A friend in the neighbouring town of St. Stephen, has recently furnished us with a statement of facts, shewing the rising importance of that enterprising place-And we thank him for his memoranda. We hope to have an article prepared for our next, founded upon the valuable information with which we have just been furnished.

Hones Mickenet Caught at Campo Bello last week in the narrows opposite I ubec in a west, by Poor & McGee, a number of Macketel emong which was one commonly cailed a Horse Mackerel measuring 9 feet long, girth 6 feet, thinest part of the belly 6 inches, 4 feet across the torks of the tail-weighing 600 lbs. and the torks of the tail—weighing 600 lbs. and Biled S barrels. This immense fish was sold to My Liber for Sie and is said to have had a fine flavor. We can fully rely on this atstenged as it comes from a respectable per-

adopted -and the greatest harmony charactertsed the meeting, which was of two days conti nuance. Among other things, a reference from the Presbytery of Saint John came before the Synod, setting forth that a Call and Bonds had been laid on their table from the Presbyterians of St. Patrick's in Charlotte County, invitfor the Rev. Joun Cassints to be their minister The Syrod were gratified to learn that n very compodious church has been built on Whitti er's Midge-and that another is in pricess of 'erection at Bocabec. Mr. Cassilis petitioned the Preabytery, representing that he studied in the Scottish University of St. Andrews, with sons having any claims against him, to prethe view of becoming a minister of the Charch sent the same within One Month from of Scotland-that he went through the regular date, otherwise there will be a voice of chim course of Philosophical and Theological educa-, after that time; tion preser hed by the said Church - but that having proceeded to Nova Scotta before being thenced to preach-he obtained licence and or dination to a charge in that Province-and that we had been regularly loosed from that charge, before coming to New Brunswick. He now, therefoe, if found qualified petitioned to have his name added to the Roll of the Presby have no raine added to the Roy of the Freshy cook harbour (where there is an abundance tery and Nygod. The reference was austained; and Mr. Cassilas was accordingly evanished in a stin. Greek, Hebrew, Philosophy, Church John Road. The soil is of an excellent was then hoved, seconder, and quality, and having a southern exposure, renders in both early, and productive. It has the income, then have a seconder and also a privilege of catching fish, in the back are member of the Preshatery of Sarth. ceited as a member of the Presbytery of Sart. John and Synod of New Brunswick. He there wann received the right hand of fellowsh p from all present—and is now, consequently, capable of discharging all the functions of a minister of the Unterhol Scotland in this Province.

THE FLORIDA Wak is renewed. The Char esten Mercury cave that Col Harvey with a guard of only 24 men supposing himself to be a favoraite with the Indians vent to a post crary 200 miles from any other, for the purpose of establishing a trading house. On the night of the 23d air, they were surprised by a large party of Indians who massecred thirteen of 34ri. the men, the remainder with Col. H. escaped,
