Stomach&Liver Cure

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk. This wonderful Nervine Tonic has only recently been introduced

whatever cause. It performs this by the great nervine tonic qualities which it possesses, and by its great curative powers upon the digestive

bottles of the remedy each year. IT IS A GREAT REMEDY FOR THE CURE OF

Nervous Prostration, Female Weakness, Paralysis, Vervous Paroxysms and Nervous Choking, Hot Flashes, Palpitation of the Heart, Mental Despondency, Sleeplessness. St. Vitus' Dance,

Frightful Dreams. Dizziness and Ringing in the Ears, Weakness of Extremities and Fainting, Impure and Impoverished Blood, Boils and Carbuncles, Scrofula. Scrofulous Swellings and Ulcers,

Liver Complaint, Chronic Diarrhoa, Delicate and Scrofulous Children, Sammer Complaint of Infants.

NERVOUS DISEASES. As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human delicate individual. Nine-tenths of all the allments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is then first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This are ounts for its universal adaptability to the cure of all forms of nervous de-

rangement.

To the Great South American Medicine Co.:

Dear Gents:—I desire to say to you that I have suffered for many years with a very serious disease of the s. omach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone have the value of this panely, as I do you would not be able to supply the demand.

A SWORN CURE FOR ST. VITAS' DANCE OR CHOREA. My daughter, eleven years old, was sever, ely a dieted with St. Vitus' Dance or Chorea. We gave her three and one-laft bottles of South American Nervine and she is completely restored. Lelieve it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause. CHAS. W. WRIGHT, Notary Publice INDIGESTION AND DYSPEPSIA. The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incal-culable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and only one great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

WORDERTHI CUTALIVE POWERS OF the South American Nervine Tonic.

Hariet E. Hall, of Waynetown, Ind., says:
"I owe my life to the Great South American
Nervine. I had been in bed for five months from
the effects of an exhausted stomach, Indigestion,
Nervous Prostration, and a general shattered
scondition of my whole system. Had given up
all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine
Lors, with no relief. The first bottle of the Nervine
Tonic improved meso much that I was able to
walk about, and a few bottles cured me entirely.
I believe it is the best medicine in the world. I
can not recommend it too highly."

No remedy compares with South American Nervine Tonic. My system was completely shattered, appetite gone, was coughing and spitting
the old in the first stages
of consumption, an inheritance handed down
the Nervine Tonic. And continued its use for
both stages and continued its use for
the grandest remedy for nerves, stomach and
lungs I have ever seen."

No remedy compares with South American
Nervine Tonic.

Mrs. Ella A. Bratton, of New Ross, Indiana,
stages "I cannot express how much I owe to the
Nervine Tonic. My system was completely shattered, appetite gone, was coughing and spitting
the condition of my whole system. I begon taking
the Nervine Tonic.
