graves decorated were: Members of Peerless Lodge No. 19, in Fernhill—H. Hilyard, H. MacKinnon, H. A. Austin, Alex. Duff, R. E. Coupe, J. Court, H. Court, C. D. Wasson, George Gorham, Wm. ANNUAL OUTING IS ENJOYABLE EVENT

Metropolitan Life Staff Has Picnic at Loch Lomond—75 There

A delightful time was enjoyed by the members of the staff of the Saint John District of the Metropolitan Life Assurance Company during their annual picnic and field day on Saturday afternoon and evening at Johnston's Hotel, Loch Lomond. The party to the number of 75, including the employees at Saint John, Fredericton, Woodstock and Summers, with their families motored to the lake in two large motor buses and several private cars.

SPORTS ENJOYED

A baseball game was played between the staff of the Saint John and Fredericton offices and was won by the visitors, 5 to 2. Field sports were keenly contested and resulted as follows:

Men's 100 yards dash, won by Cashier Ernest Craig, Saint John; three-legged race, won by Assistant Managers R. S. Sprague and G. Hartt, Saint John; croquet, won by Master Jacobson, Saint John; football, won by N. Jacobson, Saint John; women's race, won by Mr. Sprague.

Women's 50 yards dash, won by Miss C. Dwyer, Saint John; three-legged race, won by Mrs. Sprague and Mrs. Hartt.

Children's—Girls under 7, 50 yards race, won by Virginia Craig, over 7, won by little Miss Yawkins, Fredericton. Boys under 12, won by Master Jacobson, Saint John, and over 12, won by Robert Scarlett, Saint John; three-legged race for girls, won by Miss Hawkins and Harrison, Fredericton.

An amusing and interesting contest was a drinking race in which the competitors were furnished a bottle of gin and ale with a nipple attached. William Williams was the winner.

After dinner a program of dances and musical numbers were carried out, including solos by Mrs. M. J. Fischer, with Mrs. J. Margolian at the piano. The party returned to the city in the evening after having voted the outing a decided success.

SOME CHANGES IN SCHOOLS IN COUNTY

Fairville Superior School opened for the fall term this morning with William Farjo, who has been appointed on the staff of the Vocational School. The interior of the school has been renovated during the holiday season.

St. Rose's school at Union Point, which Arthur Carton is principal, has also been thoroughly renovated.

The Milford school opened with Leslie E. Linton as principal, succeeding Mr. Tippitt, West Saint John.

In the Lorneville school Miss Dorothy Straight, of Cambridge, Queens county, is the teacher in number 12 district. Miss Ellen Galbraith of Millidge avenue, Saint John, takes the school in district No. 11.

The boys' school at Lorneville has also been renovated during the holidays.

ON SAD MISSION

Mrs. William T. McAfee, Red Head, left this morning for Annapolis, N. S., to attend the funeral of her father, John M. Troop, whose death occurred late on Sunday evening.

MORE CHANGES AMONG CLERGY ARE ANNOUNCED

Fathers McDonald, Milligan, Henebery and Carney Are Appointed

In addition to the changes given out last week among priests of the Saint John diocese, including the departure of Rev. Charles Boyd to the city in Rome, and the appointment of Rev. James Brown as curate at Moncton, further appointments and changes were announced by His Lordship Bishop LeBlanc today.

Rev. Roy McDonald, S. T. D., who recently returned from Rome after completing studies in advanced theology, will return to the Cathedral, where he was stationed before his departure for the Holy City. Rev. Henry Milligan, S. T. D., who accompanied Father McDonald to Rome, has been appointed curate to Rev. Dean F. J. Carney at St. Dunast's church, Fredericton.

COMES TO SAINT JOHN

Rev. Joseph A. Henebery, of Fredericton, who has been curate to Rev. Father Donahue at Johnville, Carleton county, will come to Saint John to become an additional curate at Saint John the Baptist church, Lower Cove, of which Rev. J. J. McMorris, rector, and Rev. A. W. Kinsella, curate, Rev. Father Johnston comes to the Cathedral staff here.

Rev. D. Carney, who has been curate to Rev. C. P. Carleton at Silver Falls here, will take over Father Henebery's duties as curate.

Rev. Dr. Markle, S. T. D., who was in Rome at the time that Rev. Fathers McDonald and Milligan were studying there and received his degree at the same time, was in the city during the week-end on his way home to Ontario. While here he was a guest at the Bishop's Palace.

DAMAGE IS DONE IN ELECTRICAL STORM

Some Trouble Caused in City—Two Horses Killed in Kings County

Some trouble was caused by the electrical storm yesterday afternoon here. The N. B. Power Company had some temporary trouble on Tuesday, various parts of the city being blown out, but repairs were soon made and service restored. It was reported that lightning had entered through the window of a house in City Line, W. E., without doing any damage.

There was heavy rain, with hail, here with the storm.

TWO HORSES KILLED

Lightning destroyed the barn of Howard D. Folkins at Centerville, on the Millstream, and killed two horses. Mr. Folkins' barn and some of the contents were burned. A tree near the house was split by lightning. A house in Dorchester was struck and at Point du Chene a double cottage which had been occupied by W. K. Gross and C. E. Northrup was struck. It was unoccupied at the time.

JOHN J. CAMPBELL DIES IN MONTREAL

West End Resident Had Undergone Serious Operation in Hospital There

The death of John J. Campbell, who went to Montreal some weeks ago to undergo a serious operation, occurred in the Ross Memorial Hospital there on Sunday the 29th inst. Mr. Campbell was a lifetime resident of West Saint John and had many friends who will hear with regret of his death. In politics he was a staunch Liberal and on election day was a prominent figure around the polling booths. He is survived by one son, James, of Halifax, and two daughters—Mrs. Gerald Jenkins and Mrs. F. S. A. McMullin, of West Saint John and two sisters, Mrs. Edwin Aford and Mrs. Frank Sparrow of Boston, Mass. The body will be brought from Montreal on Tuesday and will be buried from the residence of his daughter, Mrs. F. S. A. McMullin, 169 St. James street west, with whom he made his home. Funeral arrangements have not as yet been made.

DISCOUNT DATE FOR TAXES EXTENDED

Simonds Ratepayers to Have Until Sept. 7—Premier Assures Legislation

Assurance from Premier Baxter that legislation would be permitted authorizing the Municipal Council to extend the discount date for taxes for Simonds parish was received this morning by County Secretary J. Kelly, K. C. The assessment roll for this parish was not filed until August 12, which made it impossible for taxpayers to have advantage of the discount rate of 5 per cent. which was set to expire on August 17 by the County Council. The council could not do itself, having once set the date, change it and on conference with Premier Baxter he gave assurance the date could be legally extended until September 7. The ratepayers of this parish, therefore, will be allowed the discount.

AT LORNEVILLE

Charles Wasson, Saint John, conducted the evening service in Lorneville United Church yesterday, in the absence of Rev. Peter Jackson, minister of the church, who with his wife is visiting relatives in Nova Scotia. Mrs. John Baird was the organist.

SEE THE FALLS

At high tide the water of the Bay of Fundy reaches a higher level than the water of the Saint John River and flows up the river through the gorges of the Falls, creating a "Falls" running up river.

At low tide the water in the Bay and River are about equal and the water at the Falls becomes almost the surface of a lake. To fully appreciate this wonder of the world it should be seen at all three stages.

The best time to view this phenomenon is:

PROMINENT MEN REACH CITY FOR BAR MEETINGS

Hon. N. W. Rowell Here—Lord Darling Expected This Afternoon

For the annual meeting of the Canadian Bar Association prominent members are arriving daily. Yesterday, Hon. N. W. Rowell, of Toronto, arrived here, and today Lord Darling and his daughter, Hon. Diana Darling, are expected to arrive. They are coming via Quebec, where they landed. Another prominent man coming tomorrow is Rt. Hon. H. P. McMillan, former Lord Advocate of Scotland and Canadian counsel in the dispute between this country and Newfoundland concerning the Labrador country. Hon. Charles S. Whitman, of New York, former Governor of New York state and representative of the American Bar Association at the convention, is expected to arrive here tomorrow. Sir Robert Borden, who probably will arrive tomorrow, there were several registrars of local barristers at convention headquarters.

The commissioners for the uniformity of legislation in Canada continued their sessions in the admiralty Beatty Hotel this morning, when the bill of sales and chattel mortgages act was discussed and referred back to a committee for redrafting.

Local News

VOTERS' LISTS

So: 25 names were added to the voters' lists this morning by His Honor Judge John A. Baxter. He will hold his final session for reception of names tonight. So far about 200 have been added.

DIED IN MASSACHUSETTS

Charles Arbo, a former resident of Fairville, died at his home in North-up, Mass., on August 18. The sad news was received by relatives in Fairville this morning. Mr. Arbo had been ill about two months. He is survived by his wife, one daughter, Mrs. George Benson, of Lacombe, Mass.; three sons, George, Ernest and Charles; one sister, Mrs. Alexander Arbo, of Upper Blackville, N. B.; and one brother, Harvey Arbo, 227 Main street.

RENEW OLD FRIENDSHIPS

Visitors to Saint John who are being warmly greeted by old friends are George Brennan and Andrew Mitty, both of Boston and both former residents of West Saint John. They came in on Saturday, and are enjoying remembrance of friendships of other days. Mr. Brennan was a member of the Boston police force for a long period and recently retired on superannuation.

VISITED OLD HOME

Harrison Fiars, formerly of this city, is now holding an important position in Montreal, passed through the city today, en route to his home, where he spent a few days at his home here last week, and also enjoyed a visit with his mother, Mrs. C. N. Alexander, at her summer home, Loch Lomond. He later motored from Montreal through the Annapolis Valley to Halifax, where he visited another sister, Mrs. C. H. Holcombe. Mr. Fiars also visited friends and relatives in Stellarton, N. S., and Moncton en route to Saint John.

As Hiram Sees It

THE SETTLEMENT—Me an' Hanner went to a maskerside the town folks an' Birdie McWhat an' some more o' the settlement folks and in the hall the other night. They was platters, an' gypies, an' critters in costume—R! they danced—an' laughed—an' et ice cream—an' took the air on the verandah with Mrs. J. Hanner had all she could do to keep me down—fer through the Caledonia an' the military an' the fox-trot to beat the band. The band was a plumper an' a' corden. Well, the fun won't last much longer. The frost was on the cucumbers yesterday mornin'. School's open agin—an' the exhibition's comin' on—an' the porkpines is beginnin' to smuff around the corn-patch. The Settlement'll be quiet agin almost afore we know it. It's been a great summer. You can't beat our climate nowhere.
